Marshall FFA'ers Win 3 Grand Championships

41 Ribbons Won by MHS Chapter at State Fair

Members of the Marshall FFA chapter came home from the state fair with three grand champions, two reserve champions and seven first place animals.

Richard Christopherson had the first place hereford heifer, the senior champion female and grand champion female hereford. David Forbes had the champion male Tamworth hog and Alan Forbes had the champion female Tamworth. Juels Carlson took first place with his Columbia ewe lamb and also had the reserve champion Columbia ewe.

Donald Kramer's Southdown ram lamb took first place. Donald had the grand champion market lamb and grand champion market pen of lambs over all breeds. He also took first place with his Brown Swiss three-year-old cow and reserve champion cow.

Ewald Pagel placed first with his Brown Swiss junior yearling heifer and Bob Weidauer had the second place senior yearling Ayrshire heifer.

The youths from the Marshall chapter came home with six purple champion ribbons, seven blue first ribbons, nine red second place, eight white third place, 11 green fourth place and six yellow fifth place ribbons.

STARTING SCHOOL—Two youngsters, on their first day in kindergarten, seem nonchalant as they look at a picture book at East Side Grade School. The little boy is Danny Christopherson, son of Mr. and Mrs. Virgil Christopherson, Milroy. Mrs. Clinton Grow brought Cheryl on her first day of school.—Daily Messenger photo.

Rotarians Honor Teachers, Faculty, Board at Party

At a party that has become a tradition in Marshall, the Marshall Rotary Club entertained the faculty of the Marshall Public Schools, at the Marshall Country Club Monday evening.

Guests and club members sat at 13 tables and a Rotarian at each table introduced the people in his group. A flower was pinned on Dr. Charles McGuiggan by C. J. O'Brien in honor of his birthday and a special song was sung for Mr. and Mrs. Dave Taylor in honor of their wedding anniversary.

Glen Moran thanked the Rotary on behalf of the teachers.

Paul Wilson who explained the Rotary Scholarship plan, said the scholarships are set up to help students who have ability, are anxious to go on to college, but are unable to do so because of finances.

He said Rotary considers the scholarships valuable, not only because of the financial aid but because they show the students the club is interested in their welfare. Jim Wetherbee showed slides of Europe taken on a trip in 1956.

Sept. 11

Tigers to Host Slayton Wildcats for Homecoming

The Wildcats of Slayton High school will furnish the gridiron opposition for Marshall High's homecoming, the school student council announced after a Monday business meeting.

The date for the big classic is Oct. 11, with the game scheduled for 8 p.m. at Legion Field.

The council decided once again to sell pins for the event, and announced that they will be placed on sale as soon as they arrive. All school home rooms have been asked to participate in the selection of the homecoming day slogan.

The Tigers open their football season Friday night, playing host to Clarkfield. Other home games prior to the home coming event include a Sept. 27 date with Worthington and a Oct. 4 contest with Luverne. On Sept. 20 the Tigers will be at Worthington to tangle with the powerful Arrows.

Sept. 4

Marshall Schools Have Enrollment Increase of 122

Opening day enrollment at the Marshall schools was up 122 students over 1956, with 57 more students at the public schools and 65 more at the parochial schools.

East Side Grade School had an enrollment of 560, West Side Grade School 386 and the junior and senior high schools enrolled 537 students. This makes a total of 1483.

Central High School reported an enrollment of 260 students, 20 more than a year ago. Holy Redeemer had 650 students, 25 more than a year ago.

Tigers Succumb to PHS Arrows, 28-14

3 Costly Fumbles Converted into Pipestone Touchdowns

PIPESTONE — Marshall's improving Tigers dropped a 28 to 14 verdict to the Arrows here Friday night, but the game was closer than the score indicates. The Tigers out-gained Pipestone 285 yards to 240 and earned 12 first downs to 16 for the Arrows.

Fumbles figured into Pipestone's scoring as they pounced on three Tiger bobbles and converted each one into a touchdown.

Marshall scored both TD's on spectacular pass plays, one covering 71 yards from John Ahlin to Bob Peterson, the other went 26 yards from Ahlin to the other end, Bill Carrow.

In the first quarter Marshall outplayed the smooth Pipestone club, gaining 61 yards from scrimmage while holding the Arrows to a minus four yards. The Tigers took the opening kickoff and two end runs, by workhorse halfback Ahlin, took the Marshall club to Pipestone's 38 yard line.

Pipestone stiffened for three downs, then Ahlin skirted right end for 15 yards and a first down on the Arrow 25-yard line. From there Marshall couldn't move the ball, ending the sequence with two incomplete passes.

Pipestone made one first down

Pipestone game
Sept. 20

the their own 38 yard line but a beautiful third down tackle by Peterson forced the Arrows to punt. Norm Myers returned the kick to Pipestone's 42 where the Arrows held for three downs.

On the fourth down the Tigers fumbled and nine plays later Pipestone broke the scoring ice. Runs of 20 and 17 yards by Pipestone's brilliant Bill Winter helped the cause, and it was the hard-driving halfback who scored later.

After the Tigers received the kickoff, a pitchout and lateral took Marshall almost to the midfield stripe. But a fumble was recovered by the Arrows and eight plays later Winter went over again to make the score 14-0.

On the last play of the half, after receiving the next kickoff, Ahlin faded back and pitched a 17 yard pass to Peterson, who was behind his defender. Peterson picked up one good block that set him loose and he outran the other two Pipestone men to the end zone.

The Tigers faked a placement and made the score 14 to 7 on a pitchout.

Pipestone took the second half kickoff and in a series of well-executed plays moved to Marshall's 26 yard line. But a tough goal-line stand held back the Arrows and Marshall took over on the two yard line.

Marshall's first down kick was short and the Arrows took over again on the 22. Again the Tigers held for downs. When Pipestone tried a pass on third down, Ahlin, with a clear field down the sidelines, almost intercepted.

Marshall took over on the 18, moved the ball to the 34 before being thrown for a loss back to the 27. Then the Tigers failed to kick on fourth down and six plays later Pipestone made it 21 to 7.

Pipestone's last score came when Marshall fumbled on the midfield stripe. Ten plays later Pipestone had moved to the Marshall 8 yard line. On fourth down and five go go, Lance Johnson, Arrow quarterback, pitched to his left end for an easy TD.

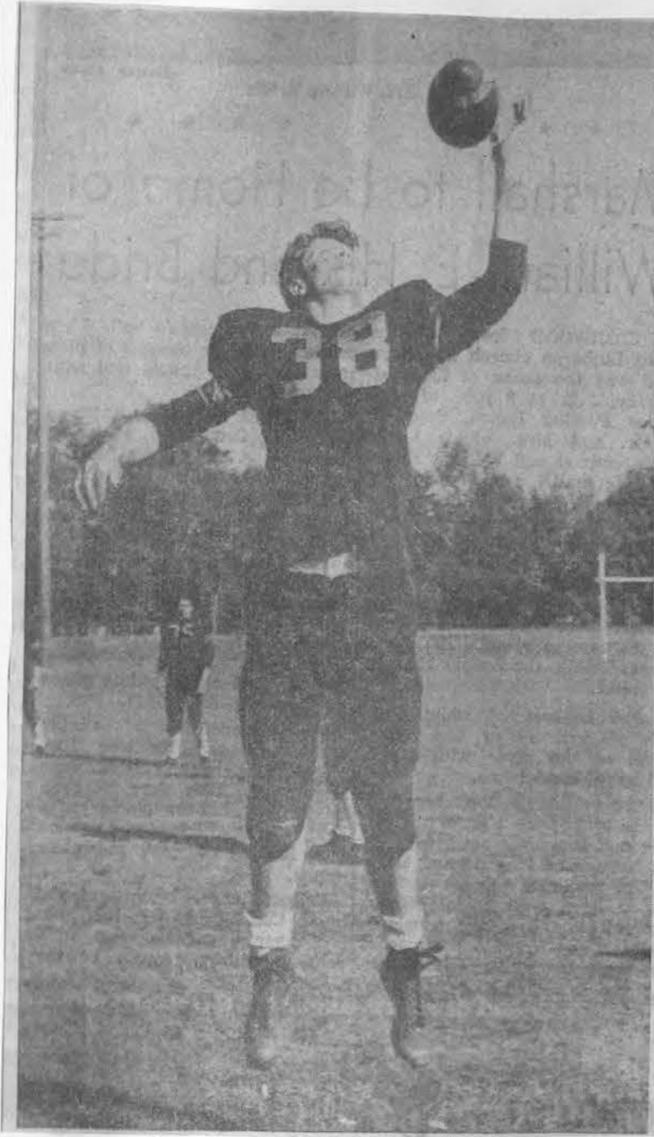

Marshall scored minutes later on the Ahlin to Carrow pass. Myers set up the score with an 18 yard scamper from a Tiger reverse play.

A fake placement was used to convert.

YEA TEAM!—Fall is the season of cool weather, falling leaves—and football. The latter comes to Marshall this weekend, with the Tigers and Queensmen both scheduled for Legion Field action. Nancy Tibury, above, is typical of the type of enthusiasm engendered by the popular autumn sport. For other pictures, see sports page.—Daily Messenger photo.

Sept. 26

Tigers Face Strong Trojans in Home Tilt Friday Night

Marshall's Tigers, in going after their second win of the season this Friday night at Legion Field, will be facing a Worthington team whose strength belies the 1-2 record it has posted so far this season.

The Trojans romped over Fairmont in the season's opener, then dropped 7-6 and 12-0 contests to Madison, S. D., and St. James. In the Madison game the Trojans came out on the top end of all statistics except the final score.

They out-gained Madison by a margin of 254 to 135 yards and 16 first downs to the Dakota squad's five. The try for point that would have tied the result as fumbled in the end zone and recovered by a Trojan player, but the referee ruled that a Madison man had placed his hand on the ball prior to the recovery and the ball dead.

In the St. James, with a record of 3-0 against strong opposition this year, outclassed the Trojans all the way through their contest. The Saints outgained the Worthington squad, 232-84, and completely dominated play throughout.

In their last two games the Trojans have thrown 18 passes, with five completions good for 41 yards. The Trojans are fielding a starting team of lettermen, but none of last season's regular starters are back from the squad that handed Marshall a 26-0 defeat.

Probable starters for the Trojans will find Hillstrom and Tow-

ne at the ends, Wagley and Pfingston at tackle Lindemann and Freeman at guard and Harens at center. The backfield will find Bill Schade at quarterback, Francis Simon and Lloyd Phelps at the halfback spots, and Alan Bonander or Joel Beck at fullback. Tiger coach George Rindelaub will probably start the Friday game with Bob Peterson and Bill Carrow at the ends, guards Jim Dwire and Harry Paradis, tackles Dale Allen and Dick Ogle and center John Berre. In the backfield will be Curt Porter at quarterback, John Ahlin and Norm Meyers at the halfback spot and Jim Williams at the halfback spot.

Oct. 8

FHA District Meeting Held at Tyler Saturday

Future Homemakers of America got together Oct. 5 at Tyler for their district meeting. Miss Marybelle Hickner and Miss Mary Ellen Marcotte, instructors at Marshall High school accompanied the group.

Arriving at 9:15 a.m. they assembled in the auditorium where they were greeted by Mr. Herty of Tyler, the superintendent of schools and the Tyler FFA President.

Representatives from Echo, Wabasso, Boyd, Tracy, Redwood Falls, Canby, Balaton, Tyler and Marshall, junior and senior chapters were there.

After a few relaxers and speeches students formed workshops and discussed different FHA topics. Lunch was served in the cafe-

teria at noon. The afternoon session consisted of skits by workshop groups. "Calypso Pete" sang a few popular tunes accompanying himself on the guitar. Pat Daniels of Tracy was elected district vice-president and installed.

Oct. 8

Busy Time Predicted as MHS Plans Friday's Homecoming

Marshall High School Homecoming will be celebrated Friday, beginning with a convocation and pep fest at 2:30.

A rally around a bonfire, lighted by the sophomore president, will have taken place the evening before.

The name of the queen will be announced at the close of the Friday afternoon program and she and her escorts will be taken to waiting cars and led by the high school band through the streets of Marshall.

This band will be joined by the Slayton band which will participate in the parade on Main Street,

and then be guests in Marshall homes for the evening meal.

The football game at 8 p.m. of course is the big event. The queen and her escorts will occupy a special box. The two bands will present a program between halves.

Following the game, the Queen and her escorts will return to the auditorium where she will be crowned and preside over Homecoming activities. Marshall Swing band, the "Rhythm Teasers," will furnish the music for the coronation dance.

Bleacher seats will be available for adults who wish to view the program.

★ ★ ★ ★

PEP BAND PREVIEW — The Marshall High school marching band filled the city's streets with the marching music associated with fall and football today in preparation for the school's homecoming celebration this Friday night. Talking over some of the formations here are, left

to right, drum major Charles Eubanks, Dave Nelson, with his baritone horn, and band director Leo Yorke. The unit will be featured in a half-time performance at the Tiger-Slayton football game Friday night at Legion Field.—Daily Messenger photo.

Sept. 27

School Districts Re-numbered in New State-Wide Program

All school districts in Minnesota, effective immediately, will be officially designated by new numbers, Miss Jennie Frost, Lyon county superintendent of schools announced today.

The action, under Chapter 947, article 1, section 2 of the 1937 Minnesota legislature, will give all districts a number in a state-wide system, replacing the county numbers formerly used.

The program was initiated Sept. 6 by action from the office of Dean Schweickhard, commissioner of education.

A total of 2,760 common school districts in the state will be affected. The numbers for independent school districts run to 896, but, Miss Frost pointed out, each county has been allowed several unused numbers to allow for eventual consolidation of common districts.

Effected by the action will be:

Lyon county	
Independent districts	
Old Number	New Number
46 (Balaton)	411
15 (Cottonwood)	412
8 (Marshall)	413
20 (Minnesota)	414

Sept. 27

Tigers Drop 13-12 Tilt to Worthington High

Last-Half Marshall Rally Fails to Make Up Deficit

After a spotty first half, during which Worthington outplayed and took a 13 to 6 advantage from Marshall, the Tigers came roaring back in the second stanza. But despite the rally, the final score was Worthington 13, Marshall 12.

It took Worthington's Trojan just 10 plays in a sustained drive to draw first blood after the opening kickoff. Halfback Lloyd Phelps ran to his right from the eighty-yard line to cross the goal unopposed. The kick was good and Worthington led 7 to 0.

Marshall fumbled the kickoff and four plays later the Trojans were back on the Marshall five-yard line. But a Worthington player

that thrust.

After this fumble Marshall played its best defensive football of the game, Jim Williams made a crucial tackle on the Worthington 16-yard line when he was not fooled by a reverse. He threw the Trojan ballcarrier for a five-yard loss.

Worthington punted and four plays later Marshall was back on the Trojan 26. A penalty, then a fumble ended this scoring threat.

Again the Tiger defense held and Worthington was forced to kick. After returning the kick to the midfield stripe, the Tigers earned a first down on the 36. A Tiger pass to the 30 was incomplete, but helped

AMONG TIGER DP's—The Marshall lineup will find several new faces, and some old faces in new positions, when they take the field tonight against Luverne at Legion Field. Among those shifting positions as a result of the return of Butch Else and an injury suffered by Dick Ogle will be Bill Carrow and Jim Williams. Carrow will probably see duty at a guard position, while former fullback Williams will probably perform from Carrow's end position.—Daily Messenger photos.

Oct 2

Tiger Line-up Changes . . .

Quarterbacks Hear Squad, Scout Report

Several line-up changes, results of old and new injuries, will be noted when the Marshall Tigers take the field Friday night to tangle with Luverne at Legion Field, Coach George Rindelaub told the Worthington game last week. Ogle broke two small bones on the spinal column, and, although

not in a cast, has missed recent practices and will see very limited action if he is suited at all.

Another player change, on the brighter side for Tiger fans, will be the appearance of Butch Else in the backfield.

Else made his first appearance on the practice field Monday after having missed the first part of the season with a foot injury sustained during summer vacation. Else, according to Rindelaub, will probably see limited action with the offensive unit Friday night. The speedy shifty 165 pounder will probably be running in a halfback spot, Rindelaub indicated.

Luverne, the Tiger's Friday night opposition, will be bringing a comparatively small but very fast and fundamentally sound squad to Legion Field, scout Stu Mc Donald told the Quarterbacks. Watching Luverne play at Tracy last week, MacDonall saw shifty, well-balanced backfield which ran almost at will against the Scrappers. Not overly impressive through the air, the backfield moved easily on the ground, and showed outstanding ability to move around the ends.

Rindelaub indicated that the Tigers would probably primarily utilize a 5-4 defense against the Luverne team Friday night. The next formation effectively stopped Worthington's running game in the second half of last week's contest, and the Tigers will be using it to a great extent again this week.

MUSIC FOR CORONATION BALL — The Marshall High swing band, shown here in a practice session, will provide the dance music at the annual homecoming ball to be held in the high school auditorium following the football game Friday evening. Included in the band, are, left to right, back row, Pat Reese, Butch Else, Dick Ogle, Warren Verdeck, David Simpson, and Danny Lanoue. Front row, Judy Graham, Nicci

Pierard, Marilee Schulz, Bonnie Bladholm, and Sue Grue. At the drums is Bill Carrow, and playing piano is Charles Eubanks. Director of the group is Leo Yorke. During the ball, the queen of homecoming will be crowned by the football captain. The dance will close out the homecoming activities which will begin tonight with the big bonfire and pep fest.—Daily Messenger photo.

Tigers e oppo ve that st any

ing the as the amseth n the ments. ay by block- arriers ole foe l give orrow

s Fri- ve Ti- kfield idouts and

With less than a minute remaining in the first half, Redwood's Cardinals put on a spectacular two-yard touchdown drive covering 90 yards that enabled them to defeat the Marshall Tigers 14-6 in the Cardinal homecoming game Friday night.

The first quarter proved to be able to put on a sustained drive. If there was an edge it would have to be for Marshall as an early fumble recovery by Harry Paradis stopped one Redwood drive and an intercepted pass by "Butch" Else set up Marshall's only successful march of the game.

Norm Meyers drove nine yards into pay dirt early in the second quarter to give Marshall a 6-0 lead. The point after touchdown, an attempted pass, was incomplete and the Tigers were through scoring for the evening.

Fine punting by Bob Peterson kept the Cardinals well contained deep in their own territory until just before halftime with about 40 seconds remaining. Ramseth, Redwood quarterback, took to the air. Fading back from his own ten yard line, Ramseth threw a beautiful strike to Krueger, the left halfback. This play covered 72 yards. On the very next play, Krueger drove the final 18 yards across the goal line and successfully kicked the conversion.

Ninety yards in two plays with time running out gave the Redwood team a 7-6 halftime lead which proved to be the turning point of the game.

The inspired Cardinals returned to the field in the third quarter and on a 42 yard drive scored their second touchdown of the game. The kick after touchdown was again good and the third period ended 14-6 in favor of Redwood.

Still fighting the Tigers began a drive in the fourth quarter with Ahlin, Meyers, and Williams leading the way. An intercepted pass by the alert Redwood secondary halted this final drive deep in Cardinal territory, ending Marshall's final threat.

Rough-tough sock'em football by both teams made this one of the better games of the year.

Redwood playing without its full-back, Chuch Reed, seemed to be as is his absence probably inspired the team to greater heights than if he would have been playing.

Statistics were fairly even in the game with first downs 14-10 in favor of Redwood. The Cardinals completed three out of four passes. Penalties assessed were 30 yards against Marshall and 15 yards against Redwood.

The Tigers travel to Tracy Friday, to renew their traditional rivalry with the Scrappers.

To Have Banquet

Marshall Future Farmers of America will have a banquet on Nov. 5 at 6:30 p.m. in the Holy Redeemer Catholic Church parlors for parents and special guests. The purpose is to give parents information on the FFA and agriculture class.

Dr. L. M. Schugel, veterinarian, will be guest speaker. Dr. Schugel, who is associated with Dr. J. J. Kelly is a past state FFA president.

Richard Polfiet will give his winning state FFA Speech. Julian Waller, art instructor at Marshall High school will give a demonstration on art.

Members will explain some of their FFA activities and work accomplished in their agriculture class. Opening and closing ceremonies will be given by officers.

Oct. 22

Oct. 14

Kids Get Vacation: Teachers to Attend Education Confabs

There will be no school at Marshall Public Grade and High schools Thursday and Friday of this week while teachers attend MEA. The Minnesota Education Association will hold its convention Oct. 24 and 25 and Marshall faculty members will attend the southern district meeting at Mankato.

Merril Olson, Marshall High principal is a National Education Ass'n. delegate for 1937, and Doris Drake Marshall High commercial teacher is a candidate for the executive committee.

The Rev. Robert P. Wright, former pastor of the St. James Episcopal church at Mankato, will give the invocation. Teachers will attend our general sessions during the two days.

In the section "Meet the Delegates" in the programs an excerpt is given on Miss Drake.

"Doris Drake is a graduate of Carleton College and has a business education major from the University of Minnesota. She is an instructor of commercial subjects at Marshall. She has been an active member of the local, county and state associations. She has always been a member of the NEA. She has participated in local, church and community organizations."

Oct 22

MHS, Central Catholic Crown Queens at Homecoming Events

Marshall's two high schools, in their annual homecoming activities this past weekend, featured bands, parades, bon fires (on several occasions—unscheduled ones) pepfests, football and homecoming queens.

Marshall High school, at a Friday afternoon convocation, preceding the parade, named Anita Hahn as Queen of the Day. Shown at the right, at the convocation are, in the front row, attendants Nancy Tilbury, Priscilla Johnson, Queen Anita, crown bearer Jane Johnson, and Bonnie Bladholm. Escorts to the queen and her attendants were, left to right, Dick Ogle, Jim Williams, John Ahlin, Bob Peterson and Norm Meyers.

Queen Anita led the homecoming parade, reigned at the football game, and was officially crowned at the coronation ball Friday night.

Central Catholic, in ceremonies Friday afternoon, officially crowned the statue of the Blessed Virgin as Queen of the Homecoming. Choral renditions and prayers accompanied the ceremony, pictured at the left. Joanne Polman placed the crown on the statue (inset).

Attending Miss Polman at the coronation were Mary Sullivan, Sharon Johnson, Lou Jean Hebert, and Mary Finnegan. Sandra Verdeck was the crown bearer. The Blue and Gold football co-captains, Jim Rogers and Jim Welvaert, escorted Miss Polman during the ceremonies.

Oct. 14

Tigers Win

Homecoming Battle

MHS Romps to 40-13 Win Over Slayton's Wildcats

October 14

An excellent running attack plus exceptional blocking brought a 40-13 homecoming victory to the Marshall Tigers as they "Straightened Slayton" Friday night.

Ahlin and Williams once again paced the Marshall backfield with valuable aid furnished by newcomer "Butch" Else, Norm Meyers,

Karl Salhus, Curt Porter and Dick Benson.

The Tigers took command at the outset early in the first quarter as they stopped Slayton cold on their first series of plays. On fourth down the Wildcats were forced to punt and John Ahlin promptly gathered in the ball and behind good blocking outsped the defenders for a 55 yard touchdown sprint. The conversion was good and Marshall led 7-0.

Again in the first period Ahlin got underway and skirted right end for 17 yards and another marker. Williams again converted and the score was 14-0.

The third touchdown of the first period featured vicious running by Jim Williams, fullback, who literally blasted the Slayton defense apart as he plunged off tackle for the last five yards. Once again Williams' PAT was good and the period ended with the Tigers well out in front, 21-0.

So dominant were the Tigers in this period that all Slayton could show for the quarter, rushing and passing combined was six yards rushing and a minus six for passing. Their total was zero yards and zero first downs.

With the regulars on the bench the second and third stringers played Slayton on even terms throughout the second period. Marshall tallied their fourth touchdown as Benson scored from 13 yards out. The attempted conversion was no good.

Slayton finally began moving against the reserves and tallied a lone marker in the second quarter. Score at haltime 27-6.

Beginning the second half, Marshall's first string went to work again and scored twice more to complete their evening's chore. The first score of the second half came on a pass play. Porter to Peterson, good for 12 yards. Williams again converted to make it 34-6. Meyers, late in the third stanza raced 39 yards for the Tigers final touchdown and the score read 40-6.

Outmanned and outplayed but never quitting, the Wildcats from Slayton added seven points to their score as their fleet back, De Boom, ran 60 yards for their final touchdown. The conversion was good and the score was 40-13.

Marshall's reserves played the entire fourth quarter and they snatched Slayton's first string for the rest of the game.

Statistics proved the margin of victory was no fluke as Marshall had a total of 391 yards rushing and passing to Slayton's 167. First downs were 13-5 in favor of the Tigers. Marshall travels to Redwood Falls Friday evening and will attempt to bring their won-lost record up to 3-3.

Fine line play from end to end, with Bill Carrow leading the way made the homecoming victory easy, as the Tigers played their finest game of the season.

GRINDING THEM OUT—Karl Salhus is shown here as he slipped off tackle and into the secondary Friday night against Slayton. Alone in the secondary with a host of Wildcats converging upon him, Salhus was brought down after a gain of eight yards. The Tigers, in their best game of the season, went on to pile up a 40-13 victory in their homecoming stand.—Daily Messenger photo.

Tigers Travel to Tracy

Oct. 24

along the Sidelines

By DWIGHT COWDEN

Salhus Did Score Against Scrappers

Apologies and further bouquets are in order this morning to a young Tiger athlete, Karl Salhus, for his performance in the Tracy game last Friday night.

We mentioned in a story Monday that Salhus and Williams collaborated on a 40-yard touchdown march in the second-quarter. We also mentioned that Williams made the final scamper into the end zone.

Come letters in the mail this morning, signed by members of the Downtown Quarterbacks club, stating that Salhus, not Williams, went the final leg into pay dirt. Examination of our records still indicates that it was number 31 who made that last run, but, after doing considerable further checking, we find that we were wrong.

The last seven yards to that preliminary touchdown raises the total yards gained by Salhus to 225 for the contest.

We were thinking, to ourselves, as we wrote the story of the game, that it was too bad Karl hadn't tallied at least one touchdown in a contest to which he contributed so much. Our regrets were unfounded.

Oct. 29

Marshall's Tigers will attempt to get back on the winning trail Friday night as they travel to Tracy to meet the downtrodden Scrappers.

In their last outings, both Marshall and Tracy were defeated by their respective opponents. Redwood downed Marshall 14-6 and Tracy lost to Lamberton 27-20.

Tracy boasts a young team composed mostly of juniors and sophomores. Only three seniors are on the starting lineup which indicates that the Scrappers are building for the future.

Tracy's Scrappers will be keyed to a high pitch for the tussle for more than one reason. First, this is Tracy's most disastrous season in many years. So far this season the Scrappers have defeated only one team that being the all-losing Wildcats from Slayton.

Second, Tracy is always up for Marshall and will be seeking their third win over the Tigers in three years. Last year's 7-6 victory for Tracy was a vicious battle with Marshall topping Tracy in all departments except the final score.

Coach Rindelaub has been taking it easy on the boys this week, hoping that by doing so the team will be full of fire for Friday's encounter.

Down field blocking is being worked on and improvement in this department should help Friday night.

Marshall's season record now stands at two wins and four losses. Only the Tracy and Canby game remain to be played.

Tigers Take 13-0 Victory over Tracy Scrappers

Will Close Season Friday Against Lancers at Canby

October 25

TRACY—Marshall High school's Tigers, in a cold contest, marked by frequent fumbles and stiff-fingered ball handling, put together sustained drives of 60 and 70 yards to take a well-earned 13-0 victory over their inter-county rivals, the Scrappers of Tracy, Friday night. The Tigers, playing fine defensive ball and featuring the steady, occasionally brilliant running of Carl Salhus, had two other touchdown drives cancelled out—one on a penalty and the other on a brief mental lapse in the closing seconds of the first half.

The Tigers received the kickoff, but were forced to punt from midfield after picking up one first down. Tracy gained three yards in a series of downs before relinquishing possession on a punt which Allan Forbes returned to midfield from the 32 yard line.

Two plays moved the ball to within one foot of pay dirt, but, apparently assuming time was out after a completed pass play, the Tigers failed to call a time out, and the clock ran its course on the first half before the ball could be put back in play.

Half time score—6-0 in favor of the Tigers.

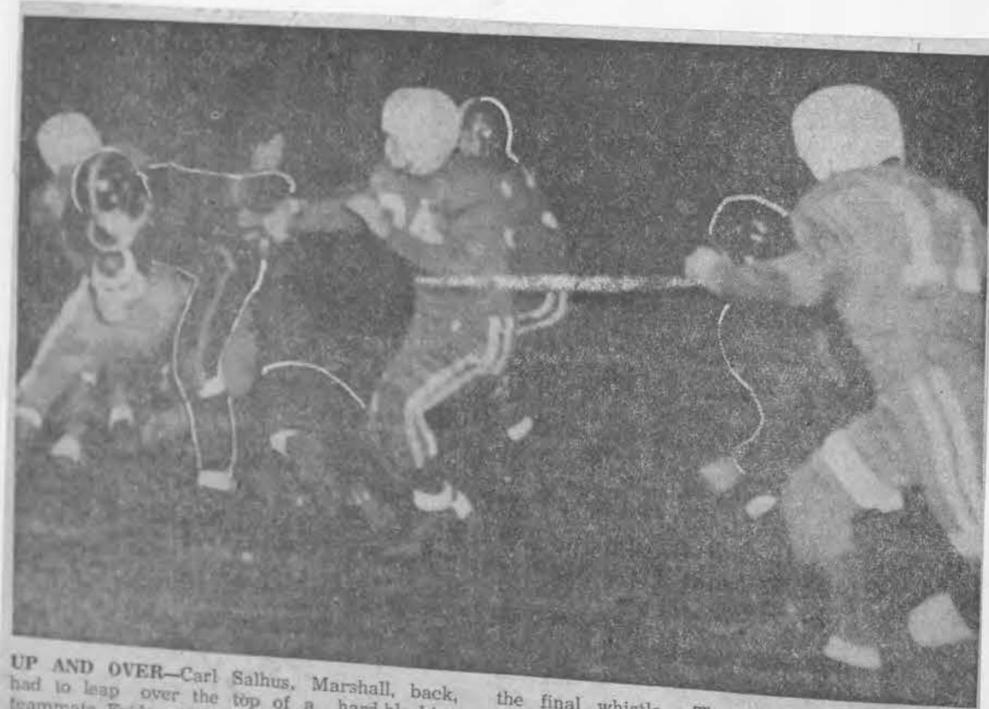

The third quarter was highlighted by a series of punt exchanges, featuring a 55-yard boot by Peterson on which Bill Carrow dropped the Scrapper receiver on the three yard line with a flying shoe-struck tackle. A fumble and a personal penalty nullified the punting advantage held by the Tigers, and they had possession on their own 27 at the close of the period.

A Butch Else to Peterson pass

IN A CUE—When the Marshall High school junior class on stage Thursday night, cast members found a variety of ways to occupy the time during which they were not before the audience. Above, in deep study, are Sally (Michael) Pennington and Virginia (Netty) Rasmussen. Sally is going through her algebra, Virginia is busy studying, of all things, algebra. Candid shots backstage, see page two.—Daily Messenger

Nov. 8

UP AND OVER—Carl Salhus, Marshall, back, had to leap over the top of a hard-blocking teammate Friday night to gain his destination on a point-after-touchdown attempt. The block and the leap were both successful, and the Tigers moved to a 13-0 advantage which they held until

the final whistle. The game, played in sub-freezing weather, which cut down pass attempts and produced a number of fumbles, produced the first victory in three years for the Tigers over the Scrappers.—Daily Messenger photo.

YEA, TIGERS!!—Marshall High School held its annual pep assembly Thursday night in preparation for the homecoming parade, football game and dance today. Townspeople and students alike turned out at Legion Field to

watch the bonfire and ensuing pep rally. Shown here leading the group are the Tiger cheerleaders, Cynthia Stellmacker, Joy Olson, Anita Hahn and Nancy Tilbury.—Scherling photo.

Entertain Canby at Legion Field - - -

Tigers Finish Season Friday

Canby's highly touted Lancers will invade the Tigers lair Friday evening in the seasons final football game at Marshall.

Canby comes to Marshall sporting one of their most impressive records in many years. The Lancers have lost only one game, that being a 12-0 loss at the hands of the Pipestone Arrows in the season's opener.

Since the opening loss, Canby

has run rough-shod over all opposition, collecting the Little Sioux Conference championship in the process by defeating such teams as Madison, Dawson, Clarkfield, and Granite Falls.

Most of Canby's victories have been by lopsided scores including a 40-0 win over Clarkfield. Marshall defeated the same team 18-0. Comparative scores, however, do not prove to be a proper criterion in most cases and the issue will have to be settled on the gridiron.

Last year's contest was a real thriller with Marshall's Tigers coming from behind to win 20-19. The game Friday night could well be a repeat performance of that tussle.

Canby boasts one of the best quarterbacks in the state in the person of young Ron Meade who runs the club in All-state fashion. His deadly passing will give Marshall's defense many anxious moments. Mike Plinske has also developed into a better than average runner and has proven more than once that he can go all the way.

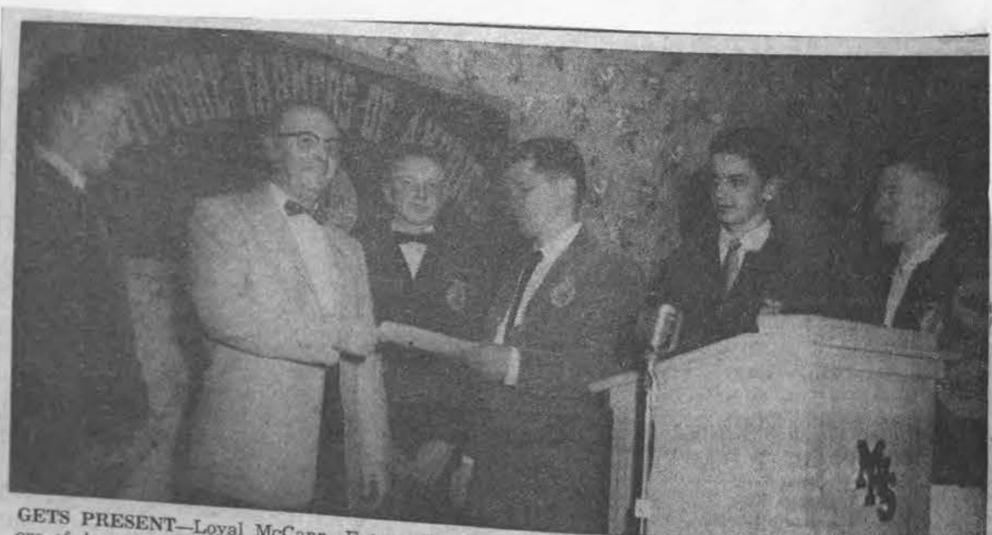

If the flu-bug stays away, Marshall should be ready and waiting for the Lancers. John Ahlin, who was ill and didn't play in the Tracy game, will give the Tigers that break-away threat.

Karl Salhus, a former Canby product, and "Butch" Else have added strength to the Marshall backfield. Both of these boys proved they could go in last week's encounter with Tracy.

This will be the final game for Marshall's seniors. Some of the senior standouts are Bob Peterson, Bill Carrow, Dick Ogle, Richard Mooney, Harry Paradis, Tom Nehis, Jim Williams, Norm Meyers, "Butch" Else, Richard Addison, Curt Porter, John Ahlin, and David Forbes and Gary Asp, student manager, is also graduating.

Barring a bad break in the weather this game should draw the largest crowd of the season with Canby promising to turn out in full force. Game time is 8 p.m. Friday night at Legion Field.

son, John, who is secretary of the Marshall FFA chapter. Others in the picture are (left to right) Glenn Stafford, chapter president; Dean Nysten, reporter; and Bernard Matthys, treasurer.—Daily Messenger photo.

Williams Named to Conference Stars

Marshall's Jim Williams is listed as one of the outstanding players of the 1957 season in the Southwest conference in ratings released today by conference officials.

Says the conference's report of Williams, "Plays all positions—fine blocker—good leader—outstanding defense player."

Williams is a 170 pound senior

★ ★ ★ ★

Jim Williams

who moved from one job to another throughout the season. Spending most of his time at the fullback spot, Williams also saw action at an end position, in the middle of the line and ran occasionally from the halfback spot.

Also included in the ratings were a number of players with squads met by the Tigers during the season. Luverne's Dennis Jorgenson, a halfback who caught a pass again at the Tigers which eventually proved to be a victory margin, is listed. Worthington's Lloyd Phelps, a halfback who scored the winning touchdown in the Trojan-Tiger tilt, is also rated.

Pipestone listed three players, fullback Steve Molger, tackle Wayne Stocker and center Mike O'Connell. Slayton's Wildcats, who were defeated by the Tigers by a 40-13 margin, had halfback Phil Frerk, fullback Dennis Erich, and tackle Bill Eichenger included on the list.

Open House at Public Schools Is Slated Tuesday, Thursday

Open house at the Marshall Public Schools will be held on Tuesday and Thursday evenings. The occasion is National Education Week, which is being sponsored

by the National Education Assn., National Congress of Parent and Teachers and the American Legion.

The Junior and Senior High Schools will have open house Tuesday and the two grade schools (East and West Side) will have their open houses on Thursday.

Rooms will be open for inspection at all schools and parents are invited to meet the teacher and see samples of work that is being done in the various classes.

After a tour of the schools students may take their parents to the lunchroom for a snack. The lunchrooms will be open from 7:30 to 9:00 p.m. for that purpose.

In observance of National Education Week, it was announced, a series of programs will be broadcast from KMHL during the next few days.

Coach Harry Ahlin, Gary Asp, Dick Mooney, Jim Williams and Coach George Rindelaub. Below, from Central Catholic, are, seated, Greg Van Hee, John McKay, Don Wirtz, Jim Rogers and Jim Welvaert. Standing, Donald Mosch, George Davis, Bob Savoie, Gary Murphy, Ron Kerkvleit and Coach Jack Dolan.—Daily Messenger photo.

Tiger Cagers Have Size, Experience

BY DWIGHT COWDEN

Coach Stu MacDonald is working with 14 candidates on the Marshall High school A squad as the team goes into heavy drills this week in preparation for the season's opener Nov. 26. The Tigers will play host to the strong Tyler Danes on that date.

The Tigers have reason to drive hard in their final week of work-out before the opener, for the Danes got the local quintet off to a bad start last season with a 54-48 decision. The Danes look to be equally as strong this year as they were last season.

MacDonald is working with six senior lettermen as a nucleus of his 1957-58 Tigers. Included in the letterwinners back are what MacDonald refers to as his three big ones—Bill Carrow, Bob Peterson and Don Stearns. Carrow and Peterson stand 6' 2½" and Stearns measures 6' 2". All three are seniors. Peterson has lettered twice and Carrow and Stearns both lettered last season.

With the three tall boys will be a pair of senior lettermen guards, Butch Else and Curt Porter. Else stands 5' 8½" and Porter is an even six feet.

The sixth letterman back is Jim Williams, a 5' 10" guard who is expected to see heavy action in a reserve roll.

Five seniors are numbered among the eight non-letterwinners working with the A unit. Included are 6' ½" John Ahlin; 6' Dick James, a transfer student from Willmar; 5' 8" Norm Meyers; 6' Dick Ogle and 5' 9" Gary Asp.

Three juniors, 5' 7" Bruce Dawson, 5' 8" Dick Benson and 5' 10" Karl Salhus, are also included on the squad.

The Tigers, with a good nucleus of returning members from

last year's team, look to be one of the real threats in District this year. Last season the Bengals opened the campaign by being seven of their first 30 days. The last half of the season was an exact reverse, with seven wins in the victory column against the losses. One of the late decisions was a six-point loss to Cottonwood Raiders, eventual runners-up in District tournament action.

The Tigers this year, with poise, height, fair speed and considerably more experience among the units, should be an improvement on last year's club.

while Jeff Moeller, right, rests and watches. Other activity at the school has included a study of fish and their rabbits by the second grade class and a field trip to the mink farm by the fifth grade group.—Daily Messenger photo.

Tigers Win, 76-47, over Danes in Opener

Marshall's Tigers cooked Tyler's Thanksgiving goose last night and gorged themselves on a 76-47 victory in the season's basketball opener.

The feast began early as Marshall spurted to a 20-7 first quarter lead. The Tiger's zone defense seemed to baffle Tyler and good balanced scoring by Marshall's starting five built up a 13 point lead.

Bill Carrow led the way in the first quarter with five points, followed by four each for Curt Porter, Don Stearns, and Bob Peterson. "Butch" Else tallied three in this period.

In the second quarter the Tigers switched to a man-to-man defense and Tyler rallied to score 16 points in this period led by center Les Hansen's six points.

The score at halftime was Marshall 34, and Tyler 23. By halftime three of Tyler's regulars were carrying three fouls apiece.

Beginning the third quarter the Dane sharpshooters started hitting from the outside and midway in the period trailed by only seven points.

Dennis Olsen, Tyler play-maker, and Faaborg, hard-driving guard,

helped close the gap in the Dane's third quarter rush.

Marshall moved back to a comfortable lead, however, when Peterson hit for 11 points. Hansen, Tyler center, carried four fouls through much of the game.

Coach McDonald played his reserves most of the fourth quarter and the game ended with Marshall winning by 29 points.

Don Stearns was low man for the Tiger regulars in the scoring column with eight points but he made up for this with an excellent job of rebounding.

Bill Carrow and "Butch" Else also played excellent ball both on defense and offense. Carrow had 12 points while Else had 10.

Curt Porter also played well setting up many scoring opportunities and tallying 12 points on his own. Bob Peterson topped both teams with his 25 points.

Olsen led the Danes with 13 points, Faaborg had 10 and Peter and Hansen had eight each.

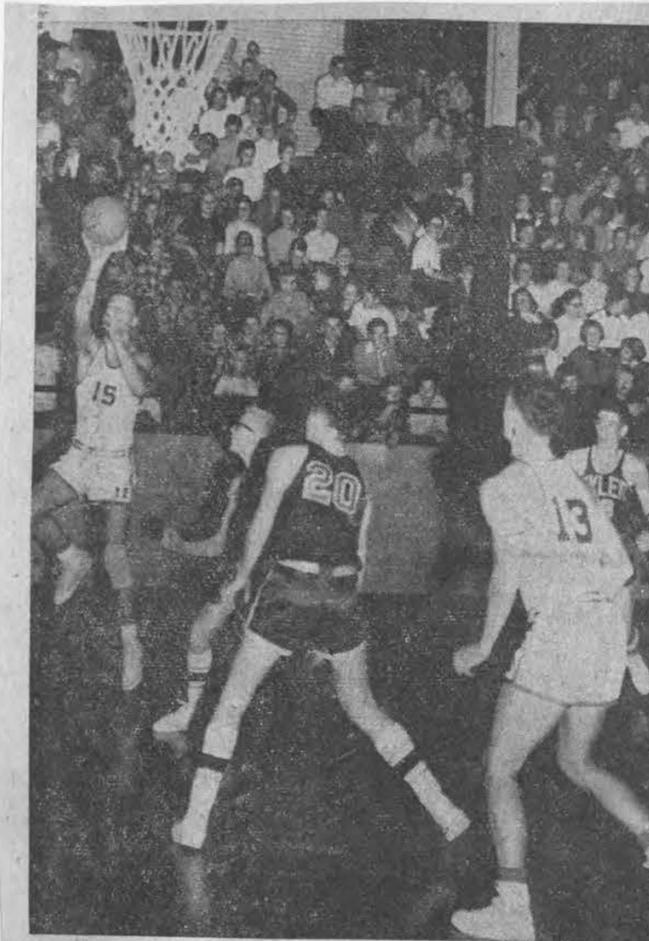

In the preliminary game the Tiger Cubs scored an exciting 55-54 win in double overtime. Lowell "Codge" Johnson led Marshall's scoring with a whopping 33 points. Les Jacobson sank the winning

basket in the sudden death overtime.

ADDING TO THE MARGIN—Bob Peterson's layup late in the third quarter of Tuesday's Tiger-Dane game proved to be much less vital than it appeared at the time. The Danes moved to within seven points, but the Tigers came back to pile up a big 76-47 margin. Watching Peterson move in are Danes Faaborg, Peters and Peterson, and Tiger Don Stearns.—Daily Messenger photo.

M.H.S. Principal To Attend M.E.A. Winter Workshop

Educators from this area who will be attending the December 6-7 Minnesota Education Ass'n., workshop at the Radisson Hotel in Minneapolis include Merrill W. Olson, of Marshall, who is on the MEA School Board committee.

Olson has served on the committee for the past five years. The committee serves as a go-between-between the school boards and the school faculties—carrying the ideas of each organization to the other. Meetings are held several times during the school year. This workshop, two days in length, will try to outline the work for the year.

A. L. Gallop, executive secretary of the 24,000 member MEA stated that the MEA professional staff is ready for the influx of over 200 educational leaders, consultants and guests who will be attending the meetings.

The professional activities of the above committees carry on through out the year and each division representatives on the state committees act as leaders in working with MEA's "grass roots" local MEA education associations.

Attending the workshop as a representative of the National Education Ass'n., will be Dr. Paul Edward Smith, secretary of MEA's Committee on International Relations.

Shoot .500 Against Tyler . . .

Tigers Try Cards Friday

Marshall's Tigers travel to Redwood Falls Friday night in search of their second win of the young season.

Not too much is known about the

strength of the Cardinals this year as this is their first game of the campaign. The Tigers have respect for Redwood though and won't forget last year at Redwood where

Al Krueger put on a dazzling performance to lead the Cards to victory. Krueger is back with the Redbirds this year.

Other veterans on the Redwood team are Jay Kessler, 6' 4" center; and Charles Reed, 6' 0". Redwood's squad is predominantly a junior team.

The Tigers got off to an auspicious start Tuesday night with their 76-47 win over the Tyler Danes.

Great rebounding by Stearns and Peterson kept the Danes in the hole all evening. Defensively Bill Carrow played an excellent game and Curt Porter and "Butch" Else did some good playmaking.

Four of the starters scored in double figures with Bob Peterson leading the way with 25 points.

In the Tyler game Marshall made 31 field goals in 62 attempts and 14 free throws in 24 attempts. This means the field goal shots were 50 percent accurate which is excellent shooting in any league.

Tonight's game should provide the Tigers with sterner opposition and a good game should be in the offing.

AT QUARTERBACKS ANNUAL BANQUET—Marshall's Downtown Quarterbacks club had a crowd of 250 members and guests on hand for the annual banquet held Tuesday evening in the Methodist church parlors. Highlights of the evening included talks by the Tiger coaching staff, representatives of the Tiger football squad, and Butch Nash, end coach at the University of

Minnesota, introduction of letter-winners for the 1957 season, and a film of the Minnesota Gophers in action during the recently completed campaign. Shown here after the meeting are, (left to right) Principal Merrill Olson, Nash, Coach George Rindelaub and Quarterbacks President Lyle Else.—Daily Messenger photo.

Redwood Hosts Marshall in Opener - - -

Cardinals Big, Experienced

With a squad that boasts good height and considerable experience, Coach Phil Hall will send his Redwood Falls Cardinals into their 1957-58 season Friday, Nov. 29, a home contest with the Marshall Tigers.

Hall, in his third season at the

helm of the Cardinal hardcourt fortunes, has six lettermen and three starters back from the 1956-57 squad which posted a 13-9 record through regular season and tournament play. Included among the regulars back this year are guard Al Krueger, 5' 9", forward

Chuck Reed, 6', and center Jay Kessler, 6' 4". Kessler is a junior the other two seniors.

Other lettermen with the squad include senior center Doug Olson, 6' 3", senior guard Cal Strand, 5' 11", and junior guard Jim Cairns, 5' 4".

Working with the A squad are several boys who will add considerable height to the unit Juniors Jim Gelinne and Chuck Reed.

Cardinal Schedule

- Nov. 29—Marshall, home.
- Dec. 3—Morton, away.
- Dec. 6—Glencoe, away.
- Dec. 13—Tracy, home.
- Dec. 20—Olivia, away.
- Jan. 3—Sleepy Eye, away.
- Jan. 7—Morton, home.
- Jan. 10—Sleepy Eye, home.
- Jan. 17—Marshall, away.
- Jan. 18—Arlington at Gustavus Adolphus.
- Jan. 21—Olivia, home.
- Jan. 24—New Ulm, home.
- Jan. 31—Granite Falls, home.
- Feb. 7—Hutchinson, away.
- Feb. 11—St. James, home.
- Feb. 14—New Ulm, away.
- Feb. 18—Walnut Grove, home.
- Feb. 21—Springfield, away.

gel, both six footers, and sophomore Paul Ramseth, 6' 1". Other non-lettermen shooting for a spot on the game squad are juniors Tom Swenson, 5' 7", Jim Knudson, 5' 9", and Les Peterson, 5' 8".

Lost through graduation from last year's team were Al Roalson, Bob Drogosch, George Sundem, Del Hopp and Dennis Knutge.

Assisting Hall in the mentoring duties with the Marron and White aspirants is Bob Thompson.

Doris Priebe, Marshall High School senior, is one of 7500 American students who are semi-finalists in the National Merit Scholarship Corp. contest. The 7,500 semi-finalists outscored some 300,000 classmates in a college aptitude examination given in 14,000 American high schools Oct. 22.

Still confronting Miss Priebe and the other survivors is a rigorous three-hour college board examination to be given in testing centers throughout the country Jan. 11. At least 7,000 of the semi-finalists are expected to survive this second hurdle and make a bid for the 800 scholarships.

Merit scholars may choose their own college and course of study. Value of each of the four-year scholarships varies with financial need of the winner, from a minimum of \$100 a year to \$2,200 a year or more.

Colleges chosen by the winners will receive grants-in-aid averaging \$2,000 per scholar to help pay actual costs of educating the students.

The program was established through grants of 20½ million dollars from the Ford Foundation and the Carnegie Corp. of New York. More than 60 business and industrial firms as well as professional groups, foundations and individuals sponsor the scholarships.

Merril Olson, Marshall High School principal, said this morning that being a semifinalist is a "tremendous honor." The first examinations are given to the top five percent of high school seniors who are interested. Other seniors may take the test but have to pay for it.

In Minnesota only 87 students survived the first round of tests. Miss Priebe was the only one from this area. This is the third year the test has been given in the Marshall school and the first year a student has gone as far as Miss Priebe.

Doris Priebe

Tigers in 2nd-Place Tie in Southwest

Marshall's Tigers, with a single win against no defeats, remain among the four teams in the Southwest conference thus far undefeated in conference action.

The win last Friday over Luverne left the Tigers tied with Windom and Worthington, one-half game behind the fore-running Lakefield team which has posted 2 victories without defeat.

Luverne's Cardinals, winners of their two starts prior to the Friday contest, are tied with Jackson with a 2-1 record. Standings through December 7:

Tigers Battle Lancers to Tight 73-65 Win

Last-Minute Rally Needed after 17-point Margin Goes

After scoring a tremendous 50 points in the first half, the Marshall Tigers had to hang on desperately in the final stanza to win, 73-65, over Canby last Friday night.

In playing one of the finest first halves by any high school basketball team this year, the Tigers, with great team play, built up a 17-point margin over the Lancers and had what seemed to be a comfortable 50-33 halftime lead.

Led by Bob Peterson's 10 points and Bill Carrow's eight, the Tigers were off to a flying start. Excellent rebounding by Curt Porter also aided in the initial canto as Marshall led 26-17 at the first quarter stop.

Balanced scoring from all of the Tiger starters, plus two field goals by Karl Salhus helped Marshall

outscore the Lancers in the second period by a 24-16 margin. In this quarter Ron Craigmile and Mike Plinski kept Canby in the game with 8 and 6 points, respectively.

The furious pace of the first half seemed to take something out of the Tigers, as Canby came storming back in the third and fourth quarters.

Fine playmaking by Ron Meade, and the sharp outcourt shooting of Plinski and Craigmile aided the Lancers in their effort to overtake the MacDonald men. The score was narrowed to 62-50 when the final quarter began.

Bedlam broke loose as Canby continued to close the gap, aided by a number of Marshall miscues. The Lancers were breathing down the Tigers neck 69-65 with two minutes to go when "Butch" Else sunk two vital free throws to once again give the Orange and Black a 6 point spread.

Bill Carrow sank the final basket to end the scoring with Marshall on top, 73-65.

Stearns, Peterson and Porter, did some fine rebounding, especially in the first half. Carrow also led Marshall in scoring with 21 points. Other Tiger starters to hit the hoop were Peterson with 15, Porter 12, Stearns 10, and Else 9.

For Canby, three players hit double figures; Milse Plinski had 18, Ron Craigmile 17, and Ron Meade, 11.

Canby's 'B' team defeated the Marshall Cubs 52-32.

The Tigers play Slayton at home Friday and then travel to Montevideo Saturday to do battle with the Mohawks.

To Resume Old Rivalry - - -

Tigers Meet Canby Friday

Friday night marks the resumption of the Marshall-Canby rivalry as the Tigers take to the road for the second time this season. In their first away-from-home game, the Tigers were downed by the strong Redwood team 70-64.

In both of Marshall's home games the Tigers have won.

This will be a test to see if they can win on the road.

The Tigers have won going away. This will be a test to see if they can win on the road.

The Tigers have proved in their first three games that they can shoot with the best of them. Then field goal percentage has been 43

percent over this stretch on the basis of 77 field goals in 176 attempts. The opponents have shot at a 34 percent clip.

In the free throws the MacDonald men have converted 57 percent of their gift shots compared to 54 percent for the opponents.

Bob Peterson leads in scoring with 55 points followed by Bill Carrow's 45. Don Stearns and Peterson lead in rebounding with Carrow third.

In Marshall's two wins, Curt Porter and "Butch" Else have done a nice job of setting up the plays. At Redwood, Marshall was down in all departments, and mechanical errors led to their defeat.

Canby, so far, has dropped two games and won two. Walnut Grove defeated the Potter-coached team 69-46 and Granite Falls measured them 63-57. Canby's wins came at the expense of Clarkfield 67-42, and Ivanhoe.

High point man for Canby, so far this season, have been Miles Plinski and Ron Craigmile. Other starters on the Lancer five are John Applen, Ron Meade and Tom Olson.

Dec. 11

Tigers Surprised by Hot Redwood Cardinals, 70-64

Dec 2

In a complete reversal of form, the Marshall Tigers dropped a 70-64 verdict to Redwood Falls last Friday night. The actual outcome of the game was not nearly as close as the final score indicated. The Cardinals started with a rush and built up a complete 27-9 lead by the end of the first quarter. Paul Ramseth and J. Kessler led the

scoring in this period with 8 and 12 points respectively.

Led by Don Stearns, the Tigers staged a mild comeback in the second quarter to close the gap to 36-25 in favor of Redwood.

In the third quarter, Redwood once again took command and sewed up the contest when they built their lead to 19 points by the end

of the period. A belated rally in the 4th quarter, after Chuck Reed and Jay Kessler had fouled out, brought the Tigers to within six points as the contest ended 70-64. Bill Carrow led Marshall with eleven points in the final quarter.

Marshall's Tigers looked more as if they were playing their first game than the Cardinals. Numerous mechanical errors and bad passing featured Marshall's sputtering attack.

Bob Peterson, Tiger center, was held to one field goal by Chuck Reed and ended the evening's scoring with only five points.

Paul Ramseth, Cardinal sophomore, led Redwood's scoring with 19 points, followed by Kessler's 16 and J. Cairns 10.

Marshall's leaders were Bill Carrow and Don Stearns with 17 and 14 respectively. Tiger reserves Jim Williams, Dick James and Bruce Dawson played good ball but the game was already out of reach when they entered the fray.

Redwood's offense, was featured by many fast breaks for easy scores as Tigers errors gave them the ball on many occasions. The Cardinals showed promise of being one of the better teams in this area.

Marshall meets Luverne at home this Friday, Dec. 6.

Tigers in 64-54 Win over Luverne Cards

Led by Bob Peterson's 25 points, the Marshall Tigers mauled Luverne's Cardinals 64-54 Friday night for their second win in three starts.

In what turned out to be a "wild and woolly" contest, the initial quarter gave no hint of what was to come, as both teams started slowly. The first quarter ended 12-12 as Luverne was sinking field goals from out on the court and Marshall was scoring from close in.

Marshall stepped up the tempo considerably in the second period 23-9. Peterson and Carrow led the spurt with 8 and 6 points respectively. The Tiger surge was made possible by guards Curt Porter and "Butch" Else as they repeatedly set up good plays and got the ball into the hole where the big men were waiting to add to the Tiger total.

Luverne's Cardinals made a determined bid to overtake the Tigers in the third quarter as they narrowed the margin to 5 points midway in this period. Larry Rapp, Cardinal forward led the drive with nine points. The third period ended with Marshall leading 50-43.

Scrapping all the way, the Tigers gradually sewed things up in the fourth quarter as Luverne's semi-pros didn't seem to bother Marshall. The final score was 64-54 as Dick James scored the final two free throws after the buzzer had sounded.

The Tigers in getting back on the winning trail, played a good ball game and made a lot fewer mechanical errors than in the Redwood game.

Rebounding by Don Stearns and Bob Peterson was excellent and Bill Carrow again showed giant strides in improving as an around ball player. Guards Curt Porter and "Butch" Else returned to the form they showed in Tyler game as they both did a bang up job with their excellent playmaking.

The Tigers travel to Canby Friday evening in what should prove to be one of the season's better games.

The Tiger Cubs lost their first game in three starts as the Luverne B's defeated them 47-42.

MHS Clothing Drive Ends

By DON OLSON
As the final week of school before Christmas draws near its end Marshall High School students are busily preparing to make a happier holiday season for themselves and others. They call the project "Share your Christmas."

ing drive that annually brings in hundreds of garments. Many of the garments show no trace of wear. (see photo above.)

After the clothing drive ended, Mrs. John Finnegan, school nurse, and Mrs. Odell Halverson and Mrs. G. Gilbertson sorted the clothing according to the needs of the 18-20 families that will receive them.

Then the boxes are delivered to the families by members of the student council. Principal Merrill Olson says that in addition to teaching students a lesson in citizenship, the ones who received the clothing often get a new outlook on life when they feel they are well-dressed.

Another part of the "Share Your Christmas" project is the food and presents enterprise. On Monday members of the student council will deliver Christmas food baskets to needy families. Many organizations in Marshall take part in this charity.

Thursday evening the annual Christmas concert will be presented at 8 p.m. and on Friday afternoon the Christmas convocation will be held. Adults are welcome to attend the convocation, which starts at 2:15, as well as the Thursday concert.

Home room Christmas parties are also planned.

Tigers Carry 3-1 Record . . .

MHS Faces Busy 'Holiday' Load

Marshall's Tigers will carry into a busy schedule of holiday-season games a record of three wins in four outings. They will go against Slayton, Montevideo, Fulda and Worthington during the so-called "vacation."

Slayton will open the vacation fireworks as they invade the Tiger's den Friday night. The Wildcats from down south, in their most recent encounter, lost to a highly-regarded Luverne five 63-51.

Marshall defeated Luverne 64 to 54 earlier in the season.

Not too much is known about Slayton except that they easily defeated Tracy, and lost to Worthington 53 to 51 in a real barn-burner.

Montevideo's Mohawks will greet the Tigers Saturday night as Marshall travels to Monte. The Mohawks are down this year, but in most Marshall-Monte games past performances and past records are thrown to the winds.

It should be a battle royal and a win for either team will be a nice Christmas present for the victorious school.

In their first four games the Tigers averaged 69 points per contest compared to 59 for their opponents Bob Peterson with a 17.5 average and Bill Carrow with a 16.5 average lead the Marshall scoring parade.

Don Stearns and Bob Peterson still lead in rebounding and the guards, Curt Porter and Butch Else have been contributing to the victory parade with their fine play-making.

The other two holiday games are Fulda, here, on Jan. 3 and Worthington, there, on Jan. 4.

Dec 17

Marshall High Christmas Concert Is Thursday at 8

Elementary, junior high and senior high school students from the entire Marshall school system will combine talents Thursday in the annual school Christmas concert.

The program, to be presented in the high school auditorium, will begin at 8 p.m., and is open to the public.

The one hour 15 minute program will be presented by groups under

the direction of Veda Williams, primary and intermediate choirs and G. Ofjen Lee, junior and senior high school groups. The elementary choirs will be accompanied by Jane Henderson, while Sharon Abrahamson will be at the piano with the junior high groups and Bonnie Bladholm will accompany the senior high chorus.

Included on the program will be: Primary choir — O Come, Little Children; Midst the Deep Silence; Willie, take Your Drum and Santa Claus is Coming to Town.

Combined Choirs—It came Upon The Midnight Clear.

Intermediate choir — Deck the Halls; As Lately We Watched; Cradle Song of the Virgin and O, Ye Joyful People.

Junior High Boy's glee club — Break Forth O Beauteous Heavenly Light; The March of the Three Kings; We Three Kings of Orient Are (soloists William Schultz, Darwood Ekness and Hans Johnson); Masters in This Hall and Whence, O Shepherd Maiden.

Senior High chorus—Mexican Christmas Procession; Carol of the Drum; Carol of the Bells and 'Twas the Night Before Christmas. Soloist, Richard Ogle).

Junior High girls' glee club — Come See a Rose That Springeth; The Happy Christmas; What Is This Odour Round Us Flowing?; A Flemish Carol and Sing O Sing, This Blessed Morn.

Senior High chorus—Advent Motet; Lullaby on Christmas Eve and The Cradle.

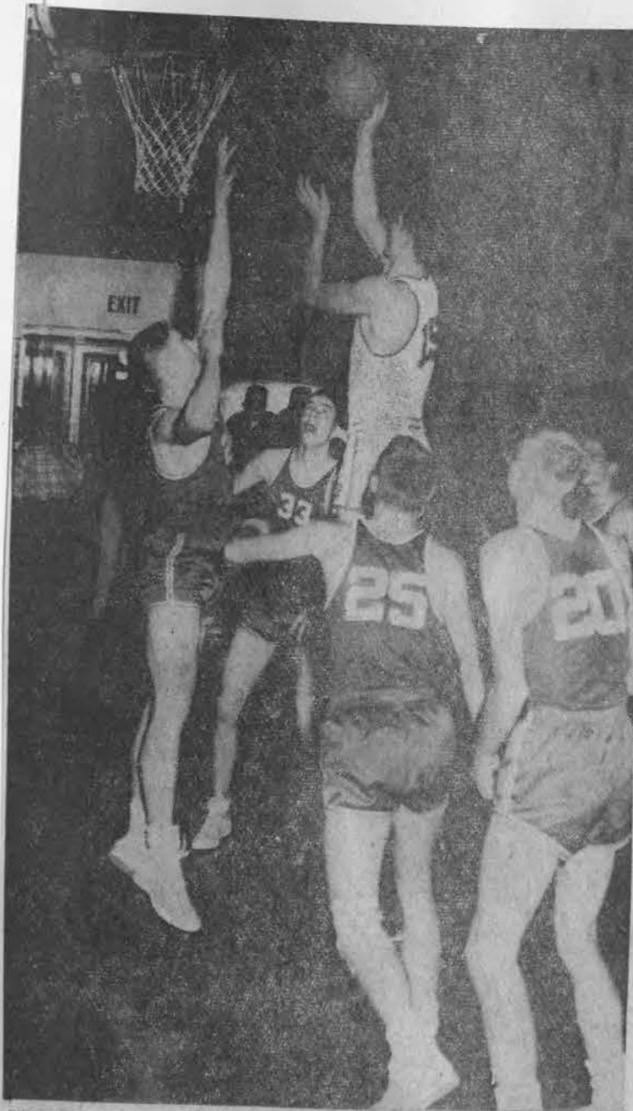

JOY TO THE WORLD—Vocal groups of all ages have been busy throughout the Marshall school system this week in preparation for the annual Christmas concert to be presented to the public Thursday evening at the high school auditorium.

Going through warm-up session here are, foreground, Wendy Hiller and Kim Frayseth of the elementary grade choir, and, in back, Mavis Rust and Dick Ogle of the high school chorus.—Daily Messenger photo.

Tigers Take Two;

TIE-BREAKER — Breaking a 35 to 35 deadlock against Slayton here Friday was Bob Peterson who neatly maneuvered himself into the clear and took an easy little jump shot. This put the Tigers into a 37 to 35 lead which they held and increased through the final period. Peterson appears to be surrounded by Slayton players with no other Tigers in sight. Actually the other Tigers were in close, but were "cropped" out of picture.—Daily Messenger photo.

Dec. 23.

Slayton, Monte Fall to M.H.S. Onslaught

Getting into the holiday spirit, the Marshall Tigers annexed wins number four and five over the past weekend by defeating Slayton, 54-41, and downing Montevideo, 61-42.

In a see-saw contest that saw the Tigers and Slayton's Wildcats exchange the lead several times, Bob Peterson led his team to victory with 24 big points.

Starting slowly, the Tigers found themselves trailing Slayton 12-10 at the first quarter mark Phil Frerk and Tom Pryor sparked Slayton to their early lead as they scored 6 and 5 points respectively in the penning canto.

Curt Porter and "Butch" Else got the Tigers moving in the second quarter as they repeatedly worked the ball into Peterson who tallied 10 big points in this session. Marshall gained the lead shortly before halftime and at intermission led the Wildcats 26-22.

The Tigers cooled off starting the third quarter and could score only six points as Slayton forged back into the lead 35-32 as the final period began.

Marshall scored ten straight points to open the final quarter and was never in danger after that rally.

The game was played mostly along defensive lines and for the first three quarters the Tigers appeared to be losing their second game of the season. Tom Pryor, Slayton forward, led the Wildcat surge for the first three quarters and ended the evening with 18 points.

Bob Peterson with 24 markers and Don Stearns with 10 led Mrshall's coring

Saturday at Monte
Marshall's offense out-spattered Montevideo's attack for the first half and then suddenly came to life in the second session as the Tigers scalped the Mohawks 61-42 for win No. 5 in six starts.

Trying for an upset the downtrodden Mohawks put up a three-man defense to stop Marshall's Bob Peterson and for the first half seemed to succeed. In fact, the anti-Peterson strategy worked amazingly well as the big pivot man was held to a total of two points for the entire game.

In a very low scoring first quarter, the Tigers managed to out-score Monte by a single point as they led 6-5.

Jim Balser sparked the Mohawks with nine points in the first half as Montevideo led at halftime 23-22. Bill Carrow with seven points and Don Stearns with six led the Tiger scoring in the first two periods. Jim Williams aided Marshall's cause with his five rebounding.

The Tigers finally began moving in the third quarter as Curt Porter, Don Stearns and Bill Carrow started hitting. From a one-point deficit at the beginning of this period, Marshall moved 9 a commanding lead of 13 points and led 41-34 as the final quarter began.

The reserves then took over and coasted to the final 61-42 margin.

In commenting on the two games Coach "Stu" MacDonald said that "at best the Tigers played only mediocre ball," in scoring the two victories.

Scoring in the Monte game was fairly well balanced as Don Stearns scored 17, and Bill Carrow and Curt Porter each tallied 15.

High point men for Montevideo were Jim Balser and Roy Minsaas with 15 and 10 points respectively.

Fulda will provide the opposition in Marshall's next home game on Friday, Jan. 3, and on Saturday Jan. 4, the Tigers will travel to Worthington.

The Tiger Cubs split their two games defeating Slayton 40-26 and losing to Montevideo 36-35.

Tigers Face Worthington, Fulda; Dell Rapids at Central

Tigers Win 2;

Marshall's Tigers ended their vacation schedule by roaring to consecutive wins Nos. 5 and 6 over downtrodden Fulda and rough 'n ready Worthington last Friday and Saturday nights.

These two wins give Marshall a season record of seven wins against one loss and put them in some select company in Southwestern Minnesota.

Fulda's Raiders succumbed to the Tigers Friday night by a 58-44 score in a poorly played contest at Marshall.

Once again Marshall played a hot and cold game, starting out with a paltry six points in the first quarter. Fulda bagged 10 in the same period and were valiantly trying for an upset. They might have succeeded except that they simply didn't have the horses.

The Tigers reversed their opening stanza form as they poured 22 points through the hoop in the second quarter, to take a 28-17 halftime lead.

Don Stearns and Bob Peterson kept the scoring parade going in the second half with 11 and nine points respectively.

Coach Stu MacDonald cleared the bench in the last half as the outcome was no longer in doubt.

Ken Van Ourt with 12 points and Harold Overlees with 10, led the Raiders in scoring. Bob Peterson, once again led Marshall's scorers, with 20 points followed by 15 for Don Stearns.

Marshall played a ragged game very similar to the Redwood loss, and if the competition had been a little rougher, the Tigers might well have chalked up loss Number

The Tiger Cubs defeated Fulda's 52-24 to give Coach Glenn Moran's boys another victory.

Improving Trojans To Test MHS at Worthington

Marshall's Tigers return to the cage wars tonight as Fulda invades the local gymnasium at 8 p.m.

Fulda's cagers up to the present are sporting a so-so record but are hoping to improve on it at the expense of the Tigers.

Coach Stu MacDonald's team on the other hand has a five win and one lost mark and is seeking its fifth straight victory.

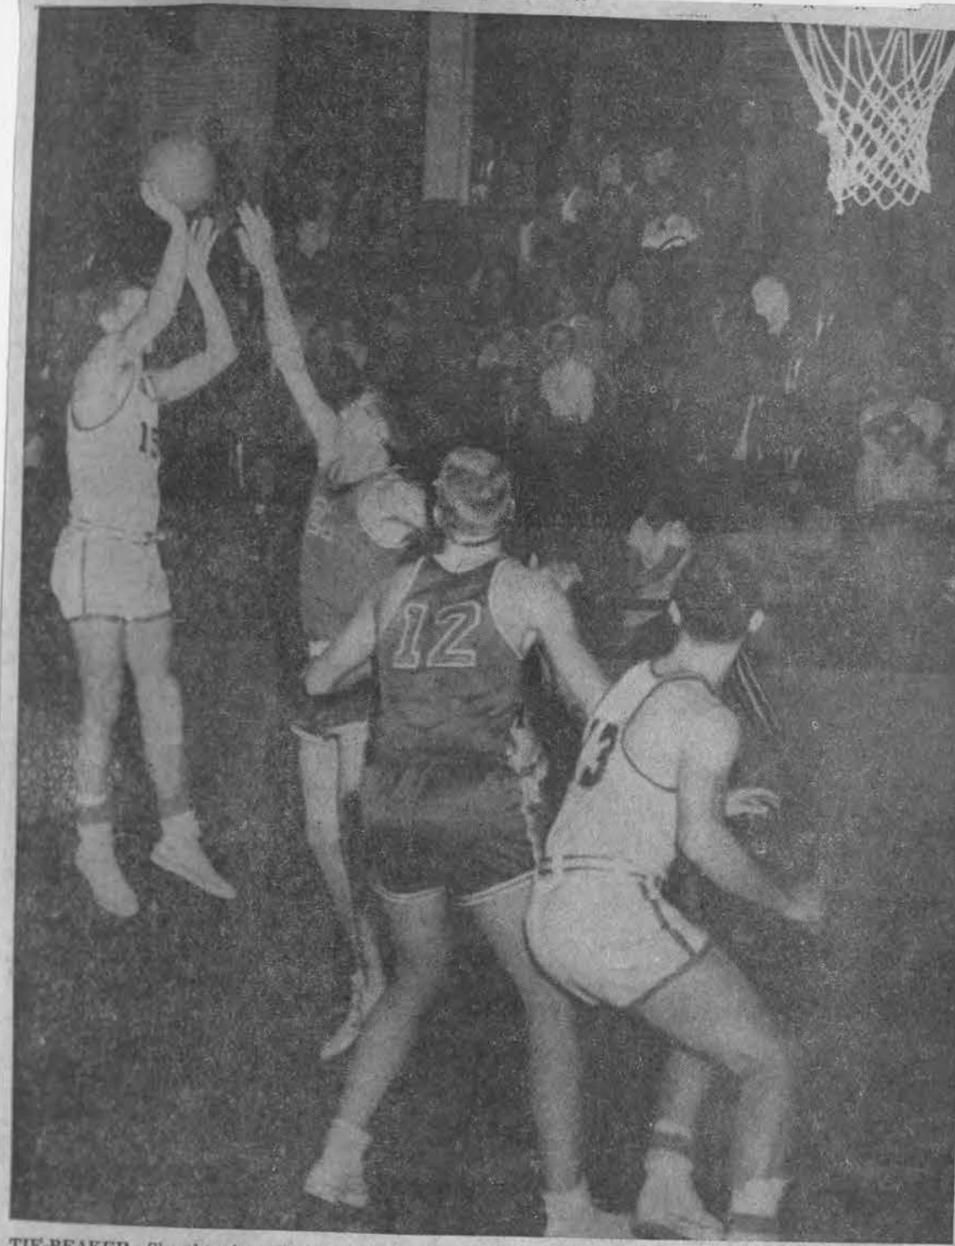

In practice this week, the team has been working very hard and hopes to overcome its tendency to play hot ball for a stretch and then to cool off just as quickly.

This "hot and cold" ball was aptly demonstrated in the Tigers last outing at Montevideo as Marshall started cold, getting only six points in the first quarter, and then warming up to a very respectable 13-point third quarter.

Marshall's probable starting lineup will have Bill Carrow and Don Stearns at forward, Bob Peterson at center, and Butch Else and Curt Porter at the guards.

The B squad preliminary will get underway at 7 p.m.

Tomorrow evening, Jan. 4, the Tigers will travel to Worthington to windup their four game vacation schedule. The Worthington team started slowly, but has been coming fast and should give Marshall a severe test in Southwest Conference play.

TIE-BEAKER—Shortly after the start of the second half here Friday, Tiger center Bob Peterson took a pass under the basket, dribbled into the free throw lane and took a turn-around jump shot which broke the 21-21 tie. The Tigers went on to win the game with the Tracy Scrappers 50 to 39. In position to rebound is Don Stearns, No. 13. —Daily Messenger photo.

Else Gets 17 in Tiger's Win over Vikings

Led by Butch Else who scored 17 big points, the Marshall Tigers sank the Vikings from Minnesota 56-46, Saturday night.

The Tiger guards for the second night in a row played well as Curt Porter and Butch Else totaled 27 points to take the pressure off Marshall's front line.

Minnesota kept the contest fairly close during the first half as Steve Kjorness and John Stalpes scored 10 and seven points respectively and trailed by five points, 26-21 as the half ended. Else had 12 for the Tigers. The Tigers began pulling away early in the second half and Coach Stu MacDonald played his reserves for more than a quarter.

Minnesota had a lot of trouble with the Tiger defense in the last period, as only Dennis Fier was able to dent to scoring column with any regularity. Fier had four field goals and 10 free throws for 18 big points in the final half.

Fouls played havoc with the Minnesota regulars as three of the starters fouled out in the second half.

Butch Else with 17 points and Bob Peterson with 16 led the Marshall scoring parade.

Dennis Fier's 19 points topped Minnesota's scorers followed by Jon Stalpes with 13 and Steve Kjorness who garnered 10.

The Tigers should have no trouble in getting in the mood for next Friday's tussle as the Redwood Cardinals' come to town fresh from a 67-41 victory over Sleepy Eye. Sleepy Eye had previously defeated Redwood 46-43 to hand the Cardinals' their only loss.

Minnesota 'B' team downed the Tiger Cubs in a close game, 34-30.

MHS Breaks Tie at Halftime, Downs Tracy 50-39

Marshall's Tigers continued their winning ways as they rang up consecutive wins Nos. seven and eight and their ninth victory in 10 games as they rolled over Tracy 50-39, and Minnesota 56-46 in weekend action.

These last two wins give the Tigers a record of four wins and no losses in District Nine competition. Previous wins in district play were at the expense of Tyler and Canby.

Free throws were the important weapons as the Tigers downed Tracy's Scrappers 50-39 Friday night. Shooting gift shots at a 70 percent clip proved to be the big difference as the Tracy Scrappers matched the Tigers from the court with sixteen field goals each.

In the first half, which ended at 21 all, Tracy garnered eight field goals to six for Marshall, but the Tigers kept things even by scoring nine free throws to five for the Scrappers.

Bill Carrow and Bob Peterson led the scoring in this half with eight and seven points respectively. Dennis Ravers with four field goals and a free throw totaled nine points for the Scrappers.

The determined Tigers began pulling away at the start of the second half, Bob Peterson leading the way. Bill Carrow fouled out early in the third quarter but Jim Williams did a fine job as his replacement with four big points.

The Scrappers tried gamely but the determined Tigers were not to be denied. Marshall's guards, Curt Porter and Butch Else totaled 10 points in the second half, while Bob Peterson assured the victory with 13 points in the final session.

Bob Peterson led the scoring with 20 big points, while Dennis Ravers with 13 and Gary Sheets with 11 led the Scrappers.

Tracy's B's defeated the Tiger Cubs 40-31.

Redwood's big guns are Paul Ramseth, who scored 19 against Marshall, Jay Kessler, Jim Cairns, Al Kruger, and Chuck Reed.

In their first clash, Reed held Bob Peterson to a meager five points and he will be attempting to repeat that performance.

Also in the first game, it was Don Stearns who carried the load on his shoulders by scoring 14 big points and doing an excellent job of rebounding for the Tigers. A similar performance by Stearns would greatly aid the Tigers cause.

Marshall's guards Butch E. I. s. e and Curt Porter have been picking up some of the scoring slack in recent games and this also should make Marshall a better ball club. Else topped the Tigers with 17 in the Minnesota game.

Bob Peterson paces Marshall's scorers with 169 points in ten games for a 16.9 average. Bill Carrow is second in scoring with 127 points and is also improving fast in the rebounding statistics.

Marshall has averaged 62 points per game to the opponents 50 while Redwood has scored 67 to the oppositions 56.

Redwood Falls invades Marshall Friday night in what promises to be one of the outstanding games of the basketball season. This game ranks second only to the Willmar-Granite Falls clash at Granite Falls Saturday night.

Led by Jay Kessler, big pivot man for the Cards, Redwood is sporting a seven won-one loss record, while the Tigers have a 9-1 season to date. Both teams are rated as dark horse candidates in Region 3 basketball circles.

In their first encounter, earlier this season, the Cardinals downed the Tigers 70-64. This contest was played at Redwood and the Tigers effort was no better than average.

Tracy is the only common opponent both teams have met and the comparison of scores is all in favor of Redwood. The Cards downed Tracy 77-39, while Marshall took the Scrappers 50-39. It must be said in Marshall's favor though, that Tracy was a much improved club when they met the Tigers.

It should also be remembered that ball games are not won by comparative scores but on the basketball court.

Tigers Seek Revenge Against Redwood

Jan. 16

HOOK SHOT — Southpaw Bill Carrow, Marshall high cager, is virtually alone as he goes up for a hook shot against the Redwood Falls Cardinals here Friday. The Cards defeated the Tigers for the second time this season 54-45. In position to rebound is Bob Peterson (No. 15). Daily Messenger photo

MHS Drops 2nd of Season to Redwood, 54-45

Marshall Tiger's had their eight game winning streak snapped 54-45 by the Redwood Falls Cardinals Friday night as a cold third quarter led to their downfall.

This was the second defeat for Coach Stu Macdonald's cagers and both losses have been administered by the Cardinals. The Tigers record is now nine wins and two losses.

The third quarter proved to be the Tigers undoing as Redwood outscored the locals 17-9 to stretch their slim one point halftime lead to a respectable nine points which loomed ever longer as the fourth quarter progressed.

Redwood's cagers played good steady ball as all five regulars scored in double figures. Paul Ramseth, soph forward, led the Redbirds with 12 important points, followed by Charles Reed and Al Krueger with 11 each, while James Cairns and Jay Kessler counted 10 a piece.

The game started out as a saw-saw affair with both teams exchanging baskets. For the first two quarters it appeared to be a n-y-body's game.

Bob Peterson led the Tigers in the first quarter with nine big points and also aided in the rebounding. Don Stearns added three points along with his excellent rebounding department. The first quarter ended with the Cardinals leading 14 - 12.

Marshall outscored Redwood 12-11 in the second quarter as Bill Carrow poured in four field goals. The halftime score was 25-24 in favor of the Cardinals.

Al Krueger with three buckets, two on drive-ins led the Cards on their third quarter surge that actually settled the issue as they led by 11 points just before the end of the period. The quarter ended with Redwood out in front 42-33.

The Tigers tried gamely to get back into the contest in the last stanza but in playing a ragging, pressing defense, Chuck Reed was able to score two easy lay-ups which sewed things up for the Cardinals.

Both teams played good steady basketball and both clubs are still capable of going somewhere in their respective districts.

Marshall's scoring leaders were Don Stearns and Bob Peterson with 12 each and Bill Carrow who scored 10.

The Tigers, conference leaders, travel to Pipestone Friday to battle the Arrows in a Southwest Conference tilt.

The Tiger Cubs lost a thriller to the Redwood B team by a 32-31 score.

Tigers Trek to Pipestone for Conference Tilt

Jan. 20

Marshall, on the other hand, will go with its all senior lineup of Peterson, Carrow, Stearns, Porter, and Else. The Tigers have a 60 point average for their eleven games, but the past three games they have slipped to a 50 point average compared to the opponents 46 markers. In other words, the situation has been uncomfortable.

Coach MacDonald and the team have been working hard all week and hope to be able to rectify this situation at Pipestone tomorrow night.

Pipestone's Arrows will play host to the Marshall Tigers Friday night as the MacDonald men seek to get back on the winning trail after their 54-45 loss to Redwood Falls last weekend.

This will be the Tigers' sixth southwest conference game. Marshall tops the conference standings with a 5-0 record followed by Jackson (6-0) and Luverne (7-2).

The Arrows from Pipestone are tenth in the conference with a 1-6 record. In their last outing, Luverne manhandled the Arrows 85-58.

Pipestone is a better team than its mediocre record indicates. They are building for the future as their sophomore-junior studded lineup indicates. Sophomore Bob Glasrud leads their point getters with a 15 plus average per game. Sid Bostic and Jim Palmer have been giving him able support as they rate second and third in the scoring column.

Peterson Sets MHS Record in Pipestone Rout

PIPESTONE — Bob Peterson, with a record shattering 39 points, led the Marshall Tigers to a dazzling 89-75 victory at Pipestone, Friday night. The 89 points scored by the Tigers constitutes their highest scoring total of the season.

Peterson's 39 points in a single game broke the Marshall record held by Howard Bennett, who scored 31 against Montevideo in 1953. For sensational offensive performance Peterson sank 16 field goals in 20 attempts and converted seven of 12 free throws in about 24 minutes of actual play. He was taken from the game early in the third quarter when it appeared the Tigers had a commanding lead. The lead shrank from 20 to seven points until he reenlisted the game. In the last five minutes, Peterson tallied 14 big points.

Defense was thrown to the four winds from the opening buzzer to the final gun as the theme of the game was strictly "run and shoot."

Both teams shot at a torrid rate from the very beginning as Bob Glasrud potted the first basket to give the Arrows a 2-0 lead. The lead changed several times during the initial stanza with Marshall on top 19-18 at the end of the quarter.

Peterson and company warmed up in the second quarter to score 26 big points, 14 by the Tiger center. Fine ball handling and excellent feeding by Curt Porter and Butch Else enabled Peterson to score at will. The halftime score was 45-30 in favor of Marshall.

The Tigers built the margin to 20 points in the third quarter when the score read 66-46. At this time, Jim Palmer Pipestone guard took charge and led the Arrows in a gallant comeback attempt.

Coach Stu MacDonald had Peterson, Else and Porter on the bench until the situation got dangerous with Pipestone trailing by only seven points, 73-66, with about five minutes to go.

The regulars went back in and Peterson promptly went to work with excellent assistance from the other four regulars and built the margin back up to fifteen points. Jim Palmer scored 14 in the last quarter for Pipestone.

Palmer led the Arrow scoring with 29, followed by Bob Glasrud's 14, and Sid Bostics 13.

Marshall's high scorers were as follows: Peterson, 39, Porter 15, Bill Carrow, 12 and Else 12. New found bench strength was also discovered as Dick James came through with a fine show in rebounding and ball handling. James

Beats Old Mark

Bob Peterson

scored six points, two baskets on fine drive-in shots.

The Tiger Cubs defeated the Arrow B team 43-34.

Marshall travels to Tracy Friday night for a return engagement. In the first tilt Marshall defeated the Scrappers, 50 to 39.

Nicci Pierard Selected MHS "Homemaker"

The Betty Crocker Homemaker of Tomorrow in Marshall High school is Nicci Pierard, daughter of Attorney Bruce Pierard, 507 Saratoga, Marshall.

She received the highest score in a written examination on homemaking knowledge and attitudes, administered Dec. 3, to senior girls in the graduating class. Her examination paper will be entered in competition to name this state's candidate for the title of All-American Homemaker of Tomorrow and will also be considered for the runner-up award in the state. For her achievement, she will receive an award pin designed by Trifari of Paris.

The national winner in the fourth annual Betty Crocker Search conducted among 327,000 young women in 11,800 of the nation's public, private and parochial high schools will be named April 17 at a banquet in the Waldorf-Astoria Hotel in New York City.

General Mills is sponsor of the program designed to assist schools in education for home and family living. This year's huge entry brings the four-year participation over the million mark. A total of 1,071,000 girls has enrolled in this national homemaker project since it was launched in 1955. A total of \$106,000 in scholarships will be awarded this year.

Each State Betty Crocker Homemaker of Tomorrow will receive a \$1,500 scholarship and an educational trip with her school advisor to Washington, D. C. colonial Williamsburg, Va., and New York City. A \$500 scholarship will be awarded the second ranking girl in each state. The school of the state winner will receive a set of the Encyclopedia Britannica.

The scholarship of the young woman named All-American Homemaker of Tomorrow will be increased to \$5,000. Girls who rank second, third and fourth in the nation will receive \$4,000, \$3,000 and \$2,000 scholarships respectively.

New Teacher Hired for Rest of Year

Dorothy Flemming, Minneota, has been hired by the Marshall Board of Education as a replacement for Phyllis Snare whose resignation also was accepted.

This action was taken at the regular school board meeting last week.

Miss Flemming's contract starts March 10 and will continue for the balance of this school year.

Jan 30

Doris Priebe

Doris Priebe Is 1 of 1074 in Scholarship Test

Doris Priebe, representing Marshall high school, has become one of the 1,074 candidates for Westinghouse scholarships and awards by scoring high on the examination given.

To discover 40 top young research scientists in the nation, the judges also evaluated school records, teachers' recommendations and 1,000-word reports on scientific research projects written by the candidates.

The 40 winners will be invited to attend the all-expense paid Science Talent Institute in Washington, Feb. 27 to March 3 where they will meet outstanding scientists, visit scientific laboratories, and confer with the judges. At the conclusion of the Institute, the winners of the \$34,250 in Westinghouse Science Scholarships and Awards will be announced.

The 40 winners, as well as 260 DORIS PRIEBE

Tracy To Entertain Tigers There Friday

"It will be a real tough ball game." These are the words of Tiger Coach Stu MacDonald as he prepares his cagers for their Friday night trek to Tracy.

After three comparatively cold

games against Tracy, Minneota and Redwood Falls, the Marshall cagers warmed up considerably against Pipestone last week when they hit 89 points for their season high.

Bob Peterson's 39 record breaking points led the way.

The Pipestone game seemed to prove the theory that if you have good men up front, it will pay off point-wise and percentage-wise to get the ball into the hole and let the big men put it in.

Bob Peterson has been shooting field goals at a 68 percent clip this season and Bill Carrow's 45 percent ranks second on the Tiger squad.

Although Marshall's guards are shooting at a respectable clip, 42 percent for Curt Porter, and 44 percent for Butch Else. Coach MacDonald points out that some nights this percentage is way down and at other times it is higher than average.

It is difficult to be consistent from out on the floor. The danger in letting the guards shoot too much is that a missed shot from the outside may result in surrender of possession of the ball.

Besides having a better percentage shot in the first place, a missed shot by one of the post men usually gives him a chance for a tip in or recovery of the ball in many cases. In other words, the chances of scoring a basket are much greater from in close.

The ball feeding by Porter, Else and Stearns has been very good and continues to show improvement. Greater mobility by the post men would result in even more scoring opportunities for them.

Coach MacDonald wants his guards to shoot when they have good shots as this tends to draw out the defense. This was proved last Friday as both Porter and Else shot at a 50 percent rate and Peterson shot at an 80 percent.

Getting back to the Tracy game, the Scrappers are not push-overs as Tiger fans should know. Tracy was in the game all the way and lost by only a 50-39 margin in the first Tiger-Scraper encounter. In their last outing, Tracy defeated Springfield.

High point men for Tracy in the first game were Ravers with 13, and Sheets with 11. Peterson held Tracy's high scorer without a point for the first three quarters Solseth finally managed to get six points in the fourth period.

Peterson's 18.3 average tops Tiger scorers followed by Carrow's 12.4 per game.

The game is a District Nine Contest and helps determine the ratings for tournament play.

Jan 30

honorable mentions, will be recommended to the leading colleges and universities of the nation. Most of these will receive thousands of dollars in scholarship offers.

Many additional students will win recognition and awards in State Science Talent Searches which are conducted by 31 states and the District of Columbia.

The Science Talent Search is one of two annual events conducted and supported by Westinghouse Educational Foundation. The others is the National Science Fair which will be held in Flint, Mich., May 7 through 10, 1958.

Feb. 3

Tigers Claw Tracy 44 to 37 in Final Seconds

TRACY—Marshall racked up win No. 11 in a low scoring ball game as the Tigers defeated the Tracy Scrappers, 44-37 here Friday night.

As Coach Stu MacDonald had predicted, the game was a "real tough" one and with only 1½ minute remaining, the score was tied at 37 all.

The Tigers had difficulty finding their usual shooting range and appeared tight and tense until the victory was assured with about 25 seconds remaining.

Marshall started fast as they jumped to a 6-0 lead on baskets by Curt Porter, Bob Peterson and Bill Carrow. This six point lead was short lived as Tracy bounced back to take a 7-6 lead led on Dick Solseth's two baskets. The Scrappers led at the end of the first quarter 10-9.

Reserve Dick Johnson replaced Phil Hassenstab in the second quarter and proceeded to lead Tracy to a 23-19 halftime margin as he accounted for eight big points in this period.

Bill Carrow kept the Tigers in the game as he was the only regular able to score with any consistency. Carrow tallied 10 of the 19 points scored by Marshall in the first half.

Outside shooting by Butch Else and Curt Porter slowly started improving as the second half progressed and enabled the Tigers to finally overtake the Scrappers in the third quarter. Marshall led at the end of the third quarter 31-30.

Tracy stubbornly refused to give up and succeeded in tying the score at 37-37 with only a minute remaining. At this point Dick James and Butch Else came thru with three vital free throws.

Butch Else's two gift shots were the result of technical fouls called on the Scrappers. These three free throws gave Marshall a 40-37 lead which they increased to 44-37 at the final buzzer.

Bob Peterson had difficulty scoring mostly because his shots just failed to drop through. Nevertheless, he was high point man with 11 points followed by Bill Carrow and Butch Else who scored 10 each.

Dick Johnson led the Scrappers with 10 points. He was the only player in double figures for Tracy.

This was Marshall's seventh Southwest Conference win and leaves them undefeated in conference play.

Canby's Lancers invade Marshall Friday night in what should prove to be one of the best games of the season.

Glen Moran's Tiger Cubs lost to the Tracy B team 55 to 28.

Marshall ends its regular season Tuesday night as Madison comes to town as a capable substitute for Clarkfield. The Tiger Cubs lost 40-24 to the Granite B teams.

Marshall's Tigers took a giant stride along the comeback trail as the Vaunted Kilowatts from Granite Falls fought desperately to edge by the locals 40-32.

The game was much closer than the final score indicated and with a break or two the Tigers could have handed Granite its third loss of the season. With less than three minutes to go, the Tigers trailed Granite 33-29 and Bob Peterson was at the free throw line with a one and one situation. He missed and that was the game as Granite went into a stall.

Marshall's first bad break occurred with only 1½ minutes gone in the first quarter when Peterson injured his right foot and had to be removed from the game. While Peterson was in the dressing room, the Kilowatts outscored the Tigers 11-3.

Peterson returned to begin the second quarter and from that time on Marshall outscored Granite 26 to 25.

Coach "Stu" MacDonald's team played their best defensive game of the entire season as the Kilowatts were held to their lowest total of the season.

Led by Butch Else, Don Stearns and Bob Peterson the Tigers time and again foiled Granite's offense by blocking shots, intercepting passes and recovering rebounds.

Curt Porter led the Tigers scoring by caging 12 points. Except for Porter's total the Tigers offense was slightly under par. The powerful Kilowatts also had something to do with Marshall's low total as they played their defensive game with zest, also, and out-rebounded Marshall, especially in the first half.

Granite led 15-6 at the end of the first quarter, probably due to Peterson's minor injury at the time.

In the second quarter Marshall led by Porter's seven points closed the gap to 21-19 at the half.

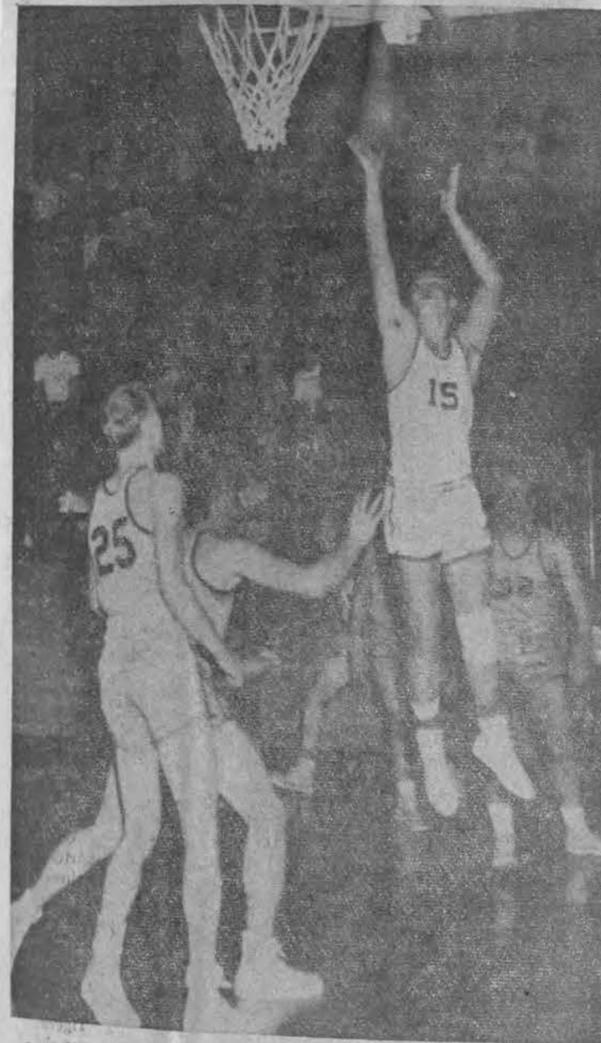

The Tigers tied the game at 21 all and 23 all early in the third quarter before Gilhol put Granite in front to stay with a tip in bucket.

Granite sewed up the contest late in the fourth quarter as Curt Hemmingson scored two easy baskets as the Tigers attempted to break the stall.

Granite took no chances as only one substitute was used throughout the entire contest.

Curt Hemmingson and Roger Cole with 15 each led the Kilowatts.

Bobcats Claw Marshall; Teams Meet in District

Lake Benton's Bobcats clawed their way to a 50-43 victory over the listless Tigers Saturday night to cap a dismal weekend for the local cagers.

The Marshall Tigers started with a roar as they quickly built a 11-2 lead in the first quarter and then just as suddenly the roar turned to a soft purr as the Bobcats came snarling back to overtake Marshall by a 30-27 halftime edge.

Bob Peterson scored four first quarter baskets to get the Tigers off to a good start and then found himself bottled up for the rest of the game. In the last three quarters Peterson was held to two field goals and four free throws.

The two Koster brothers, Jim and Dean, led Lake Benton's first half comeback as they scored eight and ten points respectively. Most of their shots were taken from well out on the court. The halftime score was 27-23 in favor of Lake Benton.

Marshall fell farther behind in the third quarter as Lake Benton controlled the rebounds on both boards. Also, in the third quarter, Jerry Van Eeckhout, scored three timely baskets to take over for Dean Koster who was held scoreless in that stanza.

Once the Tigers fell behind, their spark seemed to leave them and they never really threatened in the second half. The Tigers inability to convert free throws also hurt as they converted only 11 of 24 attempts.

Bill Carrow, injured Tiger forward, did not suit up and this no doubt had a bearing on the outcome of the game.

The Tigers did outscore Lake Benton 12-11 in the last quarter but the issue was no longer in doubt and the Bobcats won 50-43.

Marshall meets Lake Benton in their first District Nine contest on March 3 and the Tigers must now realize they have a man-sized job ahead of them.

The Tiger Cubs won their second game of the weekend as Glenn Moran's boys mauled the Lake Benton 'B's' 49-42.

Hot-Shooting Lancers Hand MHS 3rd Defeat

Marshall suffered its third defeat of the season as the Canby Lancers chalked up a 67 to 57 victory Friday night.

For the Lancers, this was consecutive win No. 11 as they shot at a 56 percent rate during the first half when they hit on 17 out of 30 field goal attempts. The halftime score was 42-29 in favor of Canby.

Bill Carrow and Bob Peterson tried valiantly to keep the Tigers in the game with 11 and 10 points respectively in the first half.

Led by Roger Eischens, Canby seemingly couldn't miss as they stretched a 20-13 first quarter lead into a big 13 point bulge at the midway mark. Eischens tallied 16 big points in the first two quarters. He was ably assisted by Ron Craig-mile and John Applen who scored 10 apiece during the first half.

Marshall's Tigers made a game bid to overtake Canby at the beginning of the second half as they scored eight straight points to trail by only five, 42-47, before Canby once again started to hit.

Bob Peterson led the third quarter rally with four baskets.

The inability of Marshall's guards to hit from the field probably cost Marshall the game. Until the fourth quarter, Curt Porter and Butch Else were able to garner only one field goal apiece.

This gave Canby the opportunity to jam up the post men.

In spite of the traffic jam around Bob Peterson, he was able to score 22 big points to keep the Tigers in the game most of the way.

The Tigers applied the press midway in the third quarter but Canby's 13 point lead was just too much to overcome.

Ron Meade and John Applen fouled out in the fourth quarter as they found the job of guarding Bob Peterson just too difficult.

The final score was 67 to 57 in favor of Canby.

Scoring for Marshall was led by Bob Peterson with 22 and Bill Carrow with 11.

Canby had four men in double figures; Roger Eischens, 22, Mike Plinski, 16, John Applen, 13, and Ron Craigmile, 14.

The loss gives Marshall an overall 11-3 record for the season. Canby now holds a 13-3 record.

Glenn Moran's Tiger Cubs lost the "B" game 59-39.

The Tigers play host to the Pipestone Arrows Friday night and Lake Benton on Saturday night.

Feb. 10

Judy Carlson, Frank Jewett Are Named Girl, Boy Staters

Judy Carlson

Frank Jewett

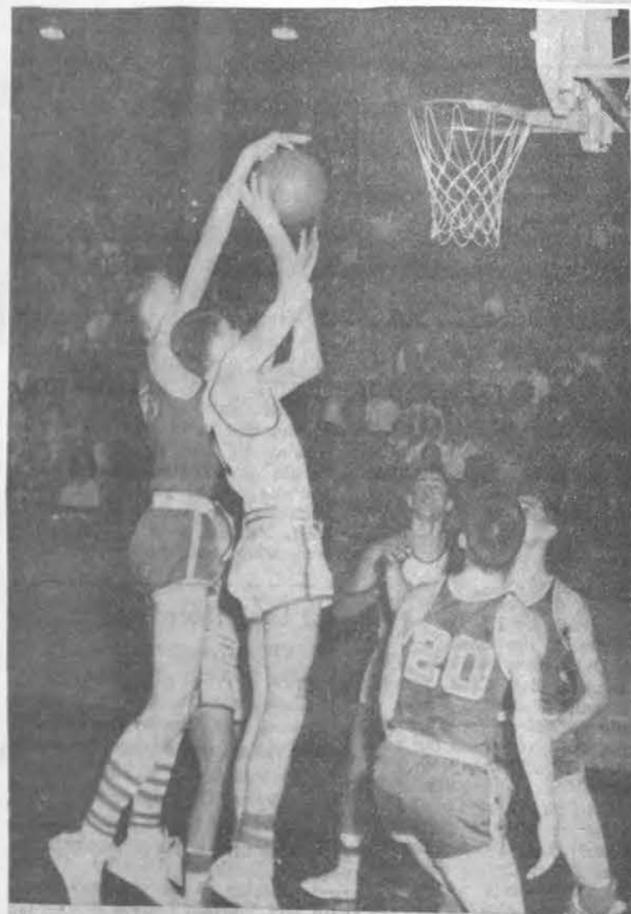

The Marshall High School Junior Class has elected Frank Jewett for Minnesota Boys' State and Judy Carlson for Minnesota Girl's State. Their parents are Mr. and Mrs. Frank Jewett and Mrs. Roy Carlson.

The American Legion Auxiliary is sponsoring its 12 annual Girl's State this year to be held in June 19-26, 1958, at the 4-H Building, State Fair Grounds, St. Paul. Judy Carlson has been active in declamation, band, chorus, badminton, and Student Council. Frank Jewett is president of the Junior Class, and is active in sports and chorus.

Alternate for Boy's State is Dale Allen who has been active in basketball, football, and track. Girls State alternate is Gail Becker who has been active in band, the "Tiger Herald" and Library Club.

Their parents are Mr. and Mrs. Harold Allen and Mr. and Mrs. Leslie Becker.

Feb. 26

GOOD GUARDING—When Dick James, Tiger substitute, drove in for a basket against Canby here Friday night, a long, lean arm reached out knocking aside the ball just as it left James' hand. The arm belongs to John Appien, 6-5 Lancer center. While Appien had success against James and some of the other Tiger cagers, Marshall's Bob Peterson out-manuevered the taller Canby player and dunked a total of 22 points. Canby still won the game, 67 to 57, on a hot and well-balanced scoring attack.—Daily Messenger photo.

Feb. 10

Marshall Meets Highly-Rated Granite Falls

Hoping to shake their late season slump, the Marshall Tigers travel to Granite Falls Friday night to meet the powerful Kilowatts.

The Granite Falls Kilowatts are boasting a 15-2 record for the season. In their list of victories, the Kilowatts have posted wins over such state powers as Brainerd, Alexandria, Canby, Redwood Falls and Sauk Centre.

Granite Falls could be ripe for an upset and the Tigers are hoping to do just that to the Kilowatts.

The three game losing streak is actually the only time all season that the Tigers have been handed more than one defeat in succession.

The return of Bill Carrow should help Marshall's cause. Carrow, the big Tiger forward, sprained his ankle early in the Pipestone game and to further complicate the situation, he has had the flu this week. If everything goes right he will be back in the lineup tomorrow night.

All four other regulars are in top shape and will be ready to go.

Bob Peterson, Butch Else, Da Stearns and Curt Porter, all seniors, will be ready to play their best game of the season.

In fact the majority of the squad is composed of seniors and they would like to hand Granite their third defeat of the season.

History has a habit of repeating itself and Tiger fans are hoping for a repeat performance of last year's tussle. In that game Granite came to town as a heavy favorite and went home soundly defeated.

The Kilowatts are led by big Roger Cole, Curt Hemmingson and Bain Wilson. The Kilowatts have averaged nearly 70 points per game while holding their opponents to about 45 per contest. Granite's only two defeats were at the hands of Willmar and Hutchinson.

Marshall's hopes of springing an upset will require top shooting, fierce rebounding and excellent play in all other departments.

The Marshall-Granite game could develop into the best of the entire season.

Feb. 27

49 M.H.S. Students Compete in Declamation Here Friday

The Marshall local declamation contest has been set up for three rooms Friday starting at 7:30 p.m. A tremendous amount of interest is continuing in declamation in the local school, according to Merrill Olson, principal. For instance, original oratory has four contestants, memorized oratory has nine, and extemporaneous speaking has six. There are all in Room 200.

In the main auditorium will be dramatic with 12 contestants and pantomime with four. In the Little Theater there are nine contestants in humorous and five in manuscript reading. These contestants will be trying for district places.

Everyone is invited to attend. There is no charge.

Contestants are:

Humorous Readings:

Judy Larson, Claire Chadwick, Sally Peniston, Nicci Pierard, Ruth Salhus, Susan Kerr, Diane Skramstad, Lynn Ahlin, Diane Traxinger.

Manuscript:

Jean Milbrandt, Donna Serryn, Virginia Rasmussen, Donna Pop-pick, Judy Carlson

Dramatic:

Linga Castle, Charles Eubanks, Sharon Abrahamson, Betty Hendren, Joan Robson, Pat O'Brien, Ursula Johnson, Judy McChesney, Diane Glenhart, Cathy Ekdale, Judy Graham, Linda Shefvald.

Pantomime:

Jean Hand, Carol Dwire, Sandra Nehls, Marlis DeVries.

Original Oratory:

Kathy Cooper, Virginia Markell, Doris Priebe, Judy Atkinson.

Memorized Oratory:

Janet Wright, Bernard Matthys, Merlin Green, Judy Olson, Susan Atkinson, Gail Becker, Kathleen Buysse, Jan Peterson, Pam Murphy.

Extemporaneous Speaking:

Woody Jewett, Mavis Rust, Richard Addison, Mike Rivard, Toby Hegstad, Len Kragness.

Feb. 27

M.H.S. Students To Compete for Declam Positions

The local Marshall High school declamation contest will be held Friday with more than 50 students trying for places in the district contest to be held here late in March.

The contest will be conducted under the same conditions as the district.

There will be contestants in humorous, pantomime in one section, the dramatic and manuscript reading in another place, and the memorized oratory, original oratory, and extemporaneous speaking in another room.

The main auditorium, Room 200, and the Little Theatre are all in use. The chairman and timer will be in charge of each contest, with judges picking the students to continue on. Three judges will determine the places in each group.

Declamation has flourished for years at Marshall according to Principal Merrill Olson. We were extremely fortunate in our placement last year at the district contest with many of the same students repeating in one area or another. An excellent contest is looked for, he said. "The contestants started in early January working under the direction of individual teachers.

Adults are invited and urged to attend. It will start at 7:30 p.m.

Feb. 23

Band and Chorus —

MHS Mid-Winter Concert Is Slated

Dick Ogle

Marshall High school's vocal and instrumental music departments will ban together Sunday afternoon to present the school's annual mid-winter concert. The program will start at 3 p.m. in the high school auditorium.

In the vocal portion of the program, under the direction of G. Orion Lee, the mixed chorus will sing six numbers. Richard Ogle will sing the tenor solo in "Lord of Spirits."

Other numbers will be "Praise We Sing to Thee," the second movement of "Psalm 50" and "Evening's Pastorale." The chorus will close with "Elijah Rock," and the Rodgers and Hammerstein number, "If I loved You."

Bonnie Bladholm will be the accompanist.

The school band, under the direction of Leo E. Yorde, will open its portion of the program with "Fanfare and Allegro."

The following number, "Dialog for Four," will have parts for four soloists: Mavis Rust, flute; Jean Milbrandt, oboe; Charles Eubanks, clarinet and Sharon Abrahamson, French horn.

"Psalm for Band" will be the next number on the program and "A Step Ahead" and "Die Fledermaus Overture" will conclude the program.

Proceeds from the concert will go to the band fund which will be used to buy uniforms in the future.

Feb. 19

Work Is Picked for MHS Senior Class Play

This year's senior class play at Marshall high school will be "I Remember Mama" by John Van Bruten.

It is taken from the book entitled "Mama's Bank Account."

There will be 22 members in the cast, 13 girls and nine boys. When asked whether they would like to take part in the play 90 percent of the seniors indicated they would. This is unusual, according to Leonard Johnson, who is to be the director.

"The big problem confronting us," he added, "is the Norwegian dialect of the actors. Trials will take place early in March."

This year's one act play for declamation is "Over the Teacups" by Percival Wilde. The four main characters will be played by Joan Robson, Judy Carlson, Nicci Pierard and Janet Wright. L. C. Conyers will be the director.

Feb. 26

Tigers Close Schedule with 60-49 Win over Madison

SNEAK ATTACK—What appears to be a sneak attack on a loose ball in the Marshall-Madison game here Tuesday night (above photo) actually was a mad scramble. While the players were on the floor the ball rolled out of bounds.

Feb. 26

Break Losing Streak Before District Tilts

Marshall's Tigers broke their four game losing string last night as they soundly trounced the Madison Dragons, 60-49, in the last regular game of the season.

Thus, the Tigers ended their season on a victorious note and wound up with a respectable 12-6 mark in favor of the won column. The win over the Dragons should get the Tigers off on the right foot for district tournament play.

Madison took an early lead and held it throughout the first quarter. It looked as if the Tigers were headed for their fifth consecutive defeat until Curt Porter tied the game at 13 all early in the second quarter. Porter along with Stearns led the Tigers to a 29-22 halftime lead.

In this second stanza, Porter scored seven points and Stearns racked up six. Gollnick kept Madison's hopes alive with seven points in the first half.

Beginning the third quarter, Bob Peterson found the mark as he scored 10 big points in this period to stretch Marshall's lead to 45-36.

Peterson, Stearns, and Elze continued to score in the fourth period and with a 12 point lead with three minutes to go, Coach Stu MacDonald emptied the bench. The final score was 60-49.

Don Stearns played his best game of the year as he scored well and did an excellent job in the rebounding department. Peterson, Carrow and James also rebounded well, while the guards played a good floor game.

Peterson topped Marshall's scoring with 21 points followed by Stearns' 14, and Porter's 12. For the Madison Dragons, Mc Coss led the scoring with 15 points and Dick Ehlers had 10. These were the only two Madison players to hit double figures.

Marshall's next game will be in District 9 competition when they meet Lake Benton next Monday at Canby.

Feb 26

In the photo at right the Tiger's Don Stearns makes an under the bucket field goal. He took a pass, dribbled under the basket and hooked the ball over his head for a nifty two-pointer. The Tigers, regaining their early-season form, defeated a good Madison team by a convincing 60 to 49 score. The Tigers now are idle until Monday when they meet the Lake Benton Bobcats in the opening round of the district tournament.—Daily Messenger photos.

March 12

Explorer To Talk at M.H.S. Thursday

C. J. Albrecht, explorer and zoologist, will appear as a lyceum number at Marshall high school, Thursday at 11 a.m.

Albrecht has made research trips and collected specimen on 30 expeditions from the arctic Alaska and Siberia to the jungles of Africa. He has shot big game with a rifle as well as an American bison with bow and arrow.

As a photographer of wild life he was awarded first prize in an international competition on outdoor photography.

Albrecht graduated from the State University of Iowa and served successively on the faculty of the University of Washington, as curator of zoological exhibits in the State Museum in Seattle, and as a staff member of the American Museum of New York and Field Museum, Chicago.

Marshall Girls Compete in Region Music Contest

Ten Marshall area students will take part in the regional division of the Minnesota Music teachers' Assn. contest to be conducted at Tracy Saturday. Two hundred and fifty students are expected to participate in this contest.

Representing Marshall will be

Rosemary Coquyt and Mary Rogers of Central Catholic High school, Jane Henderson and Pam Murphy, Marshall High School, Betty Skorczewski, Laura Lersch and Jean Heinis, Holy Redeemer Grade School; Gretchen Ohlsen and Susan Neisen, Lynd and Jean Charbonneau, Milroy.

Although their are divisions for organ, voice and violin, these students are all entered in the piano division.

Tigers To Meet Madison Here Instead of Cards

Marshall's Tigers were forced to make a schedule change this week which will mean they will play Madison here on Tuesday (Feb. 25) instead of Clarkfield. The Cardinals have to play a sub-district game that night, so Madison was substituted for Clarkfield.

But before the windup game of the season for Coach Stu MacDonald's cagers, Marshall must face Granite Falls on Friday. The highly-regarded Kilowatts will be host for the contest.

Coach MacDonald has his problems getting the Tigers ready for the final two games. Big Bill Carrow, who injured his foot against Pipestone last Friday, is working out again with his injury heavily taped. How strong the foot is, is a matter of wait-and-see.

In other games around the area Friday, Ivanhoe and Hendricks will play what may be as close and exciting a tilt as is on the schedule.

Tracy goes to Balaton for what the Scrappers hope is a breather after a tough bout with Wood Lake Tuesday night, and the Tyler Danes will play Russell's Bulldogs at Russell.

Hanley Falls entertains Maynard Friday and Minneota's Vikings will play the Lake Benton Bobcats in a game to be held at Ruthlon.

Milroy and Belview will tangle to complete the Friday schedule . . . and the season for some teams.

Feb. 19

Feb. 28

Each student is placed in a certain division and chooses a particular selection from the list submitted by officials. Those participants in the regional contest who receive a required numerical score, dependent upon various musical aspects of the performance, are eligible to compete in the state contest to be held in St. Paul March 22.

From state finalists 10 students are chosen from each age group to perform in Northrup Auditorium Minneapolis.

Out of 100 —

23 M.H.S. Students Survive Local Declamation Contest

Twenty-three students in the local declamation contest won the right to represent Marshall High school in the district declamation contest when they received superior rating here Friday night.

The district contest will be held here on March 26.

The remaining 23 represent about a fourth of the more than

100 who tried out for declamation originally.

Those receiving superior rating Friday are:

Original Oratory — Kathy Cooper, Virginia Markell, Doris Priebe, and Judy Atkinson.

Memorized Oratory — Janet Wright, Judy Olson and Susan Atkinson.

Extemporaneous Speaking —

Richard Addison, Toby Hegstad, and Len Kragness.

Dramatic — Charles Eubanks, Betty Hendren and Pat O'Brien.

Pantomime — Jean Hand and Sandra Nehls.

Humorous Readings — Claire Chadwick, Sally Peniston, Susan Kerr and Lynn Ahlin.

Manuscript — Virginia Rasmussen and Judy Carlson.

Tigers Meet Lake Benton

Feb. 28

'Toughest' Slate of District 9 Play Starts Mon.

The toughest eight teams district 9 has fielded in several years will open the district tournament Monday. And the tournament promises to be as thrilling and more interesting than most district classics of recent years.

On Monday night there will be two games played. Wood Lake's No. 1 seeded team will meet the winner of sub-district one at Cottonwood. (The Warriors will be playing either Hendricks' Midgets or the Minnesota Vikings.)

That same night Marshall's Tigers will seek to dethrone defending champion Lake Benton. This game will be played at Canby.

On Tuesday night at Marshall the Canby Lancers, seeded No. 2, will play the winner of sub-district two. (That will be either Cottonwood or Tracy.)

The same night at Minneota No. 4 Tyler will meet the Ivanhoe Eagles, seeded No. 5.

On Wednesday night the winners of the top bracket will play at Canby. This contest will see the winner of the Wood Lake-sub-district one champ playing the winner of the Marshall-Lake Benton game.

On Thursday night the winners of the bottom bracket will play at Marshall. This contest will see the winner of the Canby-sub-district two champ playing the winner of the Tyler-Ivanhoe game.

The consolation game will be played Friday at Minneota and the championship game will be played Saturday at either Marshall or Canby. Before Saturday the exact place of the final game will be announced on this page.

MARSHALL TIGERS—(front) Loren Asp, Tom Nehls, Jim Williams, Don Stearns, Bob Peterson, Bill Carrow, Curt Porter, Clarence Else, and Jerry Baldwin, (back) Bruce Dawson, Norm Myers, Dick Benson, Dick James, Dick Ogle, John Ahlin, Lowell Johnson, Karl Salhus, Gary Asp and Coach Stu Mac Donald.

Marshall's Tigers, third seeded team in the district, are hoping to rebound from their late season slump as they run headlong into Lake Benton Monday.

The Tigers, after playing winning ball for the first half of the season, suddenly hit the skids, losing four out of six before whipping Madison here Tuesday.

The Madison victory came at a good time for Coach Stu Mac Donald's cagers. They needed a pre-tournament victory to restore their confidence. Madison, a team that gave highly-touted Granite Falls trouble during the regular

season, was a worthy opponent and the Tigers' victory means something.

On a given night the Tigers could be tough for any team in the district.

Led by Bob Peterson, the Tigers got off to a flying start by winning nine of their first ten games. The Luverne game was probably the best all around game the Tigers played all year. They stopped the tough Cardinals 64-54 and seemed to really be on their way to an outstanding season.

The next game, the first Canby tilt, saw the Tigers hit their season peak in the first half as they poured in 50 big points while holding the Lancers to 33. In the second half the Orange and Black had to hold on to win by a 73-65 margin.

Redwood broke the Marshall eight game winning streak by trimming the Tigers for a second time 54-45.

Marshall's best offensive game was at Pipestone as the Tigers scorched the nets for 89 points. It was in this game that Bob Peterson set a new individual one game scoring record for Marshall with 39 points.

Since Feb. 7, the Tigers have lost to Canby, 67-57, Pipestone, 65-54 and Lake Benton 50-43. The Granite Falls game on February 21 indicated the Tigers can be tough. Included in the lineup in tournament play. Don Stearns 6'1", and Bill Carrow, 6' 2" at the forwards; Bob Peterson, 6' 2" at center; and Curt Porter 5' 11" and Butch Else, 5' 8" at the guard.

Dick James, 5' 11" and Jim Williams, 5' 10", both seniors are the top reserves. Other members of the squad are Dick Ogle, Gary Asp, and Norm Meyers, seniors. Juniors on the squad are Karl Salhus, Bruce Dawson and Dick Benson.

FFA Team Wins Regional Meet

Future Farmers of America crops judging teams from Marshall and Lake Benton schools were among five winners in the regional

contest at Mountain Lake Saturday.

On the Marshall team are Duane Wyffels, Alan Forbes, Donald Kramer, David Ree, Jim Fuhrmann and Richard Brosseau, alternate.

Teams also winning in the regional 4 contest were from Slayton, Redwood Falls and Okabena.

The crops judging contest consisted of identification of 44 small grain seeds and plants, 40 grass and legume seeds and plants, 70 weed seeds and plants, 16 diseases and judging of 32 grain samples and grading of eight grain samples by official United States grain standards.

The state contest will be held at the University of Minnesota farm campus in May.

Loyal McCann is the instructor of the Marshall FFA team.

March 12

Marshall High FHA Girls Attend Meeting

Shirley Knutson and Kathleen Buysse participated in the all-state chorus of Future Homemakers of America, which sang at the morn-

ing session of the convention March 8 in Minneapolis. The meeting was held in the Leamington Hotel, opening with "Homes Around the World" theme Friday afternoon. There was a symposium panel on "How to Use the Chapter Handbook to Improve your Chapter." Mildred Reel, assistant National Advisor gave one part of the presentation.

Friday evening the banquet was held with 1,000 girls attending. Highlight of the evening was installation of new state officers and conferring of honorary memberships on four adult supporters of FHA.

Reports by state officers were presented in a unique fashion. Using the theme "Rainbow Around the World" they dressed in costumes of various countries and keyed their reports to the traditions and life in the country portrayed.

In keeping with the foreign theme the girls next heard four American field service students, who study in Minnesota High schools from Finland, Norway, Austria and Spain. They told of their homes and responsibilities of family members.

The all state chorus performed at the Friday morning session, with one girl from each chapter included.

The Marshall Group visited Southdale on their way home.

Attending from Marshall were Lynn Ahlin, Josie Boerjan, Myrna Fuhrman, and Kathleen Buysse from senior high school and Mary Fox, Shirley Knutson, Betty Hoffmann and Carla Sponagle from junior high school. Accompanying the girls were Miss Marybelle Hickner and Miss Mary Ellen Marcotte, instructors.

CLUB HAS ROMAN BANQUET—The Latin club of Marshall High school, attired in togas, enjoyed a Roman banquet in the dining room of the junior high school Thursday evening. Seated are Romans Lynn Ahlin, Charles Eubanks and Jan

MHS Students To Show Science Work

An exhibit of student science projects will be given on March 25, in Room 111 of the Lyon St. school. The exhibit will be open to the public from 3:30 p.m. to 5:00 p.m. The ninth grade science students of Marshall high school are planning this exhibit in preparation for entering projects in the State Regional Science Fair at Mankato, on April 5. The exhibits will be judged as to scientific thought and creativeness, with those receiving the highest ratings being eligible to appear in the Mankato exhibit.

March 18

The students have been doing research on their scientific subjects throughout the year. A variety of subjects are expected to be played. Some of the projects already entered are: Broncas Ergine, voice inductance and amzplification. The Bee, Ocean Hopper Short Wave Receiver, and Insulation qualities.

Van Druten Play To Be Presented by MHS Seniors

"I Remember Mama," by John Van Druten, will be presented by the Marshall high school senior class, April 17 and 18.

The cast includes Betty Haugen, playing Katrin; Mary McChesney, taking the part of Mama; Clarence Else, playing Papa; Barb Kelson playing Dagmar; Dick Mooney playing Mr. Hyde; Jim Hardy taking the part of Nels; and Jan Wright playing Trina.

Sue Grue will play Sigrid; Nicci Pierard will take the part of Jenny; Woman will be played by Wanda Thompson and Thorkeon by Tom Nehls; Bill Carrow will play Dr. Johnson; John Henderson will take the part of Arne; Pat Reese and Priscilla Johnson will play the parts of two nurses.

The Clerk will be played by Dick Addison; Nancy Tilbury will play the part of Medeline; Dorothy will be played by June Berg; Moorhead will be played by Bonnie Bladholm; the parts of the Bell Boy and Uncle Chris will be taken by Gary Asp and Dick Ogle respectively.

The scene for the play is set for San Francisco. It portrays Mama's battles with poverty, misfortune, her prying sisters and domineering uncle, as she attempts to bring up her family. There are complicated scenic and lighting effects in addition to complex characterizations and costuming.

PROCLAIMS FHA WEEK — Acting Mayor Harry Knieff proclaimed this week Future Homemakers of America Week. From left to right are FHA members Cathy Eckdale, Kathy Cooper, Knieff, Eunice Bisbee and Judy Olson, all of Marshall High School. The proclamation reads: WHEREAS, the National Future Homemakers of America have designated the week of March 23 through March 28 to be observed as the National Future Homemakers of America Week; NOW THEREFORE, in pursuance of the above recommendation, I do hereby proclaim the above mentioned week to be observed in the city of Marshall as National Future Homemakers of America Week. Dated at Marshall, Minnesota, this twenty-second day of March, one thousand nine hundred and fifty-eight.—Harry Knieff, Acting Mayor. Daily Messenger Photo.

March 26 —

10 Towns To Be Here for Meet

Ten towns, with a possible four representatives each, will attend the District Declamation contest to be held at Marshall high school, March 26.

The 10 towns expected to be in attendance are Marshall, Canby, Lynd, Ivanhoe, Tracy, Lake Benton, Wood Lake, Minnesota, Balaton, and Ruthton.

The four representatives may participate in seven different events, including dramatics, humorous, oratory, original oratory, manuscript, reading, extemporaneous speaking, pantomime. In both humorous and dramatic divisions it is expected that at least 30 will be competing for the two places to go to the regional event.

Starting at 9:30, the contest is held in the following four places: the Methodist church basement, the Federated church basement, the Little Theatre, and Room 200 in the high school.

Prof. Evan Anderson Prof. Ev-

elyn Anderson, Prof. Williams Roberts, and Prof. George Anderson, all of Gustavus will serve as judges.

Each unit will take from four to five hours to compete due to size. This is one of the biggest contests held in District 9.

Two winners in each division will go to the regional contest to be held in Redwood Falls April 10. Two winners in each division there will go to the state contest which will be held at Hamline university in May.

A year ago Marshall earned more "firsts" than any other school.

Leonard O. Johnson is manager of this year's contest.

Homes Around the World Theme of Week for FHA

March 23, 1958

In observance of Future Homemakers of America week, March 23 to 28 members of the FHA at Marshall High School are wearing red and white badges this week to signify their membership. The badges were made by the girls in the home economics classes.

The motto of FHA is "New Horizons" and the theme for FHA week in Marshall is "Home Around the World." This theme was taken from a regional meeting held last summer at Purdue University and the state meeting in March which eight Marshall High FHA girls attended.

Attending were Lynn Ahlin, Myrna Fuhrman, Josie Boerjan, Kathleen Buysse, Mary Fox, Carla Sponagle, Shirley Knutson and Betty Hoffman.

MARSHALL TEAM—Members of the Marshall FFA livestock team that took second in the over-all contest at the vocational agriculture judging contest Saturday are (back, left to right) Alan Forbes, Jim Fuhrmann, Donald Kramer (front) David Forbes and Loyal McCann, class instructor. Courtesy photo.

In Field of 104 Teams —

Marshall FFA Team Wins 2nd

Marshall's Future Farmers of America livestock judging team took second place among 104 teams competing Saturday in the 1958 Invitational Vocational Agriculture Judging contest at Sioux City, Iowa stockyards.

March 24, 1958

David Forbes, a member of the Marshall team, ranked fourth in individual judging in a field of 424 youths from Iowa, Nebraska, South Dakota and Minnesota.

In addition to Forbes, other members of the Marshall team are Donald Kramer, Alan Forbes, Jim Fuhrmann and Juels Carlson is first alternate. The team is coached by Loyal McCann.

Hawarden, Iowa, the team Marshall edged in 1957 when the local team won first place, took top honors in Saturday's competition.

The four-man teams judged eight classes of livestock in the contest. The eight classes were heavy beef steers, light beef steers, beef heifers, feeder steers, market barrows, make gilts, fat lambs and breeding ewes.

The top ten teams in the contest were Hawarden Iowa, 1st; Marshall, Minn., 2nd; LeMars, Ia., 3rd; Inwood, Ia., 4th; Spirit Lake, Iowa, 5th; Okabena, Minn., 6th; Pender, Neb., 7th; Hartley, Iowa, 8th; Webb, Iowa, 9th and Wagner S. D. 10th.

Three \$200 Harry D. Asplead Memorial Scholarships were awarded to Vance Greig, Wendell Schneider and Glen Vollmer, who are seniors. These scholarships go toward the course of livestock marketing at Morningside college.

Blue Ribbon Group: (Order of placing) Hawarden, Iowa; Marshall, Minn.; LeMars, Iowa; Inwood, Iowa; Spirit Lake, Iowa; Okabena, Minn.; Pender, Neb.; Hartley, Iowa; Webb, Iowa; Wagner S. D.; Wisner, Neb.; Hills, Minn.; Sibley Iowa; Redwood Falls, Minn.; Mountain Lake, Minn.; Sioux Center, Ia.; Scribner, Neb.; Luverne, Minn.; Worthington, Minn., and Flandreau, S.D.

High beef teams: Wisner, Neb.; Pender, Neb.; West Point, Neb.; Marshall, Minn., and Webb, Iowa.

High swine teams: Albert City, Iowa; Okabena, Minn.; LeMars, Iowa; Hawarden, Iowa; and Fairmont, Minn.

High sheer teams: Slayton, Minn.; Wagner, S.D.; Hartley, Iowa; Worthington, Minn. and Newell, Iowa.

The contest was sponsored by the Sioux City Market News and Educational Foundation, Armour, Cudahy, Swift and Sioux City Dressed Beef in co-operation with the vocational agriculture departments of the four states.

Jim Kiser of Iowa State college made the official placings.

Joan Lieneman, Ocheyedan, Iowa; Doris Priebe, Marshall; Kathryn Wittebel, Nassau; Gail Rhodes, Ocheyedan, Iowa; and Mervyn Peterson, Tyler; (back) Bernard R. Beeck, Fulda; Richard Eide, Rushmore; Daryle Hein, Browns Valley; and Howard T. Hanson, Currie. Courtesy photo.

GET SCHOLARSHIPS—Several high school seniors from this area were awarded scholarships at South Dakota State college's annual Scholarship Recognition Day Saturday. Shown above with Jim Pedersen, assistant placement counselor and general chairman of the event, are (front, left to right)

LEADS RELAXER — Kathleen Buysse, in Austrian costume, leads relaxer at Marshall High school Friday morning during FHA convocation "Around the World" was the theme of the convocation. Daily Messenger photo.

15 MHS Students Enter Math Contest

Fifteen students from Marshall High school will take part in the ninth annual mathematics contest on Thursday. The contest, which is a two-hour multiple choice examination, is sponsored by the Mathematical Assn. of America and the Society of Actuaries.

Entering competition from here are John Ahlin, Gary Asp, Dale Allen, Susan Boyer, Dick Benson, Clarence Else, Merlin Green, Alan Hoff, Norman Meyers, Marilyn Pechan, Doris Priebe, Dallas Przybus, Karl Salhus, Darwin Schultz, and Virginia Rasmussen.

While the contest is a nationwide event, awards will be presented on the local level also. The top three scores made in each school will be entered as a team score for further competition with other schools.

Last year 43,500 students representing 1469 high schools in 23 states entered the contest.

F. Homemakers End Observances at Friday Convocation

By VAL CHRISTIANSON

"Homes Around the World," was the theme chosen for National Future Homemakers of America week. There was an exhibit in the hall case at Marshall high school and the FHA'ers wore red and white ribbons in observance of FHA week.

In the convocation Friday, it was emphasized that there are 447,292 FHA'ers in 47 states including Guam, Puerto Rico and Alaska. The fact that Japan also had FHA organizations surprised us. This organization is no small one!

The convocation began with a solo, "Bless This House," by Dorothy Bauer. Beliefs of the organization were illustrated with "film strips" on paper and work of the club for the year was reviewed.

Projects on the local line include improving appearance of wash rooms, the teachers' room and many others at the school. Improving family, neighbor and community life are top goals of each FHA'er. Sending a basket to "the adopted family" at Thanksgiving time has long been a project. Another was preparing packets of material for the volunteer Heart campaign workers.

The main state project is contributing to the March of Dimes. One of the first State presidents from Mountain Lake died of polio during her term which was instrumental in the FHA choosing this project.

This year Josie Boerjan, Myrna Fuhrmann, Kathleen Buysse and Lynn Ahlin represented the chapter at the state meeting.

There were 35 girls attending the district meeting at Tyler this fall.

Every spring a Mother's Day tea is held and it is then that the new officers are installed.

At the conclusion of the program, all honorary members were introduced and presented with red roses, the FHA flower.

March 28

Helga Manhalter

Marshall FHA Plans Convention; Theme 'Homes'

A convocation "Homes Around the World" will be presented by members of the Future Homemakers of America Friday at 11:20 a.m. at Marshall High School. Appearing during the program will be Helga Manhalter Austria exchange student who is attending Canby High school.

The program will start with Dorothy Bauer singing "Bless This House" as the audience is taken from one country to another, through the homes of the people.

The importance of FHA various projects natural, state and local will be discussed. Tribute will be paid to those who have made FHA possible at Marshall High school.

This convocation will round out a week of observance of the FHA organization by members of the Marshall chapter.

April 8

Future Homemaker Has Busy Year in High School

BY KATHY COOPER

The girls who make up the Marshall High School FHA Chapter are kept busy all year long. They participate in three main types of projects—local, state and national.

Among the various things that the girls accomplished this year in the local project group was the job of preparing packets of material for Volunteer Heart Campaign Workers. At Thanksgiving time they worked with the FFA to send a basket of food to "Their adopted family." In early March eight Marshall girls went to the state FHA convention in Minneapolis. Thirty-five girls attended and took part in the district meeting at Tyler last fall. At Christmas time the girls shared their Christmas with a chapter of Indian girls at the Red Lake Indian School. In May the girls are planning a Mother's Day tea to pay tribute to their mothers.

The FHA engages in several state projects. One of them is their adopting of the polio project. The FHA first began work on the polio project after one of their state presidents from Mountain Lake died from polio during her term in office. Another one of their projects is FFA-FHA camp at Lake Arrowhead near Virginia, Minnesota. Shaun Stepp who recently moved from Marshall served this past year as State Camp Chairman.

National project include helping less fortunate nations through UNESCO gift coupons, to help develop homemaking. The school home, and community beautification project has been carried through by the FHA girls in Marshall by their dusting the trophy case in the school hall, and by their trying to improve the appearance of the wash rooms. The girls are making plans to heighten the attractiveness of the teacher's room. There is also a family together project in the national group and an "understanding our neighbors at home and abroad" project. The girls have worked on the latter one by obtaining information about other countries from Miss Catheart, who has lived in Pakistan and traveled through many foreign countries.

April 8

March 25

HONORED BY FUTURE HOMEMAKERS OF AMERICA—Barbara Qunell, left, presented roses to Helga Manhalter, Austria exchange student from Canby; Mary Ellen Marcotte, junior high FHA advisor; Pearl Rasmussen, last year's president; Millard Ehlers, member of the Board of Education building committee; L. M. Frey, superintendent; Merrill Olson, principal, and Doris Drake, faculty member. Daily Messenger photo.

March 31

To Go to State Meet —

March 31 Marshall Poultry Team Wins First

Marshall high school's Future Farmers of America poultry judging team took first place in the regional contest held here Saturday. The local team, by virtue of its win, will be one of five teams to enter the state contest in May. Other region teams, to go to the state contest, in order of their ranking Saturday are Okabena, Luverne, Lakefield and St. James. Five Marshall FFA youths placed in the top seven as individual judges Saturday. They were John

Ahlin, first; Warner Babcock, second; Glenn Stafford, third; Nile Stafford, fourth; and Kenneth Schultz, seventh. The state contest will be held at University farm. This was the tenth year that the Swift and Co. plant in Marshall has been host to the regional contest. The contestants judged in the following classes: line market birds, dressed market birds, hens for egg production, breeding stock and grading of eggs.

MHS Students To Be in Declam Contest

Four Marshall high school young people will participate in the speech festival, region 3, at Redwood Falls, April 10, according to Merrill Olson, principal. They are Susan Atkinson in memorized oratory, Virginia Markell in original oratory and Richard Addison and Toby Hegstad in extemporaneous speaking. These are the winners of the district contest. Judges for the contest are to be Roger Moszick of Macalester college, Vernon Jenson of Augsburg college, and George Shapiro, Paul Cashman, and Bert Barer of the University of Minnesota. The contest will be held in the Redwood Falls high school at 2:30. Winners will go to the state contest to be held in Hamline University the latter part of the month.

Schoolmen Discuss Varied Problems at AAUW Meet

At the March meeting of the American Association of University Women held at the home of Mrs. Don Molter discussion topics were Social Problems of Education; Morals of Children and Increase in Delinquency. Contributing to the discussion were Supt. L. M. Frey of Marshall School system and Asst. Principal Norman Olson of Marshall High school. Emphasized was the need for trained psychologist available to the schools and county nurse. Research work for the discussion was performed by Mrs. Frank Jewett, Mrs. James Wetherbee, Mrs. Lyle Mack, Mrs. William White, Mrs. Norman Olson and Mrs. Don Molter. Hostesses were Mrs. Kenneth Sorenson, Miss Mary Ellen Marcotte, Mrs. Gordon Shapiro, Mrs. Elizabeth Connors of Lynd and Mrs. Molter.

March 26

TRACK WORKOUTS START—Eight Marshall High greeting Coach Larry Kienholz when his thin-clads school lettermen and two 1957 squad-members started holding workouts last week. "This is more lettermen than I've had for awhile," Kienholz said, "but many of them are green as grass." Making it difficult for the Tigers this year will be the lack of a good track on which to run. The flood washed away most of the cinders last June, so they'll be running on a grassy track. Lettermen who are out for track are Bob Peterson, weights and high jump; John Ahlin, dashes and high jump; Harold Halvorson, 880; Rich Addison, mile; Bill Carrow, weights; Butch Else low hurdles and relay; Don Stearns, broad and high jump; Jim Williams, 440 dash. Karl Salhus and Dick Benson, non-letter winners are being counted on by Coach Kienholz for help in the dashes and pole vault respectively. The Tigers' first competition will be around April 28 when they will go to Canby for a dual meet. Pictured above is Bob Peterson showing some weightmen how to throw a discus 157 feet 8 inches, Peterson's district record. The three are Paul Thompson, Dick Mooney and Mike Rivard. Daily Messenger photo.

March 26

April 9 MHS Library To Have 600 New Books on Display

Six hundred new and recent books for children and young people, by America's foremost authors and illustrators, will go on display Monday at the Marshall high school library, according to Mrs. Margaret Eubanks, librarian. The books fall into more than 32 subject categories and cover all grades from kindergarten through high school. The exhibit will be open every school day from 8:30 to 5; the closing date is April 5. In addition, visitors may examine the books Wednesday evening, April 16, and Tuesday evening, April 22 from 7 to 9, and Saturday morning, April 19, from 9 to 11.

NECK AND NECK—Marshall's outstanding discus thrower, Bob Peterson, became a dashman here Thursday night. Track Coach Larry Kienholz had a series of 100 yard dashes and then, taking the fastest men of these heats, ran a final race. John Ahlin edged out Pete in the finals, but only by a matter of inches. Running on the grass in fairly chilly temperatures, Ahlin went the distance in a respectable 10.6. Coach Kienholz said this time probably is comparable to a 10.4 on a cinder track. Pictured above are Pete and John a couple of yards from the finish line. Notice how they are striding together perfectly. Because last year's flood ruined the track and now there is a scarcity of cinders, the Marshall track squad is working out on the grass. Daily Messenger photo.

April 17 Date Set for Senior Play at Marshall

The Senior Class of Marshall Public Schools will present "I Remember Mama" by John Van Druten. The play has a history which would make it one of the excellent productions in a long history of successes at the local high school. Mr. Leonard Johnson and the cast are enthusiastic about its production and have worked double sessions to ready it for the opening on April 17.

Those who have read the book *Mama's Bank Account* by Kathryn Forbes, from which the play was adapted, will remember the humor and appeal of a typical American family. The character acting gives a number of students an opportunity to show acting ability. In addition to the opportunity for character play, the stage settings are receiving special attention. The living room of an early American home will be the center of most of the action, but scenes will take place in the outside street, the hospital room, and in front of the curtain.

Seniors have tickets for sale, and they will be glad to deliver them from the high school.

The cast includes: Katrin, Betty Haugen; Mama, Mary McChesney; Papa, Clarence Else; Dagmar, Barb Kelson; Christine, Janice Anderson; Mr. Hyde, Dick Mooney; Nels, Jim Hardy; Trina, Jan Wright; Sigrid, Sue Grue; Jenny, Nicci Pierard; Woman, Wanda Thompson, Thorkelson, Tom Nehls. Dr. Johnson, Bill Carrow; Arne, John Henderson; Nurse, Pat Reese; Norse, Priscilla Johnson;

April 11 April 9

BAGERS ARE HONORED—Senior members of the Marshall and Central high school basketball teams were honored by the Lions Club here Monday evening. Each player was presented with a picture statuette of himself. Pictured above are (back, left to right) Coach Stu MacDonald, Curt Porter, Jim Rogers, Butch Else, Gary Asp, Jim Williams and Coach Jack Dolan; (front) Dick Ogle, Bill Carrow, Bob Peterson and Jim Welvaert. Daily Messenger photo.

April 7

WINS REGIONAL CONTEST — Susan Atkinson (above, left) won a "state superior" rating at the regional speech contest held at Redwood Falls yesterday. She entered the memorized oratory division and won over seven other contestants from this region. She will attend the state speech contest to be held at the University of Minnesota on April 18. Pictured with her are Marshall high school's other three regional contestants. They are Richard Addison and Toby Hegstad, who competed with eight others in the extemporaneous division, and Virginia Markell, who competed in original oratory. Miss Markell received a rating of "very good." Daily Messenger photo.

April 9

To Attend Science Institutes —

3 Area Teachers Get Scholarships

BY WALKER VANCE

Robert Reimler

Joseph S. Regenfuss

Richard Acquard

April 9

Robert Reimler, general science teacher at Marshall high school, is one of three area teachers who will participate in a program sponsored by the National Science Foundation this coming summer and winter.

Reimler has been awarded a stipend to attend the summer institute, starting June 15, at the University of North Dakota. He is a graduate of Mankato State College and is doing graduate work in the University of North Dakota.

He is currently working in the science department in the Junior high school striving to make it a complete laboratory in itself, explained Merrill Olson, principal of the high school. Richard H. Acquard of Marshall and Joe Regenfuss of Minneota have been selected as stipend recipients to participate in the academic year Science Institute at the University of South Dakota at Vermillion, S. D. beginning next September.

Acquard is now the high school principal and science teacher in Lynd. He is a 1955 graduate of Mankato State College with a B. S. degree. He taught his first year at Lynd and since has served in the dual capacity. He has done graduate work in South Dakota State college at Brookings.

He is interested in a non-thesis program which leads to a degree of Master of Natural Science.

The stipend which he will receive includes an income of \$3,000 for the year, plus \$300 for each dependent, \$50 for books, tuition and all college fees.

Acquard explained that this course is specifically for teachers that most of his courses, especially the seminars, will have only teachers in them and that he is very much pleased about the prospect.

Joseph S. Regenfuss is currently, and has been for five years, a science teacher in Minneota high school. He is a graduate of St. Norbert College, DePere, Wis., and has done graduate work at Marquette University, University of Minnesota, and the University of South Dakota. He had a pre-engineering course at Queen's college, New York while with the army.

Regenfuss was president of the Minnesota Education Assn. in 1955-56, served on the executive board of the Lyon county Education Assn in 1955-56, and was chairman of its legislative committee the following year.

In 1957, he initiated the first Conservation Field day, involving participation of six high schools of this area, in cooperation with the Minnesota Conservation Department. It was held in Camden State Park.

M.H.S. Musicians, Vocalists Have Two Contests this Week

Two music contests in which Marshall high school students participate, will be held this weekend. One is on Friday in Tracy and one is Saturday in Canby.

About 75 students will compete in the district contest Friday. Vocal and instrumental solos and ensembles will be performed before judges who will determine the proficiency of the various contestants.

About 100 students from Marshall high school will participate in the contest Saturday at Canby. They will compose the band and chorus, and are entered to compete with themselves for top ratings.

The band will play "Mozart Requiem" by Verdi, and

"Psalm" by Persichetti. The chorus will sing "Humped Backed Fiddler" by Brahms and "Yes, Though I Wander" by Schuman.

The judges are Clayton Hathaway, supervisor of vocal music in Duluth; Francis Mayer, St. Thomas College; Frank Piersol, Iowa State College and Frederick Schmidt of St. Olaf College. These consider the presentations, rate them and criticize them favorably and adversely.

Seventeen schools will participate in the contest, with 900 to over 1,000 students taking part. Those who received an "A" rating in the vocal and instrumental solos or ensembles will participate in the regional contest at Worthington April 25.

April 10

MHS Student's Exhibit Wins

★ ★ ★ ★

DORIS PRIEBE, senior at Marshall high school, won a first place in the South Dakota Science Fair at South Dakota State College over the weekend. Miss Priebe decided to enter the South Dakota fair rather than Mankato fair because she plans to attend South Dakota State College on completion of high school. Her project was "A Study of the Effect of the Concentration and Temperature of a Detergent Solution." By earning first place, Doris will receive numerous scientific equipment awards that she may use next year at school.

John Christianson received a blue ribbon and medal when 29 students and four instructors from Marshall high school went to the annual science fair at Mankato State college Saturday.

Christianson's project, "Geodesic Domes," won for him the right to enter the Minnesota Academy of Science exhibit at Bemidji on May 2-3.

Red ribbon winners were William Schultz, Larry Frayseth, Diane Glernaert, Dean Hand, Mickey Taylor, Alan Greig, Judy Atkinson and Cheryl McCann.

Red ribbon winners were described as those showing above average scientific thought and ability.

Seventeen projects were entered by Marshall high students.

April 15

'I REMEMBER . . .' — Some of the members of the cast of the Marshall high school senior class play are counting their money (in the above scene) while Barb Kelson (above, left) plays with her pet, the family cat. Others in the above

scene of "I Remember Mama" are (left to right) Mary McChesney, Jim Hardy, Betty Haugen, Janice Anderson and Clarence Else. The play is being presented tonight and Friday nights at the high school auditorium. Daily Messenger Photo

April 17

M.H.S. Students Win 32 Music A's

Marshall high school students earned a total of 32 "A" ratings in the district music festival held

April 15

in Tracy, Friday, and Canby, on Saturday.

The small groups, meeting on Friday, will carry their numbers to the regional festival May 3. District ratings for the larger groups stop at the district level.

The following soloists received A's in instrumental work: flute solo, Ursula Johnson; clarinet solo, Charles Eubanks; clarinet solo, Doris Priebe; bass clarinet, Donna Johnson; bass clarinet, Sharon Paxton; cornet solo, Clarence Else; French horn solo, Sharon Abrahamsen.

Oboe solo, Jean Milbrandt; baritone solo, Paul Thomson; piano solo, Doris Priebe; bassoon solo, Carl Dwire; alto saxophone solo, Judy Carlson; tenor saxophone solo, Nicci Pierard.

The following ensembles received A's in instrumental work: woodwind quintet, Doris Priebe, Mavis Rust, Alan Hoff, Sharon Abrahamsen, Jean Milbrandt; Saxophone quartet, Judy Carlson, Meileen Olson; clarinet duet, Donna Poppick, Mary Ann Rogue; clarinet trio, Marian Lindgren, Claire Chadwick, Diane Powell; clarinet trio, Charles Eubanks, Doris Priebe, Bonnie Bladholm.

Brass sextet, Clarence Else, Pat Reese, Dave Nelson, Jeff Eubanks, David Simpson, Sharon Abrahamsen; brass sextet, Bob Dowman, Jerry Reese, Paul Thomson, John Thompson, Warren Verdeck, Virginia Rasmussen; cornet trio, Dean Hand, Joe Mitchell, Jim Doty; cornet trio, Clarence Else, Pat Reese, Richard Ogle; baritone trio, David Nelson, Paul Thomson, Judy McChesney; drum ensemble, Bill Carrow, John Berre.

The Marshall high school band received an A for the "Psalm for Band" by Persechetti and "Mazoni Requiem" by Verdi. They also received an A in sight reading.

The following received A's in vocal work: alto solo Nicci Pierard; tenor solo, Richard Ogle; baritone solo, Kenneth Pribyl; Girls Sextet, Mavis Rust, Claire Chadwick, Priscilla Johnson, Brunhilde Evenson, Bonnie Bladholm, Diane Powell.

The high school chorus also received an A rating.

SHADES OF 1930 - The chemise of 1930 is being modeled by Future Homemakers of America at Marshall high school. On the left Eileen Binnebose wears Mrs. Anton Carlson's graduation dress of yellow crepe du chene, originally worn at Lynd high school ceremonies. On the right, Sylvia Club models Mrs. Carlson's banquet dress, also of crepe du chene. The dresses were bought for \$10 each at Stone's Store in Marshall. Daily Messenger Photo.

WEDDING GOWNS — Mrs. Walter Buysse of Minneota wore the wedding dress on the left in 1941. It has long train and sweetheart neckline with lace panel in the back. It is being modeled by Sylvia Club. On the right Eileen Binnebose wears her grandmother's wedding dress. Mrs. Otto Persohn was married in this dress in 1903. It is made of lace and batiste. Daily Messenger Photo.

LIVESTOCK TEAM — Members of the Marshall FFA livestock judging team that will go to the state contest in early May are (left to right) Jueis Carlson, Jim Fuhrmann, Donald Kramer and Allen and David Forbes who were not present when the picture was taken. This team won first in the regional contest at Brookings, S. D. Saturday. In March the team won second place at the Invitational Vocational Agriculture judging contest which was held at Sioux City. At the Sioux City contest 104 teams were entered.—Daily Messenger photo.

April 21

MARSHALL TIGERS — The Marshall high school baseball team opened the season here Tuesday afternoon with a 6-5 victory over a good Minneota team. Pictured above are the Tigers. They are (left to right, back row) Coach Glen Moran, Dick James, Bill Car-

row, Curt Porter, Dick Ogle, Butch Else and Don Stearns; (front) Bruce Knigge, Lowell Johnson, Bruce Dawson, Doug Eggen, Barry Pomrantz, Danny Lanoue and Darwin Schultz.

Daily Messenger Photo

Freshmen Help Tigers Open with 6-5 Minneota Victory

April 16

A pair of freshmen, Barry Pomrantz and Bruce Knigge, came through in the clutch for the Marshall Tigers here Tuesday afternoon as Coach Glen Moran's charges won their first game of the baseball season. The score: Marshall 6, Minneota 5.

The Tigers got off to a shaky start as walks and errors helped the Vikings squeeze across three quick runs. Marshall got back two runs off Viking hurler John Stalpes in their half of the first and tied the score at 3-3 in the bottom half of the second inning.

After three scoreless innings the stage was set for the Tiger uprising.

Bruce Dawson, the first Tiger at bat, led off with a walk. Knigge, freshmen catcher, hit a long double scoring Dawson from first base to give the Tigers a 4-3 lead.

Pomrantz drilled a resounding triple to left center field sending Knigge home and Don Stearns, who got 3 for 3 at the plate, hit a sacrifice fly scoring Pomrantz.

With Pomrantz pitching for Stearns in the last two innings the Vikings refused to play dead. Minneota picked up one run in the top half of the sixth and in the seventh Culshaw started a Minneota rally with a sharp single.

Tillemans lashed out another single and Brewers, Viking clean-up hitter, was intentionally walked to load the bases. Two Vikings, in the meantime, had gone down on fly balls.

A wild pitch by Pomrantz allowed Culshaw to scamper home and Minneota had two men on base, 2 outs and trailed 6 to 5. The freshman pitcher, Pomrantz, ended things abruptly at this point by striking out J. Lozinski to gain credit for Marshall's first victory.

For Coach Bob Tadsen's Vikings, Brewers, with two hits, led the Minneota attack, while playing errorless ball at third base. He also relieved Stalpes on the mound just before Marshall's rally.

For Marshall, in addition to pitching well in spots, Stearns got three of the Tigers' eight hits. And with more work should develop into the fine pitcher Marshall fans expect of him.

The Tigers next game will be played Friday at Balaton.

MEATS TEAM—Members of the Marshall FFA meats judging team that will go to the State contest in early May are (back, left to right) Bob Weidauer, Merlin Green and David Jacob-

son, (front) Philip Sonstegaard and Joe Evans. See page 2 for other winning team.—Daily Messenger photo.

Marshall Future Farmers of America —

Meats, Livestock Teams Win Regional; To Enter State

Two more Marshall Future Farmers of America judging teams won the right to go to the state contest when the meats and livestock judging teams won first in the regional contest at Brookings, S. D., Saturday.

Other Marshall FFA teams that already had won trips to the state contest were the poultry, crops and dairy products teams. The state contest and convention will be held May 5-6 in the Twin Cities.

The Marshall meats team scored 1650 points in that division at Brookings. Second place went to Jackson with 1460 points and third place was taken by Hills

with 1356 points. The top three teams will represent this region in the state. In winning first in the livestock division at Brookings, the Marshall FFA'ers posted a score of 1214. Mountain Lake was second with 1200. Fairmont was third with 1170 and Redwood Falls was fourth with 1167.

Other teams that will go to the state contest in livestock judging are Luverne, Sleepy Eye and St. James, which placed fifth through seven.

Top individual in livestock judging was Marshall's Donald Kramer with 408 points. David Forbes, Juels Carlson and Jim Fuhrman of Marshall placed third, fifth and tenth respectively.

In the meats judging four Marshall FFA'ers took the top four positions as individuals. They were Merlin Green, 592; Robert Weidauer, 530; David Jacobson, 528; and Philip Sonstegaard, 524. Joe Evans, with 488, placed ninth among the individuals.

Forty schools took part in the regional competition.

April 21

Peterson Busts State Mark as Tigers Defeat Cardinals

may 1

Jr. High Statistics
 75-Yard Dash—Hendren (M), Maher (R), King (R), time: 8.5.
 150-Yard Dash—Jacobson (M), Maher (R), Howton (R), time: 16.85.
 440-Yard Dash—Addison (M), Corbett (R), Taylor (M), time 60.3.
 120-Yard Low Hurdles—Rubertus (M), Corbett (R), Howton (R), time: 16.0.
 Discus—Pomrantz (M), Stemm (R), Corbett (R), distance: 115.6.
 Shot Put—Pomrantz (M), Jacobson (M), Ottum (M), distance: 46-8.
 High Jump — Rubertus (M), Stemm (R), (tied) Patterson (R), height: 4-10.
 Broad Jump — Jacobson (M), Corbett (R), Taylor (M), distance: 16-9½.
 440-Yard Relay—Marshall, Redwood Falls, time: 51.9.

REDWOOD FALLS—Both Marshall high and junior high track teams defeated the Redwood Falls teams here Wednesday afternoon. The senior Tigers won 75-5-6 to 48-1-6 and the junior Cardinals lost to Marshall 50-30.

In the senior division of the dual meet Marshall won 10 of the 14 events with John Ahlin winning three, Bob Peterson two and Butch Else, two.

Peterson broke the state discus record again, heaving it almost six feet more than the top mark. He also registered his best mark with the shot put as he pushed it out 55 feet.

Ahlin ran the 100-yard dash in his best time, 10.15, with the dubious advantage of a shifting crosswind. He also won the 220-yard dash and the broad jump.

Else, taking off his baseball uniform long enough to compete in track, won the high and low hurdles.

Other winners for Marshall were Harold Halvorson in the 880 and mile and the 880-yard relay teams.

For Redwood Falls Kessler won two events, Corrow one and Ramseth one.

The Marshall junior high team, showing loads of promise for the coming years, won every event. Bob Rubertus, Leslie Jacobson & Barry Pomrantz each won two events. Other winners were Jeff Addison, Jack Herdren and the 440-yard relay team.

120-Yard High Hurdles — Else (M), Reed (R), Ramseth (R), time: 17.6.

200-Yard Low Hurdles — Else (M), Ramseth (R), Reed (R), time: 22.0.

100-Yard Dash—Ahlin (M), Peterson (M), Reed (R), time: 10.15.

220-Yard Dash—Ahlin (M), Williams (M), Reed (R) and Benson (M) tied, time: 23.4.

440-Yard Dash — Kessler (R), Bladholm (M), Vinar (R), time: 58.25.

880-Yard Run — Halvorson (M), Ballard (R), Gilb (R), time: 2:20.9.

Mile Run—Corrow (R), Addison (M), Sherwood (M), time: 4:58.5.

880-Yard Relay—Marshall (Peterson, Benson, Williams and Ahlin) 1:38.1.

Mile Relay — Marshall, time 4:05.6.

Pole Vault—Ramseth (R), Lanoue (M), Asp (M), height: 10'.

High Jump—Kessler (R), Knudsen (R), Else (M), Reed (R) tied for second place, height: 5-2.

Broad Jump—Ahlin (M), Kessler (R), Else (M), distance: 18-10½.

Discus—Peterson (M), Corrow (M), Kessler (R), distance: 166-8.

Shot Put—Peterson (M), Corrow (M), Timgren (R), distance: 55-½.

April 25

CROPS TEAM—Members of the Marshall FFA crops team that will go to the state contest are (above, front, left to right) David Ree, Duane Wyffels, Alan Forbes, (back row) Jim Fuhrmann, Donald Kramer, and Richard Brosseau, an alternate.—Daily Messenger photo.

April 25

JUNIOR-SENIOR BANQUET—Dick Ogle (above) is at the microphone at the Marshall high school junior-senior banquet in the gymnasium of the school Thursday evening. He spoke for the senior class. David Powell (left) was master of ceremonies for the stage program following the

banquet and Patty O'Brien, (center) was mistress of ceremonies for the after-dinner speeches. Also appearing were Glen Moran, who gave the major address, and Woody Jewett who spoke for the junior class.—Scherling photo.

Bill Powell Is Elected To Top Office of '59 MHS Class

Marshall high school completed election of class officers for the year 1958-1959, recently. The seniors-to-be elected Bill

Powell president, Pat O'Brien vice president, Sharon Snortum secretary, and Virginia Rasmussen, treasurer.

Next year's juniors elected Bob Weidauer president, Lynn Ahlin, vice president, Marion Lindgren secretary, and Gay Ireland treasurer.

The incoming sophomore class elected Jean Hand president, Phil Sonstegard vice president, Betty Hendren secretary, Sharon Abrahamson treasurer.

Next year's freshmen elected Tim Applen president, Shirley Knutson vice president, Pat Johnson secretary and Mike R. Trei treasurer.

Students wishing to become class officers registered for the office they desired. A primary election reduced the number of candidates for each office to two.

May 6

Marshall High Students Win 9 A Ratings in Music Contest

WORTHINGTON — Marshall high school students won nine A ratings in the regional music contest held here Friday. Thirty-two students, winners in the district contests held earlier, took part in last weekend's event.

Five instrumental soloists won A's. They were Nicci Pierard, tenor saxophone; Alan Hoff, bassoon; Clarence Else, cornet; Jean Milbrandt, oboe; Doris Priebe, pi-

The Clarinet trio, made up of Charles Eubanks, Doris Priebe and Bonnie Bladholm, and the baritone trio, made up of Paul Thomson, David Nelson and Judy McCheyney, also won A's.

In the vocal section, Nicci Pierard won an A with her alto solo and the girls sextet (Mavis Rust, Claire Chadwick, Priscilla Johnson, Brunhilde Evanson, Bonnie Bladholm and Diane Powell) also won an A.

April 28

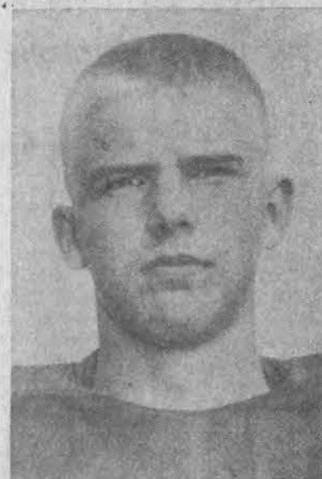

As Peterson Batters State Mark —

Marshall Trackmen Defeat Canby; Go Twice This Week

April 28

Bob Peterson

John Ahlin

CANBY—Marshall high school's thinclads, in their first track meet of the season, defeated the Canby Lancers in a dual meet here Friday 60 to 51. The Tigers took eight first places while the Lancers won six events.

John Ahlin, Marshall sprinter, swept three events as he won the 100-yard dash in 10.4, the 220 in 22.7 and the broad jump with a leap of 22-1.

Bob Peterson, Tiger weightman, hurled the discus 168-2½ . . . a distance considerably better than the state high school record, and the shot put 53-2½, a mark crowding the state record.

Other winners for Coach Larry Kienholz' Tigers were Harold Halvorson, 880; Dick Benson, pole vault; and the 880 relay team made up of Jim Williams, Peterson, Benson and Ahlin.

Butch Else, who was at the music contest Friday, usually runs third position on this team.

Coach Kienholz uncovered some new-found strength (new for this year) as Peterson, in addition to his work with the weights, crowded Ahlin all of the way to take second place in the 100-yard dash.

"I think the reason our dashmen did as well as they did is the fact that we have been running on the grass," Coach Kienholz said. "It has built up their legs."

At the same time, he added, the flood-ruined track has hurt his hurdlers.

"The hurdlers can't get their stride down," he noted.

On Wednesday the Tiger tracksters go to Redwood Falls for a meet and then leave Friday night for Saturday's Carleton Relays.

Results of the Canby dual meet:
100-Yard Dash—Ahlin (M), Peterson (M), Plinske (C) time: 10.4.

220-yard Dash—Ahlin (M), Williams (M), Husby (C), time: 22.7.
440-Yard Dash—Coquet (C), Williams (M), Johnson (M), time: 57.0.

880-Yard Run—Harold Halvorson (M), Meade (C), Appelen (C), time: 2:20.5.

Mile Run—Otto (C), Dick Addison (M), Sherwood (M), time: 5:01.

120-yard High Hurdles—Don (C), Olson (M), Eichens, (C), time: 18.4.

200-Yard Low Hurdles—Plinske (C), Doom (C), Olson (M), time: 22.4.

It's Prom Time —

Prom time! The proms for both of Marshall's High schools are now history, with their long weeks of preparation, shopping for formal, preparing speeches and at last—the Grand March!

At Marshall High school, with the banquet Thursday and Prom Friday, the theme was "Ebb

Tide." The auditorium was covered with fishnet, entwined with blue lights; aquatic scenes painted along the sides and the back of the hall and a tall lighthouse with blue light flickering over the scene carried out the theme.

A weatherbeaten Inn was the backdrop for the stage. Tables surrounding the floor had dripping candles held by bottles. An area in front of the stage was filled with

potted plants encircled by a white picket fence. Punch was served from the lighthouse.

At the Banquet waitresses and waiters (sophomores) wore jeans, white shirts tied in front and white sailor hats. Gloria Nylien designed the place cards and tallys.

The grand march was led by Woody Jewett, junior class president who spoke for his class at the banquet and Pat O'Brien,

junior, who was toastmistress at the banquet. They were followed by Dick Ogle, senior class president, who spoke for the seniors and Pat Reese.

Glen Moran who gave the main address at Marshall and Bill Powell was master of ceremonies for the stage presentation. The class will, prophecy and history were read.

At Central the banquet and

Hi Notes

by Ginny Rasmussen

Another busy week has gone by at MHS.

Miss Hickner and the FHA girls were busy planning the program for their annual Mother's Day Tea which was held on Thursday May 1, 1958. The purpose of the tea is to entertain the mothers, show some of the purposes of the Future Homemakers of America and to ins all next years officers.

Josie Boerjan became president, installed by this years president, Carol Zimmel. Other senior high officers for next year are Lynn Ahlin, vice president, Yvonne Polifiet, secretary, Ruth Salhus, treasurer, Cathy Cooper, reporter, Sharon Paxton, songleader, Gail Becker, parliamentarian, and Carla Sponagale, historian.

This year's installation differs from other years in that this year the FHA is installing both junior and senior officers on the same night. In other years the junior and senior Mother's Day Tea were held on different nights.

Another event on Thursday was

the final registration. Every spring Mr. Olson calls the juniors, sophomores and freshmen together for registration. This starts the student thinking about the subjects he wants to take next year. Art's students are given a chance to decide on the subjects; then a final registration is held.

The subjects are listed and the parents and students are required to sign the registration. This is the final step for the registration of the students and the subject each student plans to take next fall.

Another event that comes in the spring is the election of class officers and representatives for student council. On Thursday, May 1, the ballots for the officers of the junior, sophomore, and freshman classes of '59 came out.

The students voted and the results of the first (primary) election go out again for a final election which was held today.

May 5

Janet Wright

Doris Priebe

—Scherling Photo

Doris Priebe Is Salutatorian —

Janet Wright Is MHS Valedictorian

Janet Wright was named valedictorian of Marshall high school

this morning when the top 8 students in the senior class were named at a convocation.

Doris Priebe was named salutatorian of the graduating class.

Miss Wright, who had an average of 94.4, has been active in declamation, dramatics, student council, Latin club and was editor of the Marhian. She will continue her schooling at the University of Minnesota and go into education or religious education.

Miss Priebe who, had an average was 94.2, will continue her schooling when she attends South Dakota State where she has been awarded a science scholarship. She has been active in declamation, dramatics, FHA, band, chorus, has been a soloist and a member of the annual staff and Science Club.

The other top students are:

MARY MC CHESNEY — Third in her class with an earned average of 92.9. A class officer, she has been active in declamation, dramatics, Commercial Club and student council. She will attend Westmar college where she will major in religion.

SUSAN BOYER — Fourth in her class with an average of 92.8. She has been active in FHA, band, chorus, Library Club, Marhian and has been a class officer. She will continue her education at North Hospital.

CAROL ZIMMEL — Fifth in her class with an average of 91.7, she has been active in FHA and a member of the Commercial Club and has served as a class officer. She will attend the Minnesota School of Business.

NICOLE PIERARD — Sixth in her class with an average of 90.5, she has been active in declamation, dramatics, band, chorus and has been a soloist. The editor of the Tiger Herald, she will continue her education at the University of Minnesota.

BONNIE BLADHOLM — Seventh in her class with an average of 90.4, she has been active in declamation, dramatics, band, chorus, dance band, annual staff and student Council. She plans to enter the University of Minnesota nursing program.

NORMAN MEYERS — Eighth in his class with an average of 90.00 he was president of the Student Council this year. A regular in football, he has been active in basketball, movie crew and has been a class officer. He plans to attend the University of Minnesota.

Annual Spring Concert Will Be Given Thursday

The music departments of Marshall high school will present their annual spring concert Thursday at 8 p.m.

Band selections will vary from the modern of Howard Hanson's "Chorale and Alleluia" to the classical Manzoni requiem by Verdi and Mozart's "Così Fan Tutti."

Adult admission is 35 cents and students are admitted free.

May 5

Judy Atkinson

Judy Atkinson is Awarded Prize for Essay on Marshall

Judy Atkinson, freshman at Marshall High school, is the winner, in Marshall, of the state wide Jaycee essay contest with her essay "There is No Place Like Marshall, Minnesota." Judy will attend the Centennial Youth Committee banquet at the University of Minnesota campus May 7. Mayor George Abrahamsen has also been

invited to attend this banquet. Her essay follows:

There is no Place Like Marshall, Minnesota

By Judy Atkinson

Looking at a new town for the first time can be compared to window shopping. From the outside of the store you know nothing of the quality of goods or the price that you must pay for what you want. You can drive through a town like Marshall, Minnesota, and not know anything of the people except that they are trying hard to make Marshall a city you can be proud to live in. What you see on the trip through town is purely superficial. First think to yourself that it is not the nice business section and the beautiful homes that you have come to live with but the inhabitants that have worked hard to build what the public desires.

No organization can fulfil its purpose without all the members working together toward the goals that it has set. The representatives that have been elected to their duties on the City Council realize this and are striving to make Marshall an even better place in which to live. The citizens also realize that the youth of today will be the leaders of the country tomorrow. Accordingly, they have provided Marshall's youth with fine educational facilities. The students are being educated fully in high school plus a new parochial elementary and secondary school.

Freedom of worship is written in the Constitution of the United States as a right which may be exercised by everyone. Throughout Marshall, this right is used

to express the beliefs of the people in eight different denominational sects. The people of Marshall should be proud that they are able to support these fine religious groups.

The true congeniality of the people of Marshall is shown in the way that they all enter into the civic affairs. Being sick is not a pleasant thing. The medical attention that is available for every citizen of Marshall to use is of a high caliber. Weiner Memorial Hospital is a beautiful building with all the necessary up-to-date equipment to provide proper medical care.

The grass always looks greener on the other side of the fence. Maybe another town seems to offer more than Marshall, but if you take a look at our city in its true light you will be able to say with me that there is no place quite like Marshall, Minnesota.

Judy will also receive an award for her essay.

May 6

May 13

Hi Notes

by Ginny Rasmussen

The pace has finally slackened a little. There is still plenty to do but there is a little more time to do it in.

The class officers were announced and the results of the voting on Friday, May 2 came out as follows: Senior class president is Bill Powell, vice president, Pat O'Brien; secretary, Sharon Snortum; treasurer, Ginny Rasmussen; junior class president, Bob Weidauer; vice president, Lynn Ahlin, secretary, Marion Lindgrin; treasurer, Gay Ireland. Spohomore class president, Jean Hand; vice president, Phil Sonstegard, secretary, Betty Hindren, treasurer, Sharon Abrahamsen. Freshmen class president; Tim Applen; vice president, Shirley Knutson; secretary, Pat Johnson; treasurer, Mike Trei.

Being a class officer is going to be fun—along with the work involved. It makes a little more to look forward to in our senior year.

Band and chorus are going to be in the headlines again next week; the Spring Concert is coming up!

This is one of the last things that the band and chorus do this season. The Spring Concert is going to be held on Thursday, May 15 so its still not to late to get your ticket.

Some of the numbers the band is going to play are "Manzoni Requiem," (the same one we played for contest), "Chorale and Alleluia", "Junior Miss" in which Doris Priebe has a clarinet solo, and "Carnival Variations" with a cornet trio.

The chorus intends to sing "To the Drum", "Round and Round," and very special—one you just can't miss is "Hawaiian War Chant." If you want to hear the "Hawaiian War Chant"—and believe me you do—be sure to attend the Spring Concert on Thursday, May 15, 1958.

The student council members elected on Tuesday (the primary election) and Wednesday but as yet we haven't heard the results. The members of student council consist only of grades 10-12 as the junior high have their own advisory committee.

ENTERTAIN AT TEA — Entertaining at the Future Homemakers of America Mothers' Tea Thursday in the High School auditorium are Doris Priebe at the piano and Sharon Paxton, with bass clarinet.

May 5

May 2

At State Convention —

Marshall FFA'ers Take Top Honors

Marshall's Future Farmers of America returned from the state convention in St. Paul Tuesday evening and brought with them judging honors, a state officer and a State Farmer degree.

★ ★ ★ ★

David Forbes

May 7

David Forbes, in addition to ranking fourth among the livestock judges, received the State Farmer degree, the highest award possible on the state level.

Presentation of the award was made at the annual FFA banquet which was held Monday at Coffman Memorial Union, University of Minnesota.

To receive this honor, according to FFA instructor Loyal McCann, a member must be outstanding on a state level in his farming enterprise, FFA leadership and citizenship.

Forbes is the vice president of his local chapter, a member of the livestock team for the past three years and has developed what McCann calls "an outstanding herd of purebred Tamworth hogs"

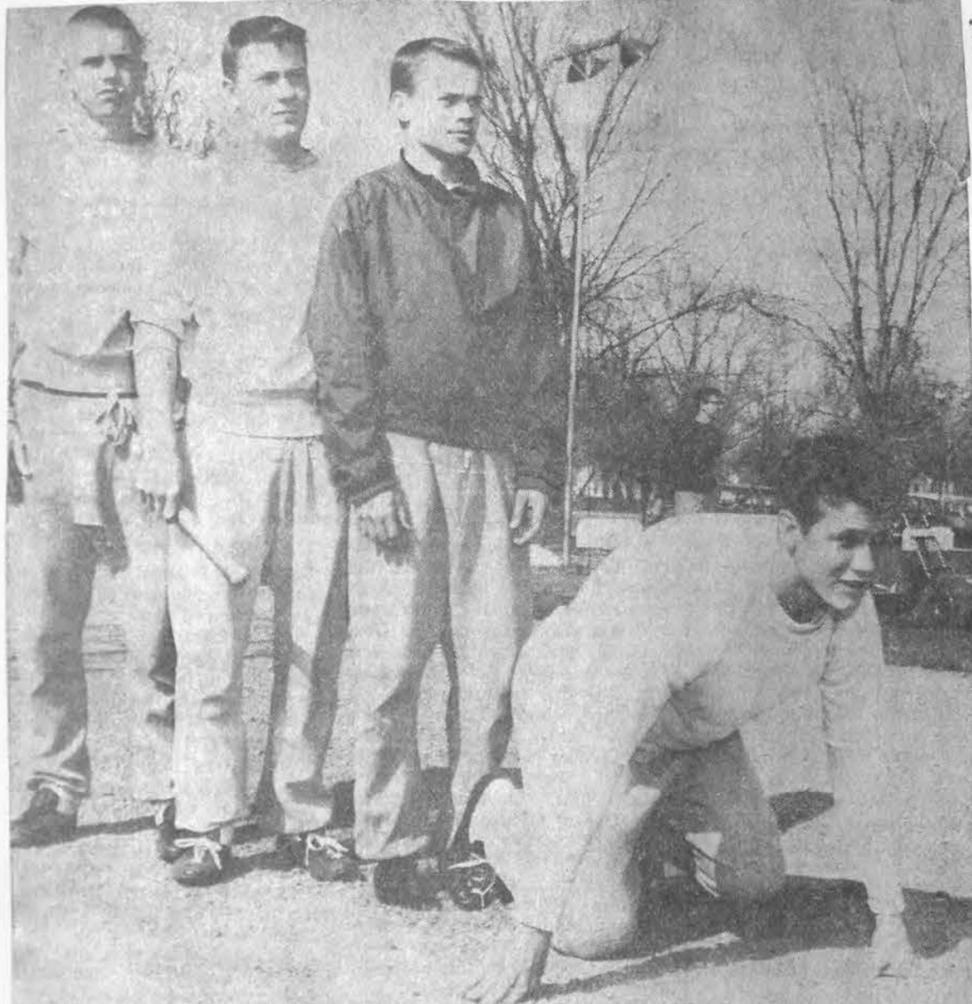

He showed livestock at the Minnesota State Fair for the past two years taking grand champion male and female with his hogs last year.

Ewald Pagel, past Star State Farmer, was elected to the state FFA office of sentinel. Pagel also is a FFA secretary, district secretary and at present is the Marshall Young Farmer president.

In judging, all four Marshall teams ranked in the gold (first) division. Of the 64 schools that advanced from regional competition, Marshall's entries ranked as follows:

Meats, third; livestock, fifth; poultry, fifth; dairy products, 10th; and crops, 15th.

In individual judging, in addition to Forbes' fifth place in livestock, Glenn Stafford placed fifth in poultry, David Jacobson got seventh in meats and Merlin Green eighth in meats.

May 2

IN CARLETON RELAYS—Marshall high track Coach Larry Kienholz will take his largest squad to the Carleton relays at Northfield this year. The squad leaves today and the meet is being held Saturday. One of the events in which the Tigers will be entered is the 880-yard relay. The team (above) is made up of (left to right) John Ahlin, Jim Williams, Dick Benson and Bob Peterson.—Daily Messenger photo.

If Conditions Are Perfect —
District Records May Fall at Tracy Sat.

District 9 Track and Field Records

EVENT	HOLDER	YEAR	RECORD
100 Yard Dash	Regnier, Marshall	1936	10.0
220 Yard Dash	Wetherbee, Marshall	1949	22.6

Pole Vault	Jansen, Marshall	1947	11'1"
Relay	Cottonwood	1956	1:37.4
Mile	Gjovig, Canby	1954	4.40.75

May 7

Given a fast track and ideal weather conditions, some records may fall when the district track and field meet is held Saturday at Tracy.

But some of the records, mainly the hurdles and distance events, have little chance of being broken this year.

Records most likely to be set this year are the discus and shot put. The district mark in the shot put is 48 feet 11 inches, a record more than seven feet short of Bob Peterson's best toss this season.

Marshall's Peterson also had bettered the existing district discus mark of 157 feet 8 inches on several occasions this spring. His best throw in competition is 188 feet 2 inches and in practice he has topped the 170-foot mark a number of times.

The existing shot and discus records were set by Pete last year.

Marshall's 880 yard relay team could also set a new mark in that event. The record of 1:37.4, set by Cottonwood in 1956, has been bettered by the Tigers when they ran it in 1:37.2 at Worthington last week.

On the relay team are Peterson, John Ahlin, Dick Benson and Jim Williams.

Although Ahlin could conceivably set new marks in both the 100 and 220-yard dashes, his best chance is in the latter. Ahlin had bettered the mark of 22.6 set by Jim Wetherbee, Marshall, in 1949 when he ran that distance in 21.8.

The district record in that 100-yard dash is 10 flat. Ahlin sprinted to the tape in 10.01 at Carleton, an eyelash short of the district mark.

Another district record that has been bettered this spring is Don Catton's broad jump mark of 21 feet 2 7/8 inches set in 1952. In the dual meet with Canby, Ahlin leaped 22 feet 1 inch.

The other records will be tough to beat. Dick Larson's 15.3 in the high hurdles and his 20.05 in the lows seem certain to stand for at least another year.

Jim Wetherbee's 52.2 in the 440 appears to be safe. Another record that probably will stand through 1958 as it has for the past seven years is the record of 2:04.8 for the half mile, set by Dunphy of Canby.

Staley's 5 feet 10 3/4 inch high jump record, set while he was attending Marshall high in 1950, is sure to stand as is Gjovig's (Canby) 4:40.75 in the mile.

In 1947, Jansen of Marshall pole vaulted 11 feet 1 inch for a record that has stood the test of time. Nobody in this district has come close to that mark this season.

Peterson Sets Two Records —

Tiger Thinclads Win Six Firsts, Seconds at Meet

SPECIAL TO THE DAILY MESSENGER

WORTHINGTON — The five-man track squad entered by Marshall high school in the Trojan Relays here Wednesday went away with three first places, three seconds and two new records. And, although the teams aren't rated officially, the Marshall team placed second in competition with about 50 teams from Iowa, South Dakota and Minnesota.

Bob Peterson, Marshall's brilliant trackman, thrilled a huge crowd as he set records in both the discus and shot put. The old record of 136 feet in the discus was shattered by more than 33 feet.

He bettered the Class A shot put record by almost five feet as he heaved the weight 55 feet 3 3/4 inches.

But it was his discus throwing that gave this tri-state crowd the greatest thrill. A gasp of disbelief ran through the crowd as his record-breaking throw was announced.

John Ahlin, Tiger sprinter, won first place in the 100-yard dash in 10.5. In the afternoon preliminary he won his heat in 10.25.

DAILY MESSENGER Sports

Marshall Daily Messenger, Marshall, Minnesota.

Thursday, May 8, 1958

Page 4

This is considerably slower than the 10.01 he recorded at the Carleton Relays last weekend.

Marshall got second places in both the 440-yard relay and 880-yard relay. Running on these teams were Peterson, Dick Benson, Jim Williams and Ahlin.

Marshall's final place was won when Ahlin broad jumped 19 feet 10 1/2 inches for second.

Windom, with great depth as well as individual stars, won the meet taking first places in five events. They scored 44 1/2 points. Marshall (unofficially) was second with 30 and Spencer, Iowa, was third with 29 1/2.

SUMMARY (Class A)

120-Yard Hurdles — Strunk, Windom, new record, 14.7.

100-Yard Dash — Ahlin, Marshall, 10.5; Cooper, Windom; Stolp, Jackson; Perry, Windom; Paulson, Luverne.

180-Yard Low Hurdles — Remes, Madison, S. D., 21.8.

440-Yard Relay — Windom, 46.4; Marshall, Slayton, Jackson, Worthington.

Mile Relay — Spencer, Iowa, 3:39.8.

Mile Run — Kennedy, Spirit Lake, Iowa, 4:51.8.

880-Yard Relay — Windom, 1:34.7; Marshall, Madison, S. D., Spencer, Iowa, Slayton.

Sprint Medley — Jackson, 3:57.

Discus — Peterson, Marshall,

169 feet 2 1/2 inches; Voss, Magnolia; Veigel, Windom; Smith, Sibley, Iowa; Blair, Madison, S. Dakota.

Shot Put — Peterson, Marshall, 55 feet 5 1/2 inches; Rayers, Tracy; Miller, Spencer Iowa; tied with Veigel, Windom; Townsend, Spencer, Iowa.

Pole Vault — Jones, Windom, 11 feet.

High Jump — Wheeler, Jackson, and Schuck, Sibley, Iowa, tied at 5 feet 7 inches.

Broad Jump — Claghorn, Spencer, Iowa, 20 feet 6 1/2 inches; Ahlin, Marshall, Johnson, Madison, S. D.; Tjaden, Hendricks; Johnson, Pipestone.

Two Mile Relay — Windom, 8:49.2.

May 8

Play Canby Monday — Else's Triple Gives MHS Win

May 16

A bases-loaded triple by Butch Else, Tiger centerfielder was the difference between Marshall and Tyler as the Tigers won their first game of the district tournament 3-0 here Thursday.

In the second inning, with two men out and the bases full of walked Tigers, the little outfielder slammed one of Loren Faaborg's slants for a triple.

Faaborg and Hansen shared the pitching duties for Tyler, striking out 20 and walking seven between them. The Tigers managed to get only three hits.

Don Stearns, Tiger hurler, limited the Danes to five hits while striking out 13 and walking five.

In the first home game of the baseball season, Marshall fans will get a look at Reed Lovsness, Wood Lake pitcher who beat Tracy last week 5-0 on a one-hit performance.

Marshall's Athletics will meet Wood Lake here at 8.15 p.m. in an attempt to knock the Lakers from the ranks of the undefeated.

Marshall, with some new-found and unexpected power at the plate, are fresh from a 15-3 thumping of Redwood Falls last Sunday. This Sunday, according to Co-Manager Fred Webb, there will be a few switches in the Athletic lineup as Byron Ellingson won't be available and Pat Sullivan, former Central athlete, will be home from St. John's.

"I don't know just what the line-up will be yet," Webb said this morning. "But Nick Ludwig will be pitching for sure."

Other Sunday games will see Milroy, who lost 7-6 to Cottonwood, playing at Tracy, and Redwood Falls at Cottonwood.

As of today Wood Lake, Marshall and Cottonwood have won one game and lost none and the records of Tracy, Redwood Falls and Milroy are reversed.

At Commencement Wednesday —

Top 4 Students To Give Talks

The Marshall high school commencement program, to be held Wednesday, at 8 p.m., in the high school auditorium, will feature student speeches centered around the developments that made Min-

nesota a great state. Janet Wright, the valedictorian, will speak on "Education Helped to Build Minnesota." Doris Prieb, salutatorian, will talk about "Transportation Developed Minnesota." Mary McChesney, third in the class, will speak on "Early Minnesotans — the Indians," and Sue Boyer, fourth in the class will speak on "Minnesotans—Our Forefathers."

Principal Merrill W. Olson will present the awards, and Supt. L. M. Frey will present the diplomas.

The senior high school mixed chorus will sing "Onward Ye Peoples," and the Battle Hymn of the Republic." Rev. Frederick C. Lambert will offer the invocation and pronounce the benediction.

The graduating class requests the audience to remain seated during the processional and recessional.

Gold cords will indicate the honor students.

May 6

Mr. Lee

Mr. Path

2 M.H.S. Faculty Members Resign after Long Stay Here

Two members of the Marshall high school faculty have resigned their positions, effective at the end of the year.

G. Orion Lee has resigned as director of high school vocal music to accept a similar position in

the Duluth school system. He will become director of all vocal music in Duluth's Central high school starting next September.

George Path has resigned from the local faculty where he taught junior high school social studies, served as assistant football coach and as junior high school basketball coach. He goes to South St. Paul to teach junior high school social studies.

Lee has been with the Marshall high school for seven years after earning his Master's degree in music at the University of Colorado. He is a graduate of Augustana college in Sioux Falls, S. D. Before coming to Marshall, he taught music two years at Hall, Iowa.

During his tenure at Marshall, both junior and senior high school groups have shown steady progress and development. The concerts presented by these groups this past year have represented a new high in achievement, according to Supt. L. M. Frey. Path has been with the local school system for 10 years. He is a graduate of the University of Minnesota.

May 26

Hi Notes

by Ginny Rasmussen

Only two weeks of school left! At last this year of school is just about over. With all of this beautiful warm weather we've been having it seems a shame to spend it all in school. But by the time August rolls around everybody is usually eager for school to start again.

The student council members were announced last Monday. The seniors in student council are Kathy Buyssee, Judy Carlson, Wody Jewett, and Don Kramer. The senior class president, Bill Powell is also a member of the student council. The juniors in student council are Bob Chaput, Kathy Cooper, Merilee Schultz, and Cindy Stellmacher and the sophomores are Jim Doty, Dan Lanoue, Judy McChesney and Mickey Taylor.

The student council is the governing body of the high school. Among other purposes it plans the program of entertainment for the year such as the Lyceum

numbers. One of the Lyceums this year was "Liquid Air" by K. A. MacKenzie. This was put on by the University of Minnesota.

Well, now that the Spring Concert is over Mr. Yorde will have us out marching again. Marching is really not rough in itself but when you have the hot sun beating down your neck it makes the whole band uncomfortable and grouchy at times. I think it's worth it just to be outside though. It makes one feel a little better to see the pleased faces as we march down Main Street, too.

Graduation is coming and that means the juniors will finally be getting their class rings. It's a tradition at MHS that the juniors don't get their rings until they are officially seniors—and that is not till the present seniors graduate. The rings were ordered in February and it seems like an awfully long time to wait till the end of May.

May 16

WINNING FORM — Here are pictures of four district 9 athletes participated in the regional track meet at Montevideo Saturday afternoon. Top picture is Marshall's Bob Peterson who broke the regional shot put and discus records. He will go to the state meet at the University of Minnesota next week. Second from top is John Ahlin, Tiger sprinter, who will run the 100 and 200-yard dashes in the state meet as well as run anchor on the 880-yard relay team. Ahlin placed fourth in the broadjump at Montevideo. Third from top is Steve Kjørness of Minnesota, who tied for fourth place with Olson (bottom picture) of Cottonwood in the regional high jump.—Daily Messenger photos.

May 27

Pomrantz Leads Tigers in Hit Department Again This Spring

Barry Pomrantz, outstanding freshman athlete, was the top hitter on the Marshall high baseball team again this year with an average of .280. He was tied for second behind Butch Else in the RBI department with five. Else had six and Bruce Knigge, another freshman, had five.

Doug Eggen, who didn't play regularly, actually had the top batting average of the entire squad with .417.

Team statistics follow:

	Ab	R	H	RBI	SO	W	E	Pct.
Eggen	12	3	5	0	4	2	1	.417
Knigge	22	3	6	5	4	2	0	.273
Porter	23	5	6	0	4	7	2	.257
Pomrantz	25	5	7	5	5	8	4	.280
Else	27	4	6	6	5	6	4	.222
Stearns	27	8	6	4	7	6	5	.222

Tigers Win

as Pete Sets 2 Marks

Fence-Buster — Endangers Cars with Discus

MONTEVIDEO — A voice came over the loudspeaker: "Persons who have cars parked on the street by the discus throwing area should move them. Someone is throwing the discus over the fence."

Even those who didn't have cars parked in the "disaster area" at the regional track meet here Saturday swarmed out of the stands and across the football field to see who the "someone" was.

Marshall's Bob Peterson, who easily broke the record which he set a year ago, had cleared the six-foot steel fence on one of his first throws. The discus, which actually was out of bounds, clattered to a halt in the middle of the street.

The best estimate is that the platter sailed at least 170 feet.

Twice after that Peterson's discus slammed into the fence, once near the bottom and once a couple of feet from the top. Finally, he eased up and sailed the discus more toward "centerfield" and the throw counted.

"It's too bad about that fence," Coach Larry Kienholz said. "But the rulebook says that the throw doesn't count if the discus hits an obstacle. And the first throw was out of the park."

REGION III CHAMPS — Four Marshall Tigers qualified for the state track meet in five events at the Region III track meet at Montevideo Saturday afternoon. While doing this they ran up a total of 33 points and won the region crown. (See story elsewhere on this page). Pictured

above are (back row, left to right) John Ahlin, Jim Williams, Coach Larry Kienholz, Bob Peterson, Bill Carrow, (front) Harold Halvorson and Butch Else. Halvorson is holding the region trophy and Else holds the 880-yard relay trophy. —Daily Messenger photo.

* * * *

REGION III RECORDS

Shotput	56-1/2
880 Run	2:02.5
Broad Jump	21-6 3/4
Pole Vault	11-7 3/4
High Hurdles	14.9
220 Dash	22.1
Low Hurdles	19.75
Discus	163-4
440 Dash	50.8
Mile	4.40
High Jump	5-11
100 Dash	10.02
880 Relay	1:34.0

MONTEVIDEO — Two records fell in the Region III track and field meet here Saturday afternoon as the Marshall Tigers won the team trophy. Marshall scored 33 points on five firsts, a third, two fourths and a fifth.

Madison placed second with 17 1/2 points followed by Appleton with 1 1/2.

Marshall's Bob Peterson opened the meet by breaking the shot put record with a heave of 56 feet 1/2 inch. Then he caused a mild furor when he threw the discus over the fence and out of the field. (See story elsewhere on this page.)

His best recorded throw in the discus was a record-breaking 163 feet 4 inches.

John Ahlin, Marshall sprinter, also broke the existing Region III record in the 220-yard dash, but it didn't count because of the wind. He sprinted the distance of 21.8.

In the shot put Peterson was pushed for the first time this season. Willand of Madison heaved the shot 51 feet 11 inches, which also broke the regional record, and had one toss disqualified which was only inches behind Peterson's best throw.

It was a different matter in the discus as Peterson's record was almost 27 feet beyond the second-place man.

Other firsts taken by Marshall were Ahlin in the 100 and 220-yard dashes and the Tiger 880-yard relay team. Butch Else, after almost falling on the first hurdle and trailing way back most of the way, ran third in the 180 yard low hurdles.

Ahlin got a fourth place ribbon in the broad jump, Peterson ran fourth in the 100-yard dash and Harold Halvorson placed fifth in the 880-yard run.

Other district 9 thincads did all for themselves as men from Hendricks, Balaton, Ivanhoe, Tra-Canby, Cottonwood, and Minnesota scored points in the meet.

Hendricks' David Tjaden placed first in the broad jump and fourth in the high hurdles. Balaton's mile relay team placed second in that event behind Walnut Grove. Actually the Loggers set a record in this event because this is the first year the mile relay has been run in the regional, at least in recent years.

Ivanhoe's Val Whipple placed third in the 880-yard run, Tracy's Hassenstab got third in the high hurdles and Canby's Coquyt got fourth in the 440-yard dash.

Olson of Cottonwood and Kjorness of Minnesota tied for fourth place in the high jump at 5 feet 7 inches, and John Stalpes of Minnesota got fifth in the low hurdles.

Athletes who placed first or second, and relay teams that placed first, in the regional meet will go to the state track and field meet at the University of Minnesota on June 3.

May 27

Marshall will send four men to the state meet to participate in five events. They are Ahlin in the 100 and 220-yard dashes and the half-mile relay team; Peterson in the shot put, discus and relay team and Else and Jim Williams in the relay team.

Tjaden from Hendricks will go in the broadjump.

REGIONAL TRACK STATISTICS

SHOT PUT — Peterson, Mar., new record, 56 feet 1/2 inch; Willand, Mad.; Dunnweber, Mor.; Ashburn, Mont.; Holmani, Hutch.

120-YARD HURDLES — Favre, Glen., 15.2; Bertness, Apl.; Has-

senstab, Tra.; Tjaden, Hend.; Kammerer, Wab.

100-YARD DASH—Ahlin, Mar., 10.5; Schaar, Lamb.; Isakson, Gib.; Peterson, Mar.; Voorhees, Apl.

MILE RUN — Rettman, Buf. Lake, 4:51.8; Corrow, Red Falls; Anderson, Wal. Gr.; Johnson, Hec.; Rutland, Apl.

HIGH JUMP—Schadweiler, Mad., 5 feet 10; Anderson, Wal. Gr.; Bryan, Buf. Lake; Olson, Cot., and Kjorness, Minn., tie.

880-YARD RELAY — Marshall, 1:36.1; Gibbon, Appleton, Hutchinson.

440-YARD DASH—Stuwe, Nor., 25.9; Nokleby, Mont.; Sell, Buf. Lake; Coquyt, Can.; Schladweiler, Mad.

DISCUS—Peterson, Mar., new record, 163 feet 4 inches; Benson, Gr. Falls; Ashburn, Mont.; Dunnweber, Mor.; Kaiser, Dan.

180-YARD LOW HURDLES—Favre, Glen.; Ehlenz, Mad.; Else, Mar.; Hames, N. Ulm; Staples, Minn.

880-YARD RUN—Kessler, Red Falls; Fowler, Ort.; Whipple, Ivan.; Schmidt, Gr. Falls; Halvorson, Mar.

POLE VAULT—Huffman, Gay., 10 feet 5; Clemenson, Mad., and Breum, Apl., tied; Brumberg, Hutch., Brown, Hutch., and Briard, Gay., tied.

220-YARD DASH — Ahlin, Mar., 21.8; Stuwe, Nor.; Schaar, Lamb.; Isakson, Gib.; Boraas, Apl.

MILE RELAY—Walnut Grove, 3:43.8; Balaton, Appleton, Buffalo Lake.

BROAD JUMP—Tjaden, Hend., 20 feet 4; Bishir, Spr.; Raitz, Hec.; Ahlin, Mar.; Mages, Mort.

2 Local Youths to Attend Gopher Boys State

Frank G. Jewett III

Frank G. Jewett III, son of Mr. and Mrs. Hank Jewett, and Rich Chalmers, son of Mr. and Mrs. Chalmers, will be at Boys State from Sunday through Saturday, according to O. T. (Bolly) Bussard, commander of the American Legion post.

The event, which will be held on the farm campus of the University of Minnesota, is the 10th annual American Legion Boys State.

The first one was held in 1949 and was attended by Byron Ellingson, then a Marshall High School student. Others who have attended from here are:

1950, John Wetherbee; 1951, David A. Appen; 1952, Duane Rubertus; 1953, Arthur Olson and William

Haas; 1954, James Reese and Robert Labat; 1955, Robert Lee and David Ross; 1956, James Como and Galen Skramstad; 1957, Edmond DeBruyckere and Richard Ogle.

All boys must be juniors in high school in order to attend Boys State. They are chosen through cooperation of the Legion posts with the high school faculty in each community.

The primary object of Boys State is to give the boys actual learning experience in how local and state government functions.

MHS Students Get Awards on Eve of Commencement Program

The first Awards Night at Marshall High school was held here Monday night with presentations being made for achievement in athletics, vocal and instrumental music, speech, FHA, FFA, Li-

brary Club, Audio-Visual Club, publications, patrol, shorthand and mathematics.

In prior years awards have been presented at a morning convocation.

Principal Merrill Olson, master of ceremonies, spoke on the accomplishment of the senior class and admonished underclassmen to work for the "golden cord" which is worn by honor students at graduation.

The chorus sang several numbers including "Hawaiian Nonsense," which includes the "Hawaiian War Chant."

Commencement exercises will be held at the high school auditorium Wednesday at 8 p.m. Members of the graduating class include:

Richard Addison, John Ahlin, Wayne Allen, Janice Anderson, Gary Asp, June Berg, Eileen Binnebose, Bonnie Bladholm, Susan

Boyer, Judith Cable, Joan Caron, William Carrow, Sylvia Club, Shirley Connell, Gary Davis, Clarence Else, Richard Engum, Jeffrey Eubanks, David Forbes, Cecilia Garrow, Barron Grafing, Sue Grue, Anita Hahn, James Hardy, Betty Haugen, Carole Hensch.

Richard James, Priscilla Johnson, Barbara Kelson, Theresa Kerkaert, Karen King, Beverly Kurth, Bernard Matthys, Celina Matthys, Mary McChesney, Betty Moberg.

Richard Mooney, Norman Myers, Thomas Nehls, Dean Nysten, Richard Ogle, Harold Paradis, Robert Peterson, Marilyn Pechan, Nicole Pierard, Curt Porter, Kenneth Pribyl, Doris Priebe, Dallas Pyrzbus, Barbara Qunell, Patricia Reese, Mary Rogne, Thomas Ruppberg, Robert Schultz, Patricia Schwartz.

Glenn Stafford, Donald Stearns, Marlys Teichert, Audrey Thompson, Joan Thompson, Wanda Thompson, Nancy Tilbury, Patricia Van DeVere, James Williams, Theodore Wold, Janet Wright and Carol Zimmel.

May 27

Diplomas, Special Awards Presented at Commencement

Diplomas and special awards were presented at the annual commencement program held in Marshall high school Wednesday evening. And the top four honor students gave talks.

The ranking seniors are Janet Wright, 94.4; Doris Priebe, 94.2; Mary McChesney, 92.9; Susan Boyer, 92.8; Carol Zimmel, 91.7; Nicole Pierard, 90.5; Bonnie Bladholm, 90.4 and Norman Myers, 90.0.

Singing together for the last time was the high school chorus under the direction of G. Orion Lee, who has resigned here. The group sang "Onward Ye Peoples" and "Battle Hymn of the Republic."

Principal Merrill Olson, who presented the awards, pointed out awards build tradition and incentive. Receiving the annual awards were:

BOB PETERSON — The William Osborne, Sr. award offered since 1950 to the boy who deserves recognition based on (a) contribution to athletics and (b) to succeed in athletics carried over into other school activities.

JOHN AHLIN — The Charles

White award offered by Richard Ullery, Howard Gag, William Brull, Charles Healy, Adrian Knutson, James McGuire, Tracy Mercer and Ralph Stevens in memory of a fallen comrade.

Recipient must be in upper third of class, must go on to college, must have earned a letter in activities. This award is for \$50.

CAROL ZIMMEL—BPW award offered to student who has completed a business course and has shown superior stenographic skills and high moral standards.

JANET WRIGHT and JIM WILLIAMS — The American Legion award presented to the boy and girl who possess high qualities of character, courage, service and scholarship which are necessary for the preservation and protection of our government.

DORIS PRIEBE and NORMAN MEYERS — The Weiner Scholarship award presented to a boy and girl who are in the upper half of the class and may be unable to attend college because of finances. The \$250 award is intended to give incentive to get additional training.

MARY MCCHESENEY — The Hall award, offered since 1923, by Mr. and Mrs. James Hall, to the boy or girl who rates high in attitude, scholarship, loyalty, activities, leadership and cooperation. Underclassmen who also received this award were Judy Carlson and William Powell.

BILL CARROW — The Bud Rose award, the oldest athletic award

offered, to the athlete who ranks first in athletic performance, loyalty, sportsmanship, leadership and co-operation.

NICOLE PIERARD and CLARENCE ELSE — The Melvin Rubertus Memorial award made by the Lions Club to students with ability in music and who have attained a high degree of leadership, scholarship and citizenship.

BONNIE BLADHOLM and RICHARD OGLE—The Rotary Club award to a boy and girl who have shown growth during their senior year in character, personality, sincerity of purpose and leadership.

DAVID FORBES — The Jaycee Agriculture award to a boy who has a supervised farm program and has shown leadership and co-operation in FFA and other related organizations.

DORIS PRIEBE — The Bausch and Lomb Science award to a boy or girl who has made the best record in science courses during the year.

SANDRA NEWMAN and TIM APPLEN, both junior high students, the Dr. and Mrs. C. E. Persons award to the boy and girl in 7th and 8th grade who maintain to a high degree the characteristic of attitude, loyalty, scholarship, cooperation, activities and leadership.

Pete Sets

2 State Records

June 4, 1958

TUTOR AND PUPIL—Coach Larry Kienholz was the first to congratulate Bob Peterson, Tiger weightman, after he broke the state high school records in the discus and shotput Tuesday. Peterson has been hailed by University of Minnesota track Coach Jim Kelly as one of the best high school prospects he has seen.

(see story below) Marshall's Tigers placed fifth in the state meet, largely on Peterson's efforts. John Ahlin, Marshall high's outstanding sprinter, placed third in the 220-yard dash, inches behind the second-place man.—Photo Special to the Daily Messenger by the St. Paul Dispatch-Pioneer Press.

MINNEAPOLIS (AP) — A new Minnesota state high school track titlist reigns today in St. Louis Park, but three outstate athletes still retain the glitter of their tournament performances. The Park, first Twin Cities suburb to cop the championship, worked out 22 points Tuesday, all in running events, to edge the favorite, Minneapolis Central. Central had 19 for second place and little Windom chalked up 16 for third.

Three established marks fell—two to flashy Bob Peterson of Marshall. The third went to Jerry Nelson of Faribault. The other member of the trio was George Strunk of Windom who took two firsts, one of which tied a tournament mark. Peterson flashed the discus 169 feet, 11½ inches in adding more than nine feet to the old record of 160-1¼ set by Jerry Helgeson of St. Cloud Tech in 1951. He hurled the shot 57 feet, 4¼ inches. The old mark of 56-7½ inches was set last year.

Nelson, one of the fastest prep runners in the nation, sliced more than eight seconds off the mile record in pacing himself to a time of 4:20.2. Rudy Arechigo of Moorhead did the mile in 4:28.6 in 1954. Strunk won the 120-yard high hurdles in :14.8 on a slow track, and tied the 180-yard low hurdles mark of 20 seconds flat.

June 4, 1958

Peterson Will Be Champion

Special to the Daily Messenger

MINNEAPOLIS - "There's no question but what Bob Peterson will be a champion."

Jim Kelly, University of Minnesota track coach, made this as a firm statement of fact after watching the Marshall high weightman set two new records at the state high school track meet Tuesday.

"After all," he added, "Peterson broke the high school records of men like Jerry Helgeson, Bob Fitch, Fortune Gordien and others who turned out to be champion weightmen."

In high school, Coach Kelly went on, Gordien never threw the discus more than 152 feet as compared with almost 170 for Peterson.

"And Gordien holds the worlds

record of 194 feet right now," Coach Kelly said.

In high school Fitch threw the discus 130 feet and Helgeson, of course, threw it 160 feet. It was Helgeson's record that Peterson broke by almost 10 feet yesterday.

In which will Peterson do better, discus or shot?

Coach Kelly thinks he does both on about a par. If he does have any more potential in one than the other, Coach Kelly said, it probably is the discus.

"You people in Marshall have a right to be proud of Bob," Kelly went on. "He's a mighty fine athlete. And," he added, "you should be proud of Coach Larry Kienholz. He's done an exceptional job of training trackmen at Marshall."

Getting back to Peterson's prospects in college, Coach Kelly said

most of his discus men have done better with the heavier college platter.

"Switching from a high school discus to the college one won't be much of a change for Bob," Coach Kelly said. "The college discus weighs less than a pound more than the one he is used to, but it is more easily controlled."

He also said that he is certain Peterson hasn't hit his peak by a long ways. Chances are he'll grow stronger and heavier with maturity, he said.

"Our style of throwing the discus," Coach Kelly said, "is a little different, but that change should be easy to make also." This style, incidentally, was developed by Coach Kelly and is widely copied throughout the nation.

Where will Pete go to college? "We hope he comes to the U," Coach Kelly admits. "I told him he can be a champion, and the U. is the home of champion weightmen."

Before transferring to Marshall high, Pete was coached as an 8th grader by Bob Smith, former Lynd high coach. During his freshman year he moved to Marshall. As a freshman here he placed third in the district meet while throwing the discus about 120 feet. Nielsen of Tyler and Pool of Tracy placed ahead of him in 1955.

The following year Pete qualified for the regional meet and in 1957 he won the regional, setting a record which he broke this year.

Pete has been aiming at the state records all year, Coach Kienholz says. In practice one night this year, he added, Pete threw the discus 179 feet 8 inches.

"It would have been wonderful if he could have gotten a throw like that off at the state meet, but he still won the event with feet to spare," he added.

RECEIVES SCHOLARSHIP —

Leonard Johnson, Marshall High School speech and drama instructor, has been awarded a scholarship for summer study in special education at the University of Minnesota. These courses of study will qualify teachers for the special certification required by the Minnesota Department of Education for teachers of exceptional children. The funds for scholarships of this nature were made available through action of the 1957 state legislature.—Daily Messenger photo.

MHS Class of '33 To Hold Reunion

A silver anniversary will be held Friday and Saturday by the Marshall high school class of 1933, at the club rooms in the legion hall.

A "get-acquainted-again" gab fest is scheduled for Friday at 9 p.m., at which time refreshments will be served.

A cocktail hour will be held Saturday at 5 p.m. and a banquet and program will follow at 7 p.m. concluded by a social period.

Friends of the class of 1933 are cordially invited to re-new old acquaintances after 9 p.m.

1938 CLASS REUNION — Members of the Marshall high school class of 1938 met for their 20th reunion last weekend at the Legion Hall. Pouring punch for her old classmates — Charles Healy (class President), Minneapolis; LeRoy

Shellum, Dallas, Texas; Ernie Walker, Hollywood, California; and Howard Gag of Marshall — is Libby Silver Denton of Philadelphia, Pa. Daily Messenger Photo

From Far and Near They Come -- The Class of '38

BY STELL CARROW

Ernie Walker of Hollywood, Calif. received the prize for coming the greatest distance to the reunion of Marshall high school class of 1938 Saturday night in the American Legion Clubrooms. Other '38 grads

were present from Maryland, Pennsylvania and Texas and also other points in California.

Of the original class of 91 there were 51 present with their husbands or wives. Six are deceased. Mrs. Richard Juenehan and Mrs. R. E. O'Connell were in charge of arrangements and Mr. and Mrs. Harold Lerschen and Mr. and Mrs. Howard Gag planned the buffet supper and entertainment Friday night.

Charles Healy, class president, was toastmaster. The class prophecy was read and members of the class, as each name was mentioned, told where he or she was living and business engaged in. The prophecy was written by Dorothy Galvin (now Sister Rosarie of Anderson, Ind.) and in no case was a prophecy fulfilled.

Mr. and Mrs. Walker were also awarded a prize for having the youngest child, a six week old girl. Mrs. Walker is the former Donna Christensen of Marshall.

Mrs. Vincent Wyffles (Emmerence Ferbuyt) of Marshall was given an award for having the most children—ten; Paul Inden of Marshall for losing the most hair, Jim Robinson of Minneapolis gained the most weight among the men and Mrs. Lawrence Engles (Margaret Van Overbeke) Minnesota won the prize for the women.

It was brought out that Mabel Carlson (Mrs. Percy Lundberg) Slayton, unable to attend, is now a grandmother, the first for the class.

Two of the deceased members who lost their lives in the late World War were Cecil Doyle and Charles White. A ship has been named for Cecil Doyle and the HEM club established an annual scholarship and athletic award at Marshall High school some years ago for Charles White. Members of the club were: William Brull, Dick Ullery, Chas. Healy, Andy Gag, Tracy Mercer, Adrian Knutson, William Brull and Ralph Stevens.

After a weekend of reminiscing and getting re-acquainted the class planned to meet again in five years to celebrate their 25th anniversary.

Addresses for all of the members of the class have been secured and can be obtained from Mrs. O'Connell. Attending the class reunion were: Kathleen Ahmann (Mrs. William Bot); Victoria Andrezjewski (Mrs. Woodrow Keith); Vera Arfmann (Mrs. Rich. Juenehan); James Bailey, Margaret Boerboom (Mrs. Phil Cable); Donald Burnham, Lula Carrow (Mrs. Maynard Hodges); Mary Chandler (Mrs. Mary Jastrum); Muriel Coyle (Mrs. John Hein); George Davis, Beth Dhoore (Mrs. Neil Peterson); Emmerence Ferbuyt (Mrs. Vincent Wyffels);

Gordon Forbes, Howard Gag, Lionel Gervais, Charles Healy, Paul Inden, Pearl Jacobson (Mrs. Lawrence Koontz); Crystal Johnson (Mrs. Donald Stassen); Adrian Knutson, Julia Knutson (Mrs. Edon McDaniel) Lucille Langan (Mrs. Victor Paradis); Harold Lerschen, Edward Longtin, James McGuire, Neil Marcotte, Hope Mathews (Mrs. Harvey Peltier); Everett Mattson, Dr. Tracy Mercer; Betty Moore (Mrs. James Robinson); Donald Neisen, Ellen Neyens (Mrs. Clement Johnson);

Aileen Reichert (Mrs. David Lysett), James Robinson, Eldred Rockman, Marie Senden (Mrs. Douglas White), LeRoy Shellum, Duane Shippe, Elizabeth Silver (Mrs. Clarence Denton);

Bob Simmons, Donald Stassen, Virginia Sterler (Mrs. Lennard Skewes), Edith Struthers (Mrs. R. O'Connell, Jr.), Irene Sullivan (Mrs. Gay Varpness), Mary Thoutson (Mrs. Forrest McAuliffe), Adellne Tomasek (Mrs. Howard Gee), Ernest Walker, Milo Wolf, Daisy Storck (Mrs. H. Kartak), William Brull, W. E. (Ed) Van Dorin, Dr. Dick Ullery, Margaret Van Overbeke (Mrs. Lawrence Engels).

Deceased members are: Cecil Doyle, Chas. White, George Bamford, Muriel Freese and Rose Neill (Lerschen).

August 7

High School Will Continue Five Subject Requirements

Marshall high school will continue its policy of having students take five subjects instead of four,

announced Merrill W. Olson, high school principal.

"While the fifth subject is not a mandatory requirement this year," said Olson, "it is definitely recommended.

"High school today is being used more and more as a preparation school for life, and the more information that can be gained, the better it is for individual student," he commented.

A check on students records indicated that there was no scholastic drop in grades maintained by the student carrying five subjects instead of four. As a result, every student is counseled to broaden their registration by taking five subjects. With four subjects there are 2½ vacant periods during the day, and with five subjects, 1½ vacant periods.

For the fifth subject, commercial and vocational subjects are suggested to broaden the training of the students.

August 25— Teacher To Return Early For Briefing

Faculty members of the Marshall Public Schools will report back August 25 for one week of intensive orientation and preparation for the school year, 1958-59.

The orientation will include working as an entire group to discuss educational problems, in committee work and as individual teachers preparing their own work.

The faculty is divided into committees which re-evaluate procedures used at the public school and suggest any modifications that will help. Findings of last year's work are scanned.

Complete up-to-date courses in mathematics, science, English and social sciences are either made up or are in the process of being made up. These courses include the work from the first grade through the senior year in high school.

Time will be spent this year to determine the merits of the Honor Scholarship Organization.

Individual student guidance will be stressed during the week and instructors will have the opportunity of going to the files and becoming acquainted with the students before the school year starts.

Schools in Marshall will open September 2.

August 5

On Sept. 2 —

180 Tots To Start School

Sept. 2 is the opening day for Marshall high and grade school students. And for about 180 Marshall small fry, this will mark the start of their first year in school.

Children entering kindergarten will register on the opening day in two different sections. Those whose birthdays are between June 16 and October 30, 1958, will register between 9 and 11 a.m. on Sept. 2.

Children who were five years old before June 16, 1958, will register between 1 and 3 p.m. that day.

Parents of these first year students are instructed to take their children to the kindergarten rooms at either East Side or West Side grade schools. The rooms are located near the center entrance of

High School Physicals Slated For August 18

All boys in Marshall Junior and Senior High School and at Central High School that are going out for athletics during the school year, are asked to remember August 18 at 7 p.m. for physical examinations for all athletics.

Both schools are taking their physical examinations the same night and same place. George Rindelaub at the high school, and Jack Dolan, at Central, stress the necessity of taking the examination; for boys cannot take part in athletics until examinations are complete. Regardless of the sport, boys are requested to report at this time.

All boys are asked to report to the main office in the high school building for the examination. The examinations are moved to that area because the office is cool and because of the number in attendance.

The doctors want to complete the job in a single evening instead of taking time during the day, and it's much easier for both the boys and doctors; for they do not take time out of over-crowded days.

At this time, an insurance fee of \$1.50 will be collected from all Public schools boys. Any boy out for athletics must be a member of the Minnesota Athletic Benefit Plan. The premium is \$3.00 for each boy, with the athletic fund paying \$1.50. The plan provides for amounts in case of injury along with hospitalization benefits.

August 6

August 6

East Side and on the Highway 19 end of West Side school.

No children will be admitted to kindergarten unless they are five or will become five on or before Nov. 1, this year.

As far as the other students are concerned, school starts at 8:27 a.m. for high school and 8:45 for grade school students. Unless other arrangements have been made through the superintendent's office, grade school students will attend the same building as last year.

If no assignment has been made, they may report to the elementary principal at East Side grade school.

Students who have moved here during the summer months are asked to call the superintendent's office in order to complete registration before school starts.

Nine Lettermen Return To Marshall High School Squad

BY DON HERRING

Nine lettermen will return to Coach George Rindelaub's Marshall high school football squad this fall, forming the nucleus of the '58 edition of the Tigers.

Rindelaub will have a rebuilding job to do, losing 13 lettermen through graduation last year. Among the valuable men lost from last year are Dick Addison, John Ahlin, Bill Carrow, Butch Else, Dave Forbes, Dick Mooney, Norm Myers, Tom Nehls, Dick Ogle, Harry Paradis, Bob Peterson, Curt Porter, and Jim Williams.

Returning to the squad will be Dale Allen, John Berre, Dick Benson, Chuck Bladholm, Jim Dwire, Alan Olson, Bill Powell, Karl Salhus, and Ron Sherwood.

The eight-game schedule includes:

- September 5—Granite, here
- September 12—Clarkfield, there
- September 19—Pipestone, here
- October 3—Luverne, there
- October 10—Slayton, there
- October 17—Redwood Falls, here
- October 24—Tracy, here
- November 1—Canby, there.

It is necessary for the Tigers to get underway promptly, stated Rindelaub, for the tough 8-game schedule opens up with Granite Falls on September 5.

On next Monday, physical examinations will be given to all MHS boys taking part in any athletic

activity. Coach Rindelaub urges that all boys take their physicals at this time, because grid practice must begin as soon as possible.

The physicals will take place at the high school at 7 p.m. Marshall doctors will give the physicals at this time.

NEW COACH — Marshall high school's new basketball coach, Glenn Mattke, has quite a sports record behind him. (see story below) Mattke comes to MHS after five years of coaching at St. Peter high school.—Daily Messenger photo.

★ ★ ★ ★ ★ ★ ★ ★

New Coach —

Mattke Familiar Sports Figure

By DON HERRING

When the name of Glenn Mattke appeared in the Marshall Athletic line-up during the baseball season, a lot of people were puzzled as to who he was.

Well, Glenn is Marshall high school's new basketball coach, with quite a record of his own athletic prowess behind him.

Mattke started out his athletic career in Morton high school, where he participated in baseball and basketball. "We didn't have any football or track teams," commented Mattke. "It was during the war years, and there weren't any coaches available."

After leaving the service, Mattke enrolled at Gustavus Adolphus college at St. Peter.

During his college career, he also carried his sports interests right along with him. Those two sports, basketball and baseball, were his favorites in college.

He entered the Air Force shortly after graduation from Morton in 1946. While in service, Mattke played baseball and basketball on the Fort Warren (Wyoming) Avengers. In '47-'48, he captained the Avengers in basketball and took them to the state AAU tournament.

"We lost the first game we played in the tourney," smiles Mattke. "We weren't that good, but it was a lot of fun."

Playing guard in basketball and the infield in baseball, Mattke was one of the leading sports figures on campus.

In his senior year, Glenn found himself once more the captain of a basketball team, this time he Gusty varsity. Glenn, who stands over six feet, claims he was a midget compared to some of the boys on the team.

"That was when the big man was just starting to come into vogue in basketball circles. I felt like a dwarf."

After graduating from Gustavus in 1953, Mattke stayed in St. Peter to coach at the high school.

During the summer months, he played baseball for the St. Peter Saints, the local club.

One of the highlights of his sports career, according to Glenn, came when the Saints won the state tourney in 1955.

Mattke, who was hitting well over .300 for the Marshall club at the end of the season, probably was a major factor in St. Peter's victory.

Glenn now comes to MHS with five years of coaching under his belt. Chances are his sports triumphs won't stop now that he's in Marshall.

Jim Likes It —

Going To School For 22 Years

BY FRANK SANTIAGO
School to some, individuals means hard work, miserable studying and dreaded hour long examinations. But to Jim Martin Fos-

tedt (better known to the younger generation as Jim the janitor), school has meant 22 years of fun and has proved to be "very interesting."

★ ★ ★ ★ ★ ★ ★ ★

It all started back in 1937. Jim had heard that there was an opening in Marshall for a janitor. Being that he had played baseball here ("They had a fairly good team, but we had a better one!"), Jimmy was acquainted with the town.

"I got here on the 15th of the month and I decided that I was going to quit on the 30th. The work was three months way behind, and it didn't look like we'd get anything done. I couldn't even handle a mop. It was too heavy and I was too clumsy. But, as time went on, I put the time off and off until I finally found myself liking this place. I've been here 22 years ever since."

"This (the grade school building that is now about 62 years old) was one of the finest building around. I remember it clearly. The grounds were beautiful and the building itself seemed big at the time."

Jimmy was born in Granite Falls in 1889. He sold grain for awhile there and worked in St. Paul. Today, he is married and has one son working for a telephone company.

Being a janitor in a school house can be "very interesting" according to Jim.

"The kids are really wonderful. You get to meet quite a nice bunch and it seems to go on like that year after year."

Occasionally, Jimmie recalls, a janitor has to act like a father too. A youth will find himself short of money and get a "loan" from

August 29

Jim for the pop or milk machine in the school.

Of all the experiences Jim has had while working in school, he recalls a steam pipe explosion that happened ten years ago.

"I was really terrible. You couldn't even get into the building. The steam was terrific. Luckily nobody was hurt. The main steam pipe had exploded and the whole building was filled with steam."

A janitor gets to see a lot too. As years go by, new faces appear and old ones disappear. New names are echoed through the school's hallways and old ones are only resounding memories.

"Each year a new bunch of kids come in. At first you miss the old bunch but you soon get acquainted with them and get to like them just as much as you had the others."

"I've seen a lot of children come here, get acquainted, graduate, get married and raise children."

When asked how does the present generation compare with the past generations that he has seen, Jim replied:

"Today, children are better. We hear people complaining about juvenile delinquency and bad acting children. I think today, they're much better. They are more friendly, more understanding and harder working."

Why have you so much interest in children?

"I don't know exactly what it is, but I put myself in their place. I can see myself in everyone of them and it makes me feel young again. I think the children are interesting, especially to talk to and to understand."

How can we keep children from going astray and becoming a problem child?

"The only answer is love. You've got to love them with sincerity and understanding. You've got to find out their problems and want to help them solve them. We do the best here in school for them, but it must come from the home. Love and understanding are what kid needs."

September 18, 1958

ROTARY BANQUET—The Rotary Club of Marshall entertained the Marshall teachers, school board members, and their guests last night at their annual banquet. About 450 people were in

attendance. This is part of the crowd that jammed the Marshall Country Club for dinner.—Daily Messenger photo.

For Clarkfield —

Tigers Practice Blocking, Tackling

Blocking, tackling, and ball-handling were the big things in football practice for the Marshall Tigers this week as they prepare for tomorrow night's game with the Clarkfield Cardinals at Clarkfield.

After last week's defeat at the hands of Granite Falls, Tiger Coach George Rindelaub will probably do some line-up juggling.

According to game statistics, the Tigers only gained a net total of 21 yards in the Granite Falls game. Rindelaub feels that this is because blocking was not up to par.

Clarkfield has nine lettermen returning to their squad this season.

averaging close to 170 lbs. According to Cardinal Coach John Grompman, Clarkfield will pin the hopes on two of their returning backfield men, quarterback Tom Londgren (170) and halfback Derrald Meyer (160).

Their big man in the line is tackle Pete Olson, who tips the scales at 190.

This week, the Tigers have been revamping their defense to fit the single wing attack that Clarkfield usually uses, although the Cards sometimes switch to the T-formation.

Rindelaub will probably stick with the spread-T that the Tigers have been working on in practice.

Kickoff at Clarkfield tomorrow night is scheduled for 8 p.m.

Over 145 Educators At Rotary Feed

About 145 Marshall school teachers, school board members and guests sat down to dinner at the Country Club last night as the Rotary Club presented its 12th annual

banquet for teachers.

Doc. Henry, president of the Rotary, welcomed the old and new teachers to Marshall public schools. E. K. Sorenson, teacher of physics, chemistry and higher algebra and also president of the Marshall Teachers Assn., responded for the teachers. Les Frey, superintendent of schools, thanked the Rotary on behalf of the administration and school board for their consideration. Frey also introduced the teachers and school board members and wives to the group.

A preview of startling new service improvements now under development by telephone research scientists was given by D. John Villas, executive assistant, North-Western Bell Telephone Company.

He was introduced by Robert Ellis, local telephone manager. Title of the talk was "Your Telephone Future Is Brighter Than Ever."

Emphasizing that they are still in the laboratory stage, Villas described a new system that would store up incoming telephone calls to a busy line and then complete them in proper order after the line was free, and a "picture phone" which provides for two-way "seeing" as well as talking.

The development of closed circuit television for everyday business use, and a personal signaling device that could be carried in the user's pocket are being treated for possible future commercial application, he said.

Using experimental models, Villas showed the audience several new types of telephones including one with the dial wheel in the transmitter part of the handset, an instrument using push buttons instead of the conventional dial wheel, and an outdoor microphone-loudspeaker device which would permit the user to communicate with someone at the front door by using any telephone in the house.

HS Convocation To Install Council

Members of the student council of Marshall high school will be installed tomorrow at a special convocation at 11:30 a.m. in the auditorium.

Jim Wetherbee, a former graduate of MHS, will be the featured speaker at the program, and will administer the oath of office to the president and vice president of the council, and administer a pledge to the council as a whole.

Bob Weidauer, Cindy Stellmacher, Kathleen Buysse, and Bob Chaput, all members of the council, will also speak at the convocation.

The president of the student council this year is Woody Jewett, Donald Kramer, vice-president, and Kathleen Buysse is secretary.

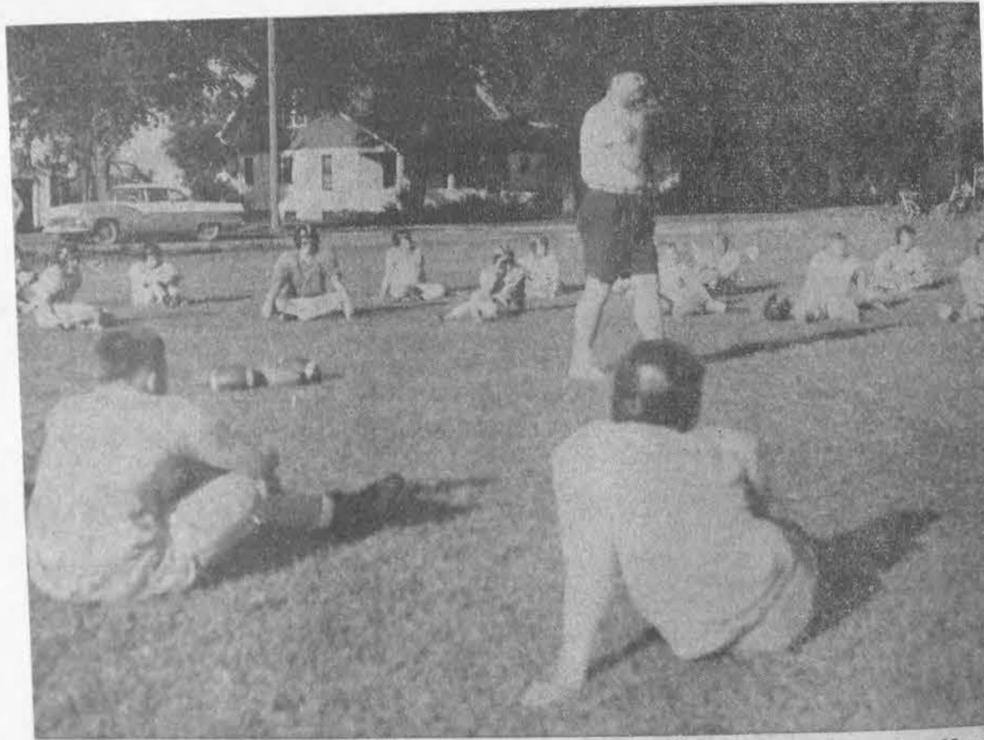

MARSHALL'S FIRST FOOTBALL TEAM—With the 1958 football season close at hand, this picture of Marshall High School's first football team, vintage 1899, seems especially timely. The team consisted of: back row (left to right) Lewis Dresser, Gilbert Sprague, Louis Lemmenes, Rollin Schultz, Lloyd Rullifson, James Humphrey, and Simeon Burchard. Middle row: Walter Chittenden, Fred Case, Frank Bigham, and Roy Kidder. Front row: Roy Kennedy, Williard Persons, Bill Rickard, Duncan McLennan, and Fred McLennan. Starting for the

Tigers of '99 were Sprague and Kidder at the ends, Persons and Humphrey at tackle, Bigham and Chittenden at the guard slots, and Rickard at center. In the backfield it was Case at quarterback, the McLennan brothers at halfback, and Kennedy at fullback. Only three and possibly four of the players are now living. Roy Kennedy is living in St. Paul, Williard Persons is in Sedona, Arizona, and Fred McLennan is in Cottonwood. The whereabouts of Bill Rickard are unknown.—Special photo.

BALLET PRACTICE?—No, Marshall halfback Karl Salhus isn't practicing pirouettes for the latest ballet. He's just caught one of Les Jacobson's punts during practice for the Tigers last

night. Looking on is Tiger fullback Charlie Bladholm. The Tigers meet the Clarkfield Cardinals tonight at Clarkfield.—Daily Messenger photo.

September 18

Tigers Try To Break Jinx

When the Marshall Tigers play the Pipestone Arrows tomorrow night at Legion Field, they will be trying to do two things—take their first win of the 1958 season, and break the eight-year jinx that the Arrows have had over Marshall.

Marshall has lost their first two games so far this year, to Granite Falls 26-0 and last week to Clarkfield 13-6. Improvement, however, has been great. The Tigers looked 100% better against Clarkfield than they did against Granite Falls, and al-

most pulled the Clarkfield game out of a hat with a last quarter scoring spurt.

As far as breaking the jinx is concerned, the Tigers will have their work cut out for them. Marshall hasn't beaten Pipestone in football for at least the last eight years. And Pipestone's line-up this season is bigger and tougher than ever.

The line of the Arrows averages 192 lbs, with the backfield checking in at about 175. In comparison to this, the Tigers average somewhere between 150 and 162 in the line, depending on who starts at center. The Tiger backfield would probably weight in at somewhere around 150 lbs.

The big gun in the Arrow attack will probably be Bill Winter, the 185 lb fullback. According to Marshall coaches who scouted the Arrows last week, Winters is big and drives like a Mack truck.

Another man to watch out for in the Arrow line-up is Sid Bostic, a 190 lb. junior end. Bostic stands about 6'3", and is deadly when a pass comes his way.

The Tigers will probably stick with the single-wing attack that worked so well for them last week against Clarkfield. Tiger Coach George Rindelaub commented that some T formation plays will also seen tomorrow night by the Arrows.

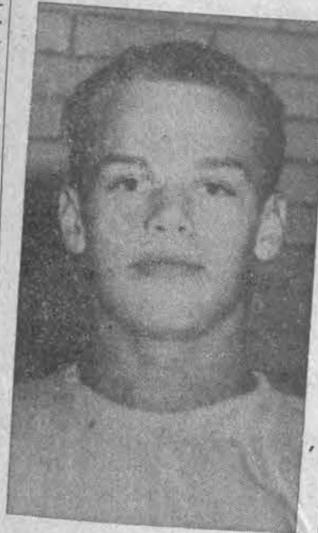

Clarkfield Beats Tigers, 13-6; Benson Scores Touchdown

BY DON HERRING

CLARKFIELD — A last quarter scoring drive came to late for the Marshall Tigers here Friday as they dropped their second grid game of the season to Clarkfield, 13-6.

Switching to a single-wing attack in the last quarter, the Tigers made a serious threat on the Cardinals' 13 point margin, but the clock ran out on Marshall as they were pushing down the field in an attempt to tie the game.

Dick Benson tallied Marshall's only touchdown of the evening. A pair of Billy Nelsons, one a sophomore halfback and the other a

Dick Benson

son, Karl Salhus, and Dick Benson pushed the ball to the Mid-field stripe.

A Clarkfield penalty coupled with drives by Salhus and Benson, found the ball resting on the Cardinal 34. Benson picked up nine yards on an end run. The hard-driving Jacobson then made a first down on the Clarkfield 18.

From there, Benson waltzed around right end to score the Tigers' only six-pointer. Luther Hanson's kick for the extra point was wide, leaving Clarkfield ahead, 13-6.

Marshall took over the ball again in the final seconds of the game. With time remaining for one play, quarterback Benson took to the air, attempting to hit end Lowell Johnson with a scoring pass, but the Cards intercepted it, ending Marshall's last second threat. Marshall's next game will be with Pipestone on Friday at Legion Field.

Marshall Statistics

senior fullback, did most of the ball-carrying for the Cardinals, with Derrald Meyer, the Cardinals' halfback, and Lowell Lundy, an end, doing the scoring for Clarkfield.

Clarkfield hit paydirt for the first time in the early moments of the second quarter. Tom Londgren returned a Marshall punt to the Tigers' 33.

Meyer lugged the ball to the 30, and a pass from Meyer to quarterback Londgren moved it to the 25. Fullback Nelson took it to the 20 for a first down, and on the next play, plunged to the 15.

On two plays, Meyer and Londgren teamed up for a first down on the Marshall 10. On the next play, fullback Nelson moved it to

the 6, and from there, Meyer blasted over for the TD.

The PAT was blocked, leaving Clarkfield ahead, 6-0.

Clarkfield's other scoring drive also came in the second stanza. The Tigers were forced to punt from their own 19. Meyer returned the punt to the 30.

That man Nelson rambled 12 yards around end for a Cardinal first down on the Marshall 18. Meyer lugged it to the four for another first down. A pass from Londgren to Lundy was good for six points. Les Berg's kick was good for the PAT, leaving Clarkfield ahead at the end of the half, 13-0.

Marshall opened up their scoring attack in the final quarter. Clarkfield was forced to punt from their own 40. Marshall fullback John Miller returned it to the Tiger 18.

The Tigers then switched to the single-wing formation. Les Jacob-

For Safety's Sake —

Board Curbs Use of Autos at School

A set of regulations prohibiting the use of automobiles during the school day by students of Marshall high school has been issued by the Marshall Board of Education.

The regulations grew out of a resolution adopted by the board at a regular monthly meeting Monday evening. The board asked that

the administrators be authorized and directed to set up rules and regulations regarding the use of automobiles by students. The regulations were approved by the chief of police, the police commissioner and the student council at the high school.

The regulations are:

• Students living within a four-block area of school shall not drive motor vehicles to school.

• Students who drive to school and eat their lunch at school must park their vehicles where they must remain until school is dismissed at 3:35 p.m.

• Students driving to school and home for lunch, register the students who ride with them in the office, drive directly home at noon, and return to the parking lot or parking place on the street. Cruising must be eliminated. No exceptions will be made to driving directly back to school.

• Violations will be reported first to parents with the request that the use of the vehicle be denied. The second offense can result in the suspension from school until assurance that the request will be enforced.

The City police force has been asked to cooperate with the high school in enforcing traffic rules at Marshall high school.

The need of traffic regulation near and around the high school became apparent last spring with the number of cars and motor scooters being driven to school. Town traffic and traffic from the school became a problem with several near misses in accidents.

Minnesota schools were checked by the board of education, and it was found that most schools prohibit the driving of cars during the school day.

A statement issued by the board remarks that "In the interest of safety and prevention of serious accidents, it is necessary to request the cooperation of student and parent in the driving of motor vehicles to school."

September 16

HIGH SCHOOL CHEERLEADERS — Putting a cheer into the sports season at Marshall high school are four new cheerleaders for the coming school year. Starting from the bottom of the

totem-pole is Merilee Schulz, Joy Olson, Gayla Ireland and Cynthia Stellmacher. Tryouts for the cheerleading squad were held last week.—Daily Messenger photo.

STYLE SHOW—Four FHA members sit at the sidelines and get ready to display their outfits for their club's style show held in the Little Theatre in Marshall high school yesterday evening. The show started out the club's activities

for the school year. Left to right are: Claire Chadwick, modeling a sport outfit; Pat Williams, sport outfit; Virginia MacKell, dressy fall outfit, and Linda Brobst, school outfit.—Daily Messenger photo.

At High School —

FHA Opens Season with Style Show

The senior high FHA of Marshall high school opened their 1958 activities with a style show yesterday evening at the Little Theatre in the high school.

Walking suits, leotards, chemises, along with many other new fall fashions were modeled by members of FHA.

Colorful plaids and the pleated mix or match sets were the hits of the show. Sport outfits of wool and jersey also drew approval from the audience.

Lynn Ahlin was the commentator for the show. Models included Linda Brobst, Claire Chadwick, Kathy

Cooper, Joyce Hammer, Jean Hand, Virginia Markell, Kathleen Olson, Ruth Salhus, Sharon Snortum, Carla Sponaugle and Pat Williams.

Beverley Kramer, a 1956 graduate of MHS and a former national FHA officer, attended the style show as a guest of the local chapter.

The new chapter mother, Margaret Boerjan, was also in attendance, as well as Marybelle Hickner, chapter advisor.

Clothing for the show was donated by local merchants.

Sept. 19

Pipestone Blasts Tigers 20-7; Salhus Gets Tiger's Lone TD

BY DON HERRING

Bill Winter and Co. from Pipestone proved to have just too much weight for the Marshall Tigers Friday night when the Arrows blasted the Tigers, 20-7.

This was by far the best game that the Tigers have played all season. The blocking was especially good. The forward line of the Tigers, although out-weighted by at least 40 lbs, cleared the way very effectively for the backs, who gain-

Karl Salhus

ed a very respectable hunk of yardage.

Karl Salhus, playing the role of blocking back in the single wing formation used by the Tigers, played his best game for the Tigers, running interference for quarterback Dick Benson.

In addition to his blocking, Salhus scored the Tigers' lone touchdown.

Winter did all the Arrow scoring for the game, crossing into the end zone three times.

Pipestone scored their first touchdown in the opening moments of the second quarter. The Arrows, led by Ray Derby and Jim Daugherty, marched from their own 19 yard line to the Tiger 18, where Winter took it over for the TD. Jerry DeMar kicked the extra point for Pipestone, giving them a 7-0 margin at half-time.

The Arrows' second six-pointer came in the third period. Marshall was preparing to punt from their own 32 yard line when the pass from center went over Dave Nelson's head.

Nelson recovered the ball, but was nailed by a host of Pipestone tacklers on the six, where the Arrows took over.

The Tigers made a die-hard goal line stand, and held the Arrows to four yards on three plays. On the fourth down, however, Winter blasted over from the two. De Mars' PAT hit the goal post and

bounced foul, but Pipestone still had a commanding lead, 13-0.

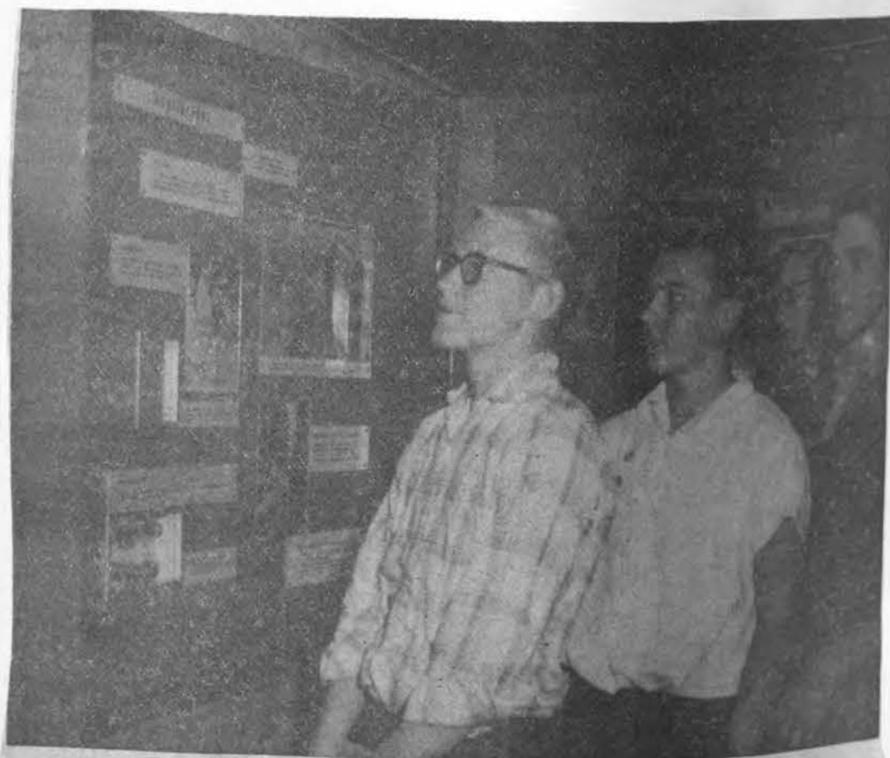

Marshall scored their lonely tally in the third quarter. Barry Pomrantz recovered a Pipestone fumble on the Arrow 35. A clipping penalty and a pass from quarterback Benson to halfback Les Jacobson brought it to the four.

On two drives, Salhus brought it to the one foot line, and then dove over for the touchdown on the next play. Pomrantz split the goalposts for the extra point, cutting the Arrow margin to six at the end of the third canto, 13-7.

Pipestone iced the game in the final period. Starting from the Tiger 38, Winter, Derby, and Bob Dressen brought the pigskin to rest on the Tiger 17. From there, Winter scampered the rest of the way for the TD. Dressen carried for the extra point, giving a final margin of 20-7 for the Arrows.

The Tigers have an open date on their schedule this Friday, with the next game being Oct. 3 in an away contest with the Luverne Cardinals.

DISTRICT FFA OFFICERS—Don Kramer (left) and Merlin Green, both seniors at Marshall high school, were elected to district offices at

the FFA meeting in Slayton yesterday. Kramer was elected president, and Green was named as reporter.—Daily Messenger photo.

2 Marshall Youths Get FFA Positions

Two Marshall high school students have been elected on to the District II Future Farmers of America council at a FFA meeting in Slayton, yesterday.

Don Kramer, 17, senior, and Merlin Green, 16, senior, were elected president and reporter respectively.

Loyal McCann, FFA instructor at Marshall high school, was elected the council's advisor.

District II is composed of 22 chapters of the FFA located in individual schools in and around Lyon county.

In addition to Kramer and Green, two other students from Marshall high school attended the district meeting.

70 Marshall FHA'ers To Attend Tracy Meet

About 70 members of the Marshall Future Homemakers chapter will attend a district FHA meeting on Saturday at Tracy. They will leave a 8 a.m.

Going with the girls will be Miss Hickner and Miss Marcotte. Two student home economics teachers who are now in Marshall, Miss Constance Nord and Miss Joan Whitney, will also attend the meeting.

A district meeting is held once a year. In the workshop at the meeting, the girls discuss the problems of the FHA activities.

Marshall Schools To Have Homecomings This Weekend

- Marshall -

Festivities at MHS will be kicked off tomorrow night at 7:30 with a pep fest at Legion Field. This replaces the traditional bon-

fire and snake dance that have been discontinued this year.

Following speeches by the coaches, team members, and various students, the activities will move to the high school auditorium. At the auditorium, Woody Jewett, senior and president of student council, will be the master of ceremonies in a variety show.

The show will feature numbers by the Rhythm Teasers, various vocal numbers, and a skit by the speech class.

The climax of the program tomorrow night will be the announcement of the homecoming queen and her attendants.

Activities will continue on Friday afternoon with a pep fest in preparation for the game. Following the pep fest, the Marshall high school band will lead the homecoming parade through Marshall.

After the game Friday night at Legion Field, the festivities will again shift back to the auditorium for the homecoming dance. The highlight of the dance will be the coronation of the queen. The Rhythm Teasers will supply music for the dance.

The junior class in charge of all auditorium decorations, and the sophomores are in charge of all field decorations.

Oct. 15

Tigers Try for First Win Against Luverne Tomorrow

BY DON HERRING
Daily Messenger Sports Editor
The Marshall Tigers will have their work cut out for them tomorrow night when they journey

to Luverne to take on the Cardinals. In this game, the Tigers will be looking for their first entry into the win column. The Cardinals have one of the

stronger teams in the state this season and are ranked among the top 25 teams in the state. They beat Jackson 26-20 in their toughest game of the year. Since then, Jackson has beaten Pipestone, who in turn took the Tigers, 20-7.

The round-robin of scores, of course, doesn't mean much, but it gives a small indication of Luverne's strength.

The Cardinals are led by their halfback, Dennis Mahoney. His starting position is right halfback, but the Cards mix up their plays quite a bit, allowing Mahoney to run every position in the backfield.

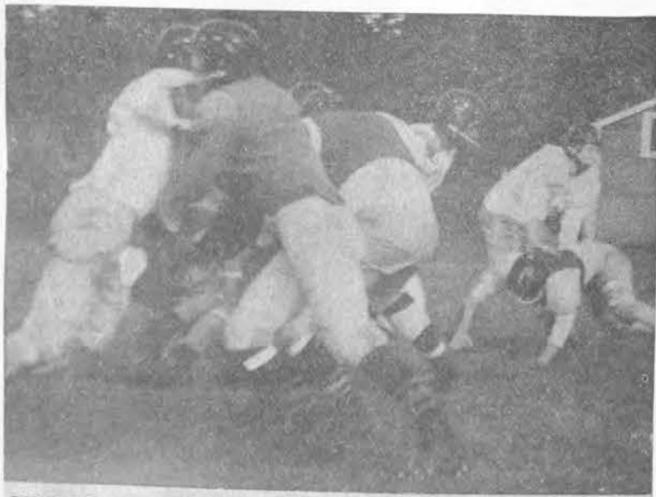

The rest of the Cardinal backfield - Tom Getman at quarterback, Dick Carter at left half, and Bill Mulligan at fullback - is almost as fast as Mahoney. Mulligan is a newcomer to the backfield this year. He played line for the Cards last season and is the weak link in the backfield.

The Luverne line averages right around the 172 mark. The biggest linemen are the two tackles - Roger Richters (185) and George McKay (190).

As usual, the Tigers will have to give away from 10 to 20 lbs. in the line. The Tiger line averages between 150 and 162 lbs.

Even though the Tigers haven't won a game yet this season, a marked improvement has been shown every game. Marshall started out the season in the T-formation, but has since switched to the single wing, which has proved more effective.

Game time at Luverne is scheduled for 8 p.m.

LINE PLAY—The Marshall Tiger linemen seem to be holding the defense quite well in this action shot taken last night at the Tiger scrimmage. Blocking and tackling by the Tigers has improved considerably since the season opener with Granite Falls. The Tigers' will meet the Luverne Cardinals tomorrow night in their next grid contest.—Daily Messenger photo.

BLOCK THAT KICK—Jim Dwire, who is rushing in, seems to be determined to do that as he charges Dave Nelson during scrimmage for the

Marshall Tigers last night. The Tigers are practicing for their Friday game at Luverne.—Daily Messenger photo.

October 2

October 16

Tigers to Meet Redwood Falls Tomorrow in Homecoming Tilt

BY DON HERRING
Daily Messenger Sports Editor

The sports spotlight in Marshall Friday night will rest on the Marshall Tigers when they play their homecoming contest with the once-beaten Redwood Falls Cardinals. Redwood had their undefeated season wrecked last week by the Granite Falls Kilowatts, 13-7.

The big threat that the Cards offer this year is the mighty mite of the backfield, 125 lb Jim Cairns, who up to last week was averaging 13 yards a carry. Cairns is the fastest man on the Redwood squad, and is a real threat once he gets around the ends.

Paul Ramseth, who directs the Cardinal Wing T offense from the quarterback slot, is another Cardinal that the Tigers will have to watch out for. Ramseth handles the ball well, and is a good passer to boot.

Favorite target of Ramseth's passes is Jay Kessler, a 6-4 190 lb. end.

The Redwood line, which averages 171 lbs, has John Riegel (150) paired off with Kessler at the ends, Garwood Mayer (210) and Mike Rasmussen (165) at the ta-

ckle slots, Larry Brietkreutz (170) and Bill Kohlof (170) at the guards, and Bob Ramseth (165) at the center spot.

In addition to Paul Ramseth and Jim Cairns, the rest of the Redwood backfield, which averages 144 lbs, consists of Dave Otto (130) at right half and Dean Gilland (147) at fullback.

Although the Cardinals lost three-fourths of their backfield last year through graduation, the big Redwood line is essentially the same one that paced the Cards to a 14-6 victory over the Tigers last year. As usual, the Tigers will be out-

weighed in the game, this time to the tune of about 15 lbs.

Tiger mentor George Rindelaub feels that his boys have a very good chance in this game. "The boys played four good games at the beginning of the season, and had a let-down last week against Slayton. We feel that they will really be up for this game," commented Rindelaub.

During practice this week, the Tigers have been running through some of the Cardinals plays with a lot of success. The Marshall de-

fense has stopped the Cardinal plays almost every time. "There's one catch to that," commented Rindelaub. "The boys that we had running the plays weren't the Cards."

Game time at Legion Field tomorrow night is scheduled for 8 p.m.

October 9

Tiger Eleven Meets Slayton In Search for First Victory

After losing their first four games of the season, the Marshall Tigers will be looking for their first entry into the win column tomorrow night at Slayton when they take on the Slayton Wildcats. Some changes have been made in the Tiger lineup since last week. Barry Pomrantz, a sophomore guard, has been shifted to a backfield, and according to Head

Coach George Rindelaub, is doing quite well in the new position.

Injuries are plaguing the Tiger squad again. Bill Powell is still out with a knee injury, Karl Salhus has a bad back, and John Berre is down with the stomach flu. Mike Rivard, the sophomore back who was slated for a lot of duty this season, is also out with a knee injury received from the first

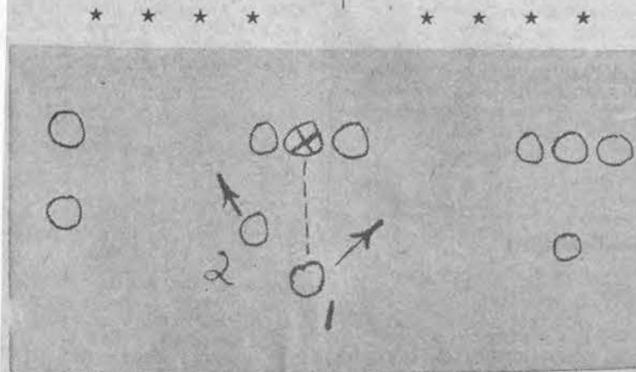

game of the season. The Tigers will be trying to hold up a schol precedent tomorrow night too. Marshall has never lost a football game to Slayton. The Slayton team that the Tigers will meet, however, will be one of the most experienced squads that the Wildcats have fielded in a long time.

The big gun of the Wildcats is their quarterback, Ed Frerk, a 155 lb junior. Frerk handles the ball well with the multiple offense that the Wildcats use. Last week, Frerk scored one touchdown and PAT and passed for the other TD in Slayton's 14-13 victory over the Tracy Scrappers.

Although the Wildcats generally run off the Straight T, they also run the single wing. When they really need a few yards, however, Slayton will line up in the spread formation diagramed and explained elsewhere on the page. This spread formation, which stretches from sideline to sideline, was very effective against Tracy last week.

Another Wildcat to watch tomorrow night will be Slayton's big fullback, Dick Swenson. Swenson is a very hard driver, and can pick up a few yards when the Wildcats really need it.

Game time at Slayton is scheduled for 8 p.m.

SLAYTON GROUND-GAINER—This will be the play for the fans to watch out for tomorrow night when the Marshall Tigers meet Slayton. This is the spread formation that Slayton uses when they need yardage. The line is spread the width of the field. The ball is snapped to quarterback Ed Frerk (1). Frerk then has the option of running through the gap, passing to fullback Dick Swenson (2) or passing to one of the ends along the sidelines.

October 14

CHEST WORKERS—Norm Berg, left, and Len Kragness examine one of their paint brushes that they are using to paint the "red feather" signs on the Haynes realty building located on Third and Main streets. The boys are working with the senior Social class which is promoting the Community Chest project in Marshall. The seniors will also knock on doors tonight to "pass the word" about the Community Chest Drive. The boys are also planning to finish up a "thermometer" on a post located at the same spot that will show graphically the total amount of collections. The Chest is appealing for \$9,000 this year.—Daily Messenger photo.

October 16

STUDY PLAYS—Three of Marshall's top linemen (left to right) Jim Dwire, Dale Allen, and Ron Sherwood, are shown studying their blocking assignments in preparation for tomorrow night's homecoming game with Redwood Falls. Redwood Falls suffered their first defeat of the season last week at the hands of Granite Falls, 13-7.—Daily Messenger photo.

October 9

DISCUSS STRATEGY—Marshall Coach George Rindelaub points out some strong points in the Tiger offense to his quarterback, Dick Benson, during practice for the Tigers last night. Marshall will take on the Slayton Wildcats tomorrow night in an away contest. In this game, the Bengals will be looking for their first entry into the win column.—Daily Messenger photo.

October 16

Slayton Wildcats Surprise Marshall In 25-7 Victory

BY DON HERRING

Daily Messenger Sports Editor
SLAYTON — The Slayton Wildcats, although hampered by the loss of their fullback, Dick Swenson, proved to have more power than anyone expected this year when they rolled over the Marshall Tigers here Friday, 25-7.

This is the first year that the Tigers have dropped a grid game to the Wildcats since their football rivalry began some time ago.

The big gun for the Cats was their junior quarterback Ed Frerk. Frerk was the leading ground-gainer for Slayton. Swenson, who is another threat in the Wildcat attack, was injured in the first half, and did not return to the game.

Ferk, however, made up for the loss of the big fullback. The quarterback scored the first tally of the game for Slayton in the initial period. On a quarterback sneak, Frerk blasted 15 yards through the middle of the Tiger line to hit paydirt for Slayton. The PAT was blocked, but the Wildcats still led, 6-0.

Marshall briefly took over the lead before the first period ended. Bob Weidauer, the Tiger's junior tackle, set up Marshall's only touchdown when he intercepted a Wildcat pitchout, giving the Tigers possession of the ball deep in Wildcat territory.

A few plays later, Marshall quarterback Dick Benson plunged over for the touchdown. Terry Rewerts ran for the extra point, putting Marshall ahead at the end of the first period, 7-6.

From then on in, however, it was Slayton and Frerk all the way. The Wildcats took over the lead in the second period with one touchdown, and scored once in each

of the remaining quarters.

Tiger mentor George Rindelaub felt that his boys didn't play up to their full potential. "We've played better games," commented Rindelaub.

The next opponent of the Ti-

gers will be the Redwood Cardinals, who meet the Tigers Friday in Marshall's homecoming game. Redwood suffered their first defeat of the season Friday when they were edged by the Granite Falls Kilowatts, 13-7.

October 17

HOMECOMING QUEEN — Joy Olsen, Marshall high school's homecoming queen for 1958, receives her bouquet of flowers from her escort Bill Powell. Joy was named queen last night at a pepfest held in the high school auditorium.

Attendants and escorts elected are Judy Carlson, Dick Benson; Pat O'Brien, Woody Jewett; Joyce Hammer, Alan Olson; Sharan Snortum, Karl Salhus.—Daily Messenger photo.

October 22

No School For 2 Whole Days

Marshall Public Schools will close on this evening, for two days, Thursday and Friday, to allow the faculty to attend the Minnesota Educational Association's session at Minneapolis.

Teachers from all over the state will be gathered for general and sectional meetings. Two noted speakers will highlight the general meeting who are Norman Cousins, editor of the Saturday Review, and Pauline Frederick, international affairs columnist of NBC Radio. Both are nationally known figures.

Sectional meetings for class work will be held, and, in addition, there will be meetings for the administration.

Classes will resume Monday.

October 20

Public Schools Plan Halloween Program

Halloween activities are being planned for all the youngsters going to the public schools for Friday, October 31.

To eliminate tricks and treats and other activities the grades, kindergarten through the sixth grade, will spend part of the afternoon in homeroom parties at which games will be played and prizes awarded for those winning the various games.

To climax the affair, the film, "Beaver Valley," will be shown to all the grade youngsters.

After the party and the movie treats will be given out to them.

Fifth and Sixth grades return at 7 p.m. for their share of the fun in the various homerooms. The girls will be in their homerooms and the boys in the gymnasium.

In Junior High school, the seventh grade girls sponsor their own party as do the eighth grade girls. Boys, likewise, have entertainment on the athletic field under the guidance of men of the high school.

At the completion of this part of the evening, hotdogs and coke are served by the American Legion. Then they all go to the auditorium for the technicolor film, "Glory."

The entire program is put on by the Marshall Public Schools Civic and Commerce Association of Marshall, and the American Legion. This program has been carried on for many years.

October 22

TICK-TICK-TICK—Secretarial work was different in the good old days. Typing was done with just two fingers. Sally Peniston portrays the secretary of by gone years. Even in those days as this picture shows, the secretary had to be neat!—Daily Messenger photo.

October 20

BICYCLE BUILT FOR TWO — Sharon Snortum and Alan Olson came down the aisle through the audience on this old fashioned contrivance during Friday's convocation. Costumes were complete

right down to the top hat and mustache! A date couldn't have been much fun with all the difficulty in steering and peddling.—Daily Messenger photo.

FHA VICE PRESIDENT—Lynn Ahlin, 15, junior Marshall high school, has been elected District vice president of the Future Homemakers of America at a meeting held in Tracy Saturday. Lynn was one of 70 members of the Marshall

FHA who attended the meeting with advisors Miss Hickner and Miss Marcotte. The two student home economics teachers, Constance Nord and Joan Whitney also attended the meeting.—Daily Messenger photo.

October 20

BOLD ON—Marshall end Terry Rewerts seems determined not to let Redwood's Jim Cairns go any further in Friday night's homecoming tilt. Other Tigers in the picture include Karl Salhus

(41), Loren Asp (55), Gordon Sieck (64), and Bob Weidauer (12). The game was won by the Cardinals, 42-0.—Daily Messenger photo.

Tigers Play Best Game, But Drop Finale To Canby Lancers

BY DON HERRING
Daily Messenger Sports Editor
CANBY — This was the best game we've played all season," commented Head Coach George Rindelaub after the Tigers' 14-0 loss to the Canby Lancers here Friday night.

Local spectators who were at Canby for the game were inclined to agree with Rindelaub. The highlight of the evening for Marshall fans was the Tiger defensive attack, which stopped the vaunted Lancer ground game time after time.

The running of Canby fullback Larry Funk couldn't be denied, however. It was Funk who tallied what proved to be the winning touchdown against the Tigers when he broke away for about 35 yards and paydirt for the Lancers in the first period.

Victorious coach Norm Overland of Canby also had words of praise for the Tigers. "This was one of the toughest games we've played all season," stated Overland. "We didn't figure Marshall to be nearly as tough as they were."

The big gun for the Lancers was Funk, who is second in the Little Sioux Conference as far as scoring is concerned. Although harried by the Tiger defense, Funk ran true to his predicted form, and ran up the lion's share of the Canby yardage in rushing.

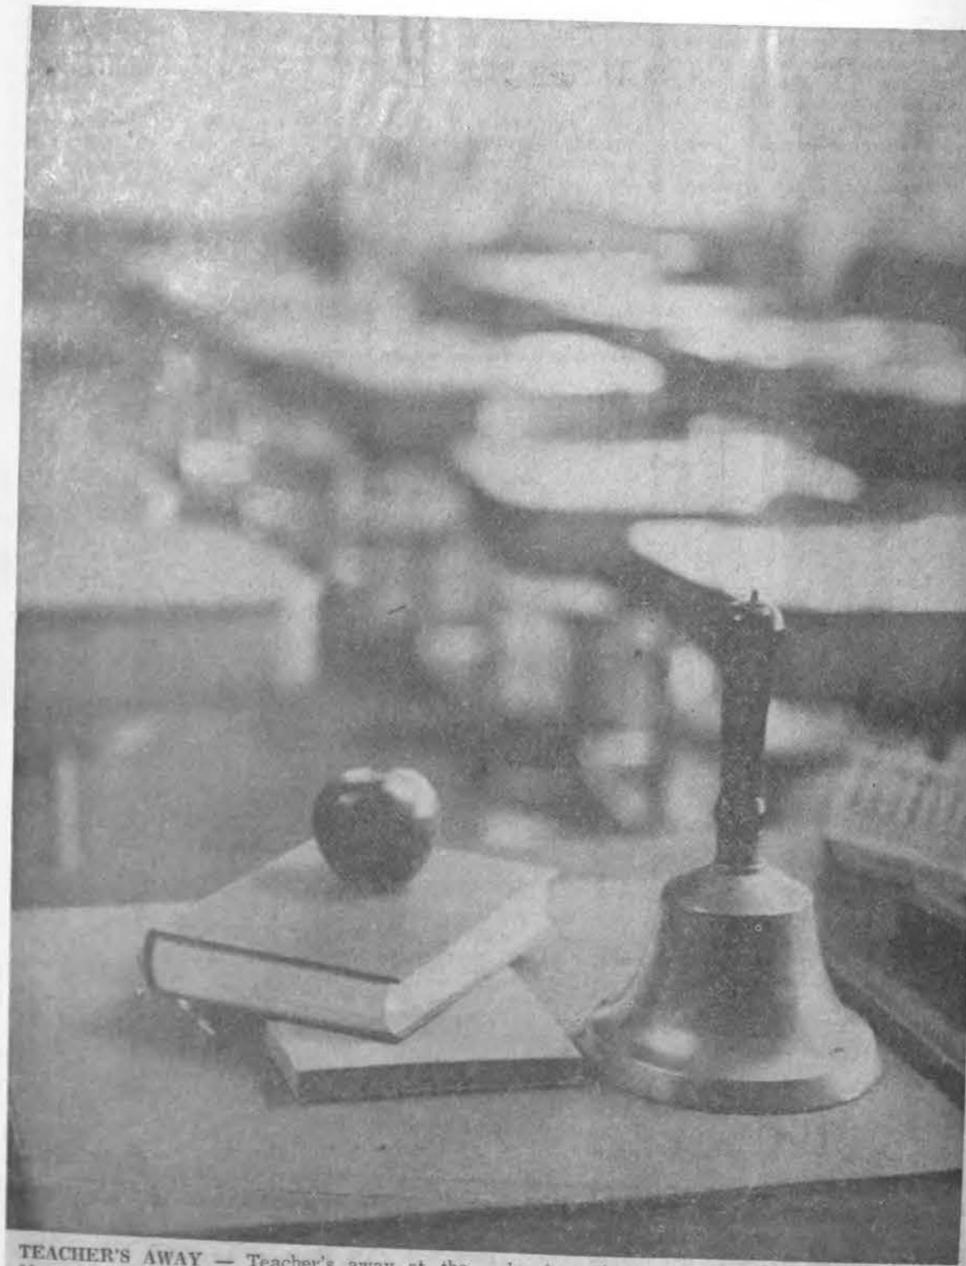

The Lancers led 7-0 at the end of the first half as a result of Funk's jaunt in the initial stanza, and scored once more in the third period when halfback Tom Sniegowski romped for the score.

Aside from the two touchdowns, however, the Tigers held firm most of the game, and checked in with a very creditable showing.

This was the last game for 16 MHS seniors, who played a good part of the game for the Tigers. Graduating from the Bengal squad this year will be Dick Benson, Dale Allen, John Berre, Ron Sherwood, Jim Dwire, Doug Eggen, Karl Salhus, Darwin Schultz, Bill Powell, Alan Olson, Woody Jewett, Charlie Bladholm, Terry Rewerts, Dave Simpson, Gordon Sleck, and Dave Wilson.

Luther Hansen, who was injured during the earlier part of the season, is also a senior on the Tiger squad, but saw little action after his injury.

November 2

TEACHER'S AWAY — Teacher's away at the Marshall public schools and the kids are out to play today. The faculty of Marshall public schools is in Minneapolis, left yesterday for the Minnesota Education Association convention. —Daily Messenger photo.

leaving the students stuck with a two-day vacation. Central Catholic students needn't feel too bad because tomorrow there's no school for them too. Some of the Central and Holy Redeemer school faculty are also going to the convention.

School Menus

High School

Monday

Baked beans with ham, potato chips, carrots, cheese, assorted sandwiches, milk, apple sauce.

Tuesday

Chow mein on noodles, cheese, carrot sticks, creamed peas, assorted sandwiches, tossed salad, doughnuts, milk.

Wednesday

Potatoes with chip beef, carrots, stewed tomatoes, assorted sandwiches, cookies, milk.

Thursday

Hamburger on bun, buttered green beans, carrot, cheese sticks, assorted sandwiches, jello, milk.

Friday

Tuna, noodle hot dish, egg salad sandwiches, peanut butter, jam, cheese sandwiches, pudding, milk.

East Side Grade School

Monday

Meat and spaghetti hot dish, cheese slices, lettuce salad, peanut butter, jelly sandwiches, sauce, milk.

Tuesday

Buttered corn, cold meat and cheese slices, peanut butter, jelly, egg salad sandwiches, buttered raisin bread, cake, milk.

Wednesday

Mashed potatoes, hamburger gravy, cheese, carrot sticks, peanut butter, jelly sandwiches, buttered rye bread, jello, milk.

Thursday

Chicken noodle soup, crackers, cheese, chicken salad sandwiches, peanut butter and jelly sandwiches, cookies, milk.

Friday

Tuna hot dish, cheese and carrot sticks, peanut butter, jelly, egg salad sandwiches, sauce, milk.

West Side Grade School

Monday

Barbeque hamburgers on buns, potato chips, pickles, peanut butter, jelly sandwiches, cheese slices, vanilla tapioca pudding, milk.

Tuesday

Baked beans with ham or potato salad, carrot and celery sticks, pickles, cheese slices, peanut butter, jelly, apple butter sandwiches, doughnuts, milk.

Wednesday

Mashed potatoes and meat gravy, sauerkraut, carrot, cheese sticks, peanut butter, jelly sandwiches, buttered dark bread, jello, milk.

Thursday

Hamburger hot dish, pickles, cheese slices, cranberry jello salad, peanut butter, jelly sandwiches, apricot sauce, milk.

October 20

STUDYING CHEMISTRY—Jack Fifield, who was run over by a 12,000 road packer and narrowly escaped death August 6, studies his chemistry book with a nurse at the Weiner Memorial hospital while he listens to a lecture on tape. Fifield, a senior at Marshall high school, has been taking his lessons on a tape recorder. —Daily Messenger photo.

Friday

Sweet potatoes or macaroni pea and cheese salad, carrot and celery sticks, peanut butter, jelly sandwiches, raisin bread, glorified rice, milk.

Holy Redeemer School

Monday

Buttered peas and carrots, potato chips, cheese slices, meat, peanut butter, jelly sandwiches, white cake, milk.

Tuesday

Beef stew, cabbage salad, cheese slices, butter, peanut butter, jelly sandwiches, cherry cobbler with whipped cream, milk.

Wednesday

Baked beans, wieners, cheese slices, carrot and celery sticks, butter, peanut butter, jelly sandwiches, vanilla pudding, milk.

Thursday

Escalloped potatoes with ham, jello vegetable salad, cheese slices, butter, peanut butter, jelly sandwiches, blackberry sauce, milk.

Friday

Tuna hot dish, cheese slices, pickles, carrot and celery sticks, butter, peanut butter, jelly sandwiches, peach sauce, milk.

November 24

A Thanksgiving Present

GOING HOME—Jack Fifield, bedridden for 11 weeks, who miraculously escaped death last fall when he was run over by a 12,000 pound road packer, left the Weiner Memorial hospital Friday with his mother and father. "It's the best Thanksgiving present we could ever ask for," commented Mrs. Fifield. "We are very grateful and very very thankful." Jack was run over by the packer while working on a construction crew near Marion, S. D.

in early August. An attending physician at the accident reported that if Fifield had been moved, a splinter from his broken pelvis could have punctured his kidney resulting in death. The doctor also commented that if he had been run over an inch or so higher up on his body, death also would have resulted. Jack hopes to return to classes at Marshall high school this spring.—Daily Messenger photo.

They Both Rate Cheers

Marshall's Tigers and the Minnesota Gophers are in about the same boat this year as far as football records are concerned. The Tigers completed their first winless season in years, or perhaps in recent history. Minnesota, too, faces the strong possibility of a winless season.

It's a bitter pill for both the Marshall and Gopher fans. These fans remember better years. Marshall rooters recall the Tigers' record — still on the books — of the longest skein of undefeated games in Minnesota prep circles. Even when they didn't win them all, Marshall's Tigers were widely regarded as the power of southwestern Minnesota.

Gopher fans also recall the days of glory for the maroon and gold. The national championships, the all-American players, the reputation of "Giants of the North" are all a part of Minnesota Gopher tradition.

It's easy for fans to cheer the winning team — the team that takes on and conquers all comers. It's easy for the players themselves to keep their spirits high and to play their "best" game when they have the confidence that comes with victories.

November 4

But if football is more than a crowd-pleasing sport — and it certainly is — then some good lessons can be learned by the winless seasons. The Tigers have learned that so long as they didn't join the "lose and love it" club, they had the respect and admiration of their followers. As long as they fought their hearts out through defeat after defeat, without quitting, they still claim that admiration and respect.

The 1958 edition of the M.H.S. Tigers will be remembered as "the tough little guys who didn't have the horses, but they did have the heart."

For that they rate the cheers of the Marshall fans.

November 7

FFA AWARD WINNERS—The above group of FFA members from Marshall received "gold key" awards from advisor Loyal McCann (third from left) at the 13th Annual FFA Parents and Son banquet at the Evangelical United Brethren church last night. The gold key is received by a student who is in his senior year and has

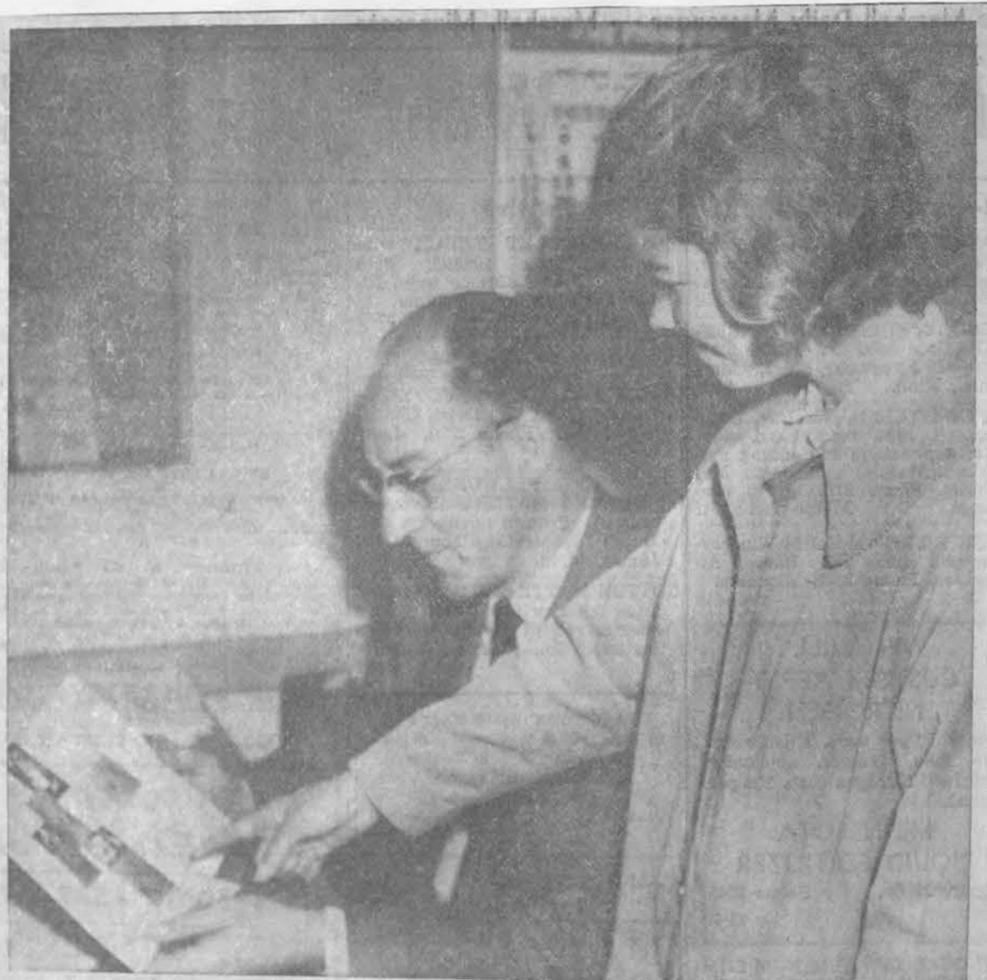

earned a "letter" in each of the three previous years in high school. Left to right are: Warner Babcock, gold key for poultry; Alan Forbes, livestock; McCann; Merlin Green, meats; David Jacobson, meats; Donald Kramer, livestock; Juels Carlson, livestock; Duane Wyffels, crops.—Daily Messenger photo.

November 14

OPEN HOUSE—Cathy Novosad, 4, of Marshall, looks over a table display set-up by school children at the West Side grade school for the school's annual open house. Cathy was one of hundreds of parents and tots who chatted with

teachers and viewed displays set up by grade school children. Cathy seems to be dreaming of the day when she too will have the opportunity to go to school and play "house."—Daily Messenger photo.

FHA INTRODUCTION—Lynn Ahlin, president of District 9 of the Future Homemakers of America, introduces Millard Ehlers, Marshall insurance man, to the activities of FHA. Any student enrolled in a high school, public or private, who is taking or has taken homemaking courses in junior or senior high, may become a member of the organization. The FHA is a national organization of girls and boys studying homemaking in the high schools of the United States and territories. Lynn is showing Ehlers a copy of a FHA pamphlet in conjunction with a drive by the local chapter to acquaint residents with the activity of the organization.—Daily Messenger photo.

Nov. 3

DEFENDING CHAMPS — Jerry Lemke (right) and Judy Carlson are the defending champions in the mixed doubles classification in the badminton tournament now underway at Marshall high school. Lemke is also the defending champ in the senior boys singles division. The finals of the tournament will be held Friday at 11:20 in a special convocation at the school auditorium.—Daily Messenger photo.

Nov. 4

BALLERINA?—No, Diane Powell isn't practicing for the latest ballet, she's merely practicing her shots for the badminton tournament now in progress at Marshall high school. The finals of the tourney will be held at the school Friday. —Daily Messenger photo.

Nov. 4

DESSERTS BEING TESTED—The Home Economics class of Marshall High school is testing cakes, pies, desserts of all kinds, for the contest being conducted by the Marshall Messenger. The recipes will appear in the Messenger Cook Book. Shown from left to right are: Marilyn Culberson, Katherine Cool, Mary Fox and Suzanne Mitchell. All recipes are tested by a point system.—Daily Messenger photo.

Nov. 6

OUCH!—Jeanette DePyper, first-grader, was one of the "brave ones" at East Side grade school who received vaccination against small pox and inoculation against diphtheria this morning. Some of her classmates weren't as brave, especially a young fellow who witnessed a girl before him passing out and headed for the exit. He was quickly retrieved. Local doctors will give the shots to all the schools in the county. Next stop is Minneota on Thursday.—Daily Messenger photo.

Nov. 4

BADMINTON CHAMPIONS—Jerry Lemke, Judy Carlson, Dick Belmont, Donna Saunders, and Diane Brosseau were crowned as the badminton champions of Marshall high school this morning after they had won their matches in a special convocation held at the high school at 11:20. Lemke took the senior high boys' singles tournament, beating Larry Pank, 15-3 and 15-1. Miss Carlson and Lemke teamed up to take the senior high mixed doubles title, winning over Danny Lanoue and Pam Murphy, 15-5 and 15-7. Miss Carlson also won the senior high girls' singles tournament, beating Donna Popovich, 11-5 and 11-4. Belmont was the winner over Mike Gade in the junior high boys' singles, winning 15-10 and 15-8. Belmont and Miss Saunders paired off to take the junior high mixed doubles title, winning over Marsha and Mike Gade, 15-4 and 15-4. Miss Brosseau was the winner in the junior high girls' singles, beating Miss Saunders, 11-1 and 11-5 after losing one match 14-12. Pictured above are (first row, left to right) Jerry Lemke and Dick Belmont. Second row: badminton instructor Stu MacDonald, Judy Carlson, Diane Brosseau, and Donna Saunders.—Daily Messenger photo.

Nov 7

BABY CONTEST—Members of the Marshall high school FHA are sponsoring a "baby contest" that will require students from the seventh through the twelfth grade to enter pictures of themselves when they were tots. All the entries will be pasted on a chart that will hang in the school hall. The names of the entries will not be revealed and onlookers will put a penny in the tin can located below the picture for their vote. The picture that receives the most votes (or pennies) will be called the "cutest baby in Marshall." (ABOVE) Sharon Paxton, baby girl, Phyllis Percy, mother, and Pat Williams, father, provide a striking pose as they prepare to enter the high school auditorium where the FHA put on a show this morning announcing the beginning of their "Cute Baby" contest. (BELOW) Yvonne Poifflet, left, and Helen Dale, admire an entry pointed out by Pat Poifflet.—Daily Messenger photo.

Nov 21

PLAY PRODUCTION—Leonard Johnson, speech instructor at Marshall high school, directs the junior class through a rehearsal of "Meet Me In St. Louis," at the high school auditorium last night. The juniors will present the play for adults on tomorrow night at 8 in the auditorium. A production for school children will be given on Friday at the same time and place. "Meet

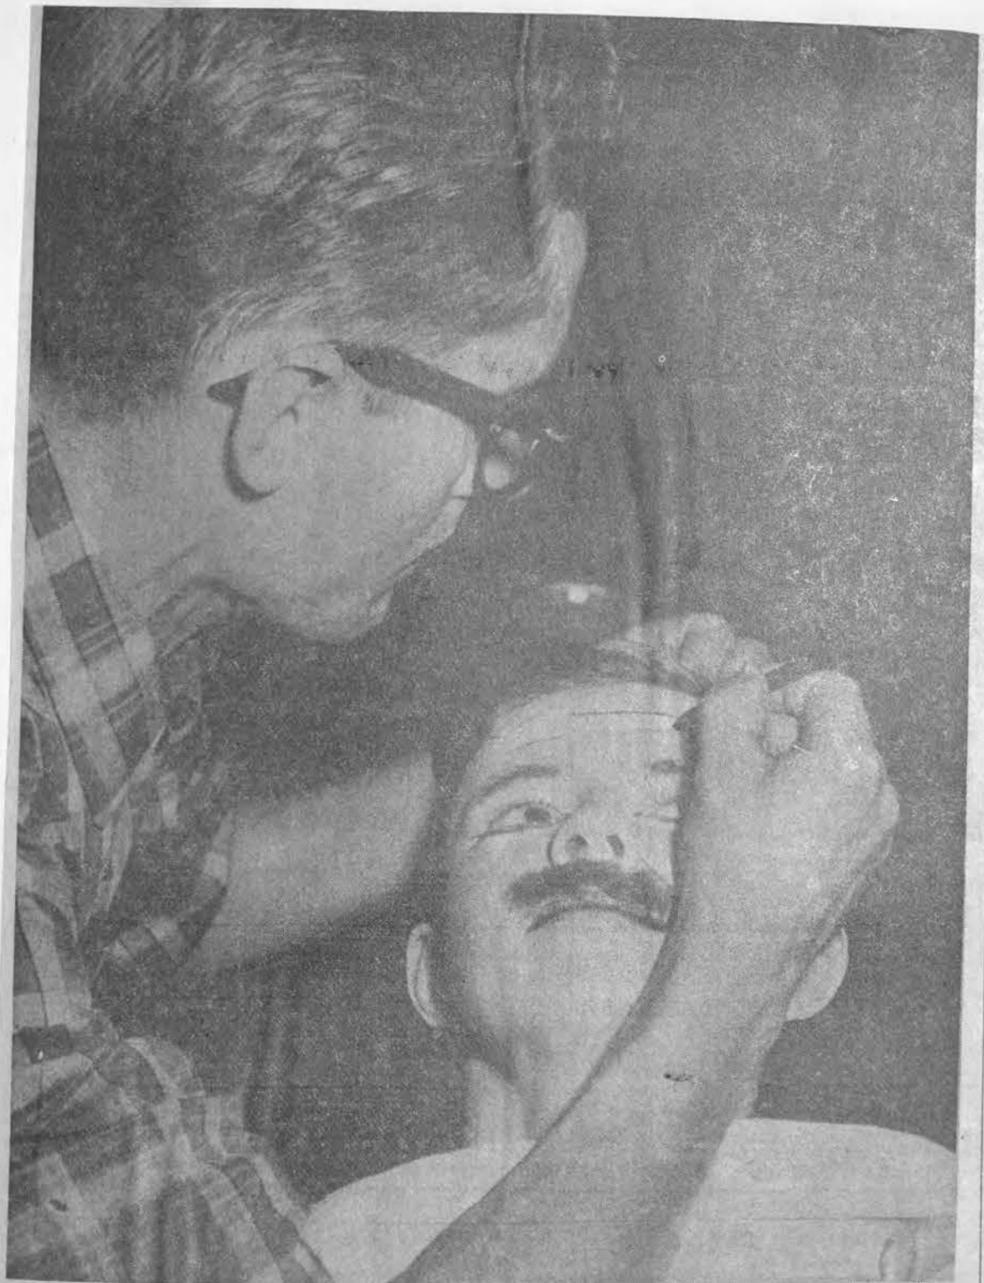

Me . . ." is a comedy full of incidents that the junior's guarantee to keep the "listeners in laughs." The setting is old fashioned, the furniture, collected from here and there, is the same period. Costumes are period costumes. Reserved seats are available at Bulowski's Drug store at no additional charge.—Daily Messenger photo.

Nov 24

Nov 24

CLASS PLAY—Action moved fast Friday evening at the Marshall high school auditorium as the junior class presented the final of two performances of "Meet Me In St. Louis." A scene above from Friday's presentation shows Marian Lindgren pleading with Charles Eubanks in one of the earlier scenes of the play. Seated on the couch with Marian Lindgren is Lynn Ahlin. In the background is Cathy Eckdale.—Daily Messenger photo.

MAKIN' UP—Lee Conyers, high school English instructor, puts the finishing touches on the face of Marshall high school junior Dave Kidder for the junior class' production of "Meet Me in St. Louis," to be presented tonight and tomorrow night at 8 p.m. in the high school auditorium. The play takes place at St. Louis in 1904 when the World's Fair is about to open and the Smith family is excited at the prospect, when disaster strikes. Mr. Smith is being transferred to New

York. His daughters, however, are not prepared to move without a struggle, and the play deals with their hilarious attempts to keep the family in St. Louis. Other members of the cast are: Charles Eubanks, Jean Milbrandt, Diane Powell, Marian Lindgren, Lynn Ahlin, Kathy Eckdale, David Nelson, Tom Runholt, Virginia Markell, Claire Chadwick, Merilee Schulz, Jerome Barron, Jerry Reese, Linda Brobst, Mike Rivard and Bill Ehlers.—Daily Messenger photo.

RETURNING LETTERMEN—Looking over the team roster for this year with Coach Glenn Mattke are three of the returning lettermen that the Marshall Tigers have this year. They are (left to right) Dick Benson (kneeling), Bruce Dawson, and

Lowell Johnson. Karl Salhus, the other letterman coming back this season, was not present when the picture was taken. Practice began for the Tigers last night, with about 40 boys turning out.—Daily Messenger photo.

OLD COACHES NEVER DIE—Casting a watchful eye on basketball practice at Marshall high school last night were these two former coaches of the Tigers—Stu MacDonald (left) and Glenn Moran. Moran coached the cagers from 1952 to 1955, and MacDonald coached from 1956 to 1958.—Daily Messenger photo.

Marshall Tigers Have Only Four Cage Letter Winners Back

BY DON HERRING
Daily Messenger Sports Editor

A lot of new faces will be seen on the floor of the Marshall high school basketball court this season.

The first new face will be that of Glenn Mattke, who took over

of last year's squad were lost through graduation in the spring, including the five starters.

Gone from the squad will be Marshall's big three last year—Bob Peterson, Bill Carrow, and Don Stearns—who were the top three in the scoring column.

Also gone will be the fiery little guards—Butch Else and Curt Porter, along with a good many top replacements, including John Ahlin, Dick Ogle, Norm Myers, Jim Williams, Dick James, and Gary

Asp. This year Mattke will build his team around four returnees who received only a smattering of experience on last year's senior dominated squad.

Those veterans include Karl Salhus, Dick Benson, Bruce Dawson and Codge Johnson.

Speed will probably have to be the keyword for the Tigers this season, because height will not be a strong point for the new edition of the Bengals.

Johnson will probably be the tallest man on the squad, standing about 6-1. Salhus, Dawson, and Benson are all shorties, with their average height about 5-9.

About 40 hopefuls turned out for the initial practice of the year last night, and with only about 12 positions open on the varsity, a real scramble for the team will be in evidence at MHS.

Marshall opens their season on Nov. 25 with a home game against the Tyler Danes.

TIGER SCHEDULE

- Nov. 25—Tyler (home)
- Nov. 28—Redwood Falls (home)
- Dec. 2—Madison (away)
- Dec. 5—Luverne (away)
- Dec. 13—Canby (home)
- Dec. 19—Slayton (away)
- Jan. 2—Fulda (away)
- Jan. 3—Lake Benton (home)
- Jan. 9—Tracy (away)
- Jan. 10—Minnesota (away)
- Jan. 16—Redwood Falls (away)
- Jan. 23—Pipestone (home)
- Jan. 30—Tracy (home)
- Jan. 31—Canby (away)
- Feb. 6—Montevideo (home)
- Feb. 13—Pipestone (away)
- Feb. 20—Walnut Grove (home)
- Feb. 24—Clarkfield (home)

the coaching reins this year at MHS after coaching five years at St. Peter.

Mattke, at the first practice of the year last night, found himself a big rebuilding job this season. Eleven of the first fifteen regulars

Marshall High — Report Cards To Be Sent Out

Next Wednesday, is report card day at Marshall high school. Cards go out every six weeks in the local school.

In addition to the cards, many youngsters will receive notes from their individual instructors urging better work and complimenting them on the grades earned. Not every student gets this type of a slip and each is individual, each teacher having their own method of trying to secure the best possible effort.

For the first time in 30 years, Marshall high school has gone to plus and minus for each of the grades in hopes that better work will result; it gives the teachers a wider range of marking and should spur the youngsters on to just a little better work.

Principal Merrill Olson urges that report cards should be carefully inspected by the parents, and if there are any questions, contact the local high school.

Nov. 26

Home Ec Teacher Speaks To Rotary

Mary Ellen Marcotte, a home economics instructor at Marshall high school, was the featured speaker at the weekly meeting of the Rotary Club yesterday noon.

Miss Marcotte spoke on her recent visit to Europe and also showed colored slides at the meeting.

Harry Gregoire spoke briefly on his trip to the west coast, and his impressions of the various Rotary Clubs that he attended during his trip.

A quartet of Rotarians, accompanied by Wayne Taintor, sang in honor of F. J. Meade's birthday.

Next week's program will be in charge of Bob Lenz.

Nov. 26 '58

Frey Will Attend JC Meet At Fergus

Les M. Frey, superintendent of the Marshall schools, will attend a statewide meeting at Fergus Falls, Dec. 12, designed to study junior college problems in the state.

Frey will represent Marshall among 41 other communities expected to attend.

Marshall has been recommended by the advisory committee to the state board of education as a possible sight for a state-supported junior college. No actual sights have been named nor a financing program set up.

The meeting was called as the Legislative Commission on Higher Education ended a day-long session in St. Paul Wednesday without agreeing on any junior college proposals.

Dec. 2

Tigers Lose In Openers

Nov. 26

Tall Danes Are Too Much For Marshall Tigers

BY DON HERRING
Daily Messenger Sports Editor

The Marshall Tigers, playing their first game of the cage season last night, were topped by the highly-touted Tyler Danes, 59-50, but the Danes had to hit on all five to do it.

The Tigers had Tyler plenty worried in the first half, when they matched the Danes basket for basket.

A pair of guards were the high hoop men for the Tigers. Firey little Bruce Dawson led the parade with 15 points, with Dick Benson right behind with 13 markers.

Don Petersen of Tyler was the

leading scorer for the evening, checking in with 21 points. Les Hansen and Gary Utoft also hit double figures for the Danes with 11 and 16 points.

With Benson and Dawson leading the way, the Tigers jumped off to a fast start in the first period. Benson hit three straight jump shots from about 25 feet out, and then Dawson started driving in for lay-ups.

Don Petersen and Gary Utoft held the fort for the Danes, however, and at the end of the first quarter, the Tigers found themselves with a scant one point margin, 16-15.

The lead see-sawed back and forth in the second period, with Benson, Dawson, Bill Powell, and Karl Salhus scoring for the Tigers. The Danes came back to knot up the tally with a few seconds

remaining in the period at 27 apiece. Then a last second shot by Gary Utoft was good, giving the Danes the lead at the end of the first half, 29-27.

A frigid third period cost the Tigers the game. The Danes came back after intermission to tally three quick baskets, giving them a lead that the Bengals never overcame.

Petersen was the guiding light for the Danes, meshing nine markers in this period.

The Tiger's Bruce Dawson also did all right for himself, but the trouble was that he was the only one that tallied for the Tigers in the third quarter. Dawson potted eight points, the total output for Marshall.

As a result, the Tigers found themselves trailing by 13 markers

at the three-quarter mark, 49-35.

The Tigers bounced back fighting in the final period, but the big Tyler lead was just too much to overcome. At one time in the last quarter, however, Marshall had the Tyler margin whittled down to four points, but the Danes turned on the heat, and ended up with a nine point margin, 59-50.

The Tigers looked exceptionally good in this, their first game of the season. The Danes have one of the tallest teams that the Tigers will face all year, and in the first half, the Bengals were holding their own with the big guys.

The Tigers will face another toughie in their second outing of the year Friday night when the Redwood Falls Cardinals come to town. Game time Friday is scheduled for 8 p.m., with a preliminary B squad game beginning at 7.

The Marshall Cubs also went down to defeat last night at the hands of the Tyler Paps, 26-21. John Christianson was the leading scorer for the Cubs with six points.

The box score:

Tyler (59)	FG	FT	PF	TP
Petersen, c	10	1	4	21
Steffan, f	3	1	3	7

Schools To Give Concert Dec. 18

The Marshall Public schools will present their annual Christmas concert at the high school auditorium Dec. 18.

There are several new parts being added to this year's program. A new background for the stage is being constructed by the art class. The plate glass, four by seven feet, is being painted and lights will be played upon it during the program.

The grades, junior high school boys and girls Glee Club, and the senior high chorus will be featured singing Christmas songs and carols.

Dec. 8

School Bus, Auto Collide Here Fri.

A school bus, bringing 40 students home from the Marshall Public high school, collided with an auto on highway 19 Friday. No one was reported injured.

The bus, driven by Donald Thomas, accidentally ran into the back end of an auto driven by Raymond Zajic, Lucan, as the Zajic auto came to a sudden halt. The bus was unable to stop in time. A total of \$250 damage was done to both vehicles.

Dec. 8

Tigers Edged By Tall Cards; Johnson, Dawson Lead Locals

BY DON HERRING
Daily Messenger Sports Editor

In a game that wasn't decided until the last few minutes of play, the Marshall Tigers gave the Redwood Falls Cardinals a real run for their money before finally losing by a five point margin, 57-52.

The game was actually a lot closer than the five point difference indicates. The Cards have one of the better ball clubs around this area, but the Tigers kept in contention all the way, although plagued by a frigid second half.

Two men shared the scoring honors for the Tigers—center Lowell Johnson and guard Bruce Dawson—with 14 points apiece.

Johnson tallied ten of his points from the free throw line, while Dawson got his on five field goals and four gift shots.

As expected, the high man for the Cards was Jay Kessler, Redwood's 6-4 center, with 22 points. Little Jimmy Cairns also hit notable figures for the Cards with 16 markers.

The Cardinals bounced off to a quick lead in the first quarter, but the margin was whittled down to three points at the end of the

quarter mark, 44-43.

The day-spoiler for the Tigers in the last period came at the free throw line. Led by Cairns, who potted six gift shots in this period, the Cards knotted up the game with nine points via the free throw route. Meanwhile, the Bengals found the baskets a little harder to hit, and only managed to tally nine points in the final period.

Despite the loss, the Tigers showed that they are going to be full of surprises this season. Throughout the game, a hustling, fiery crew was on the floor for Marshall, playing a brand of ball that delighted the fans.

The Marshall Cubs also lost their preliminary contest to the Redwood Bees, 43-20. Bill Furan and Bob Sherwood were the high point men for the Cubs with six markers apiece.

The next game for the Tigers will be tomorrow night, when the Orange and Black travel to Madison to take on the Dragons. The

B squad contest will start at 6:45, with the varsity game beginning about 8.

The box score:

Marshall (52)	FG	FT	PF	TP
Powell	1	0	0	2
Thomton	0	0	1	0
Pomrantz	1	0	3	2
Jacobson	4	0	0	8
Johnson	2	10	5	14
Benson	5	0	1	10
Dawson	5	4	2	14
Salhus	1	0	2	2
Lemcke	0	0	1	0
Totals	19	14	15	52

Redwood Falls (57)	FG	FT	PF	TP
Ramseth	3	0	3	6
Riegel	1	1	0	3
Gelinne	0	0	3	0
Kessler	8	6	5	22
Cairns	4	8	3	16
Swenson	2	2	2	6
Carruth	1	0	2	2
Johnson	1	0	3	2
Totals	20	17	21	57

Against Madison —

Marshall Looks for First Win Tuesday

The Marshall Tigers will be looking for their first entry into the win column tomorrow night when they travel to Madison to meet the Dragons.

Although the scrappy little crew

coached by Glenn Mattke has played two good games so far this season against Tyler and Redwood Falls, they have yet to have their first taste of victory in this year's fledgling basketball season.

Against the Dragons, the Tigers will find things a little more to their own size. Although Coach Jolly Carlson of Madison has five boys over six feet, his regulars will all check in around the 5-11 mark.

The exception to the rule is 6-4 center Mart Hoffman, who started for the Dragons last season.

Another Madison boy to watch out for will be Donn Ehlenz, a 5-11 forward who also started last season.

Aside from the two starters, Carlson has three other lettermen returning to his squad this season in the persons of Herm Weidner, a 5-11 guard, Rog Swenson, a 5-11 guard, and Wayne Sletten, a 6-1 forward.

Tiger mentor Mattke will probably stick with his five regulars who paced the Orange and Black in the first two games.

The lineup will probably include Bruce Dawson and Dick Benson at the guards, Barry Pomrantz and Bill Powell at the forwards, and Lowell Johnson at center.

Others who will see extensive action include Karl Salhus and Les Jacobson.

Bruce Dawson

initial period, 14-11. Dick Benson's three field goals kept the Tigers in the lead. Kessler got his hoopster for the Cards this period with seven points.

As in the first game of the season with Tyler, the Marshall squad was ice-cold in the third period. The Tigers only netted 10 markers in this quarter, compared with the torrid 22 that they racked up in the second stanza.

Luckily, the Cards were also comparatively cold in the third canto, scoring only 12 points, but it was enough to take a scant one point margin at the three-

Sec. 1

Dec. 8

Schools Get Monitoring Kits

Central Catholic and Marshall high schools recently received a radiological monitoring kit from the Minnesota Department of Civil Defense.

The kits, two of 507 distributed to schools throughout the state, will be used for instruction in chemistry and nuclear physics.

Each kit contains pocket dosimeters, survey meters, a geiger counter, radiation source and instruction manual. Total retail value of the equipment is several hundred dollars.

The instruments are used to measure radioactive fallout, which is the deadly invisible substance released in nuclear explosions. At the schools, the students will study nuclear energy and fallout with the kits.

Purpose of Civil Defense department's program in distributing the kits, is to assist high schools in incorporating radiological defense education into their science curriculum, and to insure that personnel in areas throughout the state can carry out a monitoring mission in the event of a nuclear attack.

According to the department, any person within 500 miles of a 20-megaton (20 million ton) nuclear bomb blast could receive a lethal dose of radiation from fallout. Farm crops, food supplies and living areas will be contaminated by radiation.

Under provisions of the Minnesota Civil Defense Survival Plan, each community in the state is directed to establish a radiological defense service consisting of volunteers who are trained to use the monitoring instruments for detecting radiation, and in decontamination procedures. The other civil defense services, including welfare, police, and medical, must also be capable of monitoring

and decontaminating their own personnel.

In line with these needs, over 350 Minnesota high school teachers have been trained as radiological monitoring instructors. Accordingly, many high schools throughout the state are now conducting monitoring courses as part of regular science curriculum such as Central Catholic and Marshall high schools.

Dec. 3

LAUGH WHILE YOU MAY — Sharlene King (left) and Kathleen Olson may be having fun doing dishes now, but starting Friday, these girls, along with the rest of the members of the Marshall FHA will be washing dishes and doing other odd jobs to help raise money for the club. The girls will be available to local housewives and business places to perform such odd jobs as

Dec. 4

Quarterbacks Will Hear Gopher Coach

Dick Larson, former Minnesota quarterback and currently an assistant coach of the Gophers, will be featured speaker tomorrow night at the annual Downtown Quarterbacks football banquet.

The Quarterbacks 160 strong, will entertain the Marshall high school football squad at the banquet, which begins at 6:30 at the First English Lutheran church.

This dinner is the highlight of the year for the 100 members of the various MHS football squads. The only qualification for an invitation to the annual feed is that members of the squad remain out for football during the entire season.

The 100 players from Marshall include members of the varsity, which played an eight-game schedule; the B squad, which played a four-game slate; and the C squad which featured inter-squad games.

Besides Larson, representatives from the football squads will also speak, as well as coaches, George Rindelau, Wayne Peterson and Harry Ahlin.

After the completion of his speech, Larson will show movies of various Minnesota football games played this season.

Dec. 8

In Friday Night Tilts

Tigers Have a Cold Night On Big Luverne Court

BY DON HERRING
Daily Messenger Sports Editor

LUVERNE — The weather was cold Friday night, and so were the Marshall Tigers as they dropped their fourth straight game of the season, this one to the Luverne Cardinals, 62-43.

High hoopster for the Tigers was their junior center, Lowell Johnson, with 17 points. Dick Benson was also in double figures for Marshall with 10.

The Cards were paced by a pair of sharpshooting front liners, for-

ward Larry Rapp, who plunked in 21 points, and center Bud McKay, who ended the evening with 18.

The Cards bounced off to a fast lead in the initial period, with Rapp showing the way. The lean forward bucketed five straight set shots from about 20 feet, and coupled them with three free throws for 13 markers.

Johnson was the leading hoopster for the Tigers this quarter as he scored eight points on three field goals and a pair of gift shots. The rest of the Bengals, however, could't seem to find the range as they ended the period behind by nine points, 22-13.

The game went much the same way in the second stanza. Marshall zeroed a little more on the basket, but for the most part, the bucket still had a cover on it for the Tigers. Dick Benson connected on three jump shots from his

position at guard, but the rest of the Marshall team only contributed six points.

The Cards cooled off a little in this canto from the floor with only four field goals, but really started hitting from the free throw line, hitting five for seven. This left the Tigers behind at intermission, 35-25.

The Marshall attack really bogged down in the third stanza. The Tigers only managed to tally eight points in this period, five of them by Johnson.

Luverne also cooled off considerably in this period, only bucketing 11 points, their lowest scoring quarter of the evening. They still gained three points on the luckless Tigers, however, as they led at the three-quarter mark, 46-33.

The last period of the contest was rather anti-climatic. The Cards went merrily on their scor-

ing ways, while the Tigers shots went around, above, below, and occasionally in the basket.

The Tigers went scoreless in the first four minutes in the last period. Reserves flooded the floor for both teams in the last four minutes, with the Tiger subs accounting for themselves very well.

Led by Paul Thornton's four points, the Tiger reserves poured in 10 points in four minutes.

Luverne kept the ball rolling through the hoop, however, and ended with a 19 point margin at the final gun 62-43.

Marshall lacked the outside scoring punch in this contest that was evident in the first three games of the season.

Although Benson hit 10 points, his partner at the guard slot—scrappy little Bruce Dawson—had an ice cold night, scoring four points.

The thing that seemed to trouble the Tigers all night was the big Luverne court, which kept the Bengals panting all evening.

Although the Luverne floor is three years old, only two of the current Tigers had played on it before—Benson and Dawson, playing on the B squad in '57.

Another toughie comes to town Saturday night for the Tigers as they face last year's district champs, the Canby Lancers.

Game time Saturday is slated for 8 p.m., with a preliminary B squad tilt beginning at 7.

The box score:

Marshall (43)	FG	FT	PF	TP
Benson	5	0	0	10
Dawson	1	2	0	4
Jacobson	0	0	2	0
Johnson	6	5	4	17
Lanoue	1	0	0	2
Powell	0	0	4	0

Kropowski	1	0	0	2
Totals	23	15	13	62

Dec. 12

Canby Lancers Will Meet Tigers Saturday

BY DON HERRING
Daily Messenger Sports Editor

Don't the Marshall Tigers ever get a breather? In their first four games of the season, they faced four of the toughest teams in this area.

Now, for their fifth game, the Canby Lancers are coming to town tomorrow night. The Lancers, last year's district champs, don't have a lot of height this year, but they've got experience to burn.

First off, you've got Ror Craigmile, a sharp-shooting 5-11 guard who plunked in something like 51 points last week against Clara City. Craigmile, a three-year letterman, is the sparkplug of the Canby squad this season, as well as one of the leading scorers.

Next in line is Rog Eischens, another starter back from last year's squad. Eischens, a 6-0 forward, is another leading scorer for Canby squad.

Then, for good measure, there are a pair of top reserves back from last year—Keith Goettsch (6-1 center) and Tom Olson (5-9 guard).

In addition to these returning lettermen, Coach George Potter has a quintet of top juniors such as Tom Sniegowski (5-8), Larry Funk (6-0), Bruce Husby (6-0), Lowell Nomeland (5-11), Ray Kuester (6-1), and Ron Peterson (6-0).

Potter only lost three seniors from last year's championship team—center John Appelen, forward Mike Plinski, and guard Ronnie Meade.

Meanwhile, the Tigers are looking for their first victory of the season in this game.

Coach Glenn Mattke's crew have played good ball so far this year, but couldn't seem to pour in those two or three buckets that were needed to win the game.

Starting for Marshall tomorrow night will probably be Lowell Johnson at center, Barry Pomrantz and Bill Powell at the forwards, with Dick Benson and Bruce Dawson at the guard slots.

Game time on the Marshall court tomorrow night is scheduled for 8 p.m., with the Marshall Cubs and the Canby Bees playing a preliminary B squad contest at 7.

Dec. 8

Adult Classes Begin Soon

Adult education classes will soon begin at Marshall high school reports Les M. Frey, superintendent of Marshall schools.

Each year, the school offers training in various fields for adults. This year, industrial training for men, bookkeeping, typing, home-making and painting will be offered.

INDUSTRIAL TRAINING (FOR MEN)

STARTS: Jan. 5, at 7 p.m.
PLACE: Industrial Arts dept., Marshall high school.
INSTRUCTOR: Larry H. Keinholtz.

There will be ten meetings of two hours each for a total period of twenty hours. Classes will be held on Monday evenings. Since enrollment for the course will be limited to a minimum of fifteen (15) and a maximum of eighteen (18), the registration fee will be between \$5.00 and \$7.50, depending upon the final enrollment figures. The course will not be offered if the enrollment is too low.

This course will be an attempt to meet the needs of those men who have or desire to have a home work shop. It is planned to give instruction in the use of basic hand woodworking tools. One project will be assigned involving certain basic operations. The student may, upon completion of this project, choose some small article that can be completed in the time remaining.

All materials will be purchased by the student. Due to lack of storage space, the students will take their projects home at the end of each class period.

A partial list of operations to be covered follows: (1) to read a

simple drawing; (2) selection, care and use of hand saws; (3) how to sharpen a plane iron; (4) how to use the common planes; (5) how to square stock to dimensions with a plane; (6) use of boring tools; (7) selection and use of wood fasteners; (8) how to apply various wood finishes.

Registration can be made by calling the school office 2217 or by coming to the Industrial Arts department in the high school building on Monday evening, Jan. 5. Since the class number is limited, those registering first will have first choice.

BOOKKEEPING

STARTS: Jan. 5, at 7 p.m.
PLACE: Room 109, Marshall high school
INSTRUCTOR: Howard Luehmann

An Advanced Bookkeeping class for those who have completed the Adults Beginners' Course in Bookkeeping will be offered, starting Tuesday, January 6, at 1:00 p.m. in room 109.

In each course there will be ten class sessions of two hours each for a total instructional period of twenty hours. Classes will be held on evenings designated unless a majority in each case prefer another evening. In each course the enrollment fee will be between \$5.00 and \$7.50 depending upon the final enrollment figures. The courses will not be offered if the enrollments are too low.

Registration can be made by calling the school office 2217 or by coming to room 109 (in the Annex) on Monday or Tuesday evenings, January 5 and 6.

Since the class numbers are limited, those registering first will have first choice.

BEGINNERS TYPING

STARTS: Jan. 5, at 7 p.m.
PLACE: Commercial room, Marshall high school.
INSTRUCTOR: Miss Doris Drake

There will be ten class sessions of two hours each for a total instructional period of twenty hours. Classes will be held on Monday evenings unless a majority of those interested prefer another evening. The enrollment fee will be \$5.00 for the course if approximately twenty enroll for the course. The course will not be offered if the enrollment is too low.

Registration may be made by calling the school office 2217 or by coming to the Commercial room on Monday evening, January 5. Since the class number is limited, those registering first will have first choice.

HOMEMAKING

STARTS: Jan. 12 to Feb. 16.
PLACE: Homemaking room, Marshall high school
INSTRUCTOR: Miss Marybell R. Hickner

"The New You" is the title of the course to be offered, and it will appeal to the 35-50 year-old age group. The size of this year's class is not limited. There will be a \$1.00 registration fee. The course will be the lecture-type and will not require home preparation.

There will be six class sessions of two hours each for a total of 12 hours.

Registration can be made by calling the school office 2217 or by coming to the Homemaking department (room 101) on Monday evening, January 12.

STARTS: Jan. 5, at 7 p.m.
PLACE: Room 107, Marshall high school
INSTRUCTOR: J. D. Waller

The course to be offered will consist primarily of painting with oils, water color, and pastel. Subject matter will consist largely of scenery, still life, and possible portraiture or abstract art, as desired by the group.

There will be ten class sessions of two hours each for a total of twenty hours instruction. Classes will be held Monday unless a majority prefer another evening.

Since enrollment for the course will be limited to a minimum of ten (10) and a maximum of fifteen (15) persons, the registration fee will be between 7:50 and \$10, depending upon the final enrollment figures.

Materials for the course will be furnished by the student except for incidental items.

Registration can be made by calling the school office 2217 or by coming to room 107 (in the Annex) Monday evening, January 5. The class will be limited in number, therefore, those registering first will make up the class list.

Dec. 10

Tigers Edged By Canby

Lancers Come Back In Second Half To Take 53-49 Victory

BY DON HERRING
Daily Messenger Sports Editor

The black rain cloud continued to hang over the Marshall Tigers Friday night as they dropped their fifth straight game of the season to the Canby Lancers, 53-49.

After leading in the first half by margins up to 10 points, the game skidded through the Tigers' fingers in the second half when the Lancers staged a sustained scoring drive, leaving the Tigers in the dust.

Barry Pomrantz and Lowell Johnson shared the scoring honors for the Tigers with 16 points apiece. Danny Lanoue was also in double figures for Marshall with 10.

Lowell Nomeland paced the Lancers with 13 markers, with Ron Craigmile close behind with 12.

The Tigers jumped off to a fast start in the initial period. With Lanoue and Pomrantz showing the way, Marshall dumped in 14 points, while holding the Lancers to eight.

Marshall continued to pour it on in the second period. Pomrantz and Johnson each dumped in six points, while Bill Powell scored five, and kept the six point margin at intermission, 28-22.

The third quarter proved to be the finger of doom for the Tigers again. The Lancers came out on the floor full of fire, and poured 19 points through the hoop in this period while holding Marshall to 11.

Tom Sniegowski contributed seven for the Lancers in this canto, with Craigmile and Nomeland each dumping in four.

Pomrantz kept the Tigers alive in the third stanza with three straight set shots from about 20 feet, but the rest of the squad only bucketed five points.

This ice-cold quarter gave the Canby squad at two point margin at the three quarter mark, 41-39.

Marshall put up a real battle in the final period, keeping within one point of tying the score. The Lancers, however, continued the pace they set in the third period.

With 38 seconds remaining in the game, Canby had a scant one point lead, 50-49. The Tigers had possession of the ball and were playing for a last-second shot, but Rog Eischens of Canby was fouled.

Eischens stepped calmly to the gift shot line and sunk the free throw that broke the Tiger's back.

Craigmile contributed Canby's final tally of the evening on a last second layup, but for all purposes, it was Eischens' free throw that was the clincher.

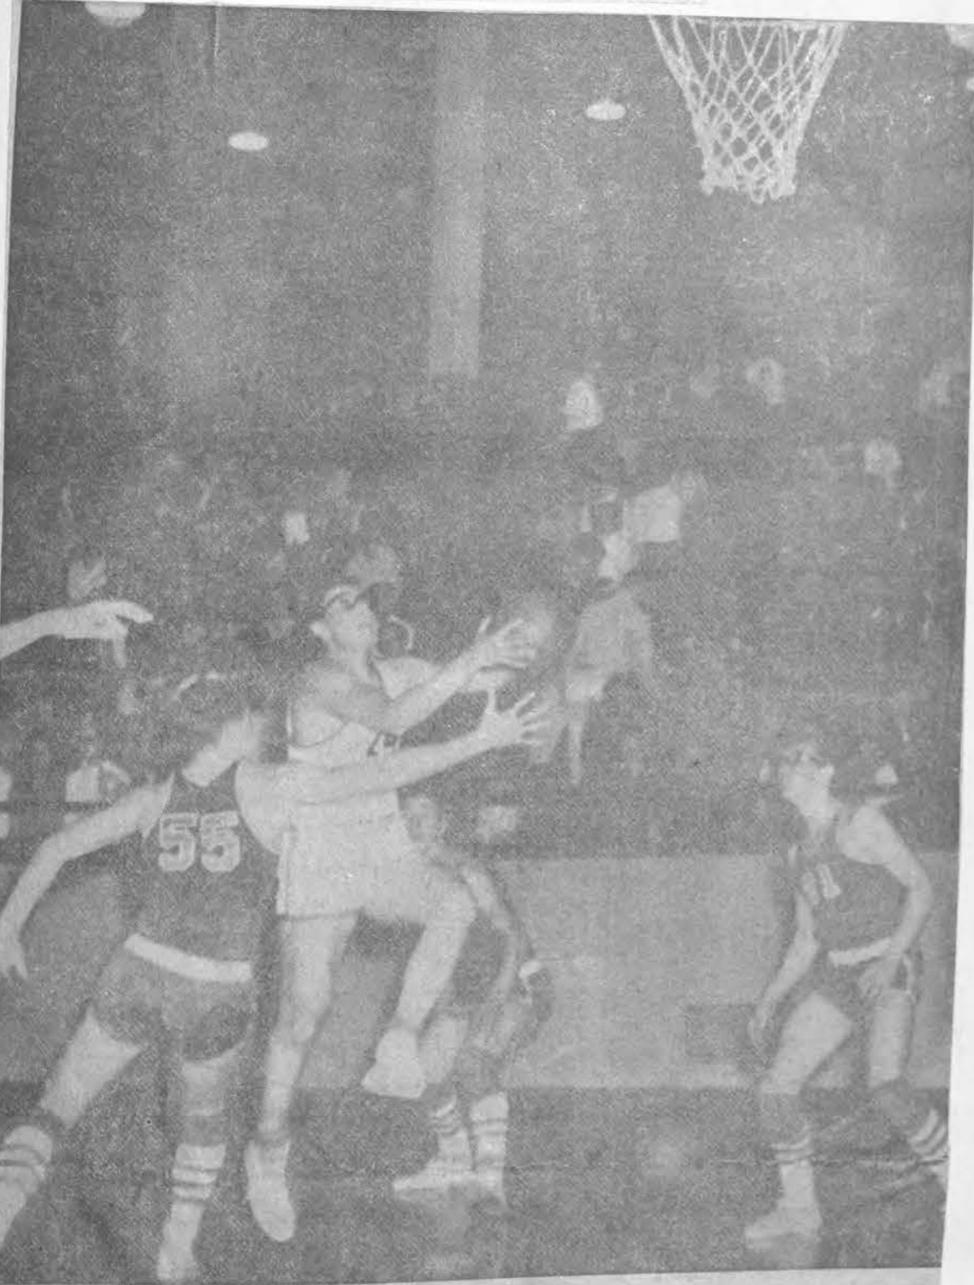

About the only pleasant note for Tiger fans Friday night was the shooting of Pomrantz and Lanoue. In previous games, the scoring punch for the Tigers had come from the backcourt.

Now the Tigers boast a sharp-shooting front line of Johnson, Pomrantz, and Lanoue to couple with the fiery guards—Bruce Dawson and Dick Benson.

Right now, the problem for the Tigers seems to be getting the front line and the backcourt men to start hitting together.

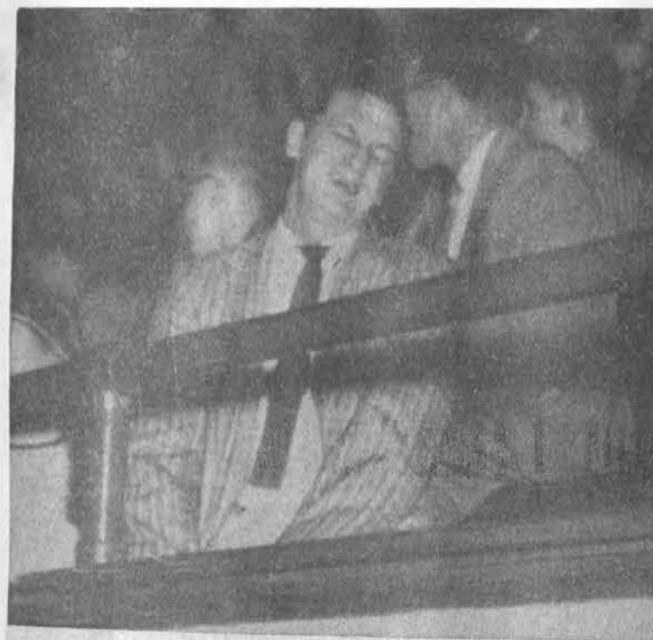

As far as scoring goes, the backcourt was woefully cold for the Tigers in this game. The top three guards — Dawson, Benson, and Karl Salhus—only managed five points among them.

COME ON, FELLAS—Although Tiger fans hope that this scene isn't duplicated Friday and Saturday night, this candid photo of Marshall mentor Glenn Matke shows the anguish a coach goes through every minute his team is on the floor. At the time this picture was taken, the Tigers had just dropped a 10 point lead, and Matke looks like he's well aware of the fact. The Tigers will meet Fulda Friday night for their next encounter.—Daily Messenger photo.

Marshall Schools Ready For Annual Christmas Concert

A program for the Marshall Public school's annual Christmas concert tomorrow at 8 p.m. in the High School Auditorium, has been announced by the choir directors Donn Mattson, high school vocal instructor and Veda Williams, the grade school music instructor.

Leading the evening program off will be a Christmas medley by the brass choir. The primary choir will sing "O Little Town of Bethlehem"; "Christmas Lullaby"; "While He Sleeps"; "Story of the Wise Men."

Following, will be "Silent Night" sung by the combined choir.

Next, the intermediate choirs will sing "Christ the Lord is Born Today"; "Christmas Hymn"; "A Scotch Christmas Carol"; "Go Tell it on the Mountain."

After intermediate choir the junior high boys' choir will sing "We Three Kings"; "Joy To the World" and "O Holy Night".

The senior high choir will follow with "Bring A Torch, Jeanette, Isabella"; "The Sleigh"; "12 Days of Christmas"; "Twas the Night Before Christmas."

Following the junior high chorus will sing "I Wonder As I Wander"; "Sleigh Ride"; "Winter Wonderland."

Next, the senior high choir will sing, "A Christmas Lullaby," with a solo by Mavis Rust; "For Unto Us A Child Is Born"; "Sleep Little Jesus"; "Bells of Christmas."

Marshall Students Give Clothing To Needy Residents

Marshall high school student council members visited the homes of 15 needy families in Marshall today and gave them much needed used clothing.

The council members represented students of the public schools who have contributed useful used clothing in their annual Christmas clothing drive.

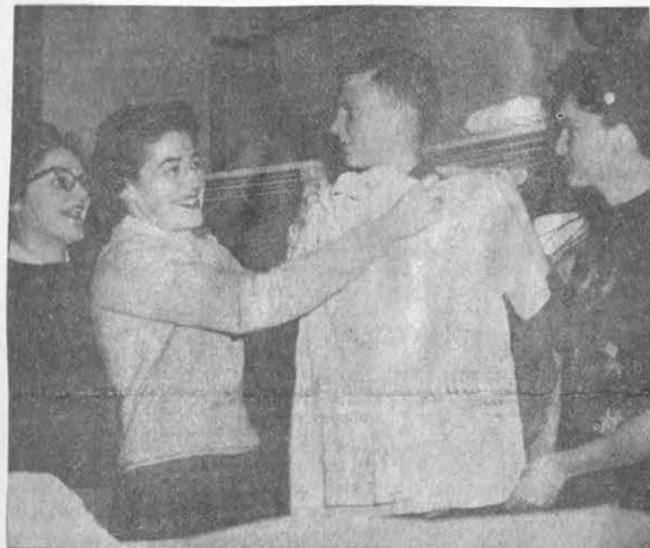

The drive, which supports more than 85 children and adults, is conducted every year at the school under the directorship of the school nurse, Mrs. Mary Finnegan.

The donated clothing consists of jackets, skirts, shoes, socks, under garments, hats, trousers and other apparel.

In addition to the clothing drive the students are completing a "Share Your Christmas" campaign which is designed to raise food money for the needy families.

According to high school principal Merrill Olson, each home room at the schools contributed about \$15 on the average. There are a total of 17 home rooms contributing about \$200 for the food fund.

The food donations, which usually consists of turkey and trimmings are given to the needy families on Christmas eve.

WHOSE BALL? — The trio of hands belong to Tigers Danny Lanoue, Les Jacobson, and Lowell Johnson, scrimaging last night in preparation for their away contest with Slayton tomorrow

night. Waiting for a possible rebound are Bill Powell and Barry Pomrantz.—Daily Messenger photo.

SIZING-UP—Ed Luckow, senior at Marshall high school, gets his head size checked by a tailor for the school's new band uniforms. The uniforms, with Navy blue jackets, French blue trousers and bright red trim, will be ready for public display when the school presents its annual Mid-

winter concert in February. The school has purchased 90 uniforms at a cost of about \$5,500. A fund drive will be taken up in the near future to raise money for the garments.—Daily Messenger photo.

Dec
26

TEACHERS' YULE PARTY—The Marshall Public school teachers met for their annual party at East Side school Wednesday at 4 p.m. This year the teachers will donate to a needy family in this

locality instead of sending a large box of gifts to a state institution, as in other years. They have collected \$40 for the "Share Your Christmas" box.

Lose Friday Tilts

Last Period Comeback Falls Three Points Short For Tigers

BY DON HERRING
Daily Messenger Sports Editor
SLAYTON — A torrid last quarter comeback fell three points short for the Marshall Tigers here Friday night as they dropped a 63-60 decision to the Slayton Wildcats. This was the sixth loss of the year for the Tigers.

Lowell Johnson was the high point man for Marshall as he dumped in 17 points. Bruce Dawson and Barry Pomrantz were also in double figures for the Tigers with 12 and 10 points respectively.

High hoopster for the night was Slayton's red-hot center Dick Swen-

son, who poured in 28 markers for the Wildcats. Swenson was the only Wildcat to reach double figures.

Marshall got off on the wrong foot right away in the first period. Defensive play was ragged for the Tigers in this period, and as a result, the Wildcats had their

biggest scoring quarter of the evening, bucketing 22 markers.

The offensive end of the Marshall team turned in a respectable first quarter, but the Wildcats held the edge, 22-14.

The game was evened up slightly in the second period, with both teams finding the bucket a little harder to hit. The Wildcats, however, pushed their margin to nine points, 34-25.

It was nip and tuck after intermission, with both teams trading baskets with amazing regularity. Bruce Dawson kept the Tiger alive this period with eight points, four of them coming at the free throw line.

Swenson, however, continued to pour it on for the Wildcats, bucketing nine more points in the third period. By virtue of Swenson's shooting, Slayton stretched their lead to 10 points at the end of the third canto, 51-41.

Up until the final period, it was merely a so-so game, but in that fourth quarter, things really started hopping.

The Tigers started a sustained scoring binge that carried them up to within one point of the Wildcats at one time. Led by Lowell Johnson, Marshall poured 19 points through the hoop this stanza, while holding the Wildcats to 12.

Slayton spent most of the final period at the free throw line, which proved to be the undoing of the Tigers. The Wildcats scored eight of their markers this period from gift shots, four of them by Ken Schwartz.

The comeback, however, fell short by three points, giving Slayton a scant 63-60 victory.

Fouls seemed to be the nemesis for the Tigers in this game. Marshall committed 23 infractions, their highest total of the year.

Slayton really cashed in at the free throw line, counting 17 out of 28 gift shots, which gave them the victory. The Tigers outshot Wildcats as far as field goals went, 25-23, but only scored on 10 out of 20 free throws.

The Tigers will play their next game on Jan. 2 against the undefeated Fulda Raiders in an away contest, and will entertain the Lake Benton Bobcats the following night in a home tilt.

Then . . .

Now . . .

CUTEST BABIES—The old song goes "Oh, You Must Have Been A Beautiful Baby," and for Joyce Greeley, 16, and Bill Meyenburg, 17, both juniors at Marshall high school, the title couldn't be any truer. Bill and Joyce were elected by Marshall high school students as the king and queen of the recent Baby Picture Contest sponsored by the FHA chapter at the school. The

"then" pictures, shown above, won them the honors. Bill received 416 votes and Joyce got 133. For their ability to look "cute" while they were young, they will both be presented with lollipops at the school's convocation tomorrow. The money collected through the contest will be used for FHA projects.—Daily Messenger photos.
