In the matter of the Proposed Adoption of Rules and Regulations of the Department of Labor and Industry Governing Procedures For Voluntary Apprenticeship Programs and Agreements.

STATEMENT OF NEED

The need for the adoption of regulations covering the subjects of Regulations Ap Div 1 through Ap Div 9 derive from the duties and functions vested in the Division of Voluntary Apprenticeship by Laws 1974, C. 144, Sec. 3. To create and implement the authorizations under that section necessitates the creation of regulations pertaining thereto.

Pursuant to Laws 1974, C. 144, Sec. 2, the apprenticeship advisory council considered the promulgation of rules and regulations governing procedures under the Apprenticeship Law. A subcommittee of the Apprenticeship Council promulgated rules and regulations which subsequent to the public hearing, were unanimously approved and recommended for adoption.

In sum, the adoption of the proposed regulations are necessary to fulfill the statutory duties of the Division of Voluntary Apprenticeship under Laws 1974, C. 144, Sec. 3. The transcript, record, minutes of the apprenticeship council meetings and files support the regulations as proposed.

STATE OF MINNESOTA

COUNTY OF RAMSEY

MINNESOTA DEPARTMENT OF

LABOR AND INDUSTRY

In the matter of the Proposed Adoption of Rules and Regulations of the Department of Labor and Industry Governing Procedures For Voluntary Apprenticeship Programs and Agreements.

FINDINGS OF FACT

The above-entitled matter came on for hearing before the undersigned on the 2nd day of October, 1974, at 9:00 a.m., in the State Office Building Auditorium, St. Paul, Minnesota, after proper notice required by law was served upon all persons, associations and other interested groups registered with the Secretary of State for that purpose.

After affording interested persons an opportunity to present written and oral data, statements, and arguments, having heard all of the testimony, having considered all of the evidence adduced and upon the records, files, and proceedings herein, I find the following:

1. Authority for the adoption of regulations identified as Ap Div 1 through Ap Div 9 is found in Laws 1974, c. 144, sec. 4.

2. A need does exist for the regulations as proposed. Laws 1974, c. 144, sec. 3 places various duties and responsibilities upon the division of voluntary apprenticeship. The regulations are necessitated by that law in order to implement the intent of the law. All the regulations are new regulations and are not amendments of existing regulations.

3. The Apprenticeship advisory council advised and recommended the proposed regulations. Consistent with Laws 1974, c.144, sec. 4, the commissioner has issued by regulation the council's proposals.

4. None of the proposed rules, aside from clarification suggestions met with disapproval by the council or attendants at the public hearing.

5. The proposed regulations:

A. establish consistent conditions and standards for the approval of apprenticeship agreements and programs;

B. provide protection for equal opportunity in apprenticeship;

C. provide for supervision by record keeping requirements;

D. provide coordination for apprenticeship programs consistent with the intentions and directives of Laws 1974, c. 144.

6. The regulations as adopted do not vary in substance from those proposed at the public hearing. Any changes were for the purposes of clarification and are not new or substantive changes not discussed at the public hearing.

7. The regulations Ap Div 1 through Ap Div 9 conform to the intent of the legislature and the duties of the division of voluntary apprenticeship as is clearly shown by the minutes of apprenticeship council meetings, the transcript of the public hearing, and the record and files pertaining thereto.
