Tigers Lose to Benton, Fulda

Last Quarter Comeback Fails In Friday, Saturday Contests

BY DON HERRING
Daily Messenger Sports Editor

The long holiday layoff may have been good for business, and it may have given college students a well-deserved rest, but it evidently didn't do the Marshall Tigers any good as they dropped a weekend double header to the Fulda Raiders on Friday night (58-49) and the Lake Benton Bobcats on Saturday night (79-57).

As a result of this, the Tigers remain winless this season, posting eight straight losses.

In the game with the Raiders, played at Fulda, the Bengals got right off on the wrong foot. Marshall was ice-cold in the initial period, bucketing only nine markers—four by Bruce Dawson and five by Dick Benson.

Meanwhile, the Raiders, led by Denny Lemberg's seven points, tossed in 13 points in the first period, giving them a lead that the Tigers never overcame.

Scoring for the Tigers perked up a bit in the second period, but un-

fortunately so did Fulda's. Marshall plunked in 15 points in their period, but the Raiders matched the Tiger output and dumped in one more for good measure, taking a 29-24 halftime lead.

Things went much the same way in the third quarter. As usual, the Tigers experienced a frigid third canto, only scoring 11 points. Fulda, however, added two more points to their lead. Led by Overlees, the Raiders bucketed 13 markers this stanza, giving them a 42-35 lead at the three-quarter mark.

The game tightened up somewhat in the final period, but the big Raider lead was too much for the Tigers to overcome.

High point man for the Tigers in this game was Benson with 15, followed by Dawson with 12.

In the Lake Benton contest Saturday night, the Tigers were outclassed all the way.

Once again the Tigers started wrong. Occasional defensive lapses on the part of the Bengals allowed the Bobcats to edge a scant 15-13 margin at the end of the first period.

Things really went the wrong way for Marshall in the second quarter. During this period, the Tiger basket seemed to have a lid on it as the Bengals only counted eight points this period.

The Bobcats, however, had one of their best scoring periods in the second canto. Led by Redlinger and Thorson, Lake Benton bucketed 21 markers this period, giving them a substantial 38-20 margin at halftime.

The Bobcats continued on their torrid scoring pace in the third stanza as they counted 28 points—10 of them by Dean Koster, who led the Bobcat scoring for the evening.

The Marshall squad had an average point output this period, but they just couldn't keep up with the red-hot Benton five. The scoring spurt put Lake Benton 32 points ahead of Marshall at the end of the third period, 66-34.

Marshall put on their usual last-quarter comeback drive, but as usual, the lead was just too much to overcome. Led by Jerry Lemcke's eight points, the Tigers counted 23 points in the final period while holding the Bobcats to 13, but Benton still held on to their tremendous lead at the final gun, 79-57.

In both games, the lack of free throws hurt the Tiger cause considerably. In the Fulda game, the Tigers only managed to hoop nine out of 24 free throw attempts and in the Benton contest, Marshall only hooped seven gift shots.

The next game for Marshall will be Friday night, when they meet the Tracy Scrappers in an away contest. The Tigers will also play Saturday night, taking on the Minneota Vikings on Minneota's home floor.

School Board Will Attend State Meet

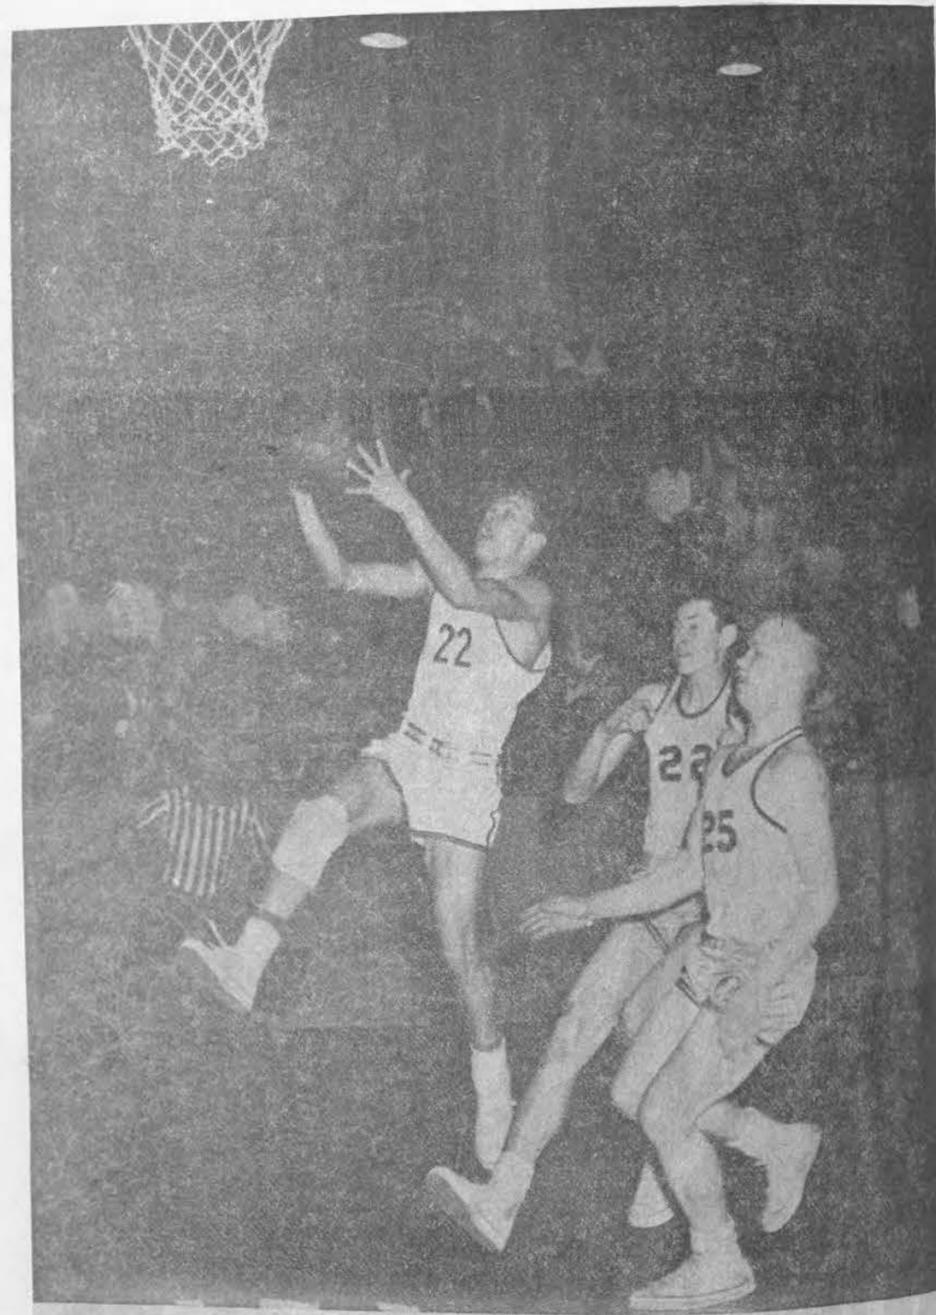

Members of the Marshall school board, accompanied by Supt. of Schools Les M. Frey, will attend the annual Minnesota School Board Assn. meeting at St. Paul Monday through Wednesday.

Highlighting the convention of the educators, will be an address by Carl Munk, president of the National School Boards Assn.

The meeting will deal primarily with discussions concerning the 1939 legislative program for education now in the legislature.

The group will discuss and vote on the following resolutions:

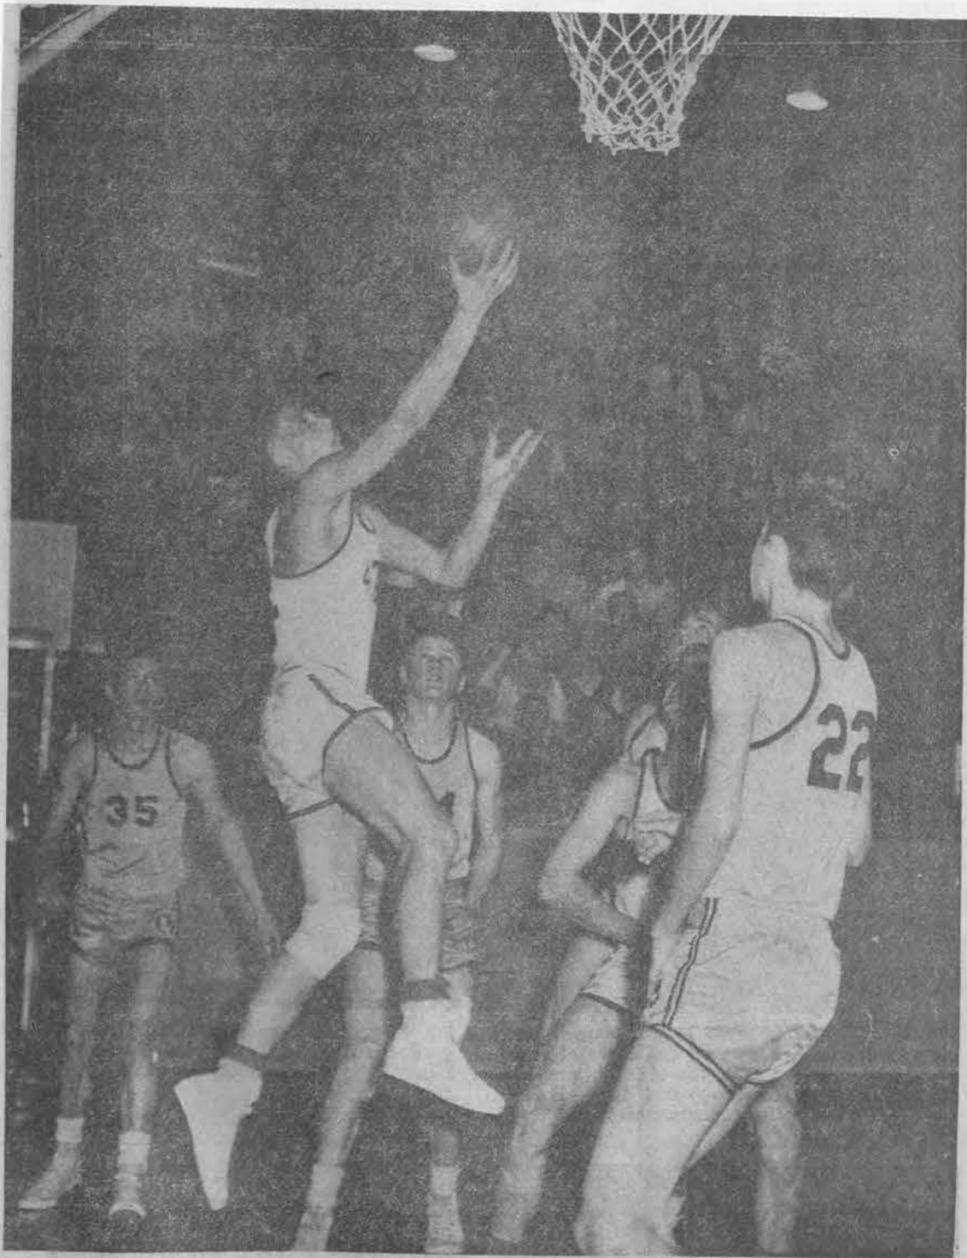

- State Aid to junior colleges.
- Various problems related to the expansion of higher education.
- State Aid to capital outlay and debt service.
- The possibility of a study commission to study the financial needs of public school districts for the next 10 years.

Homemaking Class To Start Monday

An adult education class in homemaking will start at Marshall high school on Monday night at 7:30, it was announced today by school officials. The class, which will meet in the Little Theater, will be called "The New You."

The first lesson will be in the form of a style show to help in the selection of personal styles and colors. Hints in coordination of wardrobes and planning on a limited budget will also be given.

The second lesson will include a demonstration of self-taught hair styles as well as a demonstration of posture development. A few tips on make-up will also be given.

A discussion of dieting in a safe way as well as a demonstration with an opportunity for re-shaping exercises will make up the third lesson.

The fourth lesson on improving your health will be given by a local doctor. Adjusting to the "Middle Years" and "Mental Health in a Mad World" will be the topics of the final two lessons.

Registration for the class may be done by phoning the high school office at 2217. A fee of 50 cents will be charged for the series of six lessons.

Les Frey Picks Marshall Over Redwood For JC

BY FRANK SANTIAGO

Les M. Frey, supt. of Marshall schools, assured a gathering of Civic and Commerce members last night that Marshall "will come out ahead of Redwood Falls when we go upon the assumption of need for a junior college."

Frey, speaking at the C&C's 37th Annual Banquet, said that on the

basis of high school enrollment, "the number one consideration for a junior college," Marshall surpasses Redwood. He said the location of both communities from higher education sources proved that the area needed a junior college.

Frey estimated that in 1960, the graduating seniors from Marshall's

two high schools will be about 174. Under present enrollment figures, Redwood Falls educators estimated that their graduating class will equal 111 by the same time. He commented that Marshall would continue to hold a 50 per cent greater margin over Redwood Falls up to 1965. In '65, Frey anticipated, Marshall's school's will

be graduating about 225 students.

"In a 25-mile radius of Marshall," said Frey, "there are 14 high schools that are considered in the communiting area of Marshall and therefore can be considered possible sources for potential junior college students."

"Most of these communities have given us either their vocal or written approval for a location of a junior college in Marshall," he said.

The 14 schools are: Lynd, Russell, Cottonwood, Milroy, Minnesota, Balaton, Tracy, Tyler, Ivanhoe, Clarkfield, Hanley Falls, Wood Lake, Echo, and Ruthton.

An opening enrollment in 1960 in a junior college here, Frey said, would be about 140 students. Estimates compiled by officials in Redwood Falls, show that Redwood would provide 111 by the same time.

In 1965, said Frey, the junior college in Marshall could have an enrollment of about 270. Redwood Falls officials estimated that they would have about 220 at that time. He anticipated that an enrollment of 250-300 students in a junior college, would make the institution operate efficiently and provide a large enough staff.

Frey continued on to say that Marshall could not afford a junior college without assistance from the state government. He commented that the actual cost of a junior college should not jeopardize elementary and secondary education in Marshall.

"Assuming that we received 50 per cent of the construction cost from the state, and we planned for a separate building for the college, and also received additional county and state aid for incoming students, we can expect the taxes in the school district to be raised about 10 mills.

The rough estimate that Frey provided meant that a tax payer who paid \$100 in taxes one year, would have to use facilities in the year with the added mill rate.

The junior college, said Frey, would have to use facilities in the high school and grade schools

Tigers Have Rough Weekend Ahead; Meet Tracy, Minneota

BY DON HERRING

Daily Messenger Sports Editor

The Marshall Tigers will be having one of their roughest weekends of the season this Friday and Saturday when they take on a pair of polished ball clubs—the Tracy Scrappers on Friday and the dis-

tric leading Minneota Vikings on Saturday. Both of the games are away contests for the Tigers.

The Vikings are currently undefeated, and share the top ranking among district teams with the Wood Lake Warriors, both of whom have 6-0 records.

Although the Scrappers have only won two games so far this year, they boast a victory over the highly-touted Redwood Falls Cardinals, who toppled the Tigers earlier in the season by five points.

The Scrappers have height to burn this year. At the present

time, Tracy has a front line that averages close to 6-3. Donn Ravers (6-4), Roger Flatequal (6-2), and Joel Ostgaard (6-2) are the big boys up front for the Scrappers this season.

The front line, however, isn't all that the Tigers will have to worry about. One of the leading scorers on the Scrapper squad this season is a fiery little 5-7 guard—sharpshooting Dick Bosacker—who plunks in shots from about 25 feet out with amazing regularity.

Others who will see extensive action against the Tigers include Doug Sanders (5-5), Clyde Anderson (5-11), Gary Weisbrich (5-10), Dick Johnson (5-11), Dave Peterson (5-6), Dave Carey (5-10), Russ Shoeman (5-9), and Gary Sheets (5-9).

The game will be played in the newly completed Tracy Armory, which seats close to 4,000 fans.

At Minneota Saturday night, Marshall will find that their main problems will not be height, but speed.

Although the Vikings have only two men who top the six foot mark, the rest of the team members are a pack of sprinters who have been running circles around most of the teams they have met so far this season.

Tom Brewers and Steve Kjorness—both of whom have been playing varsity ball at Minneota so long that they're almost a permanent part of the court—are leading the pack for the Vikings again this season.

Brewers is an example of the Minneota speed, while Kjorness is one-half of the height. A sprinter in track, Brewers runs the 100 yd dash in something like 10.5 Kjorness, although only 6-1, makes up for it under the bucket with his tremendous spring. Steve was the district high jump champion last year.

The other half of the Minneota height is Gary Buysse, who also is about 6-1. Other speedsters on the Viking squad include Don Richards, Dick Culshaw, and Les Josephson.

Others who will see extensive action for the Vikings will be Dick Wambeke, Jim Lozenski, Joe Anderson, and John Allen.

The drought has ended. In one short weekend, the Marshall Tigers were converted from a crew of also-rans to a scrappy hustling, and winning ball club as they broke their eight game losing streak with a pair of upsets over the Tracy Scarppers (47-44) and the previously undefeated Minnesota Vikings (58-51).

At Tracy on Friday night, the Tigers started things moving with a big bang, as they dumped in 18 points in the first period, while holding the Scrappers to an ice-cold 5. Center Lowell Johnson and guard Bruce Dawson led the Tiger attack with seven points apiece in this quarter.

The situation did a complete about-face in the second stanza, however. This period found the Scrappers hitting on all five while the Tigers slowly watched their lead dwindle away to almost nothing. In the second period, Tracy just couldn't be stopped as they poured 17 points through the hoop while limiting the Bengals to five.

At intermission, however, the Tigers still had the lead, but a very narrow one with the Scrappers breathing hot and heavy down Marshall's neck, 23-22.

Marshall came back in the third canto to regain a healthier margin, but Tracy kept plugging away to give the Tigers a run for their money. Dick Benson spearheaded the Bengal scoring in this quarter as he dumped in four straight jump shots from about 30 feet.

Dick Johnson kept the Scrappers in contention in the third period with a field goal and three gift tosses. At the three-quarter mark, the Tigers found themselves with a five-point margin, 38-33.

Both teams found themselves in a scoring slump in the final period. Tracy came to within two points of the Tigers in the closing moments of the game, but a free throw by sophomore Les Jacobson put the game on ice for the Tigers.

Tracy was hampered in this ball game by the loss of two regulars—6-4 Donn Ravers and 6-2 Roger Flatequal—via the injury route.

Both Ravers and Flatequal were injured in an auto mishap the night before the game, and probably won't see any action for the next few weeks.

This contest was the first game played in the new Tracy Armory, which was completed in time for the contest.

The Tigers played their best game of the season Saturday night when they toppled the highly-touted Minnesota Vikings. The loss tumbled Minnesota from first to third place in the district nine standings.

Barry Pomrantz, Bruce Dawson, and Lowell Johnson were the individual stars for the Bengals in this contest. Pomrantz plucked the boards for a grand total of 31 rebounds, while Dawson was playing a terrific floor game for Marshall and Johnson was dumping in 20 points.

The Vikings drew first blood in the game when Les Josephson plunked in a jump shot, and that two-point lead was the most that the Tigers were behind all night.

Led by Johnson, the Tigers came roaring out to take a four point margin at the end of the initial stanza, 17-13. Steve Kjorness kept the Vikings alive this period with a pair of field goals and a free throw.

The situation was much the same in the second period. Minnesota fought back to take a one point lead, but the Tigers quickly squelched the rally, keeping their four

point margin at the halfway mark—32-28.

Tom Brewers was the guiding light for the Vikings in the second period as he exploded for four field goals and a free throw for nine points.

Johnson set the pace for the orange and black of Marshall as he dumped in four gift tosses and a field goal for six points.

Marshall expanded their lead to seven points in the third canto. The Vikings had a frigid third period as they only managed to score 10 points, five of them by Dick Culshaw. A well-balanced scoring attack was the main feature for the Tigers in the third period as they led going into the final period, 45-38.

Both squads traded buckets fairly evenly in the final period, but Minnesota put on a last minute scoring spurt to come within four points of the Tigers. Once again, however, a pair of free throws by Les Jacobson put the Bengals safely in front as they came out with a 58-51 victory.

Johnson led the Tigers in scoring with 20 points, followed by Dawson with 12. Dick Culshaw took the scoring honors for the Vikings with 15 points, followed closely by Tom Brewers with 14.

The next game of the season for the Tigers will be Friday night, when they travel to Redwood Falls for a return match with the Cardinals. In the second game of the season, the Cards barely edged out a narrow victory over the Bengals.

Tigers, Queensmen Have Full Weekend Basketball Schedule

BY DON HERRING
Daily Messenger Sports Editor

A full cage schedule will be in store for local fans this weekend, with both the Tigers and the Queensmen meeting rough opponents in their weekend tilts.

Marshall will be gunning for two things when they meet the Redwood Falls Cardinals at Redwood Friday night. The Tigers want to keep their two-game winning streak alive, and they want revenge to make up for the Cards' earlier 57-52 win over them.

The Queensmen have a weekend doubleheader facing them, meeting Sleepy Eye in a home game on Friday and then traveling to Dell Rapids for a Sunday contest.

The last time that Central and Sleepy Eye met, the Queensmen had little trouble with the Knights, coasting to a 51-25 victory. The game was played early in the season, however, and was the first game of the year for the Knights.

According to Central mentor, Jack Dolan, the Sleepy Eye squad isn't particularly fast, but they have a lot of height that will

make it rough on the boards.

In the last game, Sleepy Eye hadn't as yet found a potent scoring combination, with no player reaching double figures. Bud Braun, the Knights' 6-1 center, appeared to be the most dangerous player to watch out for as he controlled most of the rebounds that Sleepy Eye picked up during the tilt. He was also the Knights' leading scorer in the game, bucketing eight points.

A little tougher game faces the Queensmen on Sunday, however. Central and Dell Rapids have met

only once so far this season—in the first round of the Adrian Invitational Tournament, staged last weekend.

In that game, St. Mary's handed the Queensmen one of their few losses this year, 57-51. In that game, however, Central had trouble putting four good quarters of basketball together. Cold shooting percentages in the first half was the measure of victory for St. Mary's in the tourney game.

Starters for Central will probably be Bernie Baert and Harlyn Paradis at the guards, John Rogers at center, and Rich Chalmers and Paul Rehkamp or Greg Cattoor at the forwards.

The Tigers will probably be having a sink-or-swim affair against the Cardinals tomorrow night. The Bengals are flush with their first taste of victory last weekend, and probably have improved more in the last two games than they had since the beginning of the year.

The Cards, of course, are paced by their 6-4 center, Jay Kessler, who bucketed 22 points in the last encounter between the two squads. Pair Kessler off with Little Jimmy Cairns, and you have one of the most potent scoring combinations around this year.

Kessler has a tendency to foul a lot, however, and with him out of the lineup, the Cards are just another ballclub. Big Jay sat out most of the last half against the Tigers last time, picking up four fouls in a hurry. Redwood rebounding is just about nil without Kessler under the bucket.

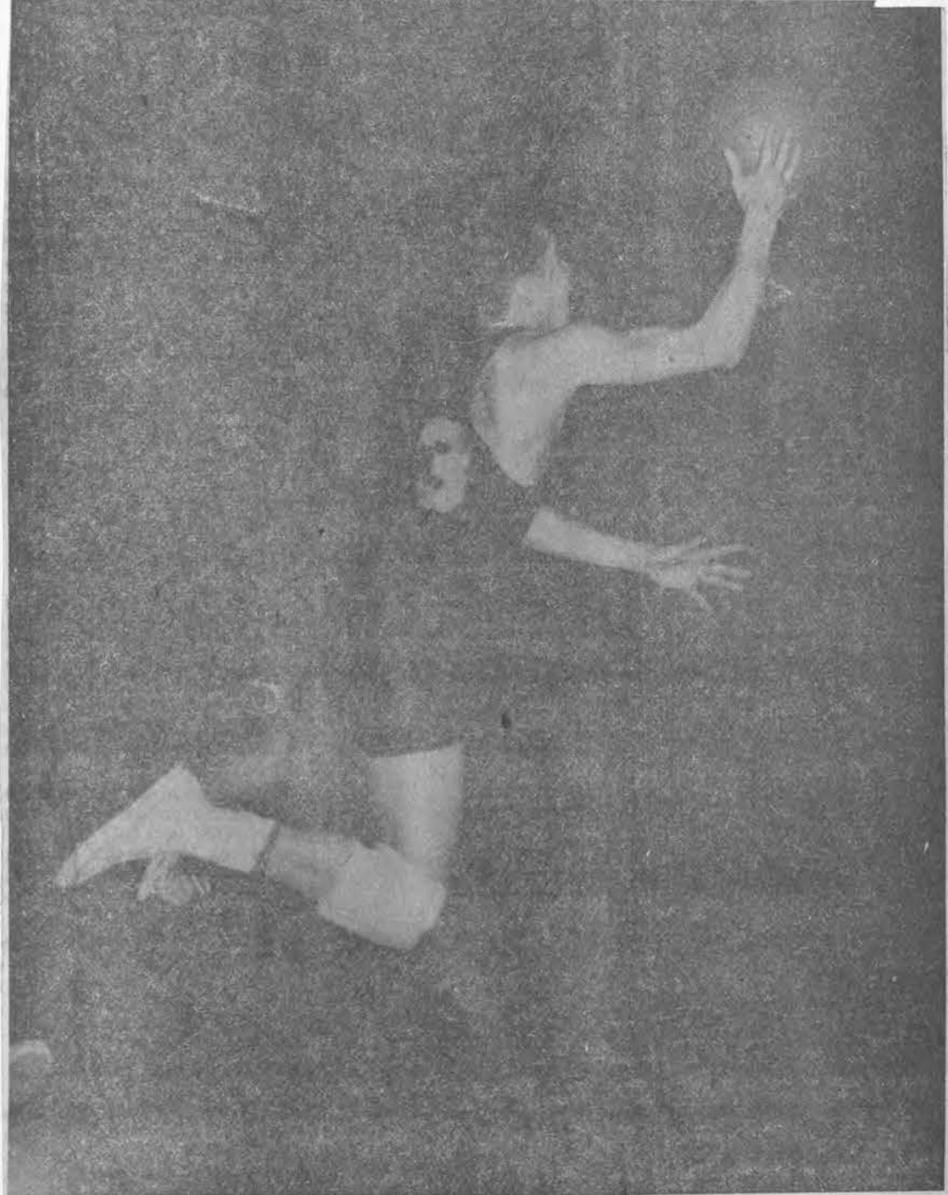

Picking off rebounds now seems to be one of the favorite hobbies that the Tigers have recently acquired. Against Tracy and Minnesota last weekend, Marshall had little trouble controlling the boards, despite the lack of height.

Sophomore Barry Pomrantz leads the Bengals in this department, proving his skill under the bucket against Minnesota in plucking the boards clean for 31 rebounds.

Center Codge Johnson is no slouch when it comes to rebounds either, and the guards have been picking up a respectable number too.

Marshall coach Glenn Mattke will probably stick with the winning combination he started last weekend. This lineup includes Pomrantz and Les Jacobson at the forwards, Johnson at center, and Dick Benson and Bruce Dawson holding down the backcourt positions.

Game time at Redwood is scheduled for 8 p.m., with a preliminary B squad contest starting at 7.

HE FLIES THROUGH THE AIR—No, it's not the daring young man on the flying trapeze, it's Marshall guard Dick Benson going up for a jump against the Tracy Scrappers Friday night. Tigers, Central Have Rough Weekend Basketball Schedule

BY DON HERRING
Daily Messenger Sports Editor

Both the Marshall Tigers and the Central Queensmen will have their work cut out for them this weekend, entertaining the roughest pair of opponents that they are likely to meet all season.

Central will be playing host to Bethlehem Academy of Faribault while the Tigers match their strength in a home game against the highly-touted Pipestone Arrows. Pipestone has only tasted defeat once this season, compared with

10 games in the win column. The only common opponent that the Tigers and the Arrows have faced so far this season is the Tracy Scrapers. Both Marshall and Pipestone beat Tracy, but the Tigers did it when the Scrapper squad was

missing a pair of their starters via the injury route. The Arrows have one of the area's leading scorers in Sid Bostic, who has been averaging around 23 points a game for Pipestone so far this season. The rest of their forward line—Bob Glasrud and Bud Roesler—are nearly as potent as Bostic is, and have averages in double figures.

Although the Tigers' fledgling winning streak was snapped last week by Redwood Falls, Glenn Matke and Co. are eager to get it started again. Surprisingly enough, the Tigers have played their best ball this year against good teams. Pipestone classifies admirably in this department, as they are ranked among the top 25 teams in the state.

Pipestone will probably start Bostic at center, with Roesler and Johnson in the forward positions and Johnson and Sedlas at the guards. The starting lineup for Marshall will probably consist of Codge Johnson at center, Barry Pomrantz and either Les Jacobson or Danny Lanoue at the forwards, and Bruce Dawson and Dick Benson at the guard slots.

Game time tomorrow night is scheduled for 8 p.m., with a preliminary B squad game beginning at 7.

Pipestone Arrows

EASY BUCKET—Marshall's Bruce Dawson (40) and Codge Johnson (30) are pictured working the two-on-one play against Pipestone Friday night. Sid Bostic, who doesn't know which way to turn,

is in the middle of the play for Pipestone. The game was won by Marshall, 63-57.—Daily Messenger photo.

Evidently the Marshall Tigers don't read the newspapers very much, because Friday night they had absolutely no respect for the highly-touted Pipestone Arrows as they dumped them, 63-57.

Pipestone has one of the better teams around this season, and most forecasters felt that the Arrows would have little trouble with Marshall, but the Tigers played their best game of the season and simply outthrustled the crew from Pipestone.

Codge Johnson led the Marshall scoring with 22 points, followed closely by Bruce Dawson and Dick Benson, each with 13. The game scoring honors, however, were copped by Pipestone's Sid Bostic, who dumped in 29 points.

First quarter play gave a good indication of things to come, with both squads bucketing 15 points. Johnson and Dawson led the Tiger attack in the initial period, hitting six and five points respectively.

Pipestone came back to take over the lead in the second stanza, however. Led by Bostic, the Arrows poured 16 points through the hoop, while holding the Tigers to 13.

This gave Pipestone a three point edge at intermission, 31-28.

Marshall came out on the floor like a flock of rebels out of the hills in the third stanza, and gave notice that they weren't ready to be counted out of the game just yet, however.

The Tigers, usually ice-cold in the third stanza, did a complete turn-about in this game as they had their best scoring quarter of the evening, bucketing 22 points.

With about eight seconds to go in the third stanza, Marshall had tied the game up at 49-49, but a last second layup by Johnson put the Tigers in the lead, 51-49.

Johnson was the guiding light for the Tigers in their comeback as he counted five field goals for 10 points. Bostic was hot for Pipestone as he tallied 12 markers this period on five field goals

and a pair of gift shots.

The fourth canto consisted of defensive play for both squads. The game see-sawed back and forth, but even at the closest times, the Tigers still maintained at least a one point edge.

With about 55 seconds left in the game, the Tigers put on a small scoring spurt that wrapped up the game with a six point bulge, 63-57.

As a result of this victory, the Bengals have now won three of their last four games, and appear to be a well-polished ball club.

A pair of traditional rivals will be the next opponents of the Tigers. Marshall will meet the Tracy Scrappers in a home game on Friday, and then journey to Canby to take on the Lancers on Saturday night.

At High School —

Student's Future To Be Discussed

BY FRANK SANTIAGO

A big step for a young man and a young woman to take in their lives is the decision of what to do after graduation from high school. Should it be a trade? College? The armed forces? And, what does it cost to go to college? Are there any scholarships available?

Almost all of the above questions will confront the graduating youths and their parents.

As has been done in the past year, Merrill Olson, Marshall high school principal, with the assistance of two other instructors, will sit down with the parents of graduating seniors in the Little Theater Tuesday night at 7:30 p.m. to discuss opportunities that lie ahead for graduates.

Among the fields of advanced training opened to the senior is business. This area includes primarily secretarial, accounting and machine operation work. The

length of training ranges from 7 to 72 weeks with an approximate cost of about \$40-\$50 tuition.

Medicine offers opportunities for both boys and girls. An x-ray technician, or an laboratory aid worker needs about 12-36 months of training. Tuition ranges from 0 to \$750. Nursing requires one to three years of education. A registered nurse must have three years of training while a practicing nurse one. The cost of tuition ranges from \$100 to \$800 depending upon the area of nursing the student may enter and the school they will attend.

College offers numerous opportunities for graduates. A dental assistant requires one year, a food technician, three college quarters, a dental hygienist, two years, and in addition the regular four-year college course with majors ranging from forestry to nuclear physics.

About 40 per cent of the students who graduate from Marshall high school enter college, reports Merrill Olson, high school principal.

The remainder of the graduates go on to a trade, the armed forces or get married.

The admission requirements in college are basic. Almost all colleges require three credits of English, 1-2 credits of mathematics, 2 credits of social studies, and 1 credit of science. A foreign language is not required by any college in the state for admission. It is recommended by several private colleges. At state colleges, high school graduation is the only requirement.

Costs at colleges have a wide range. At the University of Minnesota, Olson estimates that the costs will be from \$1,000 to \$1,200. These are bare essential costs. At a State college, \$700-\$800 a year and private college \$1,200-\$1,800 a year.

Tigers, Queensmen Will Travel Separate Roads For Next Tilts

BY DON HERRING

The Marshall Tigers and the Central Queensmen will be traveling separate roads tomorrow night for their Friday night tilts. The Tigers will head southwest to Pipestone for a return match with the Arrows, and the Queensmen will hit the road southeast for their second game with New Ulm Trinity. The last time Central and New

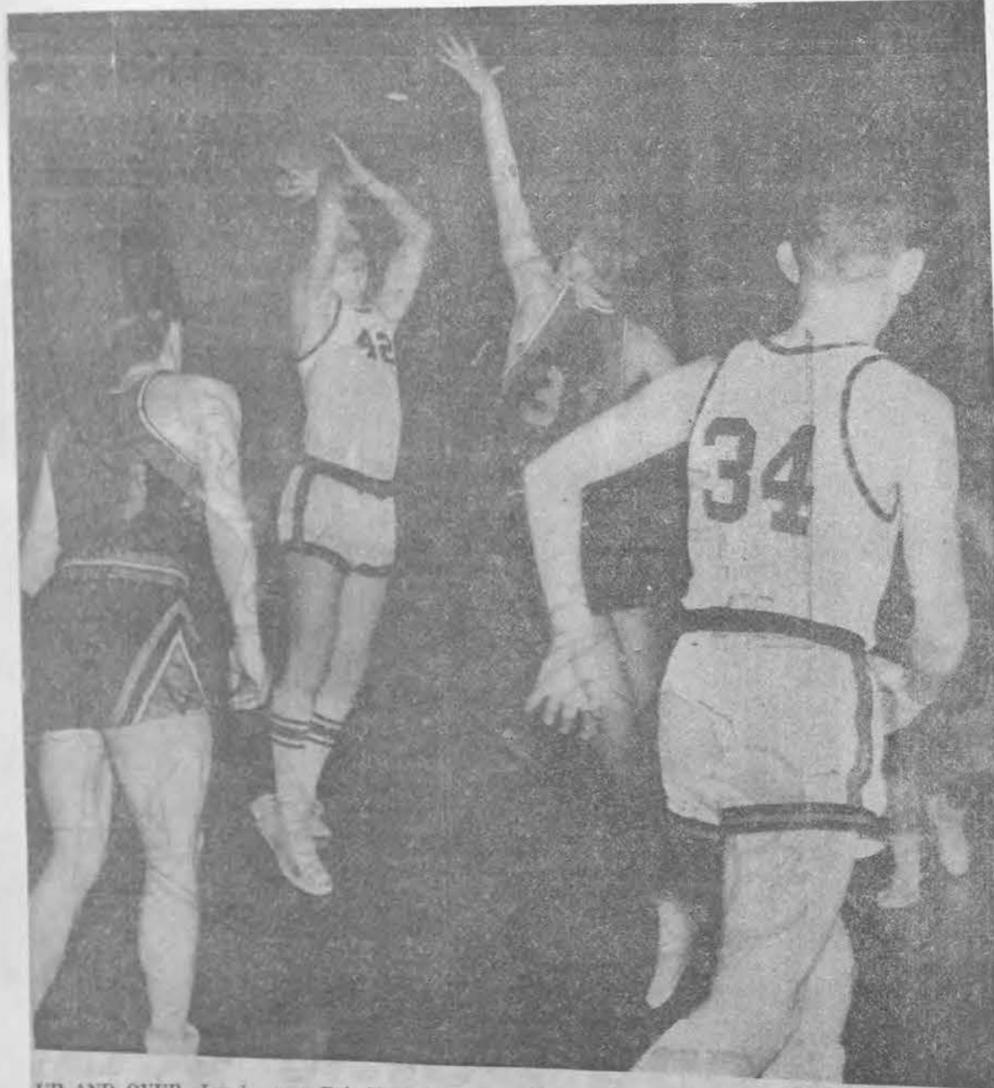

Ulm met, the Queensmen edged out a scant 58-56 victory, fighting off

a last-quarter Greyhound rally. Things will probably be just as tough for Central in this game. The Queensmen, however, are riding high on top of a 14-5 season record, their best tally in a few years, and want to end the season on a respectable note.

This is the last game of the season for the Queensmen before they start their Region Eight tournament play, which begins next

Tuesday. This year's squad has been steadily improving all season and can be counted on to give a very creditable showing for themselves.

The big gun for the Greyhounds is forward Dave Tauscheck, who bucketed 17 points in the first Central-New Ulm game. A balanced attack, however, seems to be the main feature of the Greyhounds.

Tom Jannie and Tom Tauscheck are also potent point-getters for New Ulm, as well as top rebounders.

Central, however, doesn't have to take a back seat to anyone when it comes to rebounding or scoring. John Rogers and Rich Chalmers have been clearing the boards with the best of them this season, and Chalmers, Harlyn Paradis, and Bernie Baert are averaging in double figures for the season.

Coach Jack Doian will probably start Baert and Paradis at the guards, with John Rogers at center and a pair of his quartet of top forwards that have been alternating at the positions all season — Chalmers, Gregg Cattoor, Paul Rehkamp, and Tom Sanders.

The big question for the Tigers tomorrow night is whether or not they can bounce back after taking their worst licking of the season last Friday against Montevideo.

The Mohawks dumped the Tigers 63-32 in front of Parents' Night crowd that watched the Tigers play their coldest game of the season.

Although the Bengals tripped Pipestone in the first encounter of the two teams, it was classed as a major upset.

Pipestone will be playing on their home floor this game, and are out for a lot of revenge because of the first defeat.

The Bengals will have to put the clamps on Pipestone's big scoring ace, 6-4 center Sid Bostic, who meshed 29 points against Marshall in the first game.

Aside from Bostic, the rest of the Pipestone team is just another ballclub, but Big Sid makes all the difference in the world.

Against the Arrows the first time, Marshall picked the boards clean for over 50 rebounds, and will have to do the same tomorrow night to stay in the running.

Starting for Marshall will probably be Codge Johnson at center, with Les Jacobson and Barry Pomrantz at the forwards and Bruce Dawson and Dick Benson at the guards.

Game time at Pipestone is scheduled for 8 p.m.

High Schools Plan Parents' Night

Feb 4

Parents' Night will be held at both Marshall and Central high school this Friday night, it was announced today.

The parents of the members of the varsity basketball squads of both schools will be honored, as well as the coaches and their wives.

At Central, there will be special ceremonies before and after the game, and during the half-time of the game. The same type of activity is also scheduled for MHS.

The parents will be guests of their sons at a social gathering after the game at both schools.

Marshall will be hosting Montevideo, while Central will be meeting St. Anne's of Wabasso. Both are home games.

Rosanne G. Kooy
 Marshall High
 Homemaker 1959

Marshall high school's 1959 Betty Crocker Homemaker of Tomorrow is Rosanne Gertrude Kooy. Rosanne is the daughter of Mrs. Margaret Kooy, 1000 W. Main St.

She received the highest score in a 50-minute written examination on homemaking knowledge and attitudes taken by graduating senior girls. She will receive a homemaker pin manufactured by Josten's, which represents the slogan, "Home is Where the Heart Is." Her examination paper will be entered in competition with those of other school winners in the state to name the State Betty Crocker Homemaker of Tomorrow.

The test is designed and judged by Science Research Associates.

Each state Homemaker of Tomorrow will receive a \$1,500 scholarship from General Mills, an educational trip April 4-10 with her school advisor to Washington, D. C., colonial Williamsburg, Va., to New York City and Minneapolis, and she will be a candidate for the title of All-American Homemaker of Tomorrow.

The school of each state winner will receive a set of the Encyclopaedia Britannica. General Mills will award a \$500 scholarship to each state runner-up.

Winners are being chosen for 12,

260 schools throughout the nation which enrolled 349,150 senior girls, the largest number of participants in the five year history of this \$106,000 scholarship program. Growth has been steady since 1955 when 187,463 girls in 8,040 schools participated.

The '59 All-American Homemaker of Tomorrow will be announced in Minneapolis April 10 at the American Table Dinner in the Le-amington Hotel's "Hall of States"

The scholarship of the All-American Homemaker of Tomorrow will be increased to \$5,000. The national runner-up will receive a \$4,000 grant, third place winner a 3,000 award and fourth place winner a 2,000 scholarship.

School Patrol To Have Day In Twin Cities

Eighty-six school patrol members from Marshall's public schools will leave for the Twin Cities Feb. 28, to take in a movie and tour Air Force installations as part of their reward for working on the patrol.

The group will see the Ice Follies, Cinerama and view jet airplanes on their all-day trip. The tab is being picked up by the Marshall Jaycees and the Veterans of Foreign Wars. The group will return that evening.

Rally In Last Half Falls Short For Tigers, 54-51

BY DON HERRING
Daily Messenger Sports Editor

PIPESTONE — A torrid last half fell three points short for the Marshall Tigers here Friday night as they bowed to the Pipestone Arrows, 54-51.

The Tigers trailed by margins up to 17 points in the first half, but staged a last-half rally that almost carried the game out of the loss column.

Marshall lost the game at the free throw line, making only seven out of 16 attempts. Pipestone cashed in at the gift shot line to the

tune of 12 out of 21. The Tigers outscored the Arrows from the field, 44-42.

Codge Johnson took the game scoring honors as he hooped 22 points for Marshall. The only other Tiger to reach double figures was Bruce Dawson with 10.

Big Sid Bostic lead the Arrows in the scoring column with 21 points. Dick Roesler was also in double figures with 11.

The lead see-sawed back and forth between the two squads in the first few minutes of play, but the Arrows caught fire midway in the initial stanza, taking an early 21-13 first quarter lead.

The Tigers fell even further behind in the second stanza as they experienced their most dismal scoring quarter of the evening.

Marshall only managed to add eight points to their tally in the second round. Meanwhile, the Arrows pushed in 16 points to pad

their margin to 16 points at inter-

Codge Johnson

mission, 37-21.

The game fortunes were completely turned around in the second half, however. The Tigers came out on the floor with fire in their eyes, and started to cut the big Pipestone margin.

Led by Johnson, who dumped in 12 points in the third quarter, the Tigers cut the Arrow lead to 11 points at the three-quarter mark, 47-36.

The Tigers continued on their uphill climb in the final quarter as they moved to within two points of the Arrows with seconds left to play.

A pair of gift tosses by Bostic however, salted away the game for Pipestone.

This was the 13th loss of the year for Tigers, compared with three entries in the win column.

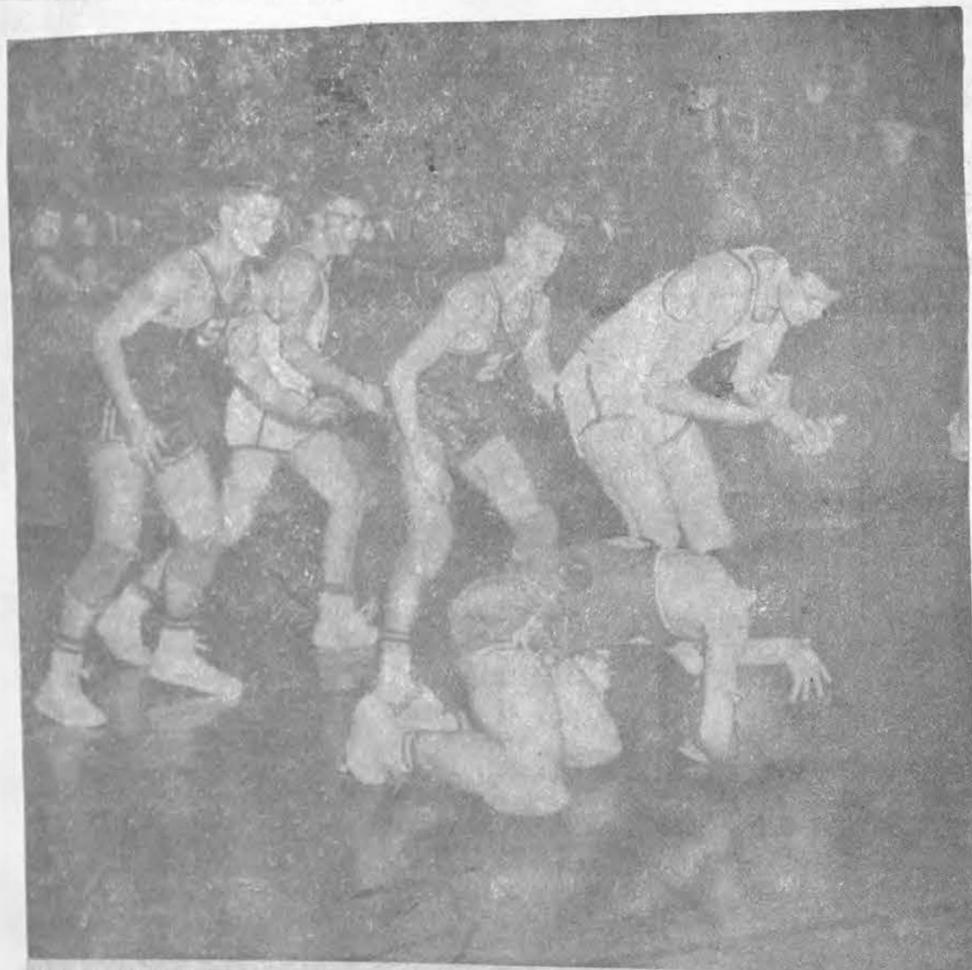

The Tigers will wind up their regular season play Friday night when they take on the red-hot Walnut Grove Loggers in a home game.

Central Meets B.I. In Semi's; Tigers Take On Walnut Grove

BY DON HERRING
Daily Messenger Sports Editor

Both basketball teams in Marshall will have their hands full during the next few days, with the Central Queensmen moving into the second round of Region Eight tournament play tonight against Bird Island and the Marshall Tigers winding up their regular season play tomorrow night against Walnut Grove.

Central entered the second round by virtue of their 53-41 victory over Currie Tuesday night. Bird Island gained entry in the second

round as a result of their narrow 46-43 win over Wabasso in the first round play.

If season records are any indication, the Queensmen will have little trouble with the Marians. The two squads met twice during the regular season play, with the Queensmen coming out on top with wide margins in both cases.

Tonight, however, Central might not be going into the game at full strength. Co-captain John Rogers

missed the first round game because of illness, and possibly may not be up to par for tonight's tilt.

His substitute, Paul Rehkamp, has been filling in admirably, however. Rehkamp led the Queensmen in scoring in the Currie game, as well as bringing home 17 rebounds.

Bill McDonald seems to be the biggest scoring threat that Bird Island has to offer, although Gerry Rodell is also a potential scoring threat.

Starting for Central tonight will probably be Rich Chalmers and Tom Sanders at the forwards, with either Rehkamp or Rogers at center, and Bernie Baert and Harlyn Paradis at the guard slots.

The game, played on the Queensmen's home court, will begin about 9 p.m. A preliminary tilt between Wabasso and Currie is scheduled for 7:30.

The Tigers will take a last fling at padding their 3-13 record before tournaments when they meet the high-flying Walnut Grove Loggers tomorrow night in a home contest.

Although not the powerhouse they have been for the last few years, the Loggers still are one of the most highly regarded teams in District 10.

On Tuesday, they dumped Redwood Falls by six points. Redwood, in turn, has counted a pair of victories over Marshall this year, and the last time nearly ran the Tigers out of the auditorium.

Marshall will be bumping heads with one of the biggest teams around this year, as far as height is concerned.

Coach Harvey Story has only two men on his entire squad that measure under six feet—Tom Mullens and Tom Wegner, both 5-7 guards.

The front line of the Loggers will probably average somewhere around 6-3. Tallest of the lot is 6-5 Fred Schmiesing, who fills the center position.

At the forwards will be Kenny Anderson (6-3) and Bruce Nordstrom (6-3), with Arlyn Anderson (6-0) and Ronnie Anderson (6-0) in the guard slots.

Starting for the Tigers will probably be Codge Johnson at center, with Les Jacobson and Barry Pomrantz at the forwards, and Bruce Dawson and Dick Benson at the guards.

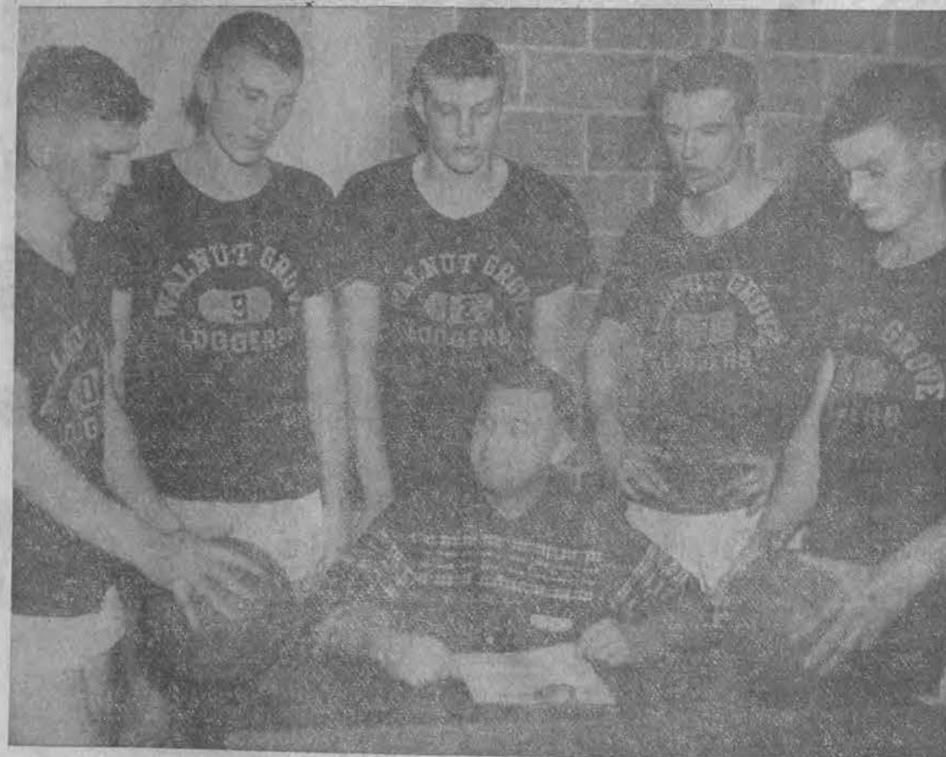

If Benson is unable to play because of the injury received in the Pipestone game, Karl Salhus will probably spell him at one of the guards.

Game time at Marshall is scheduled for 8 p.m.

Tigers Lose Pair

To Tracy and Canby

EVERYBODY WANTS TO GET INTO THE ACT—This bit of frantic action from Marshall's Friday night tilt with Tracy illustrates the free-wheeling brand of ball that was played this weekend by the Tigers. Les Jacobson (50) seems to have control of the ball, but Tracy's Roger Flatequal is giving him a bit of trouble, as

well as Dave Carey (33). Danny Lanoue (14) and Dick Benson (22) are giving Les some helpful advice. In the background are Tracy's Dick Johnson (25), Russ Shoeman (41), and Dick Bosacker (13). Bruce Dawson is also pictured as he moves into the play.—Daily Messenger photo.

At Canby, Marshall probably

had its biggest heartbreaker of the season. With five minutes to go in the game, the Tigers watched a 14-point lead dwindle to nothing as they dropped a 73-69 decision.

Canby came out on the floor red-hot in the first period and took a fast six point lead. Paced by Codge Johnson, however, the Tigers came back to within two points of the Lancers as they

trailed, 14-12 at the end of the first stanza.

In the second and third periods, the Tigers threatened to run Canby right out of the gym as they put together their biggest scoring drive of the season.

Johnson, Bruce Dawson, and Dick Benson pulled the Tigers through the stretch as they combined for 40 points in the second and third quarters. The rest of

the squad contributed six points in these two periods as Marshall took over the lead at intermission, 35-29, and expanded it to eight points at the three-quarter mark, 58-50.

The roof fell in for the Tigers in the last five minutes of play. Paced by Ron Craigmile, who bucketed 32 points for Canby in this tilt, the Lancers started a scoring surge in the frantic free-wheeling last period.

It was Craigmile's free throws that turned the tide for Canby. The scrappy Lancer guard meshed nine free throws in the final stanza, including the last four points that gave Canby the victory.

The Tigers lost two men on fouls during this game—Barry Pomrantz and Bill Powell, and had three others on the verge of fouling out in the persons of Paul Thomson, Codge Johnson, and Karl Salhus, each with four infractions.

All in all, the Bengals had 27 fouls called on them in this game, compared with Canby's 22.

Codge Johnson copped the scoring honors for Marshall with 23 markers, followed closely by Bruce Dawson with 18 and Dick Benson with 17.

Besides Craigmile's 32 points, Rog Eischens was also in double figures for Canby with 15.

The next game of the season for the Tigers will be Friday night when they host the Montevideo Mohawks.

Marshall Drops Heart-Breakers As Free Throws Spell Difference

BY DON HERRING
Daily Messenger Sports Editor

The red-hot Marshall Tigers are no longer red-hot. After winning three games out of their last four starts, the Tigers dropped a pair of heart-breakers this weekend, losing to Tracy on Friday, 50-47, and to Canby on Saturday, 73-69.

In both games, the Tigers lost at the free throw line. Marshall outscored both Tracy and Canby from the field, but fell short by a few buckets on gift tosses.

Against Tracy, the Tigers couldn't get moving at all in the first period. Marshall only garnered eight points in the initial stanza, while Tracy started things off with a bang, bucketing 23 markers.

Roger Flatequal was the big gun for the Scrappers in the first stanza. He dumped in 10 points for Tracy, while Dick Bosacker contributed six. As a result the Tigers found themselves down by 15 points at the end of the first period, 23-8.

Led by Codge Johnson, the Tigers started a comeback in the second canto. Johnson scored six points on a field goal and a quartet of gift tosses.

Meanwhile, Tracy experienced their coldest scoring period of the game. The Scrappers only bucketed seven points in this period, while the Tigers meshed 17. Tracy still kept the margin at intermission, however, 30-19.

The Tigers came out roaring in the third stanza, however, and gave the Scrappers the scare of the evening. Led by Dick Benson and Barry Pomrantz, Marshall started a sustained scoring binge that briefly gave them a five point lead.

The Scrappers only managed one point in the first five minutes of play in the third stanza, a free throw by Flatequal. Marshall meshed 17 points in this period, while holding Tracy to another seven-point quarter.

It was only in the last minute of the third period that the Scrappers managed to pull back ahead, maintaining a scant 37-36 margin.

The fourth period was a seesaw battle that saw the lead change hands a half-dozen times. The contest actually wasn't decided until there were only 15 seconds left in the game. With Tracy ahead, 48-47, Russ Shoeman calmly stepped to the free throw line and sunk a pair of clutch gift shots to give Tracy a small, but substantial cushion.

As it was, the Tigers were unable to score again, giving the Scrappers a 50-47 victory.

Codge Johnson was the leading scorer for Marshall with 15 points, followed by Dick Benson with 10.

Roger Flatequal topped the Tracy scoring with 18 points. Dick Bosacker was also in double figures for the Scrappers with 10 points.

Since Russell, Marshall Met —

It's Been A Long 3 Years ...

It's been three years now since Marshall and Russell last met on a basketball floor. Three years of smiles for the Bulldogs and three years of waiting for the Tigers.

Ever since the first game of the district tournament in 1956, Marshall has been aching for another crack at Russell. Tonight they get their chance.

I don't suppose it will jolt your memory too much to think back to 1956, when the Tigers, who had their bags all packed for the state tournaments, were rudely dumped by Russell in the first game of the district tourney at Canby.

For the most part, the casts have changed by this time. Coach Dick Lennes came to Russell the year after the big boom, and Marshall mentor Glenn Matkke took over the reins of the Tigers this season.

All but one of the players in that infamous game have graduated from school now. The one player that's left, however, is the one that the Tigers remember the most.

Perhaps you have memories of a scared freshman cager going up to the free throw line for Russell in the overtime of that game and sinking two clutch free throws to give the Bulldogs a 56-55 upset.

That scared freshman in that game is a seasoned veteran now — little Frankie Greve, in his fourth (and last) year of playing varsity ball for Russell.

Even with the changing of casts, however, the memory and the embarrassment suffered by the Tigers still remains livid in the memories of the Marshall players.

The reason for the first defeat by the Bulldogs is still being de-

Fishin' Around

by don herring
daily messenger
sports editor

bated by some die-hard fans. Some say it was overconfidence on the part of Marshall.

The overconfidence, however, won't be in effect this year. Marshall Coach Glenn Matkke isn't being swayed by the Bulldogs' unimpressive 4-13 season record.

"Any team that can score 91 points a high school game has to be respected," commented Matkke, referring to Russell's 99-91 loss to Milroy a few weeks ago.

Offense is probably the strongest point for Russell this season. Most of the Bulldog scoring punch comes from the outside. Scrappy little Walt Gravley has been the leading scorer for the Bulldogs throughout the season, and coupled with Tom Rustand makes one of the district's snappiest pair of running guards.

With 6-1 Larry Lange filling in the center position, Russell has all the scoring potential that anyone could hope for. The forwards are Greve and Lyle Schenck, both of whom play a steady floor game

and are tough when it comes to rebounding.

So, the stage has finally been set for a return match between the two clubs. The only change this time is that the squads are meeting in a sub-district game.

Outside of Wood Lake, the Tigers can't think of anyone else they'd rather beat.

Marshall Plays Best Ball In 65-40 Win Over Russell

BY DON HERRING
Daily Messenger Sports Editor

RUTHTON — Playing their best brand of ball, the Marshall Tigers romped through their first round game of the sub-districts here last night with an easy 65-40 victory over the Russell Bulldogs.

Marshall had little trouble with the Bulldogs, and led throughout the game. Codge Johnson led the scoring for the Tigers with 17

points. Bruce Dawson and Dick Benson were also in double figures for Marshall with 12 and 10 points respectively.

Walt Gravley topped the Russell scoring column with 14 markers, with Tom Rustand close behind with 11.

Led by the scoring of Dawson, who plunked in four set shots, the Tigers raced to a 22-7 bulge in the initial stanza. Rustand kept

Russell in the scoring column with a pair of layups, but the rest of the Bulldogs only contributed three points.

The Tigers continued the torrid pace set up in the first quarter as they added 16 more markers to the tally in the second canto.

Johnson started his scoring spurt in this stanza as he plunked in four field goals from close in Rustand again was the guiding light for Russell as he pumped in a pair of fielders and a gift shot.

Marshall, however, had a very comfortable 38-17 lead at intermission.

Tiger Coach Glenn Matkke played his reserves most of the second half, and they gave a very creditable showing for themselves.

The Marshall scoring slowed down quite a bit in the third stanza, although Johnson connected on three field goals and a gift shot. The Bengals only added 13 points to their tally in the third stanza, but still padded their lead.

Gravley hit on two field goals and a trio of gift shots, and Chuck Miller contributed four markers, but the rest of the Russell squad added only one gift shot. This gave the Tigers a 51-29 lead at the three-quarter mark.

Matkke benched his regulars for good in the final period. The Tigers, however, still continued to pad their margin as they out-shot the Bulldogs in the fourth quarter, 14-11.

Marshall will now meet the Balaton Warriors in the finals of Sub-District III play on Friday at Ruthton. Game time is scheduled for 8 p.m.

GIRL STATER—Kathleen Olson, daughter of Mr. and Mrs. Melvin Olson, a junior at Marshall high school, has been selected representative from the school to Girls' State at Minneapolis. Lynn Ahlin, daughter of Mr. and Mrs. Harry Ahlin, was selected alternate. Selection of the representative was done by the girls of the junior class and is sponsored by the American Legion

Women's Auxiliary. Kathleen is an A student at the school who has been a member of the Future Homemakers of America since the 7th Grade. She is an active member in the band and high school chorus and was class officer in the ninth and tenth grades. Next week, a Girls' State representative from Central Catholic high school will be announced.—Daily Messenger photo.

NEW AND IMPROVED (?) METHOD—After much trial and tribulation, the Daily Messenger has finally found out what basketball coaches do in their spare time. They shoot free throws! At left, Marshall mentor Glenn Matke demonstrates his form at the gift shot line, trying to show Stu MacDonald how to do it. At

right, Matke shows his approval as Stu follows through with his shot. The object of the game is to shoot without looking at the basket, but Stu seems to be hedging the rules a bit as he follows his shot to the basket.—Daily Messenger photos.

Marshall Edges Balaton For Sub-District III Title

BY DON HERRING

Daily Messenger Sports Editor
RUTHTON — A pair of gift shots by Bruce Dawson with 11 seconds remaining in the final period salted away Sub-District III crown for Marshall here Friday night as they squeezed past the Balaton Warriors, 55-54.

The free throws, however, weren't Dawson's only claim to fame. It was Dawson who put Marshall back into a 53-52 lead with 23 seconds remaining in the game when he swished a jump shot from about 25 feet out.

Codge Johnson copped the game scoring honors with 19 points, although Dawson was right on his heels with 18.

Lean Kent Swanjard topped the Balaton scoring with 16 markers, with Leon Wichman collecting 15. Jack Lewis and Mike Wells

Two Free Throws By Dawson Sew Up 55-54 Tiger Victory

were also in double figures with 10 apiece.

Free throws won the game for the Tigers. Marshall shot a torrid 75 per cent from the gift shot line, bucketing 15 for 19, although outscored from the floor, 42-40.

Three quick set shots by Dawson put the Tigers into a 6-0 first quarter lead, but the Warriors fought back and came within four points of the Tigers at the end of the first stanza, 19-15.

Led by Dawson and Barry

Pomrantz, the Tigers expanded their margin to six points at intermission, 31-25.

Wells kept the Warriors in contention in the second stanza as he connected on a pair of field goals.

Balaton started on the comeback trail in the third canto. Guided by Swanjard, the Warriors cut the Marshall margin to four points at the three-quarter mark, 42-38.

Johnson and Pomrantz did all the scoring for the Tigers in the third stanza, contributing 11 points between them.

The final period kept the overflow crowd on their feet most of

the time. The Tigers kept hold on their lead until Lewis plunked in a jump shot with 30 seconds remaining to give Balaton a 52-51 margin.

Then Dawson came down the floor and cashed in on a jumper to put the Tigers back in the lead, 53-52.

With 11 seconds to go, the Tigers still had their one-point margin 53-52. Dawson's gift tosses, however, put the game away. A last-second layup by Swanjard cut the margin, but the Tigers eked out the Sub-District III title with a narrow 55-54 victory.

School Kids To Get A 10-Day Holiday

Marshall public school students will get a ten-day holiday for Easter, Les M. Frey, Supt. of the public schools, announced today.

School will be let out Friday at 3:30 p.m. and will reopen on Tuesday, March 31 at 8 a.m.

He said that the vacation period will give the school's custodians time to make general repairs and start their annual Spring clean-up.

Hendricks Wins

Tigers Play Frigid In 74-39 Defeat To Strong Wood Lake

BY DON HERRING

Daily Messenger Sports Editor

COTTONWOOD — The tournament jitters hit the Marshall Tigers hard last night, and coupled with the polished game of Wood Lake proved to be too much for the Tigers as they fell before the

mighty Warriors, 74-39.

Codge Johnson turned in a 22-point performance against Wood Lake, but he was the only Marshall player in double figures.

The fabulous Hal Olson led the Warriors with a torrid 30 points. Dale Bahn and Garland Luterman

each collected 15 for Wood Lake.

The Tigers shot a miserable eight per cent on field goals in the first half, and only managed to score three points in the first period, their lowest scoring output of the season.

Wood Lake, however, started things off with a bang. Olson dumped in the first 10 Warrior tallies, and then paired off with Bahn and Luterman to mesh 19 markers for Wood Lake in the initial stanza.

The situation didn't change much in the second canto. The Warriors went merrily on their way, dumping in 20 points, while the Tigers only managed 12. Johnson started his scoring binge as he bucketed 10 gift shots and a pair of fielders, but the rest of the Marshall squad only contributed a pair of free throws.

This put Wood Lake out of sight at intermission, 39-15.

Both squads traded baskets fairly evenly in the third stanza, both scoring 13 points. Olson carried most of the scoring load for Wood Lake with a trio of fielders. The Marshall scoring in the third was fairly spread out, with six Tigers hitting the scoring column.

Wood Lake doubled the Marshall output in the final stanza. The Tigers meshed 11 points, seven of them by Johnson, but the Warriors exploded for 22 to finish with a substantial 74-39 victory.

Wood Lake will meet the Hendricks Huskies in the semi-final round of the district tournament tomorrow night at Canby. Game time is scheduled for 8 p.m.

6 MHS Students Rated Superior At Declam Meet

Six students from Marshall high school have received superior ratings at a district declamation contest held in Canby yesterday.

The winners and their categories are: Susan Atkinson, memorized oratory; Tom Runholt, original oratory; Toby Hegstad, extemporaneous speaking; Dick Benson, discussion; Virginia Rasmussen, manuscript reading; Jean Hand, pantomime.

Three alternates from Marshall, Judy Atkinson, Mike Rivard, and John Christenson, were also chosen.

The superior winners are now eligible to attend a regional meeting at Lamberton, April 8. A statewide contest will be held at Hamline university, St. Paul, sometime in May.

MHS Musicians To Enter Contest

The band and chorus of Marshall high school will take part in the District Nine music contest to be held in Canby on Friday and Tracy on Saturday.

The individual contest will be held on Friday, with the chorus and band performing on Saturday. About 60 students from MHS will participate in the individual contest. The contest includes both vocal and instrumental solos and ensembles.

The chorus, under the direction of Donn Mattson, will compete at

11:10 a.m. Saturday at Tracy. They will sing "All Breathing Life", and "Alleuia Glorious is Our Name."

At 4:30 p.m. the Marshall high school band, under the direction of Leo E. Yorde, will present two selections, "Passion In Paint" by Andre Rene and "Chester Overture for Band" by William Schumann.

Judges for the contest will be Dr. Herbert Owen and Elias Halling, both from Mankato State college, and Roger Barret of St. Cloud State college.

Judy Atkinson

Marshall Girl Is Named Moderator Of Presbytery

Judy Atkinson, Marshall high school student, was elected moderator for the West District of the Mankato Presbytery when the group met for its spring rally and annual meeting in Rushmore Sunday.

Miss Atkinson will preside at all meetings, rallies and council meetings of the Presbytery during the coming year. As moderator, she will be part of an executive committee planning state-wide programs, for Presbyterian Youth. Judy was elected by the 388 young people attending the Rushmore rally.

"Christian Commitment" was

the theme for the meeting. The Rev. David Davids and 35 members of the Federated Youth Fellowship chartered a bus to attend.

Rev. Davids states he believes this is good indication that teenagers have a sincere interest in things that are noble and right. "They're not all juvenile delinquents, and I believe that the 85 per cent who are upstanding citizens should be given due credit."

BLUE RIBBON WINNER—Jeff Addison, student at Marshall junior high school, recently won a blue ribbon at the Mankato Science Fair for his entry of a cloud chamber. The photograph

above shows the rectifier-transformer left, and the cloud chamber on the right. Jeff built the entire project in about four months with his spare time.—Daily Messenger photo.

For Jeff Addison —

Cloud Chamber Rates A First

It took several months of work, but when Jeff Addison, a student at the Marshall junior high school, finished it, he got a blue ribbon, a pin and had a cloud chamber on his hands.

Jeff, the son of Mr. and Mrs. Harry N. Addison Jr., was one of a group of students from the school who entered the Mankato Science Fair at Mankato State College last week. His cloud chamber entry was one of seven in the show and the only one to receive a "first."

What is a cloud chamber? How does it work? Jeff was asked.

First, the cloud chamber principle which Jeff uses, works off a rectifier and transformer that produces 500 volts of direct current electricity. A heating element is located in the cloud chamber that helps produce a "cloud" of con-

densed moisture. A pinhead painted with fluorescent paint (which is slightly radioactive), emits "alpha" particles through the cloud and can be traced by "tracks" made in the condensation. Thus, a cloud chamber.

"It isn't an easy thing to build," said Robert Reimler, junior high science instructor. "For a boy of Jeff's age, it's quite an accomplishment."

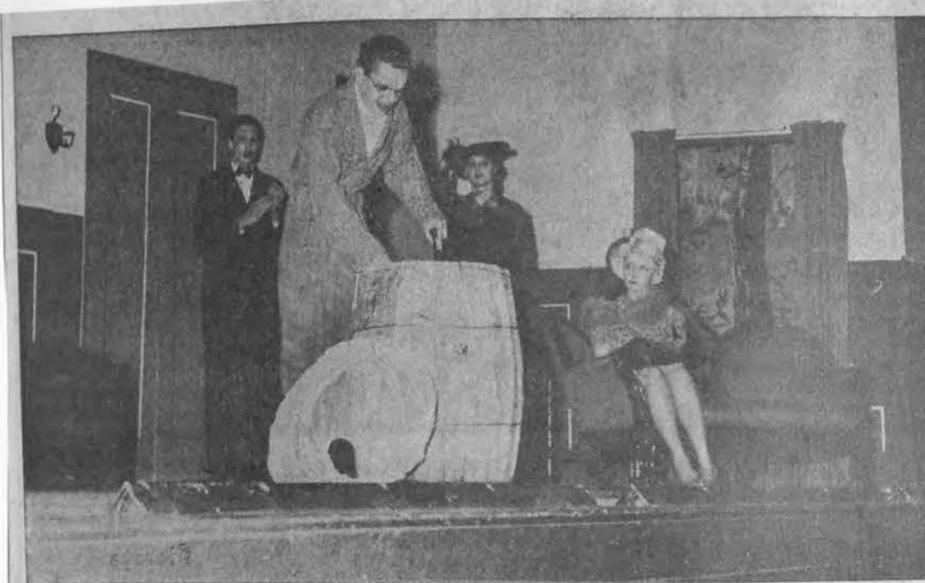

The entire project, says Jeff,

took him about four months. He used a number of pieces of scrap metal and wood laying around his home and a guide book. His cloud chamber also contains a dual thermoglass window for watching the alpha tracks. This precaution prevents the glass from clouding up.

What really sold Jeff's project, said Instructor Reimer, was his ability to be a salesman.

"A student who enters a project in a science fair," said Reimler, "has to explain to the judges how it works. From this, they usually can tell if he knows what he is doing. Jeff did a good job. The judges were impressed and he got his blue ribbon."

Marshall Seniors Plan To Present 'Mignonette'

The senior class of Marshall high school will present their class play "Mignonette" to the public on Thursday and Friday evenings.

Adult night is scheduled for Thursday and student night will be Friday. The play, which begins at 8 p.m., will be held in the high school auditorium.

"Mignonette" was first presented by the MHS senior class of 1932, the first play ever presented in the present high school building.

Members of this year's cast and the parts they play include: Joan Robson as Mignonette Dardon, Virginia Rasmussen and Rose Mills, Pat O'Brien as Mammy Lou, Susan Atkinson as Mammy Lou as a young girl, Gloria Nylén as Annabelle Higgins, Jane Henderson as Stella Baggs, Donna Poppick as Hannah Splivens, Brunhilde Evenson as Esmeralda Brown, Sally Peniston as Anna Bryant, Sandee Monson as Alice Fox, Judy Carlson as Elizabeth Maxwell, Diane Mork as Gladys Dyke, Len Kragness as David Frames, Jack Fifield as Paul Dardon.

Bill Powell as Justin Holliday, Terry Rewerts as Deacon Parker, Woody Jewett as Thomas Mills, Toby Hegstad as Simon Clay, Norm Berg as Henry Spencer, Dick Benson as Jonathan Mills, and John Berre as Andrew.

Tigers Lose Opener To Scrappers, 3 to 1

Despite a four-hit, nine strike-out performance by Barry Pomrantz, the Marshall Tigers dropped their season baseball opener to Tracy at Legion Field last night, 3-1.

All of the Tracy runs were unearned, coming with the help of four Tiger errors and a wild pitch.

Tracy hurler Donn Ravers also turned in a creditable mound performance, striking out seven while allowing five hits.

Tracy drew first blood in the contest with a tally in the initial stanza. Russ Shoeman reached first on a throwing error, and moved to second on a walk to Dick Michelson. A single by Larry Walterman chased Shoeman across the plate, giving the Scrappers a 1-0 lead.

The Tigers came back to knot up the score in their half of the first. Bruce Knigge walked, moved to third on a single by Barry Pomrantz, and scored on a wild pitch to tie up the score at 1-1.

Tracy bounced back in the third to regain the lead. Donn Ravers

Knigge

Pomrantz

walked, moved on to second when Dick Bosacker received a free pass to first, stole third, and scored on a wild pitch.

The Scrappers padded their lead in the fourth. Rog Salmon reached first on a Tiger boot, and moved to second on another Marshall error. He later scored on a fielder's choice.

The Tigers threatened once in the third with bases loaded and one out. The next two Tiger hitters, however, couldn't get the runners across.

Donna Serreyn Enlists In WAC

Donna Serreyn, 18, daughter of Mr. and Mrs. Oscar A. Serreyn, and a senior at Marshall high school, was processed and qualified for enlistment in the Women's Army Corps during the Easter vacation.

She is the first 1959 senior of Lyon county to elect the "June Platoon" as her choice upon enlistment June 17, according to St. John Hall, U. S. Army Recruiter for Lyon county. This platoon will be comprised of 36 women from the southwest section of Minnesota, the northwest section of Iowa, and South Dakota. It will be enlisted at Sioux Falls, S. D., and flown to Fort McClellan, Ala., for eight weeks of basic training. Members will remain together for the eight weeks.

Those enlisting for a two year period will be processed for duty assignments and necessary vocational training. Those enlisting for a three year period will be guaranteed vocational training, or specific schools of their selection, prior to enlistment.

After basic training they will be sent to their duty assignments, or to the school of their choice.

Women between 18 and 34 years of age, desiring information on the Women's Army Corps of the "June Platoon" may receive a form from St. John Hall, Box 171, Worthington.

In Dual Meet — Marshall Golfers Tie Tracy, 242-All

May 6

The Marshall high school golf team, playing their second match of the season here yesterday, tied Tracy in a dual meet, 242-all. The match was played in the rain,

which kept the scores high. Tracy's Dick Van Ryn carded the best score of the afternoon, a 39. The best effort by a Marshall player was Dick Benson's 45.

For Marshall it was Benson with 45, Dave Webb with 47, Bob Dowma with 50, John Rotegard with 50, and Butch Ottem with 50. The sixth man, Joe Mitchell, carded a 59. Only the five top scores are used in the matches.

For Tracy it was Van Ryn's 39, Starr with 47, Brown with 49, Wetter with 51, and Mair with 58. Joel Ostgaard, the sixth man, came in with a 62.

Marshall Musicians Receive Ten A's

Members of the Marshall high school band and chorus came back with 10 A ratings from the regional contest held recently in Worthington.

The A ratings came in the individual contests. The band and chorus, although they received A ratings in the district contest, did not participate in the regional.

The A ratings are as follows:
Solos: Alan Hoff, bassoon; John Christianson, clarinet; Sharon Abrahamson, french horn; Dave Nelson, baritone; Merilee Schutz, alto sax; Judy Graham, tenor sax; and Warren Verdeck, trombone.

Miscellaneous ensemble: Charles Eubanks, Mavis Rust, and Jean Milbrandt.

Woodwind quintet: Charles Eubanks, Mavis Rust, Sharon Abrahamson, Alan Hoff, and Jean Milbrandt.

Starting With Banquet —

Marshall High Prepares Prom

Members of the junior class at Marshall high school have been extremely busy lately, decorating the MHS auditorium in preparation for the banquet and the junior-senior prom to be held tonight and tomorrow night.

The banquet will be held tonight beginning at 6:30. Following the meal, a short program will be held at the tables. Junior class president Bob Weidauer and senior class president Bill Powell will speak, as well as Leonard Johnson representing the faculty.

At the end of the speeches, the juniors will present their annual talent show. The class history will be read by Judy Carlson, the class prophecy by Sandee Monson, and

the class will be Brun Evenson and Mavis Rust.

The dinner will be attended by practically every junior and senior class member as well as the faculty members. Sophomores will serve the banquet and will be dressed in appropriate costumes.

Tonight the bleachers will be open by ticket only to the adults at 8:15. Tickets may be secured from class members or through the high school office.

Tomorrow night the annual junior-senior prom will be held, with the Collegiates playing. The Grand March is scheduled for 9:30.

Friday night the doors will be open to adults at 9:30. Tickets for this may be obtained from the juniors or seniors.

Don Kramer Gets Region FFA 'Star Farmer' Award At Meet

Don Kramer, a senior at Marshall high school, was named as the Region Six "Star Farmer" at the State Future Farmers of America banquet held at St. Paul yesterday.

This is the fourth time in the past 12 years that the regional honors have gone to a youth from the Marshall chapter. Loyal McCann is the FFA advisor at the high school.

Kramer is president of the Marshall chapter, as well as District 11. He is active in 4-H and has been a member of the Marshall chapter livestock judging team for the past four years. His livestock have taken many prizes at the county and state fairs.

In being named regional star farmer, Kramer received a gold key and a \$40 cash award.

Six boys from Marshall were raised to the State Farmer degree at the convention. They were Kramer, Juels Carlson, Merlin Green, Eugene Adler, Duane Wyfels, and Alan Forbes.

The State Farmer degree is the highest honor that an FFA member can receive on the state level. To receive this award, a student must be outstanding in FFA accomplishments, leadership, and character and have an outstanding

farm program.

Only the top two per cent of the state FFA members are eligible for this degree.

The Star Farmer of the year for Minnesota was also named at the banquet. He is Irvin Lund, 17, of Olivia. He was picked from the field of eight regional star farmers, of which Kramer was the Region six representative.

Other regional farmers include Peter Mortenson, Kennedy; Ronald Hendrickson, Hawley; Robert Schmoll, Willmar; Ronald Tersteeg, Olivia; David Livingston, Dodge Center, and Elroy Knauer, Waconia.

Marshall Golfers Lose To Redwood In Duel Meet

The Marshall high school golf squad dropped their opening meet of the season here last night, losing to the Redwood golfers by 19 strokes, 230-211.

Les Peterson led the Redwood golfers with a 39. The best effort by a Marshall squad member was Dave Webb's 42.

Bob Dowma carded a 44, Joe Mitchell a 45, Danny Lanoue with a 47, and Mickey Taylor a 52.

For Redwood it was Peterson's 39, Johnson with 40, Brown with 42, Lussenhop with 43, and Kruger with a 47.

The next match for the Marshall golfers will be a dual meet with Tracy here next Tuesday.

Safety Patrol Here To Get State Honor

The safety patrols of Marshall and Holy Redeemer grade schools will receive an award of merit at the annual Governor's Award dinner to be held in the Hotel St. Paul tomorrow.

The award of merit was earned in competition with about 250 other schools in the state. It represents one of the four such awards made in the state.

Harold Boerboom, chairman of the Safety Patrol board, will accept the award for the patrol. A patrol member from each school as well as Norman Olson, another board member, will also attend the dinner.

Patrol members attending the dinner include Bill Ramige from the Lyon St. school, Robert Newman from East Side, Bob Lockwood from West Side, and Tom D'Autremont from Holy Redeemer.

Other school patrol systems that will receive awards include Fairmont, Hibbing, and Minneapolis. The contest was judged by the Minnesota State Highway Patrol.

Marshall Trackmen Lose In Dual Meet With Redwood

REDWOOD FALLS — The Marshall high school trackmen, participating in their first meet of the season, lost a dual contest with Redwood Falls, 81-43.

Marshall took four firsts in the meet. Les Jacobson copped the 220 with a 25.6; Jeff Addison took the 880 in 2:13.5; Barry Pomrantz topped the discus with a toss of 138' 8 1/4", and the mile relay team of the Tigers, composed of Hal Halvorson, Karl Salhus, Codge Johnson and Jeff Addison took the honors with a 3:49.9.

The big man for Redwood was Jay Kessler, who took first place in the high jump and broad jump and second in the discus.

The Tigers will take part in the Carleton relays tomorrow, according to Coach Larry Kienholz.

Kienholz was pleased at the performance of his mile relay team yesterday. "The time that the boys ran it in was about the time that won the district last year," said Kienholz. "Dick Benson would have been running on the relay, but he's sidelined with a pulled muscle."

Following are the complete results of the dual meet.

Tigers Defeat Balaton For 1st Win Of Season

The Marshall Tigers rapped 12 hits off two Balaton hurlers here last night, taking their first win of the season with a 16-4 victory over the Warriors.

Barry Pomrantz led the Tigers at the plate with four hits in five trips to the plate, including two doubles and a triple.

The leading hitter for Balaton were Jack Lewis and Don Wichmann. Lewis went two for three, and Wichmann went two for four. Both Wichmann's hits were triples.

Balaton jumped off to a fast start in the first inning. Wichmann tripled and scored on an infield grounder, giving the Warriors a 1-0 lead.

The Tigers came back in their half of the first to take over the lead. Doug Eggen singled and moved to second on a Balaton error. Pomrantz' double chased in Eggen.

Pomrantz moved to third on a wild pitch and later scored on another Balaton error, giving Marshall a 2-1 margin.

The Tigers plated four more runs in the third inning. Danny Lanoue walked, Eggen singled, and Pomrantz tripled, scoring two runs. Pomrantz was chased in by Codge Johnson's one-bagger. Rewerts walked and Bruce Dawson singled,

Pomrantz

Lewis

scoring Johnson from second.

Balaton came back to tally again in the fourth stanza. Wichmann tripled and was brought in by a single by Jack Lewis.

Marshall exploded for seven runs in their half of the fourth. Walks to Bruce Knigge, Dawson, and Don Kramer; singles by Pomrantz and Bob Dowma combined with three Balaton errors to account for the runs.

The Warriors plated their final two runs in the top of the sixth. Wells and Lewis hit back-to-back doubles to score one run. Then a single by Dean Wichmann and a Marshall error scored Lewis from second.

Marshall added three more runs to their margin in the bottom of

the sixth. Dowma walked and Dawson was hit by a pitched ball. A single by Larson scored Dowma, while Knigge's single and a Balaton boot scored both Dawson and Larson.

Marshall, Minnesota Lose In Tourney

Tigers Lose To Milroy, 8-3; Pomrantz, Brandt In Duel

BY DON HERRING
Daily Messenger Sports Editor
MILROY — Marshall's Barry Pomrantz and Milroy's Jim Brandt locked horns in a pitching battle yesterday in the first round of the District Nine tournament, each allowing three hits. Seven Marshall errors, however, paved the way for Milroy's 8-3 defeat of the Tigers.

Brandt struck out 16 and walked five. Pomrantz counted nine strikeouts while walking nine.

Milroy will meet Tracy in the second round play of the tournament on Monday at Lake Benton.

Milroy drew first blood in the game when they scored in the first. Peterson walked and moved to second on a Marshall error. He was sacrificed to third and scored on another Marshall boot, giving the Spartans a 1-0 lead.

Brandt Pomrantz

The Spartans added another run in the second. Hulst got on by a fielders' choice, stole second, and moved to third on an error. He later scored on another Marshall error.

Milroy kept the scoring spree going in the third. Peterson reached first on an error, moving to second on an overthrow. He stole

third and scored on Denny Dolan's sacrifice fly.

Marshall piled up all their runs in the third. Don Kramer was hit by a pitched ball and Larson walked. Lanoue moved the runners to second and third with a bunt.

Doug Eggen then tripled in both runners. A single by Bruce Knigge scored Eggen, knotting the game up at 3-3.

From then on in, however, it was Milroy all the way. The Spartans picked up two more runs in the fourth on a walk to Brandt and back-to-back doubles by Hulst and Nelson.

The Spartans iced the game in the fifth. A fielders' choice on Penke and walks to Brandt and Hulst, combined with four Marshall errors allowed three more runs to come in, giving Milroy an 8-3 victory.

School Board Vote Is Slated Tomorrow

May 18

Voters will decide tomorrow who will be the two representatives on the Marshall school board for the next three years in the school board election here.

Four candidates, Art Hardy, Chet Rewerts, Mrs. Frank Jewett and Glenn Olson have filed for the positions. Incumbents are

Hardy and Rewerts.

The election will be held in the Marshall high school auditorium with the polls open from 5 p.m. to 9 p.m. Absentee ballots may be obtained from the County Auditor G. Oscar Carlson.

Those who are eligible for the election must be residents of the

Marshall independent school district which also includes districts 101, 9, 7, 59, 84, 5, 6, 81, 98, 28, 75, 16, 86, and parts of 64, 26, and 48.

The elected board members will officially take office on July 1 and will meet with the board at the July meeting.

Other members of the Marshall school board are C. S. Benson, Dr. M. J. Carrow, Millard Ehlers, and C. J. O'Brien.

In addition to the Marshall board election, school boards throughout the state and the area will also hold a vote. Most boards seek two members.

Regional Is Saturday —

Marshall Takes Golf Title

TYLER — The Marshall high school golf team took the District Nine championship in a meet held here recently.

The Tigers qualified four men for the regional contest to be held at Springfield Saturday. The regional entries from Marshall will be Danny Lanoue, Joe Mitchell, Dave Webb, and John Rotegard.

Van Ryne of Tracy took the individual honors, however, as he carded an 85. Lanoue of Marshall was second with an 86 and Mitchell of Marshall was third with an 87.

The rest of the top ten scores were recorded by Webb of Marshall with an 89; Brown of Tracy with an 89; Rotegard and Downma of Marshall, each with 91; Benson of Marshall and Wetter of Tracy, each with 94; and Thorson of Lake Benton with a 97.

The par for the Tyler course is 72.

All six members of the Marshall golf team were in the first ten in the meet.

At Marshall High School —

Expansion Will Add Facilities

(Second In A Series)

BY FRANK SANTIAGO

An influx of school children moving up from the grade schools into the high school system in Marshall, has provoked researchers to estimate that by 1968, 1,979 students will be enrolled in Marshall public schools. This figure represents a 30 per cent gain on present enrollments.

To meet the increasing enrollments, the Bureau of Field Studies, University of Minnesota, recently submitted to the school board a detailed plan for expansion in Marshall's public schools.

According to the Bureau, expansion is mostly needed in the high school.

The two grade schools recently completed (1952, 1956) are considered to be "adequate" for a "few more years." The buildings which contain 33 classrooms and four kindergarten rooms together, will not have to be expanded in the future except in the event of a rapid growth of enrollment. Then, an addition is expected to be put on the West Side grade school.

Where expansion is definitely needed is in the high school.

The Bureau's plan calls for a \$389,000 addition and modernization program.

The addition, 21,070 sq. ft., costing about \$347,655, will house classrooms for business education, an art room, home economics, science laboratories, lunchroom facilities

and lavatories and storage space.

Estimates by the Bureau show that future senior high enrollment will need a total of eight general or academic classrooms during the next ten years in addition to the special classrooms necessary for conducting a complete educational program.

The temporary annex is not to be considered as a permanent part of the school plant and therefore should be removed, the report states.

The addition on the school is expected to be built on the same location as the temporary structure. The question arises as to how far out the building will go. Will it cross a nearby alley? Would it affect nearby homes? This will be answered when a preliminary sketch of the addition is drawn by the architect.

The new addition should contain:

- Art room and storage space.
- Business education. A typing room along with a shorthand room and a business machine room to be stocked with up-to-date equipment.
- Home economics. A foods laboratory is necessary along with a clothing laboratory and a home-making room.
- Science laboratories. These will include rooms for biology, chemistry, and physics.

• Lunchroom facilities. A kitchen would be built with supplementary facilities. A dining room area would measure 2,500 sq. ft.

• Other facilities would include a teacher's lounge and lavatories.

In addition to the new construction, some alterations are also necessary in the existing high school building. Some altering would involve only the moving of furniture and equipment from one section of the building to another. Other alternations recommended will require some structural change to be made at a cost of \$22,000.

A long-range plan for expansion to fulfill enrollment needs at both the senior and junior high school involves replacing the junior high school and building an auditorium.

The Bureau's reports claims that the present junior high building lacks the special classrooms and library needed to make the school a completely self-contained unit.

Lynn Ahlin To Attend National FHA Meeting

Lynn Ahlin, 16, daughter of Mr. and Mrs. Harry Ahlin of Rt. 3, Marshall, will be among the 2,000 teenage delegates to the 1959 National Convention of Future Homemakers of America, July 13-17, at the Conrad Hilton Hotel in Chicago.

Lynn and 43 other FHA'ers were chosen by the State FHA Assn. and local chapters to represent Minnesota at the National Convention. They will be accompanied by Lorayne Reiten, State FHA Co-Adviser, who is a member of the State home economics education supervisory staff.

The five-day Convention, planned and carried out by the teenagers themselves, will give Minnesota delegates opportunity to exchange ideas with FHA'ers from all states, Puerto Rico, and the Virgin Islands. Theme for the Convention, "Blueprint for Action," is planned to help delegates find ways to use their new National Program of Work for 1959-62 through which they will emphasize developing their potential abilities, understanding family members, knowing the value of home economics education, and promoting good will at home and abroad.

A senior at Marshall high school, Lynn has been an FHA member since 1955 and has served as chapter Historian and vice president, and she will be president of the local chapter next year.

In addition to her activities, Lynn is a member of the following school and community organizations: Band, Chorus, and Girl Scouts.

Marshall Gets 14 Hits, Loses To Wood Lake

BY DON HERRING
Daily Messenger Sports Editor

The Marshall Athletics picked up 14 hits last night, but that wasn't enough to stem the tide of Wood Lake runs as the Lakers jumped to a 12-8 win over the A's.

Gary Neuman clipped a grand-slam homer for the Lakers in the fifth inning for what proved to be the margin of victory. Jerry Cashill also homered for Wood Lake with a solo shot in the sixth.

Tom Musser led the A's at the plate with a perfect four for four,

including a double and three singles. The big RBI man, however, was Byron Ellingson who knocked in four runs.

Tom Sanders started on the mound for Marshall, but was shelled for three doubles and three runs in the first inning. Nick Ludwig came on with one away in the first and gave up another run before the fire was put out. This gave Wood Lake a 4-0 bulge at the end of the first.

Marshall came back in their half of the first to plate a pair of runs. Rog Krause walked and

Musser Neuman

moved to third on Roy Erb's single.

Byron Ellingson's long single then scored both runners. Wood Lake still held the lead, however, 4-2.

The Lakers added another run in the second on a single, a hit batsman, and two walks.

The roof really fell in for Marshall in the fifth. Dave Mooney singled and Borgeson and Garland Luterman walked. Then Neuman poled out a towering four-master over the left field wall, greeting Jim Clark who just took the mound for Marshall.

Marshall bounced back for three runs in their half of the fifth. Glenn Mattke reached first on a Wood Lake error and Don Gibbs walked. Ellingson then doubled to left, scoring both runners.

A ground-rule double by Musser then counted Ellingson, but Wood Lake still held a 9-5 margin.

Cashill's homer in the sixth added another run for the Lakers.

Wood Lake scored once more in the seventh and once in the eighth to end their scoring.

Marshall staged a small rally in the eighth and ninth inning scoring three runs but the large Wood Lake lead was just too much to overcome.

Cashill was the winning pitcher, while Sanders took the loss for Marshall.

The next scheduled game for the Athletics will be Sunday night in an away game with Lamberton. Game time is scheduled for 8:15. The box score:

Tigers Take Ninth District Track Crown

TRACY — The Marshall Tigers, despite the fact that they only took three first places, piled up 42 points at the district track meet held here Friday to edge Hendricks for the district crown.

The Huskies had 39½ points in second place. Canby took third with 37 points, while Tracy was fourth with 24½.

Other team totals include: Minneota, 20; Tyler, 13; Ivanhoe, 11; Balaton, 8; Russell, 5¼; Cottonwood, 5; Lake Benton, 4; Ruth-ton, 1; and Lynd, 0.

As Coach Larry Kienholz predicted, the Tigers had to pile up a lot of second and third place positions in the events to take the district. The only first places that the Tigers captured were in the 880, where Jeff Addison took the honors, the 880 relay, and the junior high relay.

There were no records broken at the meet this year.

There were upsets aplenty, however, Larry Funk of Canby beat Barry Pomrantz of Marshall quite handily in the discus with a toss

Marshall Takes Only 3 Firsts; Beat Huskies By Slim Margin

of 140'2". The best toss that Pomrantz got off at the meet was 129'9".

In the 100 yard dash, Jack Kaczowski of Ivanhoe upset speedster Tom Brewers of Minneota in the finals. Kaczowski ran the 100 in 10.6, while Brewers came in second with 10.7.

The first two places in each event qualified for the regional meet. Marshall qualified seven men to go to the regional.

The unofficial results of the meet are:

Being Father Is Full Time Job

BY DON HERRING

Glenn Mattke, a part-time father to hundreds of kids and a full-time father to two, will spend a very special Fathers Day this Sunday.

His wife, Darlene, presented Glenn with another addition to the Mattke family last Saturday night, a 7 lb. 2 oz. boy.

So, this will be the first Sunday that Glenn will be able to spend with his two sons, Thomas Glenn (the new addition) and Jimmy, who is a little over a year old.

Glenn isn't by any means in

experienced at being a father. His work as a 7th and 8th grade guidance instructor at Marshall high school brings him in contact with literally hundreds of kids every day.

And if that isn't enough, Glenn also coaches the MHS basketball squad. His summer work as an instructor in the summer recreation program brings another 300 kids under his wing, and another dozen or two are added when you count the Junior Legion baseball squad that he coaches.

Mattke, although a relative newcomer to Marshall, has gained the

respect and admiration of the youngsters that he has come in contact with.

Glenn is one of the best liked teachers on the faculty," commented one Marshall school board member.

Mattke finished his first year of teaching and coaching at Marshall high school this year, coming to Marshall last August. He held a similar position in the St. Peter school system for five years.

His duties as a part-time father will take the background this

Sunday, however. Tom and Jim will receive their father's undivided attention on this Fathers Day. You can tell what influence Glenn's sports activities have on the Mattke household. Two of the most distinct words in little Jim's vocabulary are "baseball" and "basketball."

Fathers Day is supposed to be a day of rest of all the harried fathers of the country, but the duties of being a father of a new baby (diapers, feeding time, etc.) will probably keep Glenn hopping. "I don't mind that, though," commented Glenn. "I like kids." That's probably the understatement of the year.

Mattke's part-time kids will probably share in Fathers Day with Glenn too. Sunday night, they get a chance to see him play ball for the Marshall Athletics where, of course, he's one of the leading hitters.

That's to be expected, though. Glenn couldn't let his "kids" down, especially on Fathers Day.

PROUD FATHER—Glenn Mattke, one of Marshall's newer fathers and known to all as coach of Marshall high school's basketball team, will have the opportunity to spend the first weekend

with his newly born son, Thomas Glenn, 7 lbs. 2 oz., born Saturday evening at the Weiner Memorial hospital. Left is his son, Jimmy, 1, and his wife, Darlene.—Daily Messenger photo.

Marjorie McCarthy Weds Ronald Macho

ST. PETER, Minn. —Marjorie McCarthy, daughter of Mr. and Mrs. Lester McCarthy, St. Peter, became the bride of Ronald J. Macho, son of Mr. and Mrs. Joseph Macho of Le Center in St. Peter's Catholic church on Saturday, June 20.

The Rev. Father Rypel officiated at the double ring ceremony at 10 a.m. Michael John McCarthy, nephew of the bride and Michael Beaumont were the Mass servers. Minnie Spiess played the traditional wedding marches and accompanied Mrs. Robert Kneefe, soloist of St. Paul.

The bride, given in marriage by her father, wore a floor length gown of white nylon organza trimmed with Chantilly lace, sequins and seed pearls. Her finger tip veil of French illusion fell from a dainty double crown of seed pearls. She carried red roses, stephanotis and ivy.

The bride's attendants were Mrs. Miles Blesrud, matron of honor, Judy Macho, sister of the groom and Kathleen Killeen, friend of the bride, bridesmaids. They wore identical waltz length gowns of turquoise silk organza with matching headbands and carried white carnations and baby red roses and stephanotis. Mrs. Roland Ruths, the bride's sister was her personal attendant.

James Macho, brother of the groom was the best man; Lynn McCarthy brother of the bride and Richard Minars were groomsmen; Maurice Westphal and Loren Riebel were ushers.

The bride's mother wore powder blue lace with white accessories and the groom's mother wore a rose lace gown with matching accessories. Both wore corsages of pink roses and white carnations.

After the ceremony a dinner reception for 100 guests was given at the Hillside club. Mrs. Frank Sexton, aunt of the bride served the punch assisted by Kare Miller. Joan Ruths niece of the bride

registered the guests and Delores Melvy, Patricia Riebel, Mrs. John McCarthy and Mrs. Marvin Keintz were in charge of the gifts.

The young couple will be at home in Minneapolis after July 21. They left on a honeymoon up the North Shore drive and Wisconsin.

For travel the bride wore navy blue loiglon with orange accessories and a yellow corsage.

The bride, a graduate of St. Peter high school and Mankato state college has been a teacher of English and social studies in the Marshall public high school for the past three years. The groom is a graduate of Le Centre high school and Dunwoody Institute. He is presently employed as sales engineer for the C. L. Benson Co., of St. Paul.

Among those in attendance from this area were Mrs. George Hoffman, Mrs. W. A. Soderlind, Delores Melvy, and Kathleen Killeen, all co-workers of Mrs. Macho.

Senior, Junior High To Have Change In Lunch Schedule

With doors opening Sept. 8 at the Marshall public schools, a few changes have been announced in connection with the class schedule. Most effected is the lunch hour at the junior and senior high school.

According to Merrill Olson, principal of Marshall high school, the changes in the schedule are due primarily to the increased number of youngsters eating in the lunch room. The present facilities cannot accommodate all, therefore two lunch periods will be set up, said Olson.

The new lunch schedule set-up shows:

- Junior high students will eat from 11:23 to 11:58 a.m.
- Senior high students will use the lunchroom from 12:05 to 12:40 p.m.

- No student eating lunch at school may leave the school grounds during the lunch hour.

- Double serving lines have been arranged and more time will be spent in having the students eat slowly and well.

Olson said that the school expects at least 75 more students to have their lunch at school and it was just impossible to take care of them all at one time.

High school classes will begin at 8:25 with dismissal at 3:30, the same as last year. Olson said that it is hoped by dismissing at 3:30 that extra-curricular activities may be completed before 6 p.m. and that many boys and girls may become more valuable to outside work.

In the grades, the opening session starts at 8:40 a.m. with dismissal time for the grades varying.

The class schedule for the Marshall public schools is listed below.

Rain Hurts Start, Coaches Hopeful

BY DON HERRING
Daily Messenger Sports Editor

About 100 athletes turned out for football practice at Marshall's high schools today, and spent the early morning hours going through calisthenics, wind sprints, and light drills.

Coach George Rindelaub at Marshall estimated his turnout at about 45 hopefuls, while Coach Jim Clark at Central said that 55 athletes had signed up for football.

The early rain this morning put a damp touch on the proceedings, but the coaches got a brief glimpse at their prospects before the weatherman called a halt to the

practices.

Both Rindelaub and Clark have big rebuilding jobs to do this year. Rindelaub has only nine lettermen returning, while Clark has 10.

Aug. 19

'Too Much Emphasis Dangerous' — Frey

BY FRANK SANTIAGO

As the atomic age zooms into the classroom a definite change and problem develops in education. Will there be too much stress on science and mathematics? Will the "space age" capture the minds of students causing them to neglect other important studies such as English?

How effective will a more accented science-math program have on the student's thinking?

In the public high school in Marshall science and mathematics are being given more attention, but, warns Supt. of Schools L. M. Frey to a certain degree.

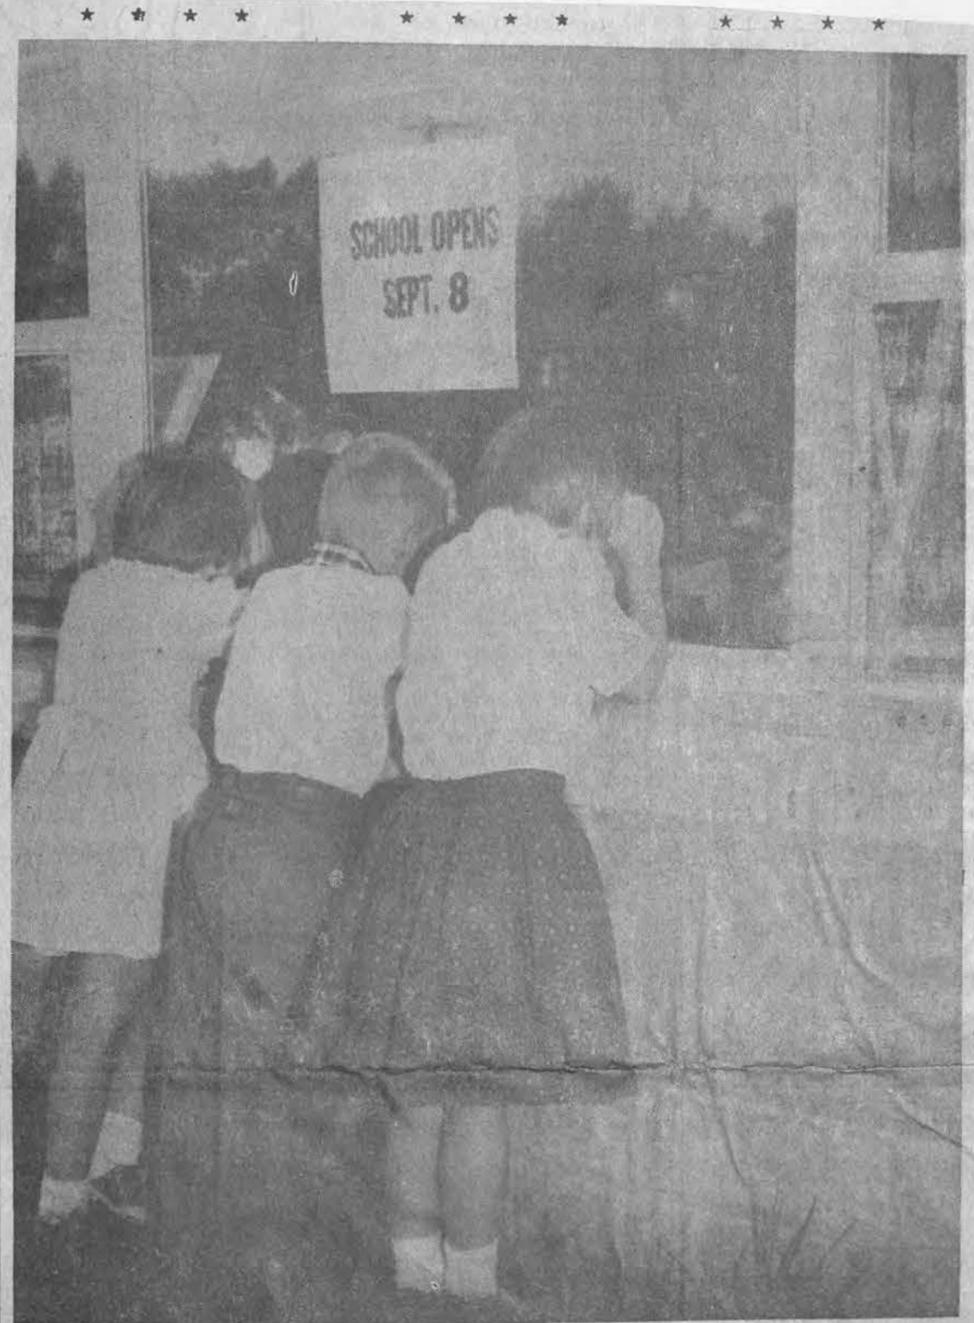

"We find today that our students are more interested in science than they have ever been before," says Frey. "It has the glories of the space age."

"Because of the tremendous demand for engineers and scientists and the publicity that has been given to the subject, most people feel that we need more science and math. Naturally, with this approach (a heavily laden science-math program) we find that we may come out short with our other subjects, namely English."

At this point, says Frey, is where the constant annual check of courses and curriculum of Marshall high school begins to take effect. Each year the courses are evaluated and studied. Each year they are changed with some omissions here and additions there.

"What we have found in studying our science program is that we don't want to add more subjects but to up-grade, improve and make tougher what we already have," he said.

Frey pointed out that three years of science and three years of math in the senior high school are offered at the school. The science courses include physics, chemistry and biology. Mathematics courses include higher algebra, solid geometry, trigonometry and plane geometry.

WISHFUL THINKING?—With school opening in a little less than four weeks the three above youths took it upon themselves to see what was going on inside the classroom. Although Becky

Rothmeier (left), Gary Schrunck and Susie Crow, didn't see the teacher or any familiar friends they were still anxious to get back to school. All schools open Sept. 8. Daily Messenger photo.

Public School Enrollment Jumps To Record 1,578

Enrollment in the Marshall public schools has jumped to an all-time high. According to figures released today, a total of 1,578 children are attending the public schools here.

The figure represents an increase of 77 pupils over last year's enrollment of 1,501.

Largest enrollments were recorded in the grade schools where 989 are attending school at the West Side and East Side grade schools. There are 201 registered in the kindergarten classes alone.

In the high school 589 have enrolled. This is 39 over last year's figure.

"If we study this year's enrollment figures," commented L. M. Frey, superintendent of schools, "we would find that in the next six years we will have about a 200-pupil increase in our high school. This will necessitate planning for expansion of school facilities. We will also have to

increase classroom space in our grade schools."

Principal Asks — Don't Send Kids to School Early

Sept. 4

A plea was issued today to parents of children who attend both East and West Side Grade schools:

"Please do not send your children to school before 8:30 and 12:30 each day," a school official asked.

The reason? School playground supervision does not start until 8:30 a.m.

"Parents' co-operation in this matter also will give the teachers more time to prepare for their classroom duties," Lester Luttmers, grade school principal added.

He also asked that for safety's sake parents who transport their children to the grade schools should not drive onto the school grounds to unload the children.

Kindergarten at both grade schools will start at 8:45 a.m. and close at 11. Afternoon kindergarten classes will start at 12:45 and end at 3 p.m.

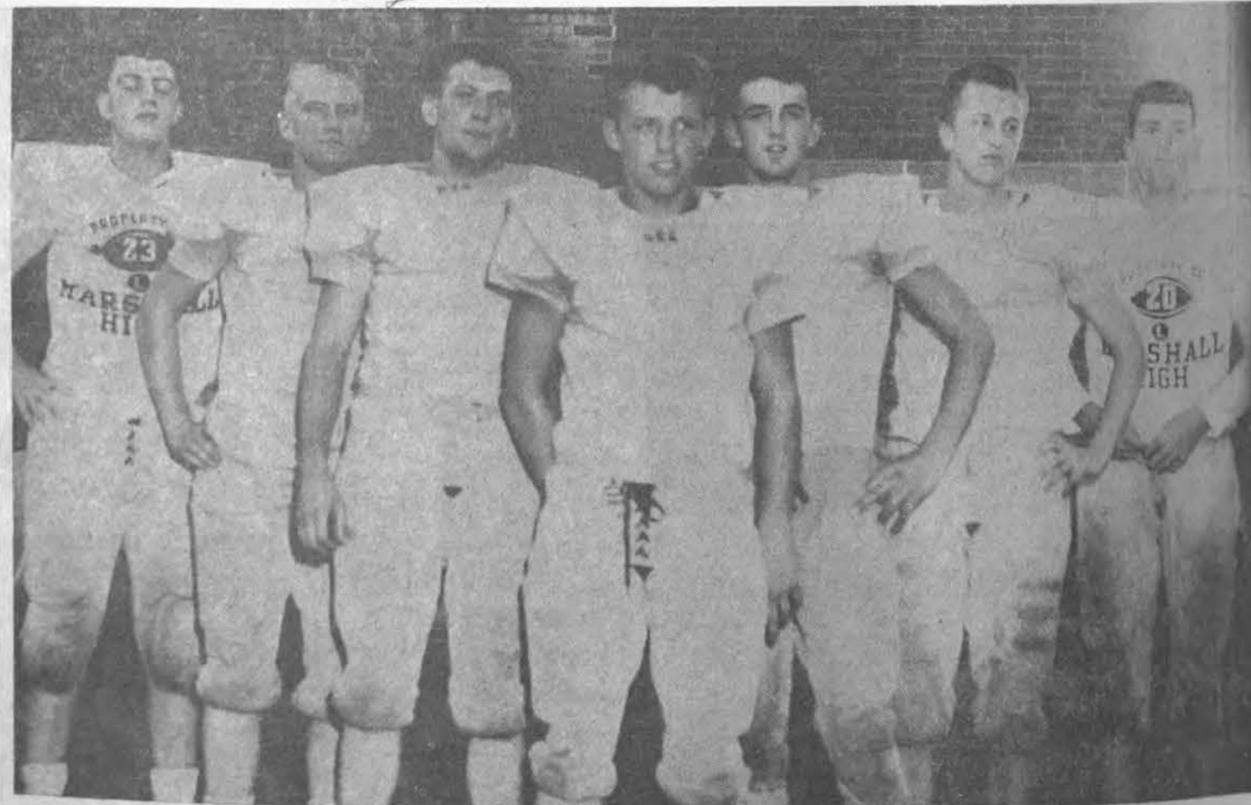

Other grades will start at 8:40 and noontime dismissal will be as follows: First grade, 11:35; second grade, 11:40; third and fourth grades, 11:45; and fifth and sixth grades, 11:50.

Afternoon classes start at 12:45 and dismissal times are: first grade, 3:05; second through fourth grades, 3:20; fifth and sixth grades, 3:25.

From State Fair —

FFA'ers Back With Honors

Marshall high school's FFA members piled up quite a record for themselves at the recent state fair.

The Future Farmers came home with the reserve senior champion Ayrshire cow, the reserve senior champion Brown Swiss cow, the first place Columbia ewe lamb, the champion Tamworth boar, and the reserve champion Chester White junior yearling sow.

The FFA members who brought back the winners were Bob Weidauer, Ewald Pagel, Juels Carlson, Dick and Pat Brosseau, John Forbes, and Dick Christopherson.

Weidauer, the Marshall FFA president, had the reserve senior champion Ayrshire cow. He also placed another first and had three third place winners with his Ayrshire herd of cattle.

Pagel, past State Star Farmer from Marshall, had the reserve senior champion Brown Swiss cow. Pagel also had one second, two thirds, and five fourth places with his Brown Swiss herd.

Juels Carlson, last year's FFA treasurer and State Farmer degree holder, had the reserve champion Chester White junior yearling sow. Carlson also had first and second place Columbia ewe lamb, third and fourth place Columbia yearling ewes, and placed a second, two thirds, two sixths, and three tenths places with his Chester White hogs.

The Brosseau brothers placed fifth, sixth, and eleventh with their Chester White hogs. Richard Brosseau is FFA reporter and Pat is a member of the meats judging team.

Christopherson, chapter vice

president, placed ninth and eleventh with his Devoe hogs. Forbes, a member of the FFA livestock judging team, took first, second, third and fourth with his Tamworth hogs.

Cash awards were given for the

top 15 places in each class.

The most admired animal in the livestock judging building was Bob Weidauer's Ayrshire calf that was born at the fair. Loyal McCann, the local FFA advisor, accompanied the boys.

With Dinner Meeting —

Quarterbacks Starts Tuesday

On Tuesday, the Downtown Quarterbacks Club will open its 22nd year of operation with a dinner meeting at the Federated church.

The meeting which begins at 6:30 p.m., kicks-off the activity of the Quarterbacks, which includes

seven dinner meetings and a banquet for the MHS football squad.

President of the organization this year is Sam Pomrantz, with John Sherman as vice president and Kenny Sheffield as secretary-treasurer.

The Quarterbacks, which num-

ber over 100 men, is a group of men interested in Marshall high school football.

At the meeting, the MHS coaches will report on the Granite Falls game, and give scouting reports on the Tigers' next opponent.

The coaches will also speak on the Marshall squad, getting the Quarterbacks acquainted with the various squad members.

Tickets for membership in the Quarterbacks may be obtained from Sam Pomrantz, Bollie Busard, Julius Locy, Merrill Olson, Larry Kienholz, LaVerne Hansen, C. S. Benson, Fritz Rutcosky, Walt Swenman, Dave Taylor, Bud Rose, Les Paul, Andy Ottum, and Lyle Else.

The meetings, held every Tuesday night following a game, begin at 6:30 and end promptly at 8 p.m.

Football Season Begins Tonight

The 1959 football season for Marshall high school and Central high school begins this weekend.

The games to be played are:

MARSHALL

At Granite Falls tonight. Game time is 8 p.m.

CENTRAL

Area Schools Have Record Pupils

Lyon Schools Show Varied Enrollments

As enrollment figures in the county's seven independent school districts are tabulated it becomes evident that some schools will be handling a larger number of students. Most of them will handle about the same as last year.

Reporting the largest gain in the county are the Marshall schools which have taken on an additional 77 pupils. The Cottonwood schools also noted a gain in enrollment.

Most of the other schools contacted by the Messenger revealed that enrollments would equal or slightly surpass last year's figures.

Listed below are the enrollments in the county schools:

MARSHALL

Supt. L. M. Frey reported yesterday that Marshall public schools have received a record enrollment of 1,578. Last year's enrollment was 1,501.

Increases were noted both in the grade school and high school. Comparative figures show that in the two grade schools in Marshall, 989 have registered this year and 951 last year. In the high school, 589 registered compared with 550 last year.

At Catholic Schools —

Enrollment Passes 1,000 Pupil Mark

A combined student enrollment at the Holy Redeemer grade school and Central Catholic high school has passed the 1,000 mark for the first time in the schools' history.

According to figures released today by both the schools a total of 1,027 students have registered. This figure represents a gain of 63 over last year's 964.

In the grade school 720 pupils have registered. A fifth 3 and 4 grade room has been opened to accommodate the 201 students enrolled in those grades. Last year, 680 students enrolled.

At Central Catholic high school another record enrollment was reported. Sister St. Gertrude, principal, says that 307 have enrolled compared with 284 last year.

A breakdown of the grade enrollments shows:

MHS Ready For

Grid Opener

September 11

BY DON HERRING
Daily Messenger Sports Editor

The curtain rings up on a new football season for both Marshall and Central this weekend as grid-iron of both schools prepare for their opening tilts. Local fans, however, are going to have to hit the road to see the openers. Marshall plays at Granite Falls tonight, and Central plays at St. Michael Sunday.

In one respect, both Marshall and Central have something in common. Both schools have fairly young teams this season, with little weight and little depth. Once again, both squads have

their work cut out for them in the lid-lifters.

Marshall meets a tough Granite Falls squad that was ranked ninth in the state last season. Most of the key men from last year are gone from Coach Curt Holt's squad but there are a few veterans back that recall unpleasant memories from last season. Quarterback Paul Benson is gone, but in his place is fullback Jerry Hegna, who did most of the ground-gaining for the Kilowatts last season.

"Our key man on both offense and defense will be Hegna," Holt commented to a Daily Messenger reporter. "Our offensive speed will come from halfbacks Keith Anderson and Terry Skukrud, though," he said.

Holt looks for a good season, barring any serious injuries. The Kilowatts won't be as strong as last season, but they rank among the leaders in the Little Sioux conference again this year.

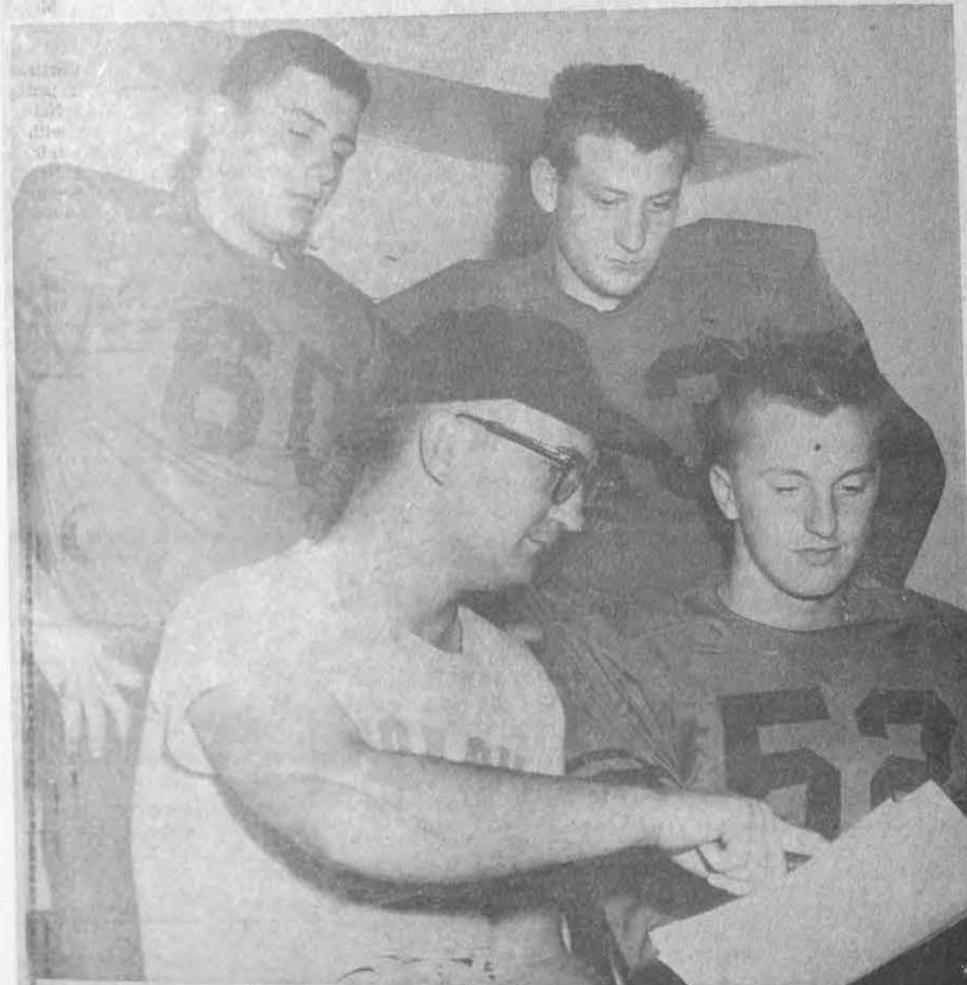

The Granite Falls line will provide Marshall with a bit to worry about too. Holt has such mainstays as tackle Jim Benson (215) and guard Lowell Halvorson (175) returning this season.

On Marshall's side of the fence, the situation doesn't look quite as rosy. Coach George Rindelaub has to fill the shoes of a dozen seniors he lost through graduation last season with a handful of veterans back for the current campaign.

The team as a whole is light, averaging about 155 lbs. and has little depth past the first string. Bright spots are guard Barry Pomrantz, end Codge Johnson, guard Dave Nelson, and backs Les Jacobson, John Miller, and Mike Rivard.

The quarterback shoes left vacant by Dick Benson are still to be filled, however. Sophomore Bill Furan has been doing some signal-calling in practice this year, and may see extensive action tonight.

Game time at Granite Falls is scheduled for 8 p.m.

Tigers Lose To Granite As Jerry Hegna Scores 4 TD's

BY DON HERRING
Daily Messenger Sports Editor

GRANITE FALLS — Jerry Hegna and Co. proved to be too much for the Marshall Tigers here Friday night as Granite Falls whipped the Tigers, 26-6.

Hegna, a leading all-state candidate this season, tallied all four of the Kilowatts touchdowns and added the two extra points on kicks.

Granite was in command from the opening kickoff. Ten plays after they received the Marshall kickoff, the Kilowatts marched 50 yards downfield, where Hegna plunged over from the one yard line.

Then Hegna and Co. took over again. Starting from their own 30, the Kilowatts pulled a 70-yard scoring march. Terry Skukrud, Dave Anderson, Bob Lundell and Hegna did most of the ball-carrying on the drive.

The Tigers received the ball after the touchdown and quick-kicked after two plays.

They moved to the Marshall 12, where Hegna lugged the ball to paydirt. He also kicked the extra point, giving Granite a 13-0 margin at the end of the first period.

Marshall took over possession of the ball in the second period and marched to the Granite 12-yard line, but lost the ball on downs.

The ball seesawed back and forth in the second stanza, with neither team offering much of a scoring threat. Granite, by virtue of their two quick opening tallies, held a 13-0 margin at half-time.

The defensive battle continued until the closing minutes of the third stanza, when Hegna and Olson covered 20 yards in two plays to the two, where Hegna blasted over for the TD, giving Granite a 19-0 margin at the end of the third quarter.

Marshall opened the final period in possession of the ball, but lost it on downs on the Granite 47.

Hegna then scampered 53 yards to the end zone to score the Kilowatts final touchdown. He also booted the extra point, giving Granite a 26-0 lead.

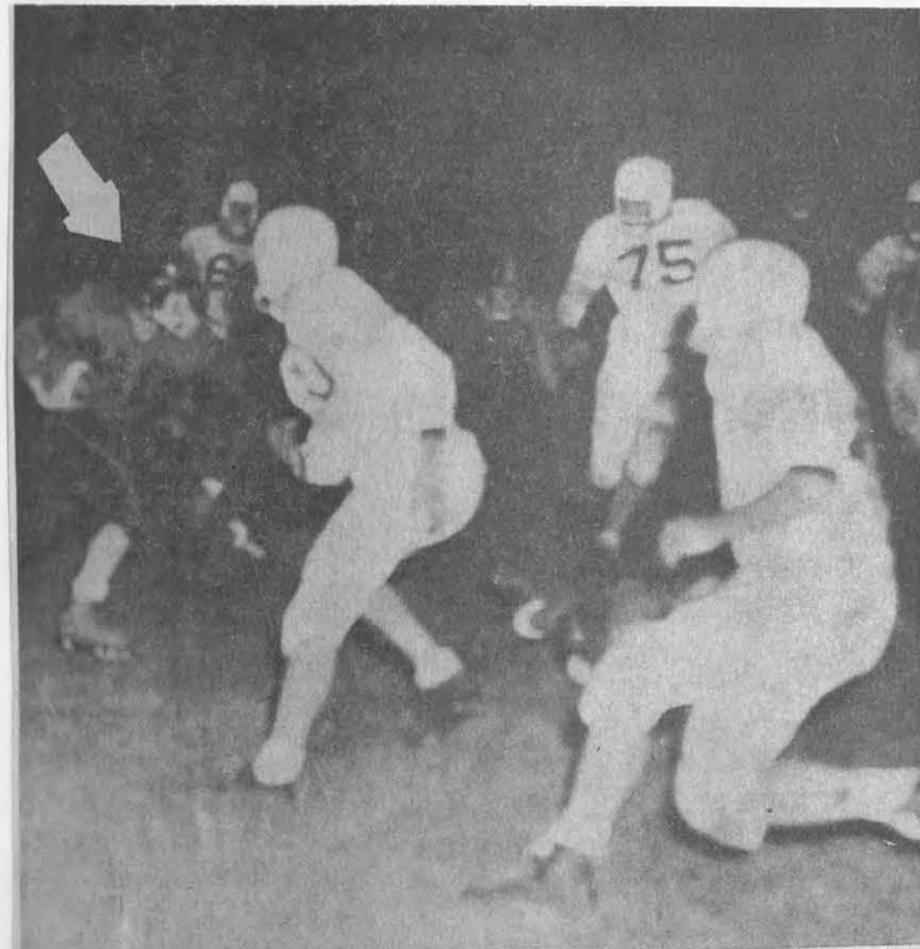

Marshall didn't score until the closing minutes of the game. The Tigers took over the ball on their own 40. A pass from quarterback Bill Furan to Cliff Miller moved the ball to the Granite 30.

A pair of running plays by Furan pushed the ball to the 17. Halfback Jeff Addison gained four yards on the next play to the 13.

Furan then took over and lugged the ball to the one, where Addison plunged over for the tally.

Marshall's next contest will be Friday night, when they meet the Clarkfield Cardinals in a home contest.

The quarter scores:
Marshall 0 0 0 6—6
Granite Falls 13 0 6 7—26

MARSHALL LOSES—One of the few bright spots in Marshall's loss to Granite Falls Friday night was the performance of quarterback Bill Furan. In the photo above, Furan (arrow) finds a hole in

Regional Meet Wednesday —

Tiger Golfers Trim Tracy For District Golf Title

The Marshall golf squad won the District Nine golf championship at the local course yesterday as they edged Tracy by 12 strokes. Marshall's score was 262, while Tracy came in with a 274 for their three lowest scores.

Low medalist, however, was Tracy's Ralph Brown, who carded an 83. Marshall took the next three places to win the team championship. Daryl Otten, who played with a partial cast on his arm due to a football injury, was second with an 84, while David Webb came in with an 88 and John Rotegard carded a 90.

The four lowest scores qualify for the regional golf meet, which

Otten

Webb

will be held at the local course next Wednesday.

Bob Dowma of Marshall and Chuck Starr of Tracy tied for fifth in the district meet with

92. Other scores in the meet include: Weyrich, Lake Benton, 97; Dave Williams, Marshall 90; Wetter, Tracy, 99; and Dan Lanoue, Marshall, 101.

The tourney was held in the fall this season so it wouldn't conflict with the various spring sport activities of the schools.

"We'll have a tough time in the regional," commented Marshall golf coach Stu MacDonald. "There will be a lot of good golfers from the Twin Cities area entered in the regional," he said.

The regional meet next Wednesday will begin at 9 a.m. and continue throughout the day.

Tigers Whip

Clarkfield

MHS Snaps 9-Game Losing Streak

BY DON HERRING
Daily Messenger Sports Editor

Marshall's nine-game football losing streak, covering one whole season and part of another, was abruptly snapped here Friday

night as the Tigers edged the Clarkfield Cardinals, 7-0.

The teams, extremely evenly matched, battled out three scoreless quarters before the Tigers blasted across the games winning TD with 8:22 left to go in the contest.

Marshall's sophomore backs — quarterback Bill Furan and fullback Jeff Addison, carried off most of the heroics for the Tigers, although halfbacks Les Ja-

cobson and John Miller contributed heavily on offense.

It was Addison who scored the game's only touchdown as he blasted across from the three-yard line.

The first three quarters of the game were contained between the 30-yard lines.

Neither squad offered much of a scoring threat during the first three periods. Clarkfield's pass defense came close several times

as they picked up a half-dozen errant Tiger aerials.

Loose ball handling kept the Cardinals in check, however, as the Marshall defense nabbed four Clarkfield fumbles.

Marshall's line, led by Dave Nelson, Loren Asp, and Mike Rivard, set up the Tigers only scoring.

Clarkfield was forced to punt from their own 36 yard line when Nelson blocked the kick, recovering on the Cardinal 22.

The Tigers couldn't make the first down and were forced to punt, but got the ball back four plays later when the Cardinals found themselves in the same situation.

The scoring march actually started from the Marshall 47. Addison and Miller lugged the ball to the Cardinals 40 for a first down, and Miller and Furan teamed up on the next two plays to bring the ball to the 25.

Three plays later, Addison picked up another first down for the Tigers as he plunged to the 11.

Addison and Jacobson teamed on three plays to bring it to the three, and from there, Addison blasted over for the TD.

Guard Barry Pomrantz put the icing on the cake as he booted the extra point, giving Marshall a 7-0 margin.

With 1:36 left in the game, Clarkfield started on an extended march that almost ended in a touchdown.

Starting from their own 15-yard line, the Cardinals passed themselves downfield to the Marshall 37.

The drive ended, however, when Larry Pomrantz grabbed a Clarkfield fumble, giving the Tigers possession with six seconds remaining in the contest.

Time ran out on the Clarkfield scoring hopes on the next play, as the new Legion Field scoreboard whistled the end of the game, giving the Tigers their first victory in ten games.

The Tigers will travel to Pipestone on Friday for their next contest. Game time at Pipestone is scheduled for 8 p.m.

The quarter scores:
Marshall 0 0 0 7-7
Clarkfield 0 0 0 0-0

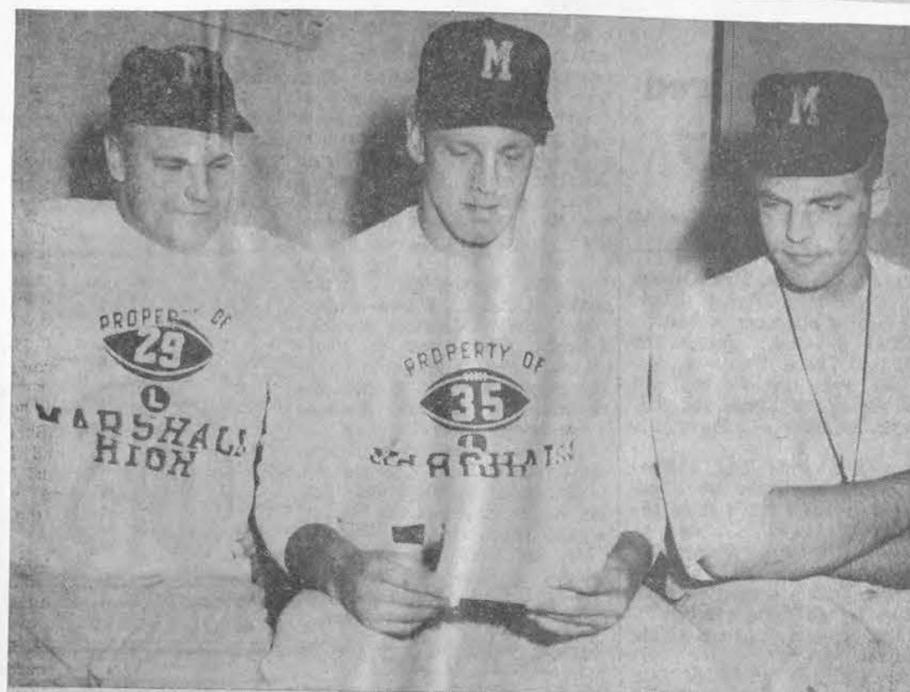

END OF THE LINE — Marshall fullback Jeff Addison (arrow) is stopped after a short gain during the Marshall-Clarkfield game Friday night. Gary Haaland is making the tackle from

the front while Dale Hanson (17) closes in from the rear. The win marked the end of a nine-game losing streak for the Tigers.

Assistant Grid Coaches Put 'Beef' In Marshall Lineup

NEW COACHES — These three new assistant coaches are adding "beef" to the Marshall high school football squad this season. The coaches are (left to right) Dick Huginin, Tom Musser and Ron McMaster. Daily Messenger photo

Sept. 17

BY DON HERRING
Daily Messenger Sports Editor

The "beef trust" on a football team usually refers to the line, but on Marshall high school's team, it refers to the new crop of assistant coaches.

The Tigers may be small this season, but they'll match their coaching staff with any in the state as far as brawn is concerned.

Here's a brief look at the new assistant coaches:

Dick Huginin, at a mere six feet, is the shortest member of the new additions to the coaching staff. He played his football at the University of Minnesota under Wes Fessler before an injury sidelined him in his junior year.

Dick graduated from Jackson high school and played some of his high school football under Tiger head coach George Rindelaub when George started his coaching career at Jackson. Huginin, who played end and fullback during his football days, weighs in at 210 lbs.

Dick is prematurely bald . . . "a realization of a childhood wish," he says. "When I was little, by mother used to grab me by the hair when I did something wrong. I used to wish I didn't have any hair, and now my wish came true." Which is as good a reason as any, I suppose.

Tom Musser has become a familiar sports figure to Marshall fans already. Musser (6-4, 240 lbs.) played baseball with the Marshall Athletics last summer and was drafted by the Springfield Tigers for the state baseball tournament now in progress.

Tom was an all-around athlete at Mankato State College, where he graduated from this summer. He played football for three years and was an all-conference tackle his junior and senior years.

In addition to football, Musser was also on the varsity basketball and baseball squads for three years.

A graduate of Sherburn high school, Tom played fullback and tackle during his high school days.

Ron McMaster rounds out the beef trust of new assistant coaches this year. Ron, who stands 6-4, and weighs 230 lbs., attended the Kemper Military Academy in Missouri and the University of South Dakota during his college days.

He graduated from Wesner (Nebraska) high school and played tackle during his grid days.

During college, Ron concentrated mostly on track, and was one of the school's top discus throwers.

Right now, Head Coach George Rindelaub and assistant coach Harry Ahlin, both under six feet and 200 lbs., feel dwarfed by the new members of the coaching staff.

But, as Larry Keinholz said at Quarterbacks the other night, "It's nice to have somebody my size around again."

In Marshall —

Patrol Adds Safety In School

BY FRANK SANTIAGO

At 9:30 this morning in the East Side Grade school 40 boys and girls ranging from the ages of 10 to about 14 raised their right hands and began the oath: "I promise on my honor to work for the safety of the pupils. . ."

Leading the group in the pledge was Sgt. Stanley Rotegard of the Minnesota State Highway patrol. After the "Pledge of A Patrol Member" was completed the 40 youngsters joined the more than 100 other youths in the schools in Marshall and officially became safety patrol members.

This year, as in the past nine, the school patrols will again patrol busy intersections and crossways to prevent any dangers of pedestrian accidents among school-aged children.

Norman Olson, director of the school patrol in the Marshall public schools and principal of the junior high school, applauds the work the youths have done.

"They have managed not only to prevent accidents," said Olson, "but have realized through the work with the patrol the necessity of road safety. If they can carry their awareness of caution at busy intersections with them when they grow older, we can say the safety patrol has

succeeded two-fold, helping others and helping themselves."

As Olson points out, the safety patrol is no kid stuff. Under Minnesota Statutes a motorist must stop when a safety patrol member flashes his yellow and red flag requesting "Stop." The state driver's manual says: "You must always stop and yield the right of way to a school safety patrol member who is displaying the official sign in a stop position."

In the Marshall public school there are about 150 patrol members. There are also others at the Catholic schools although the number isn't as large.

The group is broken down into patrols, 17 of them at the public schools. Each patrol averages about seven or eight members.

A typical group is Patrol No. 1. The thirteen youngsters who make up this group begin their duty at 8:10 a.m. in the morning by reporting to the patrol room in the junior high school.

After reporting, the youths leave for their assignments at the intersection of Lyon St. and 4th St., Lyon St. and 5th St. and an alleyway located between the Federated church and the senior high building. Their work begins at 8:13 sharp and concludes at 8:25.

Supervising the group is Richard (Dick) Banbury who is also a student. Dick's job is to see that everything is running smoothly and to fill in some spots that may be vacated. His captain is Michael Eatros. Both Mike and Dick (who, incidentally, attended a one-week summer training session at Legionville last summer) stick around to make sure everything goes smooth with Troop No. 1.

The job for Troop No. 1 isn't particularly an easy one, for in less than their 20-minute patrol of the more busier intersections in the entire city, almost 600 youths in junior and senior high school will scurry across the streets to make it in time for class or to greet a friend. To top off the multitude is a steady stream of autos driven by townspeople who may have either just dropped a student off or sleepily driving onto their early workday.

Amazing as it may seem not one major incident has occurred when the safety patrol was on duty in its nine years of existence. The patrol, says Olson, has a clean slate.

Not only is the slate clean, but it has also been handsomely decorated. Last year, Marshall was named district winner by the Governor in the safety patrol competition. It is one of four cities in the entire state to receive such an honor.

But despite the importance of the work, no money is spent from school finances to run the organization. Money is needed to buy the flags, raincoats, to send the youths on field trips, to instruction camps as mentioned before. The source comes through the goodness of individuals and organization, through private donations.

The Veteran's of Foreign Wars along with the Marshall Jaycees are responsible for the establishing of the payroll in Marshall. Since then other organizations have joined in, the Legion, the Auxiliary and numerous other groups. The Community Chest has allocated funds for the patrol.

"We have gotten fine cooperation from a lot of people," said Olson. "Not only the generous civic organizations but also the local police officials. To them we are thankful. Without their assistance none of this could be possible."

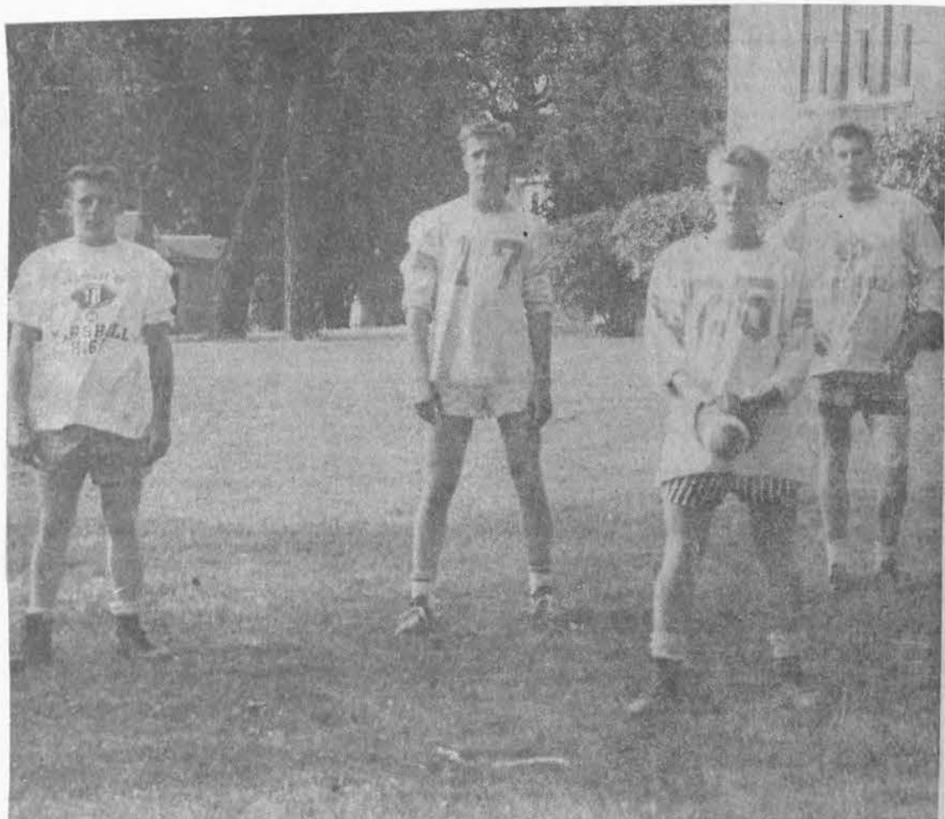

SCHOOL PATROLER — Marvis DeVries, 7th grade at the Marshall junior high school, is a member of the Marshall public school patrol. Her duty begins after dismissal in the afternoons as she patrols a corner at the intersection

of Lyon and 4th St. Through the efforts of the patrol, no major pedestrian accidents have occurred at the busy intersections of the school in the past nine years since the patrol was organized. Daily Messenger photo.

The Marshall Tigers have everything to gain and nothing to lose this season.

The reason? Last year's winless team softened the blow for the Tiger fans, and should the Tigers come up with a successful season this year, it would mark the end of the athletic droth that MHS suffered last year.

And, from all indications, the droth may be ending soon. The Tigers have nowhere to go but up this season, and up they may very well go.

Marshall showed a bright streak of promise on Sept. 18 when they broke their nine-game losing streak with a 7-0 win over Clarkfield. The Tigers showed a good deal of polish for a young squad.

One of the biggest problems that the squad has this season is the lack of experienced depth.

The squad this season is the youngest group of players ever coached by George Rindelaub during his eight-year tenure at Marshall.

Tiger coach George Rindelaub has a good crop of sophomores on this squad this season, which makes the outlook for the next few seasons quite a bit rosier.

Leading the sophomore crop are a pair of backs that show a lot of promise, Bill Furan and Jeff Addison.

Rindelaub has nine lettermen back this season to plug the rest

of the holes with.

Lettermen back this season include guard Barry Pomrantz, tackle Mike Rivard, halfback Les Jacobson, end Codge Johnson, halfback John Miller, guard Dave Nelson, guard Loren Asp, end Jim Fuhrmann, and end Bob Weidauer.

Other leading prospects this season include end Cliff Miller, tackle Larry Pomrantz, guard Phil Sonstegard, and centers Bill Mielke and Jerry Reese.

The tough Marshall schedule, however, doesn't afford many mistakes. The eight-game lineup that the Tigers have scheduled this year is probably one of the toughest in the area.

In their first tilt, Marshall met last year's 8th-ranked team in the state in Granite Falls. The Klumwatts, another power this season, are just an example of the kind of competition that the Tigers face this year.

Other top powers that Marshall will play this season include Luverne on Oct. 9, Slayton on Oct. 16, Redwood Falls on Oct. 23, Tracy on Oct. 30, and Canby on Nov. 6.

Assisting Rindelaub with the coaching duties this year are Harry Ahlin, Ron McMasters, Tom Musser, and Richard Huguinin.

McMasters, Musser, and Huguinin are new members of the coaching staff at Marshall.

Tigers Fight Jinx In Pipestone Game Friday

BY DON HERRING
Daily Messenger Sports Editor

Can they stand prosperity? That's the question that faces the Marshall Tigers tomorrow night as they meet the Pipestone Arrows in an away contest.

The prosperity that the Tigers have at the present time is a victory, their first in 10 games, that the Tigers picked up last week against Clarkfield.

Marshall, however, has the Pipestone jinx to contend with. Year after year, the Arrows seem to have a spell over the Tigers.

The Tigers haven't beaten Pipestone in at least 10 years, with 1951's 6-0 loss the closest that Marshall has come.

As far as Pipestone is concerned, this was supposed to be the

big year for them. A number of tragic mishaps, however, cut the Pipestone potential.

Mark Cunningham and Tom Johanson, both scheduled to be starters this season were killed in an automobile accident, and the Glasrud brothers, Bob and David, moved to Rochester.

"We expected to be a pretty tough team this year," commented Arrow Coach Earl Teas. "but I don't know now."

Despite the misfortunes, however Teas still has 12 lettermen to juggle the lineups with this season. And, judging from the only game that Pipestone has played this season, he seems to have done a pretty good job of it.

In Pipestone's opener against Canby, the Arrows rolled to a 26-6 victory, showing a good deal

of power and potential.

The backfield is led by halfback Dick Woelber (190), who played tackle last season, and quarterback Bruce Johnson (150), who directs the Pipestone passing attack.

Woelber is the workhorse of the backfield, doing most of the ball-carrying chores.

In the line, the mainstays are tackle Dick Biever (200), center Doug Arneson (185), end Sid Bostic (185), tackle Carl Burk (180), guard Mike Manion (160), and guard Dennis Dahl (175).

Marshall won't be up to full strength for the contest. Tackle Barry Pomrantz is still "sidelined" with a "green stick" break in his shoulder and an injured arm.

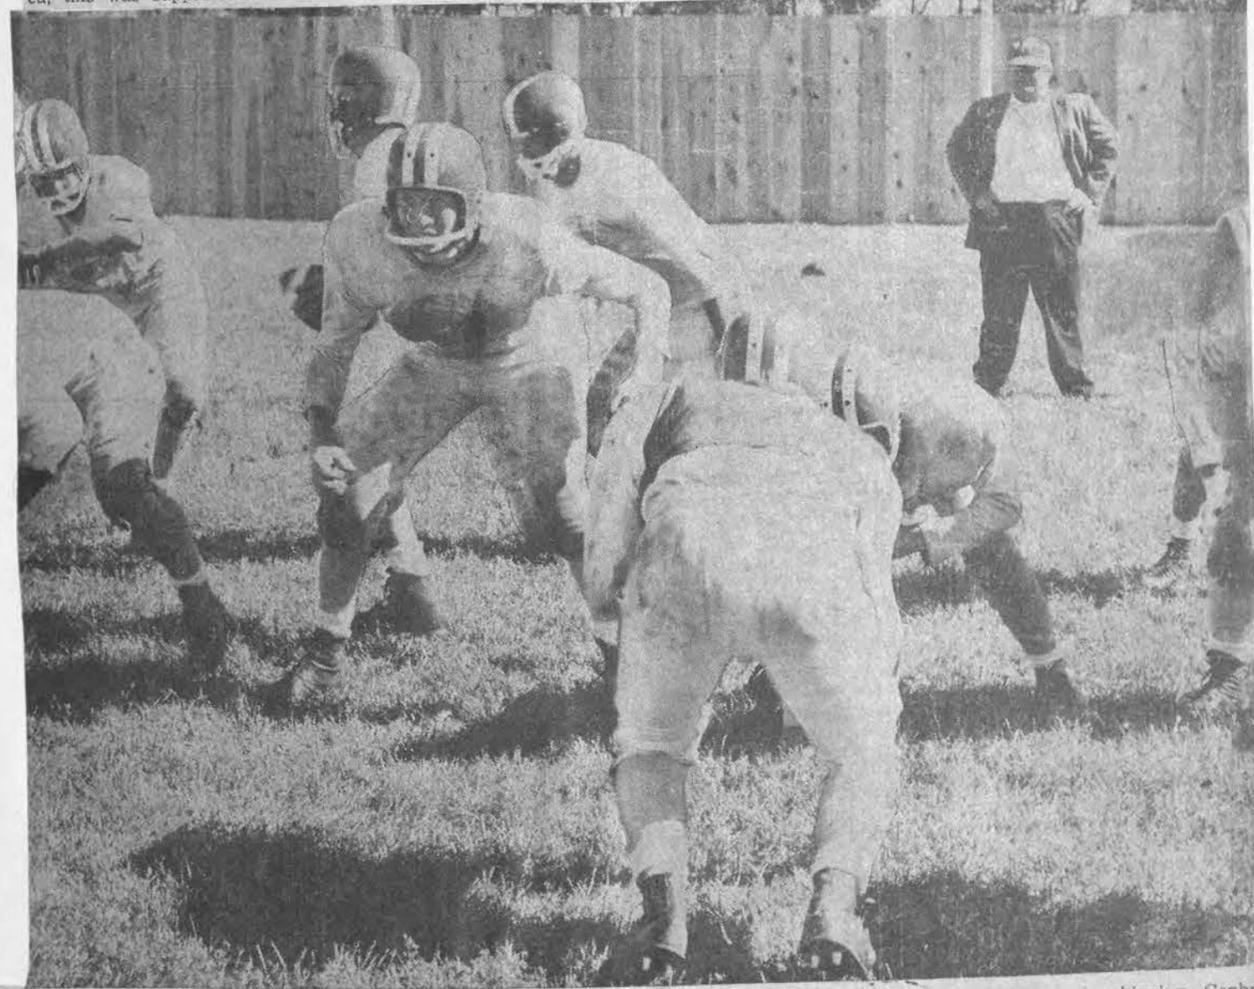

The rest of the Tigers, however, are fairly healthy and ready to

go, with Pomrantz' brother Larry filling in the starting tackle position for him.

Marshall's starting offensive lineup will probably include Codge Johnson (160) and Cliff Miller (150) at the ends, Larry Pomrantz (170) and Mike Rivard (178) at the tackles, Phil Sonstegard (190) and Dave Nelson (152) in the guard slots, and Bill Mielke (160) at center.

In the backfield it will probably be Bill Furan (135) at quarterback, Les Jacobson (180) and John Miller (145) at the halfbacks, and Jeff Addison (140) at fullback.

Game time at Pipestone is scheduled for 8 p.m.

LINEUP CHANGES — Marshall Coach George Rindelaub will try a few lineup changes on his Tiger squad when they meet Luverne in a home contest tomorrow night. Jeff Addison (left) will switch from fullback to halfback, Barry Pomrantz (center) will switch from tackle to fullback, and Larry Pomrantz (right) will take over the tackle position vacated by brother Barry. Daily Messenger photo.

Rindelaub To Change Lineup Against Cards

Don't be too surprised if you see a few drastic changes in the Marshall Tiger lineup when they meet Luverne tomorrow night in a home contest.

Marshall Coach George Rindelaub is planning a few changes to greet the big, but not fast Cardinals.

Here are the proposed changes:

1. Barry Pomrantz, who sat out the last two games with a "greenstick" fracture of the shoulder, will probably be moved from tackle to fullback. This is an attempt on Rindelaub's part to get some weight in the backfield. Pomrantz checks in around 190 lbs.

2. Switch Jeff Addison, who has been doing most of the ball carrying duties, to one of the halfback spots. Addison, incidentally, started at fullback the first three games.

3. Larry Pomrantz will take over the tackle spot vacated by brother Barry. Rindelaub calls the younger Pomrantz one of the most improved players on the squad.

It may take more than lineup changes, however, to stop the Cardinals. Luverne is riding on an 18-game winning streak covering parts of three seasons, and are better than average this season.

Coach Arling Anderson of Luverne only has one offensive regular back from last season, but eight other lettermen and a number of promising non-lettermen seem to have filled the gap admirably.

The biggest threats that the Cards have to offer this season are a pair of small halfbacks — Dick Jordahl and Bud Serie, both about 5-9 and 160 lbs.

Jordahl and Serie are the fastest men on the squad, and are real threats going around the ends. Quarterbacking the club is 6-2, 180-lb. Andy Hageman, who, according to Marshall scout Dick Huginin, is "big enough to hunt bear barehanded."

Fullback Duane Kropuenske (6-1, 200 lbs) fills out the backfield corps of the Cardinals. Kropuenske is hard-driving and usually

carries through the middle of the line.

Mainstays in the line for Luverne include ends Don Phillips (180) and Karl Mohr (165), tackles Howie Hoberg (185) and Jim Maxwell (160), guards Gar Hendrickson (170) and Dave Smith (150), and center Gordie Hamann (155).

The Tigers haven't beaten Luverne since 1955, but hold a 14-6-2 record over the Cards in the 22 years that the teams have played.

Game time at Legion Field tomorrow night is scheduled for 8 p.m.

Marshall Juniors Will Present Egg And I, Nov. 19

The Junior Class of Marshall high school has selected "The Egg and I," a comedy in two acts, for presentation Thursday Nov. 19, to Marshall adults and on Friday, Nov. 20 to the student body.

The Egg and I carries a cast of 9 boys and 13 girls and is adapted from the book of the same name.

It is a comedy most of which takes place in a farm house during a late April afternoon. The plot deals with family life—the difficulties of making a living in the modern day world.

The Egg and I will be directed by Leonard Johnson of the high school faculty.

The cast consists of Sharon Abrahamson as Betty; John Christianson as Don; Pam Murphy as Anne; Betty Hendren as Joan; Barry Pomrantz as Thad; Judy Atkinson as Daisy; Duane Miller as Mr. Mammix; Kathy Larson as Corrine; Alan Greig as Fishface; Bill Wold as Hi-Baby; Roger Parks as JJ; Phil Sonstegard as Ross.

Jean Hand as Lingery Lady; Sheryl Otten as Millicent; Carla Sponagle as Tessie; Cheryl McCann as Miss Linden; Dean Hand as Gary; Dan Lanoue as Larson; Judy Sheveland as Paula; Judy Olson as Tom; Diane Geneart as Lolly; and Diane Traxinger as Mitzi.

Junior High FHA Has Hawaiian Luau

The FHA objective for the month of October was to promote good will through getting to know neighbors at home and abroad. This was done by having a Hawaiian Luau, Oct. 12.

Attending were eighth and ninth graders in grass skirts and other Hawaiian dress. Place settings were arranged on the floor Hawaiian style and Hawaiian punch was served.

Hawaiian dance, titled "Little Brown Girl" was given by Mary Chaput, Dana Kay Mercie, and Nancy Waller.

Main attraction of the evening were slides shown by Mr. Wickstrom about his recent trip to Hawaii.

Queen Cindy Spends Exciting Royal Weekend

BY GWEN KINDSCHI

Exciting! Thrilling! Terrific! These were the words used by Cindy Stellmacher to describe her weekend reign as homecoming queen of Marshall high school.

"I also shed a few tears," Cindy said. "I've never been a queen of anything before."

Weekend activities started off with a pepfest and bonfire Thursday evening, after which students proceeded to the school auditorium to witness the naming of the queen.

"Following a program, Bob Chaput, student council president announced the queen's attendants," Cindy said. The queen, herself, was announced last.

"I was given a bouquet of yellow mums and a bracelet — gold colored with a football on it", she said, "and then we were escorted

out of the auditorium."

Friday afternoon another pep fest was held, and Queen Cindy rode in a convertible in the homecoming parade. During half time ceremonies at the game Friday evening, Cindy received an autographed football from the team. A dance, the queen's coronation in the auditorium was the glorious finale of a wonderful weekend.

Cindy is the daughter of Mr. and Mrs. Sylvester Stellmacher of Marshall.

Her hobbies include all kinds of sports. She sings in the high school chorus and plays the French horn.

Cindy has plans for the future. She will leave for Phoenix, Ariz., next fall and enroll at the University of Phoenix where she will major in dental technology.

MHS Council At Students Meeting

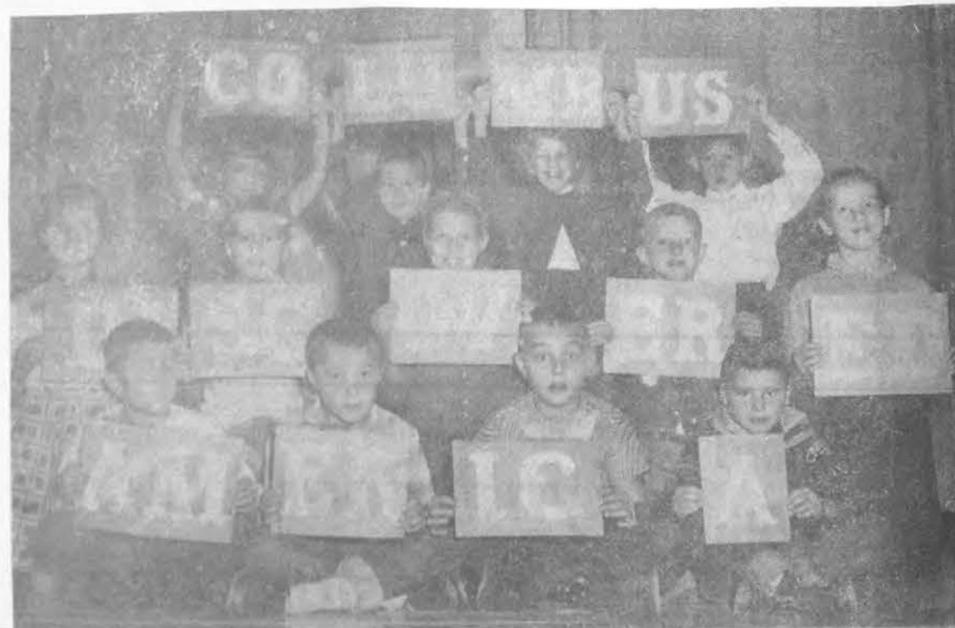

LUVERNE — Four members of the Marshall high school student council are attending a southwestern Minnesota student council convention here.

The four are: Bob Chaput, president, Lynn Ahlin, Norm Krause, and John Henderson. They are accompanied by high school instructor Glenn Mattke.

Dr. Melvin Hammarkey, executive director of the World Missions board for Augustana college, will address the group.

The Marshall students will be in charge of a panel that will discuss: "How To Get More Prestige In A Student Council."

NEW "TIGER" — The newest member of the Marshall high school rooting section is "Tiger" Sandy Peterson, who made her first on-field performance Friday night when Marshall met Luverne. It marked the first time in the history of MHS that a human "Tiger" had been used. The Tiger will appear at all home football games. The costume is similar to that of the University of Minnesota's Gopher, who cavorts with the U of M band and cheerleaders. Daily Messenger photo.

Donald Kramer Gets \$3,178 For Champion Steer

Hamms Brewery Buys Hereford For \$2.80 A Lb.

SOUTH ST. PAUL — Donald Kramer's grand champion Hereford steer was sold here for \$3,178 yesterday at the auction sale that wound up the Minnesota Junior Livestock show.

The 1,135-lb beef animal of the 18-year-old Marshall high school graduate was bought by the Hamms brewery of St. Paul for \$2.80 a pound.

Kramer bought his animal from the Adams Brothers Co., of Odebolt, Iowa for \$405. He earlier had said that he'll use the money from the sale of his steer to help finance his schooling at the University of Minnesota where he will study animal husbandry.

Also at the auction yesterday Swift and Co. of South St. Paul paid Edwin College, 18, Mountain Lake, \$1,196.25, or \$4.35 a pound, for his 275-lb grand champion hog.

The grand champion lamb, sold by Barbara Carson, 16, Pipestone, went to the Twin Cities Meat Co. at \$7.50 a pound for a total of \$712.50.

Exhibitors of the top animals shown in each division were enriched by a total of \$46,468.43. The top 70 cattle brought \$31,699.43, 30 top hogs \$5,539 and 57 top sheep \$9,831.

Tigers Have Homecoming

BY DON HERRING
Daily Messenger Sports Editor

The homecoming fever will hit the Marshall Tigers tomorrow night as the winning fever will be prevalent at Central as both schools prepare for a pair of tough games.

Marshall will take on the Slayton Wildcats in their homecoming tilt, while the Queensmen hit the road to meet Olivia in a 7:30 p.m. contest.

Both squads will have their work cut out for them in the games. Slayton is one of the better teams in the area this year with a 3-2 record, and Olivia is a tough, experienced squad.

The main problem that the Tigers have against Slayton is how to contain Wildcat quarterback Ed Frerk.

Frerk is the guiding light of the Wildcats this season, and is one of the best passers in the area. He runs the option play extensively, and, according to scouting reports, "he likes to run."

The rest of the Slayton backfield, however, is also dangerous. Halfbacks Roger Short and Jerry Engels are good pass receivers, and fullback John Watecheski is a real threat through the middle of the line.

The big boy in the Slayton line is 205-lb. Jack Lewis, formerly of Balaton, who starts at either tackle or center.

The rest of the starting lineup for Slayton will probably include Ron Teig (160) and Bob Short (155) at the ends, Gary Onker (170) and Bud Beyers (165) at the tackles, Lee Peters (160) and Bob Callery (155) at the guards and Lewis (205) at center.

Marshall will be in top form for their homecoming contest. All the players are fairly healthy and in peak condition.

"We were really proud of the boys last week against Luverne," commented Tiger Coach George Rindelaub. "If they play that well this week against Slayton, we'll be all right."

Game time at Legion Field tomorrow night is scheduled for 8 p.m.

Tigers Play Best Game, Lose To Cards, 13-12

BY DON HERRING

Daily Messenger Sports Editor

The Marshall Tigers played their best game of the season Friday night, but lost a heart-breaker to the Luverne Cardinals, 13-12.

The Tigers capitalized on most of the breaks in this loss. A bad pass from the Luverne center on a punt situation and an intercepted pass set up the Marshall touchdowns.

The hero of the game, as far as Luverne was concerned, was little Dick Jordahl, who tallied both the Cardinals' touchdowns, one on an 83-yard kickoff return.

Marshall, however, displayed their best effort of the season, showing considerable improvement on both offense and defense.

The Tigers drew first blood early in the first period. After

receiving the Marshall kickoff, the Cardinals moved to the Tiger 23.

Their attack bogged down, however, and were forced into a fourth and five situation. Jordahl went back to kick, but a bad pass from center caused the little halfback to be nailed on his own 16.

Marshall took over then, with Jeff Addison, Barry Pomrantz, and Tim Applen moving the ball to the Luverne three. Quarterback Bill Furan took it over from there.

The PAT was blocked, but the Tigers still held a 6-0 margin.

The lead, however, was short-lived. Jordahl took the Marshall kickoff after touchdown on his own 17 and sprinted 83 yards downfield to paydirt to tie up the score at 6-6.

Quarterback Andy Hagemann

carried for the extra point, putting Luverne in the lead, 7-6.

The game continued on its red-hot pace in the second period. On the third play of the quarter, Jordahl broke loose for 20 yards and his second TD of the evening. The PAT was stopped, giving Luverne a 13-6 lead.

Marshall received the kickoff, but was forced to punt from their own 18. Jordahl returned the kick to his own 31, and a clipping penalty on the Tigers pushed the ball up to the 46.

Two plays later, Marshall end Codge Johnson picked off an errant Luverne pass and brought it to the Luverne 30 before he was downed.

The Tigers, however, only picked up five yards in three plays and faced a fourth and five situation on the Luverne 25.

At this, Marshall Coach George Rindelaub sent in a play that hadn't been seen on a football field for decades, the old Statue of Liberty play.

Fullback Barry Pomrantz received the pass from center and backed up with his arm in the air as if to pass. Just as he was hit by two Luverne defenders, halfback Tim Applen picked the ball out of Pomrantz' outstretched hand and sprinted 25 yards around left end for the touchdown.

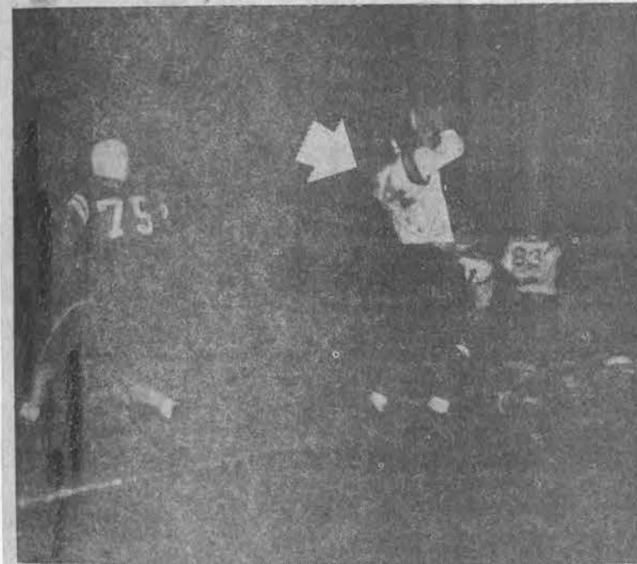

The PAT, however, was blocked, giving the Cards a slim 13-12 margin at halftime.

The one point proved to be the margin of victory for Luverne, although a goal line stand by the Tigers smothered a Cardinal scoring attempt in the last period.

The Tigers will meet the Slayton Wildcats Friday night in Marshall's homecoming contest. Game time at Legion Field is scheduled for 8 p.m.

The quarter scores:

Marshall	6	6	0	0	—12
Luverne	7	6	0	0	—13

Jim Reese Voted President Of 'U' Student Body

Jim Reese, son of Mr. and Mrs. Warren Reese of Marshall, has been elected president of the Minnesota Student Assn., the student governing body of the University of Minnesota.

Reese, who is a senior majoring in engineering, captured 99 of the 139 votes cast by the MSA's first assembly to win the election and become the first president of the organization.

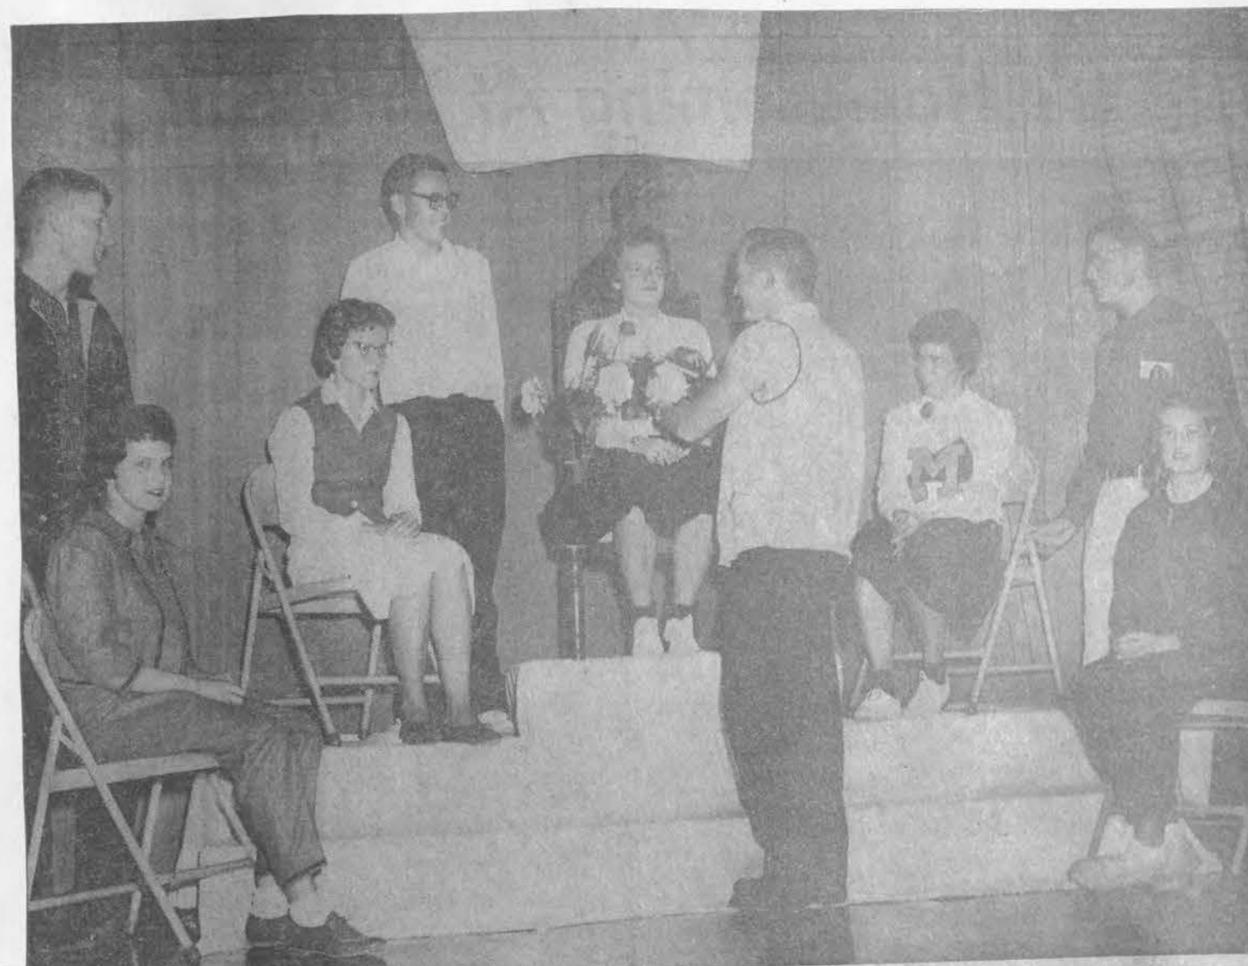

The Minnesota Daily, the student's newspaper, described Reese as winning the election "hands down." The vote was held last week in the Museum of Natural History auditorium on the campus.

The MSA is the latest attempt on the "U" campus to establish a student government. Previous student governments were disbanded because of apathy among students.

Reese is a Beta Theta Pi fraternity member. During summers, he is employed in Marshall as manager of the city pool. He is a 1955 graduate of Marshall high school.

His running mate, David Ward, an agriculture senior, was elected vice president.

Marshall Loses Homecoming Tilt

BY DON HERRING
Daily Messenger Sports Editor

A Slayton touchdown in the last 1½ minutes of play wrecked the Marshall Tigers' homecoming here last Friday night as the Wildcats edged the Tigers, 20-14.

Marshall held a scant 14-13 lead going into the last two minutes of play, but a fumble stopped the Tigers' hopes of an upset.

A pass from Barry Pomrantz to end Codge Johnson and a one-yard plunge by quarterback Bill Furan accounted for the Marshall touchdowns. Pomrantz also booted both extra points.

For Slayton, it was a lineman who did most of the damage, as far as scoring was concerned.

Tackle Jack Lewis, formerly of Balaton, carried the ball three times all evening. In those three carries, he scored the winning touchdown and two extra points. Slayton Coach Norm Ahrendt pulled the wraps off a new offensive star against the Tigers in halfback Roger Short, who did most of the ball-carrying duties.

The Wildcats flashy quarterback, Ed Frerk, scored one TD, while fullback Allen Waitaszewski tallied the other.

Slayton took an early lead in the game as they marched 75 yards for a touchdown after the opening kickoff.

The kickoff was returned to the Slayton 25. Four plays later, Short broke loose from the 40 to the Marshall 35.

A Marshall penalty moved the ball to the 15. Short and Waitaszewski then teamed to bring the ball to the one-foot line. From

there, Frerk blasted over for the TD. Lewis carried for the extra point, giving Slayton a 7-0 margin.

Marshall, however, bounced back with a touchdown of their own in the first period. The Tigers took over on the Slayton 20, but moved back to the 25 after an offside Penalty.

Two plays later, Pomrantz tossed to end Jim Fuhrmann for a 25-yard touchdown. Pomrantz booted the extra point, knotting the game at 7-7 at the end of the first period.

Slayton bounced back into the lead in the second quarter, however.

Taking the ball on their own 14, the Wildcats moved to the 34 in two plays. From there, Short broke loose from the 40 to the Marshall 25 before he was downed.

A line plunge by Short pushed the ball to the 22, and from there, Waitaszewski skirted end for the touchdown. The PAT was stopped,

but Slayton still held a 13-7 margin at halftime.

The Tigers started on the scoring trail again in the closing minutes of the third stanza.

The Tigers took over the ball on the Slayton 46. A pass from Furan to halfback Tim Applen moved the ball to the 38, and a Slayton offside pushed it to the 34.

A pass from Furan to Fuhrmann clicked for 15 yards to the 18, and an end sweep by Applen accounted for 11 yards to the seven.

Pomrantz and Furan teamed to bring the ball to the one yard line, where the quarter ended with Slayton still holding a 13-7 margin.

The Tigers scored in the first three seconds of the final period, however, as Furan carried for the touchdown. Pomrantz again booted the extra point, giving the Tigers a scant 14-13 margin.

The Marshall lead held until the last two minutes of play. The Tigers had possession on their own 44. On the first play, however, Short grabbed a Marshall fumble in mid-air and carried to the 31.

Nine plays later, the Wildcats moved the ball to the one, where Lewis came into the backfield and bulled his 205 pounds over the touchdown. He also carried for the extra point, giving Slayton a 20-14 lead.

With one minute left in the game, the Tigers started marching downfield. Starting from their own 30, Pomrantz passed Marshall to the Wildcat 30.

Time ran out on the luckless Tigers, however, as they dropped their fourth game of the season. The Tigers will travel to Redwood Falls Friday for their next contest.

The quarter scores:
Marshall 7 0 0 7-14
Slayton 7 6 0 7-20

Cindy Stellmacher Is Queen

Pretty Cindy Stellmacher was named homecoming queen of the Marshall high school last night at a convocation in the auditorium.

When her name was announced, Cindy buried her face in her hands and burst out in tears of joy.

Still wiping away the tears, Cindy was escorted to her throne on the stage by Bob Larson, elected by the students as the queen's escort.

Previously, the queen's attendants were named. The first attendant is Merilee Schulz, escorted by Bob Weidauer. Diane Powell was named as second attendant, with Bob Chaput as her escort.

Third attendant is Kathy Olson, escorted by Jim Fuhrmann, and the fourth attendant is Linda Brobst, escorted by Mike Rivard.

The queen, her attendants and the escorts will reign over homecoming festivities at the school today.

The homecoming game will be played at 8 p.m. at Legion Field tonight when the Tigers host the Slayton Wildcats.

The coronation of the queen will take place at a homecoming dance at the school immediately following the game.

A pepfest was held at the school this afternoon, with a homecoming parade following the pep fest.

Science Teacher To Lecture At MHS

Eugene E. Bendix, National Science Foundation teacher from Michigan State University, will present special lecture demonstrations during a visit to Marshall high school on Nov. 23, 24, and 25.

He is one of 20 high school science teachers carefully selected from a seven-state area and given special training at MSU.

Bendix, a teacher at Renville public school, is on leave from his regular teaching duties for one year to participate in the National Science Foundation MSU program.

He holds the bachelor of arts degree from Hamline University and attended the summer science institute at the University of South Dakota.

Cards Cash In On 'Breaks' As Windblown Tigers Falter

REDWOOD FALLS — The Marshall Tigers dropped their fifth game of the season here Friday night as they fell before the high-flying Redwood Falls Cardinals, 34-0.

A 30-mile-per-hour wind played a big role in the contest. Throughout most of the contest, the Tigers were against the wind, which ground the offensive attack to a grinding halt.

Statistically, the game was about even. Marshall picked up seven first downs, while Redwood had six. Redwood gained a total of 116 yards from scrimmage, while the Tigers were close behind with 102.

Redwood capitalized on Marshall errors, however. Blocked punts set up two Cardinal touchdowns, and short Marshall kicks into the wind and an intercepted pass accounted for the other three.

Merlin Scharfe was the big gun for the Cards, scoring two touchdowns and one extra point. Paul Ramseth, Chuck Lussenhop, and Pat Corbett accounted for the rest of the Redwood tallies. Ramseth also booted three extra points.

The Cards tallied their first touchdown in the closing minutes of the first period. The Tigers were forced to punt from their own 27, but the kick was blocked with Redwood recovering on the nine-yard line.

Four plays later, Scharfe carried from the one for the TD, with Ramseth scoring the extra point for a 7-0 Redwood lead at the end of the first period.

Marshall received the kickoff in the opening moments of the second period, but were forced to punt from their own eight-yard line after their offensive attack failed.

The punt into the wind didn't even reach the mid-field stripe, allowing Redwood to return it to the Marshall 38.

GAME STATISTICS

	Marshall	Redwood
First Downs	7	6
Yds. Gained Rushing	82	116
Yds. Gained Passing	20	0
Total Offense	102	116
Passes Attempted	15	2
Passes Completed	2	0
Yds. Penalized	35	10

Jerry Reed, Dave Otto, and Scharfe combined on seven plays to bring the ball to the five. Three plays later, Scharfe blasted over from the two for his second touchdown of the evening. He also scored the extra point, giving the Cards a lead of 14-0.

Again the Tigers received the kickoff, and pushed to their own 38. On the next play, however, Ramseth intercepted a Marshall pass and returned it 45 yards to the Marshall 15 before he was stopped.

Otto then carried to the nine, and Scharfe brought it to the one on the following play. From there, Ramseth sneaked over for the touchdown. The PAT was stopped giving Redwood a halftime bulge of 20-0.

Redwood didn't score again until late in the third period. The Tigers were on their own 23 and again were forced to kick into the wind. The ball rolled out on the Marshall 41, where Redwood took over.

Line plunges by Radtke, Scharfe and Otto, coupled with a Marshall holding penalty brought the ball to the 19.

Radtke carried to the one in a pair of line plunges, and from there, Lussenhop crashed over for the touchdown. Ramseth again booted the PAT for a 27-0 Redwood lead.

After receiving the kickoff, the Tigers moved to the 18 and, for the third time in the contest, were forced to punt into the wind in the shadow of their own goal line.

The Redwood defense broke through to block the kick again, however, and the Cards recovered on the Marshall nine.

A Tiger offside and a short plunge by Radtke brought the ball to the two, and Pat Corbett carried it over from there for the final Redwood touchdown.

The Tigers threatened twice in the last half of the final period, but were forced to give up the ball on downs on the Redwood 12.

With less than minute to go in the contest, the Tigers moved to the Cardinal 30 on a pair of passes to end Codge Johnson, but time ran out on Marshall before they had a chance to score. Those two passes in the last minute were the only aeriels completed by either team all evening.

The Tigers will be at Tracy Friday for their next contest, while Redwood will be at Springfield.

The quarter scores:

WHAT'S IN IT? — Randy Lee, a member of Miss Pat True's afternoon Kindergarten class at West Side grade school, takes a peek into a jack-o'-lantern. The pint-sized pumpkin has drawn many a curious glance from the pint-sized youths in the class. It is one of the many decorations in the room depicting Halloween.

HALLOWEEN MASK — "What would be Halloween without a scary mask?" asks Mary Pat Shirer. And to satisfy most people's curiosity, she and other members of Miss Pat True's Kindergarten class cut a mask out with a pair of scissors. Some of the youths, through confusion, cut out strikingly horrible masks.

MHS Pupil Cited For Scholarship

Eunice Bisbee, a senior at Marshall high school, has been cited for her outstanding performance on the National Merit Scholarship Qualifying test last spring.

John M. Stalnaker, president of the National Merit Scholarship corporation, pointed out in a letter to the school that although Miss Bisbee did not achieve the status of a semifinalist in last year's test her performance was "outstanding" and should be singled out for special attention.

He said the letter was "to provide tangible recognition of her superior ability."

She is the daughter of Mr. and Mrs. Lyall Bisbee of Marshall.

12 Seniors Play Last Game For Tigers Fri.

BY DON HERRING
Daily Messenger Sports Editor
Twelve seniors will be playing the last game of their high school careers for Marshall tomorrow night when the Tigers host Canby

in the last game of the season. Marshall Coach George Rindelaub will start most of his seniors in this contest.

The dozen who will be playing their last high school game include John Miller, Bob Larson, Dave Ree, Jim Fuhrman, Codge Johnson, Bob Weidauer, Loren Asp, Dick Brosseau, Mike Rivard, Dave Williams, Dave Nelson, and Jerry Reese.

The game is the last chance for the Tigers to improve their dismal 1-6 record. Canby, however, has fared a little better during the season, counting a 4-4 slate at the present time.

The big gun of the Canby attack is fullback Larry Funk (200),

who is second in scoring in the Little Sioux Conference.

Funk does most of the ball-carrying for the Lancers and does most of his running through the middle of the line.

Other threats in the Canby backfield include halfbacks Ralph Willgois (140) and Tom Sniegowski (150).

A bright spot in the Canby backfield is the performance of sophomore quarterback Courtney Peterson, who shows a lot of potential for a young player.

Peterson calls most of the offensive plays, and does a good job of faking and ball-handling. Tom Olson alternates with Peterson at quarterback and directs the Lan-

cer passing attack.

Canby also has a good pair of ends this season in Lowell Nomeland (175) and Bruce Husby (160).

Other mainstays in the Canby line include end Curt Blumeyer (160), guard Bruce Dushak (140), center Bjorn Monson (150), center Dick Rogers (160), and tackle Clay Risdahl (195).

Funk, however, remains the big problem for the Tigers. He is probably the hardest runner that the Tigers have faced all season.

Although he isn't particularly fast, Funk has tremendous driving power through the line.

Game time at Legion Field tomorrow night is scheduled for 8 p.m.

Schoolboard OK's \$629,000 Budget

Nov. 10

A budget of \$629,000 to operate the Marshall public schools for the coming school year, received approval of the schoolboard last night.

The budget is one of the highest in the schools history and represents a \$40,000 increase over last year's spending.

Of the amount, \$440,000 will be raised locally. The other \$189,000 will be received from the state.

Largest item on the budget is the \$420,275 allocation for instruction and administration. The money will be used for teachers' salaries, administrative employee salaries, office supplies and books and instruction equipment.

Second largest item is the maintenance of the school plants.

\$116,500 will be spent for keeping the schools up during the coming school year. The costs include electric, heating and repair bills.

Other major categories in the budget are: \$59,500, for debt service to pay off interest and principal on bonds; \$23,500, capital outlay for school furniture and minor alterations.

As in the past year, \$10,000 will be allocated towards the schools sinking fund for future building.

The Marshall schoolboard voted last night to designate Tuesday, Dec. 15 as the date for a special election to decide a \$550,000 bond for a building and remodeling program in the Marshall schools.

The board reached the decision after meeting with a representative from T. G. Evensen and Associates, Minneapolis bond consultants and Sidney Little, an architect from Hickey, Little and Associates, Marshall.

The election will be held in the high school gymnasium from 7 p.m. until 9 p.m.

The \$550,000 bond is expected

to cover three programs at the public school to provide more room and facilities for expanding school enrollments.

- Building a high school addition. The addition is to be constructed onto the northeastern end of the high school that is presently occupied by a temporary addition. It will house art room facilities, science laboratories, lunchroom facilities and other classroom and storage space. The building will be two stories high.

- Remodeling the present high school. Also covered in the program is a remodeling of class-

room and storage rooms in the present high school to utilize the space more effectively.

- Building onto the West Side grade school. The bond will also cover constructing a eight room classroom addition onto the west end of the West Side grade school. The addition will be two stories high and will match the present building.

Supt. of Schools L. M. Frey commented that a breakdown of the costs for the project are not available as yet. He said the \$550,000 bond is expected to cover the entire project.

Although no definite plan has been agreed upon by the schoolboard as to how the bonds will be paid, it is expected that they will be extended out over a 22 to 26 year period.

Supt. Frey said that the schoolboard will hold public meetings to discuss the matter of the school expansion program. He said that a brochure will also be printed explaining the aims of the program.

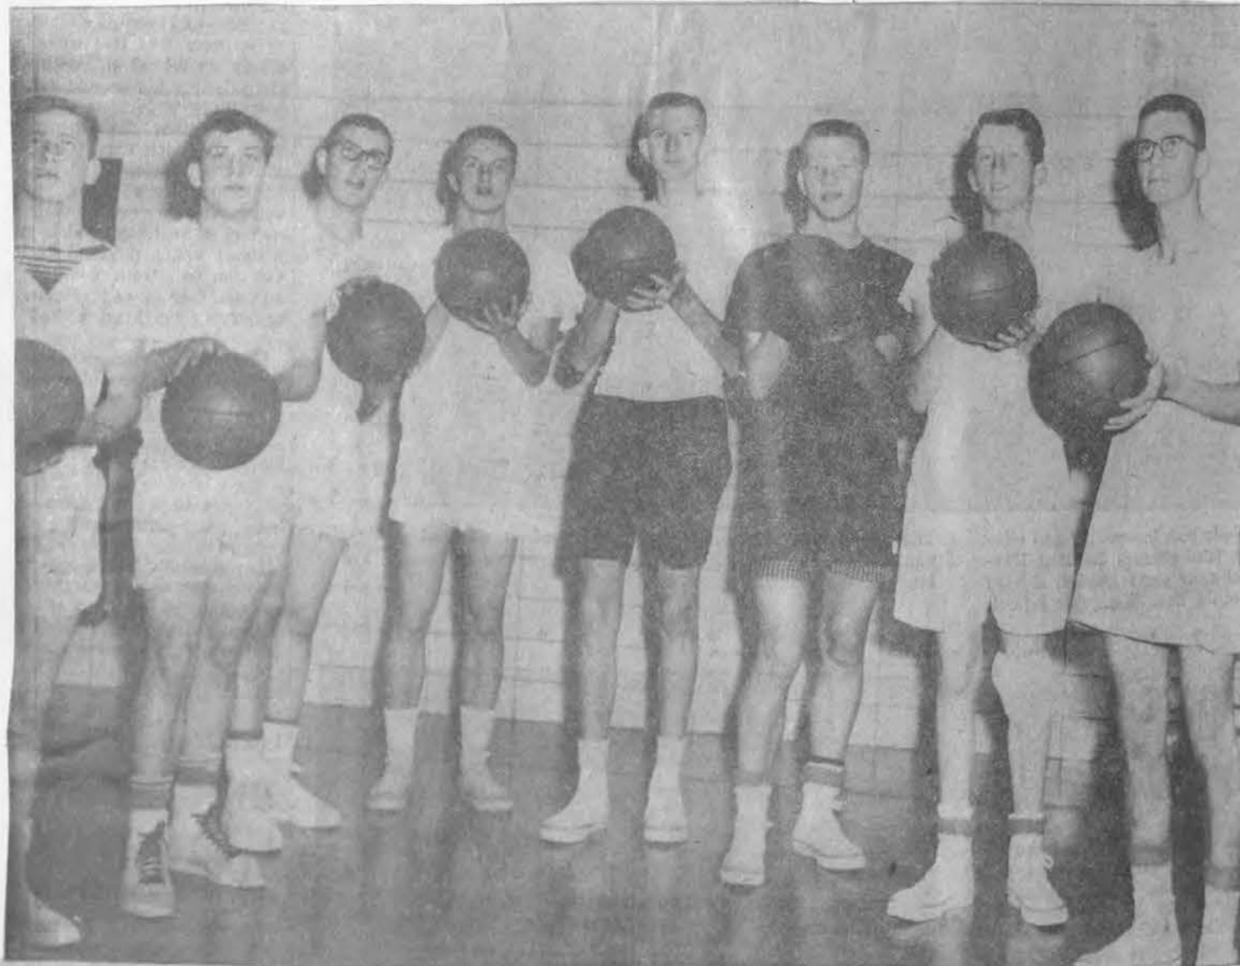

Schoolboard members last night expressed their hopes that the additions will be completed for occupancy by the fall of 1961.

"If Marshall continues to grow at its present rate, there will definitely be a shortage of classroom space within two years," said Frey. "With this building and remodeling program we hope to avoid such a problem." He commented that the last elementary classroom available at the grade school will be used next fall.

Frey said that enrollments in the high school alone will increase about 35 per cent in the next few years. At present, there are 589 enrolled in the junior and senior high schools. In the grades there are 788.

The last bond election held in the Marshall school district was in 1954 when voters approved a \$750,000 bond for the West Side grade school and a high school shop and classroom addition. The bond carried by almost a 3-1 margin.

tories, luncheon space, classroom and storage space. The addition will be paid for through a \$560,000 bond issue. The bond will also cover an addition to the West Side grade school. Hickey and Little Inc. of Marshall and Minneapolis are the architects.

46 Hopefuls Turn Out For First Day Of Practice

BY DON HERRING
Daily Messenger Sports Editor

Forty-six hopefuls greeted Marshall Coach Glenn Mattke on the opening day of practice for the Tigers this season, including eight lettermen returning from last year's squad.

The returning lettermen include center Codge Johnson (6-1), forward Barry Pomrantz (6-0), forward Les Jacobson (5-10), guard Jerry Lemcke (5-8), forward Paul Thornton (6-1), center Bob Dowma (5-11), and forward Danny Lanoue (5-11).

One thing the Tigers are drastically short on this season are the little guys in the backcourt.

Although only four seniors were lost through graduation, both starting guards were among them. The seniors lost include starters Dick Benson and Bruce Dawson, and top reserves Bill Powell and Karl Salhus.

The Tigers have everything else this season, though. Height, experience, and manpower are all among Marshall's strong points.

Johnson was one of the top 15 scorers in the district last season with a 16.2 points-per-game average. He is the only returning letterman to average in double figures, however.

To fill the holes, Mattke has five B squaders that will probably move up to the varsity squad this season.

They include John Christianson (6-1), Bill Furan (5-6), Bruce Knigge (5-11), Dick Belmont (5-10), and Phil Sonstegard (5-10).

Christianson, however, may not be able to play much ball this season because of a back injury.

"We could have a good squad this season, or we could flop miserably," commented Mattke. "It all depends on how the boys want to work."

The Tigers open their 18-game schedule on Dec. 1 against Tyler, the defending District Nine champion.

Ivanhoe has been added to the Marshall schedule this season, while the Madison game has been dropped.

San Kroons is assistant coach of the Tigers this season.

With Food Basket Donations MHS'ers 'Share Christmas'

BY FRANK SANTIAGO

This year, as they have done since the depression years, the Marshall junior and senior high school students will bring a Christmas cheer to needy families in the area.

The idea started in 1932 when financial problems plagued almost every family. Civic organizations and the students got together and collected food for the families who hadn't much to look forward to at Christmas time. Since then, the school has taken up the task and it earned the befitting title of "Share Your Christmas."

Once again (about 10 days before the Christmas vacation which begins Dec. 18 at the public schools), donation boxes will be put in each of the classrooms throughout the junior and senior high schools for the students to make their contributions.

The donations are taken purely voluntarily. No student is compelled to contribute and if he does, no one, but himself, will know how much.

Some of the donations are made as the result of some student who decided that a worthy family was more in the need of the money than a box of shells for pheasant hunting or a movie. Some contribute part of their allowances. Many girls have been known to donate their money they earned babysitting.

Purely voluntarily, the students contribute and the results are surprising and indeed heart warming. The average collection made in a junior high school class is \$25. In the senior high it's slightly higher, around \$18. Altogether the schools contribute a whopping \$400 which will eventually find itself into a needy home.

The money is used to buy groceries which are sent (buy the bushel!) to the families.

"Needy families" are chosen by school nurse Mrs. Mary Finnegan, who, throughout the school year, compiles a list. She may notice a student in school who is improperly dressed for the winter months. A check further reveals that the family is hard pressed. She then recommends the family be included in the "Share Your Christmas" drive.

Merril Olson, principal of the high school, says that almost every year out side of the drive, two or three individuals in Marshall will completely outfit a youth with new winter clothing purchased downtown.

A needy family is one that isn't necessarily receiving relief, in fact, these families are usually not called on since they already receive some financial assistance. The families considered are the ones who cannot make ends meet and because of some recent fi-

ancial problem, won't have the usual Christmas dinner on the table.

The drive reaches about 18 to 22 families, all of which live in the Marshall school district. Some of the families live outside of the city.

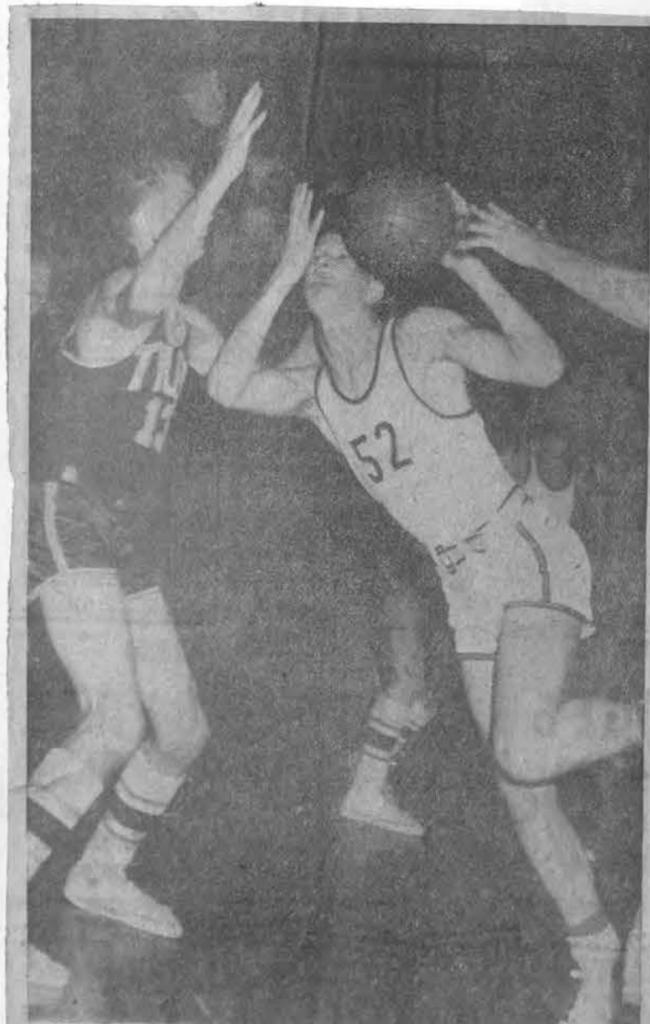

In addition to the food drive, the school also has a clothing collection for the needy. Here the students contribute clothing that may be of use to a needy person. Merril Olson comments that the garments are "surprisingly good."

But the beauty of the annual drive is in making the donations.

Members of the student council (17 in all) pack the bushels of food and bring them to the homes. What happens here is what makes Christmas Christmas. After all, what would the holiday be if it weren't for giving gifts, especially to those who really need them.

Commented one Marshall teacher: "They (council members) come back with eyes as big as saucers and hearts inflated like balloons."

Tables Are Turned For Rematch Of Tigers, Danes

BY DON HERRING
Daily Messenger Sports Editor

One year makes all the difference in the world in basketball for ones.

Last year, the Marshall Tigers, relatively short and inexperienced, opened the season against the tall, tough Tyler Danes, the squad that eventually won the district championship.

The same two schools meet in the opener this season, but the tables are turned.

Marshall still isn't a tall team, but it's loaded with eight experienced lettermen and a handful of promising newcomers.

On the other hand, Tyler lost almost everything through graduation last season. All the tall boys, with the exception of Gary Uoft, are gone. Coach Leg Lyon has only three returning lettermen, and one of those is ineligible at the present time for scholastic reasons.

Although the Tigers aren't exceptionally tall, they have four lettermen hitting the six foot mark.

The tallest of the lot of 6-3 Bob Dowma, who will see considerable reserve duty this season. Other six-footers include Codge Johnson (6-1), Paul Thomson (6-1), and Barry Pomrantz (6-0).

Marshall Coach Glenn Matke may go with a starting lineup of Bob Weidauer (5-11) and Danny Lanoue (5-11) at the guards, Thomson and Pomrantz at the forwards, and Johnson at center, giving him a lineup averaging exactly 6-0 in height.

Others who will be seeing considerable action for the Tigers include lettermen Les Jacobson (5-10) and Jerry Lemcke (5-8) and newcomers Bill Furan (5-7), Bruce Knigge (5-11), Dick Belmont (5-10) and Phil Sonstegard (5-10).

Tyler will probably have a starting lineup consisting of Don Ries (5-11) and either Rich Jensen (5-7) or Jens Reimseth (5-8) at the guards, and Gary Uoft (6-2), John Kor (6-1), and Dave Ohl (6-2) in the front line.

The Danes, however, lack experience. Uoft and Ries are the only two experienced cagers back from last season's championship squad.

A B squad preliminary game will begin at 7 p.m. at Marshall tomorrow night, with the varsity tilt following immediately.

Marshall Takes Opener From Tyler Danes By 59-41 Score

BY DON HERRING
Daily Messenger Sports Editor

The Marshall Tigers opened their brand-new basketball season with a show of power here last night as they rolled over the defending District Nine champs, the Tyler Danes, 59-41.

The Tigers pulled a balanced scoring attack out of the hat. Codge Johnson led the pack with 21 points, followed by Bob Weidauer with 15 and Bob Dowma with 10.

Tyler's leading scorer was little Don Ries, who bucketed 13 points, followed closely by Dave Ohl with 12.

A strong second half pulled the Tigers through. They had a small lead during first half play, but outscored the Danes in the second, 34-19, to take the impressive win.

The Tigers, led by Weidauer, bounced off to a fast lead in the initial period, taking an 11-7 margin. Weidauer dumped in three

quick jump shots to pace Marshall.

Marshall opened up a 10-point lead early in the second period, but Ries plunked in three field goals to put the Danes back in contention. The Tigers still led at the half, however, 25-22.

Johnson broke the game wide open for Marshall in the third stanza. The lean center tossed in 11 points in the third to put the Tigers out in front with a substantial margin.

This gave Marshall a 44-35 bulge at the three-quarter mark.

The Danes grew ice-cold in the final period, only managing six points for their lowest scoring output of the evening.

Marshall, however, kept their scoring spurt alive as they dumped in 15 points in the final period. Weidauer led Marshall in the last stanza with a trio of free throws and a field goal.

Marshall will travel to Redwood Falls Friday night for their next contest.

JOHNSON SCORES — Marshall center Codge Johnson is pictured as he scores two of his 21 points in the Tyler — Marshall game last night. Johnson led the Marshall scoring, although Bob Weidauer and Bob Dowma were also in double figures.

Marshall Whips Redwood For Season's Second Victory

BY DON HERRING
Daily Messenger Sports Editor

REDWOOD FALLS — The Marshall Tigers chalked up their second straight victory here Friday night as they whipped the Redwood Falls Cardinals, 54-49.

The Tigers led throughout the game, although Redwood threatened in the closing minutes of the contest.

Codge Johnson led the Tigers with 18 points, followed by Bob

Weidauer with 11 and Barry Pomrantz with 10.

Bob Dowma, 6-3 Marshall center, didn't play in the contest due to an ear infection.

Chuck Lussenhop took the scoring honors for Redwood with 14 points. Paul Ramseth was also in double figures with 10.

Marshall, led by Danny Lanoue, Johnson, and Weidauer, took an early lead in the game, but the Cardinals fought back to within

three points at the end of the first period, 16-13.

The game continued nip-and-tuck in the second. Redwood tied up the score early in the second, but Les Jacobson pumped in a pair of jump shots to put Marshall back in the lead, 29-25, at half-time.

The Tigers opened up the margin a little more in the third stanza. Paced by a tough defense, the Tigers cut the Redwood scoring to nine points in the third while scoring 13 themselves for a 42-34 margin at the three-quarter mark.

Marshall took a 10-point lead mid-way in the final period, but the Cardinals caught fire to come within five markers of the Tigers.

Time ran out on Redwood, however, as Marshall took home a 54-49 victory.

Marshall mentor Glenn Matkke cited teamwork as the main reason for the Tiger victory. "The boys did exceptionally well in passing, and they picked up a lot of rebounds. They really help," commented Matkke.

The Tigers entertain Luverne Friday night for their next contest.

Marshall Shoots For Third Win Tomorrow

The Marshall Tigers, still undefeated, will be looking for their third straight victory tomorrow night when they take on the Luverne Cardinals in a home game.

The surprising Tigers have picked up a pair of impressive wins this season, over Tyler in the opener, 59-41, and last week over Redwood Falls, 54-49.

Marshall may not be at full strength for this game, however. Bob Dowman, 6-3 center, missed the Redwood contest with an ear infection and may be out for this one too.

Even without Dowman's height, however, Marshall may have an overall height advantage over the Cardinals.

Luverne has an inexperienced club this year. Coach Bob Erdman lost his first seven players through graduation last year, although six lettermen are back this season.

The tallest of the lot is 6-3 Andy Hageman, who saw only

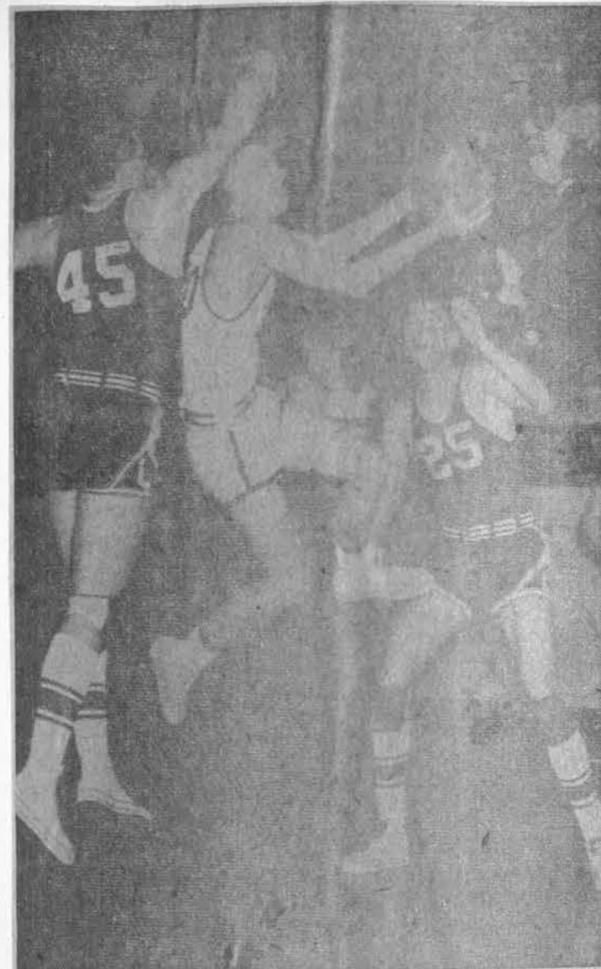

limited action last season. Others back for the Cards this year include Karl Mohr (6-0), Don Phillips (6-1), Tom Fay (5-10), Dick Jordahl (5-10), and Duane Kropuenske (6-0).

Marshall Coach, Glenn Matke will probably go with his starting lineup of the first two tilts.

That lineup would include Bob Weidauer and Danny Lanoue, at the guards, Barry Pomrantz and either Paul Thomson or Les Jacobson at the forwards, and Codge Johnson at center.

A preliminary B squad game beginning at 7 p.m. will precede the varsity action tomorrow night.

Tigers Lose First With Cold Night At Free-Throw Line

BY DON HERRING

Daily Messenger Sports Editor

The Marshall Tigers, ice-cold at the free throw line, dropped their first game of the season here Friday night as they were tipped by the Luverne Cards, 54-52.

The Tigers were eight points behind at times throughout the game, but come back in the last period to tie up the score with less than two minutes remaining in the game. The lead see-sawed back and

forth those two minutes until Luverne's Duane Kropuenske dumped in a lay-up with 10 seconds left in the game, giving Luverne the margin of victory.

Marshall lost the game at the free throw line. Luverne potted a torrid 20 for 26 in gift shots, while the best Marshall could muster was 10 for 22.

The Tigers outscored Luverne from the field, 21-17.

Marshall's Codge Johnson, however, came through with a sterling performance at center, bucketing 24 points. Barry Pomrantz was also in double figures with 10.

The Cardinals exhibited a well-balanced scoring attack. Lynn Geving led the parade with 17, but Karl Mohr had 11 and Kropuenske and Andy Hageman each contri-

buted 10.

The Tigers took an early lead in the game as Johnson flipped in three quick field goals.

Johnson was lost for rest of the first quarter, however, with an eye injury.

After Johnson left the lineup, the Tiger led dwindled down to nothing as the Cards swept past them for a 12-10 first quarter lead.

Luverne continued to pile up points in the second period as they pumped in 18 points while holding Marshall to 18 points while holding the Card margin at halftime, 30-24.

The game continued much the same way in the third stanza. The Card scoring simmered down a bit, but they still added another point to their margin for a 42-

35 bulge at the three-quarter mark.

The situation changed drastically in the final period, however. The Tigers suddenly caught fire. Three quick baskets by Johnson and Danny Lanoue put Marshall within shooting range.

Marshall took over the lead when Pomrantz picked up a loose ball and scored on an easy lay-up.

Luverne fought back to tie up the score, and the game continued in that see-saw fashion until Kropuenske tallied the winning bucket with 10 seconds remaining in the game, giving Luverne the 54-52 victory.

Marshall will travel to Pipestone Friday night in their next contest.

Voters Decide School Bond Issue Tomorrow

Voters here will decide tomorrow whether or not a \$560,000 bond issue for expansion at the Marshall public schools should be given the green light.

Polls will open at 3 p.m. at the Marshall high school gymnasium and remain open until 9 p.m.

The bond is expected to cover the costs of three different projects including the most costly

item, an addition to Marshall high school.

The addition is planned to be erected on the northeast end of the present high school. The spot is presently occupied by a temporary annex. It will be built out to the alley but will not cross it.

Standing two stories high, the addition will house mainly facilities for a lunchroom to accom-

modate 400 commercial classrooms and science classrooms.

The ground floor will include a lunchroom, storage room, and kitchen facilities. On the second floor, bookkeeping, typing, sewing and home economics classrooms will be built. On the second floor, a chemistry laboratory, a physics and a biology room and an art room are planned.

Also included in the bond is an eight classroom addition onto the West Side grade school. With the addition, the West Side school will have an equal enrollment with the East Side grade school.

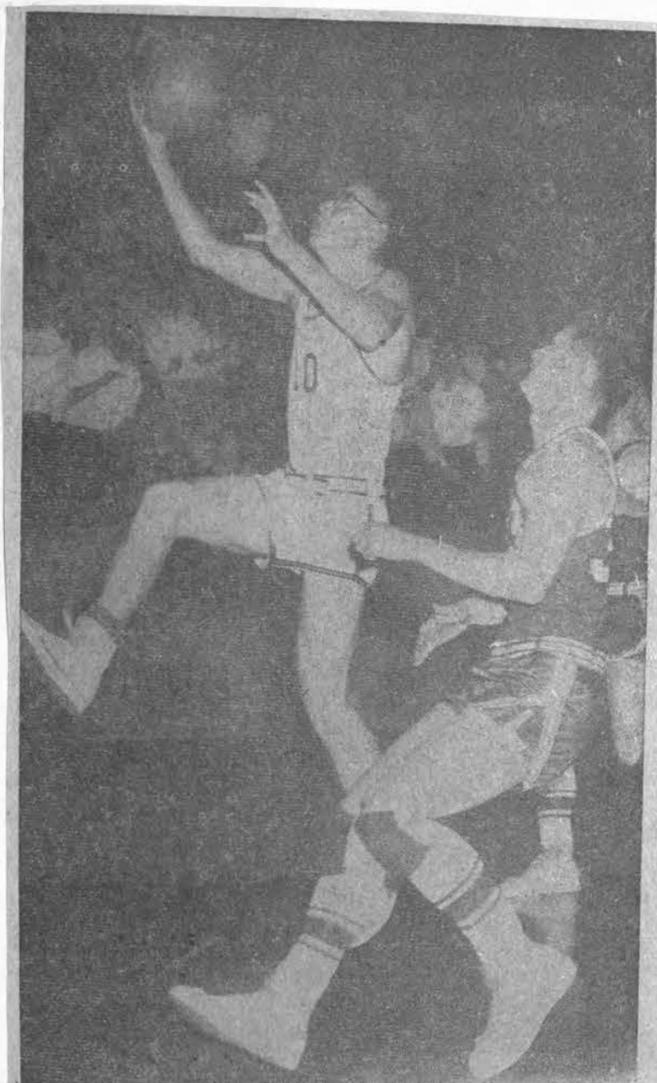

Third project included in the bond issue is remodeling in the present high school. This will include moving classrooms from the old building into the addition and remodeling them.

The bond will be spread out over a period of 22 years, the schoolboard claims. Based on current assessed valuation, the bond will increase the school tax at an average of 7 mills to pay for the principal and interest of the bonds. The tax would be levied on all property (real estate and personal property) in the Marshall school district.

A simple majority will carry the election tomorrow. Voters will be asked to vote "Yes" or "No" for the bond issue.

The bond election will be the first one in the Marshall school district since 1954 when voters approved a 750,000 issue for the West Side grade school.

Those who are eligible must be 21 years of age, lived in the state for six months, and 30 days within the school district.

Tigers Show Balanced Scoring With 4 Men In Double Figures

BY DON HERRING
Daily Messenger Sports Editor

PIPESTONE.—The Marshall Tigers, paced by a well-balanced scoring attack and a strong second half, edged out the Pipestone Arrows here Friday night, 61-58, for their third win of the season.

Marshall took over the five-point margin in the third period and held strong in the last stanza to insure the win.

The Tigers placed four men in double figures in the scoring column. Codge Johnson led the pack with 18, while Bob Dowma hit 15, Barry Pomrantz had 14, and Danny Lanoue connected for 10.

Big Sid Bostic of Pipestone topped all scoring with a torrid 29 points. Bruce Johnson was also

in double figures for the Arrows with 12.

Pomrantz and Lanoue got Marshall off to a fast start in the first period, bucketing 11 points between them. Pipestone was ice-cold and only managed five points, three of them by Bostic. As a result, Marshall held a substantial 18-5 lead at the end of the first period.

The situation did an abrupt about-face in the second, however. The Arrows threw a full-court press at Marshall, a defense that stymied the Tigers the whole second quarter.

Meanwhile, Pipestone started on a torrid scoring spree. Led by Bostic, who tossed in 14 points in the second period, the Arrows connected for 28 points while holding Marshall to 17 to tie up the

score at intermission 33-33.

The race-horse brand of ball was halted in the third stanza, however. Marshall settled down to a ball-control offense and started on the comeback trail.

Johnson went wild for Marshall in the third, connecting for three field goals and six free throws. The rest of the Tiger squad contributed seven point while holding Pipestone to 14.

This put Marshall back in the drivers' seat at the three-quarter mark, 52-47.

A pair of quick buckets by Bostic in the opening seconds of the fourth period put Pipestone within shooting range of the Tigers again. Marshall was also hampered by the loss of Johnson on fouls early in the fourth.

Seconds later, however, Bos-

tic also fouled out to put the game on an even basis.

Neither squad offered much of a scoring threat in the final stanza. Marshall only connected for nine points, while Pipestone tallied 11.

Pipestone threatened until the final buzzer, but couldn't quite overcome the small Marshall lead, giving the Tigers a 61-58 win.

Marshall, in an about-face from last week's game with Luverne, won the game at the free throw line. The Tigers hit 21 out of 36 free throws, while Pipestone only managed 18 out of 31. Both squads tallied 29 field goals.

Fouling was heavy for both squads. Pipestone had 25 personal fouls, while Marshall was guilty of 20 infractions.

The next game for the Tigers will be Dec. 29 when they meet the Fulda Raiders in a home contest.

Tigers Take 4th Win; Edge Fulda, 44 - 35

BY JOHN HENDERSON
Daily Messenger Sports Writer

The Marshall Tigers, on the virtue of four successive field goals in the waning minutes of play, broke up a snug contest here last night for their fourth triumph in five starts with a 44-35 win over Fulda.

With the score standing at 36-35 and two minutes remaining in the game, Codge Johnson, Les Jacobson, and Bob Dowma tallied from the field to give the locals their margin of victory.

Johnson carded 18 markers, high for either club, and scored crucial buckets several times. Junior forward, Doug Leuhmann, topped the scoring column for the visiting Raiders with 13.

Throughout the entire first half, ragged play marked the two squads. The Tigers started fast as Johnson and Barry Pomrantz each hit the cords for a pair of fielders. Fulda then recovered to make six straight points and send the ball game into the second quarter tied at 11-11.

Both clubs turned ice cold in

Johnson

the second stanza, however, and Fulda moved into the lead at halftime, 17-16, on the strength of two buckets by Leuhmann and Bob Freetly.

The third period saw Dan Lanoue and Johnson get hot, chalking up 11 between them to shove the Tigers back out in front by a 29-23 margin.

In the final canto the Raiders began shaving points from the Tigers' edge as Luehmann picked up a pair of two-pointers and Merl Ommen meshed three.

Then, with the scoreboard reading 36-35, the Marshall hardwooders caught fire and rifled in points by the handful. Frigidity from the field caused

no end of grief for both teams in the contest which was marked by loose ball handling, bad passes and scads of mechanical mistakes.

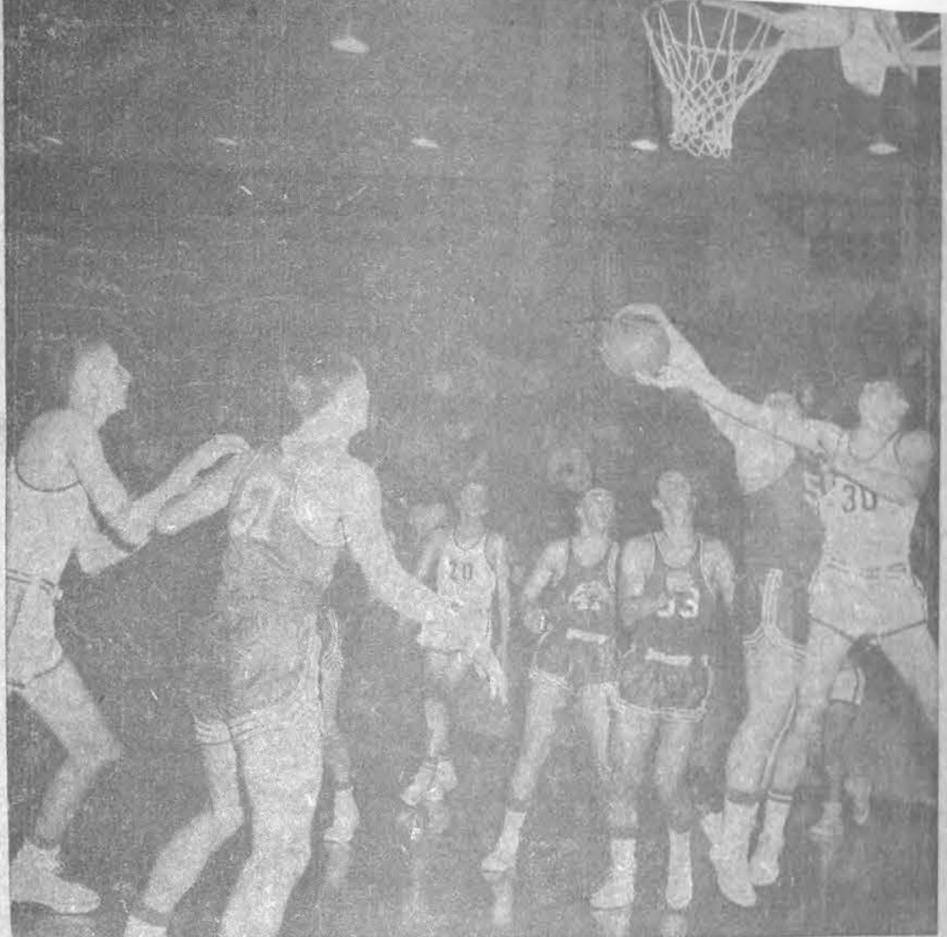

The Raiders could muster only 12 counters during the second and third quarters, while Marshall got but five in the second stanza.

The Mattkemen will travel to Canby this Saturday for their next contest.

Free Throws Help Tigers Win No. Six

Slayton's zone defense gave Marshall fits here Friday night, but particularly hot shooting from the free throw line helped the Tigers to a 66-60 victory. It was Marshall's sixth victory against one defeat.

With Codge Johnson hitting three quick field goals and four free throws in the first quarter it appeared Marshall was off to an easy win. The Tigers led 19-12 at the end of the first quarter.

In the second frame the Tigers were held to three field goals and a pair of free throws while Slayton poured in 15 points to tie the score at 27 all.

The Tigers were uncanny at the free throw line throughout the game, but in the second half it

made the difference. Johnson hit 13 out of 15 during the contest while Barry Pomrantz connected on 12 out of 14 tries.

Johnson and Pomrantz led Marshall with 27 and 22 points respectively.

After the intermission the Tigers trailed Slayton several times as Kasa drove by his man for easy layups. But 10 free throws in 10 attempts helped Marshall to a third quarter lead, 42 to 41.

In the fourth frame Weidauer, Pomrantz and Johnson each got a pair of field goals and Marshall pulled away. Again free throws (10 out of 13) helped Marshall's cause.

led the Slayton attack with 16 and 15 points respectively.

Marshall Students To Stage Operetta

The mixed chorus of Marshall high school will attempt for the first time in at least 10 years at the school to present operetta when they stage "The Singing Freshman" Feb. 8-9.

According to Merrill Olson, principal, the operetta is the first to be presented at the school in at least the last decade.

The musical, a three-act comedy written by Ken Bennett, is a story of a farm boy who falls in love with a princess but utilizes up-to-date songs, contemporary dialogue. The setting is on a college campus.

The story takes place in Pop's college hangout, where Pop, an old Italian portrayed by David Kidder, keeps track of all the college students and even plays cupid in forming a scheme with Princess Zanita (Jean Milbrandt), and Quay, the princess' protectorate (Paul Thomson), to find out of Gordin, The Singing Freshman (John Christianson) dislikes her so much or if he is just putting on an act because of the difference in the situation of their lives.

The story evolves around many different characters such as Bill and Jack (Jerome Barron and Bob Downa, college seniors, who give the Freshman a "bit of haz-ard;" Mary (Martha Nordin) who met princess Zanita of Magonia and convinced her to come to school in America; Jesse (Lynn Ahlin) a catty senior who is forever in-

sulting everyone; The Dean of Yaleanova, (Charles Eubanks), an excitable old gent; the bad robber (Alan Greig) and stuttering Sam (John Henderson).

Meet Redwood Friday — Tigers To Meet Ivanhoe Tonight

The Marshall Tigers, having acquired the "team to beat" title in District Nine with their 52-43 triumph over Tracy last Friday,

will lay their five game win skein on the line tonight as they travel to Ivanhoe to tangle with the Eagles.

The Eagles have put on a somewhat erratic performance thus far this season, playing in very few close contests. Coach John Antognozzi's squad has been the victim in several one-sided affairs while dishing out a goodly share of the same treatment.

Junior Bill Kaczrowski, the only letterman to return from last year's club, has led the team throughout most of their contests thus far this season, but experience is helping boys like juniors Larry Cherp and Gordon Gregor along with sophomore Bruce Peterson to mold the squad into a fine unit.

The Tigers, on the other hand, will be going for blood from the start in hopes of resting their starters against the underdog Eagles and waiting for Friday's Redwood contest to show their strength.

Mentor Glenn Mattke's starting five of Johnson, Downa, Pomrantz, Lanoue, and Weidauer will probably remain intact for the contest.

Lions Club Gets Operetta Preview

Donn Mattison, vocal instructor at Marshall high school and four members of the cast of "The Singing Freshman" operetta to be given at the school Feb. 8 and 9, gave a preview at the regular meeting of the Marshall Lions club.

After singing two songs, Mattison told the club the story of "The Singing Freshman." Paul Thomson, John Christianson, Jean Milbrandt and Martha Nordin sang several songs from the operetta.

Julius Locy and Frank Luedtke were the committee in charge of the entertainment.

President Andy Ottum announced that the Lions treasury was in need of funds being that the final payment has been made on the football scoreboard installed last fall. Some discussion followed on various money raising projects and the club authorized the Lions board to arrange for the sale of 50 star flags to business and residential area in Marshall.

The next meeting of the Lions club will be a Valentine party which the Lion members will entertain their wives.

Tigers Win No. 8 72-27 as 2nd Stringers Show Form

IVANHOE — Jerry Lemcke, a second-string guard, was high-point man for the Marshall Tigers when they defeated the Ivanhoe Eagles 72-27 here Tuesday night. His 12-point total was the only one in double figures for Marshall as Coach Glenn Matzke emptied his bench against the inexperienced Eagles.

During the final period Coach Matzke didn't let any of his first six cagers return to the game. After several excellent cage teams, Ivanhoe's Coach John Antognozzi is re-building this year.

After taking a 14-7 lead in the first quarter, Marshall's second team plus first-stringer Codge Johnson, poured in 16 points to nail a 30-14 halftime margin.

While holding Ivanhoe to five points in the third frame, Marshall slammed 22 points through the hoop to gain a 52-19 advantage. Then, with his second team playing fulltime, Coach Matzke's Tigers hit 20 more points in the final stanza to earn victory No. 8.

Bruce Pederson, Eagle forward, took scoring honors for Ivanhoe as he hit five field goals and a free throw for 11 points.

Friday the Tigers will entertain the Redwood Falls Cardinals here in another inter-district contest. The Tigers defeated Redwood on the Cards' home floor 54-49. This surprise victory was the second game of the season for Mar-

shall and the one that started hopes soaring for Tiger fans.

School Board Seeks Bids On School Bonds

The Marshall Board of Education last night voted to advertise for bids on \$560,000 worth of school bonds for school expansion and improvement.

Bids will be received at the regular February meeting of the board on Monday, Feb. 15 at 7:30 p.m.

A representative of the T. G. Evensen Co., Minneapolis bond consultants, will be present to advise the board on the bids.

The bonds, approved by voters in a Dec. 15 election, will be used to build an addition to the Marshall high school and the West Side grade school and also to remodel parts of the present high school.

In other business at the meeting, the board decided to advertise for bids on the high school annex which will be cleared to make way for the addition. The building will be sold "stripped" of service facilities and equipment. The board specified that the annex must be removed by April 15.

Last night's board meeting usually held the second Monday of the month (Feb. 11) was postponed because of a schoolboard convention held at the time.

Tigers Seek New Win Streak; Meet Vikings

The Marshall Tigers will make their first attack on the win column since their loss to Redwood last Friday when they entertain the

Vikings of Minnesota here tomorrow night.

Both clubs will be hungry for the win which will greatly enhance

either's chances for a good pairing come district seeding time.

The Tigers will probably be up for this one as they are searching for someone to vent their vengeful feelings upon. Their loss to the Cardinals broke a six game winning streak and did nothing to improve Benigal dispositions.

Minnesota, on the other hand, is riding high coming into this contest after their triumph over the Lake Benton Bobcats, another of District Nine's toughies.

Guard Dick Culshaw has been the spearhead of the Vikings all year long with his accurate shooting from the field, but of late Les Josephson's play under the boards has given the Minnesota offense a more diversified look.

The Vikings will display almost the same unit that the Tigers saw last year as they feature three of last season's regulars and an array of eight lettermen.

The Tigers will hold a tremendous height advantage as Gary Buysse (6-1) is the only claim Minnesota has to height.

The pleasant surprises that certain players have given Marshall mentor Glenn Matzke will probably shake up the starting lineup somewhat.

The high-flying Marshall Tigers, presently enjoying a string of six triumphs, will have all they can handle here Friday night as they take on the Redwood Falls Cardinals.

Despite the fact that the locals defeated the Redbirds in an early season meeting, the Cards will provide a testing battle as they move into the tussle with a five-game win skein of their own.

In that previous contest the best efforts of the campaign, had to stave off a determined Redwood rally in the waning moments of play to take home the victory.

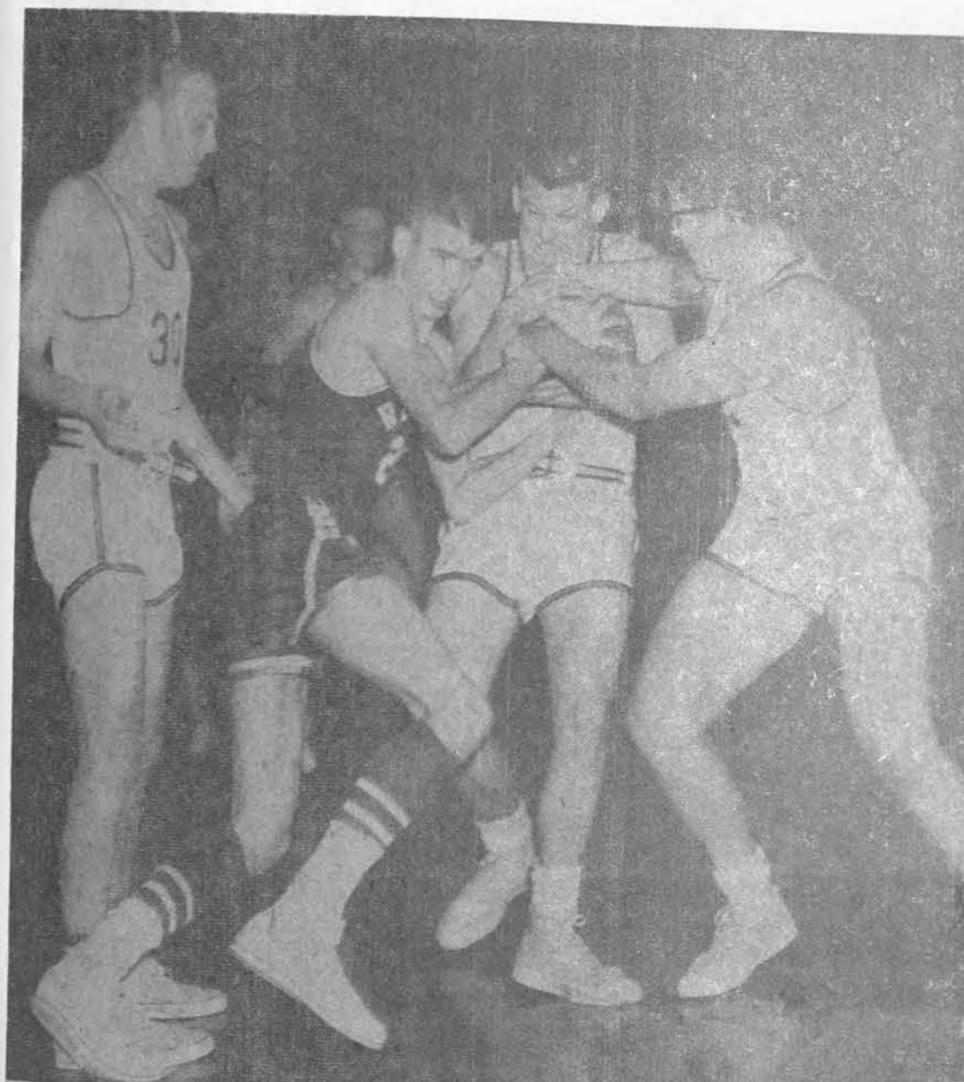

Since then, the Cardinals have fallen only to the Tracy Scrappers while the Marshall club has dropped their lone game of the season to Luverne.

Center Chuck Lussenhop and forward Paul Ramseth have provided most of the Redwood scoring punch thus far, but Jeff Johnson and Al Krueger have reached the double figures on occasion.

Marshall's spark, on the other hand, has come from several different sources with the Tigers placing three and four men in double figures in most of their recent games.

In any event, the Tigers and Cardinals as arch-rivals and team with early equal amounts of height and experience should supply a very entertaining evening.

In an almost-complete turnaround, the Redwood Falls Cardinals made easy work of defeating the Tigers here Friday night as they administered a 65-54 licking to the Bengals. In December the Tigers easily handled Redwood in the same manner on the Card's home court.

Friday's loss was the second of the season against eight victories for Marshall.

Instrumental in the downfall of the Tigers was Larry Carruth who dumped in 17 points for Redwood. He missed the first Marshall-Card game because of an injury.

Redwood jumped to a first quarter lead of 16-11 and at various times in the second frame extended that lead to runaway proportions, frequently doubling the score on Marshall.

Shortly before the end of the half Marshall scored six consecutive baskets to bring the score up to 30-21 and it appeared the Tigers had solved the Redwood defense.

After the intermission Redwood continued to apply pressure on the Tigers and ended the third stanza with a decisive 47-32 lead. From then on the Cards coasted to victory.

Bob Dowma, Tiger center, did well on offense in the second half connecting for 10 of his 14 points during this period. Les Jacobson, Tiger substitute, came on in the last half with 11 points, nine of which he got in the fourth period.

The Cards double-teamed Codge Johnson all evening, limiting the high-scoring Tiger forward to one field goal. He hit a pair of free throws to net four points, by far his lowest total of the season.

Bob Weidauer, Tiger guard, hit an even dozen points on four field goals and four free throws.

Charles Lussenhop took scoring honors for the evening as the Redwood forward got 19 points before fouling out.

Marshall is idle until Friday when the Tigers will entertain the Minnesota Vikings here.

How good are the Marshall Tigers?

That is a question that has been asked by sports fans around here ever since Marshall started this surprising, winning season.

The question will be at least partially answered tonight when the good Redwood Falls Cardinals meet the Tigers here. In the first game, played at Redwood Falls Dec. 4, the Tigers won 24-18. They had led Redwood earlier, however, by a 13-point margin.

Redwood Coach Phil Hall has noted the vast improvement of the Tigers in general and lanky Bob Dowma in particular.

"They've (Marshall) got a kid named Dowma who didn't play against us the first time," he said, "but he's back now after an injury. He's 6-4, scores pretty good and gets a lot of rebounds."

But, as Johnny Schneider, Redwood Falls Gazette sports editor notes, "It's about a horse apiece in the injury department. Larry Carruth, who got 19 points in his last outing sat out the first Marshall game."

Even with Carruth back for tonight's game, the Cards still may not be at full strength. Jack Stomm sprained an ankle in the Olivia game last week and is not likely to start here tonight.

To help counteract the height Dowma adds to the Marshall lineup, Coach Hall may use Bill Maher, 6-3.

The Cardinals will be bringing a five-game winning streak to Marshall tonight. Marshall has won eight this season and six in a row.

Since he took over at Redwood 3½ seasons ago, Coach Hall has defeated Marshall six out of seven times.

"He doesn't relish losing two in a row to Marshall," Schneider says.

Excitement Is High As Tracy Comes For Big Game Friday

Excitement has reached a fever pitch in two area high schools as the Marshall Tigers and the Tracy Scrappers groom themselves for tomorrow's battle.

The two clubs are generally rated one and two in District Nine this year (although no one has hazarded a guess as to which is one and which is two) and fans are contemplating a preview of the championship contest.

The Tigers (6-1) bring a four game win streak into the tussle while the Scrappers (6-2) have suffered two defeats among their last three decisions.

The Scrappers present a well-balanced scoring attack with Donn Ravers, Roger Platequal and Dick Bosacker all averaging around the 15-point mark in each contest.

Marshall, on the other hand, has rested much of its scoring load on the shoulders of senior center Codge Johnson and, of late, Barry Pomrantz.

Ravers (6-5) will give the Tracy club a slight height advantage at center, but Marshall will retain an equivalent edge at most of the other positions.

The two squads have played four common opponents, each winning from Canby, Slayton, and Redwood Falls while Tracy fell before Pipestone, a club which the Tigers edged previously during the present campaign.

Experience would seem to be on the Scrapper's side, but the fact that only two Tigers regulars were starters last year has failed to faze the Mattkemen yet.

All in all, it should add up to one of the most exciting and well-played contests between area clubs this season.

County Group For Educating Retards Organizes Yesterday

BY FRANK SANTIAGO
City Editor

A meeting yesterday of educators from both public and parochial schools in the county and trained personnel in mental health laid the foundation for the county's first attempt at schooling educable and trainable retarded youths.

The Lyon County Council on Educable and Trainable Retarded Children, made up of school superintendents, county welfare workers, the county nurse and psychologist and psychiatric social worker, elected George Borneman, Tracy superintendent, chairman of the council. J. Paul Arneson, county welfare director, was elected secretary.

At yesterday's organization meeting, held in the county courthouse, it was decided that a definite county-wide program should be carried out to find some means of schooling the growing number of retarded children in the county.

Smaller school districts, it was

discussed, may send their retarded children to the Marshall and Tracy classes if room is provided. It is hoped that in the near future, special classes can be carried on in all the school systems within the county.

Because of the lack of facilities in the county schools, the retarded children have been kept in the regular classroom, creating problems in discipline and showing overall progress.

Arneson commented that the present trend with the State Welfare Dept. is to have children "kept at home" rather than be sent to a state institution. He said, however, waiting lists are so extensive that children would have to wait at least two years to be admitted.

L. M. Frey, superintendent of the Marshall schools, announced that a "special problems" class will be set up in Marshall for educable retarded children and those with emotional and social problems. He said that the class will begin next fall. An instructor who has received specialized training in the field will be hired. There will be no age limit for the school children in the class.

Adult Home Ec Class To Be Given Here Next Month

"Feeding your family better" is the topic for the adult home-making, education class to be offered next month at Marshall high school.

Some of the areas that will be included are basic nutrition and planning better meals; freezing pre-cooked foods; simple, quick menus; meat and vegetable cookery; interesting and economical uses of left overs; and county fair exchange of recipes which will be held at the last class.

Mrs. Jay Kerr will teach the class, which is a part of the vocational homemaking department.

Registration opens Friday, Jan. 29, with the class limited to 30. Names will be taken for the waiting list, however. Call 2217 for reservations. Fee is \$1.

Feb. 15 has been set for the first meeting of the class and will be a "get acquainted" time as well.

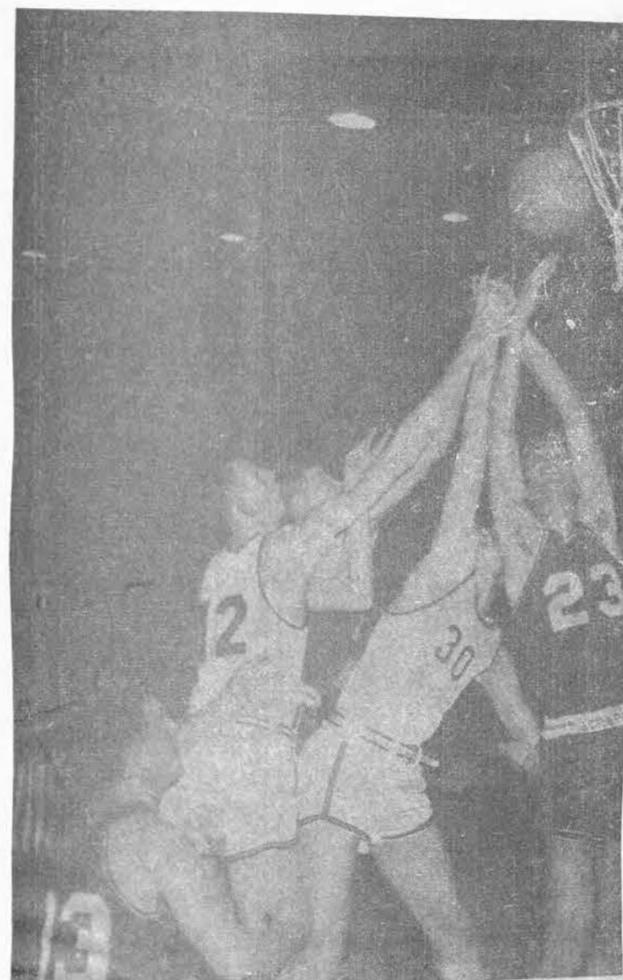

Women serving on the adult executive council this year are Meses. Harry Callow, Louis Schultz, Kenneth Petersen, James Wetherbee, Clara Larsen, Kenneth Hodgman and Miss Marybelle Hickner.

Tigers Trip Tracy

52 to 43 For 5th

Consecutive Win

HOLDING HANDS — It appears that Bob Dowma and Codge Johnson, Marshall Tigers, are holding hands with two unidentified Tracy players. Marshall won the game 52-43. Daily Messenger photo.

Throwing a well balanced scoring punch at Tracy's good Scrappers here Friday night, Marshall won victory No. 7 by a convincing 52-43 score. It was a close game all the way until the waning moments of the final period when the Tigers pulled away. Marshall took a narrow 11-10

first-period lead, largely on the efforts of big Bob Dowma. The Scrappers held the Tigers to eight points in the second frame while they were stealing the halftime lead 20-19.

During the third period Marshall's Codge Johnson hit three fielders and a free throw for seven points to spark Marshall to a 37-30 edge.

The Scrappers came back with rallies which fell short and the Tigers won going away.

Johnson, Dowma and Barry Pomrantz led the Tiger attack with 15, 14 and 13 points respectively. Dick Bosacker, Tracy guard paced his mates with 15.

This victory was the fifth consecutive win for Marshall's surprising Tigers. Their sole loss of the season was to Laverne early in the season.

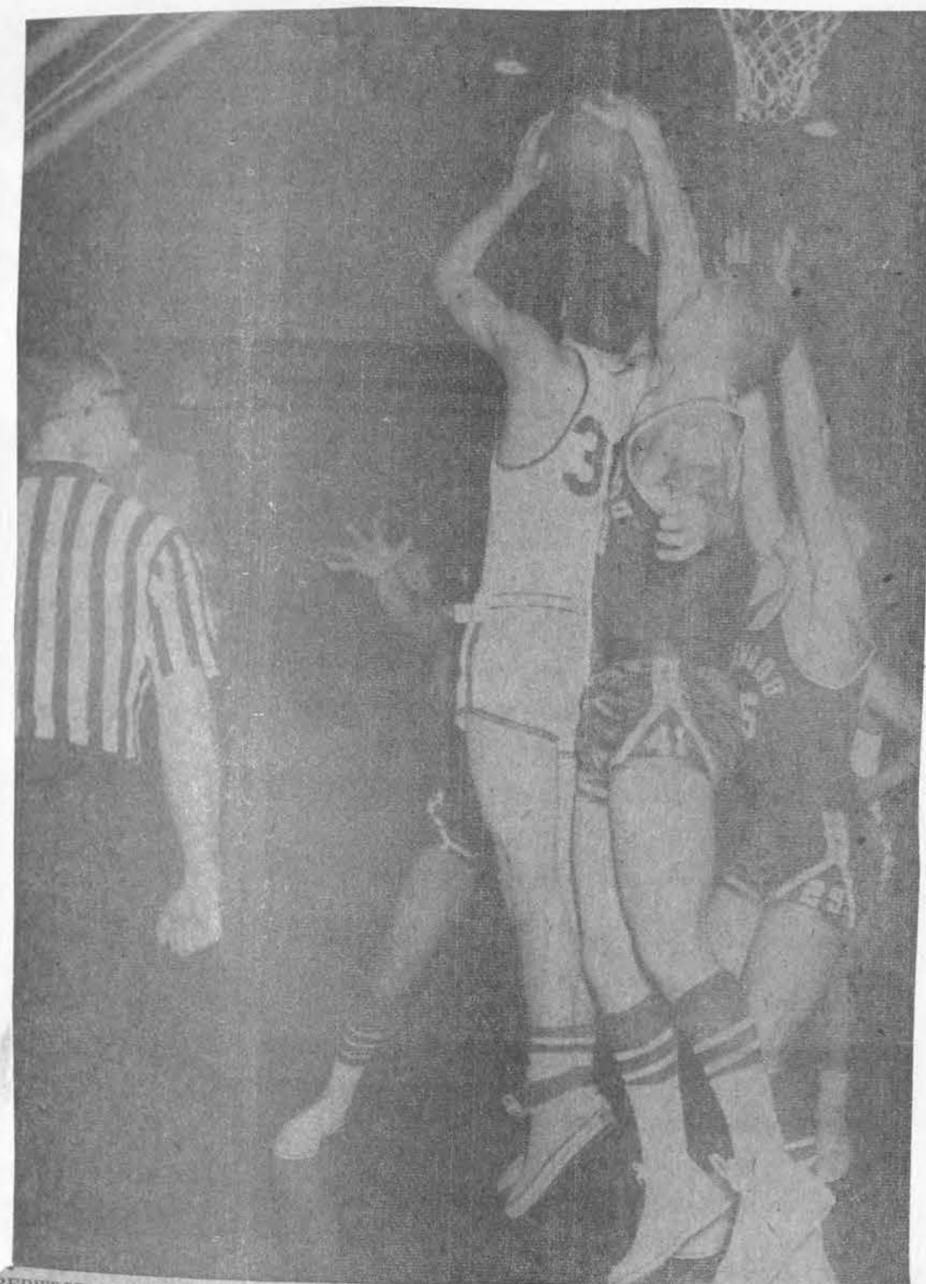

"This is one of those teams," Coach Glenn Matke said of his Tigers, "that gets the job done. They don't look impressive and they make some mistakes, but they seem to end up with the most points on the scoreboard."

He credits the Tigers' desire for their unexpected 7-1 record.

REDWOOD HUSTLE—Pictured above is the defensive maneuvering and hustle the Redwood Falls Cardinals showed here Friday when they handed the Marshall Tigers their second loss of the year. Marshall's Codge Johnson (above, white

uniform) couldn't get the shot away as an unidentified Card put the clamps on the ball. This loss, Coach Glenn Matke feels, will help the Tigers through the rest of the season and the important tournaments. Daily Messenger photo.

Season Isn't Ruined —

Cards Outplayed Us, Mattke

BY JOHN HENDERSON

Do the people of Marshall, who have been waiting four years for a real district contender, have to reappraise this year's Tiger ball club? Was the early season success of the Bengals just a flash-in-the-pan which was wiped out by

their loss to Redwood Falls?

Not so, comes the answer from Marshall mentor Glenn Mattke. The locals simply did not play up to their capacity according to the Tiger coach.

"I'll take nothing away from Redwood," Mattke said. "They

outmuscled us, outshot us, and outplayed us, but I don't think we were as sharp as we have been on occasions."

Mattke went on to point out, "Our next four games will tell the story as far as we're concerned. Whether or not we get a decent seeding for the tournament will depend on the outcome of these next few games." The Tigers will tangle with Minnesota, Canby, Tracy, and Lake Benton, all District Nine clubs in their next four contests.

When asked if there might have been some letdown after the Tigers key win over Tracy, Mattke replied, "It's hard to tell about those things, but it could have caused some of our trouble in the first half although it would have been just one of a number of things if it was there."

When the subject of little guard Jerry Lemcke came up, Mattke was quick to show that Lemcke and junior forward Les Jacobson played the principle roles in the Tiger's comeback effort after Redwood had started Friday's contest like a house on fire.

"If Jerry continues to show us the kind of play he has displayed in the last two games, he will undoubtedly see more extended action. Les Jacobson and Paul Thomson have also made definite improvements since the start of the season and will very likely spend a lot more time in the lineup."

Bruce Kniga is another boy Mattke is counting on to come through for him as the campaign progresses. "Bruce is having a little shooting trouble right now, but as soon as he whips this fight he is having with himself, he'll be giving us a lot of help."

All in all the Tigers seem little worse because of their loss Friday night and perhaps a bit wiser. Local fans have no need to worry about player morale either at least this Friday as Marshall teams have always enjoyed winning over Minnesota clubs, and this squad is no exception.
