Changes to DHS BRASS Manual for Calendar Year 2019

TOPIC

Budgeting, Reporting and Accounting for Social Services (BRASS) Manual
for calendar year (CY) 2019.

PURPOSE

To inform county and tribal staff of a CY 2019 valid BRASS Code change
and change to the BRASS manual. This bulletin replaces #17-32-19
(October 5, 2017).

CONTACT

Please direct questions according to the topic area as follows:

BRASS Codes and definitions: Heide Moris, (651) 431-5938, or
heide.moris@state.mn.us

BRASS accounting, SEAGR Report (DHS-2557) and other financial
reporting: Julie Spurgeon, (651) 431-3782, or
julie.spurgeon@state.mn.us

SIGNED

NIKKI FARAGO
Assistant Commissioner

CHARLES E. JOHNSON
Deputy Commissioner

TERMINOLOGY NOTICE

The terminology used to describe people we serve has changed over
time. The Minnesota Department of Human Services (DHS) supports the
use of "People First" language.

I. INTRODUCTION

The bulletin alerts agencies about changes to BRASS codes and their service definitions for calendar year 2019.

II. BACKGROUND

The Social Services Information System (SSIS) uses BRASS codes as the basis for tracking county social service activity. BRASS looks at the characteristics of the service rather than the characteristics of the client or the funding source. The BRASS Code is a five (5)-digit number (three major digits and two optional), and each digit means something:

First digit stands for Program Area.

Second digit stands for Service Category.

Third digit identifies a specific service.

Fourth and fifth digits are free for agency use (to track detail at agency option).

For most applications, the BRASS Code is used as the Service Code to represent the service provided. These are the codes for completing the quarterly fiscal SEAGR Report.

For a full explanation and history of BRASS codes, please refer to the 2015 BRASS Manual Background and Technical Information guide that can be found on CountyLink under the Fiscal Reporting & Accounting tab under Financial Operations Division Bulletins.

The changes in this bulletin list the current BRASS codes and their service definitions. This manual is effective January 1, 2019.

SUMMARY OF CHANGE(S)

One (1) new BRASS code added for CY 2019.

172x Child Co-Located with Parent in a Family-Based Residential Substance Use Disorder (SUD) Program

No (0) BRASS codes are being deleted for CY 2019.

Americans with Disabilities Act (ADA) Advisory

This information is available in accessible formats for people with disabilities by calling (651) 431-3725 (voice) or toll free at (800) 627-3529 or by using your preferred relay service. For other information on disability rights and protections, contact the agency's ADA coordinator.

SECTION B:

BRASS SERVICE DEFINITIONS

DEFINITIONS FOR CHILDREN'S SERVICES

Included in this list are those codes that are specific to this program area. New definition language for CY 2019 is shown in **bold** type.

101x Information and Referral

Provision of information to individuals on social and human services, and assistance in making contact with a resource that can respond to their needs or problems.

102x Community Education and Prevention

Activities designed to educate the general public or special high-risk target individuals and their families about problems associated with mental illness, chemical dependency, developmental disabilities, child maltreatment, or other social problems. The goals are to increase the understanding and acceptance of these problems, increase awareness of the availability of resources and services, and improve people's skills in dealing with high-risk situations.

104x Child Protection Investigation

All activity by the local social service agency from the time a report alleging child maltreatment (abuse or neglect under Minnesota Statutes, section 626.556) is accepted for investigation until the determination is made. The investigation determines whether maltreatment occurred, and whether child protective services are needed. This includes purchased services that aid the agency in conducting the investigation.

Activities include checking records, coordinating with law enforcement staff, working with the county attorney's office or juvenile court personnel, observing and interviewing children, interviewing parents or other caretakers of children, collateral contacts, assessing risk, and documenting these activities, including filing complete statistical data for DHS. It may also include developing a child protective service plan with the family.

105x Assessment for Long-Term Services and Supports

An assessment to assist persons with long-term or chronic care needs to make decisions about how to meet their goals, preferences and needs by selecting long-term service and support options. The assessment and support planning are intended to prevent or delay institutional placements and to provide access to transition services to move from institutions. The assessment is available to any person regardless of age, disability, income, assets or referral source. Determining whether specialized services are needed is the function of the OBRA Level II Evaluation and is not part of Assessment for Long-term Services and Supports.

Note: For (OBRA) Omnibus Budget Reconciliation Act Level II Evaluation use codes 408x or 505x.

106x Parent Support Outreach Assessment

The Parent Support Outreach Program is for families where a child maltreatment report has been made about the family and the report has been screened out. The program is also available when a family self-refers or is referred by a community agency. The program is voluntary on the part of families and is intended to provide early intervention services to address the needs of families at risk of child maltreatment. Activities include: reviewing child maltreatment reports and other referrals for eligibility for the Parent Support Outreach Program, documenting child maltreatment risk factors present in the report, contacting the family to offer services, and completing a strength and needs assessment with the family.

Note: To be used only by Parent Support Outreach Services program.

107x Child Welfare Assessment

Activities conducted by county staff to determine a child's need for child welfare services. The assessment includes appraisal of individual conditions, problems, strengths and needs. The child welfare assessment may determine that a child protection assessment is warranted, and may also include the pre-placement review mandated under Minnesota Statutes, section 260C.201, subdivision 3. This includes purchased services that aid the agency in conducting the assessment.

108x Family Assessment Response

All activity by the local social service agency from the time a child maltreatment report is screened into the Family Assessment Response track until the family assessment is completed. Family assessments are holistic and result in an assessment of child safety, child maltreatment risk level, and family needs and strengths. Activities include interviewing families, assessing immediate safety concerns and developing a safety plan if needed, completing a child maltreatment risk assessment, identifying family needs and strengths, and developing a service plan if indicated by the family assessment. Additional activities include connecting families to community resources and supports.

109x Concurrent Planning Assessment

Concurrent Permanency Planning is for a child in foster care pursuant to a court order or voluntary placement under Minnesota Statutes, section 260C.227 for more than 60 days. Concurrent permanency planning involves assessing the parent's capacity to parent through identifying their strengths and deficits, and gathering information about their physical, social, mental health and intellectual functioning, including the use of mood altering chemicals and exposure to domestic violence. It also involves gathering information about the child's needs that include reviewing the placement history, developmental achievements, medical, mental health and developmental screenings.

111x Mental Health Screening

Service designed to identify children who are at risk of needing mental health services. This service is mandated for children in the child welfare system (ages 3 months up to 18 years) who:

- Receive child protective case management services or
- Are in guardianship and adoption case management and parental rights have been terminated or
- Are in out-of-home placement for 30 days or more and are not in a children's mental health work group in the Social Services Information System (SSIS).

Note: This service also includes non-mandated Children's Mental Health screenings.

115x Interpreter Services

Language interpreting services by a qualified language interpreter to ensure accurate communication with non-English speaking persons, or the provision of oral or tactile interpreting services by a qualified sign language interpreter to ensure communication with persons who are deaf, hard of hearing, or deaf-blind.

116x Transportation

Provision of travel and escort to and from community resources and facilities. This might include transit cards, mileage reimbursement, and taxis.

118x Health-Related Services

Services include in-home or out-of-home services or activities designed to assist individuals and families to attain and maintain a favorable condition of health. Examples are home health or nursing services, home health therapies, behavior programming, cognitive therapy, psychological testing and explanation of findings, occupational, physical, and speech therapies. Excluded are home health aide and personal care assistant that have separate codes.

Note: The services of a home health aide and personal care assistant should be coded under 124x.

119x Court-Related Services and Activities

Court-related services include custody studies, mediation, supervised visitation, and court-ordered home studies and other court-ordered services and activities. Activities include court appearances and preparation for court such as document preparation and consultation with the county attorney's office, law enforcement and other investigatory agencies.

121x Legal Services

Assistance in resolving civil legal matters and the protection of legal rights.

124x Home-Based Support Services

Services designed to support and maintain children in the home. Services include medically-oriented tasks prescribed by a physician, supervised by a registered nurse, and written in a plan of care. These services provide training or support to caregivers or children with disabilities. Home-based support services also include non-medical care, supervision, and oversight provided to a caregiver for a child with a disability with such tasks as meal preparation, laundry and shopping that are not performed as discrete tasks.

125x Homemaking Services

The provision or teaching of home management skills to individuals and families by a trained homemaker when the individual usually responsible for those activities is temporarily absent or unable to manage the home and care for themselves or others in the home.

135x Family Support Grant Program

A grant program that provides funds for a family caring for their child up to 21 who has a disability requiring an institutional level of care. The grant program is for the purpose of purchasing items and services that assist the family to maintain the child in the home. Examples of these items and services are respite care, equipment to modify a home or a vehicle, and family and individual counseling.

136x Consumer Support Grant

The Consumer Support Grant (CSG) is a state funded alternative to such Medicaid reimbursed services as personal care assistant, private duty nurse, or home health aide allowing flexibility in support services to be provided in the home of the recipient. The county providing these services must be enrolled with DHS as a CSG county prior to enrolling consumers.

139x Educational Assistance

The provision of education or training unrelated to employment, for individuals with school adjustment problems in need of special education assistance.

141x Environmental Accessibility Adaptations, Specialized Supplies and Equipment

Specialized supplies and equipment (CAC, CADI, BI only)

Devices, controls, or appliances, specified in the service plan, that enable participants to increase their ability to perform activities of daily living, or to perceive, control, or communicate

with their environment. This service also includes items necessary for life support, ancillary supplies and equipment necessary to the proper functioning of such items, and durable and non-durable medical equipment that are not covered under the state plan.

Environmental Accessibility Adaptations

Physical adaptations to the participant's home or primary vehicle, required by the participant's service plan, that are necessary to ensure the health and safety of the participant or enable the participant to function with greater independence in the home, and, without which, the participant would require institutionalization. Modifications may include the installation of ramps and grab-bars, widening of doorways, and bathroom modifications. This service also covers assessments, installation, maintenance and repairs if they are more cost-effective than replacement.

144x Housing Services

Services designed to help individuals obtain, maintain, improve or modify existing housing. These can include the direct payment to a landlord for part of the rent, partial utility costs, rent during psychiatric crisis or hospitalization, deposits on housing and utilities, furnishings and supplies, installation costs for utilities, or storage and moving costs.

145x Social and Recreational

Opportunities for personal growth and development which enable individuals to participate in age and culturally-appropriate recreational and leisure time activities that maintain physical and mental vitality. These may include supervision and assistance to a child in accessing community services and participating in community activities.

146x Adolescent Life Skills Training

Individual or group services designed to assist SELF-eligible youth, ages 14 up to 21, to prepare for independent living and a successful transition to adulthood. Services include an independent living skills assessment and the development of an independent living plan by a case manager. Other services may include training in daily living skills, service coordination, educational and career assistance, transportation, permanent connections, and the funding of activities that promote self-reliance, self-esteem, and normalcy. Funds can be used to pay room and board costs which include damage deposits, rent subsidies, utility and phone hook-up charges for youth leaving placement after age 18.

147x Independent Living Skills

Services that develop and maintain the community living skills and community integration of a person. Independent Living Skills (ILS) must be provided in a person's home and/or community setting typically used by the general public. Of the waivers, this applies to CADI and BI only.

- 155x Individual Counseling
- Application of goal-directed therapeutic processes for personal, family, situational, or occupational problems to provide a positive resolution or improved acceptance in a face-to-face or telephone communication with an individual client. Included is individual counseling for a family member of a child receiving CAC/CADI/BI Family Support Services on issues pertaining to medical care and treatment as stated in the care plan where the purpose of the counseling is to maintain the child in the home.
- 156x Group Counseling
- Application of therapeutic processes for personal, family, situational, or occupational problems in order to provide positive resolution or improved acceptance in a face-to-face setting with a group or family. Included is counseling for the family of a child receiving CAC/CADI/BI Family Support Services on issues pertaining to medical care and treatment as stated in the care plan where the purpose of the counseling is to maintain the child in the home.
- 158x Approved Pilot Projects
- Innovative services, not otherwise specified in BRASS codes, approved by DHS as part of a pilot program under grant or contract.
- 161x Family-Based Crisis Services
- Services to a family in the home, within 24-hours of referral, to help the family resolve a relationship crisis to prevent placing a child outside of the home.
- 162x Family-Based Counseling Services
- Services to a family in the home followed with additional, limited services in an outside setting, if needed, to help the family resolve personal, family or situational problems. These services are provided to prevent placement of a child outside of the home or so that a child can be returned home from placement.
- 163x Family-Based Life Management Skills Services
- Services to a family in the home or in a service provider's home including: teaching family parenting skills, consumer education, money management, communication and home management skills to prevent placement of a child outside of the home or so that a child can be returned home. This service includes an adult parent living with their children in a family foster home setting; and may be referred to as whole family foster care.

164x Family Assessment Response Services

Services designed to support families in their efforts to keep children safe and nurtured. Services include providing training or counseling supports for parents and children; emergency basic needs; stable housing and living conditions; activities that enhance parent/child interactions, increase self-sufficiency and reduce or eliminate child maltreatment risk factors.

165x Services for Concurrent Permanency Planning

Services designed to remedy the conditions that led to the child being placed out of the care of the parent, including the provision of any services identified in the out-of-home placement plan. It also includes activities related to placing the child with a permanency resource family, including special services or support provided to the family to maintain the child in the home. Other activities included are full disclosure, finding relatives and assessing relatives for referral for foster care licensing or possible permanent placement, and supervised visitation.

166x Family Group Decision Making

A decision-making process that allows the family to develop a care and protection plan to ensure child safety or to plan for permanency and reunification. The Family Group Decision Making process includes preparation for the family meeting, facilitation of the family meeting, plan development and post meeting activities. Services included are those involved with the preparation and facilitation of the family meeting. Social services required by the plan itself are not included under this code.

167x Parent Support Outreach Services

Services to families designed to reduce or remove barriers to child safety, family and child well-being. Service decisions are based on the needs assessment of the family, and the family's interest in specific services. Service options include case management, counseling, therapy, education, and activities that enhance parent/child interaction. Also included is the provision of basic needs of food, clothing and shelter.

Note: To be used only by Parent Support Outreach Services program.

171x Child Shelter

Services provided in a group residential facility for time-limited placements of 90 days or less to children who are in immediate need of short term, time-limited, out-of-home placement until a plan of care is established. An out-of-home placement plan must be completed by the county or tribe within 30 days of the initial placement. This code includes children who are receiving shelter care in a licensed family foster facility or a residential setting and includes the initial 60-day clothing allowance.

Note: If provided in a licensed family foster home, use Child Family Foster Care (181x).

- 172x** **Child Co-Located with Parent in a Family-Based Residential Substance Use Disorder (SUD) Program**
- 24 hour-a-day care of a child following placement by a county or tribe with legal responsibility pursuant to a court order or voluntary placement agreement in a licensed SUD treatment program with the child's parent, where the parent is receiving residential SUD treatment services.**
- The treatment program must provide trauma informed substance abuse treatment, parenting skills training, parent education, individual and family counseling under the organizational structure.**
- The recommendation for this placement must be specified in the child's case plan before the placement. This service provides for the child's food, clothing and daily supervision, school supplies and child's personal incidentals. It also includes reasonable travel for the child to remain in the school in which the child is enrolled at the time of placement. This brass code does not include the cost of the parent's care and treatment services.**
- 175x** **Northstar Kinship Assistance**
- Northstar Care for Children permanency benefits paid on behalf of children and youth where the court has ordered a transfer of permanent legal and physical custody to a relative. Such benefits include age-determined basic payments and may include supplemental difficulty of care payments as determined by an assessment of the young person's needs and how the caregiver(s) meet(s) some or all of those needs.
- 178x** **Northstar Adoption Assistance**
- Northstar Care for Children permanency benefits paid on behalf of children and youth who have been adopted. Such benefits include age-determined basic payments and may include supplemental difficulty of care payments as determined by an assessment of the young person's need and how the caregiver(s) meet(s) some or all of those needs.
- 180x** **Treatment Foster Care**
- Treatment foster care serves children and youth whose special needs put them at risk of placement in a more restrictive setting. Treatment foster care may be provided to children with severe emotional disturbance, developmental disabilities, or who have a serious behavior problem or serious medical condition. This care is provided in a 24-hour-a-day setting following placement of a child away from their parent(s), by a county, tribe, or a licensed child-placing agency with legal responsibility pursuant to a court order or voluntary placement agreement and where a county or American Indian Child Welfare Initiative tribe has financial responsibility.
- This care is provided in family foster homes licensed under Minnesota Rules, parts 2960.3000 to 2960.3100, foster residences (corporate foster care) settings that meet the additional requirements in parts 2960.3200, treatment foster care that meet requirements of parts

2960.3300 to 2960.3340, and family foster homes licensed or approved by a tribe. This may include the initial 60-day clothing allowance.

181x

Child Family Foster Care

The 24-hour-a-day care of a child following placement by a county, tribe, or a licensed child-placing agency with legal responsibility pursuant to a court order or voluntary placement agreement and where a county or American Indian Child Welfare Initiative tribe has financial responsibility. Foster care is provided to a child or children when unaccompanied by a parent or guardian as a substitute for care, food, lodging, training, education, supervision, or treatment needed that cannot be furnished by a child's parent or guardian in the child's home. This care is provided in family foster homes licensed under Minnesota Rules, parts 2960.3000 to 2960.3100, foster residences (corporate foster care) settings that meet the additional requirements in parts 2960.3200, and family foster homes licensed or approved by a tribe. Foster care includes an emergency placement of a child in the home of a relative who has not yet completed the licensure process and extended foster care for youth, age 18 up to 21 who reside in a family foster home. This may include the initial 60-day clothing allowance.

Note: For extended foster care in a supervised independent living setting, use Supervised Independent Living (188x).

Note: If respite care is provided in a licensed family foster home or facility, use Respite Care (189x).

Note: For residential care use one of the following: Children's Group Residential Care (183), Correctional Facilities (185), Detention (186) or Children's Residential Treatment (483) as the facility applies to the child's placement.

182x

Relative Custody Assistance

A program to financially support the permanency of a child through a transfer of permanent legal and physical custody to a relative. Prior to the transfer, a county or tribal social service agency had custody of the child while in out-of-home placement, the child could not return home, and the permanency disposition was consistent with Minnesota Statutes, section 260C.513 (a) or tribal equivalent. To be eligible, the child must either be a member of a sibling group that is to be placed together, or else have a physical, mental, emotional, or behavioral difficulty that requires financial support. For eligible children, the support consists of a financial benefit supplementary to benefits available through the Minnesota Family Investment Program (MFIP). Although paid to the relative custodian(s), the benefit is considered to be the child's income.

183x

Children's Group Residential Care

Provision of substitute 24-hour care in a licensed facility (Minnesota Rules, parts 2960.0130 – 2960.0220) which provides services for a group of children who are unable to live in their own homes. The goal is to provide experiences and conditions that promote normal growth,

development, and access to therapeutic services to enhance individual or family functioning. Services may emphasize peer relationships with the goal of facilitating reunification or transition to independent living. This service includes the initial 60-day clothing allowance.

Note: If shelter care is provided in a group residential setting, use Child Shelter (171x).

Note: If respite care is provided in a group home residential setting, use Respite Care (189x).

Note: If provided with Mental Health Certification use 483x – Children's Residential treatment.

185x

Correctional Facilities

A program of intervention and care for children in a group residential setting licensed or certified as a correctional facility. This service includes the initial 60-day clothing allowance.

186x

Detention

A licensed residential program offering temporary care to an alleged delinquent youth with new charges or an adjudicated delinquent with new charges who is at least 10 years old, but younger than 21 years old. The youth is on pre-dispositional status and is held in a detention facility pending court action.

188x

Supervised Independent Living (18 up to 21)

Residential service for youth ages 18 up to 21 while transitioning from foster care to independence, provided with an appropriate level of supervision and assistance for the youth's individual needs in accordance with an independent living plan developed with the youth. Appropriate settings include host homes, shared housing, apartments, and college dormitories for youth attending post-secondary educational programs. Room and board costs paid for under this service may include damage deposits, rent subsidies, and utility installation charges. This also includes any increased benefit to the foster youth as a result of having responsibility for his or her child who resides with the youth. Youth who receive this service are required to participate in monthly face to face contacts and case management.

Note: This service is intended for room and board costs when providing extended foster care services to youth who are capable of living independently in the community with varying degrees of agency supervision.

Note: If SELF (non-residential services) use 146 – Adolescent Life Skills Training.

189x

Respite Care

Short-term care provided to individuals due to the temporary absence or need for relief of those persons normally providing the care. Respite care may be provided during the day or overnight in the individual's home or in an out-of-home setting from one hour to several days. This includes crisis nursery services and respite provided in a foster home.

Note: If respite is provided in a foster home, code the activity Respite Care (189x). If a child is assessed to be SED, use Child Respite Care (489x).

191x CAC/CADI/BI Case Management

A systematic process of ongoing assessment, planning, referral, service coordination, monitoring, consultation and advocacy assistance through which multiple service needs of clients are addressed to promote the securing of appropriate services.

192x Family Assessment Case Management

A systematic process through which a family's multiple needs are addressed. This process involves ongoing assessment, planning, referral, service coordination, and monitoring. This includes consultation and advocacy assistance to secure appropriate services and resources.

193x General Case Management

A systematic process of ongoing assessment, planning, referral, service coordination, monitoring, consultation and advocacy assistance through which multiple needs of clients are addressed. It also includes exercising legal consents issued by the commissioner or delegated to the local social service agency to ensure the emotional, health, educational, vocational or other needs, and racial and familial identity of the commissioner's wards.

194x Relocation Service Coordination (RSC) - Targeted Case Management

Relocation service coordination services are provided for relocating persons who reside in institutions to the community. This assistance includes developing and implementing a relocation plan, arranging for additional assessments to help ensure access to needed community services, coordination of referrals, securing vendors, housing and other needed services.

196x Adoptions & Kinship

Services provided in support of adoption and transfers of permanent legal and physical custody. This includes services to children without legally responsible parents that will secure a social and legal family membership. It also includes services provided to legal parents making an adoptive plan for their child. It includes services to children whose permanency plan is to undergo a transfer of permanent legal and physical custody (TPLPC) to a relative. It includes appropriate home selection, placement and post-placement supervision, and studies on petitions referred by courts. It also includes post-permanency services for minors and their adoptive parents or relative custodians, services provided to adopted adults seeking information about their history or birth parents, and Northstar Care commissioner transitions.

Note: If paying for Northstar Kinship Assistance, use service code (175x).

Note: If paying for Northstar Adoption Assistance, use service code (178x).

197x Local Collaborative Undifferentiated Services

Services, supports and interventions provided to children and their families as a collaborative activity of a Family Services Collaborative (FSC), a Children's Integrated Mental Health Fund (ChIMHF), or an Interagency Early Intervention Committee (IEIC). This includes revenues and attendant expenses that flow through county social service agency to collaboratives to fund services.

198x Licensing and Resource Development

Licensing of foster homes and various recruitment and development activities to ensure that needed services and resources are available, including recruitment of foster and adoptive parents, studies of potential adoptive homes, and training foster and adoptive parents.

DEFINITIONS FOR CHILD CARE

Included in this list are those codes that are specific to this program area. New definition language for CY 2019 is shown in **bold type**.

201x Information and Referral

Provision of information to individuals on social and human services, and assistance in making contact with a resource that can respond to their needs or problems.

202x Community Education and Prevention

Activities designed to educate the general public or special high-risk target groups about problems associated with mental illness, chemical dependency, developmental disabilities, child welfare, or other social problems. The goal is to increase the understanding and acceptance of these problems, increase awareness of the availability of resources and services, and improve skills in dealing with high-risk situations.

211x Basic Sliding Fee Child Care

The care of a child by someone other than a parent, stepparent, legal guardian, or eligible relative caretaker, or their spouse, in or outside of the child's home for gain or otherwise, on a regular basis, for any part of a 24-hour day. Included are families participating in the Portability Pool program. Families receiving assistance with child care costs must be engaged in employment, job search, or education leading to employment, and may not be participating in the MFIP, Diversionary Work Program, Transition Year Child Care or Transition Year Extension Programs. Payment must be made to the provider except when the care is provided in the child's home, then payment is made to the parent. Funding comes from federal, state and county sources.

Note: This code is only for actual child care. Time spent by county staff to arrange child care is coded to General Child Care Case Management (293x).

212x Minnesota Family Investment Program (MFIP) Child Care

The care of a child by someone other than a parent, stepparent, legal guardian, eligible relative caretaker, or their spouse, in or outside of the child's home for gain or otherwise, on a regular basis, for any part of a 24-hour day. MFIP or Diversionary Work Program families must be participating in authorized activities which include: orientation, assessments, job search, job support, employment, employment and training, or social services approved in an employment or job search plan, or attendance at an appeal hearing. MFIP or Diversionary Work Program families who are working or in a job search and have received MFIP assistance in at least three of the last six months prior to their case closing, may be eligible for Transition Year benefits. Families receiving assistance with child care costs under Transition Year or Transition Year

Extension programs must be engaged in employment or job search. Payment must be made to the provider except when the care is provided in the child's home, then payment is made to the parent. Funding comes from state and federal sources.

Note: This code is only for actual child care. Time spent by county staff to arrange child care is coded to General Child Care Case Management (293x).

214x Other Child Care

The care of a child by someone other than a parent or legal guardian in or outside of the child's home for gain or otherwise, for any part of a 24-hour day, not funded by Basic Sliding Fee or MFIP child care as authorized by the county social services agency.

Note: This code is only for actual child care. Time spent by county staff to arrange child care is coded to General Case Management (293x).

237x Statewide MFIP Employment Services

Services provided to assist MFIP participants to become employed or self-sufficient. These mandatory and supportive services include service coordination and case management functions, consultation and advocacy services, and activities associated with obtaining a job such as on-the-job training, work experience, educational activities, functional work literacy, and transportation assistance.

258x Approved Pilot Projects

Innovative services, not otherwise specified in BRASS codes, approved by DHS as part of a pilot program under grant or contract.

293x General Child Care Case Management

A systematic process of ongoing assessment, planning, referral, service coordination, monitoring, consultation and advocacy assistance through which multiple service needs of clients are addressed.

298x Licensing and Resource Development

Licensing of family day care homes or the in-home certification of day care providers and various recruitment and development activities directed toward ensuring that needed services and resources are available.

DEFINITIONS FOR CHEMICAL HEALTH SERVICES

Included in this list are those codes that are specific to this program area. New definition language for CY 2019 is shown in **bold type**.

301x Information and Referral

Provision of information to individuals on social and human services, and assistance in making contact with a resource that can respond to their needs or problems.

302x Community Education and Prevention

Activities designed to educate the general public or special high-risk target groups about problems associated with mental illness, chemical dependency, developmental disabilities, child welfare, or other social problems. The goal is to increase the understanding and acceptance of these problems, to increase awareness of the availability of resources and services, and to improve skills in dealing with high-risk situations.

305x Rule 25 Assessment/Rule 24 Financial Eligibility Determination

Provision of assessment by qualified county staff or their designees, using the current DHS approved Rule 25 Assessment form to determine clinical eligibility for publicly paid substance use disorder (SUD) treatment. It also includes activities to determine a client's Medicaid eligibility or current income and household size, current enrollment in a state prepaid health care plan, and availability of third party payer, to establish financial eligibility for the Consolidated Chemical Dependency Treatment Fund (CCDTF) to pay for the appropriate SUD treatment. The assessment process is further defined in Minnesota Rules, parts 9530.6600 to 9530.6655 (Rule 25), and the financial determination requirements are further defined in Minnesota Rules, parts 9530.7000 to 9530.7031 (Rule 24).

309x Pre-Petition Screening/Hearing

Investigation prior to a commitment hearing which includes a personal interview with the proposed patient or others knowledgeable about the condition of the proposed patient; identification and investigation of the alleged conduct which is the basis for the application; preparation of a report to the county attorney listing reasons for rejecting or recommending alternatives to involuntary placement; and attendance and participation at hearings or commitment proceedings. This service must meet standards specified in the Minnesota Commitment Act (Minnesota Statutes, section 253B.07, subdivision 1).

316x Transportation

Provision of travel and escort to and from community resources and facilities.

- 317x Detoxification Transportation
Transportation of persons in need of detoxification services to local detoxification programs.
- 336x Supportive Services
Education provided to family members of a client receiving substance use disorder treatment. This is an adjunct service to family members of an active client and is not provided as part of the treatment services.
- 352x Outpatient Treatment
A nonresidential program licensed according to Minnesota Rules, parts 9530.6405 to 9530.6505 that provides group and individual substance use disorder treatment.
- 354x Medication Maintenance
Administering of medications that act as a deterrent to the use of abuse-prone substances, e.g., Antabuse or methadone maintenance.
- 358x Approved Pilot Projects
Innovative services, not otherwise specified in BRASS codes, approved by DHS as part of a pilot program under grant or contract.
- 359x Consolidated Chemical Dependency Treatment Fund (CCDTF)
Services funded with CCDTF include DHS-licensed treatment for nonresidential, residential, medication maintenance and medication assisted therapy services. Use of public funds for payment of substance use disorder treatment is provided to eligible clients in licensed treatment facilities that are enrolled as Minnesota Healthcare Providers.
- 369x Aftercare
Non-treatment support services for individuals and significant others following completion of formal substance use disorder treatment.
- 370x Chemical Dependency Shelter
A short-term residential protective setting for adults who are chemically dependent and may be inebriated.

371x Detoxification

A short-term residential protective setting licensed under Minnesota Rules, parts 9530.6510 to 9530.6590. The services are designed for persons in need of detoxification and facilitate access into a comprehensive care and treatment program for substance use disorder.

374x Residential Rehabilitation

A residential substance use disorder rehabilitation program, licensed according to Minnesota Rules, parts 9530.6405 to 9530.6505.

These programs provide group and individual counseling, client education, and other services specified in the licensing rule.

393x Service Coordination

A process to help a client obtain the services and support the client needs to establish a lifestyle free from the harmful effects of substance use disorder.

DEFINITIONS FOR MENTAL HEALTH SERVICES

Included in this list are those codes that are specific to this program area. New definition language for CY 2019 is shown in **bold type**.

- 401x Information and Referral
- Provision of information to individuals on social and human services, and assistance to individuals in making contact with a resource that can respond to their needs or problems.
- 402x Community Education and Prevention
- Activities designed to educate the public about mental health and co-occurring issues. The goals are to increase the understanding of mental health, reduce stigma, promote recovery, and increase awareness of the availability of resources and services, and improve skills in dealing with mental health issues.
- 403x Adult Client Outreach
- Activities within the community and segregated settings designed to locate and engage potentially eligible adults, inform them of available mental health services, and assure that they have access to those services.
- 404x Client Outreach (Family Community Support Services)
- Services designed to locate children within the community who have or may have severe emotional disturbance, inform them or their families of available community support services, and assure that they have access to those services.
- 405x Child Outpatient Diagnostic Assessment/Psychological Testing
- Diagnostic assessment of a child including history, mental status, and functional assessment or disposition by a licensed mental health professional. This excludes diagnostic assessments provided as part of day treatment or family community support services, and those provided by staff of a residential or inpatient program. This includes psychological testing by physician/psychologist.
- 407x Early Identification and Intervention
- Services designed to identify persons who are at risk of needing or in need of mental health services and arrangements for intervention and treatment. This service can be provided to both children and adults.

- 408x Adult Outpatient Diagnostic Assessment/Psychological Testing/Explanation of Findings
- Diagnostic assessment psychological testing and explanation of findings as defined in Minnesota Administrative Rule parts 9505.0370 to 9505.0372 by a qualified mental health professional.
- 409x Pre-Petition Screening/Hearing
- The investigation prior to a commitment hearing which must meet standards specified in the Minnesota Commitment Act (Minnesota Statutes, section 253B.07, subdivision 1).
- 410x Child Level of Care Determination
- Determination, by a licensed mental health professional, of a child's level of care prior to admission to a treatment center if public funds are used, or to an acute care hospital for treatment of severe emotional disturbance if public funds other than Medical Assistance or MinnesotaCare are used to pay for the services. Requirements for this activity are defined in Minnesota Statutes, section 245.4885, subdivision 1.
- Note: provided to persons under age 21.*
- 416x Transportation
- Travel (escorted or unescorted) to and from sites such as employment, stores, services, and medical and non-medical appointments to maintain or assist in recovery. This might include transit cards, mileage reimbursement, and taxis.
- 418x Client Flex Funds
- Goods or services purchased to meet basic physical or medical needs. Examples include medications, clothing, auto repair, and food.
- Entities must have a written policy regarding the use of client flex funds.
- Note: If housing-related, use 443x Housing Subsidy. If transportation-related, use 416x Transportation.*
- 420x Peer Support Services
- Non-clinical, recovery-focused activities encouraging empowerment, self-determination, and decision-making provided by a Certified Peer Specialist.
- 430x Other Family Community Support Services (FCSS)
- Community-based services provided under the clinical supervision of a mental health professional to help children with emotional disturbance to function and remain in the community. These services can include any of the following:

- 1) Medication monitoring
- 2) Developing independent living skills
- 3) Developing parenting skills
- 4) Leisure and recreational activities
- 5) Locating respite care and special needs day care
- 6) Assistance in obtaining financial resources including applying for financial benefits
- 7) Crisis assistance/crisis plan development
- 8) Therapeutic support for foster care.

431x

Adult Mobile Crisis Services

Face-to-face services for an adult who may be experiencing a mental health crisis or a mental health emergency. These services include crisis assessment, intervention, and community (non-residential) stabilization. This code covers infrastructure development such as training, as well as ancillary and supportive services.

Note: This service is distinct from development of a wellness plan (434X) and Adult Residential Crisis Stabilization (436X).

432x

Children's Mental Health Crisis Services

Face-to-face assessment services for a child who may be experiencing a mental health crisis or a mental health emergency and/or provision of crisis intervention services to a child with mental illness experiencing a mental health crisis or a mental health emergency. These services include crisis assessment, intervention, and community (non-residential) stabilization. This code covers infrastructure development such as training, as well as ancillary and supportive services.

434x

Community Support Program Services

Services, linked to a support plan, provided to an individual at the location of their choice in order to stay in the community. Examples are grocery shopping, social activities, housekeeping, and the creation of a wellness plan.

436x

Adult Residential Crisis Stabilization

Individualized services to assist the individual returning to their community. This service is provided following a mental health crisis assessment and intervention and as part of the treatment plan for this crisis. This code is used for residential services only.

- 437x Supported Employment and Individualized Placement and Support Service
- Person centered support provided to persons with a serious mental illness to locate and maintain competitive employment in the community. This cannot be used for center-based employment.
- 438x Assertive Community Treatment (ACT)
- ACT is an intensive, comprehensive, non-residential rehabilitative mental health service that uses a team approach. ACT services are (a) provided by multidisciplinary, qualified staff who have the capacity to provide most mental health services necessary to meet the person's needs, using a total team approach; (b) directed to persons with a serious mental illness who require intensive services; and (c) offered on a time-unlimited basis and available 24 hours per day, 7 days per week, 365 days per year. This service must meet standards specified in Minnesota Statutes, section 256B.0622.
- 439x Child Mental Health Behavioral Aide Services
- Activities to implement the rehabilitative mental health services goals identified in the child's individual treatment plan that allow the child to acquire developmentally and therapeutically appropriate daily living skills, social skills, and leisure and recreational skills through targeted activities. These activities are described in Minnesota Statutes, section 256B.0943, subdivisions 9(b)(4).
- 440x Direction of Child Mental Health Behavioral Aides
- Activities of a mental health professional or mental health practitioner to guide the mental health behavioral aide in providing services to a client. The direction of a mental health behavioral aide must be based on the client's individualized treatment plan. A description of this activity is provided in Minnesota Statutes, section 256B.0943, subdivision 1(i).
- 443x Housing Subsidy
- Direct payments for rent, utility costs, deposits on housing and utilities; household furnishings and supplies; or storage and moving costs.
- 446x Basic Living/Social Skills and Community Intervention
- Basic living/social skills and community intervention services provided to rehabilitate and enable the recipient to develop and enhance psychiatric stability, social competencies, personal and emotional adjustment, and independent living and community skills, including Adult Rehabilitative Mental Health Services (ARMHS) and other rehabilitative treatments.
- Note: Medication education should be reported as 454x Adult Outpatient Medication Management.*

451x Emergency Response Services

Response services available on a 24-hour, seven-day-a-week basis for persons having a psychiatric crisis, a mental health crisis, or emergency. Emergency response services include telephone hot lines and similar services.

Note: Face-to-face crisis services should be coded under 431x or 432x.

452x Adult Outpatient Psychotherapy

Psychotherapy provided by or under the clinical supervision of a mental health professional to an adult with mental illness. This service is provided outside of an inpatient or residential setting and excludes psychotherapeutic services provided as part of a day treatment program.

453x Child Outpatient Psychotherapy

Psychotherapy provided to a child with an emotional disturbance under the clinical supervision of a mental health professional. This service is provided outside of an inpatient or residential treatment setting and excludes psychotherapeutic services provided as part of day treatment or family community support services.

Note: This code should be used also for services provided by an OUTSIDE provider within an inpatient or residential setting. 453x is a single service. Intensive Treatment in Foster Care provides a package of services.

454x Adult Outpatient Medication Management

Prescription, medication education and review for an adult as a means of controlling or eliminating severe behavior problems, or the effects of mental illness. This excludes medication management services provided as part of a day treatment, community support program, and services provided by staff of a residential or inpatient program.

455x Child Outpatient Medication Management

Prescription, medication education, and review for a child as a means of controlling or eliminating severe behavior problems or the effects of emotional disturbance. This excludes medication management services provided as part of a day treatment, community support services, or services provided by a residential or inpatient program.

457x Child Family Psychoeducation

Individual, family, or group services, delivered by a mental health professional, designed to educate the individual or family in understanding the child's symptoms of mental illness, their impact on the youth's development and needed components of treatment and skill

development to prevent relapse, prevent the acquisition of co-morbid disorders and to achieve optimal mental health and long-term resilience.

458x Approved Pilot Projects

Innovative services, not otherwise specified in BRASS codes, approved by DHS as part of a pilot program under grant or contract.

462x Family-Based Services

Professional home-based family treatment services are intensive mental health services provided to children at risk of, in, or returning from out-of-home placement due to an emotional disturbance. Services must be designed to meet the specific mental health needs of the child and family and must be provided by a team consisting of a mental health professional with other family/child mental health providers. Services must be flexible, be able to handle crises 24-hours-per-day, and be coordinated with other services. The duration, frequency, and intensity of services are determined through the individual treatment plan.

463x Intensive Treatment in Foster Care

A bundled service package that may include psychotherapy, crisis assistance, psychoeducational services and clinical care consultation. This service, delivered by a mental health professional or clinical trainee, is designed to treat mental health symptoms and functional impairments of children ages 0 up to 21 residing in a licensed family foster home.

464x Clinical Care Consultation

Communication between a treating mental health professional and other providers or educators who are working with the same recipient. This service is provided on behalf of children 0 up to 21 years of age who have a mental health diagnosis, and includes consultation to discuss issues about the recipient's symptoms, strategies for effective engagement, care and intervention needs, treatment expectations across service settings and clinical service components provided to the recipient and family.

467x Child Day Treatment

A structured program of group psychotherapy and other intensive therapeutic services that are provided at least one day a week for a minimum three-hour time block by a multidisciplinary staff under the clinical supervision of a mental health professional. The purpose of these services is to stabilize the child's mental health status, and develop and improve the child's daily independent living and socialization skills. Child day treatment services must be coordinated and integrated with, or be part of an education program offered by the child's school, but are not part of inpatient or residential treatment services.

468x Adult Day Treatment

A time-limited, structured program of group psychotherapy, rehabilitative mental health, and other intensive therapeutic services provided by a multi-disciplinary team to reduce the effects of mental illness, promote recovery, and enable transition to a lower level of care in the community.

469x Partial Hospitalization

A time-limited structured outpatient program of psychotherapy and other therapeutic services that is provided by a qualifying hospital or community mental health center. Services must comply with Minnesota Administrative Rule parts 9505.0370 to 9505.0372.

472x State-Operated Inpatient

The 24-hour comprehensive inpatient services provided to persons with mental illness or emotional disturbance in a Regional Treatment Center or Community Behavioral Healthcare Hospital operated by the State.

473x Acute Care Hospital Inpatient

Short-term medical, nursing, and psychosocial services provided to persons with mental illness or emotional disturbance in an acute care hospital licensed under Minnesota Statutes, Chapter 144.

474x Intensive Residential Treatment Services (IRTS)

IRTS are delivered by an enrolled Minnesota Health Care Program (MHCP). Eligible recipients of IRTS are in need of a more restrictive setting to reduce the risk of significant functional deterioration. IRTS are designed to develop and enhance: psychiatric stability, personal and emotional adjustment, self-sufficiency, and skills to live in a more independent setting.

476x Inpatient Community-Based Psych Under 21

Inpatient psychiatric level of care provided in a community-based (non-hospital) Psychiatric Residential Treatment Facility (PRTF) to individuals under age 21. PRTF, as identified at 42 C.F.R. 483.352, is a separate, stand-alone entity providing a range of comprehensive services to treat the psychiatric condition of residents under the direction of a physician.

477x Subacute Psychiatric Care

Intensive, short duration stay in a facility licensed under hospital rules for children and adolescents who are in crisis, at risk of psychiatric hospitalization, and in need of sustained intervention greater than Children's Mental Health crisis services. This service may also follow

inpatient psychiatric hospitalization as a transition to community-based services. This service is distinct from the crisis assistance services component of FCSS (430x); this service must follow the receipt of Children's Mental Health Crisis Services (432x), or inpatient hospitalization.

483x Children's Residential Treatment

A 24-hour therapeutic program for children with a mental health diagnosis as defined in Minnesota Statutes, section 245.4882. This program must be licensed under Minnesota Rules, parts 2960.0580 – 2960.0700 which includes a mental health certification. This service includes the initial 60-day clothing allowance. Excluded are acute inpatient services in a public or private hospital.

Note: Services provided in shelters operating under Minnesota Rules, part 9545.1045 should be coded under 171x.

489x Child Respite Care

Short-term care provided to children with emotional disturbance due to temporary absence or need for relief of those persons normally providing care. Respite care may be provided during the day or overnight in the individual's home or in an out-of-home setting from one hour to several days. This includes crisis nursery services and respite provided in a foster home.

490x Child Rule 79 (Minnesota Rules, parts 9520.0900 to 9520.0926) Case Management

Activities that are coordinated with family community support services to help children with severe emotional disturbance and their families obtain needed mental health services, social services, educational, health, recreational and related services. Case management services may include assisting in obtaining a comprehensive diagnostic assessment, developing a functional assessment, developing an individual family community support plan, assisting the child and family in obtaining needed services by coordination with other agencies, monitoring the delivery of services, and assuring continuity of care.

491x Adult Rule 79 Targeted Case Management

Services designed to help persons gain access to needed medical, social, educational, vocational, financial and other necessary services as they relate to the person's mental health needs. Services must comply with the Minnesota Comprehensive Adult Mental Health Act, Minnesota Statutes, Section 245.462.

492x Child General Case Management

A systematic process of ongoing assessment, planning, referral, service coordination and monitoring, consultation and advocacy through which multiple service needs of children are addressed.

493x Adult General Case Management

A systematic process of ongoing assessment, planning, referral, service coordination, and monitoring, consultation and advocacy through which multiple service needs of clients are addressed.

496x Mental Health Clinical Service Plan Development

The development, review, and revision of a child's individual treatment plan, as provided in Minnesota Rules, part 9505.0371, subpart 7, including involvement of the client or client's parents, primary caregiver, or other person authorized to consent to mental health services for the client, and including arrangement of treatment and support activities specified in the individual treatment plan. The recipient must be under 21 years of age, have a mental illness diagnosis and meet the medical necessity criteria for rehabilitative mental health services.

DEFINITIONS FOR DEVELOPMENTAL DISABILITIES [DD]

Included in this list are those codes that are specific to this program area. New definition language for CY 2019 is shown in **bold** type.

- 501x Information and Referral
Provision of information to individuals on social and human services, and assistance in making contact with a resource that can respond to their needs or problems.
- 502x Community Education and Prevention
Activities designed to educate the general public or special high-risk target groups, and family members about problems associated with mental illness, chemical dependency, developmental disabilities, child welfare, or other social problems. The goals are to increase the understanding and acceptance of these problems, increase awareness of the availability of resources and services, and to improve skills in dealing with high-risk situations. This includes family training and counseling for persons receiving DD waiver services.
- 505x Assessment for Long-Term Services and Supports
An assessment to assist persons with long-term or chronic care needs to make decisions about how to meet their goals, preferences and needs by selecting long-term service and support options. The assessment and support planning are intended to prevent or delay institutional placements and to provide access to transition services to move from institutions. The assessment is available to any person regardless of age, disability, income, assets or referral source. Activities include those completed in accordance with the Omnibus Budget Reconciliation Act (OBRA: (a) Pre-Admission Screening (PAS) not covered by Minnesota Statutes, section 256B.0911; (b) Level II Evaluations for PASRR and (c) diagnostic assessments required prior to nursing home admission.
- 509x Pre-Petition Screening/Hearing
Investigation prior to a commitment hearing which includes a personal interview with the proposed patient or others knowledgeable about the condition of the proposed patient, identification and investigation of the alleged conduct which is the basis for the application, preparation of a report to the county attorney listing reasons for rejecting or recommending alternatives to involuntary placement, and attendance and participation at hearing or commitment proceedings. This service must meet standards specified in the Minnesota Commitment Act (Minnesota Statutes, section 253B.07, subdivision 1).
- 516x Transportation
Provision of travel and escort to and from community resources and facilities.

525x Homemaking Services

The provision or teaching of home management skills to individuals and families by a trained homemaker when the individual regularly responsible for those activities is temporarily absent or unable to manage the home and care for themselves or others in the home.

531x In-Home Family Support Services

Habilitation services provided to persons with developmental disabilities or related conditions and their families. This includes extended family members who are not providing licensed foster care in the family's home and in the community to enable the person to remain in or return to their home. In-home family support services include training of the person and training of the family to increase their capabilities to care for and maintain the person in their home.

534x Semi-Independent Living Services (SILS)

Services include training, counseling, instruction, supervision and assistance provided to a person with developmental disabilities or a related condition who has been determined not to be at risk of placement in an intermediate care facility for persons with developmental disabilities. Services include assistance with budgeting, meal preparation, shopping, personal appearance and related social support services needed to maintain and improve the person's level of functioning. A one-time living allowance payment to enable the person receiving these services to secure and furnish housing should also be reported under this code.

535x Family Support Program

A payment to a family, caring for their child through 21 years of age who has a developmental disability, for the purpose of purchasing items and services that assist the family to maintain the child in the home. Examples of these items and services are: respite care, equipment to modify a home or a vehicle, family and individual counseling and transportation.

538x Extended Supported Employment

Typically, a Commission on Accreditation of Rehabilitation Facilities (CARF) accredited supported employment service operated under the auspices of the Minnesota Department of Employment and Economic Development (DEED), which provides work-related services such as: evaluation of suitable community job placement for a person; evaluation of individual support service needs; job development and job placement within integrated community settings or workplaces; intensive job site training and coaching; work-related social skills training; follow-up monitoring; and follow-along support services.

541x Environmental Accessibility Adaptations, Specialized Supplies and Equipment

Physical adaptations to the participant's home or primary vehicle, required by the participant's service plan, that are necessary to ensure the health and safety of the participant or enable the participant to function with greater independence in the home, and without which the participant would require institutionalization. Modifications may include the installation of ramps and grab-bars, widening of doorways, and bathroom modifications. This service also covers assessments, installation, maintenance and repairs if they are more cost-effective than replacement.

558x Approved Pilot Projects

Innovative services, not otherwise specified by BRASS codes, approved by DHS as part of a pilot program under grant or contract.

564x Adult Supported Living Services

Residential-based habilitation services provided to an adult with developmental disabilities or related condition who requires daily intervention and a 24-hour plan of care. This includes the provision of the following waiver services: 24-hour emergency assistance, specialist services, and housing access coordination.

565x Child Supported Living Services

Residential-based habilitation services provided to a child with developmental disabilities or related condition under 18 years of age who requires daily intervention and a 24-hour plan of care and is not living in the parental home. This includes the provision of the following waiver services: 24-hour emergency assistance, and specialist care.

566x Day Training and Habilitation

Services directed at the development and maintenance of life skills and community integration that include supervision, training and assistance in the areas of vocational skill acquisition, work and supported employment (when funded through MA). Some areas of specific skill acquisition may include: self-care, communication, socialization, use of leisure time, behavior management, community survival skills and money management. Also included are therapeutic activities to increase an individual's adaptive living and work skills. These services are usually funded and licensed under Minnesota Statutes, Chapter 245D under the Department of Human Services.

Note: Special Education and related services are not included in this code.

574x Community Residential Facilities and Services

Community-based programs that provide 24-hour care, supervision, food, lodging, training, and habilitation for four or more persons with developmental disabilities or related conditions

outside their own homes. Residential programs include both the residential facility and the program of services provided.

589x

Respite Care

Short-term care provided to individuals due to the temporary absence or need for relief of those persons normally providing the care. Respite care may be provided during the day or overnight in the individual's home or in out-of-home settings. Crisis-respite includes assessment, intervention plan development, consultation, transition plans, technical assistance and recommendations for revisions to the individual service plan.

591x

DD Waiver Case Management

Includes all the case manager's work related to case management service activities such as: coordination of the performance of assessments of the functional skills and needs; the development, review and revision of individual service plans; informing persons and their legal representatives of service options and providers; assisting the person to access services; coordination of service delivery; and the monitoring and evaluation of the outcomes of services. The administrative functions of case management as defined in Minnesota Statutes, section 256B.092, subdivision 1a (a), are not reimbursable under the waiver.

592x

Child (< 21) DD Non-Waiver Case Management

Includes all the case manager's work related to both the case management administrative functions and the service activities. Administrative functions include intake, eligibility determinations and reviews, service authorization, conciliations and appeals. Case management service activities include: coordination of the performance of assessments of the functional skills and needs of the person; the development, review and revision of individual service plans; informing persons and their legal representatives of service options and providers; assisting the person to access services; coordination of service delivery; and monitoring and evaluation of the outcomes of services.

Note: Refer to Rule 9525.0004 – 9525.0036.

593x

Adult (21+) DD Non-Waiver Case Management

Includes all the case manager's work related to both the case management administrative functions and the service activities. Administrative functions include intake, eligibility determinations and reviews, service authorization, conciliations and appeals. Case management service activities include: coordination of the performance of assessments of the functional skills and needs of the person; the development, review and revision of individual service plans; informing persons and their legal representatives of service options and providers; assisting the person to access services; coordination of service delivery; and monitoring and evaluation of the outcomes of services.

Note: Refer to Rule 9525.0004 – 9525.0036.

595x

Guardianship/Conservatorship

Exercising legal consent for programs or activities that meet the social, medical, financial and residential needs of the ward in the least restrictive manner while, at the same time, protecting the best interest of the ward. This includes annual and quarterly reviews of physical, mental, and social adjustment progress of each ward.

DEFINITIONS FOR ADULT SERVICES

Included in this list are those codes that are specific to this program area. New definition language for CY 2019 is shown in **bold** type.

601x Information and Referral

Provision of information to individuals on social and human services, and assistance to individuals in making contact with a resource that can respond to their needs or problems.

602x Community Education and Prevention

Activities designed to educate the general public or special high-risk target groups about problems associated with mental illness, chemical dependency, developmental disabilities, child maltreatment, vulnerable adult maltreatment, or other social problems. The goal is to increase the understanding and acceptance of these problems; to increase awareness of the availability of resources and services, and to improve skills in dealing with high-risk situations.

604x Adult Protection Assessment and Investigation

Assessment includes determining if the subject of an adult maltreatment report made to the common entry point meets criteria as a vulnerable adult, whether the allegation meets the definition of maltreatment, and providing protective services to the vulnerable adult.

Investigation includes determining whether vulnerable adult maltreatment reports accepted for investigation under Minnesota Statutes, Section 626.557 are substantiated.

605x Assessment for Long-Term Services and Supports

An assessment to assist persons with long-term or chronic care needs to make decisions about how to meet their goals, preferences and needs by selecting long-term service and support options. The assessment and support planning are intended to prevent or delay institutional placements and to provide access to transition services to move from institutions. The assessment is available to any person regardless of age, disability, income, assets or referral source. The determination of whether specialized services are needed is the function of the OBRA Level II Evaluation and is not part of Assessment for Long-term Services and Supports.

Note: See codes for 408x or 505x for Level II Omnibus Budget Reconciliation Act (OBRA).

607x General Assessment

Appraisal of an individual's condition regarding personal, social, health, and behavioral problems through client interviews, review of records, and administering test instruments to determine the need for services and an appropriate service plan or care plan.

615x Interpreter Services

The provision of language interpreting services by a qualified language interpreter to ensure communication with non-English speaking persons, or the provision of oral or tactile interpreting services by a qualified sign language interpreter to ensure communication with persons who are deaf, hard of hearing, or deaf-blind.

616x Transportation

Provision of travel and escort to and from community resources and facilities. This might include transit cards, mileage reimbursement, and taxis.

618x Health-Related Services

These services include in-home or out-of-home services or activities designed to assist adults and their families to attain and maintain a favorable condition of health. Examples are home health or nursing services, home health therapies, behavior programming, cognitive therapy, psychological testing and explanation of findings, occupational, physical and speech therapies.

Note: The services of a home health aide and personal care assistant should be coded under 624x.

619x Court-Related Services and Activities

Court-related services include, but are not limited to, serving as a court visitor, petitioning, guardianship, conservatorship or other court-ordered services and activities. Activities include court appearances and preparation for court, including document preparation and consultation with the county attorney's office, law enforcement and other investigatory agencies.

621x Legal Services

Assistance in resolving civil legal matters and the protection of legal rights.

622x Companion Services

Non-medical care, supervision, and oversight provided to a functionally-impaired adult, including assistance with such tasks as meal preparation, laundry, and shopping that are not performed as discrete tasks. Light housekeeping tasks incidental to the care and supervision of a recipient may also be provided. These services do not include hands-on medical or personal care, but do include supervision and access to community services.

623x Chore Services

Services such as routine housekeeping tasks, minor household repairs, shopping, lawn care and snow shoveling.

624x Home-Based Support Services

Services designed to support and maintain a client in the home. Services include medically-oriented tasks prescribed by a physician, supervised by a registered nurse, and written in a plan of care; and support provided to caregivers of adults with disabilities or elderly persons.

625x Homemaking Services

The provision or teaching of home management skills to individuals and families by a trained homemaker when the individual regularly responsible for those activities is temporarily absent or unable to manage the home and care for themselves or others in the home.

627x Customized Living/Residential Care

A variety of coordinated services tailored to each person's needs that enables them to remain in a self-contained housing environment such as an apartment building or board and lodging. These services usually consist of case management, three nutritionally balanced meals a day, assistance with personal care and activities of daily living, housekeeping and laundry, emergency call system, and assistance with medication.

628x Home Delivered Meals

Preparation and delivery of one or more nutritionally adequate hot meals daily to the homes of people who are physically unable to prepare their own nourishing meals.

629x Congregate Meals

Preparing and making available nutritionally-adequate hot meals at a center used for serving congregate meals in an environment that provides opportunities for socialization and nutrition education.

634x Semi-Independent Living Services (SILS)

Services that include training, counseling, instruction, supervision and assistance to a client with a functional impairment in accordance with the client's individual service plan on a less-than-daily basis. Services include assistance with budgeting, meal preparation, shopping, personal appearance, and related social support services needed to maintain and improve the client's level of functioning.

636x Consumer Support Grant

The Consumer Support Grant (CSG) is a state-funded alternative to such Medicaid reimbursed services as personal care assistant, private duty nurse, or home health aide, allowing flexibility in

support services to be provided in the home of the recipient. The county providing these services must be enrolled with DHS as a CSG county prior to enrolling consumers.

637x Employability

Provision of assistance to obtain, maintain, or improve employment through the use of vocational counseling, employability testing, job-finding assistance, vocational and college training and special employment services for individuals who are disabled because of some social, economic, or mental/physical condition.

638x Extended Employment

Programs providing paid work and other services as a step in the rehabilitation process for those who cannot be readily absorbed in the competitive labor market, or during such time as opportunities for them in the competitive labor market do not exist. It includes the following programs:

- Long-term Employment - paid work on the premises of a rehabilitation facility and training services on or off the premises which do not include work activity
- Work Activity - paid work and training services for the primary purpose of providing basic vocational skills development for persons with a disability and which permit a level of production below that required for a long-term employment program.

641x Environmental Accessibility Adaptations, Specialized Supplies and Equipment

Specialized supplies and equipment (CAC, CADI, BI, EW only):

Devices, controls, or appliances, specified in the service plan, that enable participants to increase their ability to perform activities of daily living, or to perceive, control, or communicate with their environment. This service also includes items necessary for life support, ancillary supplies and equipment necessary to the proper functioning of such items, and durable and non-durable medical equipment that are not covered under the state plan.

Environmental accessibility adaptations:

Physical adaptations to the participant's home or primary vehicle, required by the participant's service plan, that are necessary to ensure the health and safety of the participant or enable the participant to function with greater independence in the home, and without which, the participant would require institutionalization.

Modifications may include the installation of ramps and grab-bars, widening of doorways, and bathroom modifications. This service also covers assessments, installation, maintenance and repairs if they are more cost-effective than replacement.

644x Housing Access Services

Services designed to help individuals obtain, maintain, improve or modify existing housing. This can also include the direct payment to a landlord for part of the rent, partial utility costs, rent

during psychiatric crisis or hospitalization, deposits for housing and utilities, furnishing and supplies, installation costs for utilities, or storage and moving costs. Transitional support services are included under this code.

645x Social and Recreational Service

The provision of opportunities for personal growth and development which enable individuals to participate in age and culturally appropriate recreational and leisure time activities that maintain physical and mental vitality. This may include supervision and assistance to an adult in accessing community services and participating in community activities.

647x Independent Living Skills

Services that develop and maintain the community living skills and community integration of a person. Independent Living Skills (ILS) must be provided in a person's home and/or community setting typically used by the general public. Of the waivers, this applies to CADI and BI only.

648x Money Management

Assistance to eligible individuals in the management of their income so that they are able to obtain a stable level of economic functioning within the limits of their present financial resources including consumer education, debt adjustment, financial counseling, protective and vendor payments.

649x Adult Day Care

Personal care and assistance with health, physical, social and daily living needs of functionally-impaired adults for less than 24 hours a day to maintain their ability to live in the community. Social/recreational activities, health monitoring, hot meals, and transportation are generally provided as a part of day care services to adults. This includes the provision of this service under the DD waiver.

655x Individual Counseling

Application of goal-directed therapeutic processes on personal, family, situational, or occupational problems in order to provide positive resolution or improved acceptance in a face-to-face or telephone communication with an individual client. Included is individual counseling for a family member of an adult who is receiving CAC/CADI/ BI Family Support Services on issues pertaining to medical care and treatment as stated in the care plan. The purpose of the counseling (for CAC/CADI/BI) is to maintain the adult in the home setting.

656x Group Counseling

Application of therapeutic processes on personal, family, situational, or occupational problems in order to provide positive resolution or improved acceptance in a face-to-face setting with a group or family. Included is counseling for the family of an adult who is receiving CAC/CADI/BI Family Support Services on issues pertaining to medical care and treatment as stated in the care plan. The purpose of the counseling (for CAC/CADI/BI) is to maintain the adult in the home setting.

658x Approved Pilot Projects

Innovative services, not otherwise specified by BRASS codes, approved by DHS as part of a pilot program under grant or contract.

671x Adult Shelter

A short-term residential protective setting for adults in a crisis situation. This may include their children.

681x Adult Foster Care

A licensed, adult-appropriate, sheltered living arrangement for up to four functionally-impaired adults in a family-like environment. Adult foster homes provide food, lodging, protection, supervision and household services. They may also provide personal care, living skills assistance or training, medication assistance, and assistance safeguarding cash resources.

Note: If respite care is provided in a foster home, code the activity to Respite Care (689x).

689x Respite Care

Short-term care provided to individuals due to the temporary absence or need for relief of those persons normally providing the care. Respite care may be provided during the day or overnight in the individual's home or in out-of-home settings for periods of one hour to several days.

691x AC/EW/CAC/CADI/BI Case Management

A systematic process of ongoing assessment, planning, referral, service coordination, monitoring, consultation and advocacy assistance through which multiple service needs of clients are addressed to promote the securing of appropriate services.

693x General Case Management

A systematic process of ongoing assessment, planning, referral, service coordination, and monitoring, consultation and advocacy assistance through which multiple service needs of

clients are addressed to promote the securing of appropriate services. This includes targeted case management for vulnerable adults in need of protection.

694x Relocation Service Coordination (RSC) - Targeted Case Management

Relocation service coordination services are provided for relocating persons who reside in institutions to the community. This assistance includes developing and implementing a relocation plan, arranging for additional assessments to help ensure access to needed community services, coordination of referrals, securing vendors, housing and other needed services.

695x Guardianship/Conservatorship

The exercise of legal consent for programs or activities that meet the social, medical, financial and residential needs of the ward in the least restrictive manner while, at the same time, protecting the best interest of the ward. This includes annual and quarterly reviews of the physical, mental, and social adjustment progress of each ward.

698x Licensing and Resource Development

Licensing of foster homes and various recruitment and development activities directed toward ensuring that needed services and resources are available.
