3 considered a supervisory employee.

4 He shall not designate an appropriate unit which
5 includes employees subject to section 179.63, subdivision
6 11, with employees not included in section 179.63,
7 subdivision 11.

8 Sec. 12. Minnesota Statutes 1974, Section 179.74,

Messrs. Sillers and Moe introduced--

S. F. No. 1265: Referred to the Committee on EDUCATION

1 A bill for an act
2 relating to education; state aid; tax levies;
3 providing a foundation aid formula and levy
4 limitation for school districts; amending
5 Minnesota Statutes 1974, Sections 124.212, by
6 adding subdivisions; and 275.125, Subdivision 3,
7 and by adding a subdivision.
8 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:
9 Section 1. Minnesota Statutes 1974, Section 124.212,
10 is amended by adding a subdivision to read:
11 Subd. 6b. For the 1975-1976 school year a district
12 shall receive in foundation aid the lesser of (1)
13 \$..... per pupil unit less 30 mills times the 1973
14 adjusted assessed valuation of the district or (2) the
15 amount that bears the same relation to the difference in (1)
16 as the sum of the 1970-1971 adjusted maintenance cost per
17 pupil unit increased by \$162, and the greater of (a)
18 one-half of the difference that results when the adjusted
19 maintenance cost per pupil unit, so increased is subtracted
20 from \$....., or (b) \$....., bears to \$.....
21 Section 1 of this act shall not be construed as in any
22 instance authorizing the levy of total amounts of taxes for
23 school purposes in excess of the amount allowed by law on
24 October 15, 1974.

1265

1 Sec. 2. Minnesota Statutes 1974, Section 124.212, is
2 amended by adding a subdivision to read:
3 Subd. 7b. For the 1976-1977 school year a district
4 shall receive in foundation aid the lesser of (1)
5 \$..... per pupil unit less 27 mills times the 1974
6 adjusted assessed valuation of the district or (2) the
7 amount that bears the same relation to the difference in (1)
8 as the sum of the greater sum computed pursuant to section 1
9 and the greater of (a) two-thirds of the difference that
10 results when such greater sum is subtracted from
11 \$....., or (b) \$....., bears to \$..... .
12 Section 2 of this act shall not be construed as in any
13 instance authorizing the levy of total amounts of taxes for
14 school purposes in excess of the amount allowed by law on
15 October 15, 1975.

16 Sec. 3. Minnesota Statutes 1974, Section 275.125, is
17 amended by adding a subdivision to read:
18 Subd. 2b. (1) In 1975, a school district may levy for
19 all general and special school purposes, an amount equal to
20 the amount raised by the 1974 adjusted assessed valuation of
21 the district times the number of mills, not to exceed 27,
22 that bears the same relation to 27, as the greater sum
23 computed pursuant to section 2 of this act and the greater
24 of (a) two-thirds of the difference that results when such
25 greater sum is subtracted from \$....., or (b)
26 \$..... bears to \$..... .
27 (2) In 1976, a school district may levy for all general
28 and special school purposes an amount equal to the amount
29 raised by the 1975 adjusted assessed valuation of the
30 district times the number of mills, not to exceed 27, that
31 bears the same relation to 27, as the sum of the greater sum
32 computed pursuant to section 2 of this act, and the greater

1265

1 of (a) five-sixths of the difference that results when such
2 greater sum is subtracted from \$....., or (b)
3 \$..... bears to \$..... .

4 (3) Any district levying less than the maximum
5 allowable as computed in clauses (1) and (2) of this section
6 shall receive proportionately less foundation aid.

7 (4) In addition to its authorized levy pursuant to
8 clauses (1) and (2) a school district may levy an additional
9 amount equal to the amount raised by the 1974 adjusted
10 assessed valuation of the district times the number of mills
11 not to exceed 3 mills, for the purposes of special
12 education, special transportation costs, declining
13 enrollment adjustments, programs for early childhood
14 identification, gifted children, and alternative or
15 innovative programs promulgated by the council on quality
16 education.

17 (5) The levy authorized by clauses (1) and (4) or (2)
18 and (4) may be increased in any amount which is approved by
19 the voters of the district at a referendum called for the
20 purpose. Such a referendum may be called by the school
21 board or shall be called by the school board upon written
22 petition of qualified voters of the district. The
23 referendum shall be held on a date set by the school board.
24 Only one such election may be held in a single school year.
25 The question on the ballot shall be whether a specific
26 millage which will yield a specific amount based on the most
27 recent assessed valuation may be added to that authorized by
28 clauses (1) and (4) or (2) and (4). If approved, the amount
29 provided by the millage applied to each year's assessed
30 valuation shall be authorized for certification until
31 revoked by the voters of the district at a subsequent
32 referendum, which may be called by the school board and

1265

1 which shall be called by the school board upon the written
2 petition of qualified voters of the district unless the
3 petition for revocation is submitted in the same year in
4 which a levy has been increased by the voters pursuant to
5 this clause. A petition authorized by this clause shall be
6 effective if signed by a number of qualified voters in
7 excess of 15 percent, or 10 percent if the school board
8 election is held in conjunction with a general election, of
9 the average number of voters at the two most recent district
10 wide school elections. A referendum invoked by petition
11 shall be held within three months of submission of the
12 petition to the school board unless the petition for
13 revocation is submitted in the same year in which a levy has
14 been increased by the voters pursuant to this clause.
15 Notwithstanding any law to the contrary, the approval of 50
16 percent plus one of those voting on the question is required
17 to pass a referendum.

18 Sec. 4. Minnesota Statutes 1974, Section 275.125,
19 Subdivision 3, is amended to read:

20 Subd. 3. In addition to the levy authorized by section
21 ~~275.125, subdivision 2~~ 3 of this act, a qualifying
22 district may levy additional amounts as follows:

23 (1) The amounts necessary to make payments for bonds
24 issued and for interest thereon, including the bonds and
25 interest thereon, issued as authorized by clause (7)(C) of
26 this subdivision, and for repayment of debt service loans
27 and capital loans, the amount authorized for capital
28 expenditures pursuant to section 124.04 and the amount
29 authorized for liabilities of dissolved districts pursuant
30 to section 122.45.

31 (2) For school transportation services, an amount not
32 to exceed the amount raised by a levy of one mill times the

1265

1 adjusted assessed valuation of the taxable property of the
2 district for the preceding year; provided that in 1973 and
3 thereafter a district having boundaries coterminous with the
4 boundaries of a city of the first class may levy an amount
5 not to exceed 20 percent of its costs for transportation and
6 related services for which state aid is authorized for the
7 1974-1975 school year and thereafter, and provided further
8 that a district may levy under this clause for the annual
9 cash payments to be made for the purchase of buses, but only
10 for that portion of the payments not offset by state
11 transportation aid received on account of depreciation; and
12 provided further that beginning with the levy certified in
13 1974, a district may levy for that portion of transportation
14 costs approved by the commissioner as qualifying for aid
15 because of extraordinary traffic hazards but for which no
16 state aid is receivable for the current fiscal year pursuant
17 to section 124.223, clause (1).

18 (3) For purposes of the 1973 levy, collectible in 1974,
19 any district which qualified for an extra levy under
20 Minnesota Statutes 1971, Section 275.125, Subdivision 3,
21 Clause (4), shall be allowed to levy the same amount per
22 pupil unit allowed by that clause. Provided, however, that
23 a district having boundaries coterminous with the boundaries
24 of a city of the first class which was affected by the
25 limitation of an extra levy not to exceed 1.5 mills times
26 the adjusted assessed valuation of the district shall be
27 allowed to levy 1.9 mills. For purposes of the 1973 levy,
28 collectible in 1974, any district which qualified for an
29 extra levy in 1971, collectible in 1972, under Minnesota
30 Statutes 1971, Section 275.125, Subdivision 3, Clause (3)
31 but did not qualify for an extra levy under Minnesota
32 statutes 1971, Section 275.125, Subdivision 3, Clause (4) in

1265

1 1972, collectible in 1973, shall be allowed to levy the
2 amount per pupil unit it was qualified to levy under
3 Minnesota Statutes 1971, Section 275.125, Subdivision 3,
4 Clause (3).

5 (4) In 1973 only, for a district which was authorized
6 to levy pursuant to Minnesota Statutes 1971, Section
7 275.125, Subdivision 3, Clause (3), but which was not
8 authorized to levy pursuant to Minnesota Statutes 1971,
9 Section 275.125, Subdivision 3, Clause (4), an amount not to
10 exceed the aggregate amount authorized by Minnesota Statutes
11 1971, Section 275.125, Subdivision 3, Clause (3).

12 (5) For the 1974 levy, collectible in 1975, any
13 district, in which the 1970-1971 adjusted maintenance cost
14 per pupil unit in average daily membership was greater than
15 \$663 per pupil unit, may levy an amount per pupil unit which
16 is equal to or less than the difference between the
17 1970-1971 adjusted maintenance cost per pupil unit in
18 average daily membership and \$663 per pupil unit, reduced by
19 two and one-half percent. No district may levy under this
20 clause an amount which exceeds the sum of the levy permitted
21 under section 275.125, subdivision 3(3) and the amount
22 raised by 2 mills times the adjusted assessed valuation of
23 the taxable property of the district for the preceding year.
24 Provided, however, that a district with boundaries
25 coterminous with the boundaries of a city of the first class
26 which was affected by the limitation of an extra levy not to
27 exceed 1.9 mills times the adjusted assessed valuation of
28 the district shall be allowed to levy 2.0 mills.

29 (6) For districts in cities of the first class,
30 maintaining post secondary vocational schools, one half
31 mills times the adjusted assessed valuation of the taxable
32 property of the district for the preceding year; and for

1265

1 other districts maintaining post secondary vocational
2 schools, three mills times the adjusted assessed valuation
3 of the taxable property of the district for the preceding
4 year, provided that districts formed pursuant to Laws 1967,
5 Chapter 822, and Laws 1969, Chapters 775 and 1060, shall be
6 subject to the levy limitations imposed by those laws, as
7 amended.

8 (7) (A) In order that the transition from existing
9 patterns of financing public schools to the system
10 prescribed in Extra Session Laws 1971, Chapter 31, Article
11 20 may be made in an orderly fashion, a district may levy an
12 additional levy under the terms of this section.

13 (B) If that part of the levy certified by the school
14 district in 1970, received in 1971, plus so much of the
15 levy, allowed under subdivisions 2 and 3, sections 1 to 5 of
16 this act, to be certified in 1971, received in 1972, as will
17 be received between July 1, 1971 and June 30, 1972, and when
18 added to all other state aids, local funds available and net
19 existing local debts, exclusive of bonded debt and existing
20 capital loans will not be sufficient to allow a district to
21 spend an amount per pupil unit sufficient to raise its
22 1970-1971 adjusted maintenance cost per pupil unit by \$42 it
23 may petition the commissioner of education for authority to
24 levy an additional levy. Before such a levy can be made,
25 the commissioner must authorize such a levy. Such
26 authorization shall specify the amount of the levy, provided
27 that such levy may not exceed .5 mills in a city of the
28 first class or 1.5 mills in any other district times the
29 1970 adjusted assessed valuation of the district as
30 determined by the equalization aid review committee.

31 (C) If the additional levy allowed in (B) is
32 insufficient to raise the adjusted maintenance cost of a

1265

1 district to \$42 above its costs in 1970-1971 it may petition
2 the commissioner of education for authority to issue general
3 obligation bonds of an amount sufficient to meet the
4 deficiency. The commissioner must authorize such a bond
5 issue. The authorization shall specify the amount of the
6 bond issue provided that the levy authorization to pay the
7 principal and interest on the bonds may not exceed .5 mills
8 in a district within a city of the first class, or 1.5 mills
9 in any other district, times the 1970 adjusted assessed
10 valuation of the district as determined by the equalization
11 aid review committee. The bonds authorized by this section
12 shall be sold and issued pursuant to the provisions of
13 chapter 475, except as otherwise provided herein. Such
14 bonds shall not be included in computing any debt limitation
15 for a district and no election shall be required for their
16 sale and issuance.

17 A district may not be authorized an additional levy
18 under both (B) and (C) of this section.

19 (8) In 1973, and each year thereafter, for a district
20 which has established a community school advisory council
21 pursuant to section 121.88, whether or not the district
22 receives reimbursement from the state pursuant to section
23 121.89, an amount of money raised by the greater of (A) \$1
24 per capita, or (B) the number of mills not to exceed the
25 number of mills necessary in 1973 to raise \$1 per capita in
26 1973 for community services including summer school,
27 nonvocational adult programs, recreation programs, and
28 programs contemplated by sections 121.85 to 121.89.

29 The population of the district for purposes of this
30 clause is the population determined as provided in section
31 275.14 or as certified by the department of education from
32 the most recent federal census.

1265

1 (9) Districts which receive payments which result in
2 deductions from foundation aid pursuant to section 124.212,
3 subdivision 8a, shall reduce the permissible levies
4 authorized by this subdivision by 25 percent in 1973, 50
5 percent in 1974, 75 percent in 1975, and 100 percent for
6 each year thereafter of that portion of the previous year's
7 payment not deducted from foundation aid on account of the
8 payment, unless such a levy reduction is otherwise required
9 by law. The levy reductions shall be made in the
10 proportions that each permissible levy bears to the sum of
11 the permissible levies.

12 (10) The commissioner shall certify to the county
13 auditors the levy limits for all school districts
14 headquartered in the respective counties together with
15 adjustments for errors in levies not penalized pursuant to
16 subdivision 4 as well as adjustments to final pupil unit
17 counts.

18 A school district shall have the right to require the
19 commissioner to review his certification and to present
20 evidence in support of modification of his certification.

21 The county auditor shall reduce levies for any excess
22 of levies over levy limitations pursuant to section 275.16.
23 Such reduction in excess levies may at the discretion of the
24 school district be spread over not to exceed two calendar
25 years.

26 (11) The commissioner of education shall certify to the
27 county auditors any underlevies made in 1971 and 1972 in the
28 transportation levy amounts. The 1971 underlevies shall be
29 determined to be (1) the actual net costs of reimbursable
30 transportation as reported to the department of education
31 for the 1972-1973 school year plus the amount expended by
32 the district to acquire school buses in 1972-1973 used for

1265

1 reimbursable transportation, less (2) the 1971 certified
2 transportation levy as amended and state aids received in
3 1972-1973 for transportation including depreciation.
4 Underlevies in the 1972 transportation levy shall be
5 computed in like manner using 1973-1974 costs and state aids
6 received in the 1973-1974 school year. The 1974 levy shall
7 be adjusted to correct for such underlevies, provided that
8 upon written request of the affected school board to the
9 commissioner, the adjustment shall be prorated in the 1974
10 and 1975 transportation levies. No district may levy under
11 this clause in any year an amount which exceeds the amount
12 raised by a levy of two mills times the previous year's
13 adjusted assessed valuation of the taxable property of the
14 district.

15 (12) When a district finds it economically advantageous
16 to rent or lease existing school buildings for instructional
17 purposes, and the proceeds of the levy permitted under
18 section 124.04 are insufficient for this purpose, it may
19 apply to the commissioner for permission to make an
20 additional capital expenditure levy for this purpose. An
21 application for permission to levy under this clause shall
22 contain financial justification for the proposed levy, the
23 terms and conditions of the proposed lease, and a
24 description of the space to be leased and its proposed use.
25 The criteria for approval of applications to levy under this
26 clause shall include: the reasonableness of the price, the
27 appropriateness of the space to the proposed activity, the
28 feasibility of transporting pupils to the leased building,
29 conformity of the lease to the laws and regulations of the
30 state of Minnesota, and the appropriateness of the proposed
31 lease to the space needs and the financial condition of the
32 district. The commissioner shall not authorize a levy under

1265

- 1 this clause in an amount greater than the cost to the
- 2 district of renting or leasing a school building for
- 3 approved purposes.

1 A bill for an act

2 relating to taxation; inheritance taxes;
3 increasing allowable exemptions; amending
4 Minnesota Statutes 1974, Section 291.05.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

6 Section 1. Minnesota Statutes 1974, Section 291.05, is
7 amended to read:

8 291.05 [EXEMPTIONS.] The following exemptions from the
9 tax are hereby allowed:

10 (1) Any devise, bequest, gift, or transfer to or for
11 the use of the United States of America or any state or any
12 political subdivision thereof for public purposes
13 exclusively, and any devise, bequest, gift, or transfer to
14 or for the use of any corporation, fund, foundation, trust,
15 or association operated within this state for religious,
16 charitable, scientific, literary, education or public

22 for such purposes, shall be exempt. Any devise, bequest,

1266

1 gift, or transfer to an employee stock ownership trust as
2 defined in section 290.21, subdivision 3, shall be exempt.
3 Where the beneficiaries of a stock ownership trust include
4 the transferor, his spouse, children, grandchildren,
5 parents, siblings or their children, the amount of the
6 exemption shall be reduced by the product of multiplying
7 said amount by their percentage interest in the trust.

8 Any devise, bequest, gift, or transfer, not to exceed
9 \$1,000 made to a clergyman, the proceeds of which are to be
10 used for religious purposes or rites designated by the

S. F. No. 1267: Referred to the Committee on TRANSPORTATION AND GENERAL LEGISLATION

1 A bill for an act

2 relating to motor vehicles; registration and
3 taxation; authorizing the transfer of number
4 plates issued to a vehicle used in driver
5 education courses in public schools to another
6 vehicle used for the same purposes; amending
7 Minnesota Statutes 1971, Section 168.12,
8 Subdivision 1, as amended,

9 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

10 Section 1. Minnesota Statutes 1971, Section 168.12,
11 Subdivision 1, as amended by Laws 1973, Chapter 218, Section
12 7, is amended to read:

13 Subdivision 1. [NUMBER PLATES; VISIBILITY, PERIODS OF
14 ISSUANCE.] The registrar, upon such approval and payment,
15 issues to the applicant the number plates required by law,
16 bearing an abbreviation of the state name and the number
17 assigned. The number assigned may be a combination of a
18 letter or sign with figures. The color of the plates and
19 the color of the abbreviation of the state name and the
20 number assigned shall be in marked contrast. The plates
21 shall be lettered, spaced, or distinguished to suitably
22 indicate the registration of the vehicle according to the
23 regulations of the registrar, and when a vehicle is
24 registered on the basis of total gross weight, the plates

1267

1 issued shall clearly indicate by letters or other suitable
2 insignia the maximum gross weight for which the tax has been
3 paid. These number plates shall be so treated as to be at
4 least 100 times brighter than the conventional painted
5 number plates. When properly mounted on an unlighted
6 vehicle, these number plates, when viewed from a vehicle
7 equipped with standard headlights, shall be visible for a
8 distance of not less than 1,500 feet and readable for a
9 distance of not less than 110 feet. At the end of the
10 registration periods in effect immediately before April 2,

11 1965, and for subsequent registration periods, the registrar
12 shall issue these number plates for the following periods:

13 (1) Number plates issued pursuant to sections 168.27,
14 subdivisions 5 and 6, and 168.053 shall be for a one year
15 period;

16 (2) Beginning with the year 1974, new number plates
17 issued pursuant to section 168.012, subdivision 1, shall be
18 issued to a vehicle for as long as it is owned by the exempt
19 agency and shall not be transferable from one vehicle to
20 another but may be transferred with the vehicle from one tax
21 exempt agency to another; and

22 (3) Beginning with number plates issued for the year
23 1976, plates for any vehicle not specified in clauses (1)
24 and (2) shall be issued for a five year period.

25 In any year during which these number plates are not
26 issued the registrar shall issue for each annual
27 registration a reflectorized year plate, tab, or sticker to
28 designate the year of registration. This plate, tab, or
29 sticker shall show the calendar year for which issued, and
30 is valid only for that year. Unless the motor vehicle for
31 which a number plate, number, tab, or sticker is issued, is
32 permanently lost, is destroyed, or is removed from the

1267

1 state, no number plate, number, tab, or sticker may be
2 transferred to another motor vehicle during the calendar
3 year in which issued.

4 Notwithstanding any other provision of this
5 subdivision, number plates issued to a vehicle which is used
6 for behind-the-wheel instruction in a driver education
7 course in a public school may be transferred to another
8 vehicle used for the same purpose without payment of any
9 additional fee. The registrar shall be notified of each
10 transfer of number plates under this paragraph, and may
11 prescribe a form for such notification.
