## **SECTION 1. Copayment Schedule**

### **Federal Poverty Guidelines Change**

The SFY07 Copayment Schedules have been updated to reflect the most current federal poverty guidelines. The federal poverty guidelines, as published in the Federal Register on February 24, 2006, were used to develop these schedules. The new copayment schedule is effective July 1, 2006 and must be implemented at or before the participant's next eligibility redetermination. Eligibility must be redetermined at least every six months. The copayment schedule published in the Department of Human Services (DHS) bulletin #05-68-15 will remain in effect until the new schedule is fully implemented.

### **All Cases**

The new Child Care Assistance Program (CCAP) monthly copayment schedule is included as Attachment A. The new biweekly copayment schedule is included as Attachment B. These schedules apply to both MFIP and non-MFIP families and are based upon the 2006 federal poverty guidelines.

Annual income must be calculated using the definition of income in Minnesota Statutes, section 119B.011, subdivision 15 and Minnesota Rules, part 3400.0170. When application of the new copayment schedule results in an adverse action, counties shall follow the notice period requirements in Minnesota Rules, part 3400.0185 to provide notice to parents and providers and to avoid overpayments. These requirements are included in the CCAP Policy Manual, at Chapters 1 and 4.

NOTE: The biweekly copayment amounts do not convert exactly to the monthly copayment amounts. The differences are due to the use of rounding in the formulas to establish copayment amounts in whole dollars.

### **For cases not converted to the Minnesota Electronic Child Care Information System (MEC<sup>2</sup>)**

Counties with cases that have not been converted to MEC<sup>2</sup> are allowed to continue using monthly copayment schedules (Attachment A), or can choose to use biweekly "service period" copayment schedules (Attachment B). If a county chooses to use the biweekly copayment schedule, their current Child Care Fund Plan must reflect this policy and the biweekly "service period" copayment schedule must be used for all families in the county. Counties shall apply the appropriate copayment fee schedule to new child care assistance applications received on or after July 1, 2006 that are not entered into MEC<sup>2</sup> and to existing non-MEC<sup>2</sup> cases at the time of redetermination or reported change on or after July 1, 2006.

### **For cases converted to MEC<sup>2</sup>**

MEC<sup>2</sup> will apply the biweekly copayment schedule (Attachment B) to determine the family copayment at the time of redetermination or reported change on or after July 1, 2006 and for all new cases entered into MEC<sup>2</sup> beginning July 1, 2006. Additional details about system implementation of the new copayment schedules will be communicated directly from DHS staff to system users.

**Counties with cases existing in Child Care Management Application (CCMA)**

DHS will send information about CCMA implementation of the new copayment schedules directly to counties that use CCMA.

**SECTION 2. At-Home Infant Child Care Program (AHIC)**

For clients participating in AHIC, changes to payments due to the copayment schedule changes are effective July 1, 2006. For increases in the AHIC subsidy adjust the monthly subsidy for participants in the AHIC program by September 15, 2006. Decreases in benefits must be made with appropriate notice of adverse action as required by Minnesota Rules, part 3400.0185, subpart 3.

The 2007 maximum child care provider rates, effective July 1, 2006, will be announced in a separate DHS Bulletin. Changes to copayments and rates should be considered when reviewing payment amounts for AHIC families.

**Counties must review all current AHIC approvals for time periods after July 1, 2006, and submit all revised funding requests on the “Request for At-Home Infant Child Care Funds” (DHS-4172-ENG – see link below) form for approval to DHS by September 15, 2006. Please write “Rate Change Revision” in the comment box.**

<http://edocs.dhs.state.mn.us/lfserver/Legacy/DHS-4172-ENG>

**DHS will eliminate the AHIC waiting list on July 1, 2006 and all eligible families will be added to the program. DHS will contact county staff for completion and processing of the forms needed to add the waiting list families to the AHIC program. Counties will continue to be required to submit all AHIC funding requests to DHS for approval, but can begin submitting requests now for services beginning on or after July 1, 2006.**
