2 relating to public welfare; authorizing an
3 experimental program for the cost of home care of
4 mentally retarded children; appropriating money;
5 amending Minnesota Statutes 1974, Section 252.27,
6 by adding a subdivision.

7 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

8 Section 1. Minnesota Statutes, Section 252.27, is
9 amended by adding a subdivision to read:

10 Subd. 4. In order to determine the effectiveness of
11 the family unit in providing alternate living arrangements
12 and providing or arranging for the training and

19 This program shall be limited to children who otherwise

22 Grants to families shall be determined by the
23 commissioner of public welfare. In determining the grants,

1415

1 the commissioner shall consider the extra costs of services
2 additional to room and board, including: diagnostic
3 assessments, homemaker services, training expenses including
4 specialized equipment, visiting nurses' or other pertinent
5 therapists' costs, parental relief costs, daytime activity
6 center costs, preschool program costs, related
7 transportation expenses, and parental relief or babysitting
8 costs.

9 An individual care and training plan for the child
10 shall be established and agreed upon by the parents
11 receiving the subsidy and the appropriate county welfare
12 department. Periods of parental relief including vacations
13 and babysitting may be included in the plan and do not
14 require the approval of the county welfare department. The

6 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

7 Section 1. Minnesota Statutes 1974, Section 290.01,
8 Subdivision 20, is amended to read:

9 Subd. 20. [GROSS INCOME.] Except as otherwise provided
10 in this chapter, the term "gross income," as applied to
11 corporations includes every kind of compensation for labor
12 or personal services of every kind from any private or

14 derived from the ownership or use of property; gains or
15 profits derived from every kind of disposition of, or every
16 kind of dealing in, property; income derived from the

18 from any source.

19 For each of the taxable years beginning after December
20 31, 1960 and prior to January 1, 1971, the term "gross
21 income" in its application to individuals, estates, and
22 trusts, shall mean the adjusted gross income as computed for
23 federal income tax purposes as defined in the Internal

1416

1 Revenue Code of 1954, as amended through December 31, 1970
2 for the applicable taxable year, with the modifications
3 specified in this section.

4 For each of the taxable years beginning after December
5 31, 1970, the term "gross income" in its application to
6 individuals, estates, and trusts shall mean the adjusted
7 gross income as computed for federal income tax purposes as
8 defined in the Internal Revenue Code of 1954, as amended
9 through the date specified herein for the applicable taxable
10 year, with the modifications specified in this section.

11 (i) The Internal Revenue Code of 1954, as amended
12 through December 31, 1970, shall be in effect for taxable
13 years beginning after December 31, 1970 and prior to January
14 1, 1973.

15 (ii) The Internal Revenue Code of 1954, as amended
16 through December 31, 1972, shall be in effect for taxable
17 years beginning after December 31, 1972.

18 (iii) The Internal Revenue Code of 1954, as amended
19 through December 31, 1973, shall be in effect for taxable
20 years beginning after December 31, 1973.

21 References to the Internal Revenue Code of 1954 in
22 clauses (a), (b) and (c) following shall mean the code in
23 effect for the purpose of defining gross income for the
24 applicable taxable year.

25 (a) Modifications increasing federal adjusted gross
26 income. There shall be added to federal adjusted gross
27 income:

28 (1) Interest income on obligations of any state other
29 than Minnesota or a political subdivision of any such other
30 state exempt from federal income taxes under the Internal
31 Revenue Code of 1954;

32 (2) Interest income on obligations of any authority,

1416

1 commission, or instrumentality of the United States, which
2 the laws of the United States exempt from federal income
3 tax, but not from state income taxes;

4 (3) Income taxes imposed by this state or any other
5 taxing jurisdiction, to the extent deductible in determining
6 federal adjusted gross income and not credited against
7 federal income tax;

8 (4) Interest on indebtedness incurred or continued to
9 purchase or carry securities the income from which is exempt
10 from tax under chapter 290, to the extent deductible in
11 determining federal adjusted gross income;

12 (5) Amounts received as reimbursement for an expense of
13 sickness or injury which was deducted in a prior taxable
14 year to the extent that the deduction for such reimbursed
15 expenditure resulted in a tax benefit;

16 (6) Losses which do not arise from events or
17 transactions which are assignable to Minnesota under the
18 provisions of sections 290.17 to 290.20, including any
19 capital loss or net operating loss carryforwards or
20 carrybacks resulting from such losses, and including any
21 such nonassignable losses which occur prior to the time the
22 individual becomes a resident of the state of Minnesota;

23 (7) The amount of any federal income tax overpayment
24 for any previous taxable year, received as refund or
25 credited to another taxable year's income tax liability,
26 proportionate to the percentage of federal income tax that
27 was claimed as a deduction in determining Minnesota income
28 tax for such previous taxable year.

29 The overpayment refund or credit, determined with
30 respect to a husband and wife on a joint federal income tax
31 return for a previous taxable year, shall be reported on
32 joint or separate Minnesota income tax returns. In the case

1416

1 of separate Minnesota returns, the overpayment shall be
2 reported by each spouse proportionately according to the
3 relative amounts of federal income tax claimed as a
4 deduction on his or her separate Minnesota income tax return
5 for such previous taxable year;

6 (8) In the case of a change of residence from Minnesota
7 to another state or nation, the amount of moving expenses
8 which exceed total reimbursements and which were therefore
9 deducted in arriving at federal adjusted gross income;

10 (9) In the case of property disposed of on or after
11 January 1, 1973, the amount of any increase in the
12 taxpayer's federal tax liability under section 47 of the
13 Internal Revenue Code of 1954, as amended through December
14 31, 1972, to the extent of the credit under section 38 of
15 the Internal Revenue Code of 1954, as amended through
16 December 31, 1972, that was previously allowed as a
17 deduction either under section 290.01, subdivision 20 (b)
18 (9) or under section 290.09, subdivision 24; and

19 (10) Expenses and losses arising from a farm which are
20 not allowable under section 290.09, subdivision 29.

21 (b) Modifications reducing federal adjusted gross
22 income. There shall be subtracted from federal adjusted
23 gross income:

24 (1) Interest income on obligations of any authority,
25 commission or instrumentality of the United States to the
26 extent includible in gross income for federal income tax
27 purposes but exempt from state income tax under the laws of
28 the United States;

29 (2) The portion of any gain, from the sale or other
30 disposition of property having a higher adjusted basis for
31 Minnesota income tax purposes than for federal income tax
32 purposes, that does not exceed such difference in basis; but

1416

1 if such gain is considered a long-term capital gain for
2 federal income tax purposes, the modification shall be
3 limited to fifty per centum of such portion of the gain;

4 (3) Interest or dividend income on securities to the
5 extent exempt from income tax under the laws of this state
6 authorizing the issuance of such securities but includible
7 in gross income for federal income tax purposes;

8 (4) Income which does not arise from events or
9 transactions which are assignable to Minnesota under the
10 provisions of sections 290.17 to 290.20;

11 (5) Losses, not otherwise reducing federal adjusted
12 gross income assignable to Minnesota, arising from events or
13 transactions which are assignable to Minnesota under the
14 provisions of sections 290.17 to 290.20, including any
15 capital loss or net operating loss carryforwards or
16 carrybacks resulting from such losses;

17 (6) If included in federal adjusted gross income, the
18 amount of any overpayment of income tax to Minnesota, or any
19 other state, for any previous taxable year, whether such
20 amount is received as a refund or credited to another
21 taxable year's income tax liability;

22 (7) The amount of any pension or benefit which is
23 excluded from gross income under the provisions of section
24 290.08, subdivision 6; ~~and~~

25 (8) The amount of compensation for personal services in
26 the armed forces of the United States or the United Nations
27 which is excluded from gross income under the provisions of
28 section 290.65; ~~and~~

29 (9) In the case of property acquired on or after
30 January 1, 1973, the amount of any credit to the taxpayer's
31 federal tax liability under section 38 of the Internal
32 Revenue Code of 1954, as amended through December 31, 1972 ;

1416

1 and

2 (10) The amount spent by an individual on wheelchairs,
3 artificial limbs, braces, walkers and crutches, lifts and
4 adaptive equipment, hand controls and hearing aids if the
5 individual requires these devices because of a permanent
6 handicapping condition .

7 (c) Modifications affecting shareholders of electing
8 small business corporations under section 1372 of the
9 Internal Revenue Code of 1954, or section 290.972 of this
10 chapter.

11 (1) Shareholders in a small business corporation, which
12 has elected to be so taxed under the Internal Revenue Code
13 of 1954, but has not made an election under section 290.972
14 of this chapter, shall deduct from federal adjusted gross
15 income the amount of any imputed income from such
16 corporation and shall add to federal adjusted gross income
17 the amount of any loss claimed as a result of such stock
18 ownership. Also there shall be added to federal adjusted
19 gross income the amount of any distributions in cash or
20 property made by said corporation to its shareholders during
21 the taxable year.

22 (2) In cases where the small business corporation has
23 made an election under section 1372 of the Internal Revenue
24 Code of 1954, but has not elected under section 290.972 of
25 this chapter and said corporation is liquidated or the
26 individual shareholder disposes of his stock and there is no
27 capital loss reflected in federal adjusted gross income
28 because of the fact that corporate losses have exhausted the
29 shareholders basis for federal purposes, such shareholders
30 shall be entitled, nevertheless, to a capital loss
31 commensurate to their Minnesota basis for the stock.

32 (3) In cases where the election under section 1372 of

1416

1 the Internal Revenue Code of 1954 antedates the election
2 under section 290.972 of this chapter and at the close of
3 the taxable year immediately preceding the effective
4 election under section 290.972 the corporation has a reserve
5 of undistributed taxable income previously taxed to
6 shareholders under the provisions of the Internal Revenue
7 Code of 1954, in the event and to the extent that such
8 reserve is distributed to shareholders such distribution
9 shall be taxed as a dividend for purposes of this act.

10 Items of gross income includible within these
11 definitions shall be deemed such regardless of the form in
12 which received. Items of gross income shall be included in
13 gross income of the taxable year in which received by a
14 taxpayer unless properly to be accounted for as of a
15 different taxable year under methods of accounting permitted
16 by section 290.07, except that (1) amounts transferred from
17 a reserve or other account, if in effect transfers to
18 surplus, shall, to the extent that such amounts were
19 accumulated through deductions from gross income or entered
20 into the computation of taxable net income during any
21 taxable year, be treated as gross income for the year in
22 which the transfer occurs, but only to the extent that such
23 amounts resulted in a reduction of the tax imposed by this
24 act, and (2) amounts received as refunds on account of taxes
25 deducted from gross income during any taxable year shall be
26 treated as gross income for the year in which actually
27 received, but only to the extent that such amounts resulted
28 in a reduction of the tax imposed by this act.

29 (d) Modification in computing taxable income of the
30 estate of a decedent. Amounts allowable under section
31 291.07, subdivision 1(2) in computing Minnesota inheritance
32 tax liability shall not be allowed as a deduction in

Messrs. Keefe, S.; Borden and North introduced--

S. F. No. 1417: Referred to the Committee on TAXES AND TAX LAWS

1 A bill for an act
2 relating to taxation; distributing certain gross
3 earnings taxes to local governments; appropriating
4 money; amending Minnesota Statutes 1974, Section
5 294.26; and Chapter 477A, by adding a section.
6 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:
7 Section 1. Minnesota Statutes 1974, Section 294.26, is
8 amended to read:
9 294.26 [DIVISION OF PROCEEDS OF TAX.] The proceeds of
10 the taxes collected under sections 294.21 to 294.28 shall be
11 distributed by the state treasurer, upon certificate of the
12 commissioner of revenue, to the general fund of the state
13 and to the various taxing districts in which such railway
14 operations are conducted, in the following proportions: ~~22~~
15 23 percent thereof to the city or town; ~~50~~ 54 percent
16 thereof to the school district; ~~22~~ 23 percent thereof to
17 the county; ~~six percent thereof to the state~~ . If such
18 railroad operation, or different steps therein, are carried
19 on in more than one taxing district, the commissioner shall
20 apportion equitably the proceeds of the part of the tax
21 going to cities or towns among such subdivisions, and the
22 part going to school districts among such districts, and the
23 part going to counties among such counties, upon the basis

1417

1 of attributing 40 percent of the proceeds of the tax to the
2 terminal facilities at each end of the railway line of a
3 taconite railroad company, and the remaining 20 percent
4 thereof to the railway trackage connecting such terminals,
5 and with respect to each such portion giving due
6 consideration to the relative extent of such portion of the
7 operation performed in each such taxing district. If any
8 part of such facilities are located outside the limits of
9 any organized city or town, 70 percent of the portion of the
10 tax which would be distributed to any such governmental
11 unit, if it existed and the facilities were located therein,
12 shall be added to the portion distributed to the school
13 district, and 30 percent thereof shall be added to the
14 portion distributed to the county in which such facilities
15 are located; also, if the amount otherwise distributable to
16 any city or town hereunder would exceed \$75 per capita of
17 the population thereof, the amount of such excess shall be
18 added to the portions distributed to the school district and
19 county in which such facilities are located in the
20 proportions above set forth. The commissioner's order
21 making such apportionment shall be subject to review by the
22 tax court at the instance of any of the interested taxing
23 districts, in the same manner as other orders of the
24 commissioner. The amount so distributed shall be divided
25 among the various funds of the taxing district in the same
26 proportion as the general ad valorem property tax thereof,
27 There is hereby appropriated to such persons, city,
28 town, school district, or county as are entitled to such
29 payment, from the fund or account in the state treasury to
30 which the money was credited, an amount sufficient to make
31 the payment authorized herein,

32 Sec. 2, Minnesota Statutes 1974, Chapter 477A, is

1417

1 amended by adding a section read:

2 [477A.03] [GROSS EARNINGS TAX REFUND.] Subdivision 1.
3 [TELEPHONE AND TELEGRAPH COMPANIES.] The commissioner of
4 revenue shall determine the amount of gross earnings tax
5 paid in the fiscal year ending June 30, 1974 by telephone
6 and telegraph companies pursuant to sections 295.32 to
7 295.36. He shall determine the amount of the tax to be
8 apportioned to each county in the state except that for this
9 purpose Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, and
10 Washington counties will be determined to be a single
11 county.

12 Telephone and telegraph gross earnings taxes shall be
13 apportioned to each county to the extent that the gross
14 earnings on which the tax is computed are from services
15 extended to customers within that county. The commissioner
16 may by rules and regulations prescribe the manner by which
17 the amount of services extended to customers is determined.

18 Subd. 2. [RAILROAD EXPRESS AND FREIGHT LINE
19 COMPANIES.] The commissioner shall determine the amount of
20 gross earnings tax paid in the fiscal year ending June 30,
21 1974 by railroad, express, and freight line companies
22 pursuant to chapter 295. He shall apportion the tax to each
23 county in the state except that for this purpose Anoka,
24 Carver, Dakota, Hennepin, Ramsey, Scott, and Washington
25 counties will be deemed to be a single county.

26 The tax shall be apportioned to each county in the
27 proportion that the number of acres of land within the
28 county exempt from ad valorem taxes in 1973 pursuant to
29 chapter 295, as it relates to railroad, express and freight
30 line companies, multiplied by the average market value per
31 acre of land within the county assessed as class 4 property
32 in 1973 under section 273.13, subdivision 9, bears to the

1417

1 aggregate value of that exempted land within the state.

2 Subd. 3. [DISTRIBUTION.] Each county's share of the
3 gross earnings tax as apportioned in subdivisions 1 and 2
4 shall be reduced proportionately by the amount of gross
5 earnings tax refunded to school districts in calendar year
6 1974 pursuant to section 124.28. The balance in each county
7 shall be distributed by the commissioner of revenue to the
8 taxing districts specified herein in three equal
9 installments on July 15, September 15, and November 15,
10 1976.

11 (a) In each county, except Anoka, Carver, Dakota,
12 Hennepin, Ramsey, Scott, and Washington counties, the county
13 government shall receive a percentage of the portion of
14 taxes apportioned to its county equal to the percentage
15 computed pursuant to section 477A.01, subdivision 2, for
16 purposes of distributing local government aid to the county
17 government in the calendar year 1976.

18 The balance of the distribution shall be divided among
19 the cities and towns in county's territory in the proportion
20 that the dollar amount of the levy limitation and the
21 special levies in each city or town for taxes payable in
22 1975 bears to the total dollar amount of the levy
23 limitations and special levies of the cities and towns in
24 the county for taxes payable in 1975. For this purpose, the
25 levy limitation of a city or town with statutory city powers
26 for taxes payable in 1975 shall be the limitation
27 established for that governmental unit pursuant to sections
28 275.50 to 275.56, as determined by the department of
29 revenue. The special levies of a city or town with
30 statutory city powers for taxes payable in 1975 shall be the
31 amounts of the governmental unit's tax levy payable in 1975
32 which the department of revenue determines to be qualified

1417

1 special levies pursuant to section 275.50, subdivision 5.
2 However, cities and towns under 500 population, according to
3 the latest state or federal census, shall receive
4 distributions based on their levies payable in 1975.

5 (b) In Anoka, Carver, Dakota, Hennepin, Ramsey, Scott,
6 and Washington counties, no county government shall receive
7 a distribution under this section. The entire amount
8 apportioned to these counties shall be divided among the
9 cities and towns within the seven counties in the proportion
10 that the dollar amount of the levy limitation and special
11 levies of each for taxes payable in 1975 bears to the dollar
12 amount of the levy limitation and special levies of all
13 cities and towns in the seven named counties. For the
14 purpose of this clause, the levy limitation of a city or
15 town with statutory city powers for taxes payable in 1975
16 shall be the limitation established for that governmental
17 unit pursuant to sections 275.50 to 275.56, as determined by
18 the department of revenue. For the purposes of this
19 subdivision, the special levies of a city or town with
20 statutory city powers for taxes payable in 1975 shall be the
21 amounts of the governmental unit's tax levy payable in 1975
22 which the department of revenue determines to be qualified
23 special levies pursuant to section 275.50, subdivision 5.
24 Furthermore, cities and towns with statutory city powers
25 under 500 population, according to the latest state or
26 federal census, and towns without statutory city powers,
27 shall receive distributions in 1976, pursuant to this
28 subdivision, based on their levies payable in 1975.

29 Subd. 4. [LEVY LIMIT BASE ADJUSTED.] If a county
30 government, city or township is subject to the provisions of
31 sections 275.50 to 275.56, the amount of distribution to the
32 taxing district pursuant to this section for 1976 or a

1417

1 subsequent year shall be deducted from the taxing district's
2 current levy year's levy limit base determined pursuant to
3 section 275.51, subdivision 3, in determining the taxing
4 district's levy limitation for taxes payable in 1976 or the
5 subsequent year.

6 Subd. 5. [DISTRIBUTIONS AFTER 1976.] The gross
7 earnings tax paid in the fiscal year ending June 30, 1975
8 and in each subsequent year shall be distributed in calendar
9 year 1977 and subsequent years in accordance with the
10 provisions of this section for distribution of gross
11 earnings tax in 1976, except that the appropriate data for
12 the relevant year shall be substituted into the formula.

13 Subd. 6. [APPROPRIATIONS.] There is hereby
14 appropriated from the general fund to the department of
15 revenue the amounts necessary to pay the distributions
16 provided in this act.

25 and control of the county board.

2 (L) The county shall have the authority to adopt and
3 enforce regulations for the preservation of public health
4 applicable to the whole or a part of the county, but no
5 county regulation may supersede higher standards established
6 by statute, the regulations of the state board of health, or
7 provisions of the charter or ordinances of a municipality
8 inside the county pertaining to the same subject. Nothing
9 in this subparagraph shall prohibit a municipality from
10 adopting ordinances or resolutions for the regulation of the
11 public health setting higher standards than those of the
12 state board of health, the county board, or state law.

13 (M) The health department shall cause all laws and
14 regulations relating to public health to be obeyed and
15 enforced inside its jurisdictional area.

16 (4) [FUNDING.] (A) The health department shall be
17 operated and maintained from funds appropriated for and fees
18 collected by the department together with the state,
19 federal, and private grants that are made available to it or
20 to any of the local governmental units in the county of
21 Ramsey for health purposes.

22 (B) The county shall annually prepare and approve a
23 budget of the department's proposed expenditures for the
24 ensuing fiscal year.

25 (5) [TRANSFER OF FUNCTIONS.] Upon assignment by the
26 county board of the responsibilities under paragraph (3),
27 the powers and duties of a department, board, agency,
28 governmental subdivision, or bureau whose powers and duties
29 have been placed in the health department shall end and its
30 records and personnel relating to the powers and duties are
31 transferred to the health department.

32 (6) [PERSONNEL.] (A) [HEALTH OFFICER.] The county shall

1422

1 appoint a health officer who shall be designated the

5 (B) [QUALIFICATIONS OF HEALTH OFFICER.] The health
6 officer must be a licensed physician experienced or trained
7 in public health administration, or instead a person, other
8 than a physician with training or experience in public
9 health administration. If the appointee is not a physician,
10 the county board shall provide, in addition, the services of
11 a licensed physician that are necessary on either a part
12 time or full time basis and provide reasonable compensation
13 therefor. The director of the department shall select
14 subordinate personnel subject to the approval of the county
15 board.

16 (C) [EMPLOYEES.] (1) Each person transferred to the
17 health department by this paragraph and each employee under
18 a merit system governing public employees is considered to
19 have qualified for a permanent position of similar class and
20 grade in the classified civil service of Ramsey county,
21 without reduction in pay or seniority, and without
22 examination. Each other person so transferred who is a full
23 time officer or employee shall take, within six months after
24 the organization of the health department, and subject to
25 civil service rules of Ramsey county, a noncompetitive,
26 practical, qualifying examination. The qualifying
27 examination may involve only the duties of the position
28 occupied immediately prior to the organization of the health
29 department or the position occupied on the date the
30 examination is given, whichever examination the officer or
31 employee elects to take. If a person taking the qualifying
32 examination possesses the ability and capacity that enables

1422

1 him to perform the duties of the position for which he is
2 examined, in a reasonably efficient manner, he shall be
3 given a permanent civil service status in the Ramsey county
4 civil service. A person who willfully refuses to take the
5 examination when offered without reasonable excuse shall be
6 removed from his position immediately. A person taking the
7 examination who fails to pass shall be removed from his
8 position at the end of 60 days after receipt of notice of
9 failure to pass. A person required to take a qualifying
10 examination shall not be laid off, suspended, discharged, or
11 reduced in pay or position except in accordance with the
12 provisions of laws applicable to members of the classified
13 Ramsey county civil service having civil service status
14 until he has completed the qualifying examination and has
15 been notified of the result thereof.

16 (ii) A part time officer or employee of a department,
17 board, agency, governmental subdivision or bureau whose
18 powers and duties are placed in the health department may be
19 transferred upon the organization of the health department
20 and may become officers or employees thereof.

21 (7) [RESOLUTION, APPROVAL.] No resolution adopted by
22 the board of county commissioners of Ramsey county
23 establishing a county health department is effective inside
24 each of the following governmental units unless approved by
25 the governing body of the particular unit, namely: city of
26 Saint Paul; city of White Bear Lake; villages of Arden
27 Hills, Blaine, Falcon Heights, Gem Lake, Little Canada,
28 Lauderdale, Maplewood, Mounds View, New Brighton, North
29 Oaks, North Saint Paul, Roseville, Saint Anthony, Shoreview,

2 service presently existing shall not be discontinued unless
3 the discontinuance is approved by two-thirds of the
4 governing bodies of the governmental units listed in
5 paragraph (7) of this subsection.

6 (9) [PAYMENT FOR SERVICES.] No governmental unit listed
7 in paragraph (7) shall pay for any services provided by this
8 subsection until its governing body has approved the
9 resolution as provided in paragraph (7).

10 (10) [CITY HEALTH DEPARTMENTS; FUNCTIONS.] None of the
11 functions of the presently-existing city health departments
12 in the county of Ramsey may be abandoned by the county
13 health department without proper provision for the exercise
14 of the function by some agency of government.

15 (d) [AMBULANCE SERVICE.] (1) [LIMITED TO REQUESTING
16 MUNICIPALITIES.] If the county of Ramsey, or an agency or
17 department thereof, establishes an emergency ambulance
18 service, the cost of operating and maintaining the service
19 shall be a charge only against the real and personal
20 property located inside those villages, cities or towns
21 inside the county which by resolution of its governing body
22 request the service.

23 (2) [SERVICE CHARGE.] If an emergency ambulance service
24 as provided under the above paragraph is provided in a
25 village, city or town in which the real and personal
26 property is not charged for the cost thereof, then a
27 reasonable charge for the service shall be made of the
28 benefited person.
