Tigers Squeeze Out Narrow Victory

Visitors' Rally Nearly Successful

By William Pickett

The Marshall Tigers squeezed out a 49-39 victory over the Hendricks Midgets here Friday evening before a crowd that packed the high school gym to near capacity. It was the second win of the season of the Tigers over the Midgets. Marshall defeated them earlier in the season on their court by the score of 47-41.

The Orange and Black went into the last quarter with a 31-25 margin over the midgets and it looked like the Tiges would hold the upper hand. But the Midgets caught fire and with Hermansen connecting regularly from the floor, it wasn't long before the Tiger lead was wiped out.

The fourth quarter started with Hermansen tipping one in. Erie came right back to tally a field goal for the Tigers. Then a field goal by Pederson and free throw by Asbjornson cut the Tiger lead to 33-30. Gits made a free throw good for the Tigers. Hermansen then caged two field goals in rapid succession to tie the score at 34-34. Erie put the Tigers out in front with a free toss and then Hermansen caged his fifth field goal of the period to put his team ahead 36-35. It was the first time the Midgets had been ahead since early in the first quarter. Pederson made it 37-35 with a field goal and that was the score when the official time out was called with about three minutes left to play. Hermansen was then given two shots from the free throw line

and he made both good and Hendricks led 39-37.

Juba made good a free toss and narrowed the Midgets' lead to one point. With about 30 seconds left to play, Gits tipped in a close-in shot and the Tigers were ahead 40-39. They managed to stall out the remaining seconds to gain the one point victory.

At the start of the game, Gits opened the scoring with a field goal after over three minutes of the first quarter had elapsed. Pederson tied it up for the Midgets with a two pointer. Gits made it 4-2 with another field goal. Asbjornson then gave the Midgets a 5-4 lead with a free throw and a feild backed. Minnick and Erie scored a field goal apiece before the quarter ended to give the Tigers an 8-5 margin.

Asbjornson opened the scoring in the second quarter with a field goal. A field goal by Gits and a free toss by Gilbertson gave the Tigers a 11-7 advantage. Hermansen and Juba followed with field goals. Then Hermansen sank another one for the Hidgets but Gilbertson came right back with one for the Tigers and they still maintained their four point advantage, 15-11.

Paul Hanson made good a free throw. Minnick followed with a field goal. The Midgets then cut the Tiger lead to 17-15 when Paul Hanson made another gift shot good and Asbjornson followed with two free throws.

Two quick baskets by Erie put the Orange and Black in the lead 21-15. Virgil cut the margin one fore the quarter ended Minnick point with a free throw. Just became through with a basket to give

over Hendricks

Friday Night,

40-39

the Tigers a 23-16 lead at half time.

The third quarter scoring began when Asbjornson caged a field goal for the Midgets. Erie made good a free throw. Two baskets by Hermansen cut the Tiger lead to 24-22. A free throw and a field goal by Erie gave the Tigers a five point advantage. Asbjornson made good a free toss. Gits tossed in a field goal. Before the quarter ended Asbjornson counted a field goal for the Midgets and Gits did likewise for the Tigers. The score at the end of the third period being 31-25. Then came the thrilling last quarter that has already been described.

Hermansen, the big center for Hendricks, was the high scorer of the contest with 18 points, getting eight field goals and two free throws. His eammate, Asbjornson, and Erie and Gits of the Tigers, were all tied for second scoring honors with 13 points apiece.

Marshall Declam Contest Monday

Marshall high school will choose its representatives for the district declamation contest Monday at the high school.

Two contests will take place at the same time: the Little theater being used for the oratorical division followed by the humorous division; the high school library for the manuscript reading and followed by the dramatic division.

Called for 7:30 p.m., each group will present a full evening's program. Students have spent weeks in preparation for this evening.

Judges will rank all contestants. From this event winners will enter the district to be held at Tracy, March 9. No charge will be made, and the public is invited to attend, said principal Merrill W. Olson.

Tigers Invade Pipestone For Return Game on Friday

The Marshall Tigers journey to Pipestone Friday evening to encounter the Arrows in a return game. The Orange and Black scored a decisive victory here but expect more opposition from the Green and White quint on their floor.

Pipestone tuned up for the Tigers on Tuesday evening by defeating Tracy 47-44 and will be

out to defeat the Tigers on Friday in full blast as the Arrows' victories over the Orange and Black have been few and far between in recent years.

Coach Jay Johnstone will rely upon his usual array of players to add another victory. This means that Gits, Juba, Gilbertson, Minnick, Erie, Rubertus and Coderre will bear the bulk of the burden.

The Tigers close their regular season schedule here next Tuesday evening when they entertain the Luverne five. The invaders have had a rather disastrous season but the local fans can be assured that the Cardinals will be "up" for this contest and will furnish the Tigers with plenty of opposition.

Marshall's first game in the district meet will be against Wood Lake on Wednesday, March 3 at 7:30 p. m. Other teams in the Tiger bracket are Hendricks and co-champ No. 2.

The lower bracket of the district meet will play their first round games at Tracy and will find Lynd pitted against co-champ No. 2 and Tracy meeting Minnesota.

The semi-finals and finals will be played here on Thursday and Saturday nights with the first round consolation games booked for Friday evening here.

The sub-district meet gets underway here next Wednesday with three games booked for that night. Four games will be played on Thursday night, Feb. 26 with the final two games being played on Friday night. The two winners will advance to the district meet as co-champs No. 1 and 2.

Tickets for the sub-district meet can be purchased at the door on the night of the games but tickets for the district are on the allotment basis and no tickets can be purchased at the door on the night of the game.

A Shot That Didn't Go In

Juba didn't score on this attempt during the Tiger-Hendricks fracas here Friday night, when Marshall nosed out the visitors 40 to 39. Photographer Merrill Keith almost hit the jackpot with his shot. Careful study will show that he got nine out of the 10 players in the picture—a rare

occasion in photographing a fast action game like basketball. Reading from left to right, the players are: Minnick, Peterson of Hendricks (behind him are two unidentified players), Herman, Gits, Juba, and Asbjornson and Hanson of Hendricks.—Keith photo.

Three to One Ain't Fair!

This tense moment in the Tiger-Clarkfield game here Feb. 10 shows Greg Gits striving for a short shot and three Clarkfielders doing their best to keep him from doing so. On the left is Dennie Erie waiting for a loose ball. Marshall lost, 47-45.—Keith photo.

Feb. 19

AN ORCHID

To the MARSHALL SENIOR HIGH SCHOOL CHORUS, for a brilliant performance Tuesday night. The young people gave a large audience a skillful, smooth and professional performance. The Marshall community may well be proud of this fine organization.

Feb. 24

Tigers to Close Season Tuesday

The Marshall Tigers will play their final game of the regular season on Tuesday evening when they meet the Luverne high quint on the local floor. Two intra-mural games will be played, the first one starting at 6:45 p. m.

The Tigers will be favored to chalk up their 14th victory in the 19 games on the regular schedule.

They dropped four in a row when Redwood Falls, Lynd, Staples and Crosby-Ironton defeated them, after winning their first three games. Then they came back to run their victory string to eight straight before Clarkfield won an upset victory here on Feb. 10. Since then the Orange and Black have scored victories over Hendricks and Pipestone.

Although Luverne is not as strong as they have been for several years past, they are expected to give the Orange and Black quint a real battle.

Coach Johnstone will rely upon his usual seven men, Gits, Juba, Rubertus, Gilbertson, Erie, Minnick and Coderre, to bring victory to the local school. It will be the last regular scheduled game for Gits and Juba, who graduate this year.

Following Tuesday night's game the Tigers will prepare for their opening game in the district meet on Wednesday evening, March 2, against Wood Lake.

Feb. 19,

Choir Presents Three Concerts in Six Days

The Marshall high school choir, under the direction of George Wingert, has presented three concerts in six days and all before large and responsive audiences. Tuesday night they sang to the public in the auditorium. Sunday they sang in Springfield and Feb. 12 they presented a concert at the high school convocation.

A Springfield high school concert band will give a return concert here shortly. Wingert said the Marshall choir has received many compliments for its handsome appearance in the new robes.—Keith photo.

Feb. 24,

Tiger Cubs Stop Pipestone, 30-24

The Marshall Cubs added a 30-24 victory to their string at the expense of the Pipestone seconds at Pipestone Friday evening.

The Cubs held the upper hand during the entire contest. The first quarter found them leading 10-6 and half time they had an 18-11 advantage. After three quarters of play they were ahead 27-11.

Hoff and Johlfs tied for top scoring honors with 10 points apiece. Laffrenzen was high scorer for the losers with seven points.

Tigers Take 'Sudden Death' Win from Pipestone Arrows

By William Pickett

The Marshall Tigers showed their gameness at Pipestone Friday when, after trailing most of the game they came back to win in the "sudden death" second overtime period, 49-46.

Marshall trailed the entire game except for tying the score at 29-29 once and 44-44 at the end of regulation time.

They took the lead for the first time in the game in the three minute overtime period, 46-44, only to have the Arrows tie it up with two free throws just as time ran out. In the sudden death period Gits scored a free throw and a field goal to give the Tigers the game, 49-46.

It truly was a heart-breaker for the Arrows to lose but the Tigers deserve a lot of praise for their determination to win this game despite the fact that they were having an "off" night.

When the official time out was called with a little less than three minutes left to play the Arrows were leading 41-36 and it looked like their game when play resumed and Nelson dropped in his tenth field goal of the game to make it 43-36.

Juba came through with a field goal for the Tigers and Gits followed with a free throw and when Eric dropped in a field goal the locals were trailing only 43-41.

Demaray made good a free throw to make the score 44-41. Erie made good a free throw to make the Tigers trail by only two points again with about 18 seconds left to play. The Arrows took the ball out of bounds on a foul and were attempting to stall out the game when Gilbertson rushed in and stole the ball and was fouled when he made his shot for the basket. He made good his first shot but missed the second. In the scramble under the basket Gits got possession of the ball and was fouled and given two shots. He needed one to tie the game and two to win as there was only a second or two left to play.

He missed his first attempt but made good the second to knot the game at 44-44 to send it into overtime.

Both teams played deliberate ball in the overtime period, taking no chances at scoring unless the play was pretty well set up. Gilbertson finally dropped one in for the Tigers and they took a 46-44

lead, the first time they had had an advantage in the game.

A disputed two-free throw foul called on Marshall at the close of this period gave the Arrows a chance to tie the score. The dispute arose over the fact that the final buzzer had sounded before the foul was committed but the referee's decision stood and after the floor had been cleared of the crowd that thought the game was over Miller of the Arrows, stepped up to the free throw line and dropped in both of his chances to tie the score at 46-46.

In the "sudden death" period Gits gave the Tigers a one point advantage on a free throw and then followed a little later with a field goal to give the Tigers a 49-46 victory.

The game started with the Arrows taking a 6-9 lead on field goals by Lange, Brown and Nelson before Gits caged the first field goal for the Tigers. Demaray made good two free throws before Gits scored a free throw to make the score 8-3.

Miller then scored a two-pointer for the Arrows and Gilbertson counted with one for the Tigers. Nelson then came through with a field goal. Before the quarter ended Coderre and Gits each made a free throw to make the score 12-8.

Nelson opened the second quarter with a field goal for the Arrows. Coderre and Gits each made a free throw and Erie followed with a field goal to cut the Arrow lead to 14-12.

Two field goals put the Arrows six points to the good again. Erie and Gits retaliated with a field goal apiece to put the Tigers behind by only two points again, 18-16. However before the quarter ended the Arrows added five points to their total on a free throw by Demaray and two field goals by Nelson.

Juba opened the third quarter scoring by dropping in a field goal. Miller scored from the floor for the Arrows and Gits followed with a basket. Nelson counted on a field goal. Coderre made good a free toss but a field goal by Brown put the Arrows ahead 29-21.

The Tigers then displayed their best brand of basketball of the evening and tied up the game on two field goals by Gits and one each by Erie and Rubertus.

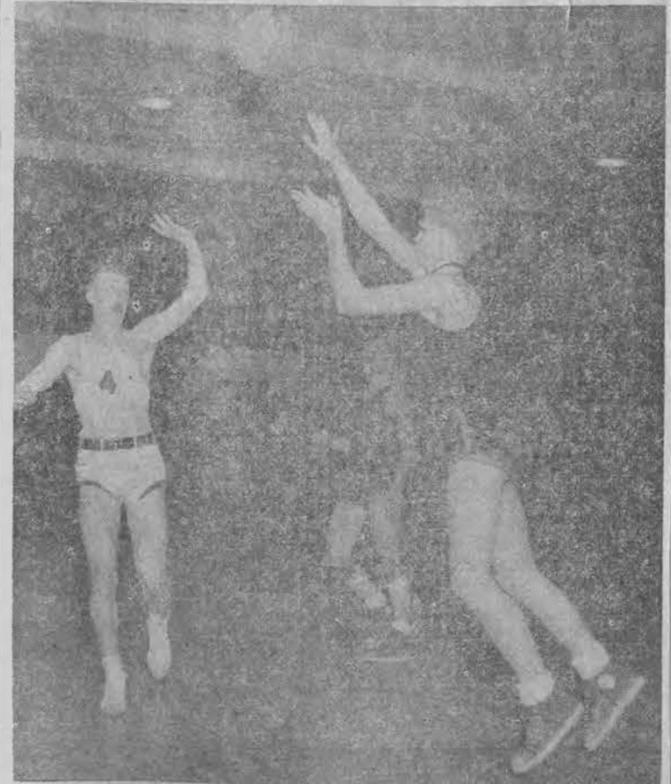

A basket by Nelson put the Arrows ahead 31-29. Gits made a free throw to cut the lead to a single point. Before the third quarter ended Nelson dropped in two field goals to put the Arrows into a 35-30 lead.

The fourth quarter started with Erie making a field goal. Miller made a free throw and Lange did likewise for the Arrows. Gits made good a free toss. Miller added a point from the free throw line for the Arrows. Gits put the Tigers only three points behind, 38-35, with a field goal. Miller counted a free throw for the Arrows and Erie did likewise for the Tigers. Lange made it 41-36 for the Arrows when the official time out was called. The rest of the game was described at the start of this article.

Gits was high scorer of the game with 22 points to his credit. He collected seven field goals and

Tigers Easily Drop Luverne In Season's Closer, 55-34

By William Pickett

The Marshall Tigers scored a lopsided 55-34 victory over the Luverne Cardinals in the final game of the regular season played at the high school gym on Tuesday evening.

It was an easy victory for the Orange and Black quint, although at times during the game their play was ragged. Then they would display a brilliant brand of ball at intervals that was a pleasure for the fans to watch.

The game gave Coach Johnstone a chance to use eleven men and he used them in various combinations in preparation for the district tourney coming up next week.

Juba started the scoring by caging a field goal after the game was only a few seconds old. A goal by Erie and a free throw by Gilbertson made it 5-0 before Luverne scored their first points on a field goal by Thorpe. Kannenberg followed with a two-pointer to make it 5-4. Minnick made good a free throw but Kannenberg evened the count at 6-6 with a field bucket.

From this point on the Tigers gradually pulled away from the Cardinals and the visitors never threatened seriously during the remainder of the game. With the score tied at 6-6, Erie made good two free throws and Steffen made one for the Cardinals. Before the first quarter ended the Tigers ran the score up to 16-7 on field goals by Gits, Gilbertson and Coderre and a free throw by Coderre.

At the start of the second quarter the Tigers made it 20-7 on a field goal and free throw by Erie followed by a free throw by Gits. Kannenberg counted a free throw for Luverne. Rubertus made good a free throw, Gilbertson followed with a field goal and Erie a free throw before Fritz made the next point for the Cardinals on a free throw. Minnick made the score read 25-9 on a free throw. Before the half ended the Cardinals caged three field goals in succession, one by Thorpe and two by Kannenberg, to make the half time score 25-15.

During the third quarter the Orange and Black stretched their lead to 39-25. In this period Gits accumulated seven points on three field goals and a free throw. Erie was credited with a field bucket and three free throws and Coderre came through with a field goal.

Gilbertson led the scoring in the fourth quarter by caging three beautiful shots from the side of the court and helped build up the 55-34 advantage the Tigers held

at the end of the game. Juba made two field goals and Minnick, Rubertus and Erie each one in the final period.

Abild was high point getter for the Cardinals in the second half, scoring 12 points. Five of these came in the third quarter.

Erie copped the high scoring honors for the game by getting 16 points. He was credited with five field goals and six free throws.

Kannenberg of the losers was second in the scoring department with 13. His teammate, Abild, had 12. Gilbertson of the Tigers had 11 and Gits was credited with 10.

Colleen Blake, 15 Hurt in Accident

Colleen Blake, 15-year old daughter of Mrs. Leonard Blake, who was struck by a car Wednesday afternoon about 4:10 p.m., suffered a bruised right knee and a bruised left shoulder. X-rays were to have been taken of her Thursday afternoon to determine possible fracture.

Colleen was struck by a car driven by Ramie Bossuyt of route 4, Marshall police absolved him of blame.

Bossuyt had stopped at the stop sign on fourth street and started again to the right on Main street. The girl was crossing from the creamery over to the Wetherbee corner when she was struck. Bossuyt said he was blinded by the bright afternoon sun. Fortunately he was going at a slow speed and stopped quickly.

The girl was brought into the Producers Cooperative company where she was given preliminary examination by a doctor, who found it was not necessary to hospitalize her. She was taken to the home of her mother.

Night

Hanley Advances in Sub-District

Winston Boe, Hanley Falls star, is caught in his characteristic shooting pose in the Russell-Hanley Falls game in last week's sub-district tourney, which Hanley won 40-24. Russell players in the shot are Duane Goodmund, 4; Arthur Cadwell, 6, and Eugene Dau, 12.—Keith photo.

175 TICKETS AVAILABLE

From all present indications, 175 tickets to the Wednesday night games will be available to the general public in Marshall, and will go on sale at the fire hall at 2 p.m. Wednesday. Principal Merrill W. Olson announced at press time Tuesday.

lic in Marshall, and will go on sale at the fire hall at 2 p.m. Wednesday. Principal Merrill W. Olson announced at press time Tuesday.

Dark Horse Dropped Marshall Last Year

The Marshall Tigers open their quest for the district nine championship on Wednesday evening when they meet the Wood Lake quint in the first of two games to be played on the Marshall floor on that evening. Two district tourney games will also be played on the Tracy high school floor on the same evening. Play starts in both places at 7:30.

The Tigers will meet the "dark horse" of the tournament in the first game and expect a hard battle. The Wood Lake five has a record of twelve wins and two losses. They were defeated by Benson and Morton. Their victories include two wins over the following: Belview, Hanley Falls, Cottonwood and Milroy, and single victories over Wabasso, Echo, Belgrade and Maynard.

Wood Lake has a veteran team and are all "pep-up" for the tournament and will be out to hand the Tigers a defeat. It was Wood Lake that upset the Tigers last year in the game to decide third place in the meet.

The Tigers won 14 games and lost five during the season, which is a good record considering the caliber of the opposition they faced during the season.

Coach Jay Johnstone will rely upon the seven players that have carried the Tiger burden all season to bring the district title to the school. These seven players are Gits, Juba, Erie, Gilbertson, Coderre, Minnick and Rubertus. The other three players on the squad are Kugler, Hoff and Catton.

Following the Marshall-Wood Lake game the fans are due for another thriller when Hendricks and Ivanhos meet in the second game of the evening. Hendricks holds two narrow victories over the Ivanhoe quint, but the latter played three nice games here in the sub-district meet and will undoubtedly cause Hendricks plenty of worry before the game is over.

The two games at Tracy on the opening night will find Lynd meeting Hanley Falls in the first encounter and Tracy meeting Minneota in the second game.

The four winners of Wednesday night's games will play the semi-finals on the Marshall floor on Thursday evening, the first game booked for 7:30.

The championship game will be played Saturday starting at approximately 9:20 p. m.

The four losers in Wednesday games will play in the consolation shall, with the two winners meet-round on Friday evening at Maring for the consolation championship Saturday at 7 p. m.

Prior to the title game on Saturday evening the two losers in the semi-finals will meet to decide third and fourth places. This game will start at 8:10 p. m.

Announce District Ticket Sale Plan

Final plans for district basketball tourney ticket sales were announced Tuesday by Principal Merrill W. Olson.

Tickets are allotted to the various schools in the district according to the size of the school. These tickets are sold in advance by the various schools and there will be no tickets sold at the door on the evening of the games, except for the consolation games on Friday evening.

Persons who do not have a ticket in advance for the games on Wednesday, Thursday and Saturday nights cannot get into the high school as a ticket is necessary to enter the building and

there are no ticket sales at the school on those nights.

Here is the way the tickets for Marshall will be handled. Students in the ninth through the twelfth grades will have the first opportunity to buy tickets. Season ticket holders will have second chance to purchase tickets, students in the seventh and eighth grades have third chance and the rest of the allotment will be open for the public.

Olson stated that there will be tickets available for the Marshall public for Wednesday night's games and that these tickets will go on sale at the old fire hall at 2 p. m. Wednesday on the basis of first come first served. Only two will be sold to one person.

If Marshall wins the first night, tickets for Thursday night's game will be available for season ticket holders in the auditorium immediately after the close of the games and again at the high school ticket booth between 11 and 12 on Thursday. The remaining tickets then will be placed on sale the same as on Wednesday.

The same procedure will be followed again Thursday night and Friday.

However, if Marshall is defeated the number of tickets will be decreased to the extent that only students and a few season ticket holders will be able to secure tickets.

Students Must Be Chaperoned During State Tournament

In regard to the question of high school students going to the state basketball tournament unsupervised and unchaperoned, Principal Merrill W. Olson stated Thursday that Marshall high school firmly agrees with the opinions contained in two statements issued by state organizations as follows:

The board of control of the State High School League: "The Board of Control of the State League strongly recommends that no tickets be sold to students unless and until adequate supervision during the tournament is definitely provided. It is particularly essential that students registering in Twin Cities hotels be provided with capable supervisors."

The Minneapolis Hotel Association: "Room reservations will not be accepted for high school boys

and girls, who come to the city unchaperoned to attend the state basketball tournament."

"As has been requested in the past by school authorities here, parents are asked not to let students go out of town unchaperoned to any athletic events. The parents have cooperated in this request," Olson said.

March 4

Marshall Challenges Granite Falls in State Favorite Here Thursday

The big sports attraction for this week's menu locally is the clash between the Marshall Tigers and the Granite Falls Kilowatts, champions of District Nine and Eleven, respectively, which will take place on the Marshall high school gym floor on Thursday evening starting at eight p.m.

Although the Tigers will enter the game definitely the underdog against the Kilowatts, Coach Johnston's players are not conceding anything to their powerful opponents until the game has been played.

It is almost too much even for the most rabid fan to hope for a Tiger victory but the players are in the right frame of mind for this game and it is our personal opinion that the Kilowatts will know that they have been in a ball game when the contest ends. Stranger things than a Tiger victory has happened in high school tournament play.

Granite is coming here with a string of 34 straight victories which proves that it has a powerful aggregation as they have defeated some good teams during

the season. However, a string of victories like that shows that a team is very likely to get a little panicky if their opposition presses them a little hard and they begin thinking of having their string broken.

The Kilowatts are a veteran team and their all around team play and scoring ability make them the quint they are. Dave Hegna, all-state center last year is their big gun and the battle between him and Gits will be well worth watching, especially if Gits comes up with a ball game like he did last Saturday evening.

The rest of the Granite regulars, Hamre, Johnson, Rehwaldt, Brown and Moe are all excellent ball handlers and they all can collect points.

Coach Johnston will rely up his seven players that have carried the Tigers through a successful season in the game against the Kilowatts. This means that the starting lineup will probably consist of Gits, Juba, Rubertus, Gilbertson and Eric with Coderre and Minnick ready to carry on wherever they are needed.

Opening Game of Regional Tourney

Tigers Overwhelm Vikings, 53-40, for District Title

The Marshall Tigers are the new District Nine basketball champions as the result of their 53-40 victory over the Minnesota quint in the final game of the tournament played on the Marshall high school gym floor Saturday evening.

A capacity crowd filled the gym to witness the title clash and most of the fans expected to witness a close, hard fought game, for during the season the two two quints played two close games with Marshall winning both.

However the Tigers were off to a 8-0 lead before the Vikings scored on a free throw and when the first quarter ended the Tigers were leading 11-4.

In the opening period Gits scored two field goals and two free throws, Juba and Gilbertson each a field goal and Rubertus a free throw.

The Tigers continued to play brilliant ball throughout the remainder of the game and with two men covering tall Gislason and stopping his scoring almost completely the Tigers were never in danger.

At the half time the Orange and black had piled up a 27-12 margin. Gits scored five points in the second quarter, with Rubertus, Gilbertson and Eric making three apiece. Juba had two to his credit.

When the third quarter ended the Tigers were clinging to a 13 point lead, the score being 39-26. Again in this period Gits was credited with five points, Eric followed with four and Rubertus, Juba and Gilbertson each had a free throw.

Play in the last quarter found the Tigers maintaining their 13-point lead

Tiger Roger Gilbertson takes a shot at the basket in Saturday night's district championship game. Charles Friend, Minnesota star, is at his left, while Marshall's Denny Juba watches from the foreground. —Keith photo.

8 from Here to Compete in District Declam Contest

Eight Marshall high school students were scheduled to compete in the district declamation contest scheduled to be held this Tuesday in the Tracy high school.

The eight students were given a rating of "superior" in the local contest held Feb. 23. They are: Humorous division—Kay LeBeau and Barbara Olson; dramatics division—Lee Christenson, Eunice Halvorson and Dorothy Waldorf; oratory division—Helen Joan Nelson and Allen McGlothlin; manuscript reading division—Marie Skramstad.

Winners of the district contest will go to the regional and regional winners to the state.

Marshall Wins District Cage Title

(COMPLETE STORY ON SPORTS PAGE)

Together on the bench immediately following their 53-40 win over Minnesota for the district cage championship, the Marshall Tigers are jubilant over their victory. Left to right are Dennis Erie, Donald Rubertus, Dennis Juba, Gregory Gits (in front row), Coach Jay John-

stone, Royer Gilbertson, Floyd Minnick, Kenneth Catton, Bernie Coderre and Richard Hoff. The Orange and Black quintet meets Granite Falls in regional competition here Thursday. —Keith photo.

Cage Ticket Sale Plan Announced

Tickets for the Marshall-Granite Falls regional basketball game Thursday will go on sale to all season ticket holders at the high school ticket booth at 11 a. m. Wednesday, Principal Merrill W. Olson announced Tuesday.

The booth will remain open until 4 p. m. Only one ticket will be issued with each season ticket he said. Price is 75 cents.

Season ticket holders will not have any other opportunity to purchase tickets. If any tickets are left over they will go on sale to Marshall residents at 2 p. m. on Thursday at the old fire hall down town.

The doors will open Thursday night at 7 p. m. The Marshall rosters will occupy the east side of the gym and the Granite Falls crowd will have the west side. Olson asked that fans from both towns find places in their own section.

Easter Seals Pay for Health Aids

One of the many projects financed by money contributed to the Easter Seal campaign, which started in Lyon county and the state last week, is the audiometer, an instrument used to test hearing. The instrument is owned by the Minnesota Society for Crippled Children, which sponsors the Easter Seal sale and is among many of the same type which are loaned to various schools and organizations. Mrs. Alicemary Ed-

wardson, school and community nurse, is giving an actual hearing test to Terry Bladholm, son of Mr. and Mrs. A. L. Bladholm. All pupils of both schools eventually receive a hearing test. Monday, \$1,125.10 had been received after the first week of the 1948 Easter Seal drive. Contributions may be mailed to the Western State bank, Marshall.—Messenger staff photo.

Three Marshall Cagers Named to All-District Team

Three Marshall cagers were named to the District Nine all-star quintet following the championship game Saturday night. They were Gits, Juba, and Gilbertson. The complete all-district team:

- Wallace Fischer, of Lynd.
- John Trojohn, of Wood Lake.
- Gregory Gits, of Marshall.
- Gerald Soderlund, of Ivanhoe.
- Dudley Heariet, of Lynd.
- Virgil Johnson, of Minnesota.
- Dennis Juba, of Marshall.
- J. Hermanson, of Hendricks.
- Charles Friend, of Minnesota.
- Roger Gilbertson, of Marshall.

Marshall Baseball Club Votes to Plain Southwest Minnesota League

Games Planned Under Lights

Marshall's baseball club will play in the Southwest Minnesota league this summer, according to a decision reached last Sunday by the local organization's board of directors.

Although Marshall's bid to join the league has not yet been acted upon by Southwest officials, its acceptance is expected by Bill Osborne, Doc Henry and other leaders of Marshall baseball.

Last year Marshall played in the Golden Valley league.

The Southwest Minnesota league includes Ivanhoe, Tyler, Balaton, Hendricks and Lake Benton. Russell may join the loop later this spring.

Members of the board of directors of the Marshall baseball club are Bill Osborne, Sr., Doc Henry, Earl Jefferson, Dick O'Connell, Sr., Paul Carrow and Ed Langan.

Pointing out that the board has been unsuccessful in its efforts to join leagues with teams from Willmar, Redwood Falls, Montevideo, Granite Falls, Pipestone,

MARSHALL CLUB SIGNS McNEELEY

Micky McNeelcy, star second baseman with the St. Cloud Rox for the past three seasons, has been signed as playing manager of Marshall's 1948 baseball club. Bill Osborne, Sr., announced Wednesday. Mose Sowada, hustling little catcher who starred with the 1947 team, will also be back.

Worthington and other cities comparable to Marshall in size, Osborne stated Wednesday that "the Southwest Minny loop looks like our best bet for getting good competition within reasonable traveling distance."

"What's more," he added, "we think we can get into the Southwest Minny, and there just aren't any vacancies in the larger cities' leagues."

Marshall baseball this summer will by no means be limited to league play, Osborne said. If the baseball lights are erected at Legion field in June, as expected, there will be dozens of night games this summer against top-flight teams.

The board also hopes for night games against Willmar, Worthington, Montevideo, Pipestone, Granite Falls and Redwood Falls.

Side Lines

By Willy Ho

The high school basketball season that has held sway since the latter part of November is climaxing the season this weekend and next weekend. The 32 district champions chosen last week are meeting in eight regional meets this week to determine the eight teams that will participate in the state meet at the Minnesota University field house next week to crown the 1948 state champion. Every gym that will be used to play the regional games in will be packed to capacity as high school basketball has enjoyed another successful season and there will be many gladdened hearts and many broken ones before the eight champions are named on Saturday night.

The Marshall high school is fortunate to be the scene of one of these regional games and more fortunate in the fact the Marshall Tigers play here. This game is scheduled for Thursday evening and the Tigers will have as their opponents the Granite Falls quint, the team that is a top heavy favorite to win the state title. Local fans are not expecting a victory over the invaders, but all agree that the local boys will be out there battling for victory right down to the final gun.

Much credit must be given to Coach Johnstone and the Tigers for the spirit in which they are looking forward to this game. They realize fully that they are up against a team that has 23 straight victories, but they are going about preparing for this game with the sole idea that they may be the team to defeat the Killowatts. In other words, the Tigers are not conceding a thing to Granite until they have earned it. The seven Tigers, Gits, Juba, Rubertus, Gilbertson, Erie, Minnick and Coderre, who will carry the Orange and Black colors into the fray, are going into the game to win it, and that is a fine spirit to have.

The sportsmanship of the crowd during the district tournament held here last week was a great improvement over that of last year. There was very little "boo-

Winner of Marshall-Granite Game Enters Regional Finals

By William Pickett

Play to decide the Region Three entrant in the state high school basketball tournament next week gets underway Thursday evening with two games being played, one at Marshall and the other at New Ulm. On Friday evening the two winners meet at Redwood Falls in the championship game.

The Marshall Tigers run up against the high powered Granite Falls Killowatts in the game scheduled here. In the New Ulm game it will be Echo, the quint that defeated Redwood Falls and Springfield for the district title, against Hutchinson.

The Killowatts are heavy favorites to chalk up their 24th straight victory of the season. However, they do not want to take this contest too lightly as the Tigers are in a clawing frame of mind and there is always a chance of an upset in any high school contest.

Coach Johnstone and his Tigers are determined to put up a gallant fight against the state title favorites. They are going on the floor to win the game and you

REGIONAL TICKETS

If Marshall wins the game with Granite Falls Thursday night, tickets for regional finals, to be played Friday night at Redwood Falls, will go on sale to season ticket holders and students in the 7th-12th grades at the high school ticket booth at 11 a. m., and any remaining will be sold to the general public at the old fire hall beginning at 2 p. m. "If, for any unforeseen reason, Marshall does not win, no tickets will be available," said Principal Merrill W. Olson.

can't beat that for school spirit. The Tigers' starting lineup will probably be the same as the one that started the district championship game. That means that Gits, Juba, Rubertus, Erie, and Gilbertson will be out there. Minnick and Coderre will be ready to enter the fray whenever needed.

The Killowatts will undoubtedly start with Hegna, Hamre, Rehwaldt, Johnson, Moe or Brown as their lineup.

In the game at New Ulm, the outcome is difficult to determine, but Echo is classed as a slight favorite.

There will be play in four other regions on Thursday night with the other three regions getting underway on Friday evening. In

region one Waseca meets Rochester in the feature game. In region two at Mankato it's Mankato vs. Blue Earth, and at Pipestone it's Mountain Lake vs. Slayton. Region five play is at the University field house and will find Delano meeting St. Cloud in one game and Hopkins meeting North high of Minneapolis, if that team is able to play due to the school strike. Region six games are at Fargo with Sauk Rapids meeting Barnesville and Crosby-Inton playing Breckenridge.

The game at Marshall starts at 8 p. m. with the doors opening at 7 p. m. There will be no sale of tickets at the door. You must hold a ticket to get into the building.

All-District Cage Team Announced

Members of the All-District Nine Cage team, presented to the crowd following the championship game Saturday night in the Marshall high school gym, are, left to right, back row: Paul R. Palmer of the district committee, Hanley Falls; Charles Friend, Minnesota; Virgil Johnson, Minnesota; J. Hermanson, Hendricks; Gregory Gits, Marshall; John Trojahn, Wood Lake; Dudley Heariet, Lynd; and, front row: Gerald Soderlund, Ivanhoe; Dennis J. Marshall; Wallace Fischer, Lynd; Roger Gilbertson, Marshall.—Keith photo.

5 Marshall Declam Contestants Win

Five of Marshall's eight representatives in the District Nine declamation contest held at Tracy on Tuesday brought back superior ratings. The five will compete in the regional contest at Ken-ville, April 2.

Alan McGlothlin and Helyn Joan Nelson competed in prepared oratory. Helyn gave "The Power of Books" which rated superior and Alan gave "The Man Who Talked with Flowers", receiving an excellent rating.

In dramatic reading, Eunice Halvorsan gave "Illusion"; Dorothy Waldorf, "Number Three on the Docket"; Lee Christensen, "The Murder of King Duncan". Eunice rated excellent and Dorothy and Lee superior.

Marie Skramstad read "Chicago," by Carl Sandberg, in the extemporaneous manuscript division.

In the humorous division, Barbara Olson gave an extract from the play "Arsenic and Old Lace," and Kay LeBeau, "A Midsummer Night's Dream." Both these selections received superior ratings.

Contestants were coached by Miss Eva Mae Cann, Miss Helen Sullivan, and Miss Ursula Costello.

Pupils Invited To Tracy Circus

Clowns, elephants, acrobats, aerialists, educated horses, tight wire walking, beautiful girls, in fast all the trappings of the "big top" will perform March 15, 16 and 17 when the Hollywood Indoor Circus comes to the Tracy Municipal building.

The show is composed entirely of Shrine Circus acts and all children of Lyon, Redwood and Murray county schools will be provided with free tickets by merchants of Tracy.

Marshall students, who can show slips signed by their parents, will be excused Monday, March 5 at 1 p.m. and they may attend the matinee which starts at 2:30 in the Tracy Municipal building.

He said the Municipal building can seat 2,000 persons. Afternoon performances start at 2:30 and the night show at 8:15.

Lyon Spelling Bee Here March 20

The annual Lyon county spelling bee will be held at the courthouse in Marshall Saturday, March 20, at 2 p.m., Miss Jennie M. Frost, county superintendent, announced Thursday.

Each school, city or rural, will select one champion speller, under 16 years of age and in the eighth or a lower grade. Last year there were 25 entrants in the county contest.

The county winner will enter the state contest April 17, sponsored by the Minneapolis Tribune, and the state winner will be entered in the national finals in Washington D. C., May 25-29. The winner will receive a certificate of award, and cash prizes will go to all who compete in the state contest.

AN ORCHID

To MRS. GEORGE F. WINGERT, Jr., who this week baked six cakes and delivered them to the six players who have carried the biggest share of playing the Marshall high school basketball schedule this year. We're sure they were appreciated—both for the spirit behind the gift and for the good eating qualities of the cakes.

Granite Edges Marshall 44-41;

Kilowatts Win in Overtime Period

By William Pickett

The Marshall Tigers lost a thrilling overtime game to the Granite Falls Kilowatts in a first round game of region three play Thursday, 44-41. The game was played on the Marshall high school floor and was witnessed by a capacity crowd.

The underdog Tiger quint put up a courageous battle against their favored opponents and were leading 38-38 with only 15 seconds remaining when Gullickson dropped in a long field goal to tie up the game.

In the overtime period that followed Hamre and Hegna put the Kilowatts out in front 42-38 with a field goal apiece. Gilbertson made good a free throw for the Tigers. Gullickson then put the game on ice for the Kilowatts by caging a field goal to make the score 44-39. Before the game ended Gits connected for a field goal to make the final score read 44-41.

The game started with Gilbertson getting the first point of the game on a free throw. Hegna tied it up with a free toss. Gits then dropped in the first field goal of the game to put the Tigers out in front 3-1. Hegna soon afterwards tied it up with a 100-pointer. A free throw by Hamre put the Kilowatts in the lead and two quick field goals by Johnson and Hegna gave Granite an 8-3 lead.

Gilbertson made it 8-5 with a field goal. Before the first quarter ended Rehwaldt and Gits each made a basket to make the score 10-7.

A field goal by Gits opened the second quarter scoring. Hamre caged a two-pointer for the Kilowatts. A free throw by Rubertus and two by Hegna made the score read 14-10 in favor of Granite. Gits narrowed the margin two points with a field goal. Hamre made good a free throw. Rubertus brought the Tigers within one

point of the Kilowatts by making good on two free throws.

Johnson made the score 16-14 with a free toss. Gits then tied the score at 16-16 with a field basket. Hegna put his team back in the lead with a basket but Juba tied it up again with a field bucket.

Before the half ended Eric worked his way in for a field goal and as the teams left the floor the Tigers were leading by a 20-18 score.

With the start of the second half the Tigers grabbed a 26-18 lead. Gilbertson scored first on a field goal. Eric followed with a free toss. Rubertus made good on two free throws and Juba made a free throw good. The Kilowatts cut the margin to 26-21 on a field goal by Hamre and a free throw by Brown.

Gits made it 27-21 with a free throw. Hegna then came through with a field goal for Granite. Eric made a free throw and Hegna did likewise and then followed with another field basket to narrow the Tigers' margin 28-26. Before the quarter ended Gits made the score 30-26 with a field goal.

The fourth quarter started with Eric making good a free throw and a field goal to give the Tigers a 33-26 advantage.

Hamre and Hegna then counted field baskets to narrow the score to 33-30. Eric put the Orange and Black out in front 35-30 by making good on two free throws. Hegna came through with a field goal for the Kilowatts but Eric came right back with one for the Tigers. Johnson made good a free throw but Rubertus did likewise and the Tigers still clung to a 38-34 lead. The Orange and Black went into a stalling game and Hamre intercepted a pass and dribbled in for a basket. With 15 seconds remaining the Kilowatts again got possession of the ball and Gullickson let a long one go from far out on the court and it was good and the score was tied up at 38-38. Neither side could score in the remaining time although the Kilowatts missed two set-up shots, one by Hegna. Then came the overtime session and victory for the Kilowatts.

The honor of being the best player on the floor for the evening goes to Gits, the Tiger center. He played the greatest floor game displayed on the local floor in a long time besides being high point man for his team with 15.

Hegna, the Kilowatts' all-state center, was leading scorer with 20 points, but his floor play was not up to the standard displayed by Gits.

March 16,

Hutchinson Wins

in Finals

Basketball came to an end in Marshall for the season last Thursday evening when the Tigers lost a heartbreaker to the Granite Falls Kilowatts in an overtime game by the score of 44-41. The Orange and Black came within 15 seconds of springing the prize upset of the year by defeating the Kilowatts, but a long basket by Gullickson, a substitute player, knotted up the game and then they scored two quick field goals in the overtime to clinch the victory.

Coach Jay Johnstone and his players deserve a lot of praise for the brand of ball they displayed against the Granite quint, the team that was favored to win with ease. In meeting the Tigers, the Kilowatts ran up against a quint that were pressing them hard throughout the entire game and before the game had progressed very far they discovered that the Orange and Black boys were not awed by meeting a team with a string of 23 victories.

Local fans had heard and read so much about Hegna, the Granite Falls center, that they went to the game expecting him to be the star of the game. He did play a good game and was high scorer of the game with 20 points, but there was a player on the floor that played a far better game than he did that evening. We are referring to Gregory Gits, the Orange and Black center. If ever a boy deserves a world of praise, Gits does, for he stood out on the floor for his play that night like the evening star does in the sky. On both defense and offense he was a power, and it was a pleasure to watch him play. He gave his "all" for a win which did not come. The rest of the Tigers should not be slighted for they all played a fine game, but we just can't help commenting on Gits' remarkable play that evening.

This region will be represented at the state meet, which opens on Thursday afternoon at the University of Minnesota field house, by the Hutchinson quint. Hutch won the region three title by knocking off Granite Falls in the title game at Redwood Falls by the score of 42-37. As one sport lover in Marshall is reported to have said, "We murdered the Kilowatts on Thursday evening and Hutch buried them on Friday ev-

ening. Hutch won the right to play Granite by winning a 40-39 victory over Echo at New Ulm on Thursday night.

Hutchinson will play its first game in the state meet on Thursday evening at 9 p. m., when they meet Bemidji. The Hutch team has been coming along fast the latter part of the season and are expected to make a creditable showing at the state classic. They have a great play maker and ball handler in Gravin, a 220-pound guard, and in Wyttenhove they have a tall boy who can ring up the points. Good luck to you, Hutch.

The other six teams to compete in the state meet and the schedule for the first round games are as follows: Hopkins vs Crosby-Ironton at 2:30 p. m.; Anoka vs Hibbing at 3:45 p. m. These four teams form the upper bracket. Prior to the Hutch-Bemidji game, Mountain Lake meets Waseca at 8 p. m. and these form the lower

bracket. This is the first state meet in several years that the twin cities or some of the other larger cities are not represented. Hibbing is the largest city in the state and they rank eighth in the state. The total population of the eight school competing for the title is only about 50,000.

The writer has been predicting the outcome of the tournaments to date and so far the crystal ball has been pretty good. In the district we were right on five of the six predictions made. In the regionals last week we hit five out of the eight. We guessed right on Waseca, Bemidji, Anoka, Crosby-Ironton and Hibbing and missed on Granite Falls, Mankato and Delano. When one goes out on the limb in a state meet he is just inviting a fall but here goes. We pick Crosby-Ironton, Hibbing, Waseca and Bemidji to win the first round games. We pick Crosby-Ironton and Waseca to enter the finals and Crosby-Ironton to win the title.

March 16,

Members of the Granite Falls Kilowatt squad, which eked out an overtime period victory over Marshall here last Thursday, but went down to defeat in the regional championship game with Hutchinson Friday at Redwood Falls, are shown above. Left to right, front row, are, "Red" Rehwaldt, Harvey "Vess" Johnson, Joe Blindt, Ernest "Ernie" Hansen and LeRoy "Cack" Couet. Back row, Charles "Chuck" Brown, Paul Moe, Arden "Pudda" Gullickson, Hadley "Smed" Hamre, David "Big Gun" Hegna and Managers Wayne Owen and Arlo Swanson.—Cut Courtesy of Granite Falls Tribune.

In a tense moment in the Marshall-Granite Falls game Thursday are, left to right, Marshall's Gregory Gits, Granite's Dave Hegna and Hadley Hamre, and Marshall's Dennis Eric.—Keith photo.

State Tournament Tickets All Sold

Tickets for the state basketball tournament are all sold out, and none will be available through the local high school, Principal Merrill W. Olson said Tuesday. More than 12,000 ticket orders were received the first day tickets were on sale, and only 4,000 tickets were available, according to word from the headquarters of the state high school athletic league.

Marshall Kindergartners Entertain Parents at Circus

Members of both morning and afternoon groups of kindergartners being taught by Miss Lila White in the Marshall public school staged a circus last week, complete with clowns, animals, 'n' everything. Parents were invited to the performances. Shown here is the morning group. From right to left, in the back row, the children are Canadace Popkin, Pamela Davis, Alberta DeSleer, Catherine Sicard, next (in a tiger mask) Diane Obe, Wayne Anderson, David Kidder, Michael Oberg, David Graffunder, Gary

Adams, Wayne Riechard, Joyce Beernaert (in a tiger mask), Lynn Ahlin, Jerry Baldwin (in an elephant mask), Jimmy Anderson (in a lion mask) Judy Nelson (in another elephant mask). In the front row, right to left, are Donald White, Jerry Reese, Karen Berger (in a lion mask), Val Nysten (in a tiger mask), Paul Thorton and Clayton Smith (in a tiger mask). Miss White is seated at the right behind the last row.—Messenger staff photo.

Marshall, Mountain Lake Are Conference Champions

Marshall high school tied for first place standing in the Southwestern conference in basketball with Mountain Lake. The Tigers have a perfect record of six games won with no losses; Mountain Lake nine wins and no losses.

Marshall won over Pipestone, Luverne, Tracy, and Windom. Six games are necessary to qualify for the championship.

Next year the Tigers will add Mountain Lake and Slayton to their schedule.

STANDINGS		
Mountain Lake	9	0 1.000
Marshall	6	0 1.000
Worthington	9	4 .692
Lakefield	6	5 .545
Pipestone	5	5 .500
Slayton	4	6 .400
Jackson	3	6 .333
Tracy	2	5 .286
Windom	4	8 .333
Luverne	0	12 .000

To MERRILL KEITH for his remarkably faithful job of photographing Marshall high school athletic events in recent months—and for his cooperation in making his excellent photographs available to some 3,500 Messenger subscribers and their families.

Marshall Play Wins Superior Rating

Marshall thespians won a "superior" rating in the district one-act play contest held at Tracy Monday, entitling them to enter the regional contest at Renville April 2.

Marshall's play was "Cracked Ice," by Guernsey LePelley. The setting of the play is somewhere east of Kobuk, over the Arctic circle, in an isolated radio weather station. Clarence Blair as Barney Monroe and Larry Henle as Elmer Backlash play the parts of two lonely weather men. Mary Meehl as Itsu, an Eskimo witch-woman. Marilyn Mills as Beautiful; and Richard Regnier as Steve

Hambrook almost convince Barney and Elmer that they should return to civilization.

The production staff consisted of: make-up, Mary Lou Ehrreich and Jean Soucy; properties and costumes, Margaret Ford; sound effects, Marilyn Bailey. Prompter was Cecelia Bromen; stage manager, George Nielsen; moral support, Kenneth Catton.

State Cage Tournament Holds Spotlight

Tiger Squad Sent By Businessmen

With the state high school basketball tournament attracting most of the attention of fans and players this coming weekend, athletic activity at the Marshall high school is at a standstill until after the Easter vacation.

The Tiger basketball tournament squad and their coach, Jay Johnstone, are taking in the state meet at the University of Minnesota field house.

The boys attending the games are Gregory Gits, Dennis Juba, Dennis Eric, Roger Gilbertson, Donald Rubertus, Floyd Minnick, Bernie Coderre, Kenneth Catton, Dean Johlfs and student manager Duane Addison.

The Tiger players are making the trip with the help of Marshall businessmen. Merrill Keith was in charge of the collections and he turned over \$130 to athletic director Merrill Olson to help defray the expenses of the trip. Olson said the boys feel that the interest shown by the businessmen will do much to further athletics in the high school in the future.

The squad will take in the four first round games being played on Thursday afternoon and evening. Two consolation games are booked for Friday afternoon with the semi-final games on schedule for Friday evening. The championship game is booked for Saturday evening. The consolation championship will be the first of three games Saturday starting at 6:30 p. m.

Al Tighe, KMHL sports announcer, will be at the field house to bring a play-by-play account of every game played in the tournament to listeners in this section of the state who are unable to attend the games.

With the resumption of school, after vacation, and as soon as the weather permits, spring football and track practice sessions will start in earnest at the Marshall high school.

The football practice will find Coach Jay Johnstone in charge while Coach Keinholtz will have the track men under his guidance.

as Local Basketball Season

Closes

Two Scholarship Winners Named

Two Minnesota high school seniors, Douglas Dahlin of Minneapolis and Edith Hazel Kreun of Chandler, have been awarded four-year college scholarships, complete with transportation, tuition and allowance expenses, by the Pepsi-Cola company, according to a new release from John M. Stalnaker, director of the Pepsi-Cola scholarship board.

Winners were chosen from among 1,359 Minnesota candidates representing 348 public, private, and parochial schools. A total of 46,112 boys and girls from 10,629 high schools in the United States, Alaska, Hawaii, and Puerto Rico entered the competition, Stalnaker said.

Marshall had four entrants in the contest, Dwane Addison, Lee Christenson, Starr Snodgrass and Dodothy Waldorf. Dwane and Lee were placed in the top bracket of competitors, although they were not awarded prizes, Principal Merrill W. Olson has been informed.

March 23

Occupation Survey Results Told PTA

Members of the Marshall PTA Tuesday night heard an exposition by students of the high school business methods class of the results of the student occupational survey of the city.

The committee in charge of the lunch served afterwards included Mrs. Harry Heine, chairman, Mrs. Otto Christenson, co-chairman, Mrs. Morris Hunter, Mrs. Howard Ness, Mrs. M. L. Beeson, Mrs. Fremont Paine, Mrs. Walter Swenman, Mrs. B. J. Zabel, Mrs. Jack Wyatt, Mrs. Lloyd Tack and Mrs. T. E. Appen.

Marshall Students Enter Flax Belt Essay Contest

Under the supervision of L. J. McCann, agricultural instructor, students of Marshall high school agricultural classes have entered the 1948 essay contest sponsored by the Flax institute of the United States.

Other Lyon county high schools which have entered the contest include Russell and Tracy.

"How Flax Contributes to the Wealth of My Town," and "Why Flax Is a Good Crop for My Father's Farm," are the two topics selected for the contest. In gathering material for the essays, students not only become acquainted with modern farming methods, but learn of the important part which agriculture plays in the every day life of the town dweller.

The student in each high school who submits the winning essay on each subject will receive a \$5 cash award as well as a certificate of merit. State winners in each subject will receive \$25. A "flax belt" winner selected from the winning essays from North and South Dakota, Minnesota and Iowa, will have the choice of accepting either \$100 in cash or a \$100 scholarship in an agricultural college of his own choosing.

School Spelling Champions In County Contest Saturday

Winners in town and country school spelling contests, who will compete for the county spelling championship Saturday at 2 p. m. at the courtroom in the Lyon county courthouse in Marshall, were announced Thursday by Miss Jennie M. Frost, county superintendent of schools.

Winner of the county contest will participate in the state spelling bee at Minneapolis April 17, competing for the right to represent Minnesota at the national contest at Washington, D. C.

County contestants, 13 in all, are:

- District 6 (rural), Ray DeKing.
- District 8 (Marshall), Scott Eddie.
- District 11 (Russell), Betty Swanson.
- District 13 (Amiret), Katherine Nelson.
- District 15 (Cottonwood), Loren Kolhei.
- District 20 (Minneota), James Swanson.
- District 26 (Green Valley), Janice Voss.
- District 30 (Tracy), June Hedger.
- District 35 (rural), Virginia Mowery.
- District 46 (Balaton), Mary Mutschler.
- District 47 (Garvin), Delores Schuler.
- District 49 (Burchard), Margaret Lutterman.
- District 78 (Florence), Leonard Haurae.

Scott Eddie Wins County Spelling Bee

Scott Eddie, son of Supt. and Mrs. George Eddie of Marshall, won first place in the Lyon county schools spelling contest held Saturday afternoon in the courtroom of the courthouse. He is shown fifth from the left in the rear row. Second place went to Betty Swanson of district 11, Russell. June Hedger, district 30, Tracy and Leonard Hauge, district 78 Florence, tied for third place. Katherine Nelson, district 13, Amiret, and Loren Kolhei district 15, Cottonwood, tied for fourth place.

In the front row left to right, are: Janice

Voss, district 26, Green Valley; Margaret Lutterman district 49, Burchard; Loren Kolhei; James Swanson district 20, Minneota; Leonard Hauge; June Hedger; Katherine Nelson; Virginia Mowery, district 35, rural; Mary Mutschler, district 46, Balaton; Delores Schuler district 47, Garvin; Betty Swanson, Scott Eddie; Roy DeKing, district 6, rural. Young Eddie will compete in the Minneapolis Tribune spelling bee April 17 for the state spelling championship.—Messenger staff photo.

March 25,

14-Year Old Youth Saves Child from Drowning in River

Kermit Julian, 14-year old son of Mrs. Anna Julian, dived into the icy, flooded waters of the Redwood near the second street bridge Tuesday afternoon about 3 p. m. and rescued nine-year old Janice Deming with the assistance of Mrs. Emmett Saunders and young Walter "Jimmy" Myers.

Mrs. Saunders, who lives at 204 west Marshall street, saw the start of the near tragedy. She said:

"I looked out the kitchen window and noticed three girls playing at the edge of the water near the bridge. I was just about to raise the window and warn the girls when one of them bent over the water and lifted one foot. As she did so she slid in and the current took her about 10 feet out.

"I called to Mrs. Harry Addison, Jr., who lives next door and then ran out to the girl. I took a tree branch and held it out to her, but she didn't seem to sense the idea because she was so frantic and afraid."

Young Meyer said: "We were coming down the street when we noticed some excitement near the bridge. A lady was holding a stick out to the girl in the river. I saw her go under a couple of times. She was about 10 feet from shore. Then Kermit dived in after her."

Kermit could not be reached for his own account, but Mrs. Saunders filled in parts of the rescue story. She said she heard him tell Janice to put her arms around his neck and when she did so he started swimming for shore. He was having some difficulty so young Meyers waded in and grasped Kermit's hand. Mrs. Saunders, in turn took Jimmy's hand and the girl was saved.

She was brought to the Saunders house and a doctor was called for advice on what treatment to give her. He told them to place her in a tub of warm water.

The Saunders basement was flooded and had no hot water, so Janice was taken to the Addison house and placed in a tub. Later she was dressed in other clothing and taken to the farm home of her parents, Mr. and Mrs. Lester Deming.

Kermit and Jimmy both got colds out of the situation and Mrs. Saunders said she still feels jittery.

Janice fortunately, because of the hot tub, came out of the rescue without even a cold.

Marshall Musicians Advance in District Contest at Tracy

April 6

Larger Groups to Compete Saturday

Nine Marshall high school music students, who won "A" ratings at the district music contest in Tracy Saturday, will compete in the state-regional contest April 30 and May 1.

These students consist of small groups and soloists. The large groups, including the band and choruses will compete in the second half of the district contest, scheduled to be held this next Saturday, in Tracy also.

The state-regional contest will be held April 30 and May 1 in Minneapolis and in Tracy in May. George Wingert, head of the music department, said it has not yet decided where the Marshall students will compete.

Those who will compete in the state contest, among the smaller groups and soloists are: the flute trio composed of Carolyn Henderson, Margaret Ford, and Gloria Johnson. Dolores Kelly is the accompanist. Roger Wetherbee, clarinet soloist; Jee Christenson, baritone soloist; Virginia Young, pianist; Lee Christenson, pianist, and Barbara Nixon, pianist.

Others who competed in the district were:

Ardyth Henderson, cornet soloist; John Wetherbee, Vincent Harris, Ellen Blake and Arlen Sneltjes, trombone quartet; Dorothea Rupp, coronet soloist; Barbara Schwandt, clarinet soloist; Roy Lindgren, snare drum soloist; Virginia Young, Lotus Ogle and Mary Lou Ehrreich, three soprano soloists; Shirley Doose, contralto soloist; Virginia Young, Mary Lou Ehrreich, Nancy Nelson, Marie Skramstad, Harriet Schrunck and Shirley Doose, senior high school girls' sextet, directed by Miss Janet Lindell.

Local Crop Team Wins in District

The Marshall high school agricultural crops team will represent district No. 4 at the state judging contest by virtue of winning the district contest in Windom last Saturday.

The state contest will be held at the University of Minnesota in conjunction with the annual convention of the Future Farmers of America May 24, 25 and 26.

Kenneth White of the Marshall team was high point man for all teams with 1111.3 points out of a possible 1200. Kenneth won second place in individual judging in competition with 60 boys from 16 schools.

Duane Pagel amassed 1076.6 points for sixth place in individual judging. Joe Martin, the other member of the Marshall team made 1020.7 points.

Frank DeSier was first alternate and George Gagnon was second alternate.

The boys were accompanied to Windom by Loyal McCann, their coach and high school agricultural

instructor. Some of the towns represented at the contest were: Jackson, Worthington, New Ulm, Springfield, Windom, Luverne, Garden City, Mountain Lake, Lakefield, Pipestone and Tracy.

April 6

Anita Erie Third In State Contest

April 1

Anita Erie, Marshall high school senior, won third place in the high school division of the annual state poster contest on cancer sponsored by the Minnesota division of the American Cancer society.

Marraine Lueders of Henning took first place and Lois Mae Clark of Coleraine took second.

In the grade school division, Jerry Osterbauer of DeGraff took first, Phyllis Burgess of Moorhead, second and Donald Parks of Akely, third.

Cancer Subject for 'Neighbors Speak Up'

April 1

Cancer and Minnesota's new cancer detection center will be the subject of "Neighbors Speak Up," to be broadcast from 9:30 to 10 p. m. Thursday evening over KM-HL.

Mrs. James E. Paulson will be moderator. Dr. J. E. Murphy, Mrs. Larry Kienholz and Mrs. M. F. Ramige will participate in the panel discussion.

April 1

With the resumption of school on Tuesday Coach Larry Kienholz issued a call to track candidates and although the weather hasn't been favorable for outdoor work as yet, the boys are getting themselves into condition for the coming meets. The Tiger track team lost their big three of last year, Julian in the dashes, Ice in the hurdles and Jansen in the pole vault, by graduation and it will be interesting to watch Coach Kienholz develop new boys to fill these gaps. The first meet for the tracksters will undoubtedly be the St. John's relay on May 1 at Collegeville. Other meets will probably include the invitational meet here, the district and regional meets.

Coach Jay Johnstone will not hold football practice until after the district track meet which will probably be held on May 14. Plans are for a two weeks session. By starting at this late date it will give all the boys a chance to try out for the track team and when the gridiron sessions get underway most of the boys will be in condition to start heavy work immediately.

April 6

Tracksters Prepare for Season

Opening; St. John's Relays May 1

Kienholz Grooms New Set of Stars

By William Pickett

Coach Larry Kienholz and the candidates for the 1948 Marshall high school track and field team are busy these days preparing for the meets that are scheduled to be held this season.

The first meet the Tigers will participate in will be the St. John's relays at Collegeville. This has become one of the big track events in the state and it is expected that over 60 schools will enter this year in the different classes. The local tracksters have always made a good showing at this meet and they hope to keep up the good record this year. This meet is scheduled for Saturday, May 1.

The following three Saturdays the Marshall high school will play hosts to schools in this section of the state.

On Saturday, May 8, the invitational meet is scheduled for Legion field. This meet was held for the first time last year and proved to be such a success that it is hoped it will become an annual event.

The district meet is scheduled for Saturday, May 15. The Tigers have won this event for a number of years and hope to repeat this year.

On Saturday, May 22, the region 3 meet will be held here and this meet always proves to be one of the best held in the state. The state meet is scheduled for the University of Minnesota on June 1.

This year will find a change in effect in the district and regional meets. Each school in the district will be allowed to enter only two men in each event. Only those finishing first and second in the different events will be eligible to take part in the regional meet and only one relay team from the district can enter the regional. In the regional meet the same rules hold, that is the first and second place winners will be the only

Bruce Carrow is expected to be a point getter for the Tiger track team this year and he is now working on the dashes, broad jump and weights.—Messenger staff photo.

ones eligible for the state meet.

It is too early to predict much on the strength of the Tigers this year. They were hard hit by graduation last year as Roger Julian, who set two records in the regional last year in the dashes, Larry Ice, who set a new school record in the hurdle events and Bob Jansen who set a school pole vault record, all received their diplomas.

However, Coach Kienholz believes that the holdovers from last year's team which include Donovan Catton in the dashes, Lester Gieneart in the weights, Richard Kerkvliet in the pole vault, Dennis Erie in the hurdles and broad jump and Roger Gilbertson in the high jump will form the nucleus for a strong team this season. Bruce Carrow is showing up well in the dashes, broad jump and weights in practice and is expected to win some points for the Ti-

gers this year.

Coach Kienholz hopes that he will be able to uncover some new stars among the candidates working out before the regular meets get underway.

Coach Harry Ahlin reports that there are 45 boys out for the junior high school team. This includes boys from the 6th, 7th, 8th and 9th grades.

The juniors have two meets booked. They will journey to Redwood Falls and Pipestone. The relay team will take part in the district meet here.

This is one of the largest turnouts that the junior high school has ever had and the experience these boys gain now should help them considerably when they move up to the high school squad.

Several Men from This Territory on St. John's Squads

Athletes from Marshall and vicinity play an important part in the sports programs of St. John's university, Collegeville.

When the raiders baseball team opens the season against Hamline at St. Paul April 23, Bill Osborne of Marshall will have a certain berth in the outfield. Bill batted .363 last spring while playing center field, until forced to the bench by a fractured ankle.

Ed Hasbrouck, also from Marshall, worked briefly as a pinch-hitter last season and he has a good chance to land an outfield berth this year, according to the publicity department of the university.

Another outfield candidate is Dick Kramer of Milroy. Kramer's work on the Milroy team was outstanding.

Murnane Maenhout of Marshall is one of six lettermen on the St. John's track team this year. His forte is field events. Another candidate for the track squad is Frank Sovell of Ivanhoe and he will try for hurdling honors.

St. John's opens the track season April 24 when they will meet Augsburg at Collegeville.

Barney Gervais, another Marshall man who has done well at St. John's, particularly in basketball and football, is carrying a heavy pre-dental course and this year has limited his athletic activities.

April 13

Band and Chorus Win 'A' Ratings

Both the Marshall high school band and chorus won "A" ratings at the district music contest at Tracy Saturday.

Marshall is the only high school in the district large enough for class "B" competition (schools with more than 250 pupils in the last three grades) but since competition in music contests is not against other schools, but against a standard of perfection, the rating means just as much as if won against competition. George F. Wingert, Jr., high school music director, pointed out.

Sixteen other schools had entries in the class "C" competition, including Sleepy Eye, Lamberton, Springfield, Cottonwood, Minnetonka, Canby, Lynd, Tyler, Ivanhoe, Russell, Tracy, Balaton, Milroy, Walnut Grove, Lake Benton, Hanley Falls and Ruthton.

Valedictorian to Be Announced April 23

The valedictorian of Marshall high school and the 10 ranking seniors scholastically will be announced April 23, Principal Meril W. Olson said Thursday.

All But Seven Teachers Sign For Next Year

All Marshall public school teachers except seven have signed contracts with the board of education to return next year, Supt. George A. Eddie announced Tuesday.

Of those who are not returning, one, Miss A. Brobeck, is retiring. Another, Miss Lila White, plans to be married. The others have made other plans, he said.

Miss Brobeck is high school librarian and Miss White a kindergarten teacher. The others who do not plan to return to Marshall are Mrs. Kathryn Roth, third grade; Miss Janet Lindell, junior high music and English; Miss Paula Hammer, sixth grade; Miss Mary Lou Walker, home economics, and Miss Betty Benson, girls' physical education.

Superintendent Eddie said that members of the board are gratified that so many of the teachers are returning and believe that the liberal local salary schedule and policy are a principal reason, together with confidence in the board.

Marshall's salary minimums, he pointed out, are equal to those for which the Minnesota Education association is seeking to secure statewide adoption. These are \$1,800 for teachers with two years of training and no experience, \$2,200 for those with three years training, \$2,400 for four years training and \$2,600 for five years training.

In additional amounts paid for greater experience, Marshall standards also agree in general with those sought by the MEA.

A joint faculty-school board committee has met every two weeks during the past year to discuss salary policy, Eddie said. Last year this committee consisted of E. A. Seifert, Dr. W. W. Yaeger and Herman Schwandt from the board and Miss Brobeck, Miss Johanna Dolgaard and Harry Ahlin from the faculty.

Through this committee a plan was adopted giving servicemen credit for time spent in the service.

Two Speak in State Declamatory Contest

Kay LeBeau, right, and Lee Christenson represented region three in the humorous and dramatic divisions respectively at the state high school speech contest held Friday at the University of Minnesota. Center is Miss Ursula

Costello, English teacher and speech and dramatic coach. Neither placed at the state meet. The regional was held April 2 at Renville with 63 schools competing.—Messenger staff photo.

April 13

Side Lines

By Willy Ho

Candidates for the Marshall baseball team are working out nightly at Legion field in preparation for the coming season. The workouts are in charge of acting manager Buddy Nelson. Local fans will see some new faces in the lineup this year and when the weather really warms up it is expected that interest in the great national game will increase. The league schedule is expected to be announced in the near future and then plans will be made for the opening game.

Coach Larry Kienholz is another person that is hoping the weather soon takes a turn for the warmer and stays there. With the St. John's relays scheduled for Saturday, May 1, he is anxious to put his team through some strenuous workouts. In talking to Larry Wednesday morning he stated that he believed that in Dick Hoff he will have a half miler that will hold his own in this section. In a workout Tuesday afternoon Hoff brought smiles to the Tiger coach with his running.

It's play ball in the American association on Thursday. The opening day games will find Minneapolis playing at Louisville, St. Paul at Toledo, Milwaukee at Columbus and Kansas City at Indianapolis. Local fans in this vicinity will be watching the play of the Saints and Millers. Neither team at the time appears to be pennant contenders, but they may receive help from their parent teams, the Brooklyn Dodgers and New York Giants, to put them in the thick of the title race.

The Minneapolis Lakers are leading the Rochester Royals two games to none in their playoffs for the National Professional basketball league title. On Tuesday night, playing before a crowd of over 8,000 at the Minneapolis Armory the Lakers won by the score of 80-72 and Wednesday night they chalked up an 82-67 victory. The teams now move to Rochester, N. Y., to complete the best three out of five series. The big crowds that were attracted to the two games played against Rochester proves that professional basketball is a success in its first year in the Mill City. The play of big George Mikan was again brilliant in the two Laker wins.

Principal Olson Interviews Seniors

Marshall high school seniors are now starting their graduation interviews with Principal Merrill W. Olson. The regular junior class interviews have been completed, and the senior interviews, which have to do primarily with job placement, are now underway, Olson said.

April 15

Kienholz Discusses History of Track Before Lions Club

Larry Kienholz, Marshall high school track coach, spoke at the Lions club dinner Tuesday at the Marshall cafe dining room on the history of track as a sport.

Track is the oldest of all sports, he declared. Whereas baseball, football and basketball are of comparatively modern origin, men ran races, threw spears, etc., in the earliest days of human history, and the ancient Greeks organized these events into the original Olympic games long before the birth of Christ, he pointed out.

A flute trio from the high school, consisting of Carolyn Henderson, Margaret Ford and Gloria Johnson, accompanied by Deloris Kelly, played "Dance of the Flutes."

April 13

Senior Class Play Set for April 23

"New Fires," the senior class play, will be presented Friday, April 23 in the auditorium by a cast of 15 students. The curtain will rise at 8 p.m.

The drama revolves about an American family spoiled by money and high living which suddenly finds itself in circumstances demanding work and bustle on the part of all members. What seemed like necessities fade away and the love and help that family members can give one another become the big motive in their lives, said Miss Ursula Costello, the director of the play.

"People who enjoy good theater will hail 'New Fires,'" commented Garrett Leverton, director of Northwestern university theater.

Miss Costello said she has a competent and hard-working cast rehearsing and she is certain they will give an excellent performance.

The cast includes Leo Christenson, Stephen Santry; Kay LeBeau, Ann Santry; Patricia Nelson, Olive Santry; John Kugler, Dick Santry.

Helyn Joan Nelson, Eve (Dick's wife); Mary Lou Ehrreich, Phyllis Santry; Donavon Catton, Billy Santry; Robert Foster, Dr. Gray. Mary Bussard, Mary Marshall; Cecelia Bromen, Lucinda; Dorothy Waldorf, Suzanne; Gregory Gits, Sid Sperry; Bud Ausen, Jerry Sperry; Nancy Pickett, Angie Sperry; Shirley Doose, Mrs. Marshall.

The stage committee consists of Anita Erie, Irma Duwenhoegger and Violet Anderson.

The property committee: Connie Semans, Margaret Ford and Ardyth Henderson.

These two committees are now combing the town for properties suitable for the old farmhouse scene. They need old kerosene lamps, old family portraits and old furniture.

Tickets will be on sale by seniors starting April 15. Persons not approached may call the school and tickets will be delivered. Reserved seats will go on sale at Bulowski drugs on and after April 20.

150 Students from 5 Schools Expected

An area play day will be held at the Marshall high school gymnasium all day Saturday starting at 9:45 a.m., Stuart MacDonald of the high school physical education department announced Thursday.

The day will include championship competition in minor sports, MacDonald said.

Tournaments in badminton and table tennis will take place in the morning, and in the afternoon volleyball and handball competition will be staged.

At 1 p.m. a physical demonstration will be staged by members of Marshall boys physical education classes. This will include cage ball, juggling, hockey-soccer, he said.

During the noon hour all tournament participants and visiting physical education teachers will be served lunch in the school's hot lunch room.

Approximately 150 to 175 students, both high school and junior high, from Redwood Falls, Tracy, Russell, and Minnesota will be entered.

The public is invited to attend the events. Those attending may come and go as they wish. There will be no admission charge.

Purpose of the play day is to promote the minor sports and give participants in these sports a chance for inter-scholastic competition, MacDonald said.

As far as is known, this is the first such event to be held in this area. Planners of the event hope that it may become an annual event, to be staged each year at one of the schools taking part.

April 15

Teachers Reelect County Officers

The Lyon County Teachers association met in the local high school Wednesday afternoon. Their business meeting consisted of committee reports and election of officers. The whole slate of officers was unanimously elected for another year.

Clifford Thompson, Balaton, president; Julian Waller, Marshall, dent; Julian Waller, Marshall, vice-president; Harry Ahlin, Marshall, treasurer; and Miss Lucille Gluth, Marshall, secretary.

The program consisted of visual education put on by G. W. Romington of the University of Minnesota. Teaching by means of slides, with actual classes in attendance, was the procedure. Local ninth and fifth grade classes acted as "guinea pigs."

A banquet was served by the Methodist ladies aid, after which a talk on "Trends of Study" by Walter Andrews of the state department of education was given.

April 20

Marshall, Redwood Sweep Name Champions in Four Minor Sports

Area champions in table tennis, badminton, handball and volleyball were named in the play day Saturday at the Marshall high school gymnasium, Stuart MacDonald, local physical education teacher, in charge, announced Tuesday.

More than a hundred students from Tracy, Redwood Falls, Marshall and Balaton took part, he said. Contestants were expected from Minnesota and Russell also, but did not arrive.

All competing schools were enthusiastic about the new event, and expressed the desire that it can become an annual event, MacDonald said.

Champions named include: Table Tennis—M. Owens, Redwood Falls, senior high, and Don Syverson, Marshall junior high. Badminton—Dean Johlfs and Byron Ellingson, Marshall, senior high (tie), and LeRoy Lanoue, Marshall junior high.

Handball—M. Owens Redwood Falls, senior high, and M. Hengel, Redwood Falls, junior high.

Volleyball—Marshall juniors; senior high (team included Coderre, Rubertus, Denny Erie, Ken Catton, Gilbertson and Bill Hasbrouck), and Marshall freshmen, junior high (team included Lanoue, Gordy Dandurand, Bennett, Aronsen, Matt Macheledt and Haas.)

April 13

Wingert Conductor At Enid Festival

George F. Wingert, Jr., and two Marshall musicians will take part in the 16th annual Tri-State Band festival at Enid, Okla., Thursday through Saturday.

This will be the local director's fourth year as a guest conductor and adjudicator at the contest, which this year has 7,000 entries from 15 states.

Marshall students accompanying him are James and Rodger Wetherbee, both of whom will present clarinet solos and play in the massed band.

Among the guest conductors and judges at the Enid contest will be Ferde Grofe, Dr. Frank Simon, Dr. A. A. Harding, and several other national band authorities and university musical directors.

April 20

County Teachers Study Visual Education

R. C. Browers, right, audio-visual-radio director of the state department of education, St. Paul, was in charge of the visual education demonstration held in the high school auditorium Wednesday during the annual meeting of the Lyon county teachers' association. Miss Evelyn Jackson left, and Miss Helen Sullivan, seated,

of the Marshall faculty, acted as registrars. Standing left to right are Mrs. Kathryn Ross, Marshall, third grade; Miss Marion Kerr, Marshall, third grade; Mrs. Eleanor King, district 81, Marshall; and Miss Elna Pederson, district 50, Milroy.—Messenger staff photo.

April 13

Clothing Workshop Dates Scheduled

Miss Mary Lou Walker, instructor in home economics at the high school, will conduct a clothing workshop between 7 and 9:30 p.m. on April 20, 22, 27, and 29.

It is open to all out-of-school girls and married women interested in learning how to sew or who have problems in fitting or altering garments.

All those interested are requested to register at the high school economics room Thursday, April 15, at 7:30 p.m., Miss Walker said.

Juniors Planning Annual Prom May 8

Members of the junior class in Marshall high school are beginning work on the junior-senior prom, annual spring dance which is staged by the junior class in honor of graduating seniors.

The dance will be held May 8. Miss Helen Sullivan is advisor.

April 13

April 20

Seniors to Sell Class Play Tickets

Ticket sales for "New Fires", the senior class play scheduled to be staged Friday, April 23, will start April 16. Seniors will sell the tickets and they may be reserved at Bulowski Drug.

Miss Ursula Costello, director of the three-act drama, explains the plot as follows:

Stephen (Lee Christenson), a successful author inherits a small farm in Missouri, where he takes his pleasure-loving wife, Ann Kay LeBeau; his dissatisfied eldest daughter, Olive (Pat Nelson); his indolent son, Dick (John Kugler), who recently eloped with a Chicago socialite, Eve (Helyn Joan Nelson); and his two lively youngest children, Phyllis and Billy (Mary Lou Ehrreich and Donovan Catton).

In an effort to escape the surroundings she detests, daughter Olive feigns an illness, whereupon a country doctor, Dr. Gray (Bob Foster) is called. He detects the sham ailment, but finds a heart ailment of long standing and advises her to give up any plans to return to the social life so important to her.

Olive rebels and threatens to hitchhike to Chicago, but chance intervenes in the person of Mary Marshall (Mary Bussard), who has come to visit Phyllis and Billy. Mary breaks out with scarlet fever and the house is quarantined.

The isolated family must not only amuse themselves, but also take charge of nursing, cooking and housekeeping, for the servants, Lucinda (Cecelia Broman) and Suzanne (Dorothy Waldorf) were not included in the quarantine and have resigned. The laconic farm hand, Sid Sperry (Gregory Gits), stays on. He brings news that Dr. Gray has been in a car accident near the Santry home.

At this point in the plot various factors of human nature influenced by past events combine to bring happiness to the poorly adjusted members of the family.

Other members of the cast are played by Bud Aussen, Shirley Doose, and Nancy Pickett.

Two Cousins Here Win Music Honors

Two Marshall high school students, Rodger Wetherbee and James Wetaerbee, cousins, won first places in the first division of the B flat clarinet section of the Tri-State band festival held April 15-17 at Enid, Okla. Over a thousand students participated.

Accompanying the two student musicians were George Wingert, head of the music department here and Supt. George Eddie. Wingert was one of the guest conductors of the huge, massed Tri-State band of 350 instruments and he also acted as a member of the board of judges, which included such notables as Ferde Grofe, composer and conductor and Dr. Frank Simon of the Cincinnati Conservatory of music.

Rodger and James also played in the massed band. Wingert said that there were 600 voices in the chorus and 100 pieces in the orchestra.

Dr. Archie N. Jones, formerly of Marshall and the son-in-law of Mr. and Mrs. Ed Cartier and professor of music at the University of Texas, was unable to be present as guest conductor and judge.

son and he is fast rounding into shape. "Butch" Almich who played third base, Jay Johnstone, second baseman, Denny Juba, catcher, and Chet Wiener, outfielder, are among the other regulars from last year trying out.

Duke Kelly, back from duty in the navy, is another of the local players who are trying out. Duke played quite a little base ball while in service and at the present time is reported to have the inside track on the shortstop position. "Doc" Henry, Jr., Tee Paradis, Don Tomasek and Greg Gits are also out for practice.

When the universities and col-

Eddie Loses State Spelling Finals

Scott Eddie, seventh grade Marshall public school student who won the Lyon county spelling championship was one of 25 who placed in the finals of the state contest at Minneapolis Saturday, but he did not win the top award.

Estelle Rengo of Moose Lake was named state champion and will attend the national spelling contest in Washington, D. C., in May. Ninety-two students competed in the state meet.

Accompanying Scott to Minneapolis Friday for the contest were his mother, Mrs. George A. Eddie; his teacher, Miss Marie Alsaker; Miss Jennie M. Frost, county superintendent of schools; Miss Lillian Riedesel, Miss June Perkins and L. H. Kienholz of the Marshall high school faculty.

High School Girls Play Volleyball and Ping Pong

Two current sports in Miss Betty Benson's girls' physical education classes are ping pong, foreground and volleyball, left. Playing ping pong, left to right, are Clarice Gillund, Joan Stassen, Betty Carter and Joan Przybus. In the background are Marvel McConnell, Barbara Knutson, Geraldine Lindsey, Margie Schmidt,

Joan Maxwell, Inez Kelly, Lorraine Van Overbeke, Nyla Manguson, Marie Speybroeck, Lorraine Maronde, Donna Hollo and Jane Schuck. With the approach of warm weather the girls will take their organized exercises out of doors.—Messenger staff photo.

Senior Class Play Friday Evening

A cast of 15 students will present "New Fires," the senior class play, Friday in the high school auditorium. The curtain rises at 8 p. m. Tickets are being sold by members of the senior class and these may be reserved at Bulowski drug. The play is directed by Miss Ursula Costello. Members of the cast are, left to right:

John Kugler, Bud Aussen, Kay LeBeau, Mary Bussard, Lee Christenson, Helyn Joan Nelson, Shirley Doose, Gregory Gits, Mary Lou Ehrreich, Bob Foster, Nancy Pickett, Donovan Catton and Patricia Nelson. Not in the picture were Cecelia Broman and Dorothy Waldorf.—Messenger staff photo.

Future Farmers Prepare for State Meet

Trei and Gregoire Up for Presidency

Marshall Future Farmers of America will climax their year's activities at the state FFA convention, to be held May 16-19 at the University of Minnesota, Harold Carrow, president, said Thursday.

The local club, composed of agricultural students at Marshall high school, is now engaged in district judging contests and preparation for the state meet.

Over 700 FFA members from all parts of the state will attend. Two official delegates from each of 150 FFA chapters will take part in the annual convention itself. In addition over 200 boys will participate in the various contests held in conjunction with the meet.

Highlights of the convention will include the crops and livestock judging contests, the annual state FFA public speaking contest and election of state FFA officers.

One Marshall FFA team has already won the district contest and will enter state competition. This is the crops team, which includes Kenneth White, Duane Pagel and Joe Mortier, with Frank DeSleer as first alternate.

District competition in other events is not yet complete. Loyal J. McCann, club advisor, said that the teams will be narrowed down to three members and that all will compete in district contests prior to the state meet.

Present members of these teams are:

Dairy—Marvin Castle, Donald Schultz, Gerald Boerboom, Kenneth White and Duane Pagel.

Meat — David Maertens, Les Giernart, George Gagnon, Alton Schultz and Dennis McLaughlin.

Livestock — John Trei, Denny Gregoire, Richard Ladwig, Frank DeSleer and Eugene Vandeputte or George Caron.

Poultry—Wendell Trei, Gerald Cross, Dale Schroeder, Kenneth Stassen.

New officers for the Marshall FFA club will be elected May 14, and the new president will head the Marshall delegation to the St. Paul meeting.

John Trei and Denny Gregoire are candidates for the presidency. In the FFA, two nominees are made for president and one for each other office. The unsuccessful candidate for president automatically becomes the second nominee for vice-president, and so on down the line. Other candidates already nominated are:

Duane Pagel—vice-president.
Kenneth White—secretary.
Joe Mortier—treasurer, reporter.
Gerald Boerboom — reporter, treasurer.
Eugene Vandeputte—Sentinel.

May 16-19

Miss Walker Conducts Evening Clothing Clinic

Watching Miss Mary Lou Walker fitting a paper pattern on Mrs. Kurt Wendschuh are Mrs. Clair Larson, center, and Mrs. Clarence Schroeder. Miss Walker, who is in charge of the domestic science classes at Marshall high school, began a clothing workshop Tuesday, April 20, which she will continue April 22, 27 and 29 from 7 to 9:30 p. m. in the domestic science room. It is open to women and girls interested in sewing, fitting and altering.—Messenger staff photo.

AN ORCHID

TO JAMES AND RODGER WETHERBEE, for taking first place honors in the seven-state musical festival at Enid, Okla., last week. Marshall residents have enjoyed their fine music and are glad to see them win this deserved recognition.

Name 10 Marshall High Honor Graduates

Duane Addison Is Valedictorian of Graduating Class

Duane Addison, son of Mr. and Mrs. Virtis Addison, is valedictorian of the class of 1948 and Leland Christenson, son of Mr. and Mrs. Phillip Christenson, is salutatorian, Principal Merrill W. Olson announced Thursday.

The other eight of the best 10 scholars in the class are as follows; in order of rank:

Dorothy Waldorf, Starr Snodgrass, Dennis Juba, Irma Duwenhoegger, Cecelia Bromen, Nancy Pickett, Connie Semans and Ingrid Skramstad.

The class as a whole ranked high scholastically, said Olson. Seven of the 10 highest had an average of 90 or above. Duane had a straight "A" average and Leland was only one tenth of a point from a straight "A".

Addison, as valedictorian, participated in many school activities including school chorus, annual, athletics manager, in declamation and Tiger Herald. He earned the Dr. F. D. Gray award in 1947. Early this year he was named as one of four Minnesota students to win honorable mention in the science talent search by the Westinghouse Educational foundation.

The salutatorian, Christenson, earned the Hall award in 1947. He was active in music organizations, in dramatics, in declamation, choral work and Tiger Herald. As editor of the school annual and as a member of the student council, he earned a rating in the upper 1 per cent of all students in the United States taking the Pepsi-Cola test. Some 46,000 students were entered in this contest.

Dorothy Waldorf's activities were declamation, music, Tiger Herald, class plays, annual and state secretary of the Future Homemakers of America.

Starr Snodgrass was active in Library club.

Dennis Juba will rank as one of the all-time greats in Tiger athletic history, having earned three bars in football, and two in basketball. He won an all-district berth in basketball. He is president of the student council.

Irma Duwenhoegger took part in the affairs of the Home Economics club and acted as student librarian in her junior and senior years.

Cecelia Bromen took part in dramatics, music, school annual activities and she was an usher.

Nancy Pickett was active in dramatics, high school band, student council affairs and she was one of the four cheerleaders.

Connie Semans was editor-in-chief of the Tiger Herald and was a member of the Library club.

Ingrid Skramstad was active in choral organizations.

Said Olson: "The ranking seniors are truly a fine representative group of students. They have worked diligently in high school, both in class and in activities, as their ratings indicate. They should achieve a great deal of success in later life."

"Most of these ranking seniors plan additional schooling. They will be missed during the next school year, because of their able leadership in the various activities of Marshall high school life."

Springfield Glee Club and Band Concert Here Tuesday

Springfield high school music group will present a concert in the Marshall high school auditorium Tuesday at 8 p. m., under the direction of Robert Harmon, head of the Springfield music department, who formerly lived in Marshall and is a Marshall high school graduate.

The program is a return engagement for the program presented by Marshall vocal groups at Springfield last winter. The concert is open to the public and free of charge, Principal Merrill W. Olson said.

Program

High School Cadets March	Sousa
Overture Eroica	Skornicka
Carnival of Venice	Staigers
The Bullfighters March	Kottau
Concert Band		
A Prayer Perfect	Stenson
Country Style	Van Heusen-Burke
A Pretty Girl	Berlin
Glee Club and Band		
Emperor Waltz	Strauss
Thunder and Lightning	Strauss
Concert Band		
By the Brook	Wetzger
Flute Solo—Mary Denzine		
Etude in Boogie	Walters
Piano Solo—Donald Hier, with Band Accompaniment		
The Three Bears	Long
Amparita Roca	Texidor
Concert Band		

Senior Girls Hear Talk on Nursing As a Profession

Marshall high school senior girls were told Thursday morning by an instructor of the University of Minnesota school of nursing that nursing is a highly satisfying career which offers adventure, variety and financial security to thousands of young women.

Mrs. Nancy Way Lienke, the speaker, said:

"Not only is nursing a profession of great personal satisfaction, but it is one which fills a great and growing need. The public needs good nursing service and expects it. Such organizations as the Veterans administration, the United States public health service and psychiatric hospitals are expanding their programs and searching for qualified nurses."

Mrs. Lienke advised girls interested in entering the nursing profession and desiring more information, to write to the director, School of Nursing, University of Minnesota, Minneapolis 14, Minn.

April 22

Tiger Track and Field Squad Readies for St. John's Relays

This Saturday

Play, Prom, Picnic Scheduled by Local Graduating Group

Throughout Lyon county, high school seniors this week were starting their annual round of pre-graduation activities.

Senior class plays were being staged, junior-senior proms being held, yearbooks being published, and special senior days and senior programs being planned.

All will culminate in high school graduation exercises at the end of the month.

Till then, though, seniors will be having one of the busiest times of their lives.

In honor of graduating seniors throughout Lyon county, The Messenger will publish a special edition on Tuesday, May 18, featuring stories and pictures of senior and high school activities of all high schools in the county.

In Marshall, members of the senior class presented their annual class play Friday night before an audience of more than 700 persons.

The play was acclaimed for its remarkably professional staging and acting by the large audience.

The cast presented recognition gifts to Miss Ursula Costello, the coach, to Miss Eva Mae Cann, who assisted in technical details, and to the stage crew.

Meanwhile Marshall juniors were preparing for the annual junior-senior prom which they stage in honor of the graduating seniors. This dance will be held in the high school auditorium May 8.

Skip week activities would start May 10, Principal Merrill W. Olson announced. For two weeks following this date seniors need attend regular classes only, and are excused from study hall.

Climax of this two weeks will be the annual Senior Class day, Friday, May 21, with picnic at Camden state park.

Senior Class night's annual program will be that evening, open to the public, and will feature the class will, prophecy, history, and activities summary, to be put on by the 10 ranking seniors of the class.

Graduation, final senior activity, will be on Friday, May 23.

Kienholz Names Events, Entrants

By William Pickett

The Marshall high school track team candidates are busy this week preparing for the St. John's relays at Collegeville on Saturday.

The Tigers are entered in the class A division and will run up against some of the best teams in the state, as there are indica-

tions that there will be at least 60 schools entered in the various divisions.

Coaches Larry Kienholz and Jay Johnstone are anxiously awaiting the outcome of the St. John's meet as it will give them a definite line on the strength of the untried Tiger team. Both coaches are confident however, that the Tiger representatives on the whole will make a good showing.

The following three Saturdays local fans will be able to witness meets at Legion field. The invitational comes on May 8, the dis-

trict on May 15 and the regional on May 22.

Following is the tentative list of Tigers that will participate in the St. John's relays and the events in which they are entered:

100 yard dash—Donovan Catton and Bruce Carrow.

220 yard dash—Donovan Catton, Bruce Carrow and Jim Wetherbee.

440 yard dash—Donovan Catton, Bruce Carrow and Jim Wetherbee.

880 yard dash—Dick Hoff, Denny Davis and Jerry Aronson.

220 yard low hurdles—Denny Eric and Don Rubertus.

120 yard high hurdles—Denny Eric and Don Rubertus.

Broad jump—Denny Eric, Bruce Carrow and Donovan Catton.

High jump—Roger Gilbertson and Bernie Coderre.

Short put—Greg Gits and Les Gienhart.

Pole vault—Kenny Catton.

Mile run—Jack Meade.

The Tigers will be entered in the relay.

Declam Winners Rotary Guests

Marshall high school declamation and dramatics students and their instructors were guests at the Rotary luncheon meeting Saturday noon at the Marshall cafe.

Introduced by Miss Ursula Costello, instructor, visiting declamation students were Lee Christenson, Kay LeBeau, Barbara Olson, Dorothy Waldorf and Helyn Joan Nelson. Lee delivered a dramatic cutting from Macbeth. Barbara gave a humorous cutting from Arsenic and Old Lace.

Instructor Miss Eva Mae Cann introduced Richard Regnier, Marilyn Mills, Mary Meehl and Clarence Blair, all of whom have been active this year in high school dramatic productions.

Donovan Catton, right, won this century dash in practice last Thursday afternoon on Legion field. Other dashmen shown are, left to right, Melvin Paul, Alois Sprader and Bruce Carrow. All of them are underclassmen and will be back for the 1949 team.—Messenger staff photo.

Annual High School Senior Festivities Underway in County

Cousin Musicians Win

The Wetherbee cousins, James, right, son of Mr. and Mrs. S. J. Wetherbee and Rodger, left, the son of Mr. and Mrs. R. R. Wetherbee, both won first places in the first division of B-flat clarinet section of the Tri-State band festival held April 15-17 at Enid, Okla.—Messenger staff photo.

April 27

Duane Addison, left and Leiland Christenson, right, have been named valedictorian and salutatorian respectively of Marshall high school's 1948 graduating class.—Keith photos.

School Board Election May 18

Three positions in the school board of district 8, the Marshall district, will be filled in the annual meeting at the high school Tuesday, May 18, it was announced Tuesday by Dr. W. W. Yaeger, clerk of the board.

Filing for the positions is now open and may be done at the superintendent's office. All filing must be completed 12 days before the election, or by May 6.

The two terms expiring this year are those of Dr. J. L. Anderson and Dr. Yaeger. Also to be filled is the position vacated by the resignation of Herman Schwandt, who recently left the city. The regular terms are for three years, the unexpired term for one year. Schwandt's position was not filled when he resigned in March because of the short time till the annual election.

Members of the board whose terms are not expiring are those of E. A. Selfert, whose term has one year yet to run, and James Hall, board president, and A. J. Hardy, board secretary, who were elected last year and whose terms run for two more years.

At the State Spelling Bee Finals

Scott Eddie, Marshall seventh grader who was one of 25 finalists in the Minneapolis Tribune sponsored state spelling bee, is shown above, second from the right, with a group of other contestants. Left to right they are: Jeanne Fortier, Little Falls, Minn.; Donald Sundquist, Falls, Minn.; Roger Siemers, Eau Claire, Wis.; Norma Kristofferson, Salol, Minn.; Scott Eddie, Marshall, Minn.; and Roger Rosecke, Claremont, Minn.—Photo courtesy of Minneapolis Tribune.

Polishing That Form for St. John's

Fourteen Orange and Black trackmen will make the trip to St. John's relays Saturday. They will be accompanied by coaches Larry Kienholz, Jay Johnstone and Harry Ahlin. A total of 700 athletes are expected for the annual event. Marshall, a class B school on the basis of enrollment, will be entered in class A competition with larger schools at its own request. Denny Erie and Don Rubertus, caught on the upswing over the high hurdles during prac-

tice last week, also run the low hurdles and in the relay. Erie also broadjumps. Both lads are juniors. Coach Larry Kienholz leads only one man from his track team next season and that is Gregory Gits. Although the weather has been a bit cool for good track practice, Kienholz has nonetheless had his boys out every afternoon, because time is precious before the St. John's meet at Collegeville on May 1.—Messenger staff photo.

High School Girls Practice Ancient Art

Marshall high school's unique activity, taught by Larry Kienholz, the industrial arts class for girls, is now engaged in the ancient art of weaving. Members of the class are Dorothy Mortier, Shirley Nelson, Marian Schroeder,

Joyce Bankin, Shirley Doose, Shirley Jacobson, Margaret Klysen, Lucille Loke, Betty Lou Miller, Gladys Thorson and Marian Engels.—Tiger Herald photo.

Auditorium Will Be Transformed - -

Junior - Senior Prom Climaxes

Visitors will hardly recognize the Marshall high school auditorium next Saturday night, May 8.

A false ceiling will be installed, special lighting effects will play across the floor, and decoration will give it a carnival air.

That's the night of the annual junior-senior prom, highlight of the social year for Marshall's younger set, and the juniors, under the leadership of Miss Helen Sullivan, class sponsor, are working long hours preparing for it.

The party opens with a dinner. Individual decorations for each

plate and individual place cards are made. Waiters and waitresses are trained. One committee works out eating and serving of the dinner. One sends out engraved invitations, to which replies are requested.

Guy De Leo's dance band, which travels out of New Ulm, will play for the prom.

All the actual work on the floor is done in two evenings and all day the Saturday of the dance.

Although not open to the general public, tickets are issued to students for use by parents or friends to secure admission to the

bleachers to witness the affair between 9:30 and 11 p.m.

In order to enter the festivities themselves, students must have present a pledge, countersigned by their parents which embodies two points already agreed upon by class members, said Principal Merrill W. Olson. No tickets are issued without submission of the pledge slip, which reads:

"Now that the time for the prom has arrived and so as not to endanger our boys and girls the following requests are made of the parents, and the signature below will serve as a permit for

Barbara Olson to Head Tiger Herald

Barbara Olson has been appointed editor of the Tiger Herald and she will take over the editing of the May issue. Barbara Nixon has been named assistant editor.

Other members of the new staff are Marilyn Bailey, feature editor; Donna Rassmussen, headline editor; Donna Lens, circulation manager; Katherine Traxler, secretary; Clarence Blair, sports editor; and Ann Stanwood, photographer.

School Social Activities

- - Parents Countersign Pledges

tickets to be issued to each student for admission tickets to the prom.

"1. No out of town permission to be given any Junior or Senior or the use of cars for that purpose.

"2. Parents set a reasonable hour that boys and girls will be at home. (The school affair will be over at 12 p.m.) Parent's signature will indicate the matter has been talked over with the parents."

The pledge not to go out of town after the party is designed to avoid the possibility of acci-

dents and injury to students, the principal said.

In regards to the hour students will be home, members of both junior and senior classes have agreed that those attending the party will refrain from planning other entertainments after the "prom" and agree to get home within a reasonable time after the party closes. If it seems desirable to plan other parties for individual groups, these parties should be planned for the home and with the consent of the parents, Olson pointed out.

300 Persons Hear Springfield Concert

Three hundred persons attended the concert Tuesday evening in the high school auditorium presented by the Springfield high school concert band.

Director of the band is Robert Harmon, son of H. N. Harmon of Marshall, a graduate of Marshall high school.

The band glee club, made up of band members, and several soloists, were included on the program.

Mrs. Paulsen to Head PTA; Roundup Plans Are Made

Mrs. James E. Paulsen was elected president of the Marshall Parent-Teacher association at its annual meeting last Tuesday at high school auditorium.

Dr. F. H. Rohlin, president this year, appointed Mrs. R. J. Lindgren as chairman of the summer roundup.

The summer roundup is an annual program under which children of kindergarten age for the coming school year are surveyed and given a health checkup.

Leo Dahm and Mrs. Ralph Stevens gave a discussion of the work of the county welfare board. James Wetherbee played a clarinet solo, accompanied by Virginia Young.

Other officers elected for the 1948-49 school year are the Rev. J. Wesley Johnson, vice-president; Miss June Perkins, treasurer, and Mrs. James Hand, secretary.

Pipestone Host to Junior Track Meet

The Marshall junior high school track team will enter a junior high track meet to be held at Pipestone May 23, Harry Ahlin,

junior high coach, announced Thursday.

Orange and Black Tracksters Place

Ivanhoe Squad Wins Class C

The Marshall High School track team scored 18 1-6 points in the St. John's relays at Collegeville last Saturday to place fourth in the Class A division. The well balanced Robbinsdale squad walked off with Class A honors with 42 1-2 points. Northfield was second with 31 points and Detroit Lakes was third with 29 points.

In Class B, Sauk Center edged out Breckenridge for the team title by scoring 29 1-6 points to 25. Granite Falls placed third with 19 points and Madison fourth with 17 1-6 points.

Ivanhoe, the team that is expected to cause trouble for the Tigers in the district meet here, copped top honors in Class C by scoring 31 points. Stewartville was second with 25, Olivia third with 23, and Deer Creek fourth with 20.

Fourteen new records were set in the relays which attracted 56 schools.

Jim Wetherbee made the best showing for the Tigers. He placed second in the 440 yard dash and took third in the 220 yard dash. His showing in these two events means that the Tigers will undoubtedly be able to pick up some points in these events in the future meets.

Don Rubertus placed second in the 220 yard hurdles. The winner of this event set a new record for the meet so the showing of Rubertus was pleasing to the local coaches.

Denny Erie took third place in the broad jump with a leap of 19 feet, eight and one-half inches. Up until the last try for the jumpers he was in first place.

Kenny Catton, a newcomer in

the pole vault, tied for fourth and fifth in that event. He cleared the bar at 10 feet.

Roger Gilbertson and Bernie Coderre tied for fifth place in the high jump, at 5 feet, 6 inches.

The 880 yard relay team composed of Wetherbee, Donovan Catton, Erie and Rubertus, placed fourth.

Dick Hoff, in his first meet, ran the half-mile in two minutes and 11 seconds. He failed to place in the event but he will pick up some points for the Tigers in the coming meets.

Local fans will have an opportunity to see the Tigers in action this Saturday at Legion field when they will take part in the invitational meet sponsored by the local school. Athletic director Merrill Olson has sent out 15 invitations to schools in this section of the state but as yet it is not known how many will enter the meet.

High School Chorus in State Contest At Minneapolis

Marshall high school's 60 voice chorus, winner of a "superior" rating in the district contest at Tracy, will sing in the state music contest at the University of Minnesota at Minneapolis Friday, Principal Merrill W. Olson announced Thursday.

The entire chorus will make the trip, accompanied by its director, George F. Wingert, Jr.

Meanwhile, another division of the state music contest, for individuals and small groups in this region, will be held in Tracy. Several contestants will be entered from various Lyon county schools. Roger Wetherbee, clarinet soloist, will be the only entry from Marshall.

Individuals and ensembles receiving "A" or superior ratings in the Tracy contest in vocal competition will appear on a special KMHL radio broadcast from the station's Tracy studios for an hour and 15 minutes starting at 3:15 p. m. Saturday.

School Paper Wins First Class Rating

Marshall high school's student newspaper, the Tiger Herald has been given the rating of "First Class" by the National Scholastic Press association, according to Miss Viola Grovender, the faculty advisor.

Special commendation was given the paper for creativeness in developing feature stories, for treatment of news and headlines and for inside page makeup.

Young and Barbara Nixon will play piano solos at the Minneapolis contest. Margaret Ford, Carolyn Henderson and Gloria Johnson will compose the flute trio competing there.

All the musicians will make up the school work they will miss before they go on the trip, said Wingert.

The choir's personnel is as follows: Duane Addison, Marilyn Bailey, Judy Bies, Clarence Blair, Ellen Blake, Cecelia Bromen, Mary Bussard, Bruce Carrow, Donovan Catton, Harold Chapman, Leland Christensen, Jean Deutz, Shirley Dooss, Mary Lou Ehrreich, Byron Ellingson, Dennis Erie, Margaret Ford, Gregory Gits, Ardith Henderson, Carolyn Henderson, William Hasbrouck, Larry Henle, Clemence Hoagland, Richard Hoff, Dean Johlfs, John Kugler, Jeanne Ladwig, Robert LeBeau, Roy Lindgren, Alan McGlothlin, Jean Meehl, Mary Meehl, Marilyn Mey-

er, Marilyn Mills, Nancy Nelson, Patricia Nelson Shirley Nelson, George Nielsen, Barbara Nixon, Lorraine Ochocki, Louise Ochocki, Patricia O'Connell, Lotus Ogje, Sally Ohlsen, Alohna Rankin, Arlys Rosetter, Donald Rubertus, Harriet Schrunck, Kathleen Schneider, Ingrid Skramstad, Marie Skramstad, Marie Speybroeck, Elaine Swanson, Ann Stanwood, Duane Tack, Myron Thompson, Dorothy Waldorf, Rodger Wetherbee, James Wetherbee and Virginia Young.

Ag Students Do Germination Tests

Learn by doing something practical might be the motto of the high school agricultural classes.

Recently they have been engaged in a project, directed by Duane Pagel and Joe Mortier which consists of testing seeds of GI farmers and others.

The seed tester is a thermostatically-controlled oven which maintains an ideal temperature for seed germination. The seeds are placed on trays in the oven and covered with blotters. Water is then evaporated in the oven. The seeds generally germinate in 10 days. The students have tested about 75 plots.

May 4

Marshall FFA Dairy Team Wins

Kenneth White Top Individual Judge

By virtue of winning first place at a district contest held Saturday in Brookings the Marshall Future Farmers dairy team will represent this district at the state contest at University farm May 17-19.

The team is composed of Kenneth White, Donald Schultz, George Caron, Marvin Castle and Gerald Boerboom.

Eighty students competed in the individual judging. Kenneth White had 815.9 points out of a possible 900 to give him first place. Donald Schultz won third place with 745 points.

The livestock team, made up of Richard Ladwig, Dennis Gregoire, Dennis McLaughlin, John Trei and Eugene Vandeputte, won third place; however its rating was superior so it will also go to the state contest along with the first and second place winners, Worthington and Luverne. Richard Ladwig won eighth place in individual judging.

Duane Pagel and Frank SeSleer were also on teams but were unable to go to Brookings because of illness. Both boys will go to the state contest because they are members of the crops team which won first place previously at Windom.

Some of the schools represented at Brookings were Worthington, Luverne, Garden City, Pipestone, Jackson, Westbrook, Mountain Lake, Hills, Windom, Madelia, Springfield, New Ulm and Tracy. L. J. McCann, agricultural instructor and coach, and Allen Brakke, veterans' agriculture instructor, accompanied the boys.

District Contest

Students Plan Bundles for Europe

Marshall high school students will open their drive to help destitute children in Europe with a bundle day dance, admission to which will be a bundle of clothing. The date will be announced later.

The decision to launch the clothing drive was made by the student council, which issued the following statement in the Tiger Herald, student newspaper.

"The need for clothing overseas cannot be overemphasized. In the present crisis clothing is more than just clothing—it is life. The children are ashamed to go to school in their rags. Their education is almost at a standstill."

In addition to the dance the drive will include the gathering of bundles to the children's home rooms.

Social Problems on 'Neighbors' Program

Members of the social problems class of Marshall high school, and its teacher, Frank Smith, will appear on KMHL's "Neighbors Speak Up" program Thursday at 9:30 p. m.

Students participating are George Nielson, Pat O'Connell, Margaret Ford, Eldora Loeck and Dennis Juba.

Students Collect Sixty Bundles of Children's Clothes

Sixty large bundles of clothes have been collected and packed for shipment to aid unfortunate children both abroad and in the United States by pupils in Marshall schools.

Principal Merrill W. Olson explained Thursday that the project, part of the seventh national Children's Clothing crusade, was promoted by the high school student council.

It is expected that 150,000 children, about a third of them overseas war victims and the rest underprivileged in other parts of America, will be aided in the drive.

A group of high school boys helped pack the clothing. Much was in excellent shape with a lot of wear left, Olson said, including heavy winter clothing and outgrown garments and children's shoes, many cleaned and repaired.

The bundles will be shipped to Sparta, Tenn., for reconditioning and distribution.

Dr. Carrow Files For School Board

Dr. M. J. Carrow filed his candidacy for election to the Marshall school board Wednesday, the last day of filing.

This creates a three-cornered race between Dr. Carrow and two present board members, Dr. J. L. Anderson and Dr. W. W. Yaeger, for the two three-year terms.

The two candidates who had previously filed for the one-year term, Dr. F. H. Rohlin and C. J. O'Brien, had no additional competition when filings closed.

Election will be at the annual school district 8 meeting May 18, from 7 to 9 p. m., at the high school.

Music Department Concert May 13

Marshall's high school's music department will present its annual spring concert Thursday, May 13, it was announced Tuesday by Principal Merrill W. Olson.

The concert will be the last one of the school year. Both the high school band and chorus will present several numbers directed by George F. Wingert, Jr., head of the music department.

Musicians Lose In State Contest

Marshall high school musicians, winners of top honors in district competition, competed in state contests at Minneapolis and Tracy last week-end.

Although official results had not yet been received Tuesday, it was known that the Marshall chorus and individual contestants at the Minneapolis contest had not won first place, as winners were published in the twin city press, Principal Merrill Olson said.

Music Students Guests of Rotary

One hundred three Marshall high school students, members of the band and choral groups, have been invited by the local Rotary club to be guests at the club's luncheon meeting this Saturday.

Charles J. O'Brien, Rotary program chairman, stated Wednesday that the students will provide several musical selections under the direction of George Wingert, high school music instructor.

May 11

Second Annual Marshall Invitational

8 Teams Entered More Expected

By William Pickett

The second annual Marshall Invitational Track and Field meet will be held at Legion field, Saturday afternoon, with eight teams already entered and it is expected that at least two more schools will send in entries before starting time.

The schools that will be represented are Pipestone, Jasper, Redwood Falls, Springfield, Tracy, Montevideo, Windom and Marshall.

With this array of talent the meet promises to be as much or more of a success than the first one held last year.

The Tigers won first place last year over Montevideo but coaches Keinholtz and Johnstone are not predicting a repeat this year, although they believe the locals will give a good account of themselves.

According to Merrill Olson, director of the meet, the new track with its 220 yard straight-away,

which has 10 lanes, will not be in shape for the meet and the back straight-away will have to be used. Rains have slowed up the completion of the new track which, when completed, will give Marshall the finest high school track in the state.

New hurdles will be used for the first time Saturday. They were constructed by the boys in industrial arts classes, under the direction of Larry Keinholtz and Harry Ahlin.

There will be no admission fee to the meet. The first event is scheduled to get underway at 1:15.

Following is the list of events and the time schedule for the meet:

- 1:15 120 Yard Hurdles Trials
- 1:30 100 Yard Dash Trials
- 1:45 120 Yard Hurdles Finals
- 2:00 100 Yard Dash Finals
- 2:05 One Mile Run
- 2:10 200 Yard Hurdles Trials
- 2:15 440 Yard Dash
- 2:30 200 Yard Dash Hurdles Finals
- 2:45 220 Yard Dash Trials
- 3:00 880 Yard Dash
- 3:30 220 Yard Finals
- 4:00 Jr. High Relay
- 4:15 Half-mile Relay
- 1:30 Pole Vault

Track and Field

Meet Saturday

- 1:30 Shot Put
 - 2:30 High Jump
 - 2:30 Discus
 - 3:30 Broad Jump
- A tri-angular junior high school track meet will be held at Legion field on Monday afternoon. The three schools taking part in the meet will be Montevideo, Redwood Falls and Marshall.
- Coach Harry Ahlin, of the local squad has had a large number of boys out this season and believes the local youngsters will make a good showing in this event.

High School Band and Chorus In Joint Concert Thursday

The Marshall high school music department will present its final concert of the school year Thursday at 8 p. m. at the high school auditorium.

The band and the chorus, each composed of 60 young people, both won superior ratings at the district music contest at Tracy recently, and the chorus competed in the state contest at the University of Minnesota. Both are directed by George F. Wingert, Jr.

Climax of the program will be a combination number in which both groups participate. It is "Mannin Veen," a Manx tone poem by Wood, based upon four folk tunes from the Isle of Man in the Irish sea.

The special arrangement of "Mannin Veen" was made by Carolyn Henderson and Margaret Ford, members of the band and choir. Shirley Dooze will sing a contralto solo as a part of the four-piece suite.

The Program Choral Numbers

- The Lord Is My Shepherd..... Cain
- The Whiffenpoof Song..... Revision by Vallee
- My Soul Doth Rest in Thee..... Sateren
- Tico-Tico..... Abreu
- Carolyn Henderson at the Piano
- Salvation Is Created..... Tschesnokoff
- Spirit of de Lord Done Fell..... Arranged by Cain
- To Thee We sing..... Arranged by Tkach

Band Numbers

- Panis Angelicus..... Franck
- Autumn Nocturne..... Myron
- Circus Parade—Novelty..... Yoder
- Stardust..... Carmichael
- Interlude..... Morrissey
- On the Square—March..... Panella

Band and Chorus

- Mannin Veen—A Manx Tone Poem..... Wood
- Arranged by Carolyn Henderson and Margaret Ford

Trei District FFA Treasurer

John Trei of the Marshall Future Farmers of America was elected treasurer of the district FFA organization at a convention in Tracy last week. Trei is the first Marshall boy to hold district office. He and Gregory Gits were Marshall's delegates to the meeting.

May 11

Monte Tracksters Nose Out Orange

Tigers Win Five Firsts; Erie Two

By William Pickett

The well balanced Montevideo high school team won the second annual Marshall Invitational track and field meet at Legion field on Saturday afternoon by

scoring 53 1-3 points. They scored at least one point in every event but the discus throw and won first place in three events.

The Marshall Tigers gave Monte plenty of competition and finished second with 47½ points. The surprising Tigers managed to score first in five events. Dennis Erie was the only athlete in the meet to score two firsts. He won the 220 yard low hurdles and the broad jump.

Donovan Catton won the 100 yard dash. Jim Wetherbee the 440 yard dash and the Tiger 880 yard relay team composed of Rubertus, Erie, Catton and Wetherbee won that event.

Redwood Falls placed third in the standings with 26 1-3 points. Other teams in the meet finished in this order: Worthington 18½ points, Windom 18 points, Pipestone 10½ points, Jasper 9 points, Springfield 6 points, Luverne 5.5-6 points and Mountain Lake failed to place.

Despite the fact that it was a cold afternoon for a track meet and there was quite a stiff cross wind blowing the contestants set 11 new records for the meet.

The Tiger athletes were credited

and Black in Second

Annual Meet Here

with five of these records, breaking the records made last year in every event they took first place in.

One of the features of the meet was the fine showing of the Tiger 880 yard relay team that covered the distance in 1 minute and 37.8 seconds. This is remarkably fast time considering the fact it was on a cold afternoon with a stiff cross wind blowing.

Dennis Erie's leap of 20 feet 4 inches in the broad jump was one of the better marks set in this meet. Erie's time of 24.1 seconds in winning the 220 yard low hurdles equaled the winning time in the 220 yard dash.

The 880 yard run produced the crowd thriller of the afternoon. In the heat in which Erickson of Jasper won the event, Dick Hoff the Tigers gave the crowd a thrill when he put on a burst of speed near the finish that nearly brought him victory, finishing only a fraction of a second behind the winner.

Next Saturday afternoon at Legion field the annual ninth district track meet will be held. From the showing the Tigers made in the Invitational meet they are given a chance to grab top honors again this year although they will get plenty of

opposition, especially from Ivanhoe.

It is hoped that by next Saturday the new 220 yard straight-away will be ready for use.

The summary of Saturday's meet:

- 100 yard dash—Won by Catton, Marshall; tied for second, Mork of Luverne and Jennette of Montevideo; fourth, Carroll, Redwood Falls; fifth, Grams, Windom. Time—:10.7.
- 120 yard high hurdles—Tied for first, Engh of Montevideo and Roloff of Montevideo; tied for third, Hier of Springfield and Figneress of Worthington; fifth, Rubertus, Marshall. Time—:16.
- 440 yard dash—Won by Wetherbee, Marshall; second, Catton, Marshall; third, Beque, Redwood Falls; tied for fourth, Olson of Windom, Hennemuth of Montevideo and Mellgren of Worthington. Time—:54.5.
- Shot put—Won by Dean Olson, Windom; second, Fauskee, Worthington; third, Weckworth, Montevideo; fourth, Shultz, Montevideo; fifth, Brown, Pipestone. Distance—42 feet, 4 inches.
- Mile run—Won by Harbour, Montevideo; tied for second, Schmitz of Springfield and Goffney of Redwood Falls; fourth, Parsons, Redwood Falls; fifth, Jacobson, Montevideo. Time—4:57.2.
- 220 yard low hurdles—Won by Erie, Marshall; second, Sigstad, Windom; tied for third, Rubertus of Marshall and Engh of Montevideo; tied for fifth, Dorsey of Montevideo and Brown of Pipestone. Time—:24.1.
- Pole Vault—Won by Dorsey, Montevideo; tied for second, Carroll of Redwood Falls and Roloff of Montevideo; tied for fourth, Catton of Marshall, Olson of Windom and Peters of Worthington. Height—10 feet, 9 inches.
- Discus—Won by Marron of Redwood Falls; second, Fauskee, Worthington;

- third, Carrow, Marshall; fourth, Arms, Redwood Falls; fifth, Glenart, Marshall. Distance—117 feet, 8½ inches.
- High jump—Won by Nelson, Pipestone; tied for second, Gilbertson of Marshall, Bolt of Montevideo and Sheila of Jasper; tied for fifth, Mork of Luverne, Carroll of Redwood Falls and Engh of Montevideo. Height—5 feet, 5 inches.
- 880 yard run—Won by Erickson, Jasper; second, Hoff, Marshall; third, Spencer, Montevideo; fourth, Fritz, Luverne; fifth, Aussen, Marshall. Time—2:11.6.
- 220 yard dash—Won by Erie, Marshall; second, Carroll, Redwood Falls; third, Dyshaw, Montevideo; fourth, Grams, Windom; fifth, Mellgren, Worthington. Time—:24.1.
- Broad jump—Won by Erie, Marshall; second, Brown, Pipestone; third, Carroll, Redwood Falls; fourth, Catton, Marshall; fifth, Weckworth, Montevideo. Distance—20 feet, 4 inches.
- 880 yard relay—Won by Marshall (Rubertus, Erie, Catton, Wetherbee); second, Windom; third, Montevideo; fourth, Redwood Falls; fifth, Jasper. Time—1:37.8.

11 Schools Entered in District 9 Track and Field Meet Here This Saturday

District Records At Stake in Meet

Trackmen from 11 district 9 schools will come to Marshall's Legion field Saturday morning for the annual district track and field meet, Principal Merrill W. Olson announced Thursday.

Competing schools are Balaton, Lake Benton, Tyler, Ivanhoe, Hendricks, Tracy, Canby, Minneota, Marshall, Russell and Lynd.

This district for years has led this region of the state in interest in track and also in point scoring for the region, Olson pointed out.

Ivanhoe, always a well-balanced and well-coached, outfit, took the St. John's relays in their division for the third straight year. Canby also made a good showing there and will display power at Marshall Saturday.

The meet has grown so that it is necessary to start in the morning, at which time the preliminaries will be run.

The morning events will start at 10:30, and the afternoon events at 1:30. The complete program for the day:

11:30 220 Yard Dash
Field—
10:30 Shot Put
10:40 Discus
10:50 Broad Jump

FINALS
Track—
2:00 120 Yard High Hurdles (by timing)
2:15 100 Yard Dash

The Senior Class—King for a Day,
Enjoys the Party of the Year

Dancers at the annual Junior-Senior promenade held May 8 in the high school auditorium included, left to right: Cecelia Bromen, Duane Addison, William Hasbrouck, Ann Stanwood,

Jean Deutz, Lee Christenson, Thomas Hasbrouck, Dorothy Kelly, Muriel Bot and Leslie Gieneart. —Messenger staff photo.

Left: "Let's sit this one out," said petite Audrey Sovell to her prom escort, James Paradis, during the high school hop. About 50 couples attended, including students, faculty and school board members and their wives. —Messenger staff photo.

Right: Sylvan Ellingson and his partner, Mary Lou Ehrreich, wait for the next piece to start at the high school dance. In the course of the evening relatives and friends of the students packed the galleries to watch the festivities. —Messenger staff photo.

Amazed by the acrobatic antics of a dancing couple during the Junior-Senior prom were, left to right: Mrs. Frank Smith, Mr. Smith, of the teaching staff, Mrs. Merrill W. Olson, Principal Olson and James H. Hall, president of the school board. —Messenger staff photo.

Marshall High Aims to Make Activities Self-Supporting

Financing of high school activities is becoming an increasingly pressing problem, Principal Merrill W. Olson said this week. It becomes more difficult as the school expands and adds to the budget.

Mr. Olson reviewed briefly the financing of three major school activities, the athletic program, the Tiger Herald and the new Marhian yearbook.

"In athletics the cost of operation has steadily increased until we now spend over \$5,000 a year on all sports."

Excellent equipment for every squad is considered a necessity, and enough is provided to take care of every boy who wants to come out.

"We have made out-of-town trips interesting, worthwhile experiences, and here at Marshall high we never skimp on meals.

"As our games continue to increase in number and we add additional squads, the cost of operation will continue to increase.

"Attractive schedules and adult

interest will be the only way that we can continue to finance this important activity. It is our hope that it will never be necessary to retrench.

"The Tiger Herald this year will cost well over \$600. The staff gets \$240 from Marshall students to put out this written and pictured account of school life every three weeks. The rest is made by the energetic staff in candy sales and the like.

"Last fall I told our seniors that they could have an annual if it were self-supporting."

We set the price at \$3 a copy and ordered 300 copies, a nice cover, good binding, and 96 pages which will cost about \$1,120, leaving a deficit of about \$200 in our first attempt at an annual.

Next year we must plan to make this annual self-supporting. Activity after activity must be planned for, and you students must give your help and your time, and take care of our equipment to the best of your ability. Well dressed teams and well equipped organizations make for success.

"For twenty years this has been a firm policy at Marshall high school: all activities must be self-supporting, no activity can take from another which happens to be in a better financial condition. In other words no subscription lists on the street for any activity.

Final Exams Start May 25

Marshall High School final examinations will be under way May 25 and 26. On May 27, the day will be given over to correcting papers, marking report cards and, in general, preparing for the closing of school on May 28, the following day.

Award Convocation May 28 at 1 p. m.

The traditional award convocation will be held at 1 p.m. in the high school auditorium on May 28. At this time all the letters and awards will be given to both the underclassmen and the seniors.

Registration Nearly Complete

Next year's registration for the Marshall public schools has been nearly completed, Principal Merrill W. Olson said Tuesday.

Work outlined for each one of the students has been carefully gone over. All plans for next year together with the individual students program will be made during the summer months so school is ready to start the first day next fall, he said.

Every indication points to a large enrollment, so it is necessary that the material be gathered and correctly placed during the summer months. By doing it in the summer months and with spring registration, work can be started the first day of school, the principal pointed out.

Annual Skip Week Started May 10

Marshall High School's traditional skip week started Monday, May 10. At this time seniors are allowed the privilege of not attending study halls, leaving the building as soon as their classes are completed.

It is necessary for them to report to all their classes and to their home rooms for roll call.

Skip week is climaxed by the Senior picnic at Camden and the class night the evening of May 21. Here the activities of the past year are reviewed by the ranking seniors.

'Marhian' Is New Marshall Year Book

This spring Marshall high school published its first annual in over twenty years.

During past years the annual has been a combination annual and handbook which has served double purposes—a history of the school and a guide for incoming students. It has contained a large amount of factual material over the years, and pictures were added the last four or five years. This year the seniors decided on a ninety-six page annual with a plastic binding and a hard cover.

The annual was named Marhian, a word meaning Marshall High annual.

It carries a picture of Abraham Lincoln and the year 1948 on the cover. It is completed in blue and a second two-tone blue. It's divided into sections starting with the faculty and then the seniors of 1948, carrying an individual picture of each senior with his activities.

Each class is then taken in groups, and then it goes into the various activities such as music, Tiger Herald, declamation, publications, cheerleaders, all clubs, and a section on athletics.

There is also a section on the various classes in high school, together with an informal section on snapshots. A two page photo of Marshall high school completes the annual.

Dividing sections were completed by members of the art class. Miss Viola Grovender served as adviser, Lee Christensen as editor-in-chief and Dorothy Waldorf as assistant editor.

Other members of the staff are: Jean Meehl, snapshot editor; John Kugler, business manager; Donovan Catton, art editor, and Helyn Jean Nelson, head typist.

Other members include Delphine Ochocki, Kay LeBeau, Vincent Harris, Clarence Blair, John Kugler, Nancy Nelson, Phyllis Forsman, Donna Lens, Barbara Olson, Donna Rasmussen, Harriet Schrunck, Pat O'Connell, Duane Addison, Anita Erié, Kenneth Catton, Ingrid Skramstad, Mary Bussard, Jean Deutz, Larry Henle, Cecelia Bromen, Dolores Kelly, Katherine Traxler, Jean Soucy, Barbara Nixon, Muriel Bot, Sally Ohlsen, Margaret Ford, Patty Nelson, Nancy Pickett, Virginia Young, Marilyn Bailey, Mary Lou Ehrreich, Ardith Henderson, Carolyn Henderson, and Lois McKay.

Official photographer for the annual were Keith's studio and Ann Stanwood.

The Marshall high school mixed chorus composed of 60 voices and directed by George Wingert climaxed a successful season by winning a "superior" rating at the district contest, which won them the right to compete in the state contest. One of the highlights of the band year came in the form of new

maroon choir robes. Both the chorus and the band gave several concerts this year, climaxing in a joint concert last Thursday night.

The high school band, as well as the chorus, won a "superior" rating at the district contest. —Keith photo.

One of the highlights of the 1947-1948 Tiger athletic season was the winning of the district 9 cage tournament. Here Jay Johnstone and his men of the hardwood were flashed the night

of their 53-40 victory over Minneota in the district finals. The Tigers also had satisfactory seasons in football and track. —Keith photo.

Marshall Class Officers Named

Class officers for the coming year were announced at a high school assembly Friday. A democratic procedure is followed.

Petitions are circulated within the class by the students for those whom they wish to become their class officers. Each petition is required to have the signature of at least 20 names.

Then the petitions are assembled and a ballot made out. This ballot is presented to the home rooms where they are voted upon in secret.

The class officers are responsible for the activities of the class and the student council for the activities of the school for the coming year.

The Student Council organization will be completed this spring.

The class officers for 1948-1949 are as follows:

Senior Class Officers:

President: Donald Rubertus.
Vice-President: Floyd Minnick.
Secretary: Patricia Gregoire.
Treasurer: Bethlyn Freter.

Student Council:

Dennis Erie, James Wetherbee, Roger Gilbertson and Barbara Nixon.

Junior Class Officers:

President: Dean Johlfs.
Vice-President: Gordon Sanders.
Secretary: Eunice Halvorson.
Treasurer: Louise Ochocki.

Student Council:

Byron Ellingson, Virginia Young, Marie Skramstad and Bruce Carrow.

Sophomore Class Officers:

President: Charles Lutz.
Vice-President: Paul Paradis.
Secretary: Jean Abbott.
Treasurer: Bob McGuire.

Student Council:

Donna Ausen, Gordon Dandurand, LeRoy Lanoue and Audrey Rosetter.

Student council principal's office representatives are Harriet Schunk and Louise Ochocki.

The junior high school does not organize until next year.

Marshall High School has always worked on the assumption that student participation will produce results in the long run, Principal Merrill W. Olson said. With that in mind, the council of Marshall high school has been given increasing work to do each year.

"Of course, the primary purpose of any council is the improvement of the students in the school for the students' aims and purposes should be such as would produce satisfying experiences for the school in building up the effectiveness of its program," he said. "No place else may well informed, serious-minded citizens become as well informed as they can by having a part in the student council."

"Selected by the students, this organization has a responsibility in the development of the boys and girls within the school.

"Council is not a place for the difficulties of a school but the serious problems may be given the students with an idea of letting them work toward the solutions of those problems.

"Over the years since this class came to high school, additional powers have been granted the council and its fame spread throughout this section of the state. Three members of this school conducted panels at the recent student council convention."

AN ORCHID

To LEE CHRISTENSON, editor of the Marhian, and members of his staff, for a creditable job of producing Marshall high school's first school annual in many years. The result of their efforts will be cherished throughout the lives of the local high school graduates.

Outstanding School Activities

Marshall Highlights of 47-48

Adding much to the color and pageantry of the 1947 football season was the playing and marching of the high school band under the direction of George Wingert. All of that pre-

cision marching and maneuvering wasn't just happenstance, though. The band rehearsed many times before they appeared before the fans. —Keith photo.

Half Stenography Pupils Have Jobs

Half of the members of Miss Doris Drake's stenography II class in Marshall high school already have jobs for the summer, some have positions for next year and others are going to college in the fall.

The Stenography II class pre-

pared the convocation presented April 30 on job finding. It presented material on the technique of letters of application, the interview and what to do on the job.

The students are now completing their work in office practice with preparation of bills, statements, and other job forms including checks, drafts, notes and invoices.

Juniors in Regional Spotlight

Marshall's Jim Wetherbee lugged the baton home in the 880-yard relay with an eight-yard lead over Springfield's second-place anchor man. Time was 1:37.1. Don Rubertus, leading off the event for Marshall, handed the baton to Denny Erie with a six-foot lead. Erie widened the gap to ten feet. Donovan Catton gained about ten feet more before Wetherbee took over for the final furlong. All except Catton have another year of competition. —Messenger staff photo.

Denny Erie raced over the 200-yard low hurdles in 23.7 seconds to win the regional championship, defeating Engh of Montevideo. Erie's arch-rival in interscholastic hurdle events this spring. Earlier in the meet Saturday, Engh nosed out Erie in the 120-yard high hurdles. —Messenger staff photo.

Dennis Erie Track Captain

Dennis Erie was elected captain of next year's Marshall high track team at a special squad meeting held just before the awards assembly Friday.

He succeeds Donavon Catton, this year's captain.

Announcement of the election was made at the awards assembly.

Leger Gilbertson, Marshall high school athlete who was critically injured Monday evening in an automobile accident four and one-half miles southwest of Marshall, is shown, right, sinking a basket against Pipestone in the Marshall high school gymnasium last winter. A junior, Gilbertson is Region 3 high jump champion in track. He was scheduled to go to Minneapolis early Tuesday to compete in the state track meet. —Keith photo.

Softball Meeting Thursday Evening

Jay Johnstone, recreational director, has called a softball meeting for Thursday evening at 8:15 in Room 103, in the high school.

Johnstone urges that all who have already signed up to play and those who wish to get into the league, be present.

This is the last opportunity to get into league play as the regular schedule gets underway next Monday evening, he said.

Governor Youngdahl, speaker at the Marshall high school commencement, was guest of the school board at a dinner at the New Atlantic hotel previous to the graduation exercises. Left to right, facing the camera, are George A. Eddie, superintendent; the governor; and James H. Hall, president of the board of education. With backs to the camera are, left to right, Dr. W. W. Yaeger, school board secretary, and Mrs. J. L. Anderson. —Hanline photo.

Honors Awarded at Commencement Exercises

Scholarships and Medals Presented

Annual senior awards to outstanding students in Marshall high school were presented at the commencement exercises Friday night in the high school auditorium.

The Hall Awards: Given to a senior and an underclassman, for attitude, scholarship, loyalty, activities, leadership and cooperation. Patricia Nelson and Nancy Pickett were co-winners of the senior award, and Donald Rubertus of the junior award.

Persons Award: Given by Dr. and Mrs. C. E. Persons to a boy and girl in the seventh and eighth grades on the same basis as the Hall awards. Winners were Barbara Schwandt and David Appen.

Bud Rose Award: To the outstanding athlete of the year. Winner was Gregory Gits.

Dr. and Mrs. F. D. Gray Award: For the best essay on conservation. First, Marie Skramstad; second, Joanne Maxwell; third, Nancy Nelson; fourth, Marilyn Mills; fifth, Byron Ellingson.

Rotary Club Award: Offered to one boy and one girl for growth in character and leadership. Winners were Lotus Ogle and George Nielsen.

American Legion Auxiliary Award: To the student writing the best essay on "Our Great American Heritage — Liberty." Winner was Patricia Nelson; James Wetherbee won second prize.

Weiner Scholarship Award: To two members of the graduating class, in the upper half scholastically; cash awards not to exceed \$500 for use in obtaining higher education. Winners were Duane Addison, valedictorian, and Leland Christenson, salutatorian.

Business and Professional Womens Club Award: For the graduate of business courses with the highest rating in stenography, business, character and general personality. Winner: Irma Duwenhoeffer.

Charles White Award: To a senior boy on the basis of school loyalty, industry and development of American ideals. Winner was Dennis Juba.

Lions' Club Award: To one boy and one girl, on the basis of contributions to the school music department, general attitude and future musical ambitions. Winners were Mary Lou Ehrreich and Leland Christenson.

Smith and Bisbee Hardware Award: To the boy or girl showing the most progress in industrial arts courses while exhibiting admirable traits of citizenship and general attitude. Winner was Wil-

Included in the group of students who received special awards at Marshall high school commencement exercises last Friday night were, left to right,

Top row: William Snodgrass, Gregory Gits, Dennis Juba, James Wetherbee and Donald Ru-

bertus. Second row: Donald Schultz, Lotus Ogle, Irma Duwenhoeffer and Duane Addison. Front row: Dorothy Waldorf, Nancy Pickett, Patricia Nelson, George Nielsen, Lee Christenson and Mary Lou Ehrreich. —Hanline photo.

liam Snodgrass. **American Legion Award:** To the boy and girl adjudged highest in character, courage, service and scholarship with a view to preservation of the fundamental institutions of democracy. Winners were Dorothy Waldorf and Dennis Juba.

Junior Chamber of Commerce Agricultural Award: To a senior in the agricultural department on the basis of accomplishments in practical farming, leadership, scholarship and Future Farmer activities. Winner was Donald Schultz.

In a surprise addition to the commencement program, Donavon Catton, representing the senior class, presented a gift certificate to the class sponsor, Principal Merrill W. Olson.

Wetherbee Places Fourth in 440 at State Track Meet

Jim Wetherbee was the only Marshall high school trackster to place in the Minnesota state high school track and field meet held at the University of Minnesota on Tuesday.

Wetherbee placed fourth in the 440 yard dash which was won by Shipstead of Minneapolis North in the fast time of :51.8. Swanson of Minneapolis Southwest was second and Dicky of St. Peter third.

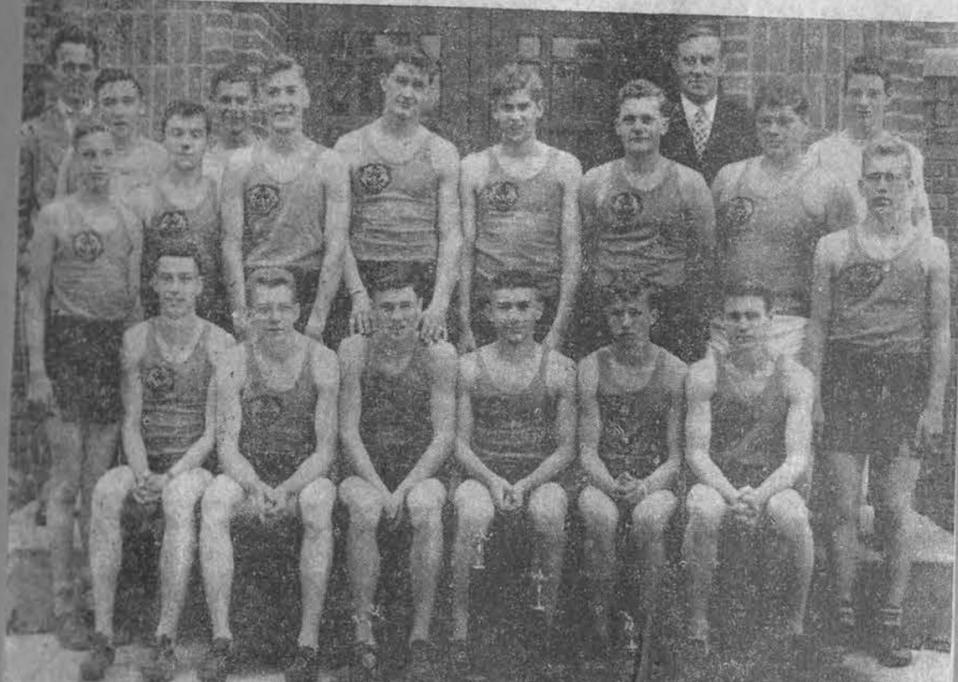

North high of Minneapolis won the team title with 21 points. Denfield high of Duluth was second with 19 points. It was the 12th straight year that a Minneapolis school has won the title.

Bob Daniels, Denfield, won both the 100 yard and 220 yard dashes and also ran on the winning relay team to be high-point man of the meet.

Other entries in the state meet from Marshall included the relay team. Rubertus, Wetherbee, Erie and Catton. The relay team placed seventh.

Erie also competed in the low hurdles and pulled a muscle in this event.

Marshall Trackmen Regional Champions

Marshall high school trackmen, who this year captured both the district and regional championship, include: Top row: Jay Johnstone, Denny Davis, Melvin Paul, Coach Larry Kienholz and Gordon Dan-
durand.

Second row: Donald Haas, Kenny Catton, Dick Hoff, Greg Gits, Bernie Coderre, Dean Johlf, Les Gieneart and Jerry Aronson. Front row: Don Rubertus, Jim Wetherbee, Denny Erie, Donavon Catton, Roger Gilbertson and Robert Auser. —Keith photo.

AN ORCHID

To DUANE ADDISON, who served as student manager for Marshall high school athletic teams in every sport for all three years of his high school career. Duane made this remarkable record in addition to taking valedictory honors for scholarship and serving in many other school activities.

Shirley Nelson and Dennis Blake Married Here

Miss Shirley Dawn Nelson, daughter of Mr. and Mrs. Carl V. Nelson, and Mr. Dennis L. Blake, son of Mrs. Leonard Blake, were united in marriage Thursday, June 3. The ceremony took place at 9 a. m. at the Holy Redeemer church and was performed by the Rev. H. J. Majerus.

The bride wore a beige suit with green accessories. Her flowers were sweet peas and daisies. Miss Delorus Nelson, who was her sister's attendant, wore a rose colored suit with gray accessories. Her flowers were also sweet peas and daisies.

The bridegroom's attendant was Richard Endres of Defiance, Iowa, and formerly of Marshall, who has been attending St. John's university.

Following the ceremony, a wedding breakfast was served at the home of the bridegroom's aunt and uncle, Mr. and Mrs. Charles Blanchette. A dinner for the immediate families was served at the home of the bride's parents.

Following a brief wedding trip Mr. and Mrs. Blake are now at home at 5641 South Homan avenue, Chicago, Ill. Mr. Blake attends Chicago College of Optometry and is also employed in the Chicago postoffice.

Summer Music Program Announced

First Band Concert Next Wednesday

First band concert of the summer season by the Marshall municipal band will be Wednesday at 8 p. m. at Liberty park, H. O. Gregoire, secretary-treasurer, announced Thursday.

First practice of the summer was held Monday. It was decided to hold later practices every Tuesday at 8 p. m. at the band hall in the high school, and concerts every Wednesday. Members of the band include:

Trumpets: Marshall DeCamp, James Hand, H. O. Gregoire, Irving Peterson, Thomas Ryan and Don Snortum.

Clarinets: Cecelia Bromer, Constance Balcom, Lee Barnett, James Gregoire, Alan McClothlin, Carl H. Riebe, James Wetherbee, Roger Wetherbee and Jackie Yaeger.

Flute and piccolo: Carolyn Henderson.

Saxophones: Charles Blanchette, Betty Foster, Barbara Gamm, Al Remerowski and Rosalie Reber.

Horns: John Kugler, Robert Kugler, Pat O'Connell, Jean Soucy and Virginia Young.

Trombones: Dan Galle, Arlon Myhrvold and Arlen Sneltsjes.

Basses: Maynard Minnick and Bill White.

Drums: Clarence Blair, Roy Lindgren and Ed O'Brien.

On the board of directors of the band are Millard Ehlers, James Hand, Irving Peterson and Bill White. George F. Wingert, Jr., musical director.

Rotary Presents Heroism Award

Kernit Julian receives the Marshall Rotary club's award for heroism from Herman Nelson, president. The award, made at the Rotary dinner last Thursday evening, was for young Julian's saving the life of Janice Deming in the Redwood river flood March 23. —Keith photo.

Harriet Schrunk, Muriel Bot, Elaine Opdahl to Girls State

Three Lyon county girls will be among representative high school girls from all over Minnesota who will conduct a unique experiment in state government next week.

They are Harriet Schrunk of Marshall and Elaine Opdahl and Muriel Bot of Ghent, selected as representatives of the American Legion auxiliary units of the two towns to the annual Girls State.

Ghent selected two girls since Ghent youngsters attend both Marshall and Minnesota schools. Miss Bot attends Marshall high school, Miss Opdahl, Minnesota.

Girls State will be held at the 4-H building at the state fairgrounds. The girls will actually form a government for a mythical 49 state, electing governor, state officials, senators, representatives, city councils, etc.

The program starts Thursday and lasts one week.

Mrs. M. W. Knoblauch of St. Paul, a former department president of the organization, will again be dean of Minnesota Girls State.

Mrs. A. L. Soucy, president of the local unit of the auxiliary, explained that there are four purposes in this program.

First is to arouse in each girl a love for the American form of democracy; second to educate young girls in the duties, rights, privileges, and responsibilities of American citizenship; third, since they are future voters and office holders, the aim is to point out to them the contribution women can make for the welfare of the community, state and nation; fourth, to bring to these girls a working knowledge of the fundamental principles of American government through actual practice.

Girls State will open Thursday evening, Mrs. Manley Fosseen of Minneapolis presenting a talk on "Qualifications of Office Seekers." Officers to preside over Girls State will be selected the next two days and inauguration and an open house will be held on Sunday.

The remainder of the week will be devoted to the actual administration of Girls State.

Marjorie Wetherbee Conducting Choir

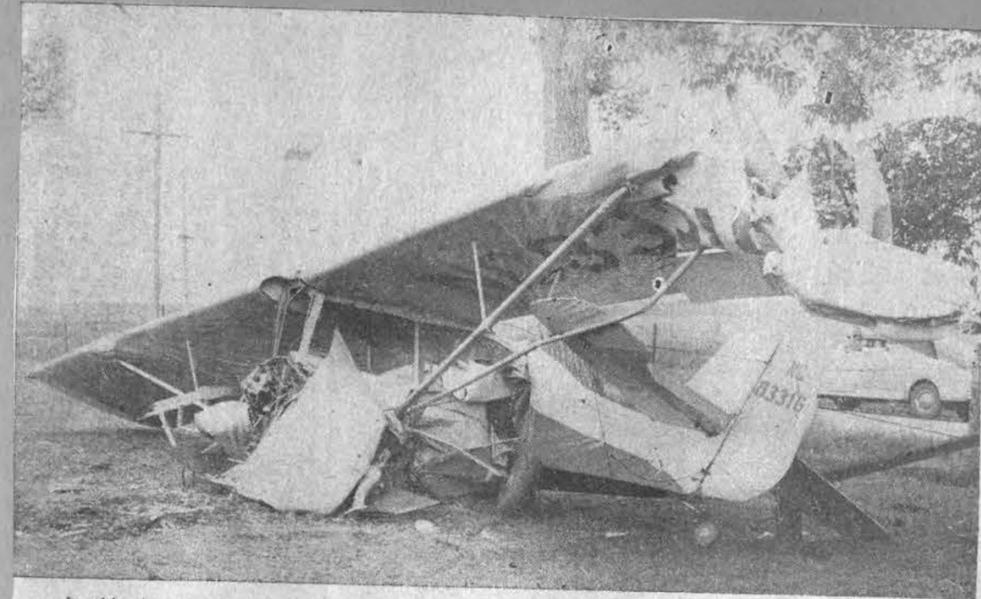

Miss Marjorie Rose Wetherbee is directing the Federated choir and Miss Virginia Young is acting as accompanist for two weeks during the absence of Mr. and Mrs. G. H. Sneltsjes.

Playground Activities in Full Swing

Archery is one of the activities proving a popular part of Marshall's annual summer recreation program at Legion's field. Shown above in last summer's archery class are Muriel Bot, playground director Jay Johnstone and Denny

Christenson. The archery class is each Friday at 3:30 p. m. Playground activities start each morning at 9:30 and continue until 4:30 p. m. —Messenger staff photo.

In this Aeronca two-place airplane, Hubert Deutz, Jr., of Marshall died in a crash on the Kerkvliet brothers farm north of Marshall Saturday evening. —Keith photo.

Freeman Pupils in Piano Recital

Part of the pupils who took part in Miss Arnedra Freeman's recital last Monday evening in the Methodist church are shown here. They are, left to right, standing: Miss Arnedra Freeman, Donna Nelson, Carol Rohlin, Jeanne Maxson, Fay Schultz, Mary Lou Johnson, Janice Nordstrum, Marlyssann Morgan, Ann Egge, Bar-

bara Gamm, Sandra Grue and Jan Dallenbach. Seated at the piano, left to right are: Harriet Schrunck, Kathleen Schneider and Nona Erie. A total of 32 took part in the recital. Miss Freeman also conducted a recital at the Trinity Lutheran church in Walnut Grove Friday evening. —Haneline photo.

Younger Brother Recovering from Critical Injuries

One Marshall youth was killed and another was critically injured in an airplane crash Saturday about 6:25 p.m. on the Kerkvliet brothers farm, 3 miles north of Marshall on the old Green Valley road.

Dead was Hubert Deutz, Jr., 21, son of Mr. and Mrs. Hubert Deutz of Marshall. Still in a local hospital as a result of injuries was his younger brother, Glenn, 14.

It was the first serious crash involving a plane operating from the local airport since the Marshall airport was founded, 20 years ago.

Funeral services for Hubert were held Tuesday morning at 10 a.m. at the Holy Redeemer Catholic church. Burial was in Calvary cemetery. The American Legion conducted military rites at the graveside.

Glenn sustained a broken arm, broken ankle, and severe scalp wound. Attending physicians said Tuesday that he was recovering slowly.

The airplane in which the Deutz boys were flying was owned by the Marshall Flying service, and was a two-place Aeronca Champion.

Hubert was piloting the plane. He was circling the Kerkvliet farm at the time. The Kerkvliet brothers, uncles of the boys in the plane, were working at the buildings, and the Deutz brothers were watching.

Hubert, a veteran of World War II, saw action in the Pacific war theater. He was with the Seabees and the navy on the island of Guam in the Mariannas for 14 months.

George Hawkins, operator of the Marshall Flying service, said that young Deutz was an excellent pilot. He had taken his flight training under Hawkins under the GI bill.

He received his private license in February, and had about 80 hours of flying time to his credit.

Actual cause of the accident has not been officially determined. George Holey, inspector from the Minnesota department of aeronautics flew in to Marshall Sunday morning to investigate the crash.

Mr. Holey expressed the opinion that the Deutz craft, making a sharp turn over the Kerkvliet farm, had insufficient air speed for the steep bank it went into, and stalled.

The plane was so close to the ground—estimates varied from 150 to 300 feet—that there was not sufficient time for the engines to recover air speed before crashing.

The investigation indicated that there was no mechanical fault or

Dolores Lens Married Here

—Handline Photo

In a double-ring ceremony at the Holy Redeemer church in Marshall Tuesday, June 22, at 9 a.m., Miss Dolores E. Lens, daughter of Mr. and Mrs. Frank G. Lens, became the bride of Vincent S. Madsen of Sioux Falls, S. D. The Very Rev. R. A. Neudecker officiated.

The bride, given in marriage by her father, wore a floor length gown of white slipper satin with a sheer marquisette yoke with ruffled shoulderline. It was fashioned with a fitted bodice, buttoned down the back to a full skirt which fell

in a long train. The long sleeves tapered to a point over the hands. She wore a scalloped, lace-edged finger-tip veil of illusion net, held in place by a beaded crown. The bride wore three-strand pearls and carried a white bride's manual, gifts from the bridegroom.

She carried an embroidered white silk handkerchief her grandmother, Mrs. Elizabeth Racette, carried on her wedding day 49 years ago; the bride's mother also carried it on her wedding day.

The bride's flowers were clusters of white roses tied with a white satin bow having ribbon streamers with baby breath. While the choir sang "O Beautiful Mother," the bride placed flowers on the Blessed Virgin's altar. Other hymns sung during mass were "Ave Maria," "Panis Angelicus," and "Jesus, Jesus Come To Me."

Frances J. Lens, sister of the bride, was maid of honor. She wore a daffodil yellow faille gown. Her dress was fashioned with short sleeves, long fingertip gloves, and a gathered skirt which had a bustle bow. She wore a matching chapel veil and carried a colonial bouquet of white carnations with violet ribbons.

Donna Marie Lens, sister of the bride, was bridesmaid. She wore a violet faille gown. Her dress was fashioned with short sleeves, long fingertip gloves, and a gathered skirt which had a bustle bow. She wore a matching chapel veil and carried a colonial bouquet of white carnations with yellow ribbons. Their only jewelry was two-strand pearls, gifts from the bride.

Robert E. Himmer, cousin of the bride, and Charles W. Lens, brother of the bride, were the bridegroom's attendants.

Ushers were Arthur Cadwell, a cousin of the bridegroom, and Bernard Himmer, cousin of the bride.

The wedding breakfast was served to the bridal party, parents and grandparents, at the home of Mrs. Leo Dirckx, aunt of the bride.

Dinner was served to 40 guests at the Marshall cafe dining room. The tables were decorated with mixed flower bouquets; a three-tier wedding cake with lattice trimming, served as centerpiece.

A reception was held at the home of the bride from 2 to 4 p.

m. A buffet supper was also served to 40 guests.

Mrs. George Gagnon and Mrs. Agnes Shourds helped at the home for the reception and supper.

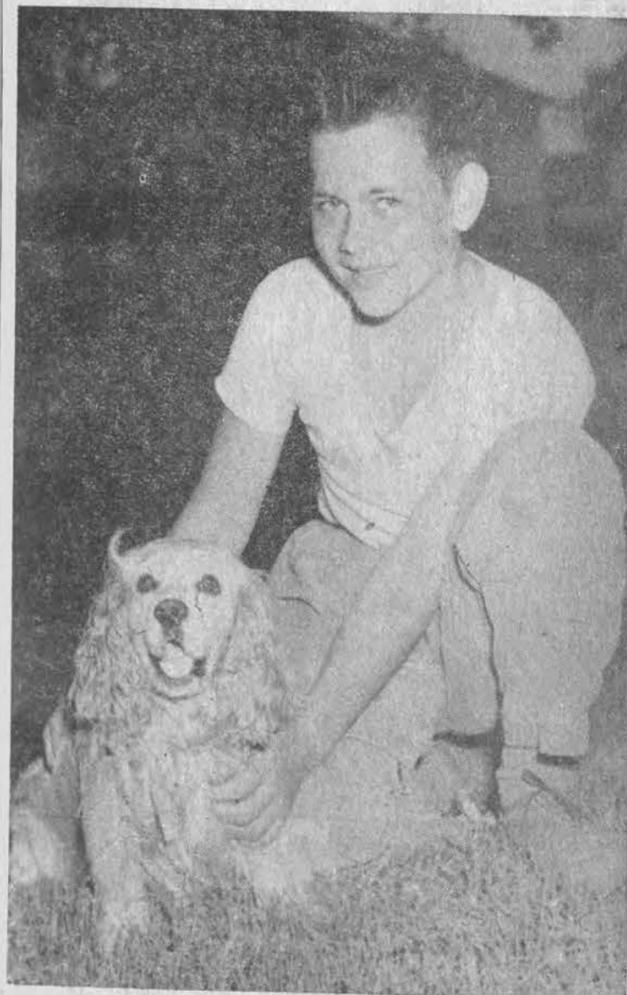

The bride graduated from Marshall high school in 1947 and for the past year has been employed as a stenographer at the school.

The bridegroom graduated from Ruthon high school in 1946 and is now employed by Locke Electric in Sioux Falls.

After a wedding trip to Winnipeg they will make their home at 508 south Minnesota avenue, Sioux Falls.

Guests from out of town were Mrs. Joe Miltenberger, Clarkston, Wash.; Mr. and Mrs. John Grove and Mrs. Stella Madsen, Russell; Mr. and Mrs. Hjalmer Madsen and Phyllis, Granite Falls; Mrs. Carrie Tillinghost, Arlington, S. D.; Mr. and Mrs. Robert Cadwell, of Minneapolis; Mr. and Mrs. Henry Bolker and family, Tyler; Mr. and Mrs. Leo Boudreau, Mr. and Mrs. Albert Siemonsma, Miss Stella Siemonsma and Mr. Harry Siemonsma, all of Sioux Falls; Mr. and Mrs. Joe Laleman, Cottonwood; Mr. and Mrs. Henry Racette, Milroy; Mr. and Mrs. C. F. Kerkvliet, Russell; Mr. and Mrs. George Prairie and Janet Marie, Russell; Mrs. Bertha Kerkvliet and daughter Gertrude, Minnesota; Mr. and Mrs. Joe Dirckx, Garvin; and Mrs. H. L. Point and Lloyd, Russell.

Major Goes on Sick Call

"Major" is on sick call. Major is the dog's name and he suffered a broken leg when he actually climbed a ladder and fell backwards off it. Dr. Odin Dove wrapped the leg in a splint and reports that the dog is recovering more rapidly than expected. Owner of the dog, Dick Byers, son of Mr. and Mrs. Paul Byers, 619 West Lyon street, is holding Major for the photographer. —Messenger staff photo.

FFA Seniors in Black Hills

Five Marshall Future Farmers and their advisor, L. J. McCann, spent a week at Camp Judson, near Pactola, S. D. Judging a buffalo (stuffed—at a Wall, S. D., drug store) are, left to right, cattle judging experts Curtis Addison, Gregory Gits, Donald Schultz, Harold Carrow and Robert Lindsay.

The boys also went hiking in the badlands—from rear to front, Donald, Harold Curtis, Robert and Gregory. The trip is made each year by graduating seniors in the Marshall high school agriculture class.

Ann Stanwood Named FHA Officer at Kansas City

Ann Stanwood, daughter of Mr. and Mrs. M. C. Stanwood of Marshall, was elected national recreation director of the Future Homemakers of America at the organization's national convention, held July 6 to 9 in Kansas City.

Future Homemakers of America is a nationwide organization of high school girls. During the coming year Ann will be responsible for all recreational planning, including that for four national meetings.

Representatives from 45 states, Hawaii and Puerto Rico, attended the Kansas City convention, including 15 Minnesota girl representatives. 2,500 girls were present in all. Ann was accompanied to Kansas City by Miss Mary Lou Walker, high school home economics instructor.

Ann reported Thursday that a highlight of the trip was being presented with a Hawaiian lei of 200 orchids by Gladys Ueno, FHA representative from Hawaii. These gifts were presented to national officers after their installation, she said.

Rosy's Bob-tailed Kittens

These cats have quite a tale. The truth is, their tails are very short indeed. The mother cat and six of her seven kittens are bob-tailed. Pretty admirer of the kittens is 3-year-old Janet Rosetter, daughter of Mr. and Mrs. Adolph Rosetter. Kittens were uncooperative with photographer and had to be bribed with ice cream. They were born near Rosy's curb service stand at the Green Valley corner. —Messenger staff photo.

11 New Teachers Hired to Complete 1948-49 Marshall School Faculty

Eleven new teachers will join the faculty of the Marshall school system this fall to complete the staff for the 1948-49 school year, Superintendent George Eddie stated Wednesday.

New grade teachers are:

Lorraine Eide, kindergarten, who attended the University of Minnesota and graduated from Miss Wood's kindergarten school.

Marion Newell, graduate of South Dakota State and Thomas Beadle Normal at Madison, will teach first grade. Arlene Lundmark, graduate of Bemidji, will teach second grade. Verona Iversen, graduate of Moorhead State Teachers College, will have the fourth grade and Eileen Fox, a graduate of Valley City State Teachers College will have the sixth grade.

In high school the new teachers are:

Carol Jansen, girls physical education, who took her work at Mankato State Teachers College. Dorothy Patrick, home economics teacher, whose training was received at South Dakota state college. Majorie Sorensen, graduate of Hamline University, will have charge of grade school and junior high music.

Morton Finkelstein, graduate of the University of Minnesota, will

(Continued on Page Seven)

have charge of the library and will also teach a class in French. Donald Holycross, graduate of Bemidji State Teachers College, will have junior high school science. George Path, a graduate of the University of Minnesota, will have junior high school geography and social studies.

The teachers returning are:

Harry Ahlin, industrial arts; Marie Alsaker, junior high mathematics; Allen Brakke, veterans agriculture; Helen Bussard, junior high English; Eva Mae Cann, junior high English; Alma Cobb, kindergarten; Duane Converse, senior high science; Ursula Coscetto, senior high English; Johanna Dolgaar, second grade; Doris Drake, commercial; Lucille Gluth, fourth grade; Edra Gray, junior high social studies.

Viola Grovender, Senior High social studies; Evelyn Jackson, fifth grade; Jay Johnstone, coach and world history; Marion Kerr, third grade; Lorence Kienholz, coaching and industrial arts; Olive LeFor, home economics; Stuart MacDonald, physical education; Loyal McCann, agriculture; Irene Nagel, sixth grade; June Perkins, business training; Hazel Pfister, fifth grade; Lillian Reidesel, first grade; Frank Smith, senior high social studies; Johanna Sorensen, second grade; Helen Sullivan, senior high English; Frances Taylor, fourth grade.

Grace Tomlinson, sixth grade; Imelda Tyman, first grade; Julian Waller, mathematics and art; Elmer Wickstrom, mathematics; George Wingert, music; Isabelle Winkels, third grade; Mrs. Alicemary Edwardson, school nurse; Merrill W. Olson, high school principal and George Eddie, superintendent of schools.

Mr. Eddie pointed out that the 1948-49 faculty of Marshall public schools represents 26 different colleges and that 14 of the staff have studied at the University of Minnesota.

The colleges represented are: Minnesota teachers college at Bemidji, Duluth, Mankato, Moorhead, St. Cloud and Winona; Northern normal at Aberdeen, Jamestown college, Jamestown, N. D.; Carleton college; North Dakota university; Cotner college in Nebraska; University of Nebraska; Valley City state teachers college; North Dakota state college; Hamline university; Iowa state college; Racett college in Illinois; South Dakota state; Macalester; Yankton college; St. Olaf; Miss Wood's primary school; Concordia; University of Idaho; and Beadle teachers college, Madison, South Dakota.

Most of the teachers on the staff have secured places to live, Mr. Eddie said. However, he asked families having rooms which they could rent to teachers to contact the superintendent's office.

Five Games Coming Up For Tigers

By William Pickett

Two league games and three exhibition games are to be played by the Marshall ball club during the coming week. All the games except one will be played at Legion Field under the light.

The Tigers meet the Milroy team of the Redwood county league here on Thursday night. This promises to be a real game as the Milroy aggregation is fighting for the lead in its league. They are reported to have a stronger team this year than the one that represented them last year when they won this region title.

On Friday night the locals journey to Granite Falls to meet the team that represents that place in the Central Minnesota league.

Following this game comes the two Southwestern Minnesota league tilts in which the locals will attempt to strengthen their hold on first place in the loop standing.

On Sunday night the Ivanhoe club comes here and they are out to defeat the locals and are expected to play a good game. This game is scheduled to get underway at 8:15.

The Balaton nine comes here Tuesday night for a postponed league contest. This promises to provide the fans with plenty of fireworks as the Tigers are definitely out to win this one as the Balaton club is the only one that has defeated them in league play.

With Danny Dolan on the mound the Braves scored a 3-2 victory at Balaton and he will undoubtedly be on the mound when they invade the local field Tuesday night.

On next Thursday night the stong Slayton team comes here for an exhibition game.

The Redwood Falls games scheduled for Tuesday evening was rained out but the fans will undoubtedly have a chance to see this club in action in the near future as plans are to re-schedule the contest for the earliest possible date suitable to the teams.

Serious Classroom Shortage Forecast by Superintendent

"Classrooms in our grade school will be completely filled this year and the present building will be five classrooms short by 1955." That is a statement of George Eddie, superintendent of Marshall public schools, after a detailed study of enrollment statistics.

"The only space we will have available for outside activities this fall will be classrooms, that will be free between 8 and 9 a.m. This means that when any outside activities has to be held in the school building any other time of the day it will have to be held in the Little Theatre and our visual education program will have to be suspended during the meeting.

"Teachers will have to correct their papers or do any other out of class work either in the school office or in a small room we have arranged for the purpose."

However, Mr. Eddie indicated that the situation will be much more serious in a few years. The statistics, which are based on the actual number of births and are accurate for the next 6 years, show that the school will be 5 classrooms short by 1955. A conservative estimate shows that 950 students will be enrolled in grade schools by 1959 which will make the school 9 classrooms short.

These figures do not take into consideration any growth in population of the community, or the fact that the high school needs extra space immediately.

Actually, the junior and senior high school enrollment will increase at an even more rapid rate during the next few years than will the grade school due to students coming into junior high school and the ninth grade both. 1,080 were enrolled in the whole school this year and that figure is expected to increase to 1,600 by 1958.

Approximately \$450,000 has been raised in a bond issue and a \$50,000 sinking fund is already available for the additional construction to take care of the increased enrollment, Mr. Eddie said. Plans for the addition are not complete at this time. It is hoped that they will be completed in time to care for the situation, he said.

Some of the statistics that show the situation are shown below:

Year	Enr't.	Classrooms Need.	Avail.
1947-48	571	17	18
1948-49	592	18	18
1949-50	621	19	18
1950-51	666	20	18
1951-52	684	20	18
1952-53	775	21	18
1953-54	810	22	18

Should the birth rate steadily decrease after the year 1947 to 140 in 1959 (it is 169 now) the situation would look like this:

Year	Enr't.	Classrooms Need.	Avail.
1954-55	835	23	?
1955-56	866	24	?
1956-57	897	25	?
1957-58	919	26	?
1958-59	950	27	?

And now the clarinets pipe a countermelody. Girls dominate the clarinet section in the summer band. Mr. Wingert says the summer band is useful in getting new students that move into the community during the summertime used to the band set-up before school starts. Left to right are Gloria Cross, Joan Graffunder, Jackie Yaeger, Connie Balcom, Ronald Hixon, Donna Christensen and Georgia Lindgren. —Messenger staff photo.

Summer Band Prepares for Autumn Appearances

The school summer band receives a few instructions from its director, George Wingert. The band includes any private students of Mr. Wingert that can arrange to practice Monday and Wednesday mornings at 8 to 9 a. m. Band members range from high school students down to the third grade. Mr. Wingert says the summer practice will speed up the band's activities this fall—says they'll be able to march the first day because of practice this summer. Members are, left to right, first row: Rodger Wetherbee, James Wetherbee, Janice Green and Gloria Johnston. Second

row, Gloria Cross, Joan Graffunder, Jackie Yaeger, Connie Balcom, Ronald Hixon, Donna Christensen, Georgia Lindgren, Marjorie Knutson, Margaret Knutson and John Henderson. Third row, Virginia Young, James Henderson, Dorothea Rupp, Katherine Anderson, Vincent Harris, John Wetherbee, Ellen Blake, Norman Priebe, Rose Anne Madden, Colleen Blake, Barbara Gamm and Betty Foster. Fourth row, James Stauffacher, Marlow Johnston, David Erie, Francis Schuck, Joan Rasmussen and Scott Eddie. —Messenger staff photo.

Band in Surprise Serenade

The municipal band proved its loyalty to its director, George Wingert in a send-off they gave him when he left for St. Louis Thursday night. All unknown to Mr. Wingert, the whole band gathered behind the depot, marched to the train and played a 30 minute "free for all" to wish George well on his weekend trip. One of the placards admonished George to "Beware of the St. Louis Blues!" Left to right are Mr. Wetherbee, Robert Kugler, Roland Rans, John van der Linden and Arlen Sneltsjes. A good-sized crowd gathered to hear the impromptu concert. —Messenger staff photo.

Teacher Salaries Higher Than '47

Teachers for the 1948-49 school year have been hired in all but four rural districts in Lyon county, Miss Jennie M. Frost, county superintendent, said Thursday.

The average salary of teachers hired to date is \$225.01 a month. Last year it was \$209.28.

Elaine's new wool street dress has unpressed pleats in the skirt, a Peter Pan collar and three-quarter length sleeves. The dress is styled for simplicity and serviceability as well as beauty and comfort. —Messenger staff photo.

Aug. 24, 1948

School Handbook Reduced in Size

This year's Marshall high school handbook will be considerably smaller than in previous years because the annual, the Marhian, which was published for the first time last spring, partly duplicates the handbooks of previous years, according to Principal Merrill W. Olson.

The handbook will be set up in the same manner but will contain far less material and practically no pictures, he said. It will contain the administration procedure within the school and showing of regulations, activities information and factual material about the school.

The handbook is published by the student council. Each student is given a handbook upon registration.

The Blueprint for 1948-1949

By MERRIL W. OLSON
Principal, Marshall High School

Marshall high school opens their 1948-1949 school year with bright prospects for a successful year in every line of activity. The success of the school year will depend entirely upon the student body and their attitude toward school. It can be the most successful in history or it can become just another year.

The blueprints have been made up with the student council and the principal cooperating. That is a factor which has helped to make for our success—the cooperation of the students and the faculty. Let's go all out this year to continue to cooperate and make this our biggest year.

Reviewing last year the juniors gained much experience in a successful school year. You will remember that our athletic record was excellent. We lost one football game and lost to Granite Falls in the regional in basketball, and we won the regional in track without effort. Many of the same boys are back. It is our intention to repeat and go further. This might be the year to begin another string in football. You remember the fabulous days of 1937 through 1942. In basketball we are going to work to go even further than we did this year and in track the same boys are back to carry on. To do this and build for the next year we must have the constant cooperation of the younger boys coming up.

Our school paper deserved all the credit it received last year. We want it to be even better this year. Marshall's high school annual, a success from the student's standpoint, was not self-supporting. That factor must be remedied and we in the student council think that we should still remain self-supporting. That is, we should not solicit help without something in return.

Our music department made tremendous strides last year but we should have enough pride in an excellent high school band to dress as it deserves. Let's go all out and create a uniform fund which will place our band in an enviable position throughout the state.

We should develop definite service to our community and our country through helping the Community Chest drives, "Share Your Christmas" drives, and "Save The Children Drive." Let's get these drives out of the way as soon as possible and make our contribution.

The development of our health should be a big factor in the thoughts of every boy and girl. Make every effort to cooperate in bettering the health of our school.

The student council can continue to give you a number of designs that are past the blueprint stage and need the action of the student body, and will make Marshall have another successful year. May we all cooperate and help.

Aug. 24, 1948

AN ORCHID

To GEORGE A. EDDIE, Marshall school superintendent, as he begins his second year at the head of our school system. Mr. Eddie has made many friends, has continued an efficient local school administration, and has inaugurated progressive changes without confusion or turmoil.

Aug. 24, 1948

Officials Request Careful Thought 'n Choosing Studies

Courses and activities for the 1948-49 school year in the Marshall public schools were announced today by Supt. George A. Eddie and Principal Merrill W. Olson.

Stressing the importance of a well-rounded educational program, they urged pupils to plan their courses carefully with future educational or job prospects in mind, and also suggested that all high school students plan on engaging in at least one extra-curricular activity to balance their program.

Courses

With the start of another school year, students and parents once more are considering choices of the courses offered in high school. Local school officials recommend careful discussion between parents and children. At the school courses are carefully discussed with the children and they in turn are expected to discuss this material with their parents, said Principal Merrill W. Olson.

The guidance course in the local high school also is helping to straighten out courses but additional thought is needed on the part of the students, he said.

- The following courses may be taken at Marshall High School:
- College Preparatory
 - General Course
 - Commercial Course
 - Agriculture Course
 - Industrial Arts Course and
 - Home Economics Course.

College Preparatory

In the college preparatory course, students prepare themselves for college, taking in the tenth, eleventh, and twelfth grades three English, three histories, and three "solids" from the following subjects: geometry, higher algebra, biology, solid geometry, trigonometry, physics, chemistry, and language.

Students will then have nine "solids" and an opportunity to choose three subjects of their own liking. Typing is usually recommended as one of the choices.

Students also must take geometry for most college entrances and they are strongly advised to take a year of chemistry or physics. Any boy or girl going away to college is told at the beginning of his sophomore year the subjects that he must take and plan for.

General Course

In the general course, students are required to take three years of English, three years of history and may take the other six credits from any subjects offered in high school. One mathematics course and one science course is recommended, together with typing.

Commercial Course

In the commercial course, again a student must take three histories and three years of English. Typing I in the tenth grade, stenography I and II in the eleventh and twelfth, and bookkeeping in the eleventh or twelfth grades. A student may then complete the other two credits from any subject he wishes.

Industrial Arts

In industrial arts, students must take the three English and the three histories required, together with industrial arts in the tenth, eleventh, and twelfth grade, with the three additional credits wherever he wishes to take them. Again typing and one science are recommended.

Home Economics

The same holds true in home economics, with students taking the required three English, three histories, and home economics 9, 10, 11, and 12; suggested typing and two credits wherever she wishes to pursue them.

Agriculture

The agriculture department, the newest one established in the local high school, requires three years of English and three years of history, agriculture in the ninth, tenth, eleventh, and twelfth grades, together with farm shop in either the eleventh or twelfth grades, suggested typing in the eleventh or twelfth grades, with one credit chosen wherever the student wants to. Outside choices include art and journalism.

French has replaced Latin as language in the local high school after a number of years. More students wanted to take French than Latin and the replacement was made for that reason, Mr. Olson said.

Typing is suggested for every boy or girl, both for personal and business use. It is recommended that every student take either physics, chemistry, or biology to give them a taste of science. In mathematics, geometry, higher al-

Student Council To Organize Soon

The student council at Marshall high school has been selected by the students and will meet the first week to choose their officers. In the spring of the year each class selects its four representatives to the council.

Class presidents automatically become members, and three members are selected by the principal's office to serve.

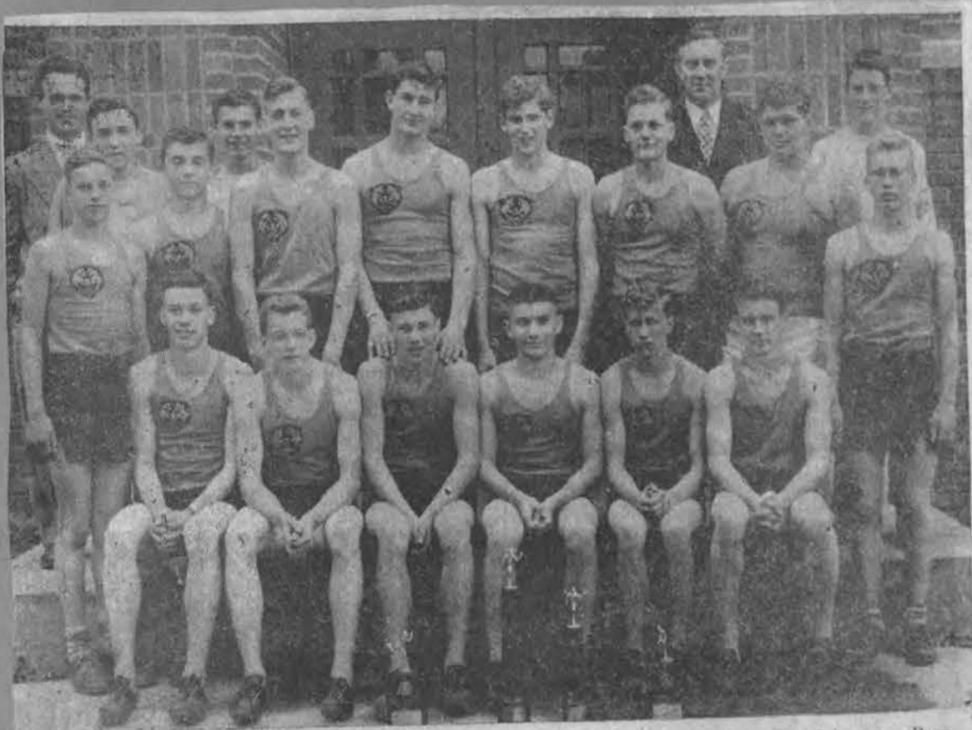

This group then has the power to work out the problems of the school, and they do work for the welfare of the entire school system in individual groups, reports Principal Merrill W. Olson. And each year more problems are given to them and more power added.

The council controls all activities within the school. Problems are brought to their attention either by the principal or by the individual members of their home rooms. Problems are discussed in council and action taken.

The Marshall council is one of the oldest in the state and has been a leader in the establishment of councils elsewhere. At the present time a student from Marshall high school will be selected as division president and will have charge over a divisional meeting at Worthington in the fall of 1950.

The council will attend the state student council convention held in the cities in the early fall.

Aug 24, 1948

"Marshall is the prize example of an athletic-minded city," is a comment one hears time and again from visitors, who are often a bit jealous of the whole-hearted support given to sports activities in Marshall. And, undoubtedly, the support of townspeople and the success of local athletic teams have gone hand in hand, each one helping boost the other to new heights. One of the most successful of this past year's athletic teams was that in track, coached by

Larry Kienholz, assisted by Jay Johnstone. Practically the whole team will be back this year. Left to right, top row, are Mr. Johnstone, Denny Davis, Melvin Paul, Mr. Kienholz and Gordon Dandurand; Second row, Donald Hans, Kenny Catton, Dick Hoff, Gregory Gits, Bernie Coderra, Dean Jöhls, Les Gieneart and Jerry Aronson; Front row, Don Rubertus, Jim Weiberber, Denny Erie, Donavon Catton, Roger Gilbertson and Robert Ausen. —Keith photo.

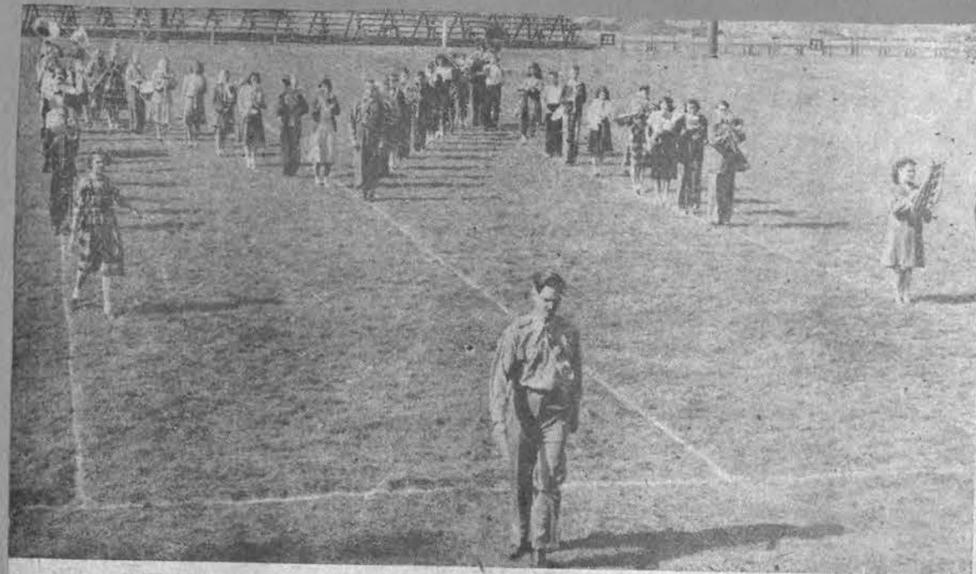

Students at Marshall high school blend civic projects and outside activities with their classwork, learning thereby the practical application of much of the theoretical matter given them in the classrooms. As illustrated above, for instance, three of Julian Waller's art students are using classroom techniques in drafting illustrations for the Marshall high school annual, which was published for the first time this year. Left to right are Anita Erie, Lotus Ogle and Lois McKay. —Messenger staff photo.

Similarly, home economics students are banded together in an extra-curricular club, the FHA—or "Future Homemakers of America"—through which they practice what is preached to them; and, also, through inter-school conventions, learn what other home economics students are doing. Shown above in one of this past year's home economics classes are, left to right, Colleen Van Hee, Helen Mosch and Carol Robin. Miss Mary Lou Walker was instructor last year. —Messenger staff photo.

Aug. 24, 1948

Once again this fall the Tiger marching band will march and play for fall grid games and will furnish intermission music for the basketball season this winter, too. During the sum-

mer George F. Wingert, Jr., director, has been drilling his charges in marching and in playing technique, and filling the vacancies left by graduation. —Keith photo.

Parents Invited To Convocations

"We want Marshall parents to feel free to drop into any of the school events at any time," is the invitation issued by the Student Council in a statement today. The group especially called attention to the convocations held each week for the purpose of dispensing information to the students on a variety of topics. Parents are also invited to witness the "sweater hops" staged by the students after athletic contests. At a convocation held last Friday morning, talks on trouble spots in the world today were given by members of the senior social science class.

Student Council Sends Officers to Convention

Members of the Marshall high school Student Council will rub elbows with students from all parts of Minnesota and discuss their problems at the first annual convention of the state student council organization to be held Oct. 14 and 15 in the city auditorium in St. Paul. Local delegates are Roger Gilbertson, president; Barbara Nixon, vice president, Marie Skramstad and Louise Ochocki. Frank H. Smith will accompany the group.

Lions Club Votes Half Concert Profit For Band Uniforms

The Marshall Lions club Tuesday night voted to donate half the proceeds of its annual Minneapolis Lions quartet concert to the Marshall high school band uniform fund.

Tickets for the event, inaugurated last year, will go on sale this week, and the concert will be held in the high school auditorium Nov. 12.

The Lions also heard a talk by Jay Eberlein, game warden, discussing proposed methods of increasing conservation efficiency in the state.

New members introduced were R. E. O'Connell, Jr., and Leonard Skewes. Guests were Roy Grue and Pat Haas.

Oct 21, 1948

Band to Play For Hobo Day

Marshall's high school band will take part in Hobo day festivities at South Dakota State college, Brookings, Saturday. Principal Merrill W. Olson announced today. The band will leave Marshall Saturday morning in two buses, in charge of its director, George F. Wingert, Jr., and will return Saturday night. While there the local musicians will march and play in the Hobo day parade.

This trip replaces the regular fall trip to some out-of-town Marshall high school football game.

Oct 7, 1948

Plan Homecoming Queen Coronation For Annual High School Celebration

Coronation of a queen between halves is one of the big plans for the homecoming football game Oct. 15 when Marshall meets Redwood Falls on the local field.

Barbara Nixon, vice president of the Student Council, is general chairman of the festivities.

A program centered around the broadcast of a football game "way back in 1899" will follow a parade

led by the Marshall and Redwood Falls school bands in the afternoon. The full hour's entertainment will begin at 3 p. m. in the high school.

The two bands will also stage a half-time performance in the evening. The Redwood band members will be guests of the Marshall band members at dinner before the game in individual homes.

PICKIN'S ON SPORTIN' ROW

By WILLY HO

"Minimize Marshall" that is the homecoming slogan at Luverne for its game against the Tigers on Friday evening of this week. And that is exactly what Luverne's new coach, Arling Anderson, and his Cardinals hope to do. However, Coach Jay Johnstone and his Tigers have a different slant on the game. They are out to chalk up another victory at the expense of the Cardinals and keep their record undefeated for the season.

The Tigers took quite a physical beating in their game at Worthington last Friday evening but all the boys are back in action and ready to go against the Cardinals. It is a known fact that the Cardinals will be "up" for this game and it is a question of whether the Tigers will have a let-down this week following the hard Trojan game. However, I believe the Orange and Black gridders will spoil the Luverne homecoming by scoring at least a three touchdown margin of victory.

Tracy-Marshall B Squad Grid Game Postponed

Tonight's football game between the Marshall and Tracy B squads has been postponed on account of the wet field. Principal Merrill Olson announced today. A new date for the game will be set soon.

Oct 12, 1948

Homecoming Buttons Appear

"Fell Redwood" homecoming buttons have sprouted out on lapels all over Marshall this week since the sale started last week under the sponsorship of the student council at Marshall high school.

All funds realized from the sale will be used to promote school activities, including the student council trip to the state convention and sponsoring sweater hops during the school year.

Subscription Drive To Aid Band Fund

A magazine subscription drive, the proceeds to aid in the purchase of new uniforms for the Marshall high school band, will get under way here Oct. 22.

Plans were announced today by Principal Merrill W. Olson, who stated that uniforms for the band were "a must" before next spring.

"Everyone is asked to save subscription orders or re-orders for the band," Mr. Olson said.

Journal Features Perkins Article

"Housewives of Marshall are keenly aware of the guidance program carried on in Marshall junior high school," reports an article in the current issue of the Minnesota Journal of Education.

It goes on to describe in detail the occupational survey, or "census" conducted here last spring by the ninth grade business methods class taught by Miss June Perkins.

"Marshall Freshmen Discover Their Community," is the title of the Journal story, which may serve as a guide for similar surveys in other communities.

Parent-Teacher Meeting Tuesday

Marshall's Parent-Teacher association will hold its first meeting of the school year next Tuesday, Mrs. J. E. Paulsen announced today.

One of the principal items of business will be election of a new president to succeed Mrs. Paulsen, who is no longer living in Marshall.

Following the election, the organization's activities for the winter season will be planned.

AN ORCHID

To JULIAN WALLER, high school art instructor, for a clever job of designing the "Fell Redwood" homecoming button—one in a long series of coming masterful jobs. Art by "Jules" has often brightened pages of The Messenger, rooms at the school, posters around town—work appreciated by many not knowing its author.

Oct 7, 48

Marshall Tigers Homecoming Guests On Luverne Gridiron Friday Evening

The Marshall Tigers journey to Luverne on Friday evening where they will try and annex their third straight victory of the season at the expense of the Cardinals. The Orange and Black opened the season with a tie at Windom and since then has defeated Pipestone 41-0 and Worthington 12-0.

In meeting the Cardinals they will go up against a team that will be "up" for the contest as it is their homecoming game.

The Luverne eleven has played only one game, their first two were called off due to a polio scare in that section. They took a 38-0 drubbing from a strong Jackson team two weeks ago and had an open date last week.

The Cardinals are coached this year by Arling Anderson, a former Lake City coach, who is serving his first year at Luverne. Since the Jackson game he has been working hard with his squad ironing out some of the weaknesses displayed in the Jackson game. He is expected to start Abild and Smith at the ends, Ripley and Cragoe at tackles, Hoiland and Abraham at guards, Roberts at center, Mork and Vande Velde at halfbacks, Fritz at fullback and Spease and Hollister alternating at quarterback against the Tigers.

Coach Jay Johnstone reports that his gridders have recovered from the pounding they received at Worthington last Friday evening.

October 19

Talks and Music On PTA Program

A varied program of music and talks has been arranged tonight for the first meeting this season of the Marshall Parent Teacher association.

The gathering, to convene at 8 p. m. in the high school auditorium, will feature the introduction of teachers by Supt. George A. Eddie; a talk, "Blue Prints of 1948-49," by Principal Merrill W. Olson, and a report of the county school survey committee by Mrs. Charles Banks of Lynd, chairman.

The musical part of the program will include two selections, "Mary Had a Little Lamb" and "Coming Through the Rye" by the high school swing choir under the direction of George F. Wingert, and a clarinet duet by James and Roger Wetherbee, accompanied by Mr. Wingert.

A women's trio, composed of Mrs. Orl Skramstad, Mrs. Roland Swanson and Mrs. George Eddie, will sing "To a Wild Rose" and "When Song Is Sweet." Their accompanist is Mrs. Merland Johnson.

Mrs. James Paulsen, PTA president, will preside at a short business meeting. Mrs. R. J. Lindgren will report on the annual summer roundup of preschool children.

ning and he will probably be able to start the same lineup that has carried the Tigers to a successful season so far.

It is expected that a large delegation will make the trip to Lu-

verne if the weather takes a turn for the better on Friday.

Local fans will have an opportunity to see the Tigers in action at Legion field next Friday evening when the Redwood Falls eleven comes here for the Tigers' homecoming game.

October 21, 1949

Tigers 'Fell Redwood' as Scheduled

Marshall high school's swing chorus dressed up in lumberjack costumes Friday—carrying out the "Fell Redwood" Homecoming theme—to sing at the Homecoming program that afternoon at the high school auditorium. Tuesday night this week this same musical group, new in the school song for the PTA program, but not in costume.

School Nurse's Duties Include Household Visits

If you have a youngster who has had any serious illness lately or who has a physical handicap, Mrs. Alicemary Edwardson, Marshall's school and community nurse, will probably pay your household a call to find out what she can do for you.

This information was contained in a release from the state Christmas Seal organization, which stated that although Mrs. Edwardson devotes much of her time to working in the schools, it is also a part of her work to assist local authorities in community health work.

In this connection she will make many home visits during the year.

The nurse is concerned with the control of contagious diseases, with helping the handicapped and with making proper medical care available for those who need it, the release states.

Mrs. Edwardson may visit persons who are under a physician's care for serious injury or illness. The family of a child who has been stricken by rheumatic fever, for instance, may call on the nurse for advice and help in carrying out the doctor's directions for rest and diet.

Tiger cheerleaders, above, led the snake dance following the annual Homecoming bonfire in the school yard Thursday night.—Hanline photo.

Rejuvenated Tigers Smear Luverne, Spoil

Marshall Maintains Undefeated Record

By William Pickett

After the Marshall Tigers were outplayed and outgained during the first half at Luverne last Friday evening by an inspired Cardinal eleven at their homecoming game, the Orange and Black grid-ers came back in the second half and took complete control to win 21-0.

When the two teams left the field at half time the Tigers were leading by a score of 7-0. The lone score of this half came late in the first quarter when Gregoire intercepted a fumbled forward pass on his own 40 yard line and scampered 60 yards for the touchdown.

In his dash toward the goal line his teammates gave him some brilliant blocking that kept him in the clear until he reached the 10 yard line where he succeeded in shaking off a couple of would be

tacklers and crossed the goal line. Erie made good the place kick for the extra point.

Up until this brilliant run and during the remainder of the first half the Luverne aggregation held the upper hand in the ground gaining department but were unable to score.

During the first quarter the Cardinals gained 67 yards to the Tigers' 6 and the summary at the end of the first half showed the Cardinals had gained 94 yards to the Tigers' 50. In the matter of first downs the Cardinals held a 6-2 advantage.

When the Tigers came back onto the field for the second half and play got underway they looked like a different aggregation. The intermission talks by Coaches Johnstone and Keinholtz must have ironed out some of their faults in the first half and the Tigers really showed great strength in the last half.

They bottled up the rushing

game of the Cardinals and during the entire second half Luverne only was credited with 8 yards by rushing, 6 in the third quarter and 2 in the last period.

The Tigers' offense, especially their end runs, became effective and they gained ground almost at will. On these plays the ball carrier was given some of the best blocking that the Tigers have displayed all season.

The Tigers' second touchdown came about midway in the third quarter after one exchange of punts after the kickoff by Luverne the Tigers took possession of the ball on their own 41 yard line. After Erie had gained six yards on two plays he broke loose and went to Luverne's 31 yard line before being downed. Here the Tigers were penalized 15 yards for holding, making it first down and 26 yards to go from the 46 yard line. A forward pass to Minnick was incomplete but on the next play an end run by Erie brought the ball back to the 35 yard line. Another end sweep made it first down on the 17 yard line. After Erie had carried the ball to the 9 yard line, Carrow went over for the marker. Erie kicked the point and Marshall led 14-0.

Soon after the start of the final quarter the Tigers by a nice run by Carrow made it first down on the 22 yard line. A forward pass to Minnick placed the ball on the three yard line from where Catton on a quarterback sneak went over for the marker. Erie kicked the extra point to make it 21-0.

At this point of the game Coach Johnstone began sending in substitutes and before the final gun sounded he had used all 29 men that were suited for the game. Dick Hoff, regular right end for the Tigers, did not play as the result of a head injury received in the Worthington game. However he will be in the Redwood Falls game.

The figures show that the Tigers gained 100 yards in the third quarter and 98 yards in the fourth.

On Friday evening of this week the Tigers play their homecoming game against the Redwood Falls eleven.

The starting lineups:

MARSHALL	LUVERNE
Ellingson	L. E. Smith
Hirmer	L. T. Fritz
Kerkvliet	L. G. Abraham
Johlfis	C. Hatman
Gieneart	R. G. Holland
Tholen	R. T. Ripley
Minnick	R. E. Crapoe
Catton	Q. B. Spence
Erie	L. H. Mork
Carrow	R. H. Vande Velde
Rubertus	F. B. Hollister

Two Luverne tacklers bring down Bruce Carrow on the Luverne 30 yard stripe following a 15 yard gain. Carrow's run was part of the last quarter drive which resulted in Marshall's final touchdown Friday night on the Luverne field. Marshall won, 21-0. —Keith photo.

Cardinals Homecoming

Tigers Maintain Undefeated Record with

Cold Rain Sends Crowd Home at Half

By William Pickett

Wind and rain dampened the Marshall Tigers homecoming game at Legion field on Friday evening but the Orange and Black grid-ers kept on rolling toward an undefeated season by winning from the Redwood Falls Cardinals by the score of 13-0.

This victory gives the Tigers four wins and one tie for the season. The only team to score against the locals has been Windom who tied the locals in the first game of the season 6-6.

Just prior to the start of the homecoming game a terrific wind came up and before the game began it had started to sprinkle just a trifle. The two bands, despite the high winds, marched to the center of the field and played the national anthem and the game was on.

about the 20 yard line and with the aid of some nice blocking he went all the way for what the

It wasn't long after the opening whistle sounded that rain began falling and this with the high wind made playing difficult for the teams and miserable for the fans. Most of the fans remained in their seats for the first half but many went home during half time to sit by the fire and listen to the broadcast of the game. The half time ceremonies of the two school bands were called off.

By time play started for the second half it had stopped raining and by the end of the game the wind had died down considerably and playing conditions were nearly normal.

Now for the game itself. Redwood kicked off to Marshall and neither team was able to gain much ground against the other and after an exchange of punts the Cardinals, with the wind favoring them, made a first down on the 36 yard line. After two running plays had failed to gain much ground the Cards tried a pass that was intercepted by Carrow on

fans thought was a touchdown but the officials ruled he stepped out of bounds near the mid-field stripe and the ball was brought back.

The Tigers lost possession of the ball on the 42 yard line and Redwood took over and started a march down the field. They worked the ball down to the 31 yard line but were halted in their drive for a touchdown when a running play failed to gain and the two forward passes were incomplete.

On fourth down the Cardinals attempted a drop kick that was short and Erie picked up the ball on the 10 yard line and started up the field.

His blocking formed quickly and he came up to mid-field where he shook off a tackler near the sideline and then he reversed his field and his teammates came to his aid with some more fine blocking and along with his speed he went all the way for a touchdown. He then made the extra point on an end run to make the score 7-0.

Neither team threatened to score during the remainder of the first half. During the second quarter it was raining hard.

The second half started with neither team threatening very seriously to score in the third quarter. The Cardinals were trying a number of passes, but failed to connect for any long gains.

In the fourth quarter, play was mostly out in the center of the field with neither team threatening very seriously to score. With just about a minute left to play the Tigers got possession of the ball on the 40 yard line. Catton faced back and heaved a long pass down the field to Hoff who went over for a touchdown. The extra point was missed.

On Friday of this week the Tigers meet the Norwood-Young American eleven at Legion field in what gives promise of being an interesting game.

The starting lineups:

Marshall	Redwood
Hoff	L. E. Smith
Hirmer	L. T. Benson
Kerkvliet	L. G. Keil
Johlfis	C. Bunge
Gieneart	R. G. G. Mowry
Tholen	R. T. J. Mowry
Minnick	R. E. Arns

Don Rubertus carries the ball—protected from tacklers by the blocking of an unidentified team mate—in the Friday night's Homecoming contest here with Redwood Falls. —Keith photo.

Forward passes intercepted		

13-0 Homecoming Over Redwood Falls

October 21-48

Oct 21, 1948

The Redwood (above) and Marshall high school bands paraded through the business district and back to the high school Friday afternoon between 2:30 and 3, just before the Homecoming program in the school auditorium. The Marshall band, like the swing chorus, dressed in lumberjack outfits. Both bands in regular uniform played before the game Friday night, but their scheduled half-time performance was cancelled by the rain.—Hanline photo.

Oct 21, 1948

Norwood-Young America Meets Tigers At Legion Field This Friday Night

The Marshall Tigers meet a new foe in Norwood-Young America on Friday evening at Legion field. Although the undefeated Orange and Black gridders are favorites to win, the newcomers are expected put up a good game.

Not too much is known regarding the actual strength of the Norwood-Young America eleven. Last Friday they defeated Osseo 32-0. In a game played earlier in the season, they lost to Glencoe by a 7-6 score.

A former Lynd high school star, Wendell McChesney, is coach at that school and it was through his efforts that this game was scheduled. Both schools had open dates and he thought it would be a good chance to take his team on a long trip.

The Tigers came out of the hard fought Redwood Falls game with a number of bruises but no one was seriously hurt and it is expected that coaches Jay Johnstone and Larry Kienholz will be able to start their regular lineup. The mentors hope to be able to use the reserves more this week than last as the Tigers have two

hard games coming up. They meet Tracy here next week Friday and close the season at Montevideo the following week.

The Marshall high school band will put on a demonstration between halves Friday evening, under the direction of George Wingert. Saturday the band goes to Brookings, S. D., to take part in the Hobo day parade and the South Dakota State-Augustana game.

The starting time for the Norwood-Young America game is scheduled for 8 p. m.

Will the Marshall Tigers be able to make it six in a row for the season without a defeat on Friday evening at Legion field when they meet Norwood-Young America? I think so and if the boys play the ball they are capable of they should win by at least three touchdowns. The newcomers to the Marshall schedule are reported to be represented by a good team but little is known of their real strength. Their best performance to date, according to the dope bucket is the game they played against Glencoe and lost by a 7-6 count. Last week they won over Osseo by a 32-0 score. The team is coached by Wendell McChesney, former Lynd high school star.

The Orange and Black gridders came out of the hard fought Redwood Falls game battered and bruised some but had no serious injuries and coaches Johnstone and Kienholz are expected to start their regular lineup on Friday evening. They are hoping the starters get off to an early lead so they will be able to use the reserves freely as they are anxious to give the boys coming up all the experience they can get in real competition. They are also anxious to keep the regulars in shape for the two hard games remaining on the schedule, namely Tracy here next Friday evening and Montevideo there the following week.

Wind and rain hampered the homecoming game here last Friday evening but the Orange and Black scored an impressive 13-0 win over a fighting Redwood eleven. In reporting the game the Redwood Gazette says "the Cardinals lost to a polished team of Marshall blockers and breakaway runners." They give Dennis Eric and Bruce Carow credit for their fine long runs and to Dick Hoff in catching that touchdown pass near the end of the game. Two Redwood Falls players injured here will probably be out for the rest of the season. James Mowry, outstanding tackle, suffered a broken arm and Larrie Slocum, quarterback, who played all the game, chipped a bone in his knee.

Oct 26, 1948

20 Vocal Music Classes In Public School Grades

Twenty classes in vocal music are taught by Miss Marjorie Sorenson in the Marshall public schools this year.

The new position created this year, relieves most of the grade faculty of teaching music in their classes. Miss Sorenson conducts 17 classes on the average each day and has about 700 children under her musical supervision.

Plans are also being made to organize a junior high choir, a sextet, a triple trio and a grade choir.

Vacation, Kids!

"There'll be no school Thursday and Friday," Supt. George Edie reminded today. Marshall teachers, together with those from other Lyon county towns, will all be in St. Paul for the annual convention of the Minnesota Education association.

Oct 28, 1948

Cohan Mystery Junior Class Play

George M. Cohan's "Seven Keys to Baldpate" will be presented by Marshall high school juniors as their class play this year under the direction of Miss Ursula Costello.

Roles for the mystery fare will be taken by Alan McElhalla, Joan Vandegutte, Dennis McLaughlin, Dean Johlfs, Eunice Halverson, Marie Skramstad, Byron Ellingson, Melvin Youngquist, Marilyn Mills, Ronald Hunter, Duane Tack, Bruce Carrow and Richard Regnier.

Oct 26, 1948

Marshall Tigers Maintain Undefeated Record

Members of the thus far undefeated 1948 Tiger grid squad are, left to right:

- First Row—Sheets, Minnick, Tholen, Hoff, Ridler, Gieneart, Kerkvliet, Erie, Blair, Rubertus, Gregoire, K. Catton, Hirmer.
- Second Row—Coach Johnstone, Hahn, Sprader, Schultz, Ludwig, Behrenfeld, Ahman, Carrow, Johlfs, Ellingson, Staley, McGlaughlin, Schroeder.
- Third Row—Cook, Nixon, Lenz, Paul, Bladholm, R. Catton, Sherman, Dandurand, Macheledt, Lanoue, Hass, Bulowski, Kelly, Coach Converse.

- Fourth Row—Dandurand, Behrenfeld, Olson, Carrow, Paradis, Aronson, Bisbee, Hirmer, Lewsewski, Hebert, Wieseke, Coach Kienholz.
- Fifth Row—Dandurand, Behrenfeld, Olson, Carrow, Paradis, Gullickson, Catton, McGuire, Dugas, Rogne, Shourds, Ross Hess.
- Sixth Row—Christensen, Daas, Ehrreich, Moseng, Cleveland, Traxler, Rubertus, Erie, Richter, Ridler, Steinly, Schroeder, Macheledt, Coach Path.
- Seventh Row—Coach MacDonald, Ahlin, Rosetter, Porter, Longtin, Julian, Peterson.—Hanline photo.

Swamp Norwood-Young America Invaders Here Friday Evening, 32-0

By William Pickett

The Marshall Tigers wasted little time in breaking into the scoring column against the Norwood-Young America aggregation at Legion field last Friday night. The Tigers received the opening kickoff and Ellingson carrying the ball, looked for a moment as though he were going all the way for a touchdown but he was pulled down from behind on the 25 yard line.

On the first play from scrimmage Erie was given the ball and on a wide end run, with the aid of some nice blocking along with his speed, he went over the goal line for the first touchdown. Erie place kicked for the extra point and Marshall was leading 7-0.

Late in the first quarter the Tigers rushed in to block a punt by Norwood and they received the ball on the five yard line. Rubertus on the next play carried the ball over for a touchdown. Erie's kick for the extra point was wide and the Tigers led by a 13-0 score as the quarter ended.

At the start of the second period the visitors chalked up two first downs in a row but the Tigers' defense stiffened and Norwood was forced to punt. Rubertus returned the punt to the 42 yard line. Carrow crashed through and crossed the mid-field stripe and went to the 42-yard line for a first down. Erie fumbled and lost 12 yards. The Tigers tried a forward pass that was intercepted on the 37 yard line. Willemson for the visitors made a nice run to make it first down on the 48 yard line. Norwood chalked up another

yard line. Rubertus then crashed through on an off tackle play and went all the way to the 12 yard line before he was pushed out of bounds. Erie then skirted the end for a touchdown and kicked the extra point to make the score 20-0.

On the next kickoff Norwood fumbled the ball on a lateral and the Tigers recovered on the 22 yard line. After Ahman had picked up three yards Carrow broke loose on an end run and scored. Erie's place kick was wide and Marshall led 26-0. The half ended soon after this play.

The Tigers failed to score in the third quarter. They worked the ball down to the 12 yard line where they lost it on downs and the visitors showed a burst of offensive power at this point by chalking up four first downs in a row. The Tigers however forced them to punt out of bounds on the 30 yard line.

Soon after the final quarter started the Tigers recovered a Norwood fumble on the 30 yard line. Erie broke loose to score his third touchdown of the evening. His place kick for the extra point was wide and the score read 32-0. There was no more scoring in the game.

On Friday evening of this week the annual clash between Tracy and Marshall takes place at Legion field and what a game this promises.

The Scrappers have lost only one game, that to Redwood Falls by 6-0, and have victories over Canby, Slayton, Pipestone, Windom, Luverne and Springfield.

Gutzke	R.H.	Gregoire
Feltmann	F.B.	Rubertus

Tiger-Scrapper Contest Climaxes Local

Marshall-Tracy Teams' Records Evenly Matched

Fourteen Seniors in Last Game on Legion Field This Week

By William Pickett

The Marshall Tigers and the Tracy Scrappers meet in their annual grid clash at Legion field on Friday evening of this week. This game is expected to draw the largest crowd of the season, especially if the weather is favorable.

The contest promises to be a thriller from the spectators standpoint as both schools are represented by strong elevens. This along with the tense rivalry that exists between the schools should really give the fans of both teams something to shout about.

The Tigers will enter the game seeking to keep their season's record unmarred by a defeat. The Orange and Black gridders have chalked up five straight victories since being held to a 6-6 tie by Windom in the first game of the season.

In these five games the locals have chalked up 119 points to their opponents none. In other words the six points Windom scored is the only points scored against the Tigers this season.

Fourteen seniors will be playing their last game of their high school career at Legion field and you can be sure these boys want to win this one. The players closing out their high school playing days are Hoff, Minnick, Kerkvliet, Gieneart, Hirmer, Ridler, Tholen, Gregoire, Rubertus, Erie, Catton, Sheets, Blair and Maguire.

Coaches Jay Johnstone and Lar-

As Tigers Overcome Norwood Eleven

The cameraman caught this shot just as Erie encountered two Norwood-Young America gridders when he ran out of bounds on the one yard line in the first quarter Friday night. The Tigers scored on the next play.—Keith photo.

The Norwood-Young America gridders wasn't fast enough for Bruce Carrow who is crossing the five-yard stripe on his way to the Tiger's fourth touchdown Friday night.—Keith photo.

Looks like the Tigers were after shirt sleeves Friday night. At one point (not this one though) in the game with Norwood-Young America, an elusive opponent lost one of his to Bruce Carrow.—Keith photo.

ry Kienholz are expected to start their regular lineup against the Scrappers Friday evening. The boys are all in pretty good physical shape for the tussle.

The Scrappers are coming up here confident that they can take the Tigers into camp this season. They have not scored a victory against the Tigers since 1944. In the 19 games played between the two schools since 1930 the Tigers

have scored 15 victories, against three losses. One game ended in a tie.

The Scrappers have lost only one game this season, that to Redwood Falls by a 6-0 score. They have victories over Canby, Windom, Slayton, Pipestone and Luverne.

down on the 28 yard line. Again the Tiger defense tightened and the Tigers pushed their opponents back and when they rumbled on a long fourth down pass that failed, the Tigers took possession of the ball on the 48 yard line.

Football Schedule This Friday

4-H Roundup to Be In Auditorium Here

The annual 4-H club roundup will be held in the main auditorium at the Marshall high school this Saturday night, instead of in the Little theater as originally planned, County Agent P. J. Meade has announced.

More than 200 awards will be presented to Lyon county 4-H'ers at the gathering to begin at 8 p. m.

Ticket Sales

Tickets for the Marshall-Tracy football game will be on sale Friday as follows:

For all grade children at the school house between 1 and 2 p. m. No children's tickets will be sold at the field. Admission is straight 50c.

Adult tickets are on sale at Sward Kemp and Bulowski drug stores. By getting tickets in advance getting into the park will be speeded up.

They won over Windom by a 19-6 score, while the Tigers were held to a 6-6 tie by the same team. The Tigers scored 21 points against Luverne while the Scrappers counted 21. Then on the Tiger side of the ledger they scored a 13-0 victory over Redwood Falls while Tracy lost 6-0.

So all in all it looks like the game here Friday should be a battle royal. The high school band will be on hand to add color to the evening's entertainment. School authorities are making preparations to handle the huge crowd in their usual efficient manner. However, if you wish to get your favorite spot, better be on hand early. Game time is 8 p. m.

School Purchases Sound Projector

A new Ampro 16mm sound and camera unit, costing about \$525, has been purchased for the visual aids program at Marshall high school.

With Elmer Wickstrom in charge, several students will assist in operating the machine, including James Behrenfeld, Richard Regnier, Frank DeSleer, Duane Pagel, Duane Ahmann, Jack Mead, Gordon Sanders, Alois Sprader, Richard Ladwig, Roger Gilbertson, Richard Kerkvliet, Bill Hasbrouck, Kenneth Catton, Duane Sheets, Dennis Erie, Donald Rubertus, Dennis McLaughlin, Bernie Codere, Bob Tholen, Ronald Seifert and Joseph Martins.

FFA Parents' Banquet Thursday

Next Thursday the Future Farmers of America will hold their annual parents banquet. A chicken dinner will be prepared by the home economics classes and served by them, family style.

The purpose is to honor mothers and dads and explain to them what the Future Farmers are doing in and out of school. After

the dinner and speeches entertainment will include pictures of the teams on their trips.

Miss Dorothy Patrick and Mrs. Olive LeFor are in charge of preparations of the dinner. Miss Marie Alsaker will be in charge of decorations and serving. The banquet will be held in the Little theatre.

Baby Sitters Seek to Form New Club

Three Marshall teenagers may one day lay claim to some trail-blazing all of their own.

Martha Nestby, Renee Ensign and Margie Glieden want to found a baby sitters club.

The idea is to obtain members who want to earn extra money by sitting with babies. The customer could then just call the central headquarters of the club—put in a request for a sitter—and pronto the job would be filled.

The girls feel the plan would save parents the trouble of trying to locate a sitter.

Anyone interested in joining is asked to call 3157, 7290 or 4122.

FFA Delegates At Mountain Lake

Officers of the Marshall FFA chapter attended a district FFA conference at Mountain Lake last Thursday and helped lay plans for next year's Southwest Minnesota FFA fair, discussed the duties of chapter officers and FFA activities.

Attending were local president, John Trei, vice-president, Dennis Gregoire; secretary, Duane Pagel; treasurer, Kenneth White; and reporter, Joseph Mortier. John Trei is also district treasurer.

Last year the FFA fair was held at Windom. Site for this year's fair has not been selected.

'Homemaking' the Hard Way

Posing above are Audrey Sovell (left) and Carol Rohlin (right).

These winsome lassies were getting a real taste of "future homemaking" as a part of their initiation into the FHA Home Ec club at Marshall high school recently. With mud-splashed faces and gowned in gunny sacks and high heeled shoes, they washed stockings and scrubbed walks on the Main street. Other initiates were given similar tasks before officially being received into the FHA membership.—Cuts courtesy of Tiger Herald.

PICKIN'S ON SPORTIN' ROW

By WILLY HO

Are you ready for the fireworks? Oh no, it isn't Fourth of July but never-the-less you'll be able to see plenty of fireworks at Legion field on Friday evening of this week. How come, you say? Well that's easy to explain as on that evening the Marshall Tigers and the Tracy Scrappers meet in their annual gridiron clash. If I don't miss my guess it will be bang, bang, from the opening whistle until the final gun bangs a halt to the hostilities.

Fourteen wearers of the Orange and Black jerseys will be playing their last home game of their high school careers. These same boys have five straight victories and a tie game so far this season and you can bet your last

penny that these same lads are not going to let Tracy spoil their season if they can avert it in anyway.

In Tracy the Tigers are going up against a team that is coming here intent on winning and the season records show they have a good chance to do that very thing. They lost one game, 6-0 to Redwood Falls, the Tigers were held to 6-6 tie by Windom, the Scrappers defeated Windom, 9-6. How does that make the coming clash stand. Well, I don't know but my own opinion is that the Tigers will be the victors by at least a two touchdown margin.

The Scrappers have a star in their background by the name of Johnson. This boy plays a lot of football for his team and is expected to give the Tigers plenty of trouble. He is an excellent ball carrier with plenty of speed, a good forward passer, in fact he does everything well. However the Tiger backfield stars are expected to give the Tracy defense plenty of worry during the course of the evening. All in all it looks like a great ballgame in the making so you had better make plans to be on hand when the referee's whistle sounds for the start, that is eight o'clock.

Marshall Rolls Over Tracy, Wins Conference

Tigers Maintain Unbeaten Record

By William Pickett

The Marshall Tigers chalked up their sixth straight victory of the season by defeating Tracy at Legion field on a rain soaked gridiron Friday evening by the score of 12-7.

Efforts were made by the local high school authorities to postpone the game to Saturday or Monday evening when it continued to rain hard at 5 p. m., but the Tracy authorities would not consent to a postponement. The rain continued until after 7 p. m., when it quit and no rain fell during the game.

The weather cut down the crowd but those who did attend the game saw a typical Tiger-Scraper

Annual Halloween Party 'Success'

Another Halloween party for Marshall young people passed into history last night to the mutual satisfaction of the hosts and guests.

The affair, sponsored by the C & C, Junior Chamber of Commerce, The American-Legion post and the high school, was successfully staged, Supt. George Eddie said today.

About 900 grade pupils from both public and parochial schools formed the audience at the auditorium in the afternoon where a reissue of "Heidi" starring Shirley Temple was shown.

A football game in the evening between Redwood Falls and Marshall B squad was followed by a movie for older students at the high school. Paul Muni starred in the film, "Hudson Bay."

Cokes and hot dogs were served with Legionnaires in charge.

Nov. 7, 1948

Future Farmers Initiate Group of 'Greenhands'

Initiation ceremonies for the "greenhands," the first goal in the Future Farmers of America organization, were conducted for a group of Marshall high school youths last Tuesday night.

Included in the group were Leonard DeVos, Edward DeMeyer, Theodore Deutz, Roger Hanson, Merlin Maxwell, Charles Scott, Donovan Verdeck, Norman Voss, Robert Wyffels, all freshmen, and Robert Van Keulen and Leland Hebert, sophomores.

Plans to raise money for the FFA chapter were discussed, including the sales of certified seed potatoes and name plates for mail boxes, according to Joseph Mortier, reporter.

clash. The two elevens had something extra to fight for Friday evening as the winner of this game would be the Southwestern conference champion, due to the fact that Jackson was upset by Windom on Wednesday evening.

The contest started with Tracy kicking off to the Tigers. Carrow returned the kick off to the 36 yard from where they started a steady drive down the field that netted them a touchdown without losing possession of the ball. On the first play Rubertus spun through the line for eight yards. The Tigers were held for no gain on the next play but Rubertus made it a first down on the 48 yard line on the next play. On the next two plays Rubertus gained nine yards and then Catton made it a first down on the Tracy 40 yard line.

The Tigers continued their drive for the goal line and chalked up another first down on the 25 yard line. With Rubertus crashing the line, Erie going around the ends and a forward pass competition, the

Tigers moved the ball down to the two yard line.

After a pass was incomplete, Catton crashed through for the marker. Erie's attempted place kick for the extra point was no good and Marshall led by a 6-0 score.

The second Marshall touchdown came near the end of the second quarter. After Rubertus had punted over the goal line and Tracy had put the ball in play on the 20 yard line, the Scrappers fumbled the Rubertus recovered on the 35 yard line. A pass, Catton to Carrow, was good for a first down on the 25 yard line. The Tigers with the aid of some nice plunging by Rubertus, worked the ball down inside of the five yard stripe where the Scrapper defense tightened and after three unsuccessful tries to put the ball across the ball line Rubertus crashed through from the two yard line on fourth down for the touchdown. Again Erie's attempted place-kick went wide by inches and Marshall led

by a 12-0 score. There was no scoring in the third quarter. Both teams were putting up a stubborn defensive game. First the Tigers and then the Scrappers would hold a slight advantage.

It was late in the fourth quarter that Tracy recovered a Marshall fumble on the 25 yard to give them a scoring opportunity and they took advantage of it.

They made a first down on the 12 yard line and they continued their drive to make it a first down on the two yard line. After being stopped short of the goal line a touchdown, the Scrappers scored on the next play. The place kick was good and the score stood 12-7.

Time ran out soon after the kick-off by Tracy and it was another victory for the Tigers. The two teams put up a terrific battle in the line. The ball lunging down by Rubertus was the outstanding offensive feature of the game.

On Friday evening of this week the Tigers end the season with a game at Montevideo. They will be shooting for an undefeated season but Monte will be tough to beat.

B's Stop Redwood; Injury Rumors Prove Unfounded

Marshall's B football squad defeated Redwood Falls seconds at Legion field Monday night 13-0 in the climax of the B grid schedule for the year.

Both teams had previously been undefeated this season. The Monday night game was part of the annual C & C Halloween party.

Two Redwood players were taken from the field by ambulance, and it was rumored that they suffered broken legs.

Doctors' examinations of the boys, however, revealed no broken bones, only pulled muscles. Both boys were up and around after the game and went home with the team.

The Orange and Black gridders showed the local followers that braved the weather elements their best brand of football of the entire season in chalking up the win over a strong Monte team primed for a victory but that never had a chance.

The game began with Monte kicking off to the Tigers and the ball was down on the 30 yard line. The Tigers started a march down the field that was never halted until they went over for a touchdown. Rubertus picked up three yards on the first play from scrimmage. No gain resulted on the next play but then Erie broke loose and made it a first down on the Montevideo 47 yard line.

Carrow then made it another first down when he skirted the end behind nice interference and carried the ball to the 35 yard stripe. Erie then came around the other end and with the aid of some nice blocking got down to the 25 yard line for another first down for the Tigers.

On the next play, a reverse with Erie carrying the ball was good for eight yards bringing the ball down to the 17 yard line. Here the Monte defense stiffened and held the Tigers to no gain on two plays but on the fourth down Catton on a quarterback sneak went for a first down on the 13 yard line.

competition with 63 other junior high boys, while Georgia competed against 71 girls. In the mixed doubles 23 teams were entered all together.

Miss Marian Jensen and Stuart MacDonald, physical education instructors, who were in charge of the tourney, reported that approximately 60 per cent of the junior high student body participated.

A senior high tournament is being staged this week.

Hubert won the singles over

Marshall Tigers Close Grid Season

Stretch Undefeated Record to Twelve Straight Contests

The Marshall Tigers closed their 1948 season undefeated as the result of their 13-0 victory over Montevideo last Friday evening. The Tigers started the season with a 6-6 tie against a strong Windom team and then scored seven straight victories over teams representing Pipestone, Worthington, Laverne, Redwood Falls, Norwood-Young America, Tracy and Montevideo. They now have a string of 12 games without a defeat as they won four last season after being defeated by Worthington.

Rubertus carrying the ball on the next play broke through the center of the line on a spinner and was not brought down until he had reached the one yard line. On the next play he crashed over for the touchdown. Erie's place kick was good and the Tigers were ahead 7-0.

Marshall kicked off to Montevideo and it was the first time in the game that Monte had possession of the ball on offense. Engh returned the ball to the 34 yard line on the kick off. On the first play from scrimmage he picked up nine yards. After being held to no gain on the second play, Hagen on the next play made it a first down on the 46 yard line.

Hagen on the next went across midfield to the Marshall 47 yard line. Engh then broke through to make it a first down on the 42 yard line. The Monte eleven continued their march toward the Marshall goal line. With Hagen making a yard, Jennett going for seven yards and Engh making a first down on the 31 yard.

On the next play Hagen made four yards but on second down he was thrown for a three yard loss by Giencart. Montevideo was then penalized five yards for crawling with the ball. On fourth down they tried a forward pass which was incomplete and Marshall took possession of the ball on the 33 yard line and started another sustained drive down the field that brought them their second touchdown.

Erie made a first down on the 45 yard line on the first play just as the first quarter ended. The first play of the second quarter found Rubertus making four yards on the next play. On third down Rubertus, on a nice delayed buck, broke through the Monte

School Preparing List Of Students Available For Part Time Work

Names of boys and girls in the Marshall junior and senior high schools desiring part time employment during the year will be available to employers soon, Principal Merrill W. Olson announced today.

Work census blanks are now being filled out, with students indicating the kind of employment they wish, how much time they can devote to it, and if they will work on Saturdays and during vacations.

Employment listed on the blank includes paper routes and walk shoveling for boys, and housework, clerking, stenography and baby sitting for the girls.

Employers may contact Mr. Olson at 3127 at the end of this week when the results of the census will be compiled.

School Survey Committee Plans Public Hearings

The proposed reorganization of the Lynn county school system will be discussed at a series of six hearings scheduled during the coming weeks.

All citizens in each area are urged to attend these meetings and express their views to the survey committee.

Places and dates for the hearings are as follows:

- Lynd public school—Monday, Nov. 15.
 - Russell public school—Thursday, Nov. 18.
 - Tracy public school—Monday, Nov. 22.
 - Minnesota public school, Wednesday, Nov. 24.
 - Marshall public school, Monday, Nov. 29.
 - Salton public school, Wednesday, Dec. 1.
- All gatherings will convene at 8 p. m. and conclude at 10 p. m.

PICKIN'S ON SPORTIN' ROW

By WILLI HO

Marshall basketball fans will when they trot onto the floor to have their first glimpse of this meet the Ivanhoe quint in the year's edition of Tigers tonight opening game of an 18-game

Nov 16

PICKIN'S ON SPORTIN' ROW

By WILLI HO

The Marshall high school football season came to a successful end last Friday evening at Montevideo when the Tigers scored a 13-0 victory over a rugged Monte eleven. By winning this final game the Tigers finished the season undefeated. After being held to a 6-6 tie by Windom in the opening game, they chalked up seven straight wins. Their victims were Pipestone, Luverne, Worthington, Redwood Falls, Norwood-Young America, Tracy and Montevideo. In all these games the only team to score against them was Tracy which crossed the goal line in the last quarter for a touchdown. That means that in the eight games played the opponents scored only 13 points while the Tigers counted 150 points. This is quite a defensive record for the Orange and Black gridders.

Coaches Jay Johnstone and Larry Kienholz are to be congratulated for their fine job of coaching at the high school. This pair has worked together now for four years here and in those four years the Tigers have lost only three games in the 32 played. This year's eleven was in my opinion one of the best coached high school teams I have ever seen. They were taught to block and tackle and the boys on the team carried out these assignments almost to perfection. Lots of college teams could take lessons from this year's Tiger eleven on how you should block and tackle. The defensive play of the team has already been mentioned. The offensive play was sound and all in all these two coaches did an excellent job of giving local fans some of the best high school football they have seen in years. And I know the majority of fans appreciate your efforts.

Now a little mention about the players. This year's squad was made up of boys that loved to play the game and play it hard. They were willing to take advice from their coaches and go out on the field and carry out these instructions. They worked together as a unit and the spirit of co-operation among the team members was one of the main reasons the boys had such a successful season. Everyone on the squad was pulling for the other fellow to come through and that's a spirit that is hard to beat. To the players on the squad I will say the same as I did about the coaches, the major-

ity of fans appreciated your efforts out there on the field.

To the fourteen senior members of the team you can leave your alma mater knowing that you did a mighty fine job on the gridiron in your last year. You were a credit to the school for your fine sportsmanship and my hope is you carry on through the rest of your schooling like you did here. Yes, the fans of Marshall will miss Les Gieneart, Don Rubertus, Denny Erie, Kenny Catton, Richard Kerkvliet, Floyd Minnick, Dick Hoff, Denny Gregoire, Bob Hirmer, John Ridler, Robert Tholen, Ronald Maquire, Clarence Blair and Dwayne Sheets who the football season rolls around next fall.

However fans let's take a glance at the boys that will be back next year to do all in their power to uphold the fine record set this year. The 1949 eleven will undoubtedly have as its backbone the following boys: Dean Johlf, Bruce Carrow, Duane Ahman, John Sherman, Aloise Sprader, Byron Ellingson, Richard Ladwig, Dennis McLaughlin, James Behrenfeld, Alton Schultz, Gordon Sanders, Alan Stanley, Gordon Dandurand,

Nov 9 1949

schedule. Coach Jay Johnstone's boys are expected to give a good account of themselves this season and the fans are going to see some mighty interesting games played before the curtain drops on the season. The Tigers have height and weight this year that should make them a tough team to beat.

Four regulars of last year's squad will be in the starting lineup tonight. They are Denny Erie, Don Rubertus, Floyd Minnick and Bernie Coderre. The other starter is Dean Johlf, who played with the Cubs last year. Roger Gilbertson will probably be in the starting lineup after tonight's game as Gil has been declared physically fit to play this season. He will see some action tonight. Other boys that are expected to break into the lineup tonight are Hoff, Catton, Staley, Maertens, Lanoue and Ellingson.

On Sunday afternoon the Marshall Jaycees are bringing another outstanding quint here for a game, namely the Oskey Brothers All-Stars of Minneapolis. Included in their lineup among other stars are Jack Young, Buzz Wheeler, Warren Ajax and Ethen Miller. The local team composed of Mac Donald, Larson, Epp, Carlson and Knoll are expected to give the invaders plenty of trouble. The locals lost a hard fought, rough game to the House of David last Sunday and want to get back in the win column. Carlson, playing his first game for the Jaycees, made a good impression on the fans, displaying lots of speed and nice ball handling. Better plan now on seeing this game Sunday.

On Tuesday evening the Marshall Quarterbacks club entertains the entire football squad of the high school at their annual banquet. The ladies of the Lutheran church will serve the meal starting at 6:30. An interesting program for the evening has been arranged. "Ossie" Cowles, new basketball coach at Minnesota, will be on hand to talk to the boys. Cowles is a likeable man and I know him personally and know that he will have a fine message for the boys.

Benediction ----- The Rev. H. J. Majerus

Three Convocations at High School This Week

Three convocations are on the schedule this week at the Marshall schools, including one for junior high students held yesterday morning under the direction of Miss June Perkins.

Another convocation for the junior high will be held tomorrow morning in charge of Mrs. Howard Bussard, while this Friday morning both junior and senior high students will gather for a convocation on hobbies arranged by Elmer Wickstrom.

Parents and friends are invited to attend these meetings starting for 9:30 a. m., Principal Merrill W. Olson said.

Legion Oratorical Contest Planned

Marshall high school and the Marshall American Legion post will sponsor a local high school oratorical contest this winter as part of the Legion's national oratorical contest, it was announced today.

The local Legion post Monday night voted a first prize of a \$25 savings bond and a second prize of \$10 cash.

The contestants will prepare short orations concerning some phase of the U. S. constitution and be prepared to deliver extemporaneous talks on a similar subject.

Cash prizes and medals will also be awarded district and state winners, with a four-year college scholarship and other cash prizes to national winners.

The contest itself will probably be held in February, the state contest in March and the national in April.

Nov 16

Marhian Changed; Staffers Named

Several changes in make-up for "more student appeal and a better rating" are planned for the 1949 Marhian at Marshall high school, according to Jim Wetherbee, editor.

Sections on school life will be departmentalized this year with each activity receiving individual consideration. New staff members in addition to those previously announced include:

Administration, Harriet Schrank and Dick Hoff; seniors, Barbara Nixon, Luetta Ehlers and Pat Gregoire; underclassmen, Sally Ohlsen and Katherine Traxler; athletics, Roger Gilbertson, Dwayne Sheets, Clarence Blair, Donald Rubertus and Dorothea Rupp.

Activities, Marilyn Bailey, Carolyn Henderson, Barbara Olson, Jean Soucy, Betty Heimis and Robert Hirmer; school life, Donna Rasmussen, Adeline Tholen and Muriel Bot; typists, Marian DeRoode, Bethlyn Freter, Donna Griesert, Marilyn Meyer and Elaine Swanson.

Nov 16

Tigers Seek First Win Against Mountain Lake

Lakers Rate High in State

By William H. Pickett

The Marshall Tigers journey to Mountain Lake on Friday evening where they meet the strong high school quint of that place.

The Lakers are rated one of the top teams in the state again this season. They went through an undefeated season last year, except for the defeat in the semi-final game of the state tournament, and have chalked up four victories this season to add to that string.

The Lakers are represented by a veteran quint as they lost only three men from last year's squad. Two all-district players, last year at Bingham Lake, are now living

in Mountain Lake and are members of the quint.

The Tigers failed to show to advantage in the Redwood Falls game, especially in the first half, when they went down to their second straight defeat. Prospects of breaking into the win column this week is very dim but the Tigers are expected to play their best brand of ball they have displayed all season and should give the Lakers a battle.

Coach Jay Johnstone has announced a new starting lineup for Friday evening's game. He will start Denny Erie and Bernie Coderre at the forwards, Dick Hoff at center and Roger Gilbertson and Don Rubertus at guards.

This is the first starting assignment for Hoff and Gilbertson. Coderre, who has been at center, has been moved to forward. It is expected that most of the regular

squad members will see some action against the Lakers.

The Marshall Cubs will engage the Mountain Lake B squad in the preliminary game.

The first team game will be broadcast by KMHL with Al Tighe at the mike.

Local school authorities stated today that if the roads stay in their present hazardous condition the game will be postponed until later.

Nov 16

Badminton Winners Named

Here are the badminton champs of Marshall high school. In the back row (left to right) are Joan Freter, Clarice Gilfron and Georgia Lindgren, while in the front row (left to right) are LeRoy Lanoue, Byron Ellingson, the boys' and girls' singles championships, respectively, in the senior high school, while Haack and Lindgren took those honors in the junior high. Freter and Lanoue copped the mixed doubles in the senior high and Rasmussen and Olson won that honor in the junior high tournament. Miss Marian Jensen and Stuart MacDonald, physical education instructors, were in charge.—Messenger staff photo.

High Percentage Pass Driving Test

Eighty-three per cent of the students—considered above average—passed the driving course at Marshall high school, it has been reported.

The tests were given by Karl Amundsen of Montevideo, state testing officer. Julian Waller, instructor, stated the average percentage passing is 70 per cent.

Other students, who did not pass, will be given tests each Wednesday until they qualify.

Nov. 16

Juniors Change Class Play Date

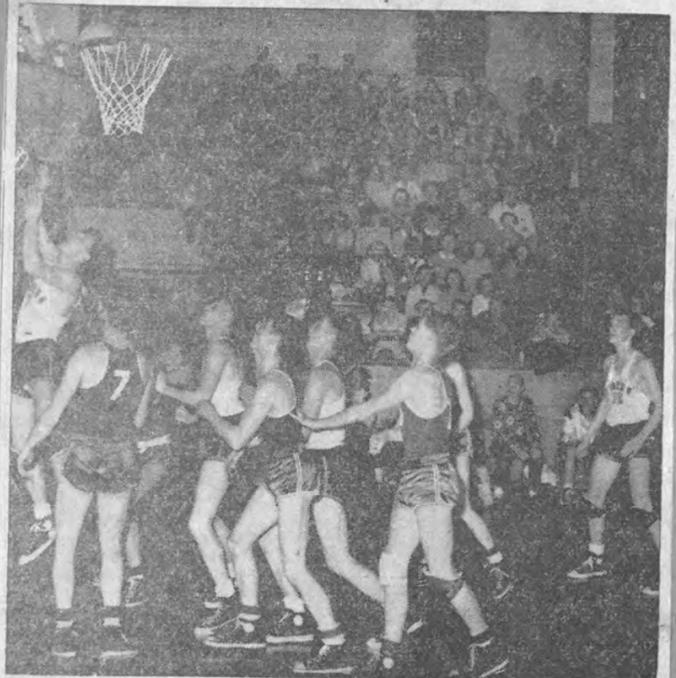

Dec. 9 has been set as the date for the junior class play, "Seven Keys to Balpate," Miss Ursula Costello director, has announced.

The production was originally scheduled for Dec. 2, but because of Thanksgiving vacation and also the need for additional time to arrange the extensive lighting and stage properties, the date was changed, she said.

The behind-the-scenes cast for the play includes Virginia Young and Barbara Knutson, as prompters; Larrane Van Overbeke, Mary Meehl, Nancy Nelson and Clementine Giefer, properties and costumes; Darlene Miller and Clemence Hoagland, publicity; Louise and Lorraine Ochocki, Joan Przybus and Barbara Pratt, make up.

Dennie Drops One

Dennie Erie, under basket, loops in a setup in the second half of last Friday's game against Redwood Falls. Marshall came back strongly after a slow start, but Redwood's Cardinals held a 44-37 lead as the game ended. Extreme right is Don Rubertus, Tiger guard. Wayne Arms, Cardinal standout, is number 7.—Hanline Photo.

Honor Miss Doris Drake

A group of Miss Doris Drake's friends surprised her at her apartment Tuesday evening in honor of her birthday anniversary which will be Dec. 21. Miss Drake was presented with gifts, and refreshments were served during the evening.

Juniors Rehearse for Class Play

Junior class students were in the midst of a rehearsal for their play, "Seven Keys to Baldpate" when they took time out for this picture snapped by Ann Stanwood. The date for the production, directed by Miss Ursula Costello, has been set for Dec. 9. Appearing from left to right are: Duane Tack, Ronald Hunter, Alan McGlothlin, Byron Ellingsen, Marilyn Mills, Dean Johlfs, Marie Skramstad and Joan Vandeputte. In the center of the picture (seated) is Richard Regnier, and to his right are Eunice Halvorson and Melvin Youngquist. Bruce Carrow and Dennis McLaughlin, other members of the cast, were not present.—Photo courtesy of Tiger Herald.

Cowles Football Banquet Speaker

Osborne Cowles, recently appointed basketball coach at the University of Minnesota, will headline the speaking program at the annual Quarterbacks' football banquet scheduled Dec. 7.

Cowles coached the Michigan team which won the Big Nine championship last year and previously was head coach at Dartmouth college.

Charles O'Brien of Marshall, a classmate of Cowles at Carleton college, was instrumental in bringing him here for the banquet.

Nov. 16

School Presents Music Program

A varied program has been arranged for the annual Christmas concert of the Marshall school music department to be presented at 8 p. m. today in the high school auditorium.

Miss Marjorie Sorenson and George F. Wingert are directing the concert, in which all music groups of the school will participate.

Christmas decorations and special lighting will add festiveness, according to Principal Merrill Olson, who extended an invitation to Marshall residents to attend. There will be no admission charge.

5 FFA Members At Convention

Five Marshall senior high youths, John Trei, Dennis Mc-

Laughlin, Richard Ladwig, Kenneth White and Duane Pagel, accompanied by their agricultural instructor, Loyal McCann, left Sunday by car to attend the national Future Farmers of America convention in Kansas City.

The trip is a reward to the local FFA members in recognition of their faithful work in the club. They will remain in Kansas City about a week.

Nov 18

FFA Boys Attend National Meeting

By Mrs. Roy Truax

Stanley-Clifton — John Trei of Stanley township and Richard Ladwig of Clifton, members of the Future Farmers of America, accompanied Loyal J. McCann, agriculture instructor in the Marshall high school, to Kansas City, Kans., Sunday to attend the national convention of the FFA held there this week. Kenneth White Dwayne Pagel and Dennis McLaughlin also accompanied Mr. McCann.

Nov 18

Tiger Quintet Opens Cage Practice

A large turnout greeted Coach Jay Johnstone at the first practice session of basketball at the high school gym on Monday evening.

With an attractive schedule this year, interest in high school basketball is expected to reach a new peak here.

The fight for positions on the team and the squad is expected to be keen.

Gits and Juba are the only boys lost from last year's district championship five. The prospect of having another winning combination here is bright.

Coach Johnstone can choose a senior team, if he so desires, that will have height and considerable size and know how to pass that ball around.

Dennis Erie, Donald Rubertus, Roger Gilbertson, Floyd Minnick and Bernie Coderre played regularly last season and all are out this year to be on the starting five. However, these boys are going to be pressed to hold their positions by some of the boys coming up from the "B" team last year.

The leading candidates from this aggregation include Richard Hoff, Kenny Catton, Ronald Maguire, Dean Johlfs and Bruce Carrow.

Other boys considered squad members at the present time that

have possibilities of breaking into the lineup are David Maertens, Alan Staley, Leroy Lanoue, Gordon Dandurand, Donald Hass, Rodney Bennett, Duane Ahman, Charles Lutz, Jerry Aronson, Dale Schroeder and Byron Ellingson.

The Tigers open their schedule Friday evening, Dec. 3, with a game here against Ivanhoe.

Season tickets for the 11 home games go on sale Monday, Nov. 22 at Bulowski and Sward Kemp drug stores. The price a ticket is \$5.10, including tax. This is only a slight reduction in the price over single admission tickets but it gives the holder of a season ticket the first opportunity to purchase tournament tickets.

Advance indications are that only a few tourney tickets will be offered to the public this year. Tournament tickets will be issued in order of sale to season ticket holders if the demand is greater than the supply. In the past all season ticket holders have been taken care of.

Besides the opening home game against Ivanhoe, the following teams play here: Redwood Falls, Staples, Crosby-Ironton, Granite Falls, Worthington, Slayton, Lynd, Minnesota, Tracy, and Pipestone.

Nov. 18

Olson Announces Cage Schedule

The 1948 basketball schedule for the Marshall high school Tigers, as announced today by Principal Merrill W. Olson:

- Fri., Dec. 3, Ivanhoe, here.
- Fri., Dec. 10, Redwood Falls, here.
- Fri., Dec. 17, Mountain Lake, there.
- Wed., Dec. 29, Staples, here.
- Thurs., Dec. 30, Crosby-Ironton, here.
- Fri., Jan. 7, Granite Falls, here.
- Tues., Jan. 11, Windom, there.
- Fri., Jan. 14, Tracy, there.
- Fri., Jan. 21, Redwood Falls, here.
- Sat., Jan. 22, Lynd, here.
- Fri., Jan. 28, Pipestone, there.
- Sat., Jan. 29, Worthington, here.
- Fri., Feb. 4, Tracy, here.
- Fri., Feb. 11, Minnesota, here.
- Sat., Feb. 12, Hutchinson, there.
- Fri., Feb. 18, Pipestone, here.
- Tues., Feb. 22, Luverne, there.
- Fri., Feb. 25, Slayton, here.

Nov 23

Marshall High School Joins Junior Red Cross

The Marshall high school student council Monday voted to join the Junior Red Cross this year, highlighting a series of charitable actions by local high school students.

In addition, it was announced that of the \$281 collected by the school's Community Chest that \$100 has been given to the city Chest and \$40 to the Sister Kenny fund, while more may be given later to the March of Dimes.

Meanwhile the Future Homemakers club held a party Saturday night, proceeds of which are scheduled to aid the fight on polio.

Nov. 23

Rubertus, Minnick, Erie Also Honored

By William Pickett

Lester Gieneart, senior line man on this year's undefeated Marshall high school eleven, was named a tackle on the Minnesota all state eleven selected by the Minneapolis Star Tribune.

Les rightly deserves the honor as he has been a bulwark in the Tiger line during the last three years. As a senior this season he has played a stellar role in every game both on defense and offense.

Three other Marshall players received honorable mention for this eleven. They were Don Rubertus and Dennis Erie in the backfield and Floyd Minnick at end. These boys, all seniors, played a major

role in keeping the Tigers undefeated for the season.

The all state eleven was composed of Norman Kragesth and Bob McNamara at ends. Kragesth is from Duluth Central, weighs 195 pounds and McNamara is from Hastings, weighs 185 pounds.

At the other tackle berth with Gieneart, who weighs 243 pounds, is Charles Kubes of Northfield, who tips the scale at 234 pounds.

The guard positions are taken care of by Roger Madson of Grand Grand Rapids, who weighs 175 pounds and Ray Caspers of Melrose, weight 190 pounds.

A 265 pound player from Osakis was placed at center. Bob Gelle has played a stellar game for this school all season.

The backfield quartet is composed of Charles Kren of Duluth Denfeld, who weighs 185 pounds,

Shorty Cochran of Rochester, who is the lightest man on the squad, weighing only 160 pounds, Chuck Aakhus of Bemidji, weighing 182 pounds, and Arnie Marudas of Milaca, tipping the scales at 185 pounds.

In commenting on this all state selection, Ted Peterson, sports writer of the Minneapolis paper, points out that the line will average 204 pounds and the backfield will average 176 pounds.

He also states that scholastic ability and standout performances on the football field go hand in hand with the average in studies of the 11 players, probably considerably above that for the student body of any school in the state.

In commenting on the two big boys who won the tackle berths, he states the best tribute to Gieneart and Kubes is that opposing coaches invariably had to change their offenses to cope with their marauding tactics.

Peterson also says, reports are there isn't any "waste fat" with their poundage either. We can say that is true as far as Gieneart is concerned.

Nov 25

Rotarians Plan Statuette Gifts

Arrangements to present statuettes to seniors on the Marshall high school football squad were made by Rotarians at their meeting Saturday noon in the Marshall cafe dining room. President H. O. Gregoire presided.

The committee in charge of the project includes Delos W. Henry, William J. Osborne and Gene Silvius.

Guests at the meeting included Dennis Erie, Junior Rotarian; Pat Rogers, a guest of Rudy Mehlhoff, and Harry S. Simons, who, it is reported, gave a talk on Sally Rand.

Nov 25

Marshall Wins Southwest Title

Final football standings for the Southwestern conference were announced today by Supt. Grant Johnson of Mountain Lake, secretary of the conference, as follows:

Team	Won	Lost	Tied	Pct.
Marshall	4	0	1	1000
Jackson	5	1	0	833
Tracy	3	1	0	750
Windom	4	2	1	666
Worthington	3	2	0	600
Mountain Lake	2	3	0	400
Pipestone	1	3	0	250
Lakefield	1	4	0	200
Luverne	1	4	0	200
Slayton	1	5	0	166

Marshall School Enrollment Reaches New High of 1,483

Enrollment in the Marshall schools this week reached a new high of 1,483 with 1,105 in the public schools and 378 in St. Joseph's academy.

Increase over last year is 111 for the public schools and 18 for the parochial school.

Supt. George A. Eddie said that a few late registrants are anticipated in the public grade and high schools. Mother Ellen Joseph said that no more can be taken at St. Joseph's, although there may be a few dropping out and a few coming in to the academy during the school year.

Throughout local schools instruction will be about the same as last year with the exception of an expanded music program in the public school. A new full-time music teacher, Miss Marjorie Sorenson, has been engaged, and she will conduct 13 grade school music classes for grades 2 to 6, said Superintendent Eddie. In addition she will handle junior high music classes, the junior high chorus and other special music groups.

George F. Wingert, Jr., high school music director, will continue to handle the high school band and chorus, music classes and other small groups.

High school home economics enrollment is at a new high, and an additional class section has been added. In all, the public schools now have a faculty of 47 teachers and supervisors.

The football program has also been expanded this year, with six coaches working out with A, B and C squads, led by head coach Jay Johnstone.

Enrollment figures as released by local school officials are as follows:

Public School	1947	1948
Grade	147	148
Kindergarten	104	117
Grade 1	85	107
Grade 2	64	93
Grade 3	80	68
Grade 4	61	79
Grade 5	85	67
Grade 6	75	75
Total	534	606
Grade 7	53	78
Grade 8	60	74
Grade 9	103	91
Grade 10	85	91
Grade 11	91	83
Grade 12	68	83

Marshall High Activity Program Gets Under Way

Sandwiching in extracurricular activities with a busy school life will start soon for Marshall school students now that the term is well underway.

High school activities are grouped under one head and students may be admitted to all with the purchase of a \$4 activity ticket, according to Principal Merrill Olson.

Twenty-two events, including football, basketball, lyceum numbers, movies and any other additional activity, are on this year's calendar.

Nearly all the students are active members in Marshall, Mr. Olson said, and those who are not can make arrangements to join.

New School Nurse Outlines Health Program for Year

Taking temperatures... bandaging a cut... or easing a bruise for the tiny tots or their grown up brothers and sisters.

These things and many more will be all in a day's work to Mrs. Alicemary Edwardson, school nurse, when classes reopen here next Tuesday.

The school health program, still in its infancy, was inaugurated last winter in the public and parochial schools. Its success was reflected in the interest of the parents who carried out recommendations for checkups.

Although figures are not available, many students have been fitted with glasses since the vision screen testing program and several had medical attention for hearing loss after the audiometer tests.

Primary purpose of the health program during the 1948-49 term will be to stimulate within each student a consciousness of the responsibility he has toward himself and toward his fellowmen regarding health matters. Mrs. Edwardson stated recently in a resume of the proposed plans for her department.

A three-fold goal, stressing immunization in particular, has been adopted. Vaccinations for smallpox and diphtheria will be included and it is also planned to make the Mantoux test for tuberculosis available periodically to all students.

A speech clinic, wherein every student is tested for speech impediment and hearing loss, will be provided.

New policies set forth for the health program have also been announced. Nurse's office hours will be from 8:15 to 10:30 a. m. daily and 1 to 2 p. m. daily.

Any student absent for three days or more due to illness must report to the nurse's office for an excuse slip, while a student who becomes ill during the school day is requested to obtain a pass from his class, study hall or home room teacher to the nurse.

Figures reveal that during the four months of nursing service in the school last year, there was a monthly average of 28 parent contacts and 111 office visits, 40 of which were due to illness or injury of varying degree.

September 16, 1948

Gilbertson Heads Student Council

Roger Gilbertson was named to the presidency of the Student Council at Marshall high school at its election of officers last week.

Also chosen by the 18 members of the Council, representing various classes, were Barbara Nixon, vice president, and Harriet Schrank, secretary.

"Responsibility of conducting student affairs falls on the shoulders of the new officers, these duties becoming more complex

each year as new powers are added," Merrill Olson, principal, said.

By virtue of his office, Roger will now represent the school at all public gatherings and will also make all introductions at student meetings, while Barbara will preside at all business meetings and be responsible for the administration.

"All school problems are discussed with this group," Mr. Olson said yesterday. "I have never had to veto a student-passed bill."

PICKIN'S ON SPORTIN' ROW

By WILLI HO

Football talk is in the air around Marshall these days and rightly it should be for the 1948 edition of the Marshall Tigers goes on display at Windom on Friday evening of this week. The local high school is to be represented by a veteran team this season and is made up of boys who play to win so the fans are sure to see some interesting struggles before the curtain falls to end the season. A large number of fans will accompany the team to Windom to get their first view of Orange and Black gridders for the season.

Coaches Jay Johnstone and Larry Kienholz told the writer Wednesday that the Tigers would be in good shape for the opener barring unforeseen developments. I asked Coach Johnstone what he had to say about his backfield this year. He looked at me and smiled. I knew then that he must be pretty well set as well as satisfied. He said "that starting backfield of Rubertus, Erie, Carrow and Catton has more speed than any backfield he has had since he came to Marshall."

I approached Coach Kienholz and asked him what he had to say about the line. He looked at

me and said, "Why don't you wait and ask me that after the Windom game?" Never-the-less Larry confided that he was pretty well satisfied with his forward wall. They have weight and are pretty active but then he added, "They still have a lot to learn." Judging from the lines I have seen Larry turn out since his return here I think his charges will hold their own with most of them.

The game at Windom will be a tough one for an opener. Windom also has a veteran team this season and they have played one scheduled game, beating Slayton last Friday, 26-0. This is a big advantage for them as the Tigers have had only scrimmages amongst themselves to date. Windom has been defeated by the locals for three or four seasons in a row and they are really out to win this one. If you are one of the many driving over to the game, drive carefully and help prevent accidents.

The Marshall Quarterbacks club starts its eleventh season on Monday evening at 6:20 at the Marshall Cafe. This organization of some 160 members last year are planning for another successful

Sept 16, Cont.

year this year. If you haven't already purchased your ticket, President Earl Jefferson says you can secure them at any of the following places: Bulowski drug store, First National bank, Simons and Gregoire, Marshall Cafe, Chuck O'Brien or from him.

All bowlers, both men and women, are reminded that important meetings for both are scheduled for next week. On Monday evening the men bowlers meet at the Recreation Alleys to complete plans for the coming season. On Tuesday evening the women bowlers will hold their meeting at the place. A large attendance is desired at both meetings. The Recreation alleys are now open evenings for open bowling.

The Milroy baseball team, competing in the Class A division in the state tournament being played at Shakopee this week, was eliminated in their first round game on Tuesday by Belle Plaine by the score of 7-0. Play in the meet is continuing all this week with the final game in Class B scheduled for Saturday afternoon and the championship tilts in Class A and AA will be played Sunday afternoon.

Local baseball fans will have an opportunity to attend a game at Lake Benton Sunday afternoon. The game is a benefit for Johanson, a Lake Benton player, who suffered a broken leg during the season. The Lake Benton team will play a group of all-stars from various teams. Jay Johnstone, Bud Nelson and Corky Carruth will represent the local club. Fans throughout this section are urged to attend this contest as it is for a good cause.

September 16, 1948

Tigers Expect Tough Battle at Windom

Johnstone Names Starting Eleven

By William Pickett

The Marshall high school grid-ers journey over to Windom Friday evening for their opening game of the 1948 season. The Tigers face a tough schedule this year and the opener is expected to be one of the toughest struggles.

The Windom team is composed of veterans and they opened their season last Friday evening by defeating Slayton by a 26-0 score. With one game under their belts, which is a big advantage at this time of the year, they are primed to defeat the Tigers.

But the Tigers are also represented by a veteran eleven this year and the wearers of Orange and Black uniforms are ready to start the season off with a victory.

Coaches Jay Johnstone and Larry Kienholz have been putting the Tigers through tough practice sessions in preparation for the opener and believe their charges are ready to put up a good game.

The following is the probable starting lineup at Windom:

- Ends—Floyd Minnick and Richard Hoff.
- Tackles—Robert Hirmer and John Ridler or Robert Tholen.
- Guards—Richard Kerkvliet and Lester Gieneart
- Center—Dean Johlfs.
- Quarterback—Kenneth Catton.

- Left Halfback—Dennis Erie.
- Right Halfback—Bruce Carrow.
- Fullback—Donald Rubertus.

In this starting lineup there is plenty of weight both in the line and in the backfield. If the Tiger forward wall can hold their own against the opposition this season, local fans should get many a thrill by the backfield, as the starting quartet has plenty of speed and if they once get underway they will be hard to bring down.

The following substitutes will probably more or less see action at Windom. James Behrenfeld and Bryan Ellingson at end, Dennis McLaughlin and Alton Schultz at tackle, Richard Ladwig, Aloise Sprader, John Sherman and Dale Schroeder at guards and Clarence Blair at center. In the backfield, Duane Ahman, Dennis Gregoire and Ronald Maguire, head the reserves.

The opening home game will be played at Legion field under the new baseball lights, a week from Friday night, and plans are now underway to handle the large crowd that will attend this game.

There will be ample parking spaces across the river from the field and near the swimming pool. Tickets will be sold at three places, namely by the tennis court, on the track and near the bridge across from the parking lot. There will be bleacher seats for a crowd of 3,000. Better plan now on being at this game. This is one of three home games scheduled for this season.

Denny Erie carries the pigskin for an 8 yard gain around Windom's right end in the third quarter of Friday night's game, the season opener for the Tigers. —Keith photo.

Schoolmen at MEA, Conference Meet

Plans for school operation in the coming year were outlined at two important area meetings held Monday.

Supt. George Eddie attended a Southwestern conference session at Worthington while Principal Merrill Olson was in St James where, as president of the Southwestern Division of the MEA, he presided at that meeting.

Possibility of a conference track meet was discussed at the Worthington conference. Mr. Eddie said, in addition to preparing qualifications for football and basketball championships.

School legislation and teachers' retirement fund were other matters on the agenda following a dinner.

Mr. Eddie is vice president of the group serving under George Boreman of Lakefield as chairman. Other schools besides Marshall in the conference are Worthington, Lakefield, Luverne, Pipestone, Mountain Lake, Jackson, Slayton, Windom and Tracy.

At the MEA meeting, the program for the year was worked out and the type of county meetings were discussed. Mr. Olson said. Included in the topics to be considered will be teachers' retirement, tenure and how to improve the school systems.

From this advisory group, the executive committee, which is headed by Mr. Olson, formulates plans for the year and returns them to the schools.

Mr. Thompson of Balaton, president of the Lyon county association, Harry Ahlin and Miss Helen Sullivan of Marshall also attended the meeting.

Nineteen counties representing 2,300 teachers are included in the Southwestern Division.

Mr. Eddie and Mr. Olson also plan to attend a Little Ten conference in New Ulm tomorrow afternoon and evening.

Sept. 16, 1948

Students Prepare Second Convocation

Varied topics have been arranged for a convocation to be held Friday at 9:30 a. m. in Marshall high school, according to Principal Merrill Olson.

Barbara Nixon, vice president of the student council, will preside.

A recent article on Lou Boudreau, Cleveland baseball manager, which appeared in the Saturday Evening Post, will be discussed by Roger Gilbertson, while James Wetherbee will tell the new methods of automobile manufacturing in his topic, "A Car Is Born."

How persons with handicaps live useful lives will be discussed by Harriet Schrunck in an article, "The Scrap Pile" and the concluding talk is "Our Human Comedy" to be given by Louise Ochocki.

A trumpet trio, Irv Peterson, Tom Ryan and Jim Hand, accompanied by George Wingert at the piano, will play "Triolet" by Leonard as the musical part of the program.

This will be the second convocation of the year.

September 21, 1948

History Repeats Itself: Marshall-

Tigers Gird for Home Opener

By William Pickett

For the second consecutive year the Marshall Tigers and Windom Eagles battled to a tie score in their annual clash. Last Friday evening at Windom the game ended with a 6-6 score; a year ago

it was a scoreless tie in a game played here.

Friday's encounter was the first for the Tigers and they showed the fans that journeyed to Windom to give them support that they would be a hard team to beat this season.

In meeting Windom they went up against a veteran team that has weight in the line and a fast, hard charging backfield that also has plenty of weight to go along with it. The Windom eleven had an advantage over the Tigers in that they had played one scheduled game, defeating Slayton 26-0 the week previous.

The first half of the game ended with neither side being able to cross the other's goal line although both threatened at various times. The defensive play of both elevens tightened up when the other team carried the ball deep into their territory.

The first quarter found both teams relying on their ground play to gain them yardage and neither had much of an advantage.

In the second quarter play opened up a little and after the Tigers had worked the ball down to the 25 yard line they lost it on downs. Windom then started a march down the field and Grams brought the crowd to its feet when he broke into the clear but a nice tackle by Erie from behind brought him down on Marshall's 35 yard line. Windom then made it first down on the 27 yard line but here the Tigers braced and took possession of the ball on downs.

The Tigers then started a march down the field but when Grams intercepted a pass on the 15 yard it put an end to it.

The second half opened with Marshall kicking off; Windom brought the ball back to the 25 yard line. A fumble by Windom was recovered by Hirmer on the 35 yard line. Rubertus broke through to bring the ball to the 27 yard line and on the next play he made it a first down.

The Tigers made another first down and worked the ball down inside the five-yard line where

the Windom boys put up a stubborn defensive. On the fourth try the Tigers fumbled the ball but Windom was offside so they were penalized.

Marshall on the next play, sent Rubertus through the line for a touchdown. The extra point was missed and Marshall was leading 6-0.

In the last quarter the Windom eleven started a drive from mid-field that finally brought them a touchdown although the Tigers held them for three downs inside the five-yard line before they went over for the marker to tie the score. A running play for the extra point failed.

In the closing minutes the Tigers opened up a passing game and were down inside the 10-yard line when the game ended.

The Tigers play here on Friday evening when they meet the Pipestone Arrows. The Arrows defeated Slayton 20-0 Friday evening and are expected to give the Orange and Black a real tussle.

The summary:

Dennis Erie Heads Luther League

Dennis Erie was named president of the First English Luther League when the group held an election Sunday night.

Other officers include: Roger Gilbertson, vice president; Harriet Schrunck, secretary, and Donna Ausen, treasurer.

The organization meets every other Sunday night and also once a month for a special gathering.

24 First Graders Going to School in Local Church

Public School Bulges at Seams

If Miss Esther Johnson, a newcomer on the Marshall public school faculty, finds her first graders "quiet as church mice," the explanation is simple.

The youngsters are having the unusual experience of going to school in the Federated church adjacent to the high school building, because present school quarters are inadequate to take care of the ever-increasing enrollment.

Miss Johnson, whose home is at Pelican Rapids, was engaged last week when it became apparent that a fourth teacher would be needed for the many first grader "war babies."

There is now a peak enrollment of 111, according to Supt. George A. Eddie, who stated that the employ of another teacher would provide instruction for smaller groups. Thirty pupils for a teacher is the desired maximum figure.

In the 1947-48 school term, the initial enrollment was 81, jumping up to 92 before the year was over. A proportionate increase is expected this year, from the 109 registered on the first day, Mr. Eddie said.

Since the above picture was taken, desks and most of the necessary equipment have been installed in the classroom, which is known as the kindergarten room of the church.

Twenty-four pupils are enrolled and, for the most part, all their school time is spent here, with the exception of the usual "pauses in the day's occupation" for recess and the milk program.

Miss Johnson, who has a diploma in education from the Moorhead state teachers college, taught the second grade at Owatonna last year. This is her seventh year of teaching.

With the addition of Miss Johnson, the public school faculty totals 49, including Mr. Eddie and Principal Merrill W. Olson.

National publicity has gone recently to the problem of religious instruction in the public schools—but in Marshall the situation is reversed, with public school pupils getting their instruction in a church building.

Local Students at Business School

Four students from Marshall have enrolled for the fall term at the Minnesota School of Business in Minneapolis. They are: Marvin E. Cross, son of Mr. and Mrs. Marvin W. Cross; Kay LeBeau, daughter of Mr. and Mrs. Arthur LeBeau; Robert L. Foster, son of Mr. and Mrs. Max Foster; and James R. Gregoire, son of Mr. and Mrs. H. O. Gregoire.

All four are graduates of Marshall high school, Miss LeBeau and Mr. Foster, class of 1948 and Mr. Gregoire and Mr. Cross, class of 1947. Mr. Gregoire was employed by the Messenger last year.

Mr. Foster is taking a 44 week junior accounting course; Mr. Gregoire, an 80 week course in business administration; Miss LeBeau, a 28 week stenographic course and Mr. Cross will take a 68 week course in sales and advertising.

Lions Honor Footballers

The banquet was over and football was the conversation topic when the photographer snapped this picture at the Lions club gathering last Wednesday night in the Marshall cafe dining room.

Members of the Tiger football squad, the coaches and their wives and wives of club members were honored guests at the affair. About 120 persons attended.

John Ronning, backfield coach at the University of Minnesota, is shown (right) with Al Tighe, KMHL sports announcer, in an informal interview on the radio. At the left is Dr. R. J. Lindgren, club president, who served as master of ceremonies for the evening.

The main address was given by Dr. C. L. Nordly of the University physical education staff, who stressed the value of football as a character builder.

Coach Jay Johnstone and Bob Hirmer, a squad member, both expressed appreciation for the banquet.

Moving pictures of the Minnesota Gophers 1948 season were then shown with Mr. Ronning giving the narration.—Hanline photo.

Close . . . But Not Close Enough

—Hanline photo

A second after the camera caught this shot in the first quarter of the Redwood-Marshall game Friday night, the ball, tossed by Dean Johlfs, Tiger star, bounced off the rim of the basket. His teammates, Erie (7), Staley (13) and Slocum (10) and Arms (7) of the Cardinal squad, look on.

Cowles Heads Program for Quarterbacks

Osborn "Ossie" Cowles, new basketball coach at the University of Minnesota, will be the principal speaker at the annual Marshall Quarterbacks club banquet this evening at the First English Lutheran church.

The Quarterbacks will have as their guests nearly 50 high school boys who took an active part in the gridiron sport this fall. They include members of the A, B and C squads. Their coaches will accompany the squads.

Earl Jefferson, president of the Quarterbacks, will act as toastmaster. "Doc" Henry will present the members of the championship Tiger team with silver footballs, gifts of the Marshall Chamber of Commerce.

Merril Olson, director of athletics at the high school, will present letters to the Tiger team. There will be brief talks by the coaches and some of the players.

Paul Wilson will give the welcoming talk and Chuck O'Brien, president of the Quarterbacks for 1949, will introduce Mr. Cowles, who is a former classmate of his at Carleton college.

Ivanhoe Nips Tigers, 35-32, In Opener

Eagles Overcome Early Tiger Lead

By William Pickett

The Marshall Tigers went down to a 35-32 defeat at the hands of Ivanhoe Thursday in the first game of the season at the high school gym.

The game was close and hard fought from start to finish. The lead changed hands seven times during the contest and the score was tied on two occasions. The biggest lead enjoyed by either team was six points held by the Tigers near the end of the first quarter.

The game's first score was made by Rubertus, who caged a field goal. The Tigers took a 4-0 lead on free throws by Johlfs and Erie. Quick baskets by Fehrman and Roberts for the Ivanhoe Eagles tied up the score. Minnick put the Tigers ahead with a field goal and Erie followed suit. Fehrman counted again for the Eagles to make it 8-6.

At this stage in the game Roger Gilbertson replaced Johlfs in the Tiger lineup and Gil was given a nice ovation by the fans as he trotted onto the floor. On his first attempt at a basket he made good and Coderre followed with a field goal to put the Tigers ahead 12-6. Just before the quarter ended Sullivan made good a free throw to make it 12-7.

At the start of the second quar-

ter, Pederson, center for the Eagles, got "hot" and dropped in four field goals from well out on the floor to put his team in the lead 15-12. Coderre scored the first goal for the Tigers but Pederson came right back with another to make it 17-14 for the Eagles.

Dick Hoff replaced Minnick in the Tiger lineup and he caged two quick field goals to put the locals back into an 18-17 lead at half time.

The second half scoring opened when Gilbertson made good two free throws. Two baskets by Sullivan gave Ivanhoe the lead again, 21-20. Rubertus put the locals back in the lead again by caging a field goal on a beautiful pass by Erie. Sullivan again put the Eagles in the lead by dropping in his third field goal of the quarter. Coderre was given two tries at the free throw line and made both good to put the Tigers back in the lead 24-23.

Fehrman counted a field goal and the Eagles went ahead 25-24 and were near headed again although the Tigers were never more than four points behind. Before the third quarter ended a free throw by Sullivan and a basket by Knowles made the Eagles' score read 28 while the best the Tigers could do was a free throw by Erie to bring their total to 25.

A basket by Erie started the fourth quarter scoring and left the Tigers trailing by only one point, 28-27. A free throw by Hansen and a field goal by Fehr-

man gave the Eagles a four point margin. Coderre narrowed this margin to 31-29 with a field goal. Sullivan made good a free throw. Coderre scored again from the floor to make the score read 32-31. With time running out Pederson connected with a field goal to put the Eagles ahead 34-31. Before the final gun sounded Johlfs added a free throw for the Tigers and Pederson did likewise for the Eagles, the final score reading Ivanhoe 35, Marshall 32.

Pederson of the Eagles, with 13 points, led the scorers. Coderre was second high with 10 points.

Concert by Candlelight

The tradition of a candlelight concert was observed again at the First English Lutheran church Sunday night when the three choirs offered a program of Christmas music.

The senior choir, pictured above, is under the direction of R. G. Sutherland. Junior choir and Brotherhood male chorus are directed by the Rev. Merland Johnson. The men in the senior choir also compose the male chorus. Mrs. Merland Johnson is the organist and accompanist.

A capacity audience attended the Sunday night program, which was broadcast over KMHL.

The music groups will make two more appearances at the church this season, at the Christmas Eve service from 11 to 12 and at the Christmas worship Sunday, Dec. 26, the Reverend Johnson said.

Personnel of the senior choir choir shown above includes:

Front Row (left to right) Erma Severson, Mrs. Olaf Skramstad, R. G. Sutherland, Mrs. Merland Johnson, the Rev. Merland Johnson, Marie Skramstad, Mary Meehl.

Second row (left to right) Betty Lohr, Arlene Lundmark, Mae Iverson, Laurine Prosch, Nona Erie, Mrs. George Eddie.

Third row (left to right) Dorothy Griesert, Donna Griesert, Bethlyn Freter, Mrs. Rolland Swanson, Mrs. Odin Dovre, Eunice Halverson, Elaine Halverson, Vivian Sandquist, Mrs. Gerald Wiggins.

Fourth row (left to right) Alloys Myers, Rolland Swanson, Millard Ehlers, Byron Ellingson, Duane Tack, Myron Thompson, Vernon Magnus, Jim Maloney, Dennis Erie, Clayton Ellingson.

Fifth row (left to right) Otto Christensen, Mel Erickson, Julian Waller, Norman Running, Lloyd Tack, Clifton Ellingson, Howard Johnson, Carl Peterson.—Hanline Photo.

PICKIN'S ON SPORTIN' ROW

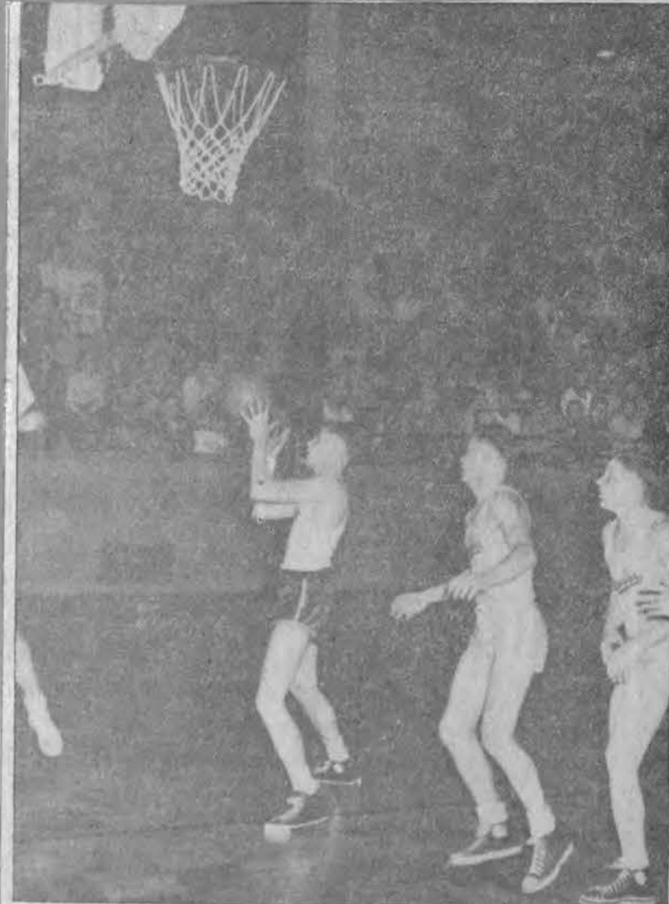

By WILLIJ HO

Coach Jay Johnstone is busy at the Marshall high school gym with the candidates reporting for this year's high school quint. Practice sessions opened Nov. 15 with the first game scheduled for here against Ivanhoe on Friday evening, Dec. 3. The Tigers are expected to be represented by a tall rangy quint this year that should give the fans plenty of good entertainment. With veterans like Erie, Rubertus, Gilbertson, Minnick, Coderre, Hoff and a few others available, the Tigers should have a good season.

Athletic Director Merrill Olson has arranged an attractive 18-game schedule for the Tigers this season. Eleven of these games will be played here and they include the invasion of the local gym of two range teams namely Crosby-

Ironton and Staples. Mr. Olson announces that season tickets went on sale at both Bulowski's and Sward Kemp's on Monday, Nov. 22. Season ticket holders will be given first opportunity to buy tournament tickets later on in the season.

With the coming of the basketball season holding the spot light, there is still one outstanding event to take place here pertaining to football. That is the Quarterbacks' banquet for the high school football squad which will be held at the First English Lutheran church on the evening of Dec. 7. Ozzie Cowles, new basketball coach at the University of Minnesota, will be the principal speaker. This is a great night for the "oldsters" as well as the youngsters.

Bernie Coderre, rangy Marshall center, takes a rebound under the Ivanhoe basket. Coderre was high-point man for the Tigers Thursdy.—(Hanline photo)

Roger Gilbertson takes to the air again late in the Ivanhoe-Marshall game. Number 5 is Bernie Coderre. Tiger players in background are Don Rubertus, left, and Dick Hoff, center.—(Kieth photo)

By WILLIJ HO

From all indications the Marshall Tiger quint are due to take their third straight beating of the year when they journey to Mountain Lake on Friday evening. To date the Tigers have lacked the fighting punch to carry them to victory and although they may display that quality on Friday they have only an outside chance of defeating the Lakers. The Lakers are rated as possibly the No. 1 team in the state at present. They went through the regular season undefeated last year and did not lose a game in the state meet except for the semi-final.

They have a veteran team back and have picked up two all-district players from Bingham Lake. According to the dope received from over there the Lakers this year are rated the best quint that school has turned out.

Coach Jay Johnstone has juggled his starting lineup around a little in hopes of finding a combination that will show some drive and fight that has been sorely lacking to date. Coderre, who has been at center, will start at forward in place of Minnick and Hoff will be at the center spot. Gilbertson will be a starter at guard in place of

Johlfs. Erie at forward and Rubertus at guard will be the other starters. The Tigers failed to get going in the first half of the Redwood game and were trailing 25-10 at half time. During the second half the Tigers outscored the Cardinals but could not overtake the first half lead.

The social whirl of the Christmas season will soon begin at the Marshall public school where parties, programs and a holiday dance are being arranged in the short month of December before classes close on the 17th for a two weeks vacation.

Various music organizations of the school will combine their talents for a Christmas program Thursday night, Dec. 16, at the high school auditorium to which the public has been invited.

Miss Marjorie Sorenson and George F. Wingert, musical directors, are making plans for the evening.

Slated to appear is the senior high mixed chorus of 70 voices which will sing "The Hallelujah Chorus" from Handel's "The Messiah," "The Song of Christmas," and "Twas the Night before Christmas." Other music groups will also participate.

There will be no charge for the program, according to Principal Merrill W. Olson.

A program and party followed by refreshments will be held Friday afternoon, Dec. 17, under the sponsorship of the Student Council. Grade children will have parties in their own rooms.

The "Share Your Christmas" thought is also in the minds of local students. Proceeds from banks in each room will be used for a worthy cause, Mr. Olson said.

An evening party and holiday dance for high school students is slated Saturday night, Dec. 18.

A large Christmas tree will be decorated and placed in the lower corridor at the high school while grade rooms will each have a tree. School will reconvene on Jan. 3 after the holidays.

Junior Play Is Attended by 850

Fine characterizations, costuming and lighting effects blended to win the approval of a large audience for the junior class presentation of "Seven Keys to Baldpate" last Thursday night in the Marshall high school auditorium.

More than 850 persons witnessed the production, directed by Miss Ursula Costello.

Marked by a predominantly male cast—10 of the 14 roles were taken by young men—the play offered excellent opportunities for character portrayal.

Acting and costuming was especially outstanding in the roles of Peters, the hermit, played by Melvin Youngquist, and Lou Max, taken by Ronald Hunter.

Dean Johlfs capably handled his leading role of William Hallowell Magee, the author, with Eunice Halvorson supplying the romantic interest in the part of Mary Norton.

Other supporting players who added to the success of the production were Alan McGlothlin and Joan Vandeputte, as the Quimbys; Richard Regnier as John Bland; Marie Skramstad as Mrs. Rhodes; Marilyn Mills as Myra Thornhill; Byron Ellingson, Jim Cargan; Duane Tack, Thomas Hayden; Bruce Carrow and Terry Bladholm as the police, and Dennis McLaughlin as the owner of Baldpate.

A large production staff also assisted in the presentation.

PICKIN'S ON SPORTIN' ROW

By WILLIJ HO

Our congratulations to Les Gien-eart for being honored with a tackle berth on the Minnesota all-star high school eleven as named by the Minneapolis Star-Tribune last Sunday. His great line play on the Tiger eleven during the last three years was a big factor in the Tigers' having successful seasons. Personally, I think Les played his greatest game in his high school career in the last game of this season at Montevideo. He was in on every play both on defensive and offensive and really showed the fans a great brand of fine play in that game. Yes, Les, you rightfully deserve the honor bestowed upon you and I wish you the best of luck and good fortune in your future football endeavors.

Three other Marshall Tiger players received honorable mention on this selection. They were Don Rubertus and Denny Erie in the backfield and Floyd Minnick at end. All three of these boys played brilliant games in their senior year. Like Gien-eart, I think Rubertus waited until his last game in high school to play his best game. He sure was a sweet ball carrier in that Monte game. Erie thrilled the fans on many occasions this season with his brilliant open field running. Minnick, at end, played a good steady game. His work in breaking up the interference on the defense was his best asset.

Schools to Start Dental Health Plan

The Marshall school dental health program will be re-established this year under the direction of Mrs. Alicemary Edwardson, the school nurse, according to Supt. George A. Eddie.

This program is based on a card system which is being used successfully in most schools throughout the state.

Before Christmas vacation all grade school children in the public and parochial schools will receive dental health cards. They are urged to make appointments with their family dentists for thorough dental examinations.

For those whose examinations reveal no dental care needed, the cards will be immediately signed by the dentists and the children will return them to the school; however, for those who need dental care, the cards will be signed only upon completion of the needed work. Cards will be signed for dental work having been completed since June 1, this year.

At the close of the school year a report will be sent to the Minnesota Department of Health where the percentages of returned cards will be tabulated and included in the annual report of all schools participating in the state program.

"Parents are urged," Mr. Eddie said, "for the dental health of their children, to cooperate with the school and the dentists to make the program successful."

Dr. William A. Jordon, director of the division of dental health of the state health department, has congratulated Marshall parents and teachers on the results of the last dental health program in which more than 50 per cent of all school children had complete dental care and returned signed cards to the school. He believes this record can be equaled or surpassed this year.
