## Recreation Notes *July 6, 1944*

### JOB SERVICE

Boys and girls who registered for jobs during the school year are available for odd jobs by calling 3127 mornings.

Boys 13 and 14 years of age are willing to help on lawns and gardens while girls in the same age bracket will take care of children.

Marshall adults having jobs are urged to call 3127 any morning.

### PLAYGROUNDS

School grounds under the supervision of older high school girls are open each day from 9:30 to 11:30 for children in the age groups 5 years to 8 years. High school girls interested in children, supervise games, read stories, and teach children how to play.

Friday, Ruth Dahlberg, Anita Erie and Peggy McCready.

Monday, Marian Hendrickson and Patricia Nielsen.

Tuesday, Virginia Samuels and Kathleen Osborne.

Wednesday, Phyllis Kugler and Joan Broman.

Thursday, Peggy O'Connell and Nancy Molle.

### PLAY FACILITIES—Legion Field

Baseball Monday, Wednesday and Friday, 1:30 p. m.

Badminton, croquet, table tennis, archery, daily every afternoon.

Boys and girls planning their free periods should remember that play facilities are open to everyone.

Tennis courts have been cleaned and will be used as soon as drying permits marking.

## Recreation Notes... *July 13, 1944*

### PLAY FACILITIES

● Boys' baseball on Monday, Wednesday and Friday has been drawing a great deal of interest the past week. Complete teams have been on hand for regular games.

Recreational games such as badminton, croquet, and table tennis are available daily. Next week archery gets the big call with archery equipment up daily.

Most of Marshall youngsters are at work of one type or another and are choosing their recreation with a view of enjoyment and time.

### CHILDREN'S PLAYGROUNDS

The schoolgrounds are open daily to smaller children from five years to eight years of age.

High school girls try to give

something new each day and know how to supervise the play of youngsters.

Friday: Ruth Dahlberg and Anita Erie.

Monday: Marian Hendrickson and Patricia Nielsen.

Tuesday: Virginia Samuels and Kathleen Osborne.

Wednesday: Joan Broman.

Thursday: Peggy O'Connell and Nancy Molle.

Playgrounds are open daily at 9:30 to 11:30 and any youngsters that have a free morning are urged to attend during the balance of July.

### JOB SERVICE

Boys are available for odd jobs by calling Mr. Olson at 3127.

Girls are available for taking care of children. Adults having work to do and finding it hard to find the time are urged to contact Marshall youngsters who are anxious to secure work during the summer months.

Students may be contacted by calling 3127.

## Summer Music Program *July 13, 1944* Will Begin Next Monday

● The annual seven weeks' summer music program of the Marshall Public School will be started next Monday morning, July 17. This marks the third year that the school has sponsored such a program.

Donald Sites, who has been director of the school music activities for five years, will again have charge of the summer program. Mr. Sites has accepted a position as teacher of vocal music at the East Junior High School in Duluth. Those interested in music in Marshall are fortunate that he has been obtained to give seven weeks of time here between now and September 1.

The summer program is intended for any student in Marshall who is interested in studying an instrument. Those children who are thinking of taking a band or orchestra instrument in the fall are especially urged to start their work now. Also those who have had some work, are urged to avail themselves of this opportunity. There are still vacancies to be filled in the band and orchestra for the coming school year. Those students who have regular employment during the summer will find it possible to make special arrangements with Mr. Sites

for instruction and practice time if desired.

Registration will start at 8 a. m. Monday morning. The student, upon registering, will be assigned a practice room and a practice hour. Each week day the student will report to his practice room at the stipulated hour and put in one hour of supervised work. When the student has sufficiently mastered the assigned work, he will receive his lesson.

With the continuation of the summer music program, Marshall becomes one of the many schools in the southwestern part of the state carrying on programs of this nature during the summer months. In the past the students have taken advantage of this free instruction with enthusiasm. Again this year with the fourth, fifth and sixth grade students that are expected to start instrumental work, the program should be equally successful.

Starting with the beginning of the school year on September 4, the work of the Music Department will be under the direction of Robert Nelson of Red Wing. Mr. Nelson had his training at Luther College in Decorah, Iowa, and his teaching experience at Mabel, Minn.

## Swimming Class *July 3, 1944* Attendance Falls

● The number of students in the Red Cross classes at the swimming pool here has fallen very low in the past week. Attendance has been only half as great as during any one of the preceding weeks.

Parents who are interested in having their children learn to swim must keep them in regular attendance if they wish results.

A considerable amount of money is being furnished by the Red Cross for instruction and instructional facilities. If children do not make use of this opportunity to learn to swim this money will be wasted in a time when the Red Cross could use the money for other purposes.

Part of the Water Safety program has to do with the proper handling of a canoe or boat. This includes the manner in which to make a rescue with such a craft, and the safe method of entering and leaving a boat in order to avoid accidents. On Friday, July 14, a canoe will be at the pool for this purpose. As the canoe will be here for only a limited time, all members of the Junior and Senior Life Saving classes must make a special effort to be here for instruction on those days.

*July 20, 1944*  
**Recreation Notes . . .**

**CHILDREN'S PLAYGROUND**

Last week the grounds will be open—completing six weeks of playground supervision.  
 The school grounds will be open for the last week this summer starting on Monday. High school girls have been faithful in taking care of children ranging in age from 5 to 8 and in number from 10 to

35. Girls supervise swings, games, read stories, provide crayons and paper, and do everything to make an interesting morning for the younger children.  
 The grounds close July 28.

**JOB SERVICE**

Boys available for odd jobs by calling Mr. Olson at 3127 mornings.

Girls available for taking care of children.

**TENNIS**

Girls wishing to learn to play tennis or improve tennis report to courts Monday, Wednesday and Friday at 3 p. m. Tuesday and Thursday at 1:30 p. m.

**BOYS' RECREATION**

Baseball Monday, Wednesday and Friday at 1:30 p. m. Recreational games daily.

*July 27, 1944*  
**Friday Visitors Day At Swimming Pool**

● This Friday, July 28, as announced last week, will be Visitors Day at the Marshall Swimming pool. Four groups of swimming students will demonstrate what they have learned during the Red Cross Program of instruction.

Swimming classes will meet as usual Friday morning with the following program in the afternoon:  
 Beginners 2 p. m.; Intermediates 2:45, Swimmers 3:15, Junior Life Savers 3:45.

Parents of the younger groups are urged to see that their children are in attendance and on time in the afternoon.  
 Certificates will be awarded to those who have completed their tests. All of those who have not completed their tests are urged to do so next week.

*July 27, 1944*  
**55 Take School Music Training**

● Fifty-five students are now enrolled in the summer music program offered by the Marshall Public Schools. The music instruction is given free to the students of the Marshall schools who are interested in learning to play any band or orchestral instruments.

In all cases, the students must practice one hour a day. A few of the students do their practicing at home and then come into town for their lessons. Too, some of the working boys practice before going to work in the morning or after they have finished work in the evening. So it is comparatively easy for the children who are not working at some particular job to avail themselves of the opportunity of music lessons.

The program will continue up to the opening of regular school on September 4th. So even though two weeks have elapsed, it is still not too late for a few more students to plan to continue their music education this summer.

*July 28, 1944*  
**28 Organizations Now in Coordinating Council Here**

● The Marshall Community Coordinating Council held an enthusiastic meeting on Monday evening in the Little Theatre. Plans were made for better organization and a more vital emphasis on character building and better citizenship.

"We now have 28 participating organizations," stated Chairman E. J. Gervais. "However, every organization and individual interested in fostering constructive, educational, vocational, and recreational opportunities for youth and special service to children in need of guidance and correction, should attend and contribute something to this community council."

The Coordinating Council is a clearing agency where all existing organizations or groups—municipal and county government, social agencies, civic organizations, religious

bodies, fraternal orders and youth groups—can correlate their interests and combine their efforts in a constructive manner for community betterment, and for the prevention of problems in the development of good citizenship in its children. It is a counseling, coordinating and planning group.

Present on Monday evening were representatives of many Marshall organizations, President E. J. Gervais, secretary Mrs. James E. Paulsen, Mrs. H. H. Gieseke, Mrs. W. Osborne, Mrs. J. J. Farrell, Mrs. M. C. Stanwood, Mrs. F. A. Ohlsen, Mrs. Georgiana Darling, Mrs. Loyd Walker, Mrs. Charles Lutz, Mrs. E. J. Gervais, Mrs. Ira Evans, Miss Ira Lindsley, Mr. and Mrs. Wesley Kugler, Rev. A. R. Harkness, Rev. G. H. Goodreid, Charles Carlson, and Charles DeReu.

*July 31, 1944*  
**140 Swimmers Compete in Program at Marshall Pool**

● One hundred-forty swimmers took part in the Visitors Day Program sponsored by the local chapter of the American Red Cross at the local pool last Friday. Many parents and friends turned out to watch the youngsters go through their paces under the direction of Doreen Gilbertson, who has instructed all classes this season.

Prizes in the form of war stamps were given by the Junior Chamber of Commerce. Diving as well as racing featured the competition, with the Junior Life Saving class giving demonstrations.

Winners in the various events are as follows:  
**Beginners**

Boys distance race — Bernard Archibald, Johnny Tholen, Harvey Smith, Bobby Sullivan, Jim Longtin.

Boys 20 yard race—Florian Sprader, John Wetherbee, Richard Mosen, Jack Andrejewski, Roy Lindgren.

Girls distance race—Judy Bladholm, Rosalie Reber, Carolyn Meyers, Elaine Tholen, Joycelyn Taylor.

Girls 20 yard race—Yvonne Char-

bonneau, Ardith Madden, Helen Mosch, Carol Davis, Lorraine Maronde.

**"Intermediate"**

Boys 40 yard race—Arlo McFarland, Jim McKay, Darold Erickson, Tom Kelley, Marlo McFarland.

Boys diving contest—Tom Kelley and Tom Andrzejewski, tie, Duane Rubertus, Arlo McFarland, Jim McKay.

Boys 20 yard dog paddle—Arlo McFarland, Tom Kelley, Jim Wetherbee, Roger Wetherbee, Tom Andrzejewski.

Girls relay (3 girls each one length)—Joan Rasmussen, Marjorie Glieden and Coleen Blake.

Girls 40 yard Elementary Backstroke — Lorraine Sheets, Elaine Sheets, Carol Daniels, Rose Ann Madden, Jeanette Jerzak.

**"Swimmers"**

Girls 40 yard race—Joan Stassen, Ellen Blake, Donna Rasmussen, Barbara Gamm, Francis Schuck.

**"Junior Life Saving"**  
 Boys Rescue Race—Dennis Erie, Donald Rubertus, Robert Schwann.

Girls Rescue Race—Ellen Blake, Marilyn Bailey, Jo Ann Yaeger.

*July 29, 1944*  
**Visitor's Day at Pool to Show Children's Progress**

● Friday, July 28, will be visitors day at the Marshall swimming pool. The afternoon has been set aside as the day on which anyone who is interested may see what has been accomplished through the Red Cross classes. All parents of swimming students are especially invited to attend and are also urged to see that their children are there and on time.

This demonstration is a part of the swimming instruction, and certificates will be awarded on that day. Students must be there at

that time or no certificates will be given.

The Visitors' day is being substituted for the usual Water Carnival because of the lack of available local talent. Too, very few of the students are over 12 years of age. This group has been putting all their time into learning the rudiments of swimming and water safety.

The demonstrations are under the direction of Miss Doreen Gilbertson. The program will appear in next week's paper.

Aug 3, 1944  
**Recreation Program Here Proves Successful**

Here are nine of the 11 girls who aided Marshall's recreation program by supervising children in the playground program. Left to right, front row, Nancy Molle, Peggy McCreedy, Peggy O'Connell, Joan Broman, Kathleen Osborne; back row, Patricia Nielsen, Virginia Samuel, Ruth Dahlberg, and Anita Erie.

● A successful recreation program has been carried on here this summer, it is revealed by a report of activities made today by Merrill W. Olson, who had charge of the program this year. Kittenball has gone very well, and other divisions were summed up in the report as follows:

Boys' recreation was planned this summer to take care of as many boys as were interested in recreational games. Baseball claimed from 15 to 22 three days each week, games being played on Monday, Wednesday and Friday. Archery, badminton, table tennis, croquet, and other recreational games were available daily and many boys used the opportunity of taking part in the various games.

For the second year, the Odd-Job service was carried on as part of the recreational program. All students were asked to make out work cards before the close of school, and cards were checked to help young-

sters find jobs in town.

Actual checks indicated that all boys over 16 were employed in regular jobs and that many younger boys were also holding down regular jobs.

Many of the younger boys held jobs over from last summer, while many new contacts were made.

Girls were employed in regular jobs and some of the younger girls were employed taking care of children.

The Job Service received and placed about three jobs a day during June and July. In addition, every senior was checked who was not employed and given help.

Students were asked to work and save—save to buy bonds, and develop the work and save habit.

The Job Service worked on the principle that a busy youngster would always be a happy youngster.

Eleven high school girls volunteered to take care of the playground during the summer months,

up to August 4. The number of children varied in attendance from six to 35 in number. Stories were read, games played, crayons and scissors were used.

The high school girls worked hard in supervision of the children and deserve a vote of thanks from the community.

Girls in charge of playgrounds: Ruth Dahlberg, Anita Erie, Peggy McCreedy, Marian Hendrickson, Patricia Nielsen, Virginia Samuels, Kathleen Osborne, Phyllis Kugler, Joan Broman, Peggy O'Connell and Nancy Molle.

A big year was planned in tennis this year, but bad weather canceled the project. One court was readied, and 20 girls, many beginners, spent three weeks in daily workouts.

The courts are under construction at the present time and will be ready for Fall use. Another year should find three courts in excellent shape and a splendid program developed.

Aug 10, 1944  
**High School Age Students Urged To Continue Studies**

By PAUL S. WILSON  
 Superintendent of Schools

● High school enrolments have declined one million during the first three years of the war and the trend has been accelerated each year. This is a serious threat to the future of our country. The boys and girls of high school age today will be our leaders in the period 10 or 15 years after the war when the great test of our ability and our willingness to solve the social, economic, and political problems of our country will come. "Get set for tomorrow—Go to school now" is the slogan of a Go-To-School Drive sponsored by the U. S. Office of Education and the Children's Bureau of the Department of Labor in cooperation with the Office of War Information and with the endorsement of the War Manpower Commission.

For a generation until the present war our country slowly but steadily built up its high school enrolment. In 1940-41 the number of students reached its all-time high of 7,244,000. Then the tide of students started its flow out from high schools. Each year of the war has seen fewer boys and girls in high school classes. In 1941-42 there was a shrinkage of 300,000. Another drop of 300,000 occurred the next year. In 1943-44, high school rolls were down another 400,000. We are back now to the high school population we had in 1934.

This trend which is evident on a national scale is noticeable in Marshall. While the decline in local high school enrolment has been less marked than for the nation as a whole, there has been a gradual decrease since 1940.

Jobs, more than any one thing, have been the magnet that has pulled young people out of our high schools. Why have young people left school for work? No nationwide poll has been taken on this question. Competent observers, however, list these as some of the reasons, given by young people, parents, school people, and others close to the situation: (1) Desire to earn money. (2) Desire to help the nation. (3) Desire to help an employer. (4) Desire to help the family. (5) Doubt of the future. (6) Doubt of education.

In the following paragraphs are a few things for young people of

high school age to think about.

To those lured by "big money": Maybe that job you are holding now does look big. But how big will it look five years from now? Does it really give you a chance to go ahead? How fast can you go ahead on it? If you knew how to count better, write better, plan better, would you go ahead faster? If you knew more about people, business, government, and how things are made and done by other people, would you go ahead faster? School is where you can learn those things. If you don't want to stand still, go to school.

To those who want to help the nation: Here's what the War Manpower Commission says: "The first responsibility and obligation of youth under 18, even in wartime, is to take full advantage of their educational opportunities in order to prepare themselves for war and postwar services and for the duties of citizenship . . . In most cases, youth under 18 can best contribute to the war program by continuing in school and, when their services are required, by accepting vacation and part-time employment." Your No. 1 war work is school work. Keep it up.

To those who want to match the patriotism of men in the service: When your hero comes home from the war, he will be wearing a badge of honor for having given his best to the nation in wartime. The best service you can give is to get all the training you can crowd into these important years of your life, so you'll be ready to help with the big and difficult job of making a nation fit for heroes.

**24 School Heads At Meeting Here**

● The regional conference for county superintendents of Southwestern Minnesota was held at the Court House in Marshall on Tuesday.

The meeting was called by the State Department of Education. T. C. Engum, director of rural schools, was in charge, and was assisted by Mrs. Agnes Pyne, rural school supervisor, and Miss Ruth Ersted, supervisor of school libraries.

J. S. Siewert, of Windom, a member of the State Board of Education, was present and gave a brief address.

County Superintendents from the following counties were in attendance: Traverse, Big Stone, Swift, Kandiyohi, Meeker, Wright, Lac qui Parle, Chippewa, Yellow Medicine, Renville, McLeod, Sibley, Lincoln, Redwood, Nicollet, Pipestone, Murray, Cottonwood, Brown, Watonwan, Rock, Nobles, Jackson, and Lyon.

Aug 17, 1944

## Top Generals Stress Value Of Continuing High School

● Top-ranking men of the Army, Navy and Marine Corps today strongly urged the nation's youth of pre-military age to return to high school in the fall instead of continuing in summer jobs.

Gen. H. H. Arnold, commanding general of the Army Air Forces; Vice Admiral Randall Jacobs, chief of naval personnel, U. S. Navy and Lt. Gen. A. A. Vandergrift, commandant of the Marine Corps, issued statements addressed particularly to boys and girls under military age stressing the importance of high school education, not only for use in the armed forces but as preparation for post-war life.

Alarmed by a drop of 1,000,000 in high school enrollment since the war's beginning, the government, with the cooperation of civilian and military leaders, has opened a drive to convince boys and girls of the values of a high school education.

General Arnold indicated in his message that all branches of the service need leaders, engineers, scientists and specialists, and that in the "years to follow victory, we will need them even more as our nation charts its progress in the post-war world."

"We of the armed forces," he added, "urge every young man and woman of pre-military age who has been filling a summer war job to return to school this autumn. Such war work is important, but your education has top priority. You will serve your country best by making the most of your educational opportunities, for this is not only a brave man's war—it is a smart man's war."

Admiral Jacobs, stressing the need for sound grounding in mathematics and science as a background for operating and maintaining naval equipment, said:

"The Navy needs young men who have the brains to think, the strength to fight and the will to extend themselves. This means that every young man under 17 should do everything possible to develop his mind and his body. Specifically, it means that you as one of this group should let nothing stand in the way of your return to high school this fall. The technical developments of the war are bound to continue and expand in the post-war period. For the success I know you desire in the near future as well as later, you need to see that you make the best possible use of your present opportunity to obtain a basic education."

General Vandergrift's message to boys of pre-military age pointed out that this "most highly specialized of all wars" has proven that "bravery

alone is not enough to win battles. To have bravery without knowledge is to be only half prepared."

"If you have been employed in the factory or on the farm this summer, providing valuable impetus to an early victory, you should plan to go back to high school this fall," he said. "We in the Marine Corps feel you can best serve your nation and your fellow man at school, now, building the sound mind in the sound body."

"We are all preparing for another challenge to our democracy when the victory is won—the dynamic challenge of fulfillment of the cause for which we fought, in a peaceful world."

"Your country is depending on you to be well equipped and prepared to meet that challenge, mentally, physically, and ethically."

Aug 17

## Crippled Children Clinic Here Set For Sept. 30

● Dates and locations for the fall series of clinics for crippled children of the state are announced by Jerle Leirfallom, acting director of the Division of Social Welfare.

The clinic program is conducted by the Section for Crippled Children and is under the supervision of Dr. Edwin J. Simons, chief of the medical unit of the Division of Social Welfare.

The Fall schedule calls for a meeting at Marshall Sept. 30 for Lyon, Lincoln, Redwood, Yellow Medicine and Lac qui Parle counties.

These clinics are for boys and girls under 21 years of age who are unable to afford private orthopedic care. Clinic services include medi-

cal examination and recommendations for the disabilities found. Those over 14 years of age will have the opportunity of consulting a counsellor from the Vocational Rehabilitation Division of the Minnesota Department of Education in regard to training for employment.

The following organizations are cooperating with the Section for Crippled Children in the clinic program: the Minnesota-Dakota Orthopedic Society, the Northwestern Pediatric Society, the Gillette State Hospital for Crippled Children, the Division of Vocational Rehabilitation, the Minnesota Public Health Association, the Minnesota State Medical Association and the local medical society.

Sept 27, 1944

## Join Quarterbacks Now, Officials Urge

● Everyone planning to join the Downtown Quarterbacks Club this season will help greatly in organizing the club if they will make their enrollment now, those in charge repeated today.

Memberships may be obtained at three places, from J. M. Shrader in the First National Bank, L. P. Carrow at the Marshall Dry Cleaners, and H. N. Harmon at the City Hall.

The first football game of the season will be played on Friday, Sept. 15, which means the first Quarterback meeting will be held on Monday, Sept. 18.

The \$5 membership covers meetings following the seven games of the season, and then a final session.

It is stressed that when 100 members have joined, no more can be taken.

Aug 17, 1944

## School To Open Sept. 4; Teaching Staff Announced

● The opening date for the public school in Marshall has been set for Monday, Sept. 4. During the first week there will be regular school Monday and Tuesday, with dismissal on Wednesday for School Day at the Lyon County Fair, and regular school on Thursday and Friday.

Several changes have been made in the faculty largely due to resignation of teachers who have accepted other positions or who are entering other occupations. The list at present is as follows:

Kindergarten, Winifred Schmoll; First Grade, Imelda Tyman and Lillian Riedesel; Second Grade, Mary Kelly and Johanna Sorenson; Third Grade, Lenore Jacobson and Marion Kerr; Fourth Grade, Eunice Keasling and Frances Taylor; Fifth Grade, Ardis Anderson and Evelyn Jackson; Sixth Grade, Irene Nagel and Paula Hammer; Junior High, E.

Marie Alsaker, Henrietta Dahlberg, Edra Gray, June Perkins, Vera Peterson, Julian Waller; Senior High, Adeline Brobeck, Ursula Costello, Doris Drake, Marvin Glesne, Viola Grovender, Marie Nyjordet, Frank Smith, Helen Sullivan, Elmer Wickstrom; Home Economics, Marjorie Bassett; Physical Education, Jay Johnstone and Loris Thoreson; Industrial Arts, Harry Ahlin; Music, Robert Nelson; School and Community Nurse, Mable Olson; Principal, Merrill Olson; Superintendent, Paul S. Wilson.

A new service to be inaugurated this year is that of a School and Community Nurse. Miss Mable Olson, who is a well qualified and experienced public health nurse, has been added to the teaching staff. Her most recent experience has been with the State Department of Health in the state of Arizona, where she has been a field supervisor of Public health nursing.

While Miss Olson's time will be taken up largely with her duties as school nurse, she will give some attention to community health problems. Her work in this field will be largely with pre-school children.

With the decided shortage of public health nurses, and the large number of towns seeking the services of these persons, Marshall is indeed fortunate to have Miss Olson to start a public health program here.

No definite announcement can be made at this time concerning the school lunch program. It is expected that arrangements will be made to continue the lunches as offered last year, starting perhaps with the first day of school. Definite announcement concerning lunches, bus routes, enrollment dates in both grade and high school, will be announced in forthcoming issues of this paper.

Aug 27, 1944

## Excellent Activity Program Is Ready for School Year

● Marshall High School's Activity program marks its 16th year with the opening of the 1944-45 school year.

The Activity program has always been very successful from the standpoint of the number of students taking part, with percentage ranges as high as 98 per cent of all the students registered in Junior and Senior High School as activity members.

The program is always prepared by the Student Council the previous year, and for a flat charge varying from seven cents for each attraction in Junior High School to eight cents in Senior High School. This admits students to all activities during the year. No additional drives for money are made. Students can make one payment if they so desire at the beginning of the year. For those who cannot, 10 cents a week pays the balance over the \$1 taken from the office deposit fund.

The Junior and Senior class plays are the only activities not included in the single admission price.

During the 15 years of operation, activities have remained the same price until the addition of the federal tax made it necessary to increase the charge.

The 1944-45 Activity program includes: 4 football games, 9 basketball games, 8 lyceum numbers, 1 drama club production, and the Tiger Herald for one year.

The football games are: Clark-

field, Pipestone, Redwood Falls, and Tracy—Tracy in the Armistice day game.

The basketball games include Balaton, Ivanhoe, Minneota, Redwood Falls, Clarkfield, Tracy, Hendricks, and Pipestone.

The Student Council's selection of Lyceum numbers is as follows:

The Bayou Singers, a Negro quartet; Burton Jackson, a featured artist on the Columbia Broadcasting System; George DeMott, comedy juggler and entertainer; Major Thomas Ditton, military analyst; World's Champion Table Tennis Players—Harry Cook and Doug Cartland; Sam Grathwell with his "Story of the G-Man"; Jack Rank, one-man theatre; The Pamanskea Pets.

The Tiger Herald, which last year had its best year, will be part of the activity program again, and every student member will receive a copy of each publication. The Herald provides an excellent method of keeping an account of school days by retaining each copy that is issued.

The entire Activity program should be of just as much interest as those of past years. Any boy or girl who cannot afford to pay the entire amount at registration may elect to pay 10c a week for 20 weeks and take \$1 from the office deposit fund. For the seventh and eighth grades, 50c will be taken from the office deposit fund and 10c a week for 20 weeks.

Aug 24, 1944

# Registration for High School Here Will Begin on Monday

Registration for Junior and Senior High School in Marshall will begin next Monday, Aug. 28, and will continue during the week, in the Little Theatre of the high school building.

Parents and students are requested to check the days of registration and make it a point that every student registers. It will not be necessary for the seventh and eighth grades to register, except the new students. They are asked to come on Monday, Aug. 28, with the ninth grade.

The schedule is as follows:  
Ninth Grade, Monday, Aug. 28  
Twelfth Grade, Tuesday, Aug. 29  
Eleventh Grade, Wednesday, Aug. 30  
Tenth Grade, Thursday, Aug. 31

All students new to Marshall in either the seventh or eighth grades are requested to come Monday, the 28th, so that their work may be checked.

For registration students are registered in and the type of work each student hopes to do will also be checked. Departments include: general course, college preparatory course, commercial course, and vocational course. At the time of registration each student is urged to review his selection of courses for his entire high school career. By making this review students may make any change and arrange their work to best fit their needs in the completion of their high school course.

A definite record is kept for each student from the time he or she enters the seventh grade. In this way it is possible to make a comparison of how his or her program is working out. The courses of study, each year, are set up to benefit the greatest number of students possible, and each individual case is studied to help that individual.

At registration each year, college entrance requirements are explained and students who think they will have the opportunity of attending college are urged to fit themselves by taking the college preparatory course.

## REGISTRATION - - -

(Continued from Page One)

9 o'clock on Monday morning, the 4th. Pupils who attended the school last year are to report to the same room at 9 o'clock. Shortly after that time new assignments will be made and the pupil moves to the next room. Those entering grades one through six for the first time are to report to the office of the Superintendent in the high school building for registration at 9 o'clock.

Arrangements are being made for the school buses to make the regular trips starting Monday, Sept. 4. With the exception of kindergarten, all grades and high school will be in regular session Monday, Tuesday, Thursday and Friday of the first week. School will be dismissed on Wednesday for attendance at the Lyon County Fair.

The noon lunch program will be available for those who wish to take advantage of this service, starting at noon on Monday of the second week of school. Plans are also being made for grade children to be served milk during the afternoon, starting the same day. The cost of the noon lunches and of the afternoon milk will be the same as in the past, namely, 50c per week for lunch, and 12 cents per week for milk. Tickets for these lunches may be purchased during the first week of school.

## Adult Education Classes Possible

A few requests have been made that the Marshall Public School offer evening classes in the field of adult education. The interest already expressed has been in the field of shorthand review classes, typing and sewing.

If evening classes are organized, the sessions would probably be once a week for 12 weeks. The plan would be to start Oct. 31, with six weeks before Christmas and six weeks after the holiday season. Enrollment fees sufficient to cover the cost of instruction would be charged.

A complete list of subjects which might be offered would include: beginning typing, advanced typing, shorthand review, woodwork or metal work for men or women, art, sewing, discussion group on current problems, mens' volley ball and recreation games for women.

If any person in the community is interested in any of the above mentioned courses or any other classes which might normally be offered, he is asked to contact the superintendent of schools.

## Summer Music Program Success

Marshall Public School's summer music program comes to an end this week. The course of free instruction has had an enrollment of 58 students this year. Considering the fact that so many of the students of the Marshall schools have been employed the greater part of the summer, the large enrollment shown the program has been successful.

The summer music program has been available to any student interested in furthering his music education. The student has reported to the school each day for his practice hour. Once or twice a week, depending upon the student's mastery of the assignment, each student received a free lesson.

Those enrolled in private or ensemble work whose attendance has been almost perfect are: Mary Steenhoven, Don Rubertus, Margaret Gamm, Darold Erickson, Betty Erickson, John Wetherbee, Vincent Harris, Elaine Swanson, Shirley Nelson, James Wetherbee, Cecelia Bromen, Lawrence Ice, Dorothy Waldorf, Alan McGlothlin, Evelyn Steenhoven, and Rodger Wetherbee.

The other students enrolled in this course of instruction are: Byron Ellingson, Gerald Adler, Virgil Rupp, Dan Galle, Joan Bromen, Glenda Fishman, Joanne Yaeger, Jaelyn Yaeger, Norma Wild, Jean Soucy, Ruth Dahlberg, Eunice Halvorsen, Mary Lou Ehrreich, Jack Ehrreich, John Appien, James Henderson, Ardith Henderson, Janet Robson, Tom Ryan, Betty Anderson, Dorothea Rupp, Ohm Cook, Peggy O'Connell, Darrel Tillbury, Nancy Pickett, Bruce Meyers, Mary Meehl,

Dean Johlfs, Patty O'Connell, John Kugler, Dennis Erie, Clarence Blair, Ramona Deutz, Roy Lingdren, Jane Hammond, Mary Edwards, Mary Bussard, Barbara Bussard, and Nancy Wiener.

## Quarterbacks Club Issues Call for Its New Season

The Downtown Quarterbacks Club is now organizing for the coming season, and anyone wishing to join should do so as soon as possible because the membership is limited to 100.

Organization work is starting early this year to give everyone a chance to join, since in other years some have wanted to be members but were not contacted due to the shortage of time before the first dinner.

Marshall High School's opening game of the football season will be

played on Sept. 15, and the first meeting of the Quarterbacks will be held the Monday evening following that game. As in past years, the club will meet for evening dinner and then discuss the game just past and the schedule ahead.

When 100 members have joined, no more will be taken, said officials, so get tickets early to be sure of getting in before membership closes.

Tickets may be purchased from any of the following: J. M. Shrader, First National Bank; L. P. Carrow, Marshall Dry Cleaners; and H. N. Harmon, City Hall.

## SCHOOL - - -

(Continued from Page One)

ing the general meeting in the auditorium, students will proceed to their home rooms where they will receive their program cards, then go directly to their classes where books will be issued and assignments made.

High school students who found it impossible to register before Monday are asked to report to the office of the principal immediately following the convocation. The advanced registration has made possible the careful checking of the student's course and individual advice and counsel to each student concerning the subject matter and courses he is taking with relation to the work he expects to enter after graduation.

Mothers who plan to start children in kindergarten are requested to bring their children for enrollment on Monday, Sept. 4, in accordance with the following age groups: Those who become five years of age between July 1 and December 31 of the present year are to come for registration at 9:30 in the morning. Those who became five years of age between January 1 and June 31 of this year are to come for registration at 1:30 in the afternoon. No child will be admitted into kindergarten unless he becomes five years of age on or before Jan. 1, 1945.

Aug 31, 1944

## School to Open Monday, Teaching Staff Completed

The Marshall Public School will open with regular session in all grades and high school on Monday, Sept. 4.

The only department which will not have a complete program on the first day is kindergarten. There the day will be spent for registration.

On Aug. 17, the Messenger published the list of the faculty, which was nearly complete at that time. Since then the following teachers have been added: Miss Hope Johnson from Lake Benton in kindergarten and Miss Johanna Dolgaard from Kelliher in the second grade, will complete the grade faculty. In the high school Miss Ceil Reed from Redwood Falls will take the English and music position left vacant by the resignation of Miss Vivian Erickson, and Miss Clarine Holstad from Northwood, Iowa, will take charge of the girls' physical education.

Registration for the junior and senior high schools has been carried

on under the direction of Mr. Olson, high school principal, Monday through Thursday of this week. Those who were unable to get in at the regularly assigned time are asked to register Friday, Sept. 1, at the principal's office if possible. On the opening day of school, children are asked to come at nine o'clock. Those in grades one through six who attended the public school last year are to report to their regular rooms for new room assignments.

The seventh and eighth grades are requested to go to the third floor of the old building, where lists will be posted indicating the home rooms for the coming year. They will then go to the assigned home rooms. From there they will proceed to the main auditorium.

All ninth grade and senior high students are requested to report directly to the main auditorium at 9 a. m. At that time all home room assignments will be made. Follow-

## Tiger Football Drill Opens, With 55 Boys Reporting

Coach Whitey Thoreson started football practice Monday evening with 55 boys calling for equipment. Of the 55, 10 are lettermen, and of the 10, Arfman, Carrow, Henry, Schwan and Traxler earned their letters in the line, while Hemmingson, Jansen, Paulson, Serlet and Stanke earned theirs in the backfield.

Carrow and Traxler were the only two line regulars last year, and as a result, Coach Thoreson will be forced to build a new line. From all indications, Stanke will be mov-

ed up to one of the tackle posts. In the backfield all have had experience and the problem there should not be as great as in the line.

Coach Thoreson has to develop blocking out in front and break-away runners. From all indications, this will be quite a job.

A large group of anxious underclassmen will be ready to take over if and when any of the lettermen fail.

Coach Thoreson will be handicapped by a light squad and having to build from the bottom up.

## Red Cross Swim Certificates Go to 180 Boys and Girls

• The American Red Cross Swimming instruction course is now completed with the closing of the Marshall Municipal Pool. Red Cross certificates will be mailed to 180 persons who have successfully completed the swimming or water safety courses, sponsored by the Lyon County Chapter.

A great deal of interest was displayed by class members in the skills necessary to complete their tests.

Those who will receive certificates are:

77 Beginners—Roger Adams, Jack Andrzejewski, Bernard Archbold, Jim Archbold, Jacquelyn Banbury, Judy Bladholm, Jan Bulowski, Cecilia Broman, Yvonne Charboneau, Guy Cherp, Gary Couture, Gerald Cross, Merlin Cross, Ruth Dahlberg, Teddy Deutz, Carol Davis, Wendall Erickson, David Erie, Jack Ehrreich, Monica Farrell, Glenda Fishman, Joyce Grandpre, Alice Greg, Donald Haas, Eunice Halverson.

Phyllis Hassert, Laverne Hebert, Bob Heimann, Mary Heimann, Shirley Heimann, Donald Hess, Nola Hess, Marion Hoff, Jeanette Jerzak, Dorthea Knudtson, Andrew Kraus, Anthony Kraus, Carol Ann Kruger, Mavis Lake, Donald Lennard, Jean Lennard, Robert Leudke, Roy Lindgren, Ardith Madden, Jeanne Maxon, Theresa McKay, Carolyn Meyers, Clayton Myres, Helen Mosch, Richard Moseng.

Connie Balcom, Barbara Phillips, Nancy Pickett, Rosalie Reber, Dorthea Ruppe, Loretta Schrank, Donald Shourds, Ed Shourds, Harvey Smith, Stanley Smith, Delores Sprader, Eleanor Sprader, Florian Sprader, Joycelon Taylor, Elaine Tholen, Burton Thomas, Sharon Werpy, Jim Wetherbee, John Wetherbee, Bernetta Wilson.

34 Intermediates—Tom Andrzejewski, Donna Ausen, Delores Banbury, Coleen Blake, Coleen Cool, Carol Curwick, Carol Daniels, Darold

(Continued on Page Five)

## School Men Here At Regional Session

• Sixty-five superintendents from some 50 schools in this part of the state were in Marshall today for one of 10 regional conferences held by the State Department of Education. Sessions were held through the day at the Little Theater in the high school building.

Seven staff members of the State Department were on the conference program, including F. R. Adams, former superintendent in Marshall.

Other towns on the 10-conference schedule are St. Paul, Rochester, Mankato, Alexandria, Detroit Lakes, Thief River Falls, Bemidji, Hibbing and Brainerd.

Topics taken up at the conference included administrative and supervisory matters, teacher certificates, transportation and closed schools, regular vocational education, war production training, food production training, school community lunch program, legislative program and state aids.

## Children's Clinic Plans Completed

• Local arrangements for the clinic for Crippled Children to be held at Marshall, Saturday, September 30 have been completed.

Mrs. L. M. Thorburn has been appointed local chairman. The clinic will be held at the Grade School and the hours will be from 8 a. m. to 2 p. m.

Orthopedic surgeons will conduct the medical examination and will make recommendations for the care of disabilities. Arrangements for hospitalization for these children is a part of the clinic service. Crippled boys and girls over 14 who are interested in information on training for employment will have an opportunity to consult with vocational advisers.

Services of this clinic are for boys and girls under 21 years of age, whose parents are unable to provide necessary orthopedic treatment from the following counties: Lyon, Lincoln, Redwood, Yellow Medicine, and Lac Qui Parle.

Ruth Carlson, R. N., field nurse is now in this district preparing for the clinic.

## SWIMMING

(Continued from Page One)

Erickson, Marjorie Glieden, Donald Hess, Shirley Heimann, Henry Jensen, Jeanette Jerzak, Tom Kelley, Margaret Knudtson, Marjorie Knudtson, Mary Lou LeBeau, Richard Lennard, Rose Ann Madden, Arlo McFarlane, Marlo McFarlane, Jim McKay, Theresa McKay, Barbara Olson, Thor Olson, Nancy Pickett, Joan Rasmussen, Duane Rubertus, Louis Sprader, Elaine Sheets, Lorraine Sheets, Jim Wetherbee, Rodger Wetherbee.

29 Swimmers—Tom Andrzejewski, Terry Bladholm, Coleen Blake, Ellen Marie Blake, Harold Chapman, Romona Deutz, Roland Dolan, Darold Erickson, Joyce Foster, Barbara Gamm, Paul Hibbs, Henry Jensen, Tom Kelley, John Kugler, Pat LeBeau, Charles Lutz, Arlo McFarlane, Bruce Meyer, Barbara Olson, Donna Rasmussen, Jane Schuck, Barbara Schwandt, Joan Stassen, Betty Swanson, Duane Tack, Francis Walsh, Rodger Wetherbee, Marlo McFarlane.

19 Advanced Swimmers—Marilyn Bailey, Clarence Blair, Betty Erickson, Charles Erickson, Anita Erie, Norma Gilbertson, Lawrence Henle, Rosemary Henle, Nancy Molle, George Nielson, Pat Nielson, Mary Ellen O'Connell, Peggy O'Connell, Rosalie Robson, Catherine Shrader, Harriet Schrank, Jean Soucy, Dorothy Telford.

15 Junior Life Savers—Marilyn Bailey, Ellen Marie Blake, Harold Chapman, Ronald Dolan, Dennis Erie, Margaret Gamm, Dean Johlfs, Marilyn North, Donna Rasmussen, Donald Rubertus, Harriet Shrunk, Robert Schwann, Ann Stanwood, Francis Walsh, Joanne Yaeger.

6 Senior Life Savers—Norma Gilbertson, Patricia Nielson, Peggy O'Connell, Mary Ellen O'Connell, Rosalie Robson, Dorothy Telford.

"Much credit should be given to the parents of these students for encouraging them to take advantage of this important community safety project," said Miss Doreen Gilbertson, this year's instructor. "Swimming is an important sport for the health and recreation of every man, woman and child—but we must swim safely. The Red Cross swimming program has presented this water safety knowledge to show all these young people how to safeguard themselves and to help others in water emergencies. The Red Cross effort likewise deserves much credit."

# Tigers Drill Harot. 15 Lyon Coun

## Clarkfield Is First; 10 Lettermen Here

• Marshall High School opens its 1944 football season on Friday, Sept. 15, meeting a strong Clarkfield eleven on Legion Field.

The present Clarkfield-Marshall season started in 1941. That year the Tigers had their last championship team, and won 39 to 6, but it was well into the second half before the Tigers were able to get started, Clarkfield showing a great defense against one of the great Marshall teams of all time.

In 1942, Marshall won 7 to 0, and again in 1943, 19 to 0. Both the 1942 and 1943 games were well-played by good teams.

The Tigers have found it necessary to get in tip-top shape to meet the Cardinals from Clarkfield. This year will prove no exception, with the Cardinals sending a veteran aggregation.

The Tigers have 10 lettermen around which Coach Whitey Thoreson is building. Norman Carrow, guard; Ed Stanke, a tackle this year, transferred from the backfield, and Tom Traxler, guard, make up the veterans in the line. Arfman, Doc Henry, and Marvin Schwan all earned letters playing in the line in 1943.

In the backfield Coach Thoreson will have Hemmingsen, who has already earned two letters, Bob Jansen as a spot runner, James Paulsen, and Dwane Serlet, all lettermen from last year. Serlet has two years' experience, and this should be his biggest year. From all indications, Duke Kelly will get the call as quarterback.

Some of the second squad members are putting in their bids for places on the first eleven, and it is possible that they will replace what looks like the starting line up at the present time.

Driggs, Hammel, and Tee Paradis have been working out with the first team. Other names that will bear watching this year are Bailey, Bies, Bot, Dandurand, the Ellingson brothers, Green, Kerkvliet, Maloney, Martin, Seifert, and Weingartner. Two transfer students to Marshall this year may help a lot—Curtis and Nelson.

With a seven-game schedule, Marshall High School is looking for a big season, and with 56 boys reporting it may prove one of the most interesting since the undefeated season of 1941.

The squad will return to some of the old deceptive formations used so frequently in previous years, Thoreson initiating the "T" formation for the first time.

The squad personnel is as follows:

Merle Arfman, Bud Ausen, Don Bailey, Orval Bies, Tom Bladholm, Dennis Blake, Norman Bot, Norman Carrow, Bob Christianson, Neal Coeuyt, Marvin Cross.

Wheeler Curtis, Doug Dandurand, Ronald Driggs, Clayton Ellingson, Clifton Ellingson, Richard Endres, Dennis Erie, James Galle, Roger Gilbertson, Gordon Green, John Greenwood, Jim Gregoire, Robert Hammel,

Thomas Hasbrouck, Marvin Hasert, Joe Heinis, Bert Hemmingsen, Hubert Henry, Charles Hickok, Robert Jansen, Dennis Juba, Roger Julian, Dick Kelly, Harold Kerkvliet, John Kugler, James Maloney, Allen Martin, Kolland Miller, Donald Nelson, Tee Paradis, Edward Paradis, Eugene Paradis, Jim Paulsen.

Marvin Schwan, Robert Schwan, Robert Seifert, Donald Semans, Dwane Serlet, Royce Sliter, William Snyder, Ed Stanke, Robert Stanke, Lloyd Tack, James Weingartner.

## Tuberculin Test Scheduled Again in Local Schools

• Tuberculin testing will be done in the Marshall Public and Parochial schools again this year.

The test will be administered by Dr. S. A. Slater of the Southwestern Minnesota Sanatorium, on Oct. 13, to those students in the following groups, whose parents request it:

- (1) All new students, including kindergarten.
- (2) 9th and 12th grade students who did not have a positive reaction in November, 1943.
- (3) Students whose tests were not read or were read as doubtful in November, 1943.

Pre-school age children and some rural school children are included in the plan also. This program is carried out in cooperation with local physicians and is financed by Christmas Seal funds.

Parents will have the opportunity to request the test for their children by means of cards which will be distributed through the school. While students are not required to have this test, parents should realize this is an opportunity to promote the health of the children and

the welfare of the community.

The tuberculin test is simple and harmless. A "red spot" at the site of injection is known as a positive reaction. It indicates that the individual has come in contact with an active case of tuberculosis and that the germs are somewhere in his body. It does not necessarily mean active disease. Positive reactors will be taken to the sanatorium for x-ray pictures to learn whether or not the germs are doing serious damage to the lungs. Positive reactors discovered in last year's testing survey in grades other than those included in this program are advised to consult their private physicians in regard to examinations.

Tuberculosis can be eradicated by finding the active cases who are spreading the disease and isolating them. Tuberculosis can be cured if discovered in the early stages. When symptoms appear they indicate that the disease is advanced. The early case is discovered by looking for it before symptoms appear.

It is hoped that parents will give these facts serious consideration and cooperate in this effort to bring tuberculosis under control.

# 1944 Tigers Open Season

## To Meet Veteran Clarkfield Team

● Marshall football fans will have the opportunity of watching the 1944 Tigers in action for the first time Friday evening, Sept. 15, when the Orange and Black plays host to a powerful Clarkfield team.

Clarkfield offers a veteran eleven in the season's opener, the same team that played and lost to Marshall just a year ago 19 to 0. That game proved to be one of the best to be played by the Tigers all season.

Coach Whitey Thoreson will present a lot of new names to the Marshall public Friday night, names that will be heard from before the year ends at Marshall on Nov. 11.

From every indication, Tee Paradis will get the call at center, with Bies close behind. Hammel and the veteran Carrow have had the call at guards, Stanke and Schwan at tackle, Arfman, Green, and Driggs and Nelson at end. Arfman looks like a future at end, with Green, Nelson and Driggs putting on a ding dong battle for the other berth. In the backfield, there is Kelly, Paulsen, Hemmingsen, and Serlet, with Curtis, Jansen, and Dandurand alternating.

Overall, the team will not pack too much weight, but will be able to handle themselves with most all high school teams. It looks like a fighting, hard-hitting group of boys who like to play football, but have

# Here Friday Night

a lot to learn. Practice sessions indicate that Marshall will return to fancy football this fall—where you try to follow the ball and after watching a couple of sessions, get fooled plenty often.

Parking lots are located close in and other facilities are good. Every adult in Marshall is urged to come out and watch the 1944 team in its opener.

Other members of the squad are Jack Krueger, Richard Londgren, Norman Evans, Harold Regnier, Tom Harstad, Joseph Clark, Rodney Vogt, Don Brosseau and Wallace Fischer.

Lynd opens its season against Cottonwood Sept. 15. The balance of its schedule is as follows:

- Sept. 22—Lynd at Hanley Falls.
- Sept. 29—Milroy at Lynd.
- Oct. 6—Lynd at Minneota.
- Oct. 13—Lynd at Russell.
- Oct. 22—Lynd at Balaton.
- Oct. 27—Wood Lake at Lynd.
- Supt. C. A. Bisei will continue the coaching duties at Lynd for the coming year.

## Grade Attendance Higher, High School Shows Drop

● Enrollment in the Marshall Public Schools this term totals 910, just four more pupils than a year ago, The Messenger learned from Supt. Paul S. Wilson this morning. The 1942 enrollment was 958 and the all-time high was 1,005 in 1941. The elementary grades have 459 pupils, somewhat above the last two years but a little below the 1941 high of 464. Over 1943, these

grades show a gain of 9 per cent. Junior High enrollment has dropped 7 per cent from last year, with a total of 208 compared to 223 in 1943. High point of enrollment in Junior High was in 1940 with 265. Senior High enrollment is also down 7 per cent. The total this year is 243, while a year ago it was 261. The greatest enrollment Senior High has ever had was 309 in 1938.

## Tiger Lettermen in the Service to be Honored

● "Service Night" at Legion Field has been set for Friday, Sept. 29—a night when special honor will be paid to Marshall High School lettermen now serving in the nation's military forces.

Every adult in Marshall will be asked to forego other activities for that evening so that they may see the ceremonies and the football game between Marshall and Pipestone.

A special football history of athletics at Marshall High School will be issued for that game. The history will contain a record of games played, marks established, and boys earning letters in athletics. For example there will be the scores of the 103 games played in football—80 of them returned on the victory side—

and the names of every letterman during this period.

There will be a dedication to the lettermen in service, with a special program held at the opening of the game and again at the half.

Students selling tickets will work the entire town, the sale of 1,500 adult tickets as their goal. For every two tickets sold one of the historical programs will be supplied without charge.

The Student Council is requesting the adults in Marshall to get behind this campaign for an all-out attendance on Friday evening, Sept. 29, to help honor Tiger lettermen now serving their country and to see a good football game between Marshall and Pipestone.

## It's Here—Football Starts Friday Night

● The Tigers play their first football game of the season Friday night.

To a football-minded town like Marshall, that's important—for the opening game will give fans their first look at what the 1944 Tigers are like.

Coach Whitey Thoreson's charges may encounter a rather strenuous evening, for the Clarkfield Advocate of this week says Coach Ed Klooz is bringing down "a goodly line-up of huskies to oppose the Tigers." A squad of 40 turned out at the Cardinal stronghold this season, and Klooz reports that "there are 13 lettermen on the starting team tomorrow night"—a pretty sizeable team. "The Cards should make a good showing," said Klooz.

The Tiger-Clarkfield game will be played at Legion Field starting at 8 p. m. Between the halves Tiger fans will also get their first look at the 1944 High School Band.

# Tigers and Arrows

## Pipestone Has Big Line And Speedy Backfield

● In what may be the crucial game of the 1944 season, Coach Whitey Thoreson will send his Tiger team against the Pipestone Arrows Friday evening.

The Arrows humbled Worthington last week 13 to 6 after taking a licking from Tracy the week before. However, the Arrows were green and with a new coaching system, so the Tracy game may not be an indication of the strength of the Arrows.

The line will be just as big as Marshall's with a backfield that is faster. This speed may be to the disadvantage of the Marshall Tigers, for it was on end runs they were weak in the Clarkfield game.

Coach Thoreson will rely on the same lineup that started the Clarkfield game, with a second squad that may get the call if the regulars are not performing the way they should.

The Tigers have had intensive work on fundamentals all week, blocking, tackling, and signal drill. With every Friday's game, the competition will increase, for the Tigers haven't a single breather all the way.

Officials for Friday night are: Referee, H. H. Robinson, New Ulm; umpire, G. Vern Tyrell, New Ulm; head linesman, Elmer Anderson, New Ulm.

Friday's program will begin at 8 p. m.

## Pipestone Took Tigers Last Year

The Marshall-Pipestone series is the oldest on the Marshall football schedule, along with that of Redwood Falls.

In the past 15 years Marshall has established a distinct superiority over the Arrows, but each game has been well played and hard fought. In 1930 Marshall won 26 to 6, lost in 1931 by a score of 27 to 7, and then played a tie game with the Arrows in 1932. From 1932 to 1943 the Arrows were unable to win a single game, but last year they came up with one of the best teams and beat the Tigers in a close one 1 to 6.

This year's game puts two teams of unknown strength against each other on the field. It will be interesting to see the results. Pipestone and Marshall have approximately the same size team. Any advantage going to either team will be in speed, which Pipestone is supposed to have.

# Students Still Driving For Service Night Ticket Goal

● Though ticket sales for the Marshall-Pipestone football game Friday night were not up to expectations yesterday, Marshall High School students continued to drive hard to reach their announced goal of 1,500 adults at "Service Men's Night."

Thursday afternoon they had sold a little over half their goal, with more than 600 still to go. But students were hopeful the public would continue responding to their appeal to help honor the school's lettermen now serving Uncle Sam and to receive in return for their ticket purchase one of the 12-page athletic histories covering the Tiger record and players in the past 14 years of football, basketball and track.

This is the only time during the school year that a drive of this kind is contemplated, student officials pointed out—a drive to obtain all-out support from the adults of this community. Special ceremonies honoring the lettermen now in the uniform of their country will be held before the game and between the halves. This program, along with the athletic history and the game itself, offer an event that every adult ought to be present for, the students believe, and that will be well worth the admission price asked.

Any adult who has not been approached to buy a ticket and who would like to have one may obtain it from any high school student or

## Service Night Program

The program at Legion Field Friday night, "Service Men's Night," will be as follows:

- 8 p. m.—Tribute to Tiger lettermen in service, with Marshall High School Band playing in recognition of the boys in the various branches of service, each branch being represented on the field:
- Army—The Caisson Song.
- Navy—Anchors Aweigh.
- Air Corps—The Army Air Corps.
- Marines — The Marine Hymn.
- The National Anthem.
- 8:10 p. m.—Kickoff, Marshall vs. Pipestone.
- Between the halves—Marshall High School Band.
- Dedication to "Our Service Men," by Supt. Paul S. Wilson.
- Salute by Firing Squad.
- Taps.
- Second half of game.

September 28, 1944—

## Crippled Children Clinic Saturday

● Registration for the clinic for Crippled Children will start at 8 a. m. Saturday, Sept. 30, at Marshall. Those wishing examination may register up to 2 p. m., according to Mrs. L. M. Thorburn, local chairman.

Five counties, Lyon, Lincoln, Redwood, Yellow Medicine and Lac qui Parle will be served by this clinic.

The Section for Crippled Children requests that patients who have recently reported to Gillette, University, and Shriners hospitals do not attend this clinic, unless they have received a special notice to do so. Those overdue for examination at the Gillette State Hospital may come to the clinic for a check-up. Those who have not attended any previous clinics are requested to bring a letter from the family physician.

by calling the office at the high school.

The events at Legion Field Friday night will begin promptly at 8 p. m.

2/19/44

## Crowd of 2,100 Attends "Service Night" Program

● The deeds and words of former Marshall High School lettermen now fighting for their country are a challenge to boys now in high school to keep sports in this community on a high plane, and a challenge to us to keep America "the best country in the world," Supt. Paul S. Wilson declared in the Service Night program at Legion Field last Friday.

With fine weather, a large crowd, and impressive ceremonies dedicated to the men in the service and the school's three Gold Star lettermen, the evening's events proved successful throughout.

The Marshall Student Council voiced its sincere thanks this week to the people of Marshall and community for their fine support at Service Night. The school, in dedicating athletics here to the men in the service has pledged its efforts to successful athletics until the men come home, and the students are duly appreciative of the support they are receiving from the public.

There were 1,345 adults at the game Friday night, which added to the students, made a total of 2,100, the largest crowd since the championship days of 1941.

Supt. Wilson spoke during the ceremonies between halves. Prior

to the game, the High School Band played a number in tribute to each branch of the service, "The Caisson Song" for the Army, "Anchors Aweigh" for the Navy, the "Army Air Corps" march for the Air Corps, and the "Marine Hymn" for the Marine Corps. The band went into appropriate formation each time, while four service men in uniform stepped forward representing each branch of service. This portion of the ceremonies closed with "The Star Spangled Banner."

As soon as the first half of the game was over, the Band, preceded by the colors and firing squad, marched to the center of the field and played "God Bless America." Supt. Wilson then spoke as follows:

"Over 4,000 miles from Marshall our Allied forces are storming their way through the crumbling walls of Hitler's fortress Europe. On the other side of the world, more than 7,000 miles from here, American boys are attacking the Japs—in the Marianas, the Palau Islands, and the Philippines. At first, these distances seem tremendous to us; the battles appear to be remote. But, with the realization that our boys—our sons and brothers—many of them athletes graduated from Mar-

(Continued on Page Two)

remarks. I wish to speak especially to those service men who have taken part in, and have won their letters in Marshall High School athletics.

"We are sincerely proud of you—of what you have done—and of what you are doing to make it possible for us and for you to resume our lives in their normal courses. We are proud, too, of your share in the building of a permanent and lasting peace. We admire your spirit and drive—we see that it is the same spirit and drive which you showed as athletes while in Marshall High School.

"It is with respect and humility that we dedicate this program, this game, and this athletic season to you letter-men now in the service, and especially to those who have given their very lives: Lieutenant Kenneth Campion, Private First Class Ronald Raine, and Lieutenant George Ehrreich.

"Recently, I had the privilege of reading a letter from England—a last letter—written by one of our boys on the eve of D-Day. One statement of his impressed me particularly. 'I fly,' he said, 'for the

best country in the world.' The next day he flew into Europe—a member of the invasion armada. That boy will not come back to Marshall. His words are a challenge to the boys in the Junior High group who are the ones to build our future teams at Marshall . . . a challenge to those in the Senior High now on the teams . . . a challenge to all of us . . . to keep America 'the best country in the world.'

"Each boy interested in present-day Marshall High School athletics should keep this thought in mind. He should so conduct himself that sports in this community may continue on a high plane, that we may establish a record of which you, as letter-men returning from the service, will be proud. He should so conduct himself that he may help build a better community and more perfect nation in order that your sacrifices will not have been in vain."

At the close of this dedicatory address, the firing squad fired a salute to the dead, and taps was then sounded by Robert Nelson, director of the band.

Four of the service men who participated in Friday night's ceremonies are still in the service and were home on leave or furlough. They were Lt. Donald Nelson, who was just back from nearly three years on African and Italian battlefronts, Howard Gag, Melvin Hardy, and Gordon Brantman. The other eight have been in the service in this war and are now Legionnaires: Kenneth Anderson, Henry Roberts, Armand Caron, Henry Meyers, Isadore Peltier, Marcellus Blondell, Dick Hardy, and Palmer Refseth.

An excellent 12-page athletic history and program was issued for the Pipestone-Marshall game and Service Night under the direction of Merrill W. Olson, local athletic director. One of these programs is being mailed to each letterman in the service.

# Tigers Play at Luverne, Good Game Expected <sup>Oct 5</sup>

## FOOTBALL GAMES

Marshall at Luverne.  
Tracy at Springfield.  
Milroy at Hanley Falls.  
Montevideo at Appleton.  
Redwood Falls at New Ulm.

### Results

Marshall 40, Pipestone 0.  
Tracy 20, Windom 7.  
Lake Wilson 35, Russell 18.  
Benson 20, Willmar 7.  
Minnesota 31, Ruthton 20.  
Montevideo 21, Granite Falls 0.  
Morris 13, Appleton 6.  
Redwood Falls 26, Springfield 0.

• The Marshall and Luverne football teams play at Luverne Friday night—the eighth meeting of these two teams.

The series started back in 1937, when Luverne was riding with a string of 22 straight victories and was considered one of the best teams in the state. That same year Luverne boasted one of the greatest tackles in the game—Wildung—who later earned all-American rating at Minnesota.

The 1937 game resulted in a 33 to 6 victory for the Marshall Tigers, who continued to defeat Luverne until 1942, when the score was tied. Then Luverne moved into Marshall to hand the Tigers their first defeat on their home grounds since Tracy turned the trick way back in 1936.

The series has produced some fine games and is always looked forward to. The scores have been:  
1937—Marshall 33, Luverne 6.  
1938—Marshall 20, Luverne 9.  
1939—Marshall 10, Luverne 0.  
1940—Marshall 38, Luverne 0.  
1941—Marshall 51, Luverne 6.  
1942—Marshall 7, Luverne 7.  
1943—Marshall 7, Luverne 13.

# <sup>Oct 5, 1944</sup> Tigers Show Improvement In 40-0 Win Over Pipestone

• Marshall's Tigers made one touchdown march after another here last Friday night to overwhelm the Pipestone Arrows 40 to 0.

The Tigers showed improvement over their work of two weeks ago, with more drive in the line and better blocking and tackling. The Arrows were game, but seemed to lack experience. Mostly Sophs and Juniors, they will come back much stronger another year.

Pipestone had the ball but little of the time, with the Tigers gaining some 400 yards to around 70 by the Arrows. Marshall lost a good many yards, too, through penalties, most of which came from an enthusiasm probably prompted by the big crowd present for the game. Attendance was above the 2,100 mark, the largest in some time.

Coach Whitey Thoreson was pleased with his boys' improvement, but realizes they will have to continue on the upgrade steadily to overcome the opposition that lies ahead. The Tigers this Friday go to Luverne.

The Arrow game offered an opportunity for members of the local squad to get into the fray in numbers, and Thoreson made the most of it, using 35 men in all. At least six of the Tigers who saw action Friday night were getting their first taste of a real game. Bailey, Weingartner, Martin, Juba, Daniels, and Coeuyt all were in for a time and all did right well. Without doubt, they'll be heard from in good shape in the future, perhaps some more times this year and surely so next year.

The first touchdown came on a steady march down the field after the Tigers had received the opening

kickoff, with Stanke receiving on the 27 and returning to the 45 yard line. Curtis made 5 at left tackle, and Bert then hit the same spot for 10 and a first down. Two plays picked up 2 yards and the Tigers were then penalized 5, putting the ball on the Pipestone 43.

Bert heaved a forward to Serlet for 7 yards and Kelly sneaked center for a first down on the Arrow 30. In three tries on the right side, Jansen picked up 10 yards, then 3, and then a first on the Pipestone 4 yard line. The Arrows strengthened on the next play, but Curtis then went over for the score. Stanke place kicked for the point.

Pipestone received on the 30 yard line and after failing to gain twice into the line punted to Hemmingsen on the Tiger 45. He returned to the Pipestone 42. From there, Marshall again went forward to a touchdown. Jansen and Curtis gained 7 yards, and Pipestone was penalized for offside. The Tigers took the gain, and Bert then skirted right end to the Pipestone 25.

A forward was no good, but Hemmingsen again dashed for a long gain to the Arrow 3. Two plays and a penalty left the ball on the Arrow 4 as the quarter ended, 7 to 0 for the Tigers. Paulsen went in and in two plays put it over, with Stanke again kicking for the point.

Pipestone then threatened for the first and only time. After receiving on their 35 and bringing it up to the 40, Driggs dropped an Arrow back for a 15 yard loss. Brown, however, got away for a good gain to take it back to the 39, and the next play netted 8 yards more. Brown then tossed a forward to Krick which was good to the Tiger

25 yard line. The Tigers braced themselves here and yielded only 3 yards more, and retained the ball for another touchdown march. Working up to over the 40 yard mark, they quickly went back into the 20s on a 15 yard penalty, but in two plays, Curtis and Hemmingsen wiped out the loss.

Bert then heaved a pass to Curtis that put the ball on the Pipestone 49. A pass was no good, Pipestone was penalized 5, and Serlet then made it first on the Pipestone 34. The next play gained only a couple, and then Bert got around right end and with his mates giving him some nice blocking sped over for the score. Kelly ran for the point, to make it 21-0. The half ended just after the Tigers kicked off.

The fourth Tiger touchdown came in quick order once the Tigers again had the ball. Pipestone received on its 15, Kerkvliet making the tackle. Curtis then pulled down an Arrow back for no gain, but the Tigers were penalized 5. Paradis then dropped a Pipestone ball carried for a 5 yard loss, but the Tigers took a 15 yard penalty. The Arrows were forced to punt, with Serlet making a long return to the Pipestone 41. The first Tiger play didn't gain, but Bert then raced around end to the Pipestone 14, and on the next one Curtis went over. Stanke's place missed, making it 27-0.

Pipestone received, then advanced from its 27 to the 44, but there lost the ball on a no-good fourth down forward. As the quarter ended, the Tigers were on the Pipestone 29 yard line. Kelly made a yard, but the Tigers took a 15

yard penalty. After that Marshall again advanced to score, with Hemmingsen carrying the burden of the kicking. Bert's kick was good for the point.

The Arrows had the ball only twice more, losing it the first time on the Tiger 31 when Jansen intercepted a forward. Marshall then went on another touchdown march, despite three penalties that cost them 35 yards, Serlet lugging it over for the score. A pass for the point failed. Pipestone received, but had little luck in gaining in the few remaining minutes, and the game wound up with the Arrows on the 50 yard line, and the scoreboard showing Marshall 40, Pipestone 0.

Tigers who saw action against the Arrows were Arfmann, Bailey, Bies, Blake, Bot, N. Carrow, Coeuyt, Curtis, Dandurand, Daniels, Driggs, Clayton and Clifton Ellington, Endres, Green, Gregoire, Hamnel, Hemmingsen, Henry, Hickok, Jansen, Juba, Kelly, Kerkvliet, Manoney, Martin, Nelson, A. Paradis, Paulsen, Schwan, Seifert, Serlet, Snyder, Stanke, and Weingartner.

## 'Shuffle Those Cards' Is Theme For Homecoming <sup>Oct 12</sup>

• The Marshall Student Council has set Friday, Oct. 20, as their homecoming date. The celebration will begin on Thursday, Oct. 19, with a pepfest in the main auditorium at 8 p. m. Student speakers and alumni will feature the program. At the close of the program the students will parade.

The Tigers play Redwood Falls in their homecoming football game. Badges will go on sale Friday,

Oct. 13—the badge this year is smaller than in previous years due to a war necessity. In orange and black, the slogan "Shuffle Those Cards" is appropriate for the Big Red team is called the Redwood Cardinals.

Every adult in Marshall is invited to attend the pepfest on Thursday and the game on Friday.

In addition to the game on Friday, the band has worked out special numbers for the half.

# Unbeaten Marshall and Tracy to Clash Friday

## Tight Game Expected; Tigers Beat Luverne <sup>Oct 12</sup>

The Marshall Tigers expect their severest test of the season thus far when they face the Tracy Scrappers at Tracy this Friday night. Both teams are undefeated. Marshall is unscathed on, Tracy has yielded but one touchdown to its opponents. A veteran Scrapper line and big and fleet Zimmerman in the backfield will give the Tigers a busy evening.

● The Marshall Tigers journeyed to Luverne last Friday and returned with their third victory, 10 to 0. The game was Marshall all the way, with 6 to 0 at the quarter, 13 to 0 at the half, and the final 19 to 0.

The Tigers scored as soon as they got the ball, marching all the way for the initial count. By means of line bucks and end runs they advanced to the 20, where Hemmingsen faded back and tossed to Serlet on the 4, from where he moved over for the first score.

Luverne lost the services of their star back in the first quarter on a hard tackle by Kerkvliet.

Luverne could not advance in the first period, being satisfied with trying to find a weakness in the Tiger line.

In a second sustained drive, the Tigers advanced to the 8 yard line where Hemmingsen again threw a nice pass, this time to Curtis in the end zone. The Tigers held Luverne

for downs, taking the ball and advancing past mid-field with the half.

The Tigers kicked off to Luverne, held for downs and received on the 50. Behind interference that had every man taking his man, the perfect play sprang Hemmingsen loose for 50 yards and the third touchdown. The run was a masterpiece with 10 other boys playing just as important a part in the run, for every boy blocked in front of Bert.

Coach Thoreson started his substitutions and Luverne completed two nice passes to place the ball on the 8 yard line. Driggs then broke through to throw Luverne back on the 20 yard line and Marshall took over.

Again in the fourth quarter with a complete new line and backfield, the Tigers advanced the ball to the Luverne 2 yard line, only to lose it on a fumble.

The entire Marshall squad saw service, with the second team getting additional experience. Boys in the game were:

Green	end	Blake
Stanke	tackle	Schwan
Paradis	guard	Hammel-Seifert
Biese	center	Henry
Carrow	guard	Traxler
Kerkvliet	tackle	Weingartner
Arfmann	end	Driggs
Serlet	full	Dandurand
Curtis	half	Bailey
Kelly	quarter	Paulsen
Hemmingsen	half	Jansen, Juba

● Coach Whitey Thoreson's Orange and Black eleven faces its biggest obstacle to date for an undefeated season when it goes to Tracy Friday night of this week to meet the unbeaten Scrappers. What a classic this promises to be, with both schools represented by teams that have not tasted defeat so far this season! In fact, only one touchdown has been made against Tracy, and the Tiger goal line has not yet been crossed.

With both schools believing their favorites will be winners and with the traditional rivalry between the schools, a large crowd is expected to see the struggle.

As to the game itself, it is hard to dope out. The only direct comparison that can be made is that both teams have played Pipestone. Tracy won by a score of 20-0, while Marshall trounced the Arrows 40-0. According to reports, local fans can expect to see a lot of forward passing and end runs from the Scrappers. They have two exceptionally good backfield men in Ford and Zimmerman. Both are fast, clever runners and both heave the ball with accuracy.

However, local fans think that Coach Thoreson's backfield is almost on a par with Tracy's, and there is one thing certain, that the Scrappers will have their troubles in stopping Hemmingsen and company. The local line is given a slight edge over the forward wall of their opponents. So all in all, it looks more than ever like a typical Marshall-Tracy game.

Now, let's go back to last Friday night's game at Luverne. The Tigers won this encounter by a score of 19-0, keeping their goal line unscathed for the third straight game. The Luverne style of play in the line had the locals baffled a little at the start, but it was soon solved and the Orange and Black went on to win. The Tigers came out of the game without any serious injuries and are expected to be in good condition for Tracy.

Seen at Luverne:  
Kelly gets the credit for a beautiful block on the return of a punt—the impact could be heard all over the field . . . Hemmingsen ran like a Big Ten back in his two long runs of the evening . . . Serlet's plunges into the line gave promise of big things to come . . . Curtis cut in for nice gains in the first half, and his touchdown pass was a honey . . . Jansen looked like the Jansen of old, while Dandurand must have been copying Hemmingsen on his runs . . . In the line Kerkvliet gets the nod for season's improvement . . . Stanke played his steady game, always in the right place at the right time . . . Bies has the range

against Luverne. Coach has been looking for . . . Carrow, in spite of a lame back, played a nice ballgame . . . Hammel and Driggs each broke through for tackles far behind the line of scrimmage—the ends were smashing in and with a little more experience will make it tough for any team . . . Coach Thoreson used 24 boys in all at Luverne.

Will the line be the big factor in the Tracy game and others to come? They gave indications at Luverne of having what it takes, and the Tracy game should tell the story, for if the line handles Ford and Zimmerman in the way they can, Tracy won't make too many yards.

That football is proving a popular sport for the boys in the school here is shown by the fact that around 80 turn out for practice every night. Some of them are just youngsters, and the suits almost cover them up, but nevertheless they are getting the rudiments of the game. Coach Thoreson's assistants in handling this large number of players are Harry Ahlin and Jay Johnstone.

A few of last week's games played by teams that the Tigers meet in the future may be of interest. First of course, Tracy handed Springfield a 42-0 drubbing. Redwood Falls, the Orange and Black opponent for Homecoming here Oct. 20, won from New Ulm 7-0. Montevideo won over Appleton. Windom took a 33 to 12 shellacking from St. James.

Twenty-five of the Tiger players were taken to Minneapolis last Saturday to attend the Minnesota-Michigan game. The Gophers went down 28-13, but only after a hard fight. Trally, 14-0, they rebounded and made two touchdowns to make the score 14-13, but at this stage of the game the Wolverines went out and acquired two quick touchdowns to put the game on ice.

Well, the St. Louis Browns lost the World Series to the Cardinals, but the underdogs put up a gallant fight and won the admiration of most of the fans for their fine showing. The Browns won the first game 2-1, lost the second 3-2 in 11 innings, won the third 6-2, and then dropped the next three 5-1, 2-0, and 3-1. But only after putting up a battle all the way.

League bowling in Marshall has completed its first full week at the Recreation Alleys and judging from the start, there is to be plenty of excitement in the leagues this winter. Local bowlers will have plenty competition from outside bowlers

this year, as Minneota has seven teams in the different leagues, Tracy has two, and Ghent and Russell one each. K. Hess had the best three game total among the men the first week with his 571. Pickett had the high single game with 234 count. Kathleen Ahmann set the pace in the women's leagues with a 470 total and high single count with a 180 game.

# Tracy and Marshall <sup>Oct 19</sup> Battle to 7-7 Tie Game

● Marshall and Tracy battled to a 7-7 tie at Tracy last Friday night in a game that spurred top interest for the Armistice Day clash between these same teams on Nov. 11.

A big crowd saw the encounter

at Tracy, and weather permitting, an even bigger one will be on hand the 11th as the Tigers and Scrapers strive for season supremacy.

Friday night's game held keen interest all the way. Thrills were not numerous, with a good deal of the play on trying for downs and then punting. But it was not one of those sluggish games, as often happens between two closely matched teams, for the threat of a score by either side seemed prevalent throughout the evening.

Both touchdowns were made in the first half, and interest was

(Continued on Page Eleven)

## TRACY

(Continued from Page Nine)

maintained all the way in the second half as both teams worked hard for the decision. Both had their chances, but neither made it, and still it was a mighty good game to watch.

Tracy's touchdown came midway in the first quarter, with the Tigers somewhat dazed from the effects of two 15 yard penalties. An exchange of punts followed soon after the kickoff as neither side could make first down. The Tigers then advanced from their own 25 yard line to midfield, when the first penalty occurred. Marshall then reeled off 15 yards in three plays but on the last one took another penalty, setting them back to their own 24. Serlet punted to the Tracy 40 and Holm returned to the Tiger 45. Peterson then took the ball on a reverse and raced all the way for the score. It looked like two Tigers had him at the halfway point, but he kept on going. Holm plunged for the point, to make it Tracy 7, Marshall 0.

Marshall's touchdown came late in the second quarter, the drive starting when Hemmingsen returned a Tracy punt 20 yards to his own 40 yard line. Curtis sliced off tackle for 5 yards, and Serlet then took the ball in a play that had nice deception and twisted up to the Tracy 42 yard line. On the next play Hemmingsen heaved a long forward pass to Arfmann, who was downed on the Tracy 4 yard line. It was a beauty of a pass. Bert was rushed, but threw it surely, and Arfmann made a nice catch. In two plays, Serlet crashed over for the score. Stanke placekicked the

## Side Lines

By Willy Ho

● Marshall 7, Tracy 7. That's the way the first of two games this season between these traditional rivals ended. The game was played at Tracy before a crowd of upwards of 2,000, many of them from Marshall. And let it be said right here that those who made the trip witnessed a game well worth seeing—and all are looking forward to the second meeting of these teams in Marshall on Armistice Day. That game will be played in the afternoon and a huge crowd is anticipated if the weather is favorable for the fans.

But back for a moment to that Friday night game. It started badly for the Orange and Black lads. Two 15 yard penalties set them back on their heels. Then a few minutes later Tracy scored a touchdown on a long run by Peterson from near midfield. It started as a reverse, and with some nice interference by his mates, he went over standing up. A running play netted the extra point.

(Continued on Page Eleven)

## SIDE LINES

(Continued from Page Nine)

The game remained that way until well in the second quarter, when Hemmingsen tossed a long pass to Arfmann, who was downed close to the goal line. One play into the line failed to put it over, but on the next Serlet crashed through into pay dirt. Stanke place-kicked the point—the point that turned out to be the one Marshall needed for the tie.

Early in the third quarter, Tracy pulled the old "sleeper" play and nearly made it work for a touchdown. This play might have upset some teams, but Coach Thoreson's lads came back fighting and finally held Tracy for downs on their own 17 yard line. Neither team really threatened to score after that. It looked like Tracy was satisfied to settle for the tie, while the Orange and Black took a couple of desperate chances that showed they preferred a victory.

In meeting the Cardinals of Redwood Falls in the Homecoming game here Friday night, the Tigers are running up against a team that has been playing winning ball the last three weeks. Redwood is coming here determined to win if at all possible. In their game last week, they toppled a good Granite Falls team 12 to 6. If the Tigers are going to "Shuffle Those Cards," they will have to display a good brand of football.

A large crowd should be on hand for this Homecoming battle. The high school Student Council members have been selling Homecoming pins to help arouse interest in the game. Thursday night, there will be a big pepfest. The band plans on putting on another of their entertaining features between halves Friday night. All in all, this should be a good Homecoming, and since this is next to the last home game of the season, better drop all other plans for that evening and help make it a gala Homecoming.

Before we get off of high school football, a word of praise for the fine showing the Clarkfield eleven is making. No team has been able to score a touchdown against them this season. In beating Olivia last week 7-0, they annexed their fourth victory. The only mar on their record is the 2-0 defeat at the hands of Marshall's Tigers in their opening game. Montevideo went down

# Tigers F

## Redwood Has Chance To Tie Up Game Series

● Marshall football fans will have the opportunity of seeing a fine football game at Homecoming on Friday, Oct. 20—the Cardinals of Redwood vs. the Marshall Tigers.

This series has been one of Marshall's best—and on even terms, with Marshall having seven wins, Redwood six, and one tie game since 1930.

The Cards handed the Tigers their worst beating back in 1931, 28 to 0. The Tigers, with one of their best teams, classed right alongside of 1937 and 1941, administered a 39 to 6 beating in 1932. In 1933 the Tigers won, but lost in '34, '35, and '36.

In 1937 Marshall ran wild 52 to 0—remember Marshall was the state's high scoring machine that year.

Only once since 1937 have the Cardinals returned on the long end of the score—in 1942, Redwood winning 6 to 0 on Legion Field.

The Cards want this game and will gamble for it, probably throw-

ing passes all over the field. All indications point to a team that is coming fast.

Coach Whitey Thoreson will have to have the boys up for this one and for every one of the four remaining games.

## Redwood vs Marshall

# FOOTBALL

Legion Field - - - 8 p. m., Friday

## Pepfest Tonight Will Open Tiger Homecoming Events

Marshall High School celebrates its annual Homecoming tomorrow, Friday, Oct. 20. All graduates are invited to attend school and activities.

Thursday evening a big pepfest will be held in the auditorium. Football squad members, students, coaches, and fans will be heard from. Cheer leaders and band will be in action.

All this in preparation of the big game on Friday night.

Homecoming buttons have been on sale all week with the slogan, "Shuffle Those Cards." The "Cards" are the Cardinals from Redwood Falls, whom the Tigers will entertain on Friday at Legion Field in a game

starting at 8 p. m.

Little is known about Redwood this year with the exception that they are a team that is coming along fast. To date, Redwood has lost to Tracy, tied Olivia, and defeated New Ulm, Springfield, and a great Granite Falls team. The Cards are big—their line much bigger than the Tigers—the backfield about the same size. To date, they have depended on passes and line bucks to advance the ball.

The Marshall Tigers can be sure that the Redwood Cardinals will be up for this game, for the series stands Marshall 7, Redwood 6, and one tie game—Marshall having held the edge over the last few years.

## Junior Class Play <sup>Oct 19</sup> Cast Announced

● The Junior Class of Marshall High School has selected "Double Exposure," a three-act comedy by Charles Quimby Burdette with the action taking place in the reception room of a Psychiatrist's clinic, as its class play.

"Double Exposure" is considered one of the best comedies written and has had a tremendous run in the United States.

The play will be coached by Miss Ursula Costello, head of dramatics at Marshall High School.

The cast has been selected, after try-outs, by members of the Junior Class. It includes:

Dr. Markham P. Carruthers, a psychiatrist ----- Donald Bailey  
Markham Carruthers,  
his nephew ----- Wheeler Curtis  
Tate Smithers,

a constable ----- Merlyn Rankin  
Curtis Ellis, director of the  
Old Mill Players ----- John Applen

Henry Hoisington,  
a business man ----- James Janis

Mrs. Darlene Phipps Hoisington,  
his wife ----- Barbara Bussard

Old Mill Players—

Maidee Holmes -----

----- Roberta Christianson

Ginny Gates ----- Donna Johnson

Norma Slater -----

----- Marguerite Maenhout

Marian Wyle ----- Nancy Molle

Genevieve Habart -----

----- Jo Anne Yaeger

Cristabal Crenshaw, a friend  
of Mark's ----- Katherine Rogne

Sarah Crenshaw,  
her aunt ----- Jane Hammond

## Side Lines <sup>Oct 26</sup>

By Willy Ho

● The Marshall Homecoming game was a success last Friday evening as Coach Whitey Thoreson's Orange and Black eleven gave Redwood Falls a 19 to 0 beating in a hard-fought although rather loosely-played game. The Tigers scored two of their touchdowns on forward passes, one on a long pass to Arfmann that rang up the opening marker, and the other to Jansen just over the line for the third score. The second touchdown was scored as the result of a blocked punt that the Tigers fell on in the end zone. Just previous to this play, Serlet punted out of bounds for the Tigers on the two-yard line—which is a swell kick in any man's league.

The Redwood eleven had a weight advantage over the locals in the line and succeeded fairly well in stopping the Orange and Black plays into the line, but the Tigers made their end runs and forward passing plays click in nice fashion. On the offensive, the Cardinals were guilty of several fumbles. Their best offensive player was W. Ahrens at halfback. This chap has plenty of speed and drive for a little boy and is a hard man to bring to the turf.

Athletic Director Merrill Olson passed out some information at the Quarterbacks meeting Monday evening that we will pass on to the readers of this column. The attendance at the Redwood game was 780 adults and 723 students, a total of 1,503. This brought the total attendance of the three home games to date to 4,746. Marshall fans and high school students alike deserve a pat on the back for supporting their team so loyally.

A spectator at the game here Friday night was a young man with quite a name in the football annals of Luverne high school and the University of Minnesota. We are speaking of Dick Wildung, that great tackle who won All-American fame while playing with the Gophers. Dick was busy autographing for some of the kids when his identity was discovered.

Clarkfield had its goal line crossed for the first time Friday night when Pipestone scored a touchdown, but nevertheless the Cards went on

to chalk up another win, the final score being 20 to 6. Tracy romped over Canby 39-0 and it looks like the Scrappers will come here undefeated for the Armistice Day game—and what an attraction this will be if the weather is favorable! Windom gave Worthington a 25-12 trimming.

As the football season rolls on, the strong teams of the nation are beginning to loom up over the rest. In the East, it appears that Army has one of its greatest teams in years as it has rolled roughshod over its opponents to date. They have yet to meet Notre Dame and Navy, however. And this same Notre Dame team is one of the leaders in the Midwest. Last Saturday its goal line was crossed for the first time twice when the Irish defeated Wisconsin 28-13. In the South, Georgia Tech at the present seems to have the edge on the rest of the teams of that section. In the Far West, it looks like the Trojans of Southern California is the team that will win the Pacific conference and play in the Rose Bowl game.

\* \* \*

Don Seaman, rolling with the

Hamm's team, last week was "red-hot" and hung up a total at the Recreational alleys that will be awful, awful hard to beat. Don put together games of 267, 237, and 230 for a 734 total—which ranks in third place in the highest singles scores rolled in the nation this week. The Hamm's rollers also set up a team total in their first game of 1122 with a handicap of 35, which gives them an actual pin total of 1087. In this game, Seaman had 267, H. Grong 244, W. Raine 194, Swanson 193, and M. Cool 189. In the ladies' league, Mrs. Merritt of Minnesota had a 208 count for high single game in that loop, while Kathleen Ahmann kept up her good bowling to chalk up an even 500 total for high three-game count.

# Tigers Beat Windom 45-7, Redwood 19-0

## Air Attack Too <sup>act 26</sup> Strong For Eagles

Marshall swamped Windom Wednesday night 45 to 7 with a brilliant aerial attack that the Golden Eagles couldn't stop.

Windom's big husky line held the Tigers well on the ground, but lacked the speed to get through and stop passes. The Tigers scored three times on long forwards, with Hemmingsen tossing with deadly accuracy.

The Tigers hung up their first touchdown when a Windom pass was batted aside and went into the arms of Driggs, who ran 70 yards for the score.

The game was played in mid-week because of school being out the remainder of the week for the annual teachers' convention.

● Marshall added the Redwood Cardinals to its list of victories, 19 to 6, in its Homecoming game here last Friday night.

The Tigers had a good evening, showing nice drive and a marked quickness to take advantage of the breaks, including several Redwood fumbles.

The Tigers and Cards battled through the first quarter, and a good portion of the second, on fairly even terms, with each side gaining some, but not consistently enough to get into a scoring drive. Things changed, however, near the close of the half when Driggs, Tiger end, intercepted a forward on the Redwood 42 yard line. On the first play, Hemmingsen picked up 5 around end, and on the next one Bert tossed a forward to Arfmann which was good for a first down on the Redwood 28.

Serlet made 3, and Curtis then tallied a first down on the Redwood

10 in a nice run. Kelly added 4 through center, but Bert was thrown back for 3 yards on the next play. He then passed to Arfmann on the Redwood 4. Serlet added 2, but it wasn't enough, and the Cards took the ball. The Cards punted immediately, with Hemmingsen returning 5 yards to the Redwood 30. Bert then tossed a pretty forward to Arfmann who went over for the score standing up. Stanke placed kicked for the point, as two minutes remained in the half.

The next Tiger score came soon after the second half opened. Redwood failed to make the down and punted to Bert, who zoomed off 20 yards to the Card 45. Serlet made a yard and Curtis plunged for 6. A reverse was no good, and Serlet punted out of bounds on the Redwood 3 yard line, a beautifully placed kick. The Cards tried a punt, but it was blocked and a Tiger player fell on the ball behind the goal line for a touchdown. The point wasn't made, and the score stood Marshall 12, Redwood 0.

The third touchdown came not long after Redwood lost the ball on downs on its own 22 yard line. Jansen and Paulsen made 7 yards, and Jansen then passed to Arfman, but it was no good. There the quarter ended. The teams changed goals, and Hemmingsen then tossed a forward to Jansen, who dodged two tacklers and went over. A quick pass Jansen to Stanke was good for the point, making the score Marshall 19, Redwood 0.

In the last period the Tigers threatened again, but the game ended before they could go over. That trip, they took the ball on their own 20 and advanced to the Redwood 40. A long forward was then intercepted on the Redwood 10. The Cards completed a forward to the 19, but then couldn't gain and the kick didn't get away. The Tigers took the ball on the Redwood 9 and in three places picked up 6 yards as the game ended.

● On Friday Nov. 3, Marshall will meet its biggest test of the season—Montevideo—a team that has been defeated twice, but is still an excellent team and one of the best at Montevideo.

The records to date include: 12, Willmar 19

Marshall 2, Clarkfield 0; Marshall 40, Pipestone 0; Marshall 19, Luverne 0; Marshall 7, Tracy 7; Marshall 19, Redwood 0; Marshall 45, Windom 7.

Monte 0, Benson 7; Monte 21, Granite Falls 0; Monte 31, Appleton 6; Monte 12, Willmar 19.

The only clue as to the relative

● Florence—O. M. Mitchell passed away very suddenly at two o'clock Saturday afternoon at his home east of town. The community extends sympathy to the bereaved family.

Mrs. Sigrid Haugse suffered a stroke Saturday evening and is very ill. At present writing her condition is improving.

Monte is a big team and a veteran team, for the Monte coach can

put 11 Seniors on the field at one time, many of them top notch performers.

Coach Thoreson has only two games left Montevideo and Tracy—and the schedule proved ideal for both. Monte wants this game and Tracy remains undefeated. The Tigers, with continued improvement, should be ready for both games.

John Burckhardt home in Coon Creek.

Mr. and Mrs. Ray Blanchard of Russell were Thursday evening guests at the Alfred Mork home.

Mrs. Ed Twedt spent Saturday afternoon with Mrs. Minnie Martin.

Mr. and Mrs. James Rasmussen of Tyler took Mr. and Mrs. Jacob Jensen to Pipestone Sunday, where

## Injuries and Illness Take Heavy Toll

● Marshall goes to Montevideo Friday night—with the outlook pretty dark against it.

How fast the fortunes of football can change is illustrated best by the plight the Tigers find themselves in.

From a team gaining momentum and experience with every game, the Tigers come to the hardest game of the season not with the same lineup but an entirely new one. As late as Wednesday, Coach Whitey Thoreson didn't know who was going to be able to play the Monte game and who was not.

Of the regular lineup, Stanke is ill in the hospital with pneumonia, Bies has a bad leg and won't be able to play, Doc Henry, reserve center, has an injured ankle and will be lost for the Monte game. Paulsen and Tee Paradis are both home sick with the flu and every first string man has had the flu within the last week. Other first stringers who have been ill and are not at their best include Arfmann, Seifert, Kerkvliet, Driggs, Paulsen, and Serlet.

As a result the practice sessions have been unsatisfactory and the lineup is a guess.

No better defensive man ever backed up the line than Bies. His tackling was vicious and he had the ability to guess right. Bies' passing of the ball was errorless.

Stanke has played a steady, hard driving game all year, and gets credit for stopping everything coming his way.

To take a patched-up line to meet a team outweighing them 20 pounds to a man is what faces Coach Thoreson Friday night.

## Side Lines

By Willy Ho

● The game at Monte on Friday night is the main topic of conversation among the followers of Coach Whitey Thoreson's Orange and Black eleven. Following last Wednesday's romp over Windom by the score of 45-7, local fans were pretty confident that the Tigers could take Monte, but since that victory lots of things have happened and the outcome is anything but bright for the undefeated Marshall team at this time.

In the first place, two boys who have played well in the line all season will definitely be out of the game Friday night, and also the Tracy battle on Armistice Day. These two boys are none other than Ed Stanke and Orval Bies, and it is a tough break for them as they are in their senior year. Stanke has pneumonia and Bies has a knee injury.

Just a little regarding the play of these two lads. Stanke has held down a tackle berth all season and has been a bulwark both on defense and offense. He has spent a great deal of time in practice this year in kicking, and those who saw him doing the kicking off in the Windom game realize what practice has done for him. Nearly every one of his kicks in this game went over the goal line. His fighting spirit will be missed in the line. We hope by the time basketball season rolls around, Ed, that you have fully recovered.

Bies has played at center and what a defensive game this chap is capable of playing! He has been the line "backer-upper" and at this job he need not take a back seat for anyone in this section of the state. He has the keen knowledge to sense where the opposing play is going and to be at the right spot at the right time. He has been hampered somewhat with this knee all season, and further injury at Windom has put him on the bench

In the Associated Press poll of 101 sports writers throughout the nation, Army is ranked the top team of the country after last Saturday's game. Notre Dame is second, and the rest of the first 10 in order are Ohio State, Randolph Field, Georgia Tech, Navy, Iowa Preflight, North Carolina Preflight, Illinois, and Michigan.

League bowling continues at a merry pace at the Recreation alleys and players and fans alike are getting a lot of enjoyment out of the games. In the men's league last week Walt Buysse of Minneota had high single game with a 231 count. K. Hess had high three game total with 602. In the ladies' league Mary Mosch copped the honors with a 210 for high single, and 409 for three-game total.

A much-talked of tilt was a subject of discussion at Chicago the other day. That is a game between the champions of the Big Ten and the title winner of the Pacific coast conference. Most of the fans in this section would like to see these two conferences meet every year in a regular game to be played not later than Dec. 1. Maybe a little post-war planning can bring this classic game to a reality. It might be said here that Coach Bernie Bierman is in favor of such a game.

## Boys and Girls Win Praise For 3d Prankless Halloween

● Marshall passed another wartime Hallowe'en last Tuesday night with out trouble or damage of any kind.

School children, both public school and parochial, had previously pledged from old-time deprecations as a contribution to the war effort.

It was their third such pledge—and for the third straight time they kept it in what school and city officials termed "100 per cent."

There were two or three windows that had a small amount of soap

on them, and this was attributed to one or two smaller children who did not understand. But otherwise, there was nothing whatever in the way of Hallowe'en pranks.

School and city officials, and likewise business men, were loud in their praise for the fine cooperation the boys and girls in Marshall have given—and numerous comments were heard that after the war is over, there will be a Hallowe'en party for the young folks that will be long remembered.

## Adult Class Include

● As a result of the notice in this paper a few weeks ago, sufficient interest has been shown to justify starting three adult evening classes at the public school.

There will be a course offered, the purpose of which is to prepare persons to pass the examination for a private pilot's license. The subjects taught will be navigation and meteorology, with a brief review of civil air regulations and general servicing and operation of aircraft.

The tuition for this course will be \$8. The Jaycees are the sponsors. It appears that there is sufficient interest to justify the starting of a course in beginning typing. The purpose of this course being to teach typing for personal use. It is highly desirable that persons taking this course arrange for practice on a typewriter either at home or school, at times other than the regular class period. The tuition for this course depends on the enrollment and will be from \$8 to \$10.

A third course will be offered in the field of home economics, with the entire time devoted to sewing. This type of work done will involve work on reconditioning and repair of clothing, making new clothing, and any other sewing topics desired by the members of the class. There will be no tuition for this course, as it is part of the federal aided Smith Hughes Home Economics program.

The class sessions in all three courses will be two hours in length, from 7:30 until 10 with a 15 minute rest period. The work will start on Tuesday evening, Nov. 14, with six sessions before Christmas and six sessions after Christmas, except in the field of aviation which will include nine sessions after Christmas.

Persons interested in any one of these three courses, who have not already done so, are requested to leave their names at the office of the superintendent, telephone 3127.

## Teams Tied In First Game, Season Supremacy at Stake

● Marshall and Tracy High Schools will stage their annual Armistice Day football game starting at 2 p. m. on Saturday, at Legion Field in Marshall.

This year's contest will top interest of all previous years, for the Scrappers can pull through their first undefeated season in 15 years. The setting would have been perfect had the Tigers been able to defeat Monte last Friday.

Marshall goes into the game with a single defeat that to Monte 14 to 6. The first game played between Marshall and Tracy this season resulted in a 7 to 7 tie. Since that time both teams have won all their games by good margins except the Monte encounter.

The game will be the 17th meeting of the two teams since 1930, with the count Marshall 13 wins, Tracy 2 and one tie game.

This game will mean everything to Tracy, they have a chance at their first undefeated team since way back in the 1920s. Marshall, on the other hand, by knocking off Tracy can be classed along with Clarkfield and Tracy as the most powerful teams in this section of the state.

Played under good conditions the game can easily attract a record crowd.

The season records of Tracy and Marshall:

Marshall 2, Clarkfield 0.  
Marshall 40, Pipestone 0.  
Marshall 19, Luverne 0.  
Marshall 7, Tracy 7.  
Marshall 19, Redwood 0.  
Marshall 45, Windom 7.  
Marshall 6, Montevideo 14.

Tracy 20, Pipestone 0.  
Tracy 12, Redwood 0.  
Tracy 20, Windom 7.  
Tracy 42, Springfield 0.  
Tracy 7, Marshall 7.  
Tracy 39, Canby 0.  
Tracy 14, Luverne 6.

Marshall and Tracy since 1930:

1930—Marshall 0, Tracy 19.  
1931—Marshall 26, Tracy 0.  
1932—Marshall 33, Tracy 14.  
1933—Marshall 42, Tracy 7.  
1934—Marshall 21, Tracy 6.  
1935—Marshall 20, Tracy 6.  
1936—Marshall 0, Tracy 2.  
1937—Marshall 13, Tracy 6.  
1938—Marshall 20, Tracy 0.

14

## Side Lines

By Willy Ho

Nov 16, 1944

• The Tracy Scappers scored their first victory over the Marshall Tigers since 1936 in the Armistice Day game—by a close margin, 14-13. The day proved ideal for football and the two teams put on a typical Marshall - Tracy struggle. The Scappers were the first to score when a pass from Weedman to Peterson connected and Zimmerman crashed over for the extra point. The Tigers came back, however, to knot up the count before the end of the first half. A forward pass, Hemmingsen to Arfmann, set up the marker and Serlet smashed over the goal line for the touchdown, with Hemmingsen place kicking the extra point.

Soon after the start of the second quarter, Zimmerman broke through the Tiger line and was off on a 55-yard jaunt for a counter. A fake play was good for the extra point. The Tigers continued to fight and a pass from Hemmingsen to Arfmann again set the stage for the marker. Serlet bucked his way over from the one-yard line, but Hemmingsen's attempted kick for the point to tie the game hit the goal post and was no good. That end the scoring.

It may be an injustice to pick out any boys who starred in a close game like this one, as one knows that it takes 11 men to make a team, but the writer just can't resist from giving two men, one from each side, a little special attention. If ever a high school player gave his all in an attempt to bring victory to his team, it was Bert Hemmingsen of the Tigers. He got away for several nice runs, with an 80-yard dash that was called back, his most sensational effort. He forward passed with his usual accuracy and played a fine, all-around game. The Tracy player to be mentioned is Weedman, a backfield man who was a thorn in the Tigers' side all afternoon. He injured his arm, but even this didn't stop him as he came back with it taped up and continued to play great ball.

So that ends the football season locally except for the Quarterbacks banquet to the players a little later on. Before we get off the subject, a word of praise is due the high school band under the leadership of Mr. Nelson for the entertainment they have provided the spectators at the games. The Armistice Day demonstration was a fitting climax to the season's work.

The Minnesota Gophers came along to win a thriller from the favored Indiana team Saturday afternoon, 19-14. It was a game featured by hard line charging and tackling. Red Williams and Vic Kulbitski played their usual strong games, but two new men received considerable praise for their play. These were "Hockey" Mealey of Faribault, who replaced Kulbitski at fullback, and Dick Schmitz of Wadena at end, who made a sensational forward pass catch to set up the winning touchdown. In other Big Ten games, Michigan beat Illinois 14-0, Purdue was too much for Northwestern 27-7, and Wisconsin rallied in the latter stages to beat Iowa 26-7. Ohio State played Pittsburgh and won 54-19.

The game that had all the fans talking was the terrific beating the Army eleven handed Notre Dame in New York. The final score was 59-0, the worst defeat in history for the Fighting Irish. The Army, ranked No. 1 in the nation, has already scored 419 points in its seven

games. The game between Army and Navy on Dec. 2 promises to prove the "big" game of the year. There is a movement under way to move the game from Annapolis, where only 19,000 can see it, to some stadium that will seat more.

Bowling continues to hold the interest of local fans and the league bowlers are hitting a merry pace of late. In the men's leagues last week, Harold Grong held the high single game with 232, and C. Mortier of Russell the high three-game total with a 595. In the ladies' league Betty Jeff had high single game for the second straight week, a 186, and her 501 was high for three games.

## Tracy Defeats Tigers 14-13 In Thrilling Armistice Clash

• The Tracy Scappers took the honors Armistice Day, 14-13, in a first-class football game played before a large holiday crowd at Legion Field.

It was a tight battle throughout, but with sufficient scoring to keep it interesting, and with the additional attraction of a possibility that anything might happen anytime.

Tracy scored first in the opening quarter. The Tigers were facing the wind, and Serlet's punt went only to the Tiger 37 yard line. On the next play the ball was fumbled on a forward lateral and Hemmingsen grabbed it and raced all the way to the goal line, but the ball had touched the ground and was called back to the Tiger 20, where Marshall took it. Three plays netted 8 yards, Jansen making 5 of them, and Serlet again punted against the wind, with the ball going out on the Tiger 44. Tracy's Weedman dashed around right end to the Marshall 30, and on the next play Peterson went to the Marshall 4 yard line. There the Tigers held for one play, but then Ford went through a big hole at his own right tackle and crossed the goal standing up. Zimmerman plunged for the point and the score was Tracy 7, Marshall 0.

Late in the first period, Marshall threatened after a long forward, Hemmingsen to Arfmann, had put the ball on the Tracy 20 yard line. As the second quarter opened, the Tigers advanced to the 10, but there Tracy held. Tracy was now against the wind and its punt went but a few yards, with Bert returning to the Scrapper 10. Bert tossed a short forward to Jansen for 5 yards and Serlet made 3, but again Tracy took the ball, this time on their own 3 yard. Zimmerman picked up 4 yards in two tries, but then had to kick, the ball going out on the Tracy 14 yard mark. The first Tiger play didn't gain, but Serlet crashed for 8 and then added 2 more to make it first down. Jansen then went through center for the score, and Bert kicked the point, to make it Tracy 7, Marshall 7.

Tracy received and started a march that looked dangerous, but the time of the half ran out on them. The Scappers started from their own 15 yard line, after a penalty,

and Peterson went to the 26. Weedman was held, but Peterson then went around left end to the 38. Weedman broke loose but was brought down at midfield by Driggs. Paradis, Tiger center, dropped Peterson for a 4 yard loss, but Ford then dashed to the Marshall 35, where he was brought down by Jansen. Paradis then intercepted a shovel pass as the half ended.

The remainder of the game's scoring came in the early part of the third quarter. Marshall received, but was unable to gain. Serlet's punt went to the Marshall 35, and a Scrapper penalty put it on the 50. A forward failed, but on the next play Zimmerman got through right tackle and on a brilliant run went over for the touchdown. Weedman made the point, to make it Tracy 14, Marshall 7.

It was then Marshall's turn for a scoring march. Arfman returned the kickoff 10 yards to the Marshall 39. Serlet plunged for 6 yards, and Hemmingsen then sped around his left end to the Tracy 32 yard line. On the next play Bert tossed a forward to Arfman who was finally brought down on the one-foot line. On the second play, Serlet cracked

into the line for the score. Booting against the wind, Hemmingsen's kick was swung to the left, hit the goal post and bounced back, and the score was Tracy 14, Marshall 13.

That ended the scoring. For a quarter and a half, the Scappers struggled to widen their one-point margin, and the Tigers battled for a touchdown that would give them a win. But it was no go for either. Two Tracy drives were halted deep in Tiger territory by interceptions of forwards by Serlet and Jansen. Gordon Green was in there for several nice tackles that held down Scrapper yardage. Curtis and Hammel dropped Tracy backs for losses, and other boys in the Tiger line put up a valiant fight against the Scappers' heavy forward wall. Kelly knocked down a forward once on the Marshall 19. The last quarter saw fumbles on both sides and neither team seriously threatening to score, though there was always danger that anything could happen.

Hard-fought all the way through, and with enough scoring to make it interesting, the game lived up to the best of Marshall-Tracy tradition and proved the "classic" that fans always like.

## Junior Class Play Is Well Done

• A good-sized audience attended the Junior class play in the high school auditorium last Friday night, when members of the class presented the comedy, "Double Exposure," under the direction of Miss Ursula Costello.

Many comments regarding the fine portrayal of the various characters were made by those in attendance. Barbara Bussard did excellent work in portraying the part of Mrs. Hoisington, the played-up society woman. Merlyn Rankin took the role of the country constable, Tate Smithers, well. Willard Curtis played Markham Carruthers with ease and naturalness. Birdie Christianson also did well in the part of Maida Holes. Others in the play, all of whom did commendably, were James Janis, Joanne Yaeger, Nancy Molle, Donna Johnson, Marquerite Maenhout, Jane Hammond, Kacky Rogne.

# High School Bond Drive Exceeds Previous Record

Nov 30

● Marshall High School students held their 6th War Loan drive on Wednesday in the high school auditorium, and exceeded their 5th War Loan record by several hundreds of dollars. The auction plan, with home room, bidding against one another, was again used. The Student Council was in charge.

In Junior High, Miss Gray's home room won first place with a bid of \$365, and will receive the jitney prize offered by the Council for the first place winner.

In Senior High School, the bidding was very spirited, opening with a bid of \$50 and continuing until Miss Brobeck's and Miss Sullivan's home rooms were bidding past the \$500 mark. Miss Sullivan's room eventually won the jitney lunch with a total of \$1,291.85.

A novel feature was in the pro-

gram was an alarm clock set to go off during the bidding. The home room bidding at the time was to receive a special treat. In Junior High, Miss Perkin's Room won the treat and in Senior High, Miss Drake's and Miss Brobeck's.

As a result of the bond drive Marshall High School's name will be printed on two grasshopper planes, otherwise known as liaison planes. The original goal set was one liaison plane or \$3,000, but the total reached \$6,644.65, enabling Marshall High School's names to be printed on two planes.

The auction will bring the total number of bonds and stamps up to between \$8,500 and \$9,000 for the school year. Marshall students will continue to purchase stamps every Tuesday for the rest of the school year.

Thursday, November 30, 1944

# Marshall Opens Floor Season Friday Night

● Marshall High School will open its 1944-45 cage season and the defense of its district championship title tomorrow night in a game with Balaton.

The coming schedule looks like a big job for Coach Thoreson and his boys, for the Tigers must compete with Ivanhoe and Tracy, both with complete squads from last year and both giving indications then of the team to beat in this year's event.

The Tigers graduated from last year's championship team were Bob White, Charles Carlson, Charles Ausen and Bob Juba. Returning were Jim Paulsen, Ed Stanke, Doug Dandurand, Paul DePover and Bert Hemmingsen.

With Jim Paulsen and Ed Stanke out due to illness, it means that Coach Thoreson must build from the bottom-up around three lettermen, Dandurand, DePover and Hemmingsen.

Stanke and Paulsen will be in

later in the season, but just when, will depend on how fast they respond to treatment.

District No. 9 is supposed to be a hard nut to crack this year. Ivanhoe, Tracy, Hendricks and Lynd all looked like powerful teams in last year's tournament. So the Tigers will have to bear down all the way, if they hope to stay in the select class.

Whitey Thoreson has a squad of 24 boys trying out for the varsity, as follows: Stanke, Dandurand, DePover, Paulsen, Maloney, Green, Hammel, Kelly, Curtis, Nelson, Serlet, Paradis, Bot, Henry, Martin, Greenwood, Bladholm, Gregoire, Juba, Ellingson, Coequet, Tack, Hemmingsen and Christianson.

# Side Lines

By Willy Ho

● Coach Whitey Thoreson hasn't definitely decided on his starting lineup, as this is written, for the Tiger cagers, opening game of the season here Friday evening with Balaton. Three of the positions will undoubtedly be filled by "Tee" Paradis, Duke Kelly and Doug Dandurand. This trio has shown up in practice as the best. The starters for the other two places will be picked from DePover, Nelson, Green Hemmingsen, Maloney, Curtis and Henry. It is almost a sure bet that all of these men will see some action, along with Serlet and Hammel. Thoreson received a hard blow in the loss of Jim Paulsen, who is in the hospital with bronchial pneumonia. Jim is coming along fine at present, and the fans are anxiously awaiting his return to the lineup, along with Ed Stanke. In meeting Balaton, the Tigers run up against a veteran quint that was coming along fast at the end of last season and is expected to cause the locals plenty of trouble.

# Tiger Cage Schedule Is Attractive One

Nov 30

● Marshall High School offers an attractive home schedule for Marshall folks this year in a district that is extra good.

The Tigers have outside-district games with Redwood Falls, Clarkfield, Pipestone and Luverne.

Before tournament time rolls around, local fans should have a first rate idea of what to expect in the big cage events next spring.

Both the sub-district and district tournaments have been scheduled to be played in Marshall.

All games here start at 7.30 p.m., the Cubs playing first, with the varsity games at 8.30 p.m.

The High School Band will play at each home game.

Admission will be 35 cents and the entire west bleacher is reserved for adults.

# 15 Tigers Play In Balaton Win

Dec 1

● The Marshall Tigers opened the 1944-45 basketball season Friday evening at the H. S. gym by swamping the Balaton Braves 64 to 13.

It was expected that the Balaton team would give the Tigers a real test, but aside from the opening minutes when the Braves took a 3 to 0 lead as the result of a field goal and free throw by Thorson, they were never a threat.

The game gave Coach Whitey Thoreson a chance to see what he could expect from the boys trying out for berths on the team and he made good use of his opportunity. During the game he used 15 men in various combinations.

The starting lineup was composed of Duke Kelly and Jim Maloney at forwards.

Nelson at center and Doug Dandurand and T. Paradis at guards.

Others to see action during the contest were Hemmingsen, Henry, DePover, Green, Curtis Serlet, Hammel, Bot, Martin, and Bladholm.

DePover and Dandurand were tied for scoring honors with 10 points apiece. For the losers, Thorson at center showed to the best advantage, having a field goal and seven free throws to his credit.

In the preliminary game the Marshall Cubs scored a 42 to 8 win over the Balaton seconds. Bladholm was high scorer in this contest with 12 points to his credit.

The box scores of the two games follows:

Marshall	FG	FT	PF	TP

# Marshall Third In S.W. Conference

Dec 1

● Marshall finished the 1944 football season in third place in the Southwest Conference, with three wins, one loss and one tie game. Tracy with four wins, and one tie game, was tied with Jackson, which had three wins and one tie. Tracy and Jackson, by virtue of an undefeated season, will be declared co-champions.

The Tigers finished the season out of the running for the third year, after holding an undisputed position of first place for five years straight.

Marshall will have enough games to qualify for the league in 1945.

The conference report is as follows:

	Won	Lost	Tied	Pct.
Tracy	4	0	1	1000
Jackson	3	0	1	1000
Marshall	3	1	1	750
Windom	2	2	1	500
Pipestone	2	2	2	500
Luverne	2	4	2	333
Lakefield	1	3	2	250
Worthington	0	5	0	000

From 1923 to 1939, the city of Memel belonged to Lithuania and was called Klaipeda.

# Tiger Five Faces Strong Ivanhoe Team This Friday

Dec 1

● Marshall High School plays Ivanhoe on Friday of this week.

Ivanhoe lost only one man from last year's third place team in the district. They are conceded a good chance to be on top of this year's district when the final whistle blows next March.

All Marshall fans will remember the Ivanhoe team in last year's tournament. Marshall had an easy first quarter, leading 17 to 1, but Ivanhoe suddenly realized that they were in a basketball game and the final score just let Marshall by. Ivanhoe crawled up to tie the ball-

game during the second half, providing one of the most exciting games of the tournament.

With only one senior being graduated, the same Ivanhoe team is conceded a good chance in the district this year. They are ably coached by Superintendent Frisby. Marshall fans will want to get a glimpse of this year's team, for District No. 9 looks like a strong one this season, with a group of teams that will provide one of the greatest tournaments in history. Two of the teams most feared will appear at Marshall this month, Ivanhoe, Dec. 8, and Lynd, Dec. 22.

# Quarterbacks Club To Fete Tigers

Dec 1

● Marshall Downtown Quarterbacks will hold their annual football banquet Thursday, Dec. 14, at 6.30 p.m., in the dining room of the English Lutheran Church.

This year's banquet promises to be the biggest in the history of the organization, for 76 boys will be honor guests, along with their coaches, Whitey Thoreson, Harry Ahlin and Jay Johnstone.

A total of 108 quarterbacks make up the organization. These men have been meeting every week to discuss football in Marshall. Questions are asked the coaches and they in turn answer them.

A short program will follow the dinner and letters will be awarded to all boys earning them the past season.

At the conclusion of the program Sheldon Biese, Minnesota All-American, will present the pictures of Minnesota in action for the 1944 season.

# Side Lines

By Willy Ho

● Local basketball fans had their first opportunity to see the 1944-45 Tigers in action last Friday when they opened their cage season against the Balaton Braves. Coach Whitey Thoreson's aggregation—and aggregation is the right word as 15 men saw action—romped off with an easy 64-13 victory. Fans came away from the gym in the belief that Marshall will be represented by a fairly strong quint as the season progresses, and especially if the two lettermen from last year's district champions who are out because of illness, namely Ed Stanke and Jim Paulsen, are able to return to play. Tougher opposition was encountered by the Tigers in their second game of the season, the Minneota team edging them out 31-29 Tuesday night of this week at Minneota.

In the game here this week Friday, local fans will get more of a line on the strength of the Tiger cagers as they meet Ivanhoe. The Eagles are the lads who put up a great game against the Tigers in the district meet last year. Most of their players are back, and they are out to score a victory if at all possible. It should be by far a more entertaining game for the spectators than the opener was.

A few weeks ago in this column there appeared a paragraph complimenting the Marshall High students for their good sportsmanship at a football game. Now we wish

# SIDE LINES

ver Georgia 44-0, Louisiana State surprised Tulane by winning 25-0 while Southern Methodist scored 9-6 upset over Texas Christian.

Saturday finished up the collegiate football season in most cases and all that remains are the bowl games on New Year's Day. In the Rose Bowl game at Pasadena, Tennessee meets Southern California; Tulsa and Georgia Tech meet in the Orange Bowl in Miami. In the Sugar Bowl Game at New Orleans, it will be Duke and Alabama, Texas Christian and Oklahoma.

# Marshall Loses To Minneota Quint

The Marshall cagers have a .500 rating as the result of their defeat at Minneota Tuesday night by the score of 31 to 29.

The Tigers displayed poor form during the first half but rallied in the second half, only to fall short of victory by two points. During the first part of the game the Orange and Black missed several easy shots from the floor and made good only three free throws out of 13 chances.

The Minneota lads took a 12 to 6 lead in the first period and at half time were ahead by the score of 26 to 12. During this half Knold of Minneota was "hot" and scored 14 points. He was held scoreless in the second half.

In the third quarter the Tigers caged 10 points, while the best Minneota could do was to mark up two. In the last period the locals scored seven points to three for the winners.

Paul DePover led the Tigers in the scoring department with 10 points, and Henry was second with six.

In the preliminary game the Cubs chalked up their second victory by defeating the Minneota, Seconds 36 to 24. Gregoire was high point man of the game with 10 points.

The box score of the two games is as follows:

# School to Give Christmas Program on Thursday Night

All Marshall residents are invited to attend the annual Christmas program at the Marshall Public Schools, Thursday, Dec. 21, at 8 p. m.

More than 150 students will have a part in the program.

The Grade Choir under the direction of Miss Jacobson will present three numbers:

- Adoration - A Polish Carol
- Lo, How a Rose E'er Blooming
- Praetorius
- Sing We Noel - A Czech Carol
- The Junior Choir under the direction of Miss Reed will present three numbers:
- While Shepherds Watched Their Flocks - George Handel
- Beautiful Savior - Crusader's Hymn
- When the Sun Had Sunk at Rest - Old English Noel

The Senior High Choir under the direction of Mr. Robert Nelson will sing four numbers.

- Lo, A Voice to Heaven Sounding
- Bortiansky
- Carol of the Russian Children
- H. B. Goul
- Oh Holy Night - Adam
- (Girls Sextet: Doris Gee, Kathleen Gits, Phyllis Kugler, Norma Gilbertson, Donna Johnson, Rosalia Robson)
- Lord of Spirits - F. A. Reissiger

At the close the three groups will combine in a massed choirs to sing Christmas Carols.

The auditorium will be decorated in a Christmas theme.

Everyone is invited to attend and there is no charge. It is believed the program will be excellent and one enjoyed by all.

# Tigers Face Cards At Redwood Friday

Marshall High plays Redwood Falls this Friday and Redwood is supposed to have one of the strongest teams in recent years. They are a smooth-working aggregation—one that has been making baskets when baskets are needed. They are also rangey.

It is expected that Coach Whitey Thoreson will not alter his line-up for this Redwood game.

The following week, Lynd, a perennial tower of strength, plays the Tigers on the local floor, Dec. 22. Lynd has one of the strongest outfits in the district this season. They are dead-eyes as far as the basket is concerned, and from the way the scores have been reading there will be a tough team to meet. This Lynd game therefore promises to be one of the best games of the season here.

Redwood Falls—When the A. McKays entertained 35 members of the family on Thanksgiving day it was the fifty-second time the family had gathered on that holiday. Of the nine present at the first dinner held at the home of the oldest brother, Thomas McKay, only two are living now, Mrs. Thomas McKay of Los Angeles, Calif., and Neil McKay who was the only one of the original number present this year.

# Tigers Receiving Letters Tonight

Marshall's Downtown Quarterbacks Club tonight was entertaining the 1944 Tiger football squad at a banquet in the English Lutheran church dining room.

It was the largest event of its kind ever given here, with 76 football boys as guests and more than 100 business men fans attending. When the Quarterbacks Club was organized in 1937, it had 65 members, and since then it has grown to a total of 108 members this year.

Seven meetings of the club were held during the season, with the final one tonight the annual banquet for the team. Officers this season were H. N. Harmon, president; L. P. Carrow, vice president; and J. M. Shrader, treasurer.

Twenty-one boys, 11 of them Seniors, were to receive their football letters at tonight's banquet. The program was as follows:

Grace, Rev. Johnson; Toastmaster, Pat Rogers; Welcome Boys, E. A. Seifert; Graduating Seniors, Orval Bies; Underclassmen, Douglas Dandurand; The 1944 Season, L. E. Cook; Our Coaches, Jay Johnstone, Harry Ahlin, and Whitey Thoreson; Letters, Merrill W. Olson; Minnesota Football Pictures, Sheldon Beise.

# Marshall Beats Ivanhoe 33-24

Marshall High School played Ivanhoe last Friday evening, winning both games, the Cubs, 35-22, and the Tigers, 33-24.

The Cubs, led by Bladholm, sank 16 field goals and made only three out of 10 free throws, for a total of 35 points. The Cubs have been showing up unusually well this season, and Coach Thoreson uses his entire 10-man team in every game. The Cubs led 11-5 at the end of the first quarter, and weren't headed during the entire game, pulling away at the end.

The Tigers, paced by DePover with six baskets, looked good and bad. They missed lay-up after lay-up, but were able to make 13 baskets and seven out of nine free throws.

Ivanhoe, off on their shooting, sank only seven field goals, but from every indication, this Ivanhoe team will be a smooth ball club before the season is over.

# Side Lines

By Willy Ho

In defeating Ivanhoe here Friday the Orange and Black cagers indicated flashes of form that impressed the fans. They really set up and their plays at various times and through clever ballhandling and ball passing took some easy shots for markers. Taking into consideration the fact that the Ivanhoe five was a good, fast, and experienced team, the showing of Coach Thoreson's boys was pleasing. The starting combination of Duke Kelly, Doc Henry, Paul DePover, Gordy Green, and Doug Dandurand played good, steady ball and during the first half their floor work was at its best. Play in the second half wasn't quite as good, but the Tigers always clung to the lead. When Ivanhoe would threaten, the locals always came through with a counter.

This Friday night the Tigers travel to Redwood Falls. Reports say that Redwood has a big team that is improving with each game and that they will be out to hand the Tigers a defeat if possible. In last week's game, the Cardinals scored 57 points against Lambertson, which proves that their offense must be working in good order. Looks like a good game over there Friday.

One of the big events of the year is taking place tonight, the annual Downtown Quarterback Club

# School Paper Drive Goes Over Goal

## Basketball Results

Marshall —, Ivanhoe—, Redwood Falls 57, Lambertson 24. Cottonwood 32, Echo 31. Granite Falls 38, Milan 36. Canby 32, Minneota 23. Tracy 41, Minneota 20. Granite Falls 52, Echo 38. Hendricks 36, Canby 24. Lynd 52, Balaton 29. Lake Benton 17, Verdi 9.

Marshall High School students collected in the neighborhood of 25,000 pounds of paper in their annual paper drive that ended last week. Every student in senior high school participated in the drive, and the junior high had 98 per cent participation. The goal was 50 pounds for each student, and this was exceeded by several thousand pounds.

The two high rooms in senior high school were Miss Brobeck's home room with 1,520 pounds, averaging 72 pounds per person; and Miss Nyjordet's home room with 1,990 pounds. The junior high winning rooms were Miss Alsaker's home room with 1,900 pounds and Miss Perkin's room with 1,830 pounds. In the neighborhood of \$175 was realized from the sale of this paper, and the money is already earmarked to take care of the pledges made to the Salvation Army and the Red Cross.

Marshall High School's present gift budget amounts to \$175, and in addition, money has to be raised for the Plaque Fund.

# School Christmas Program Tonight

Marshall Public Schools are presenting their annual Christmas musical program this Thursday evening at 8 p.m.

Three complete choruses, numbering in the neighborhood of 180 voices, make up the combined choir. The usual Christmas carols will be the feature of the program.

The Grade Choir, under the direction of Julian D. Waller, substituting for Miss Lenore Jacobson, will present four numbers: "Sing the Noel," "Lo, How a Rose E'er Blooming," "Wind Through the Olive Trees," and "Adoration." The Junior High Choir under the direction of Miss Ceil Reed will present "While Shepherds Watched Their Flocks," "Beautiful Saviour," and "When the Sun Had Sunk to Rest." The Senior High Choir under the direction of Robert Nelson will present: "Carols of the Russian Children," "Lo, stick pretty close to the lineups he has used in the games to date. Stanke and Paulsen saw a little action at Redwood Falls last week, but it is not expected they will play much until after Christmas. The Cubs will play the opening gametomorrow night starting at 7:30.

# Side Lines

By Willy Ho

The Marshall basketball quint will play their last game before the holiday vacation here tomorrow night when they clash with the Lynd cagers. From all indications this points to being a good game as the invaders are considered to be one of threats for the district crown, and enter this game undefeated. They have scored lopsided victories over Sun Had Sunk to Rest." The Senior High Lake and Balaton and have a win over Milroy. It is expected of Robert Nelson will present: "Carols of the Russian Children," "Lo, stick pretty close to the lineups he has used in the games to date. Stanke and Paulsen saw a little action at Redwood Falls last week, but it is not expected they will play much until after Christmas. The Cubs will play the opening gametomorrow night starting at 7:30.

The Tigers went down to defeat at Redwood Falls last Friday night by the score of 44 to 31. The Orange and Black cagers made a good battle of it most of the way, but in the end the ability of the Cardinals to control the rebounds brought them victory. The first half was close with Redwood leading at the quarter 11 to 10 and at the half 23 to 18. At the start of the second half the two quint matched points, but in the fourth quarter the Cardinals really stepped out and took a commanding lead. Nelson was high point man for the Tigers with six field goals and a free throw. The Cubs won their fourth straight game by defeating the Redwood seconds by the score of 42 to 23.

## Side Lines

By Willy Ho

The largest crowd yet to turn out for a basketball game was on hand last Friday night at the high school gym to see the game between the Orange and Black quint and the Lynd team. The fans were treated to the best game of the season to date. The first quarter was one of the fastest and most exciting ones that anyone could wish to see, with the period ending in a 13-13 tie. In the second quarter, both quint cooled off considerably, the Tigers making only two points while Lynd was chalking up seven, most of them on long shots. The half ended with Lynd leading 20-15. The second half started rather slowly, but the Marshall lads soon began to hit the basket with regularity, and after tying up the game at 29-all, they went into the lead, 34-30. The last period found the locals building this lead up and when the final whistle blew the score stood Marshall 43, Lynd 35. The Cubs won the preliminary game.

Coach Thoreson had to go into the game with some changes in his lineup. The starters were Hemmingsen and Green at forwards, Neelson at center, and Dandurand and Kelly at guards. The play of Neelson and Green was very pleasing at times and these two tall lads are going to be valuable assets to the team as the season progresses. Stanke and Paulsen saw considerable play and should be about set for full time duty after vacation. Henry, Curtis, Maloney and Serlet also saw action.

## School Makes Gift To Kenny Fund

Marshall High School students raised a total of \$38.20 as their gift to the "Share your Christmas" Fund. The money will be forwarded to the Sister Kenny Institute.

Completed paper returns indicate that students brought in approximately 12 tons of paper which will net \$164.53 to be placed in the Gift Fund. This will be turned in to honor the high school pledges to the Red Cross, Salvation Army, and the War Chest Funds.

With the completion of the payment of their student activity fees, Marshall students have about completed their financial obligations for the current school year.

A drive will be made to enlist the entire student body in the purchase of war stamps so that Marshall High School may fly the service award flag issued to schools regularly purchasing war stamps.

## Tigers Reume Basketball Drill

Coach Whitey Thoreson called his basketball squad together on Wednesday, Jan. 3, after a 10-day layoff, and is preparing them for the final half of the season and the tournaments early in March.

Both subdistrict and district tournaments have been slated for Marshall, and with District 9 slated to have the closest competition among teams in recent years, a great tournament season is expected.

Ivanhoe, runnerup last year, is slated to have as tough a team as there is in District 9 this season, with Hendricks an all-veteran team, and also Tracy with all their boys back. Lynd has given exceptional promise in early season games, but has had a lot of sickness on their squad. Canby has had its good nights, as had Minneota.

Tracy looks like one of the teams to beat in the district, with its decisive win over Redwood Falls before the holidays. With an all-senior team the Scrappers are striving to make this a perfect season in football, in basketball, and in track.

Coach Thoreson has not found the correct combination as yet, but is evidently moving along hoping to soon. From all indications, there is a lot of ability which he is trying to work out.

The next three games are away from home—Marshall at Balaton on Tuesday, Jan. 9, Marshall at Hendricks on Friday, Jan. 12, and Marshall at Tracy on Friday, Jan. 19. The first home game at Marshall is Tuesday, Jan. 23, with Minneota furnishing the opposition, followed by Redwood Falls here on Friday, Jan. 26.

## Side Lines

By Willy Ho

Local sportsmen are practically at a standstill as the result of vacation and the holidays. Bowling will be the first to swing back into action. This week Saturday and Sunday will see the opening of the singles and doubles handicap tournament at the Recreation alleys. This event is expected to attract bowlers from a number of the surrounding towns. League rolling will be resumed on Monday night after a two weeks' layoff.

Basketball fans here will be without a home game next week, although Coach Whitey Thoreson's Orange and Black cagers will be in action twice. On Tuesday they travel to Balaton for a return game with the Indians. On Friday night the Tigers invade Hendricks. The Midgets have a veteran five and are one of the favorites to win the district title.

## SPORTS

### Marshall Plays At Tracy Friday

Marshall High School Tigers go to Tracy tomorrow, Jan. 19, to meet the Scrappers, a team that has lost only one game all season. The game dropped by Tracy was to Redwood Falls last Friday by a 28-26 score.

This game will mean much to the Scrappers and will be of equal importance to the Tigers, for it will give basketball fans an idea of what to expect in the District Tournament.

The Tigers begin a three game home series in the next 10 days, starting with Minneota on Tuesday, Jan. 23, followed by Redwood Falls on Friday, Jan. 26, and Clarkfield on Tuesday, Jan. 30. Each game will give the Tigers a severe test and should bring out some great basketball. The Marshall team lost its games to Minneota and Redwood in their first engagements on their opponents' floors. With the advantage of the Tiger home floor, the local squad should have an even chance for two victories.

With three home games in January and three in February Marshall fans should get their fill of good basketball, for every game is a challenge.

### Intra-Mural Team Wins First Game

The Marshall High School Intra-mural team, playing its first game in a winter series, defeated the Hanley Falls varsity basketball squad by a 25-24 score. The game was an exciting affair with the lead never being taken from the Marshall boys, but with the gap closing from six points down to one in the last two minutes of play.

The ninth grade defeated the lower eighth grade in a thriller.

Tonight, Jan. 18, the Wood Lake varsity will play the Marshall Intra-mural outfit, with the game starting at 8 p.m. The first game will bring together two Marshall teams, when the tenth grade plays the victorious ninth grade of last week's contest.

## Basketball Results

By Willy Ho

Friday night of this week finds the Marshall High School cagers travelling to Tracy to meet the hard-playing Scrappers. Following the defeat of the Tigers at Hendricks by the score of 40-32 last Friday night, Marshall has been hard at work preparing for the Tracy game. Coach Thoreson's team will be the underdogs in this game, but as everybody knows, the dope doesn't count when these two rivals get together. The Scrappers have a better record than the Tigers in that they have lost only one game, that in a return game with Redwood Falls, 23-26. Local fans will have an opportunity to see the Tigers in action twice next week as they meet Minneota here on Tuesday and Redwood comes here Friday. Both these teams have victories over the Orange and Black, so the Tigers will be out to even the count.

## Recollections at 98... Pioneer Recalls Early Days in Marshall

By MRS. L. E. BATES

On July 4, 1873, the first train to arrive in Marshall carried me and my small children to our new home on the Minnesota prairie. My husband Lewis Bates had taken a homestead seven miles west of Marshall, built a house and sent for his family.

From Plainfield, Wis., my folks, Mr. and Mrs. David Hurd, had taken me by train to Wisconsin Rapids to take the train. It was a sad parting, they felt I was going to a far away wilderness. It was a long tiresome journey, the train stopping along at towns so passengers could go to the hotels for meals, diners being unheard of. We finally reached Winona, where I stayed for two days at a nice hotel and the people there were so kind to a young mother traveling alone. Then another delay of a day or two at New Ulm until the new freight was ready to start on its first trip west to Watertown, S. D. I believe. There I met a Mrs. Ransom who with her two little girls was going out to join her husband on a claim near Lynd. We enjoyed each other's company and had much in common.

The people of Marshall had made plans to celebrate the 4th of July and housewives had baked up for the expected crowd, but the train brought me two women and children and a man and his daughter. I think people were afraid to risk their lives on that new train.

Mr. Bates met me with a yoke of oxen which I didn't like. Horses were used in Wisconsin, oxen were considered old fashioned. However,

Mrs. L. E. Bates, a pioneer resident of this community, today observed her 98th birthday at the home of her daughter, Mrs. J. L. Haas, in Fargo, N. D. She this week recalled some of the events of the early days here in the accompanying article. Mrs. Bates was born Harried Hurd at Plainfield, Wis., on Jan. 18, 1847. Of her four older brothers, one reached the age of 97, another lived to be 96, the third was 94, and a fourth was killed during the Civil War at 19. One younger brother, David Hurd of Plainfield, is 92. An only sister lived to 88. The Messenger extends congratulations to Mrs. Bates.

We soon bought a fine high-spirited team of gray colts from George Lee—the price was \$400 and the oxen. That gray team served us many years and was well known by settlers all around.

Marshall or "the Bend" as it was called, had a hotel, the Colemans kept a store, there were a few small houses. The river looked pretty winding around but pangs of home sickness prevented me from seeing anything attractive about the little town and although wild flowers covered the new land I could scarcely see them through my tears.

Our first home on the prairie was nice and new and better than most. I recall how hard the water was, the bitter cold and blizzards of the Minnesota winters. Our house was comfortable with wood fires. Later dirty soft coal was shipped in from Illinois, the Montana coal being

much cleaner. The bread dough had to be warmly covered, some of my neighbors would bake biscuits three times a day rather than struggle with chilled dough in the winter time. I brought a lot of canned fruit and a 6 gallon jar of crab apples from Wisconsin—my neighbors enjoyed coming to our house for meals. The Marshall stores had barrels of dried blackberries later on and these, when soaked over night and stewed up, made delicious pies.

When Jesse James and his gangsters struck terror to southern Minnesota and robbed the bank at Northfield, the settlers, mostly Civil War Veterans, including Mr. Bates, half hoped they would get a chance to do a little shooting, but the women folks were frightened and many of us baked up extra food in case those lawless, hard riding bandits should stop by and demand food. What a relief was felt when they were stopped near Tracy.

I remember when Rev. Ellis who preached at the Lynd church was the center of a quarrel. One faction wanted to keep him, but the other side thought it was time for a change. Feeling ran high until a small battle was staged one Sunday at church—even women threw hymn books. Rev. Ellis left for Illinois saying the Lord was on the other side, not his side.

O. C. Gregg of Lynd preached around and we went to hear him whenever possible. Mr. Bates loaned Elder Gregg a few hundred dollars and when the debt was paid the interest on the money was in the form of a pig. Elder Gregg supplied

(Continued on Page Three)

## MRS. BATES

(Continued from Page One)

us with much appreciated reading matter and was always a dear friend. Mr. Loomis started a church at Ghent which we attended.

Neighborhood dances helped to offset the loneliness and hard times. Hi Marcy, who had been with the circus, played fine music on the violin and Stephen Green could play real nice also.

Joe Myers paid \$2 for a pound of tea and when the neighbors gathered at his home for a dance he thought it would be nice to steep up some tea for the company. But his wife, Roxie, pointed out to him that the tea must last them awhile and that he and the hired man needed tea to do their hard day's work. So no tea was brewed but a good

time was had dancing and visiting with cakes and things for a lunch at midnight.

Miss Lousia Constant taught school in our district and boarded at our house. She was from New York City, later married Mr. Wetherbee, one of the school officers. We traded at Wetherbee's store for years.

Another teacher much-loved by the children was Miss Marrie Rector. She boarded at Maxons and later married Will Maxon.

Lynd was the County seat but it was moved to Marshall. I remember when the Court House was built.

Marshall grew rapidly. The Whitney families were there including Dr. Whitney. Capt. Websters lived on a farm near town, their daughter, Ada Webster, taught school, later went to Ohio to visit her grandparents then married a rising young man of Marshall, Jim Williams. I recall the early Williams store—they sold real good stoves and hardware.

Seems like Marshall always had the Addison store—Robert and a brother from Watertown kept the store then, sort of a general store with nice goods.

C. F. Case was postmaster, Mrs. Case's sister, Allie White, worked in the postoffice. Mr. Case wrote nice poems.

I remember the first Healy store kept by the father of Ed. and Fred Healy. The two boys married sisters.

And the Wilcox drug store and Charlie Wilcox who was such a kind friend to all who knew him.

Dr. Persons came to Marshall in these early days as a young doctor, later marrying a Marshall girl. He was our family doctor many years.

Mrs. Wakeman was a girl on her father's farm at Lynd. Later her parents, the W. L. Watsons, and the Wakemans became my good friends and neighbors in town.

Sorrow visited our home on the farm when our little three year old daughter, Nellie, sickened and died. How kind our neighbors were, helping to ease our heartache.

We left the farm in '93 and moved to Marshall, where I have had my home ever since.

Looking back I wonder how we were able to face the hardships and privations of those early years. But face them we did with all their heartaches, joys and sorrows.

I have seen the little town called "the Bend" grow during the 72 years to the fine city of Marshall.

Rocking and dreaming, the winter days go,  
Seeing old friends in the fire-light glow,

Living again the days that are past,  
Rocking and dreaming, resting at last.

# Redwood Plays Here Friday; Clarkfield Next Tuesday

● Marshall High School presents one of its most attractive basketball games this Friday with Redwood Falls furnishing the opposition.

Redwood Falls dropped only one game to Tracy during the year and a return game was won from Tracy. Marshall lost by a single point on the Tracy floor and by several points on the Redwood floor. Redwood admittedly has a better team than the team that went to the regional last year.

Coach Thoreson will probably use the same starting lineup that started against Minneota and whether or not he will experiment as much as he did in the Minneota game is problematical.

The Redwood game should indicate

just how far the Tigers have come and how strong they will be in the forthcoming tournaments.

The Cubs let prosperity go to their heads in the game against Minneota and played anything but good ball. So far this season, they haven't dropped a single game, and it will be interesting to see what happens against Redwood.

On the following Tuesday, Jan. 30, the Tigers play Clarkfield. Clarkfield is the only team that has succeeded in knocking off Montevideo, so another good game is in store for Marshall fans.

Around the circuit Tracy, Lynd, Hendricks, Canby, and Ivanhoe are all giving indications of having enough power to make it tough for any other team in the district.

## Tigers Lose At Tracy In Overtime

● Marshall cagers lost an overtime game at Tracy last Friday evening by a single point. The score was 33-32.

The game was a typical Tracy-Marshall clash, with both quints making desperate bids for victory, in close scoring throughout.

The Tigers were leading 5-4 at the quarter and enjoyed a 14-10 margin at half time. But the Scrapers came back strong and were leading 21-20 when the third quarter ended. At the end of the regular time, the count was tied at 29.

In the overtime, Tracy counted 4 points to the Tiger's 3 to win.

Doug Dandurand was high point man of the game with 15, while Zimmerman led Tracy's scoring with 11.

In the preliminary, the Marshall Cubs took a 17-11 victory over Tracy's Seconds, Bladholm scoring 8 points for high man of the game.

## Marshall Wins Over Minneota

● In a nip and tuck game here Tuesday, Marshall's Tigers evened the count for the season with Minneota by winning 29-27.

The Tigers were ahead at half time 19-12, but the Vikings came back fighting in the second half and succeeded in tying the score at 27-all with only a minute to play. A basket by Nelson gave the locals the winning margin.

R. Perry of Minneota was high point man of the game, ringing up 10. Paradis and Nelson with 6 apiece led the Tiger scoring.

Marshall's Cubs kept their record unmarred by defeating the Minneota Second 19-12, with Bot high scorer with 8 points.

By Willy Ho

● The Marshall High School basketball team has engaged in two close and hard-fought games in the past week, with a loss and a win. The loss came at Tracy Friday when the Tigers went down to defeat in an overtime game, 33-32—and local fans are already looking forward to the Tracy game here on Feb. 9. The victory came Tuesday evening at the expense of Minneota, with the final score of this battle 29-27. The Tigers seemed to lack their usual drive under the basket, with the result that the speedy invaders outscored the locals in the last half, and it took a basket by Nelson in the final minute to bring them victory.

Local fans can look forward to two good games here the coming week. This Friday the Tigers meet the rangy Redwood Falls quint, which already has a victory over Marshall and is the only team that has scored a win against Tracy. Coach Thoreson's cagers will have to play a better brand of ball than they showed against Minneota if they expect to win. Next Tuesday night Clarkfield comes here, and they, too, will cause plenty of trouble as they have been setting up a good record, their most recent victory being over Montevideo.

## School Seeks More Names And Pictures

● The Student Council of Marshall High School requested again today that citizens of the community check its service board on which the names of all graduates now in military service appear.

Class rolls have been gone over as far back as 1920. There still may be omissions or errors, though, and since the Council wishes to make the service roll complete it asks community assistance in checking it. Mr. Olson should be notified of any omissions.

Besides the plaque with the names, a second plaque has been set up with pictures of the ones in service. The Council appeals to the public, too, for assistance, desiring names or snapshots of all the boys. Name and rank should be written on the back of each picture before sending in.

# Cage Classic Of Season Expected Here Feb. 9

● The next basketball game to be played on the Marshall floor is an important clash between Marshall and Tracy—the game that packs the auditorium each year. It is set for Feb. 9. The Tigers go to Pipestone tomorrow.

## Tigers Win Over Clarkfield Team

● The Marshall Tigers chalked up a 39-28 victory over Clarkfield on the local floor Tuesday evening.

The opening quarter ended with the score tied at 7-7, and the two teams battled on almost even terms during the second period, which closed with the Tigers ahead by one point 15-14.

## 799 Children Are Examined

● School inspection of 799 children in the first, eighth and ninth grades of the Lyon County town schools has been completed, according to Mabel Johnson, R. N., of the Minnesota Public Health Association.

Tracy, Balaton, Lynd, Russell, Cottonwood, Ghent and Minneota were the towns included in the survey. The program started last spring, when grades one through six were inspected, and continued in the fall for the remaining grade school students.

According to Miss Johnson, children who had eye defects noted in the spring inspection were checked to see if correction had been made. The state dental program was started in several towns, with local dentists cooperating in the program. Christmas Seals financed the program. Funds were appropriated by the officers of the Lyon County Public Health Association.

## Redwood Defeated In Thrilling Game

● The Marshall High School cagers Friday evening upset the dope by defeating the Redwood Falls quint in a thrill-packed game from start to finish, 34-33.

Victory for the Tigers came in the last few seconds of play when Nelson got the ball in mid-floor and dribbled in fast for a close-in shot that was good and that put the Tigers in the lead by the one point. The final gun sounded before Redwood had a shot at the basket.

The game started with both teams going at a fast pace. Play was even throughout the first quarter, which ended 8-8. In this period the Tigers had the lead twice, Redwood four times, and five times the score was tied.

At the start of the second quarter, the Orange and Black scored 7 points to take a 15-8 lead, the largest enjoyed by either team during the game. However, the Cards kept on fighting to tie the score at 17-all, then took the lead on a free throw. Just before the half ended, Dandurand scored a field goal to put the Tigers in the lead 19-18 at half time.

When play was resumed, Redwood and Black came back strong and led by Doug Dandurand, who sank 5 field goals in this period, they piled up a 29-21 lead.

# Side Lines

By Willy Ho

Coach Whitey Thoreson's Orange and Black cagers have now shown that they must be reckoned with when it comes district tournament time. This thought is based on the work the boys have done in their three home games since a week ago Tuesday. In beating Minneota, they did not impress the fans too much, except that they won from a team that had previously defeated them. But in the Redwood game, the Tigers gave the fans all they could ask for when they won by a single point from a team doped to lick them. It was in this game that Marshall showed to its best advantage and displayed plenty of the old fight that will bring them victory more often than defeat. In the Clarkfield game, they were a little slow in starting, but when they got rolling in the third quarter they could not be denied victory.

Fans are enjoying the games because no one knows who will be "hot" for any particular game, and this helps keep the spectators on edge. The boys seem to have the habit of dividing the scoring honors. Against Redwood it was Don Nelson who was high point man, and in the Clarkfield game, Dandurand won the honors. The other three starters also have been chalking up points. Stanke and Paulsen have connected for several long ones in the last two games that have brought the fans to their feet. Green is also getting his share of points—and with a team that has scoring punch in every position it is hard for opponents to set up a defense to stop them.

# Tracy-Tiger Game Friday Expected To Pack Gym

The Tracy Scrappers come to Marshall this Friday, Feb. 9 for a game that is expected to bring the largest crowd of the season to the Marshall auditorium. In their first meeting the Scrappers defeated the Tigers in an overtime 33 to 34. The Marshall game will give a definite indication of what to expect

at tournament time. If Tracy wins this one, they will be rated the No. 1 team in the district, for the only game they have lost is to Redwood on the Tracy floor. Marshall fans who watched the thriller between Marshall and Redwood may not be disappointed in expecting the same kind of a game this Friday. The buildup is there.

## Coming Tourneys Spur Cage Interest

With the tournament only a matter of three weeks off, interest in basketball is running high.

Will the Marshall team be able to retain the district championship, or will they be displaced by one of the other district teams? For example, Tracy, Lynd, Hendricks, Canby, Ivanhoe, and Cottonwood all come up with excellent records.

The game between Marshall and Tracy will draw a record crowd this Friday night and the outcome may give an indication of what to expect from the district.

The sub-district opens at Marshall on Wednesday, Feb. 28, running through three days. From this sub-district, the finals in both brackets

# SPORTS

## Tigers lose By One Point At Pipestone

In two low scoring games, both the Marshall Tigers and the Cubs lost by one-point margins at Pipestone last Friday night. The Tigers were defeated 23-22 and the Cubs 17-16.

Marshall was behind at the quarter mark 5-4, Paulsen and Dardurand getting a basket apiece while the Arrows scored a field goal and three free throws.

Pipestone clung to its one-point lead in the second period and was ahead at half-time 13-12. In this period, Nelson scored 5 points on two baskets and a free throw, Dandurand a basket, and Paradis a free throw. Pipestone chalked up 4 field goals.

The third quarter found the Tigers being held to one field goal by Stanke and two free throws by Nelson and one by Paradis. One basket was all Pipestone could do, but the Arrows made good five free throws to lead 20-17.

The final period saw the Tigers getting 5 points to the Arrows' 3. Dandurand and Paradis counted from the floor and Nelson from the free throw line, while Pipestone was held to one field goal and one gift.

Nelson was high point man of the game with 8. Dandurand of the Tigers and Sturdevant of Pipestone were next with 6 points.

In the preliminary, the Cubs lost their first game of the season, 17-16. The Cubs led at the quarter 5-1 and were ahead at the half 10-5. But Pipestone rallied and tied the count at 14-14, and in the last period chalked up 3 points while the best the Cubs could do was to add 2. Hemmingsen was high man of the game with 8 points, and Koopman of the winners was next with 7.

Tracy plays here this Friday evening. That is about all that need be said in as far as getting a crowd out for the game is concerned. However, the game itself should be a real battle between these two keen rivals. Coach Whitey Thoreson's cagers will be out trying to even the count for the season as the Tigers lost a 33-32 overtime game on the Tracy floor earlier in the year. In meeting Tracy, the Orange and Black will go up against a team that has been defeated only once, and that by Redwood Falls by 2 points. The Scrappers are one of the favorites to cop the district title here later in the season. It is expected Coach Thoreson will stick by his starting lineup of the past few games. In the last three home games, the Tigers have come through on the long end of the count. They received a one-point defeat at Pipestone last Friday, but are confident that they will break back into the win column again on Friday. On Tuesday night of next week, they journey to Clarkfield, where another ding dong battle can be expected.

# School Head Sees Danger In Diverting Income Fund

Supt. Paul S. Wilson of the Marshall Public Schools spoke before the Civic and Commerce Association this week on two matters affecting the schools now before the Minnesota Legislature. One was the proposal to divert \$12,000,000 from the surplus in the income tax fund to the university and teachers colleges; the other was the interim education committee's bill providing for charges in methods of paying state aids. His discussion on the former proposal follows herewith; that on the latter will be published next week.

The governor in his message to the Legislature set up three points with reference to education worthy of special note.

First, he expressed appreciation of the schools and noted the work they have done in preparing youth for adaptation to the war program. He pointed out that the success we have experienced toward the winning of the war stems from the splendid contribution of the schools.

The second point was his insistence that the income tax be neither suspended nor reduced. He asked that the money collected, above normal needs, serve as a buffer to cushion the demands at the time when earnings and incomes will have experienced a set-back.

The third consideration was the recommendation that \$12,000,000 be diverted from the surplus in the income tax fund and used to pay part of the costs of the university and of teachers colleges.

(Continued on Page Three)

## SCHOOL HEAD

(Continued from Page One)

There is an insistent demand by a vocal minority that the income tax be annulled or, at least, that the rates be reduced. They contend that they speak for a "vast majority" in this appeal. Their contention is factually unsound. "The vast majority" do not even pay toward the state income tax in Minnesota. Reports of the Department of Taxation show that where one individual pays a state income tax, 14 do not. In Lyon County the ratio is approximately one paying where 17 do not.

There were 201,625 individual income tax payers for the year ending June 30, 1943. Of these, 49,433, or 24.5 per cent paid less than \$5. They paid 1.1 per cent of the tax assessed, an even 50 per cent paid less than \$12.50 and their payments amounted to 4.7 per cent of the tax assessed.

91.2 per cent paid less than \$100.00 and the cumulative percent of the tax assessed amounted to 28.5 per cent. There is little evidence here to support the contention that the "vast majority" are crying for tax relief.

The demand may originate with the 8.8 per cent who pay 71.5 per cent of the total tax assessed. In this latter group, 1,693 individuals, or .8 per cent pay 33 per cent of the total tax assessed. Relief for these taxpayers would mean an increase for the vast majority who would have to assume the shifted load on their property, an increase of 12 to 13 mills.

The governor's opposition to reduction is sound.

The university and teachers colleges normally receive their appropriations from the general revenue fund. The recommendation that they now be given a share of the income tax fund would eventually work a hardship on the schools. In Marshall we receive approximately 36 per cent of the income which supports the public school from the state in the form of state aids. These state aids are paid largely from the income tax fund.

For a number of years the Marshall district, in common with all of the other school districts of the state, was receiving state aid paid on a percentage basis less than the

amount set forth in the state aid laws. This prorating of state aids has taken place for several years because of the failure of successive legislatures to pay state aids in full. Where the state aids were not paid in accordance with legislative provisions it was, of course, necessary to levy local taxes to make up the deficiency.

During the past few years a surplus has been built up in the state income tax fund, during a period aids to the schools could have been paid in full. The prior claim of the public schools to this money should not be set aside in the interest of the institutions of higher education. The needs of the public schools have not been satisfactorily met. They could share in the "pay as you go" plan by having the aids payments brought up to date. The need of a surplus to cushion the probable lower receipts in the future is especially important to the public schools.

Data from the Minnesota Department of Taxation show that in Lyon County for the year 1943, a total of \$135,944 was paid in the form of individual and corporation income taxes. Out of the income tax fund that year the schools of this county received aid in the amount of \$144,687. This represents to this county a gain of \$8,743. The Marshall school district received from the 1943 income tax a total of \$9,880. If through reducing the income tax or diverting the funds to other uses this income were taken away, it would mean an increase of seven mills in the tax rate to replace the money lost.

A progressive income tax is admittedly one of the fairest types of taxes, since the payment comes from the net income and is made by those most able to pay. Such a tax is used by practically every state in the nation. From the point of view of the schools of the state and vast majority of taxpayers, it would be exceedingly unwise to reduce the income taxes or divert the money received from the income

# Educators Coming Here For Institute To Present Plays

One of a series of five regional institutes in the state on audio-visual aids to instruction will be held in Marshall Saturday of this week at the high school auditorium.

The institute will be conducted by the Department of Visual Instruction and the Visual Education Service of the University of Minnesota.

Supt. Paul S. Wilson of Marshall said today that invitations for the institute have been sent to 80 schools in this region. Each is expected to send at least one representative, and along with school superintendents and principals, and representatives of school boards and parent-teacher groups, the attendance here may run to 200.

Similar meetings have been held at Owatonna, Duluth, Crookston, and Alexandria.

The Bureau of Audio-Visual Instruction at the University of Minnesota maintains a rental film library of about 1,200 sound and silent reels for use by schools, covering such subjects as art, astronomy, biology, entertainment, geography literature, science and sport.

Topics to be discussed in the institute at Marshall Saturday, which will run from 9.30 a. m. to 4.30 p. m., include "The Place of Audio-Visual Aids in the Classroom," "Audio-Visual Aids and the Psychology of Learning," "Military Use of Training Aids," "Types of Visual Aids," "How to Start and Operate an Audio-Visual Aids Program," and "A Demonstration of the Utilization of Sound Film."

The faculty for the institute includes G. Lester Anderson, director University High School, University of Minnesota; W. A. Andrews, director graded, elementary and secondary schools, state department of Education; A. R. Holst, head of the Center for Continuation Study at the university; J. S. Lombard, director concerts and lectures at the university; J. M. Nolte, director of university extension; G. W. Remington, field adviser, Community Service Bureau at the university; Donovan Johnson of University High School; Harold C. Bauer, superintendent of schools at Winona; Paul R. Wendt, director Visual education at the university.

The Senior High Drama Club will present three one-act plays on Friday, March 16, with all three under the direction of Miss Ursula Costello.

The varied program of comedy and drama will provide an evening of enjoyment for everyone. Period costumes, the old fashioned country setting and the lovable and amusing characters makes the first of the three, Goldsmith's "She Stoops to Conquer," a highly delightful play. The original eight scenes have been reduced to three fast-moving ones, in which nothing of the flavor of the English dramatist's rollicking humor has been sacrificed.

"Darkness," the serious play of the group, has a tremendously stirring quality about it, and from the brief incident in the lives of three people the audience learns with the characters that a spirit of revenge is far blacker than the darkness of eyes that cannot see.

"Swept Clean Off Her Feet," is a modern farce-comedy in which a hilarious situation and ridiculous by-play furnish lots of laughs.

# Hendricks Quint Plays Marshall Here Friday

Hendricks pays it return visit to Marshall this Friday with the best team in several years.

Hendricks figures to be one of the teams to beat in District No. 9. Earlier in the year they won 40 to 32 over the Tigers on the Hendricks floor and since then, they have won from Canby twice, a team that is supposed to be exceptionally good this year. They have dropped

games to Lynd and Ivanhoe by close margins.

This Hendricks game should be just as exciting and tense as the encounter with Tracy Friday. Hendricks has one boy they are depending upon for their scoring punch, but the whole team can shoot when hot.

Fans should not miss this game for another exciting contest.

# Side Lines

By Willy Ho

On Friday evening of this week, Coach Whitey Thoreson's Orange and Black cagers will try to even the count with the Hendricks quint. In a game played earlier at Hendricks, the Tigers went down to defeat 40-32. It will be interesting to see if the locals can win this game and keep their record clean in winning games from teams that have scored victories over them away from home. Up to date, they have avenged defeats handed them at Minneota, Redwood Falls, and Tracy. In meeting Hendricks, the Tigers are going up against a team that will have to be reckoned with in the district meet. They have in Willis one of the best, if not the best, individual players in the district. In the game at Hendricks, he scored 11 field goals and a free throw. It is expected that Coach Thoreson will stick by the starting lineup that he has used in the past few weeks. This is the next to the last home game of the regular season—so be on hand to cheer the Tigers on to victory.

The Tiger-Scrapper game last Friday night was a thriller, and if by chance these two teams should meet in the district tournament a record-breaking crowd can be looked for. Marshall started the game with a burst of scoring in the first quarter, only to have Tracy come back in the second period to narrow the margin at half-time to 25-23. Tracy tied the count at 26-26 in the third quarter, the Tigers went into the lead and held on to it until the Scrapers tied it at 41-41. Then a basket by Stanke, with only second left to play looked like the winning goal, but Ford tied it up again just before the whistle sounded. It was Stanke's "sleeper" basket in the overtime that finally won a deserved victory for the Tigers.

In the third quarter, Gordy Green scored three field goals and a free throw for the Tigers, and Henry and Nelson also scored from the floor to bring the Marshall total up to 36. Tracy's 8 points in this quarter were made on baskets by Ford, Peterson and Zimmerman and gift shots by Ford and Lang. Marshall led 36-31 at the end of the period.

The fourth quarter opened with Lang tossing in a basket for Tracy. Green made good a free throw, and then a field marker by Peterson put the Scrapers only 2 points behind, 37-35. Each team added a free throw to its total when Green sank one for the Tigers and Lang for the Scrapers. A basket by Stanke increased the Tigers' lead to 4 points, but Tracy came right back with a gift by Ford and a basket by Peterson to cut the Tiger lead to one point 40-39. A free throw by Paulsen put the local 2 points ahead again but then a goal by Zimmerman tied up at 41-41. When Stanke caged one for the Tigers in the last minute of play it looked like the game, but a basket by Ford just before the gun went off tied up the score at 43-43 and sent the game into overtime.

In the three-minute extra period the only counter made was a field goal by Stanke. At the start of the

# Tigers Beat Tracy Team In An Over-time Thriller

Before a crowd that packed the high school gym here to near-capacity, the Marshall Tigers and the Tracy Scrapers played an overtime game Friday evening before the Tigers came out victors by the score of 45-43.

The Orange and Black cagers got off to a fast start in the opening quarters. Stanke opened the scoring by caging a long one. Then a free throw by Ford of Tracy and a basket by Peterson put the Scrapers in the lead 3-2. That was the only time during the entire game that Tracy held the lead. A field goal by Nelson put the Tigers back in the lead and they then ran the count up to 14-3 in short order when Nelson caged two more, Paulsen got two and Stanke one. Then two free throws by Lang and one by Zimmerman put Tracy up to 6 points. Another basket by Stanke, a free throw by Paulsen, and two gifts by Zimmerman ended the scoring in the opening quarter, with the Tigers on top 17-8.

The second period found the Scrapers coming back strong and outscoring the Tigers 15-8. Nelson opened the scoring in this period with a free throw. Tracy then added 5 points on field goals by Hatch and Ford and a free throw by Peterson, before Dandurand sank a basket for the Tigers to make the count 20-13. Lang counted from the court for Tracy, and Nelson and Paulsen followed with field goals for the Tigers. Ford and Paulsen got free throws, but before the half ended Ford dropped in two field goals, and a free throw and a basket by Hatch made the score read Marshall 25, Tracy 23 at intermission.

In the third quarter, Gordy Green scored three field goals and a free throw for the Tigers, and Henry and Nelson also scored from the floor to bring the Marshall total up to 36. Tracy's 8 points in this quarter were made on baskets by Ford, Peterson and Zimmerman and gift shots by Ford and Lang. Marshall led 36-31 at the end of the period.

The fourth quarter opened with Lang tossing in a basket for Tracy. Green made good a free throw, and then a field marker by Peterson put the Scrapers only 2 points behind, 37-35. Each team added a free throw to its total when Green sank one for the Tigers and Lang for the Scrapers. A basket by Stanke increased the Tigers' lead to 4 points, but Tracy came right back with a gift by Ford and a basket by Peterson to cut the Tiger lead to one point 40-39. A free throw by Paulsen put the local 2 points ahead again but then a goal by Zimmerman tied up at 41-41. When Stanke caged one for the Tigers in the last minute of play it looked like the game, but a basket by Ford just before the gun went off tied up the score at 43-43 and sent the game into overtime.

In the three-minute extra period the only counter made was a field goal by Stanke. At the start of the

extra period, the Tigers gained control of the ball and passed it back and forth until finally Stanke worked in under the basket for a "sleeper" shot.

In this period Paulsen was injured and had to be removed from the game. He and Zimmerman collided and he received a hard bump on his head. It was feared at first that his injury might be of serious nature but his many friends were glad to see Jimmy around Saturday.

Ford of Tracy was high point man of the game with 15. He scored 5 field goals and 5 free throws. Stanke was next high with 12 points on 6 baskets. He was closely followed by Nelson with 11 points.

In the preliminary game the Marshall Cubs returned to their winning ways by defeating the Tracy B team easily, 32-15. Bot was high man in this game with 9 points.

## Stanke Paces Tiger In Loss To Cards

The Marshall Tigers lost 44-37 at Clarkfield Tuesday night, the Cards evening the count between the two schools, as in an earlier game the Tigers had won 39-28.

The Orange and Black cagers trailed Clarkfield throughout the game, which was rather rough as 35 fouls were called, 20 of them on the Tigers. Both Green and Stanke went out of the game on personals before it was over.

The Cards led 12-10 at the end of the first quarter and were ahead 23-19 at the half intermission. In the third period, they outscored the Tigers 9-7 to make it 32-26. In the final quarter, Clarkfield counted 12 points to the Tigers' 11.

One pleasing feature in spite of the defeat was that Stanke again had his range on the basket and before he left the game in the past period on fouls he had caged 8 field goals and a free throw for a total of 19 points. This total made him high man for the game. Nelson followed with 8 points.

For the Cards, Kjos was high with 17 points, followed by Anderson and Halvorson with 10 apiece.

In the preliminary, the Cubs won again over the Clarkfield B by a score of 30-12. Bot was high man of this game with 8 points. Next in line were Hammel of the Cubs and Morris of Clarkfield with 7 each.

# No. 1 District Meet At Hand; Title Tournery Pairings Made

Pairings for the basketball tournaments to be played in the Marshall gym during the coming two weeks were announced yesterday.

The No. 1 tournament of District 9 will open next Wednesday and continue through Friday night, while the District 9 championship tourney opens on March 7 and winds up March 10.

The two co-champions of the No. 1 tournament go into the championship tourney. Marshall and Tracy were seeded in, and Canby, Ivanhoe, Hendricks and Lynd went in on their season records.

In the upper bracket of the No. 1 event, Wood Lake and Milroy drew byes. Russell faces Minneota, while Balaton has a bye. This puts Wood Lake and Milroy together in the semi-finals, with the Russell-Minne-

## Marshall Wins Over Hendricks

The Marshall Tigers evened the count with Hendricks last Friday by defeating the Midgets 46-29. Earlier in the season, Marshall dropped a 40-32 decision to the same team.

The first half was fast and fairly close. In the second half, Hendricks seemed to have tired, and after the Tiger first string had piled up a comfortable lead, Coach Thoreson started substituting and in all used 12 men.

Willis, leading scorer for the Midgets, was high point man of the game with 13. Stanke led the Tigers with 10 points.

The game started with Morseth of Hendricks getting the first basket, but Paulsen soon tied it up and Nelson followed with a goal to put the Tigers in the lead. From this point on Marshall was never in any great danger of being overtaken.

The Tigers led 16-8 at the end of the first quarter and were ahead 20-14 at the half. In the third period they outscored Hendricks 11 points to 2, and in the final stanza the Tiger substitutes outscored the Midgets 15-13.

In the preliminary game, the Marshall Cubs and Hendricks B teams staged a close contest through three periods, with the score standing 15-15. In the final quarter, the Cubs scored 8 points to their opponents' 3 to win 23-18.

ota winner meeting Balaton in the second round.

In the lower No. 1 bracket, Ruth-ton will encounter Lake Benton in the opening round, the winner to face Tyler in the semi-finals. Cottonwood and Verdi are paired, with the one coming through to meet Hanley Falls in the second round. Tyler and Hanley drew the opening round byes.

In the championship tourney, the Wednesday night program will find Lynd playing Marshall and Canby meeting Co-Champ No. 2.

The other half of the first round, to be played Thursday night, March 8, finds Hendricks paired with Tracy and Ivanhoe with Co-Champ No. 1. Semi-finals in the second tournament will be played Friday night and the finals Saturday night.

## Training School Survey Discussed

An interesting meeting of the Marshall Community Coordinating Council was held in the Little Theatre on Monday evening with several matters of current interest under discussion.

Mrs. Georgiana Darling, executive secretary of the Lyon County Welfare Board, reported on the results of a study by the State Training School at Red Wing which brought to light some very significant conclusions. In order to properly evaluate their program, they made a follow-up study of 267 boys first admitted to their institution from July, 1939, to June 30, 1940. This period was chosen because it was recent enough to embrace the present world situation and remote enough to have permitted the factors affecting the success or failure of parole and thereafter to show up.

Three of the original 267 boys are now deceased, two have given their lives in the service of their country, one at sea in the Merchant Marine and the other dying in a Japanese prison camp. Three have been admitted to non-correctional institutions, two are in the school for the feeble-minded, and the third is in a mental hospital.

This study reveals that up to the present, 83 per cent of these 267 boys adjusted under the training and supervision of the schools while 17 per cent failed to adjust and went on to penal institutions. 134 of these boys came from areas other than the Twin Cities and Duluth. It was found that 100 of these latter or 75 per cent have succeeded in not being returned at any time to the Training School or being committed to any penal institution. 19 boys or 14 per cent returned to the school for cause, but were not committed to any penal institution and 15 or 11 per cent have been committed to a penal institution since their first release from the school. Mrs. Darling especially called attention to the fact that in this group, 83, or 65 per cent were below average in intelligence and 15, or 12 per cent were above the average. 36 boys, or 28 per cent, were classified as mentally defective.

Stealing or attempted stealing other than car theft was cause for commitment of 79, or 59 per cent, of this group of boys; while 15, or 11 per cent, were committed for car theft, 28, or 21 per cent, for incorrigibility; 5, or 4 per cent, for sex irregularities and 7, 5 per cent, for all other types.

Tests given showed that these boys, who measure up unusually well in mechanical ability, scored better on mechanical tests than adults of like number. For that reason, plans are under way to enlarge the industrial training program. Training in farm and garden work, since Minnesota is fundamentally an agricultural state, for boys who did not show a mechanical aptitude is programmed. Younger boys who were maladjusted to their regular school programs, becoming retarded, and then sent to the training school present a problem for remedial measures so that they may eventually return to their own school classes in their own age group.

Mrs. Darling stated that the study (Continued on Page Six)

## First Cage Meet to Begin Wednesday

Marshall High School will play host to the No. 1 basketball tournament of District 9 next week, starting Wednesday, Feb. 28, and continuing through Friday.

The District 9 championship tourney will be held here one week later. Three games will be played the first night of the No. 1 meet—Russell vs Minnesota at 7.20, Ruthton vs Lake Benton at 8.20, and Cottonwood vs Verdi at 9.30.

The other teams in the tourney, all of which drew first-round byes, are Wood Lake, Milroy, Balaton, Tyler, and Hanley Falls.

Officials will be L. R. Eddy of Granite Falls and M. J. Glesne of Marshall.

Co-champions of the No. 1 event will be entered in the district tournament March 7, 8, 9, and 10.

Regular tournament practice will prevail in the Marshall gym. There will be sections assigned to each team.

The Marshall High band will entertain, and each town will have its rooster section with its cheer leaders.

## Wilson Explains Plan to Revamp State School Aids

This is the second option of a discussion of pending legislation affecting the public schools made by Supt. Paul S. Wilson recently before the Marshall Civic and Commerce Association.

The present system of distribution of state aids to the public schools has been under discussion and has been the object of criticism for many years. At the present time Marshall receives approximately 36 per cent of the income to support the public school from the State Aid system.

The plan for the payment of state aids originated with the Constitution of the State and with the enactment of the first State Aid Law in 1857. Since that time additions and revisions have been made resulting in an extremely complicated system involving 37 different kinds of aid to the public schools.

The 1939 Legislature established an interim committee on education comprised of five members each from the House and Senate to study school problems. Since 1941 this committee, of which Senator Almen of Balaton is the chairman, has been working on a plan for a reorganization of the aid system.

A bill was introduced in the 1943 Legislature representing the work

of the committee. The action taken was to continue the work of the committee with the instructions that the committee confer with interested groups, including rural districts, urban schools and all state and local civic organizations, to determine the most equitable procedure which might be followed. The resulting bill is of necessity a compromise between the interests of the three large cities; the interests of the small towns and villages, and the rural areas.

During the whole discussion the purpose has been to provide for every child in Minnesota equal educational opportunities, and for every school district of the state an equitable share in the cost of providing instruction in grades one through 12.

The bill introduced in the Senate by Mr. Almen and Mr. Wahlstrand provides for school funds from both local and state sources. There would be a 10 mill levy on all property in the state. The income would be placed in a county equalization fund. Any district would be permitted, but not required, to levy more than 10 mills against its property. This county school equalization fund would be supplemented by a single major state aid apportioned to the county and to the schools of the

(Continued on Page Six)

## Deficiency School Aid Is Proposed

Plans for the distribution of \$2,500,000 in special deficiency school aid this year to help ease the financial difficulties under which many schools here and in other counties are struggling as a result of wartime economic changes were presented to the Minnesota Legislature this past week by Senators J. V. Weber, Henry H. Sullivan and Wendell L. Ledin.

Aid granted under the bill would amount to \$30,482 for Lyon county.

The aid would be paid out on the basis of \$10 per pupil in average daily attendance to ungraded elementary schools that levied 10 mills or more in taxes for maintenance in 1943, and to districts maintaining graded elementary and high schools that levied 30 or more mills in 1943. The deficiency would be in addition to all the other aids to which the district is entitled, and the money could be used only for maintenance.

"Many school districts have encountered serious financial difficulties," Senator Weber explained. "Salaries of teachers and other expenses of the schools have increased tremendously and, due to many pupils going into service and other displacements of population because of the war, the number of pupils in attendance has been greatly reduced in many schools. This has cut down materially and will continue to hold down the amount of state aid that will be received under the present laws. We feel it is only fair under the circumstances that the state give the school districts with substantial maintenance costs some additional aid to help make up the additional cost and the loss of the state aid so that they will have somewhat near their normal support."

The bill authorizes a \$10 distribution for some 246,000 pupils. It is estimated, based on attendance in the year ending June 30, 1944, that money for the distribution would be taken out of the income tax school fund.

## Four Games Tonight, Finals Friday Night

### PAST NIGHT'S SCORES

Minnesota 50, Russell 22.  
Lake Benton 29, Ruthton 8.  
Cottonwood 41, Verdi 18.

With four games on the evening's program, the No. 1 basketball tournament of District 9 is at its height tonight in fullness of program.

But the climax of the tourney will come Friday night when four teams battle it out for the right to enter the district championship tournament here next week.

Teams in the semi-finals tonight are Wood Lake and Milroy, which opened the evening in a game at 6 o'clock; Minnesota and Balaton; Lake Benton and Tyler; and Cottonwood and Hanley Falls.

The four winners of tonight's events play Friday night, and the two winners then will be back next week to contest for the district title.

Wood Lake, Milroy, Balaton, Tyler, and Hanley Falls had byes in the first round. Russell played Minnesota last night as the tourney opened, Ruthton met Lake Benton, and Cottonwood faced Verdi.

L. R. Eddy of Granite Falls and I. G. Glesne of Marshall are refereeing the No. 1 tourney. The tournament committee is P. A. Egge, Canby; H. E. Frisby, Ivanhoe; and W. B. Oskey, Verdi.

The Marshall High School Band is supplying entertainment during the intermissions.

## High School Again the First to Give

As it did in 1944, the Marshall High School student body has again beaten the gun on the Red Cross War Fund drive in this city.

Mrs. Theo. Thomas, local drive chairman, reported yesterday that she has once more headed the list, "Marshall Student Body—\$75, Miss Adeline Brobeck, solicitor."

Local students know full well, it was pointed out, that M. H. S. boys all over the world will reap much in terms of comfort, friendliness, contacts with home, freedom from worry for loved ones, and other benefits from these donations. Several instances were recalled this week where Marshall graduates have experienced such benefits.

Andrew Weingartner, class of '41, was quoted in a news story last week on how the Red Cross made his Christmas more than just another day out there on a lonely isle in the Dutch East Indies.

Robert Kugler, a member of the same class, cannot find words enough to express his gratitude to the Red Cross for a loan of money

## Tourney Pairings

Thursday Night

Wood Lake vs. Milroy, 6 p. m.  
Minnesota vs. Balaton, 7.10.  
Lake Benton vs. Tyler, 8.20.  
Cottonwood vs. Hanley Falls, 9.30.

Friday Night

Wood Lake-Milroy winner vs. Minnesota-Balaton winner, 7.30.  
Lake Benton-Tyler winner vs. Cottonwood-Hanley Falls winner, 8.40 p. m.

## District 9 Tournament

Wednesday

Lynd vs. Marshall, 8 p. m.  
Canby vs. Co-Champ 2, 9.10 p. m.

Thursday

Consolation game, 7 p. m.  
Hendricks vs. Tracy, 8.10.  
Ivanhoe vs. Co-Champ 1, 9.20.

SEMI-FINALS

Friday

Consolation game, 7 p. m.  
Semi-finals, 8.10 and 9.20.

FINALS

Saturday

Consolation championship, 7 p. m.  
Third place game, 8.10.  
Championship game, 9.20.

Consolation game, 7 p. m.  
Semi-finals, 8.10 and 9.20.

Consolation championship, 7 p. m.  
Third place game, 8.10.  
Championship game, 9.20.

## Drama Club Casts For 3 Plays Named

Modern comedy, comedy of the 18th century in England, and drama of a pathetic nature will characterize the program to be presented by the Senior High Drama Club on March 16 in the high school auditorium here. Casts for the three plays were announced today.

The cast for "She Stoops to Conquer" is working on the artistic interpretation of the lovable characters created by one of the finest of playwrights, Oliver Goldsmith. It is as follows: Sir Charles Marlowe, Richard Endres; Young Marlowe, Dennis Blake; Hastings, Robert Seifert; Harcastle, Orval Bies; Kate, Hardcastle, Norma Gilbertson; Tony, Lumpkin, Tpm Ryan; Diggary, Donald Juhl; Mrs. Harcastle, Peg O'Connell; Constance Neville, Phyllis Kugler.

The action of "Darkness" takes place in a waiting room of a police station. Its startling story of the spirit of revenge is artfully told by the three characters of the cast: Joe Tiry, Robert Seifert, Kit Tiry, Arlyne Knigge; and Paul Curtis, Dan Galle.

Unusually clever and hilarious situations make "Swept Clean Off Her Feet" a fine example of modern farce-comedy. The plot concerns two young men who try selling a vacuum sweeper at the hope of the "best looking girl in town" just to get acquainted with her. The cast includes: Donna Johnson, as Ruthie; Kathryn Rogne, as Doris; Marguerite Maenhout, as Gwendolyn; Dennis Blake, as Jo; Tom Ryan, as Mac; and Lawrence Ice, as Mr. Holiday.

Musical numbers between plays will be directed by Robert Nelson.

## District Opens Mar. 7, Looms As Close Fight

With the District 9 championship tournament starting next Wednesday, and with 12 teams here this week fighting for two places in that tourney, basketball fervor is rapidly mounting to its customary March pitch.

Six teams that will play in the title tourney here next week are already known—Lynd, Marshall, Canby, Hendricks, Tracy, and Ivanhoe. The other two will be decided here Friday night in the finals of the No. 1 meet.

As the second tournament opens next week, Lynd will face Marshall in the first game, at 8 p. m. Wednesday. Canby's foe for that night is still to be decided. In the other first round games, Hendricks will meet Tracy on Thursday night at 8:10, and Ivanhoe competes with an opponent also still to be named.

There are dopesters aplenty on the title tourney, but their forecasts

can easily be upset, for the tournament teams this year are all good teams, and they've seen a season with probably more close scores than in many a year.

Any one of the six teams already named have possibilities of going the way. In district play they have lost from two to three games each. Lynd, Tracy, Hendricks and Ivanhoe all have veteran outfits, teams that have had plenty of tournament experience.

Ivanhoe gave Marshall a run for their money at the semi-final last year, Marshall eeking out a win in a display of basketball in the first half that is seldom equalled. It points they gathered then were enough to stab off an Ivanhoe rally later.

Lynd is a good team with Hendricks close behind. Tracy has all-veteran quint, one that is determined to go the full distance.

# Cage Tournaments Bring Seven Nights of Games in 11 Days

● Tournament time is here—with seven nights of basketball in 11 days.

The No. 1 tourney of District 9 continues through tonight and Friday, and next week comes the title tournament, opening Wednesday and continuing through Saturday.

This week's event, in finals Friday night, will determine two more teams to be added to the six already named for the district championship meet. Starting with last night's program, 12 teams in all are competing for these two places.

Regular tournament conditions are prevailing for the tourney now underway here, with the exception that the band is not marching, but presenting its program from the stage.

Tournament Manager Merrill W. Olson has again made all arrangements with the greatest convenience of fans in mind.

For each tournament, fans should

## SOUVENIR PROGRAM READY FOR TOURNEY

Marshall High School will sponsor the programs that will be used in the district basketball tournament. They will sell for 10 cents each. The programs are of souvenir type and may be used during the entire tournament. Each program will carry the names of the boys, pictures of the team and season record.

go to the door over which is posted the name of their town. The inside of the auditorium will be blocked off according to the names posted on the outside doors, and fans from the various towns may gather in these sections to root for their team. Tickets will be sold in the lower

be stationed in the bleachers to help find the best seats available. Programs will also be available.

The scoreboard at the lower end of the hall will keep spectators informed as to score and time. Both are official, as both are operated from the scorer's bench. The loud-speaking system will announce the names of all substitutes and their numbers.

All fans are asked to retain their programs, for by retaining them they will help in the paper shortage.

Admission for both tournaments, said Mr. Olson, will be students 30 cents, and adults 60 cents. No reduction of admission will be made at any time, and admission will be charged through the final game. coats in checkrooms at either end of the hall.

Entry to the auditorium will be made from upstairs, and girls will hall at either end, and all fans will have the opportunity to check their

MARSHALL MESSENGER, MARSHALL, MINNESOTA

The Marshall Tigers (top) will face the Canby Lancers Friday night in the Ninth District cage tournament here, with the winner going into the finals Saturday night.

# Tourney Fervor Mounts Rapidly As Teams Stage Tight Title Race

● The Ninth District basketball tournament continues in the high school auditorium here tonight after a colorful opening evening Wednesday.

It continues, in fact, through Friday night and Saturday night, and if last night's opening games were any indication, which they were, cage fervor is going to reach and perhaps exceed its traditional height by the time the starting whistle blows for the championship battle.

Tonight, it's Lynd vs. Cottonwood, Hendricks vs. Tracy, and Ivanhoe vs. Minnesota.

Friday night it will be Marshall vs. Canby, and the winners of the last two games above, in semi-finals, with the losers of those games in the consolation—you guess it!

Saturday night, it will be the game for the consolation title, the game for third place, and the game for the district championship. Any one of the six present survivors in the race might go through.

Last night's games were close all the way, and the chances are strong the rest will prove likewise, giving the fans ample thrills to repay for badly shattered nerves.

The crowd that saw Marshall edge out Lynd, and Canby pull ahead of Cottonwood, filled the auditorium to near-capacity. And it had all the customary color that makes these tournaments so interesting—whirling cheerleaders, hearty and effective rooting, music and maneuvers by the band, and "give-your-all" playing on the floor.

Arrangements for handling the crowds are at their usual high standards, with the best facilities possible set up for ticket selling, checking coats, directing fans to their proper sections, and locating the best seats.

For the first time here, a souvenir program is a feature of this year's tourney. The programs contain all the names, numbers, records, and pictures of each squad taking part.

## Tourney Tips

The best, most cooperative crowd, in addition to the largest, attended the opening game of the Ninth District Tournament Wednesday night. It made every effort to help by making as much room as possible—making room for people coming from out of town to see the tournament.

For fans attending games the balance of the week, the following suggestions are made:

1. Doors are now open at 6:15.
  2. If coats are checked, fans will not have to hold them and in this way they will help provide more room.
  3. All entrance to the auditorium is to be made from the second floor.
  4. Do not rush out on leaving the building.
- The programs were printed by the Marshall students and any profit will go to the Plaque Fund.

## HIGH SCHOOL BAND ENTERTAINS NIGHTLY

● The Marshall High School Band is again playing an important part in the district basketball tournament that opened here last night and continues through Saturday night.

Under the direction of Robert Nelson, the band is entertaining the fans twice each evening. It is appearing in uniform and performing on the floor, for the stage is occupied with bleachers for the district meet.

Last night during the intermission in the Lynd-Marshall game, the band opened with "The Star Spangled Banner," then went into

# Semi-Finals on Friday, Title Game Saturday

● Marshall and Canby went into Friday night's semi-finals in the District Nine basketball tournament here with respective victories last night over Lynd and Cottonwood.

The Tigers scored a 34-32 victory over the Lynd Panthers, while Canby defeated Cottonwood 28-24. Both games were tight ones throughout.

Semi-finalists in the other bracket will come out of the Hendricks-Tracy and the Ivanhoe-Minnesota games being played tonight.

Opening with two first round games last night, the tournament continues tonight, Friday and Saturday with three games each night. The opening game tonight is the first clash in the consolation round, and starts at 7 p. m., bringing together Lynd and Cottonwood.

In the second game tonight, Hendricks and Tracy meet and in the third game Ivanhoe plays Minnesota. Winners of these two games will face one another in the semi-finals Friday night.

Major Thom A. B. Ditton, an American who has fought under five flags in all corners of the world, will speak at the Marshall High School auditorium next Thursday, March 15, at 3 p. m., in the school's 18th lyceum number. The public is invited. On his last return to America from abroad, Major Ditton travelled with the Churchill party enroute to the Quebec conference, and had the opportunity to talk informally with Mr. Churchill.

an "L" formation to play "Minnesota." It next formed the letter "M" and played "Let's Win This Game," the Marshall school song. During the Canby-Cottonwood intermission, the "Hello March" was played first, and the band then counter-marched into a "C" formation for the Cottonwood song. Similar maneuvers will be presented each night of the tourney, giving fans continuous entertainment throughout the evening.

Friday night's program includes the second game of the consolation round and the two semi-final games.

Saturday night, the evening will open with the consolation championship game, followed by the game that determines the third place team in the tournament. Then comes the big event, the clash for the district title.

After the last game Saturday night, the four trophies will be presented and the all-district team announced.

The district committee this year is P. A. Egge of Canby, H. E. Frisby of Ivanhoe and W. B. Oskey of Verdi. Merrill W. Olson of Marshall is tournament manager.

Officials for the games are William Hargesheimer and Rollie Tust of Winona, who have done commendable work here several times before. Julian Waller and Frank Smith of Marshall are scorekeeper and timekeeper, respectively.

# Diana Olds Gives Plays Friday Night

● The Senior High Drama Club program in the high school auditorium this Friday night will include three one-act plays.

"She Stoops to Conquer," the first of these, is a costume play of 18th century England, the action of which is set in an old fashioned country home of Mr. Hardcastle (Orval Bies). Sir Charles Marlow (Richard Endres) and he are friends of long-standing and as such they have arranged to marry Hardcastle's daughter, Kate (Norma Gilbertson) to young Marlow (Dennis Blake). At the same time Mrs. Hardcastle (Peg O'Connell), with an eye on fortune, hopes to succeed in making a similar match for her spoiled son, Tony (Tom Ryan) and her charge, Constance Neville (Phyllis Kugler).

The plans meet with reversals, but with the help of George Hastings (Bob Seifert) and Diggary (Donald Juhl) the outcome is a happy one.

"Darkness," the drama of the group, drives a lesson into all who experience its surprise ending. Joe Teriy (Bob Seifert) harbors a revengeful spirit for months; all this time his sister, Kit (Arlene Knigge) and Paul Curtis (Dan Galle) have shielded him from a truth about a recent accident. Eventually it must be known, and it is.

"Swept Clean Off Her Feet" is a modern farce-comedy which concerns Joe (Dennis Blake) and Mark (Tom Ryan) who barge broadly into the home of Doris (Kathryn Rogne) pretending they are vacuum sweeper demonstrators. Joe has planned this way of meeting the girl of his dreams whom he has seen in passing the yard, but never met.

The boys hope their boss (Orval Bies) never hears of it, for he manufactures sweepers and the one they've borrowed is made by the boss's competitor. The fake salesman first bump into Doris's sister, Ruthie (Donna Johnson) and the "Little brat," Gwendolyn (Marguerite Maenhout). These are bad enough, but worse is to follow when the boys learn that the lovely Doris is the boss's daughter.

Musical numbers directed by Robert Nelson will be a part of the program. The program will begin at 8 p. m.

# Canby's Lancers Defeat Cottonwood

Canby's Scarlet Lancers last night defeated the Cottonwood Raiders 24-28 to win their way to the semi-finals against Marshall Friday night.

The game was tightly played all the way until the last few minutes, with the score tied at both the quarter and the half, and Cottonwood ahead by 1 point at the end of the third period.

With the count 26-22 in their favor, the Lancers, with about 2 minutes to play, went into a stall. A Raider was fouled after Cottonwood had recovered the ball and dropped in both free throws to narrow the Canby margin. The Lancers then returned to a stalling game and passed the ball steadily for a solid minute with the Raiders unable to break it up. Then only a couple of seconds before the final gun, the ball was tossed in to Canby's tall Mikkelsen who stood alone under the basket and dropped it in easily to clinch the game.

Mauland of Cottonwood was high scorer for both the evening's games, with a total of 14.

Canby 28	FG	FT	PF	TP
Rhea, J.	1	0	1	2

## Minimum Teacher Salary Is Asked

Provision for a minimum salary for teachers would be made under terms of a bill which has just been introduced in the Minnesota State Legislature by Senator A. L. Almen.

The bill sets up a scale of minimum for teachers employed full-time in day schools. For teachers who have had board of education standard training of less than two years the minimum would be \$1200 a year for a nine-month term. For teachers with standard training of two years and up to four years, the minimum would be \$1,500. For teachers with training of four or more years the minimum would be \$1800. The measure would become effective Sept. 1, 1946.

## Marshall Edges Out Panthers

The Marshall Tigers won their first start in tournament play last night by nosing out a fighting Lynd quint 34-32. The game was played before a crowd that filled the gym to near-capacity.

The final outcome of this see-saw battle was not decided until Jimmy Paulsen caged two quick baskets in the closing minutes to give the Tigers their margin.

The game started with Lynd taking a 6-0 lead, but before the first quarter ended the Tigers had rallied enough so that the Panthers were ahead by only a point, 10-9.

The first scoring in the second period was a basket by Doug Dandurand, to give the Tigers a lead in the ballgame for the first time. Before the quarter ended, the count was tied three times more and at intermission was knotted 17-17.

In the third quarter, Andries put the Panthers in the lead with a basket, and the rest of the period found the Tigers tying the score at 19 and 21, but Lynd managed to cling to a 26-25 lead as the period ended.

In the last quarter, Paulsen put Marshall ahead by one point with two free throws. Stanke followed with a gift shot, but a basket by Evans tied it again. Maloney counted on a free throw, and then a basket by Londgren put the Panthers back in the lead. Then Green tied it up again with a gift.

With about three minutes left to play, Evans sent the Panthers ahead

to the occasion and dropped in two quick ones from the floor. The Tigers then played a semi-stalling game the rest of the way.

Maloney and Evans were tied for scoring honors with 9 points apiece, followed by Paulsen, Dandurand, and Londgren, with 8 each.

## School Vacation Starts This Week

The Marshall Public Schools will recess this Friday for a full week of spring vacation prior to Easter. School will resume on Tuesday, April 3.

## PTA Spring Meeting Set For April 17

The Spring meeting of the Parent-Teacher Association has been scheduled for Tuesday evening, April 17. President William Osborne announces that A. B. Morris, head of the Department of History and Sociology at the Mankato Teachers' college has been obtained as the speaker. Mr. Morris is not a stranger to the community, having appeared several times during past years at group meetings and having given the commencement address in 1939. He is exceedingly popular as a speaker on current world affairs. At the coming P. T. A. session Mr. Morris will talk on Problems of Peace. All are cordially invited.

## Almen Asks Change In School Aid Plan

A change in the present law covering supplemental aid to schools was requested in a bill introduced in the Minnesota State Senate this past week by Senator A. L. Almen. The present law provides that where a tax levy of 30 mills does not produce the equivalent of \$60 for each pupil in average daily attendance in high schools, the state shall supplement local funds in amounts sufficient to give the schools these amounts. Senator Almen's bill would raise the limitations from \$60 to \$70 for elementary schools and from \$100 to \$120 for high schools.

## Cast For Senior Class Play Named

A collegiate thriller, a drama that provides laughs as well as terror, a vehicle of feminine fun, are mere attempts at a fair description of the senior class play, "Nine Girls." This Broadway character, now available to all dramatic groups, will be presented at the auditorium of the Marshall High School on Friday, April 27 at 8 o'clock.

A talented and enthusiastic cast will interpret the unusual story and portray the varied characters. Jane, the resourceful medical student, is played by Betty Jo Soucy; Freida, the intellectual parlor-pink, by Peggy O'Connell; Eve, a blue-blood and a debutante, by Phyllis Kugler; Alice, the sensitive plant, by Patricia Grandpre; Shotput, the athletic star, by Jean Vercoutere; Sharon, the Shakespearian actress, by Norma Gilbertson; Mary, the girl from the plebeian ranks, Arlynne Knigge. The new pledgers to the sorority are Shirley, played by Colleen Meade, and "Tennessee," by Janet Peterson. The part of Phyllis in the prologue is played by Rosalie Robson. They are nine girls,

gay, and seemingly harmless sorority girls who have assembled for an initiation in their clubhouse when murder strikes. There is no sinister butler upon whom to pin the crime. The culprit is one of the girlsome crowd.

The play moves at an accelerated pace, there is tenseness of plot, an atmosphere of mystery, and when not concerned with murder it is a brilliant, sparkling comedy. The newly designed setting, the special lighting and sound effects, shrewd horror drama.

The production staff consists of Bob Seifert, the stage manager, and members of the stage crew. Prompters are Bernetta Stassen and Lorraine Maenhout. The property committee is made up of Mary Dahlberg, Joyce Coequyt, and Gloria Martin, chairman. The make-up assistants are Betty Arfmann, Marian Hendrickson, Sylvia Ladwig, and Alice McDaniel. The play is under the direction of Miss Ursula Costello.

## Tigers to Play Spring Football Game Friday

The annual spring football game will be held at the Legion Field on Friday, April 13, starting at 7:30.

For three weeks the boys have been out getting fundamentals and earning plays. The squads are divided as evenly as possible for the game, with student coaches helping out. Regular game conditions will exist and full periods of football will be played. Losing as many lettermen as Marshall did it is necessary to carry on spring football to replace the holes made by graduation.

Coach Whiey Thoreson has the

squads divided as follows:  
White—Martin or Tack, end; Schwan, tackle; Hirmer, guard; Hammel, center; Weingartner, guard; Giernert, tackle; Bot or Tack, end; Kelly, quarter; Dandurand, Maloney, half; Gregoire, fullback.

Orange — Green, end; Snyder, tackle; Christianson or Seman, guard; Hickok, center; Caron or Seman, guard; H. Kerkvliet, tackle; Bladholm or Greenwood, end; Juba or Carrow, quarter; Hemmingsen, half; Bailey or Coequyt, half; Curtis, full.

Reserves—R. Kerkvliet, G. Neilson, B. Christianson, both sides.

## Senior Class Play Progressing Well

The cast and production staff are busy working out an effective interpretation of the senior class play, "Nine Girls," which will be presented at the high school auditorium on Friday, April 27, at 8 o'clock.

This is a new play and an extremely unusual one for several reasons. It is well-written, the plot is closely knit together, the atmosphere is tense and dramatic the characters young and appealing, and the lines uproariously funny. The talented cast has grasped the mood of the drama. They are a group of gay sorority members, effervescent as ice cream soda and seemingly as harmless. Into their young lives stalks terror and tragedy in the shape of a cruel, well-planned murder. The crisp dialogue and accelerating pace of scene one changes to a mood of doom in scene two. Contrast of atmosphere, personalities, color, and lighting throughout make the performance enjoyable to an audience and tax the ingenuity of players and stage crew. Dramatic irony is abundant.

Through the efforts of one of the industrial arts classes and an art class, a new set has been arranged for "Nine Girls." It is a warm, colorful interior of a cabin. The stage crew members are working out a variety of lighting effects to harmonize with the pervading air of happiness or melancholy. They are also engaged in the complicated task of devising proper sound effects and getting them timed accurately.

The cast is as follows:  
Jane, a regular sport and an avid reader of mystery stories, Betty Jo Soucy.

Eve, a favorite because she is kind to everyone, Phyllis Kugler.  
Freida, an intellectual who is sympathetic to the left-wing cause, Peggy O'Connell.

Alice, an unsophisticated and petite coed, Patricia Grandpre.  
Sharon, who speaks with a Bostonian accent and fancies herself quite an actress, Norma Gilbertson.  
"Tennessee," a pert teen with a Southern accent, Janet Peterson.

## 10 High Ranking Seniors Announced

Gloria Martin

Gloria Martin is valedictorian of the Senior Class of 1945 in Marshall High School and Muriel Norwood is salutatorian. They are the first and second of the 10 high ranking students of the class announced yesterday afternoon.

In third place in the class is Janet Peterson. Cecelia M. O'Connell is fourth; Evelyn M. Steenhoven, fifth; Bernetta L. Stassen, sixth; Norma J. Gilbertson, seventh; Rose E. Vandermeersch, eighth; Dennis L. Blake, ninth; and Dorothy M. Dierickx, tenth.

Muriel Norwood

The grades earned by this group of seniors are for the three years of senior high school, and all academic subjects are taken into consideration.

The salutatorian of the class gives the welcoming address at commencement, while the valedictorian has the privilege of choosing her own topic for that night. The other eight high seniors are responsible for Class Night exercises.

The Messenger extends congratulations to all of these 10 seniors on their achievement.

## Seniors Present Class Play Friday Evening

"Nine Girls," the Senior Class play, will be presented this Friday evening in the high school auditorium here, beginning at 8 o'clock. Both cast and production staff have been busy for weeks working out an effective interpretation of this comedy-drama thriller.

In the cast of "Nine Girls," which is directed by Miss Ursula Costello, are Betty Jo Soucy, Phyllis Kugler, Peggy O'Connell, Patricia Grandpre, Norma Gilbertson, Janet Peterson, Colleen Meade, Jean Vercoutere, Arlynne Knigge and Rosalie Robson.

The play takes place in a sorority club house in California's Sierra Nevada mountains, on a rainy weekend when two new girls are to be

initiated into the organization. As the play progresses, frolicsome comedy gives way to mystery when a murder is committed.

A special new stage set, the colorful interior of a cabin, has been designed for "Nine Girls" by the art and industrial arts classes. Appropriate lighting and sound effects have also been arranged.

The stage crew consists of Bob Seifert, Donald Metz, Dan Galle, Tom Ryan, Lawrence Ice, and James Greig. On the property committee are Gloria Martin, Joyce Coequyt, and Mary Dahlberg, while Lorraine Maenhout and Bernetta Stassen are prompters.

Advance sale of tickets indicates a large audience for the event.

## Summer School Here For Teachers

Mankato State Teachers College will hold an Off Campus Workshop for teachers in Marshall this summer.

The session will begin on June 25 and close August 1, and will be open on Monday, Tuesday, and Wednesday of each week.

Anyone interested in this summer school may secure further information from the county superintendent of schools.

## Senior Class Play Commendably Done

The Senior Class play of 1945 was presented to a good-sized audience last Friday night in the high school auditorium, with the all-girl cast doing commendable work throughout.

With the action taking place in a sorority clubhouse in the mountains, "Nine Girls" provided both comedy and mystery as one murder led to another.

The play gave evidence throughout of careful direction by Miss Ursula Costello, while the girls played their roles with ease and naturalness. Properties and stage work were also efficiently handled, and the art and industrial arts classes had prepared an especially attractive setting.

In the cast were Arlyne Knigge, Phyllis Kugler, Betty Jo Soucy, Rosalie Robson, Peggy O'Connell, Patricia Grandpre, Colleen Meade, Janet Peterson, Norma Gilbertson, Jean Vercoetere, with Bob Seifert as a radio voice.

The production staff was comprised of Bernetta Stassen, Lorraine Maenhout, Gloria Martin, Joys Coequyt, Mary Dahlberg, Bob Seifert, Mr. Glesne, Donald Metz, James Greig, Tom Ryan, Betty Arfmann, Marian Hendrickson, Sylvia Ladwig, and Alice McDaniel. Robert Nelson directed the orchestra in music between the acts.

Everyone enjoyed the play and felt that it was well done in every phase.

## School Election Next Tuesday Night

The annual school election in District No. 8 will be held at the school house here next Tuesday, May 15. The hours are 7 p. m. to 9 p. m.

Candidates for the Board of Education are Dr. W. W. Yaeger and Dr. J. L. Anderson, incumbents, and Roland Sherman. Two are to be elected, for three-year terms.

Holdovers on the Board are Herman Schwandt, R. E. O'Connell, James H. Hall, and A. J. Hardy.

### Band Concert Tonight

The Marshall High School Band is presenting its annual spring concert in the auditorium at 8 o'clock tonight.

## Monte Winner Of Triangular Meet

Montevideo won the triangular track meet with Marshall and Redwood Falls at Legion Field here last Saturday, but the Purple had to take the relay to keep the Tigers out of first place.

Total points in the meet were: Montevideo 52½, Marshall 45½, Redwood Falls 15.

Results were as follows:

100 yd. dash—Ost, Monte, 11.1; Dandurand, Marshall, 11.15; Julian, Marshall, 11.2; McKewen, Monte; Curtis, Marshall.

120 yd. High Hurdles—Condon, Monte, 17.2; Curtis, Marshall, 17.3; Beise, Marshall, 17.4; Hakes, Monte, 17.6; Hanson, Monte, 18.0.

440 yd. dash—Hanson, Monte, 56.9; Kosnen, Monte, 57.9; Blake, Marshall, 58.2; Kline, Redwood, 58.3; Tetric, Redwood, 59.0.

220 yd. Hurdles—Ice, Marshall, 28.4; Hogen, Monte, 28.9; Jokes, Monte, 29.7; Beise, Marshall, 30; Condon, Monte, 30.4.

880 yd. dash—Slocum, Redwood, 2:18.4; Hoberg, Monte; Maloney, Marshall; Solheim, Monte; Hammel, Marshall.

220 yd. dash—Dandurand, Marshall, 25.4; McKewen, Monte, 25.45; Green, Marshall, 25.5; Julian, Marshall, 25.5; Ost, Monte, 25.6.

Senior High Relay—Montevideo, first; Marshall, second; time, 1:41.9. Pole Vault—Kelly, Marshall, Ruloff, Monte, tie 9' 6"; Dandurand, Marshall, Pomvieu, Monte, tie 9' 3"; Condon, Monte, 8' 9".

Shot Put—Curtis, Marshall, 38' 7"; Husby Monte, 37' 3½"; Smith, Redwood, 36' 7½"; Stanke, Marshall, 36' 5"; Paulson, Monte, 35' 11½".

High Jump—Curtis, Marshall, 5' 7"; Nelson, Marshall, 5' 5½"; Paulson, Monte, 5' 4"; Pack, Marshall, 5' 2"; McKewen, Monte, 5' 2".

Discus—Smith, Redwood, 106' 8"; Christenson, Marshall, 103' 6"; Dandurand, Marshall, 100' 8"; Bladholm, Marshall, 93' 11"; Paulson, Monte, 92' 10".

Broad Jump—Ost, Monte, 11' 7½"; Blake, Marshall, 18' 4¼"; Husby, Monte, 18' 2¼"; Hoene, Monte, 18' 2"; Tetric, Redwood, 17' 4¼".

Junior High Relay—Montevideo, Marshall, time 52.5.

## Busy Year Ended By Student Council

The Marshall High School Student Council completed its war activities for the school year 1944 and 1945 by stressing a bond sale on May 8. Everyone in school had a part in the flying of the Minuteman Flag which has been so in evidence since the first of the year.

The first war activity the council presented this term was the Servicemen's Bulletin containing all the names of the men who have graduated from Marshall High School and dedicated to the boys in the service. Almost everyone of the 319 lettermen in the service of their country received a copy of this bulletin.

The council sent out Christmas cards to each one of the boys of the class of 1943 and 1944 in service.

Two paper drives netted 66,200 pounds of paper. The money collected, \$464.17, was returned to the various war organizations and service funds, also to the plaque fund.

The stamp and bond sale totaled \$24,760.05 for the entire school year. Of this amount, \$10,827.30 was subscribed for in the Seventh War Loan drive on Tuesday, May 8.

## 13 Schools To Compete In District Track Meet

Marshall High School will play host this Saturday to the District 9 Track Field Meet at Legion Field, starting at 1:30. Bleachers are up for all people who wish to come out and watch the meet. Marshall is defending champion and it is expected that this year's events will see one of the hottest meets in recent years.

A number of schools are coming in for the first time this year. The entries for Balaton, Canby, Cottonwood, Hendricks, Ivanhoe Lake Benton, Lynd, Marshall, Milroy, Minneota, Russell, Tracy, and Tyler are expected to produce some very good competition.

Last year Tracy moved into the runner-up spot with 28 2-3 points as compared to 28 1-3 points for Ivanhoe. Marshall gathered a total of 62 points.

Marshall lost almost a whole track team in Serlet, Paulsen, Hemmingsen, Jansen, and Arfmann, and

it became necessary for Coach Thoreson to rebuild the entire team. Tracy has Zimmerman and Lang back who accounted for three first places last year. Ivanhoe has Fowlds back who is a consistent winner. For Marshall, Bies, Ice, Curtis, Nelson and the relay team placed at the Carleton relays.

The order of events is as follows: 1:30, 100 yard dash trials; 1:45, 120 yard hurdles (by timing); 2:00, 100 yard dash finals; 2:05, one mile run; 2:15, 440 yard dash; 2:30, 200 yard dash hurdles (by timing); 2:45, 220 yard dash trials; 3:00, 800 yard dash; 3:30, 220 yard finals; 4:00, Jr. High relay; 4:15 ½ mile relay; 1:30, pole vault; 1:30, shot put; 2:30, high jump; 2:30, discus; 3:30, broad jump.

John Cooney of Luverne will start as counter of the meet.

The Regional 3 meet will be held at Marshall the following week on May 26.

## School Vocal Groups To Give Concert Friday Night

The Marshall Senior High Chorus and Grade Chorus will present their annual spring concert to the people of Marshall on Friday evening, May 18, at 8 p. m.

Everyone is urged to attend. There will be no charge and the concert will be an enjoyable one.

The Senior High Chorus of 60 voices has developed into an outstanding organization, one that the High School is proud of and one the people of Marshall will want to hear.

The Grade Chorus likewise is a large organization, and has been building toward this concert.

While the concert does not have a regular theme, it covers the work accomplished by the two groups during the entire year.

The program for Friday: **GRADE SCHOOL CHOIR**  
Miss Lenore Jacobson, Director

America ————— Carey

Flight ————— Gibb

Ain't Gonna' Rain ————— Bland

In the Evening ————— Bland

Go Dow, Moses ————— Negro Spiritual

Maleguena ————— Lecuona

Piano Solo by Phyllis Kugler

**SENIOR HIGH SCHOOL CHOIR**

Mr. Robert Nelson, Director

Now Let Every Tongue Adore Thee

Song of Peace ————— Sibelius

There Are Such Things ————— Adams

(Fred Waring Arrangement)

The Green Cathedral ————— Hahn

Climbin' Up the Mountain — Smith (Negro Spiritual)

The annual spring band concert given last Thursday was an enjoyable one, with the entire band doing a creditable job in their last appearance—Mr. Nelson and his band are to be complimented on the work accomplished.

## Baccalaureate This Sunday, Commencement On June 1

Commencement week in Marshall is at hand, with the baccalaureate service to be held this Sunday evening and graduation exercises Friday, June 1.

Representative Walter H. Judd, Minnesota's Fifth District congressman in Washington, will deliver the commencement address this year, on the subject "Looking Forward." He is known as one of the nation's foremost speakers.

The baccalaureate service will be held in the high school auditorium beginning at 8 o'clock Sunday evening, with the Rev. L. P. Roesti of Marshall giving the sermon. He has chosen as his topic, "Building from Ruins."

The complete baccalaureate program will be as follows:

Processional, High School Orchestra

Invocation — Rev. S. L. Hammond

Hymn, "O God, Our Help in Ages Past" — Congregation

Scripture — Rev. A. R. Harkness

Now Let Every Tongue Adore

Thee ————— Bach

Senior High Choir

Prayer ————— Rev. A. R. Harkness

Hymn — "We Would Be Building" — Congregation

Sermon, "Building from Ruins" — Rev. L. P. Roesti

"Lo, A Voice to Heaven Sounding" — Gual

Senior High Choir

Benediction — Rev. S. L. Hammond

Recessional, High School Orchestra

At the commencement exercises on June 1, the Rev. A. R. Neudecker will give the invocation, and the Rev. B. E. Galyen, the benediction. The salutatory address will be made by Muriel Norwood and the valedictory by Gloria Martin, the two high ranking students of the class. The Senior High Choir will sing two selections on the commencement program. Awards are to be presented by Principal Merrill W. Olson and diplomas by Superintendent Paul S. Wilson.

There are 76 in the Senior Class this year, nine of whom are already in military service.

## Seniors Hold Class Night This Evening

Ranking Seniors of the Class of 1945 tonight will conduct the annual "Class Night" program in the high school auditorium. It will begin at 8 o'clock, and parents and friends are invited to attend.

This program will be given by Janet Peterson, Peggy O'Connell, Evelyn Steenhoven, Bernetta Stassen, Norma Gilbertson, Rose Vandermeersch, Dennis Blake, Dorothy Dierickx, and Betty Jo Soucy.

Dennis Blake will be the master of ceremonies. Class will, class history, prophecy, and other numbers will be presented, with musical entertainment in between.

Final Senior activities opened this afternoon with the annual class picnic, a tradition here of many years standing. It was held at Camden Park, with the afternoon spent in hiking and games, followed by a generous lunch served by the committee in charge.

# Tigers Again Win District; Region Meet Here Saturday

The Region 3 track and field meet, with four districts competing, will be held at Legion Field in Marshall this Saturday, starting at 1:30 p. m.

● Marshall High School's Tigers are still track champions of District 9. They won the annual meet here last Saturday against determined opposition from Tracy and a fine Ivanhoe team. Marshall had 48 points in all, Tracy not quite 44, Ivanhoe a little over 23.

The Tigers took only two firsts—Bies in the high hurdles and Nelson in the high jump—but they amassed five second places to help gather the necessary points. Tracy had three firsts, Ivanhoe had two firsts; Hendricks, two firsts; Lynd one; Tyler one, and Russell one.

With over 300 entries the meet was one of the biggest and most interesting of all track meets in District 9, and mean, that District 9 in the future will have to have preliminaries in the morning.

In spite of the strong wind, good time was recorded in all events. A crowd that proved hard to handle insisted on seeing the meet from the field instead of the bleachers.

Marshall's successful defense came as a surprise to all, for the Tigers had lost a first-rate track team to the service this spring—Serlet, Paulsen, Hemmingson, and Stanke were all sure point winners.

The summary of the District No. 9 meet is found below. One new record was set—Tracy in the relays. The first three places in each event, regardless of two or more tying for the place, are eligible for the Regional Meet to be held at Marshall on Saturday, May 26th, starting at 1:30 p. m. Records for the events are shown first:

Total Points—Marshall 48, Tracy 43 5-6, Ivanhoe 23 1-3, Hendricks

15, Tyler 15, Lynd 12 1-3, Russell 12, Lake Benton 8, Canby 7 5-6, Cottonwood 3 1-3, Minnesota 2 1-3.

100 Yard Dash—'36 Regnier, Marshall, time 10 seconds; 1st Zimmerman, Tracy; 2nd Trout, Russell; 3rd Fox, Lake Benton; 4th Peterson, Tracy; 5th Faulds, Ivanhoe, time 10:8.

High Hurdles—'41 Osborne, Marshall, time 16:6; 1st Bies, Marshall; 2nd Curtis, Marshall; 3rd Bornhoft, Tyler; 4th Sovell, Ivanhoe; 5th Tilton, Ivanhoe; time 18 seconds.

440 Yard—'36 Kompelien, Minnesota, time 54:3; 1st Lang, Tracy; 2nd Rhea, Canby; 3rd Sharrott, Lynd; 4th Blake, Marshall; 5th Jerzak, Ivanhoe; time 54:9.

Shot Put—'41 Maenhout, Marshall, 44' 3 3-4"; 1st Christenson, Hendricks; 2nd Curtis, Marshall; 3rd Zimmerman, Tracy; 4th Evans, Lynd; 5th Lang, Tracy; 40' 10".

440 Yard—'36 Kompelien, Minnesota, time 54:3; 1st Lang, Tracy; 2nd Rhea, Canby; 3rd Sharrott, Lynd; 4th Blake, Marshall; 5th Jerzak, Ivanhoe; time 54:9.

Low Hurdles—'42 Osborne, Marshall, time 24:3; 1st Bornhoft, Tyler; 2nd Ice, Marshall; 3rd Bies, Marshall; 4th James, Tyler; 5th Jaspersen, Tracy; time 25:8.

Pole Vault—'36 Sullivan, Ivanhoe; 11 feet; 1st Evans, Lynd; 2nd Wert, Tyler; 3rd Tie, Kelly, Marshall, Dandurand, Marshall; 5th Tie, Mortensback, Cottonwood; Perry, Minnesota; Superant, Tracy; 9' 10".

Discus—'41 Binnel, Lnd; 126' 1"; 1st Schroeder, Ivanhoe; 2nd Zimmerman, Tracy; 3rd Bladholm, Marshall; 4th Lang, Tracy; 5th Clark, Lynd; 122' 5".

High Jump—Schultz, Lake Benton, 5' 8 3-4"; 1st Nelson, Marshall; 2nd Tie, Curtis, Marshall; Mortensback, Cottonwood; Hermanson, Hendricks; 5th tie, Fredrickson, Canby; Faulds, Ivanhoe; Clark, Lynd; 5' 6 1-4".

880 Yard — '36 Arfmann, Marshall, time 2:07:3; 1st Muffet, Ivanhoe; 2nd Hammel, Marshall; 3rd tie, Crawley, Canby; Holden, Tracy; 5th Key, Tracy; time 2:16.

220 Yard Dash—'38 Zupfer, Milroy, 22:8; 1st Zimmerman, Tracy; 2nd Lang, Tracy; 3rd Trout, Russell; 4th Fox, Lake Benton; 5th Rhea, Canby; time 23:9.

Broad Jump—'38 Zupfer, Milroy; Nielsen, Tyler, 20' 6"; 1st Trout, Russell; 2nd Faulds, Ivanhoe; 3rd Fox, Lake Benton; 4th tie, Zimmerman, Tracy, Peterson, Tracy; 19' 3 3-4".

Relay—'45 Tracy, 1:39; 1st Tracy; 2nd Ivanhoe; 3rd Marshall; 4th Hendricks, 5th Tyler.

Junior High Relay—Time 52:3; 1st Marshall, 2nd Ivanhoe, 3rd Tracy, 4th Hendricks, 5th Lynd.

## SPORTS

### Marshall To Have Baseball Club

● At a meeting of the Marshall Junior Chamber of Commerce last week it was decided to sponsor a baseball team for 1945 in the Southwestern Minnesota League.

Marshall has not had a baseball team since 1942, when they played in this league, but the Jaycees figured now was the time to get back in baseball so that when the war is over, Marshall would not have to start from scratch when a baseball team was started.

The season will open this Sunday, May 27, and run through until Sunday, July 29, and then the play-off will start to see who will enter the state tournament.

Practice has been started and although Marshall is getting a late start, it is the hope of the boys that the weather will get warm so that they can get in shape and make a good showing for the season.

Doc Henry has been named manager and will have plenty help he hopes from the Jaycees. Minnesota is joining with Marshall this year and will bring three or four men down here to help. Anybody wishing to come out for baseball, get in touch with the manager as he is looking for baseball talent and can use plenty of it. Also if anyone has a bat or a league ball that they will sell, bring it into Doc's as it is almost impossible to get equipment at this time.

The schedule for the season will be printed to keep everyone posted on the coming games. Sunday the boys travel to Wood Lake for their first game and no doubt the game will start at 2:30. Sunday, June 3, the Jaycees open the season here at Marshall with Hanley Falls the opposition. Five teams are in the league this season namely Wood Lake, Hanley Falls, Canby, Hansonville and Marshall.

"More dope on the lineup next week," said Doc. "Let's all get back of the Jaycee ball team this year and show the boys that you are for them and want baseball back in Marshall for keeps."

### Side Lines

By Willy Ho

The regional track meet to be held here at Legion Field Saturday afternoon promises to produce plenty of thrills for the fans. The four districts in the region will send their strongest representatives, as only those who placed one, two, three in the district meets are eligible to participate in the Saturday event. It is expected that this district will win its share of points and possibly produce the winner of the meet. The Tracy team has the best chance of accomplishing this, in the opinion of the writer, due to the fact that in Zimmerman, Lang, and their relay team, the Scrappers have almost certain winners in four events. The Tigers will be in there clawing again and making another surprise upset, but it can hardly be expected. The teams from New Ulm and Montevideo are likely to figure heavily in the scoring and one of the teams may take home the championship trophy. It is bound to be an interesting meet, so plan to be had. The admission is free, take place Legion Field, the time 1 p. m.

The District 9 track meet held last Saturday found the fighty Tigers winning first place, with Tracy's Scrappers close behind. T. Marshall lads accumulated 48 points, although they were able to take on two firsts, but they copped five seconds. Tracy was less than five points behind, the work of Zimmerman and Lang in the dashes, and the relay team, being largely responsible for their fine showing. The Scrappers' relay team broke the only record Saturday when they ran the half mile in 1:39.

Marshall's representatives in the regional meet will be as follows: Oral Bies, who took first in the high hurdles in the district and third in the low; Don Nelson, who was the other first for the Tigers last Saturday in the high jump; Wheeler Curtis, who is eligible to compete in the high hurdles, shotput, and high jump; Christensen, Duke Kelad Doug Dandurand, in the pole vault; Bladholm, in the discus; and Hammel, in the 880 yard run.

### Busy Recreation Program Starts Here on Monday

● A busy summer recreational program will open at Legion Field here next Monday, June 4, and everyone who has any leisure time is invited to take some part in the program, which will provide activity for every age.

Among the games available to the public are archery, croquet, badminton, baseball, horseshoe, golf-hittable tennis, and volleyball. Kittenball and midget baseball are regularly scheduled events several times a week.

The tennis courts at the field will be open to the public at all times except during the hours when tennis classes are held.

Scheduled weekly classes and events for the summer are as follows:

Monday—9:30 to 11:30, tennis classes, boys under 14; 1:30 to 3:30,

tennis classes, boys over 14; 3:30 to 5, midget baseball; 7 to 9, league kittenball and American Legion baseball.

Tuesday—9:30 to 11:30, tennis classes girls under 14; 1:30 to 3:30, tennis classes, girls over 14; 3:30 to 5, free play; 7 to 9, league kittenball.

Wednesday—9:30 to 11:30, tennis classes, boys under 14; 1:30 to 3:30, tennis classes boys over 14; 3:30 to 5, midget baseball.

Thursday—9:30 to 11:30, tennis classes, girls under 14; 1:30 to 3:30, tennis classes, girls over 14; 3:30 to 5, free play; 7 to 9, league kittenball.

Friday—9:30 to 11:30, tennis classes, boys under 14; 1:30 to 3:30, tennis courts open for play; 3:30 to 5, midget baseball; 7 to 9, league kittenball and Legion baseball.

### Public Invited To Award Convocation

● The annual Award Convocation in Marshall High School will be held in the auditorium Friday morning, June 1, beginning at 10 o'clock.

This convocation, at which awards are made by all organizations in the school, has long been one of the highlights of the school year, a time when each organization can recognize the students who have helped to make each group successful.

All parents and friends are invited to attend this final convocation of the year for honoring students who have worked in the various organizations. The awards will be presented by the following:

Library Club, Miss Brobeck, sponsor; Tiger Herald, Miss Grovender, sponsor; Cheerleaders, Mr. Waller, sponsor; G. A. A., Miss Holstad, sponsor; Physical Education, Mr. Johnstone, sponsor.

Music, Mr. Nelson, sponsor; Home Economics, Mrs. Bassett, sponsor; Movies, Mr. Wickstrom, sponsor; Stage, Mr. Glesne, sponsor; Ushers, Mr. Olson, sponsor; Basketball and Track, Mr. Thoreson, sponsor.

Also presented will be the Herff Jones Junior High awards in Athletics, Scholarship, and Activities.

### School Awards Here Set Up Worthwhile Tradition

● One of the highlights of commencement exercises here tomorrow night will be the annual presentation of Marshall High School awards.

Students look forward to announcement of these honors with a great deal of anticipation, for they have come to mean a lot to them. From year to year, the prestige gained by the various awards has helped to make better school citizens, aided in building school spirit, and made better school leaders.

The Hall awards are the oldest, having started back in 1923 and been given ever since. This year, a new award was added, given by the Rotary Club of Marshall.

Local citizens and organizations so interested in their school have helped develop the spirit and traditions of the school and as these awards are added to, a better high

school is assured, say local school officials.

The awards to be made tomorrow night are:

The Hall Awards—\$10 to a member of the senior class, and \$10 to one member of the ninth, tenth, and eleventh grades who has rated highest in attitude, scholarship, loyalty, cooperation, activities, and leadership.

The "Bud" Rose Award (offered since 1933)—Presented to the athlete who, in the estimation of the students in high school, ranks first in athletic performance, loyalty, sportsmanship, leadership, and cooperation.

The Dr. F. D. Gray Award (offered since 1936)—Awards of \$10 and \$5 for the best essays on the topic "Harmful Effects of Alcohol in the Individual." Essays are limited to 500 words and must show

(Continued on Page Two)

## Tracy Takes Region, Marshall Second

● With District 9 making an all-around good showing, Tracy took top place in the Region 3 track meet held at Legion Field in Marshall last Saturday. The Marshall Tigers were second in the meet, tied with Granite Falls, and Montevideo was third.

Twenty towns were represented, the pick of 66 schools in Region III, and a fast field turned in good performance. Thrills were abundant, for competition was close and kept interest at a maximum until the final event. Good time and distance in every event made the meet interesting.

In the 440, Rhea of Canby took favored Lang of Tracy on the home stretch in 54.9—the record is 54.0 flat.

Slocum of Redwood ran a 2:10 half mile. Willis of Hendricks could not set a new record in the mile—speculation was that maybe he would break his old mark.

Hard luck went to Bies of Marshall who ran his best low hurdle race only to fall at the last hurdle, keeping himself out of a record in the event.

The Senior High Relay was a dandy in the good time of 1:38:2.

Interesting to note was that District 9 captured 9 first places out of 13—indicating the strength of this district in track. Continued interest will increase and better the

(Continued on Page Eleven)

## TRACK - - May 31

(Continued from Page Nine)

records held in No. 9—the Marshall district.

The three winners in each event are eligible to compete at state meet June 2:

100 yard dash—1, Zimmerman, Tracy; 2, McLeod, Granite; 3, Theush, Madison (will not compete); 4, Benson, Springfield; 5, Trout, Russell. Time 10:05.

High hurdles—1, Josvold, Granite; 1, Condon, Montevideo, tie; 3, Bornhoft, Tyler; 4, Martinka, New Ulm; 5, Bies, Marshall. Time 16:7.

440 yard dash—1, Rhea, Canby; 2, Lang, Tracy; 3, Crosby, Appleton; 4, Koenen, Monte; 5, Dohmes, Springfield. Time 54:9.

Mile—1, Willis, Hendricks; 2, Ar-enson, Monte; 3, Houck, Madison; 4, Alexander, Redwood; Pulkrabek, Glencoe. Time 4:48:3.

Low hurdles—1, Bornhoft, Tyler; 2, Martinka, New Ulm; 3, Ice, Marshall; 4, Hagen, Monte, 4, Mattson, Appleton, tie. Time 24:9.

880 yard—1, Slocum, Redwood; 2, Holden, Tracy; 3, Muffott, Ivanhoe; 4, Solheim, Monte; 5, Romberg, New Ulm. Time 2:10.

Shot put—1, Christensen, Hendricks; 2, Curtis, Marshall; 3, Martinka, New Ulm; 4, Zimmerman, Tracy; 5, Pels, Madison, 5, Doering, Gaylord, tie. 42' 5½".

220 yard—1, Zimmerman, Tracy; 2, Theush, Madison (will not compete); 3, Martin, Glencoe; 4, McLeod, Granite; 5, Lang, Tracy. Time 23:3.

Senior high relay—1, Tracy; 2, Madison; 3, Appleton; 4, Marshall; 5, Montevideo. Time 1:38:2.

Pole vault—1, Anderson, Clarkfield; 2, Howe, Glencoe; 3, Jacobson, Granite; 3, Evans, Lynd, 3, Dandurand, Marshall, tie. 10' 9".

Discus—1, Zimmerman, Tracy; 2, Medchill, Clarkfield; 3, Lehman, Gaylord; 4, Schroeder, Ivanhoe; 5, Norgaard, Clarkfield. 116' 10".

High jump—1, Josvold, Granite, 1, Mortensbak, Cottonwood, tie; 3, Nelson, Marshall, 3, Curtis, Marshall, tie; 5, Howe, Glencoe. 5' 6".

Broad jump—1, Trout, Russell; 2, Schneider, Sleepy Eye; 3, Faulds, Ivanhoe; 4, Martinka, New Ulm; 5, Koenen, Monte. 18' 11½".

Total points: Appleton 7½, Canby 5, Clarkfield 10, Cottonwood 4½, Gaylord 3½, Glencoe 9, Granite Falls 17, Hendricks 10, Ivanhoe 8, Lynd 2, Madison 14½, Marshall 17, Montevideo 16, New Ulm 12, Redwood 7, Russell 6, Springfield 3, Tracy 31, Tyler 8, Sleepy Eye 4.

## Congressman Judd to Speak At Graduation Here Friday

● The Hon. Walter H. Judd of Minneapolis, Minnesota's Fifth District congressman in Washington, will deliver the commencement address at Marshall's graduation exercises this Friday night.

A class of 76 seniors, nine of whom are in the country's military service, will be graduated. The program is to be held in the high school auditorium, beginning at 8 p. m.

Elected to Congress in 1942, Congressman Judd spent two years previous to that, in 1939 and 1940, speaking throughout the United States in an attempt to arouse Americans to the menace of Japan's military expansion and to have an embargo placed on war materials to Japan.

During the First World War, he served in a United States field artillery unit in France, 1934 and 1935 he had a fellowship in surgery at

the Mayo Foundation in Rochester. Previously, as a medical missionary, he was superintendent of hospitals in China, from 1925 to 1931, and again from 1934 to 1938, under the American Board of Commissioners for Foreign Missions. He is known as one of the nation's foremost speakers.

The complete program at the commencement exercises Friday night will be as follows:

Processional.  
Invocation—Rev. R. A. Neudecker  
Salutatory—"Our's—The Future"  
Muriel Norwood  
"Song of Peace"—Sibelius  
Senior High Choir  
Valedictory—"Daybreak"  
Gloria Martin  
Address—"Looking Forward"  
Congressman Walter H. Judd  
"Lord of Spirits"—Reissiger  
Senior High Choir  
Presentation of Awards  
Principal Merrill W. Olson

Presentation of Diplomas—  
Superintendent Paul S. Wilson  
Benediction—Rev. B. E. Galven  
Recessional

The baccalaureate service held in the auditorium last Sunday evening was well attended, and the class of 1945 heard an inspirational message from the Rev. L. P. Roesti, who delivered the sermon. The task of the young people of today, he stressed is "building from the ruins" that exist in the world today following years of warfare. He especially emphasized that building from ruins did not mean building on ruins, as seemed to have been done following the last war.

The Rev. S. L. Hammond delivered the invocation at baccalaureate, and the Rev. A. R. Harkness, the scripture and prayer. Two selections by the Senior High Choir under the direction of Robert Nelson were exceptionally well done.

## Marshall High School Senior Class of 1945

Colors—Green and White

Motto—"We've seen the dawn, we'll meet the day"

Flower—Gardenia

\* Now in the Armed Services of our country. Diplomas to be granted upon receipt of information from the Commanding Officers that basic training has been completed in a satisfactory manner.

## Registration for <sup>June 4</sup>Swimming Classes Starts Tomorrow

● Registration for the Red Cross swimming program will be held at the high school gym Friday and Saturday, June 15 and 16, between 9:30 a. m. and 11 a. m. Season tickets will also be sold at that time. Adult tickets will be \$2, and for those 18 years and under the price will be \$1.

Miss Doreen Gilbertson will have charge of the instruction. Miss Rosemary Henle has also been certified as a Red Cross instructor following the completion of a course offered at St. Catherine's.

The opening of the municipal

pool here has been delayed by the weather, but it is hoped that instruction will begin on Monday, June 18, if the weather permits. Following is a program of the classes:

Monday, Wednesday and Friday—Swimmers 9:30 to 10, junior life saving, 10:30 to 11:30.

Tuesday, Thursday, and Saturday—Boy beginners 9:30 to 10, girl beginners 10 to 10:30, boy intermediates 10:30 to 11, girl intermediates 11 to 11:30.

Advanced swimmers and senior life saving will be arranged.

## Reader's <sup>June 4</sup>Digest Award Goes to Gloria Martin

● Gloria Martin, valedictorian of the graduating class at Marshall High School, has been given the eighth annual award of The Reader's Digest Association for students who by their successful school work give promise of attaining leadership in the community, it was announced today by Merrill W. Olson, principal.

Miss Martin will receive an honorary subscription to The Reader's Digest for one year and an engraved certificate from the editors, "in recognition of past accomplishment and in anticipation of unusual achievement to come."

Since 1937 the Reader's Digest Association has presented these awards yearly in senior high schools throughout the United States and Canada to the highest honor student of the graduating class. The awards are part of the educational program sponsored by the Association and were a logical outgrowth of the wide use of The Reader's Digest in school work. With the collaboration of leading educators, a special edition of the magazine, containing reading improvement guides and study helps, is made available to schools and colleges as a supplementary text-book in English and social science courses.

The award to Miss Martin, who is the daughter of Mr. and Mrs. Philip Martin of 404 Liberty Park, was made possible through the cooperation of Mr. Olson and his teaching staff. They selected Miss Martin to receive the award, designed to stimulate scholarship, citizenship, and continued contact with good reading after graduation.

## Summer <sup>June 4</sup>School to Open Here Monday

● The Mankato State Teachers College will conduct a six-week term of Summer School at Marshall, beginning on Monday, June 25.

Sessions of this "Off-Campus Workshop" will be held in the High School building and registration will begin at 8 a. m. on Monday.

Anyone wishing to know more about this session may obtain information from the county superintendent.

## Letters <sup>June 7, 1945</sup>Are Given At Last Convocation

● At the annual award convocation in Marshall High School last Friday morning, nearly all organizations gave chenille emblems to students who were outstanding in their achievements in extra-curricular activities during the year. Short talks on the accomplishments of their organizations were given by the advisers. Awards were made to the following:

Tiger Herald—Duane Miller, Patricia Nielsen, Gloria Martin, Mary Dahlberg, Orva Bies, Joyce Coequyt, Bernetta Stassen, Peggy O'Connell and Betty Jo Soucy.

Library Club—Betty Arfmann, Marian Hendrickson, Dorothy Hirmer, Lucille Knieff, Neva Manguson, Alice McDaniel, Muriel Norwood, Ruby Phenix, Marian Tubbs, Sylvia Vandeputte, and Rose Vandermeersch.

Stage Crew—Don Metz, Robert Seifert, Dennis Blake, James Finch, Kemper Eick, Richard Endres, James Galle and Gerald Adler.

Movie—Bob Seifert, Dennis Blake, Don Metz, James Finch, Kemper Eick, Tom Traxler, James Galle and Richard Endres.

G. A. A.—Shields, Betty Charbonneau and Elaine Halvorson; Felt Letters, Betty Erickson and Dorothy Waldorf; Chenille Letters, Margaret Gamm.

Ushers—Betty Arfmann, Lorraine Maenhout, Marian Hendrickson, Bernetta Stassen, Lucille Knieff, Alice McDaniel, Mary Dahlberg, Peggy O'Connell, Betty Jo Soucy, Glada Bies, Doris Gee, Delores Hunter, Lois Jacobson, Nancy Moile, Gloria Qunell, Adelia Nelson, Mary Rose Tremblay, Phyllis Wilson, Maxine Papineau and JoAnne Yaeger.

Drama Club—Dennis Blake, Betty Jo Soucy, Richard Endres, Peggy

O'Connell and Norma Gilbertson. Music—John Applen, Dennis Blake, Mary Alice Kreuzer, Arlyne Knigge, Shirley Langan, Katherine Rogne, Tom Ryan, Jo Anne Yeager, Betty Jo Soucy, Richard Endres and Joan Broman.

Home Ec. Club—Ramona Deutz, Mary Joan Deutz, Ione Donaldson, Elaine Halvorson, Beverly Hendricks, Dorothy Hill, Donna Hoffman, Frances Kelley, Delores Lens, Fran Lens, Nancy Molle, Vivian Sandquist, Antoinette Van Hee, Betty Gregoire.

Cheerleaders—Roberta Christenson, Norma Gilbertson, Arlyne Knigge, and Peggy McCready.

Physical Education—Duane Addison, intramural manager.

Football—One bar, Orval Bies, Dennis Blake, Wheeler Curtis, Douglas Dandurand, Ronald Driggs, Gordon Green, Bob Hammel, Dick Kelly, Harold Kerkvliet, Alfred Paradis, Marvin Schwan, and Robert Seifert; two bars, Merle Arfmann, Norman Carrow, Hubert Henry, Robert Jansen, Jim Paulsen, Ed. Stanke and Tom Traxler; three bars, Bert Hemmingsen and Duane Serlet.

Basketball—One bar, Gordon Green, Jim Maloney, Doc Henry, Alfred Paradis, Dick Kelly, and Don Nelson; two bars, Douglas Dandurand; three bars, Jim Paulsen and Ed Stanke; managers, one bar, Ed. LeBeau and Forrest Wild.

Track—One bar, Douglas Dandurand, Roger Julian, Wheeler Curtis, Don Nelson, Bill Snyder, Don Bailey, Lawrence Ice, Bob Christianson and Tom Bladholm; two bars, Gordon Green, Bob Hammel, and Dick Kelly; four bars, Orval Bies. Herf Jones Awards.

Scholarship: presented to the boy or girl in Junior High School who has rated first in scholarship, attitude and school loyalty during the past year—Margaret Gamm.

Activities: presented to the boy or girl who has done most to further activities in Junior High School—Dorothy Waldorf.

Athletics: Girl, Nancy Pickett; Boy, Denny Juba.

American Legion Auxiliary Award—Presented to the boys or girls in Junior and Senior High School writing the best essay on "Democracy for America"—Senior High, 1, Wheeler Curtis and 2, Muriel Norwood; Junior High, 1, Margaret Gamm and 2, Barbara Nixon.

## Side Lines

By Willy Ho

● Coach Loris "Whitey" Thoreson has accepted a new coaching job the coming year and will leave Marshall before school starts this fall. "Whitey" will go to Minneapolis Central high school, where he has been named head basketball coach to replace Bill Hawkes. Thoreson has made many friends here during his term as coach. He has had charge of football, basketball and track, and the records of his teams were good considering the material that was available. Our best wishes for success in his new position go with him as he leaves Marshall.

Jay Johnstone, physical education teacher here, will coach the Tiger football team this fall. Coaching is not new to Johnstone as he did all the coaching at Pine Island high school before he came here last year and his record there was a good one. The new coach has won many friends here by his all-around athletic ability. At present he is catcher for the Marshall baseball team and is playing a great game both behind the plate and at bat. He is also a star kittenball player. Everyone is pulling for him in his new role as coach.

<sup>June 7, 1945</sup>  
The representatives of the Marshall High School track team who took part in the state meet last Saturday at the University of Minnesota failed to place. The boys who accompanied Coach Thoreson to the meet were Wheeler Curtis in the Shotput and high jump, Don Nelson in the high jump, and Larry Ice in the low hurdles. Competition was stiff. Lang of Tracy took second in the 440 yard dash for the best showing of any athlete from this region. Winner of the meet was South High of Minneapolis, due largely to the great work of Glen Pullens, Negro star, who took firsts in the 100 and 220 yard dashes and the broad jump, besides running anchor on the winning half-mile relay team.

# Marshall High School Graduating Class Of 1945

First Row: Gloria Martin, Muriel Norwood, Janet Peterson, Peggy O'Connell, Evelyn Steenhoven, Bernetta Stassen, Norma Gilbertson, Rose Vandermeersch, Dennis Blake, Dorothy Dierickx.  
 Second Row: Carole Youngquist, Dick Endres, Jeanne Vercootere, Dick Maeyaert, Betty Arfmann, Orval Bies, Doc Henry, Marian Green, Sylvia Van DePutte, Irene Little, Don Nelson.  
 Third Row: Ervin Halvorson, Lucille Knieff, Norman Carrow, Mary Dahlberg, Jim Paulson, Dorothy Telford, Paul DePover, Doris Regnier, Duane Miller, Carole Christopherson, Tom Traxler.  
 Fourth Row: Shirley Langan, Michael Mannion, Patricia Granpre, Don Lanoue, Alice McDaniels, Clayton Ellingson, Clifton Ellingson, Marion Tubbs, Collen Meade, Ronald Jensen, Maxine Castle.  
 Fifth Row: Virgil Deutz, Ruby Phenix, Don Juhl, Rosalie Robson, Darrell Snodgrass, Betty Jo Soucy, Duane Serlet, Phyllis Kugler, Kemper Eick, Dorothy Hirmer, Don Metz.  
 Sixth Row: Marion Hendrickson, Clarence Kiel, Phyllis Loke, Charles Volk, Sylvia Ladwig, Lorraine Maenhout, Lorene Richert, Bob Seifert, Valera Buysse, Ed Stanke, Betty Tomasek.  
 Seventh Row: Delores Kilts, Forrest Wilde, Ariyne Knigge, Harvey Moberg, Neva Manguson, Jack McLaughlin, Patricia Nielsen, T. Alfred Paradis, Joyce Coequyt, Jim Finch, Shirley Walsh. —Tiger Herald

## Awards Are Made To Honor Students

At the close of the school year we recognize some of our students for outstanding achievements during their high school career," said Principal Merrill W. Olson in presenting the awards at commencement exercises here. "Some of our students are workers and leaders during their entire high school course and others find themselves during their senior year. These young people who receive awards have indicated that they are willing to do the things that they know are right, cost what it may. We at Marshall hope that we can continue to recognize students who strive to win these awards, for it is a lot easier for a school to stay on top if students are willing to work for honors. Underclassmen should be proud of the traditions set up by our students and mark an award as their goal."

- Awards were made as follows:
- Scholarship Awards**—Gloria Martin and Dennis Blake, scholarships at any college in state; Peggy O'Connell, scholarship at St. Catherine's which may be good for four years.
  - Mr. and Mrs. James Hall Award**—Janet Peterson, senior, and Robert Hammel, under-classman. \$10 each awarded to the boy or girl who in the estimation of the faculty rates highest in attitude, scholarship, loyalty, activities, leadership and cooperation.
  - Bausch and Lomb Science Award**—Gloria Martin. This science medal is offered to the boy or girl who has made the best record in science courses during high school.
  - Dr. and Mrs. Persons Award**—Barbara Nixon and James Wetherbee.

## Class of 1945 Graduated, Hears Congressman Judd

The Class of 1945 in Marshall High School received its diplomas in impressive commencement exercises here last Friday evening, and, along with an audience that filled the auditorium, heard an effective and inspiring address by Congressman Walter H. Judd of Minneapolis.

Sixty-seven out of the 76 in the class were present to receive diplomas. Nine of the boys had already entered military service, and seven of these are to be granted diplomas when, as with the other two, their commanding officer sends word they have completed their basic training. The nine in service are Clayton Ellingson, Clifton Ellingson, Paul DePover, Jr., Ervin Halvorson, Harvey Moberg, James Paulsen, Jr., Duane Serlet, Edward Stanke, and Thomas Traxler.

Congressman Judd spoke on the topic, "Looking Forward," and left a very distinct impression with everyone that this nation must work as hard for peace as it has to win the war.

The exercises Friday night opened with the processional, with Miss Helen Sullivan and Miss Marcene McGlothlin playing "With Pomp and Circumstance" on two pianos. The Rev. Father R. A. Neudecker gave the invocation.

In the salutatory address, Muriel Norwood, speaking on "Ours—The Future," declared that "our future is the building of a better world for tomorrow, a world of good will and peace." The valedictory, "Daybreak," was given by Gloria Martin, who asserted that "honesty and truth are fundamental essentials to world peace," and expressed the belief that "we are experiencing the dawn of a great era characterized by lasting brotherhood and understanding."

The Senior Choir under Robert Nelson sang two selections during the program and did very commendable work in both, showing particular effectiveness in "Song of Peace."

Presentation of awards, which appear in another column, was made by Principal Merrill W. Olson. Superintendent Paul S. Wilson, in presenting the diplomas, told the graduates "No class has ever graduated here with more opportunity for service." The Rev. E. E. Gaylen pronounced the benediction.

Congressman Judd, in opening his address, advised the graduates to forget both the successes and failures of the past and remember only the lesson. "Don't be careless," he said, "about deciding what to do with the one life that you have to live." The big question, he stressed, is not what you are going to be, but "what you are going to do."

(Continued on Page Two)

## GRADUATION

(Continued from Page One)

do in doing what you're going to do."

Turning to his topic, "Looking Forward," the congressman pointed out that the lesson of the last war was that we did not study through carefully what the world needed, and then do it. "Winning the current war will give us the chance to avoid such a blunder again, and there is no excuse for not seeing the lesson this time," he declared. "Each nation then went its own way, and that's why we are now fighting, to win back the chance we had in 1919."

The problem, said Dr. Judd, "is simple but oh so hard—it is a question of learning to live together."

He then stressed against defeatist philosophy that thinks the peace is already lost. "Our boys in the war don't lie down for fear of failure. And we are not worth a hair of their heads unless we succeed on the political front like they are succeeding on the military fronts. We dare not lose by default!"

In seeking permanent peace, Dr. Judd pointed out that we ourselves made the things that make it impossible for us longer to escape the world and live to ourselves, that we have neither the money nor the manpower to amass enough strength to run the entire world, that we can't attain our end by buying the world through gifts.

"We can, however, join the world, and cooperate with it and work together." And we've got to try it, he declared, because the alternative is another war.

America's task is to pull together with the other nations, he emphasized.
