TERMINOLOGY NOTICE

The terminology used to describe people we serve has changed over time. The Minnesota Department of Human Services (DHS) supports the use of "People First" language.

Background

The Minnesota Child Welfare Training System was implemented by the Department of Human Services (DHS) in 1996. It is a statewide competency-based child welfare training system which provides foundational and advanced knowledge and skills to child welfare workers, supervisors, and resource families.

This training system is funded through a mix of state appropriation, federal funds and county funds. The state appropriation is authorized by Minnesota Statutes, section 626.5591. The federal share is from Title IV-E administration dollars.

The county share was established in Minnesota Statutes, section 626.559 with input and support from the Minnesota Association of County Social Service Administrators (MACSSA) in 1997. Minnesota Statutes, section 626.559, subdivision 5 states:

(b) Each year, the commissioner of human services shall withhold from funds distributed to each county under Minnesota Rules, parts 9550.0300 to 9550.0370, an amount equivalent to 1.5 percent of each county's annual Title XX allocation under section 256M.50. The commissioner must use these funds to ensure decentralization of training.

Attachment A of this bulletin shows the amount of each county's annual contribution for calendar year 2019. This amount will be deducted from each county's SSTS Title IV-E administrative reimbursement paid in November for earnings in the July through September quarter.

Additional Federal Reimbursement

Certain costs for sending county staff to the Minnesota Child Welfare Training System programs qualify for enhanced federal reimbursement by using the "Direct Charge" option. The direct charge option removes these eligible costs from the SSTS cost pool and direct-charges the expenditures to Title IV-E. These costs are eligible for 75 percent federal reimbursement *after* applying the county's Title IV-E ratio to these costs.

Please refer to DHS bulletin #17-32-17 (August 22, 2017) *Social Services Fund Report* for more information and instructions for use of this option.
