Address & reply & Comm. of Pensions
with return of this letter.

Madame:

- In response to the personal request Hon C. Davis, for information as to the status above cited pension claims, you are advised that evidence as indicated below is required to complete the claims.
- Relative to above cited Widows claim (No. 505717) you are advised that in an affidavit filed July 12, 1892, you give Feb'y 13, 1892 as the date of soldier's death, while Dr. Wm. Linnwood in his affidavit gives Feb'y 13/89, as the date.
- An explanation of this discrepancy, as well as the establishment of the correct date of death, is required on the part of the party in error under oath.
- The fact of no prior marriage on the part of the soldier is required to be proved by competent disinterested testimony: claimant's allegation unsupported by corroborative testimony is not sufficient upon this point.
- Relative to the above cited Orig. Inv. Claim (No 489437) under Act June 27, 1890, you are advised that the best obtainable evidence, medical if possible is required giving a full description of the disability of the soldier in all its phases from July 24, 1890, date of filing application, to the date of his death, and especially to what extent he was incapacitated for obtaining subsistence by manual labor in consequence of Malarial Fever.
- Relative to the above cited pension claim under Act of July 14, 1862 (Inv. Cert. No. 489,437) you are advised that, in order to complete the pending disability, which were alleged by the soldier in his original declaration in addition to rheumatism for which he received a pension, the testimony of persons by whom he was employed, fellow workman, or neighbors is required showing the degree of disability from alleged malarial fever at and from the date of his discharge from the service to the date of his death and the degree of his disability from alleged chills, fever & ague, chronic diarrhoea, results of sunstroke and dysentery from about April 1890 to the date of his death.

the Commissioner of Pensions certified
that there was "No fee" subsequently
the fee contract for \$25 was sent here

as the pensioner did not draw any pension
since said fee contract was received -
the fee was payable from the amount
that accrued from date of last payment
to date of pensioner's death - which was
allowed to the widow by the accrued Cert.
Pensioner was last paid to Dec 4-1890^{and}
died Feb 13-1891 - Amt due \$9³³
As there was not enough due to pay fee,
all there was due was paid to the attorney
which left nothing for the widow.

GENERAL AFFIDAVIT.

State of Minnesota, County of Ramsey, ss:

In the matter of the Original Invalid Pension claim no 693957, of Anton Roehl, late private company "I" Sixth Regiment Minnesota Infantry.

ON THIS 22nd day of April A. D. 1890; personally appeared before me

Clerk of the District Court in and for the aforesaid County duly authorized to administer oaths, Edward A. Zimmerman, aged 47 years, a resident of St Paul, Ramsey Co. Minn. P.O. Address # 371 + 373 Sibley Street by John Suttner aged 50 years, a resident of St Paul

in the County of Ramsey and State of Minnesota

whose Post Office address is no 257 Marshall Avenue, and

Louis Eisenmenger aged 52 years, a resident of St Paul

in the County of Ramsey and State of Minnesota

whose Post Office address is no 455 Wabasha Street,

well known to me to be reputable and entitled to credit, and who, being duly sworn, declared in relation to aforesaid case as follows:

They are acquainted with the above named claimant Anton Roehl have known him for 28 yrs. & that they served in the same Co. I - 6th Minn. Inf. & within during the war, that during his term of service he suffered from chills, fever & ague, chronic diarrhoea, rheumatism & sunstroke & was so prostrated with the above named disease that he was rendered unfit for duty, became so weak that he was practically helpless, & on the march from Fort Blakely, Ala. to Montgomery, Ala. on or about April 14, '65, it rained very hard, very much said claimant Roehl got wet & suffered greatly from rheumatism, & after he arrived at Montgomery, Ala. he was sunstruck. And at the time from the date of his discharge & the muster out of his Regt. in the year 1865, up to the present date, they, the affiants, know from personal observation & association & from hearing his complaints that he has been & is a great sufferer from dysentery, chills, fever & ague, chronic diarrhoea, results of sunstroke & inflammation of the bowels, being frequently confined to his bed & often unable to wear his shoes on account of swollen feet & for months at a time, during which periods he is a great sufferer, that his physical condition at & since the date of his discharge up to the present time has been such as to incapacitate him from obtaining subsistence from manual labor in consequence, that at the present time he is totally incapable of performing any manual labor whatever, is thoroughly disabled, unable to earn a livelihood. That affiants know these facts from personal observation, association & almost daily intercourse with the above named claimant Anton Roehl during each year & they know that he has been so afflicted during each year since his discharge from the service by reason of said chills, fever & ague, dysentery, chronic diarrhoea, sunstroke & inflammation of the bowels up to the present time. And if said affiants or any of them have failed in any of their letters to the Pension Bureau in response to Department calls to sustain their former or the present affidavits in the premises it was an oversight caused by defective memory & not from any desire to avoid stating in their own hand writing those facts previously made & stated under oath before a Clerk of the Court, & all of which they are willing to stand by, abide by & swear by again if necessary. And if the above facts cited in the claim no 693957, of said Anton Roehl, late private Co. I - 6th Minn. Inf. are not sufficiently positive testimony to show how he has been "afflicted" during each year since his discharge from the service by reason of the alleged chills & fever, chronic diarrhoea, rheumatism & sunstroke - then please write out what you desire & they the affiants will make affidavit to the same if in their power & knowledge of the facts they are able & can conscientiously do so.

and affiants further declare that they have no interest in said case and they are not concerned in its prosecution.

John Suttner
Louis Eisenmenger

My dear Madam:-

I have the honor to state that on the 9th day of Nov. 1891 I wrote you fully about your entitlement to pension under the act of June the 27th 1890. As yet I have heard nothing from you about this matter. In addition to your being entitled to a widows pension under said act, you are also entitled to the accrued pension due & unpaid your husband when he died on the 13th day of February, 1891. Please consider this matter over very carefully, & let me hear from you by return mail. Of course if you do not want this money, all right. Just stop to think, that you can get \$4.00 per. month from Dec. 4th, 1890, up to & including the 13th day of February 1891. This is quite an amount, & not to be sneered at. I do hope that you will appreciate the trouble I have gone to to inform you of your rights in
