STATE OF MINNESOTA

DEPARTMENT ATTORNEY GENERAL

Office Memorandum

TO : Mike Miller
Special Assistant
Attorney General
Department of Administration

DATE: Jan. 3, 1975

FROM : Terry P. O'Brien
Special Assistant
Attorney General

T.O'B.

SUBJECT:

Enclosed are three files containing the documentation relating to the Health Board's adoption of regulations concerning standards for community V. D. clinics.

Minnesota Laws, 1974, ch. 575, sec. 6 authorizes the Board of Health to promulgate regulations to insure state assistance to local health organizations in detecting and treating V. D. These regulations are simply an effort to establish methods to do so. They appear rather straight forward and the process of promulgation provided no problems. The rules did not give rise to any real controversy.

I would appreciate it if you would return the files numbered 1 and 2 to me when the review process is completed.

If you have any questions, please don't hesitate to call.

TPO:aj

CHAPTER 25

REGULATIONS RELATING TO STANDARDS FOR

COMMUNITY VENEREAL DISEASES CONTROL CLINICS

M.H.D. 431 Purpose: Gonorrhea is epidemic in Minnesota as it is in other parts of the United States and the incidence of syphilis is increasing. Effective control of these venereal diseases as well as the other sexually transmitted diseases requires:

(a) An adequate number of readily accessible and strategically located community clinics to facilitate and encourage individuals to seek diagnosis and treatment;

(b) The location and treatment of sexual contacts of diagnosed cases to prevent further spread and to identify asymptomatic carriers of the infection;

(c) Effective arrangements to assure that personal information regarding sexual contacts and suspects is fully protected; and

(d) Public education to assure that individuals are aware of what to do when venereal infection is suspected.

The objective of these regulations is to assure that community venereal disease control clinics maintain acceptable standards relating to medical diagnosis and treatment of gonorrhea, syphilis and the other sexually transmitted diseases, confidentiality of personal information, interviewing and counseling of patients, contact investigation activities and public education.

M.H.D. 432 Definitions:

(a) Board means the State Board of Health.

(b) Department means the Minnesota Department of Health

(c) Venereal disease means an acute, asymptomatic or chronic infection caused by Neisseria gonorrhoeae or Treponema pallidum.

(d) Other sexually transmitted diseases means an acute or chronic infection caused by organisms other than the causative agent of gonorrhea or syphilis which can be passed venereally and includes, but is not limited to chancroid, granuloma inguinale, lymphogranuloma venereum, candidiasis, trichomoniasis, pythirus pubis and herpes virus related diseases.

(e) Contact means a person named by an infectious patient as someone with whom he has had sexual relations during a time frame in which the disease could have been transmitted.

(f) Suspect means a person other than a contact who for legitimate public health reasons is in need of an examination for venereal disease.

M.H.D. 433 Venereal Disease Control Clinics

A. OPERATION

(1) Facilities: Venereal disease control clinics shall provide facilities which shall include at least an examination room or rooms equipped as determined necessary by the licensed physician responsible for the diagnostic and treatment procedures conducted by the clinic and a private interview room or area to assure the full protection of personal information for the counseling of infected patients.

(2) Staffing: The supervision of the venereal disease control clinic shall be by a licensed physician. Day to day clinic service may be performed by a registered nurse and/or a physician's assistant, under a physician's written standing orders specifying diagnostic and therapeutic procedures authorized to be performed by registered nurses and/or qualified trained assistants. The written standing orders shall be signed by the supervising physician. The supervising physician shall be available for consultation with the staff, but need not be present in the clinic when patients are being examined and treated.

(3) Records: Venereal Disease clinics shall maintain appropriate medical records relative to patients seen in the facility.

All positive laboratory findings shall be immediately reported to the Department on forms provided for that purpose.

All diagnosed and/or treated cases of venereal disease shall be immediately reported to the Department on forms provided for that purpose.

(4) Confidentiality: Locked files shall be provided for medical records. Only clinic staff with a need to review the records shall have access to medical records. All transactions shall be held in confidence, except for required reporting to the Department.

(5) Diagnostic Procedure: Patients shall have an appropriate physical examination which includes history of previous venereal disease symptoms, darkfield examination of all suspicious lesions, serology, cervical culture of all female patients, smear or culture of all male patients and search for the presence of clinical manifestations of either venereal disease or other sexually transmitted disease.

All laboratory tests procedure must be acceptable to the Department. A portion of patients serum reactive to serologic test for syphilis and all throat cultures suspected to be

Neisseria gonorrhoeae shall be sent to the State laboratory for confirmation.

(6) Treatment: All diagnosed cases shall be treated with treatment regimens currently recommended by the therapy advisory committee of the United States Public Health Service.

All clinically negative contacts to infectious syphilis and to gonorrhea shall receive prophylactic treatment.

(7) Patient Interviewing and Counseling: All diagnosed venereal disease patients in the infectious stage shall be interviewed and, when appropriate, reinterviewed for contacts and suspects to their infection.

All patients presenting themselves to community venereal disease clinics shall receive appropriate counseling related to their infection.

All information obtained in the interviewing and counseling process shall be regarded as confidential medical information and shall not be disclosed, except as required by the performance of duties required by these regulations.

B. INVESTIGATION

Venereal disease clinics shall provide investigative service to assure that patients within their jurisdiction who have not completed their evaluation and therapy and have not returned, as well as contacts of gonorrhea cases are located and report for examination.

Patients outside of the clinic's area of jurisdiction who have not completed their evaluation and therapy and have not returned, as well as contacts to infectious syphilis and gonorrhea shall immediately be reported to the Department on forms provided for that purpose.

C. PUBLIC EDUCATION

Venereal disease clinics shall provide appropriate venereal disease information and educational materials in a conspicuous place within the facility.

D. GRANT-IN-AID

(1) Application: The Department may make grants-in-aid directly to local health agencies for the purpose of establishing and/or maintaining venereal disease control clinics. Grants-in-aid may also be made indirectly in the form of drugs. Application shall be made in accordance with Departmental instructions and on forms provided for that purpose. Grants shall be limited to a maximum of one year subject to the availability of funds.

The application shall present a plan that extends health care services to areas of the community that are currently underserved, with special consideration given to areas with

concentrations of persons of high risk. Applicants may propose a multi-county service system where the population base in a single county is less than 50,000.

Rates of reimbursement for described services shall be mutually agreed upon by the Department and the grantee.

Affirmative Action - Civil Rights: The Department's affirmative action program extends to all organizations receiving financial assistance from the Department. Therefore, grantees shall include a statement of compliance with this plan in the grant-in-aid application.

The application shall include an endorsement from the appropriate governmental boards (city or county commissioner) and shall be submitted for review and comment to the appropriate areawide Comprehensive Health Planning Agency.

(2) Fiscal Accountability: The grantee shall maintain adequate financial records pertaining to all services relating to the grant. These records shall be available to the Department at all reasonable times during the duration of the grant.

The grantee shall submit to the Department on a quarterly basis a narrative report of progress and a claim for reimbursement of expenditures describing how grant funds were expended for that period.

The grantee shall keep and make available all fiscal records relating to the grant-in-aid until the completion of the fiscal audit of the grant, or for three years after its termination, whichever is earlier.

(3) Local Participation: Funds provided by the Department through grants-in-aid are to supplement resources of the applicant. The application shall show the amount of local matching resources that are available for venereal disease control service and shall describe a mechanism whereby an annually increasing share of the cost of the proposed project will be assumed by the applicant.

The use of qualified volunteers to perform services required by these regulations under the supervision of a licensed physician shall be permitted. Their time may be listed as in-kind funding and considered part of the local funding.

PROPOSED REGULATIONS RELATING TO STANDARDS FOR

COMMUNITY VENEREAL DISEASES CONTROL CLINICS

M.H.D. 431 Purpose: Gonorrhea is epidemic in Minnesota as it is in other parts of the United States and the incidence of syphilis is increasing. Effective control of these venereal diseases as well as the other sexually transmitted diseases requires:

(a) An adequate number of readily accessible and strategically located community clinics to facilitate and encourage individuals to seek diagnosis and treatment;

(b) The location and treatment of sexual contacts of diagnosed cases to prevent further spread and to identify asymptomatic carriers of the infection;

(c) Effective arrangements to assure that personal information regarding sexual contacts and suspects is fully protected; and

(d) Public education to assure that individuals are aware of what to do when venereal infection is suspected.

The objective of these regulations is to assure that community venereal disease control clinics maintain acceptable standards relating to medical diagnosis and treatment of gonorrhea, syphilis and the other sexually transmitted diseases, confidentiality of personal information, interviewing and counseling of patients, contact investigation activities and public education.

M.H.D. 432 Definitions:

(a) Board means the State Board of Health.

(b) Department means the Minnesota Department of Health

(c) Venereal disease means an acute, asymptomatic or chronic infection caused by Neisseria gonorrhoeae or Treponema pallidum.

(d) Other sexually transmitted diseases means an acute or chronic infection caused by organisms other than the causative agent of gonorrhea or syphilis which can be passed venereally and includes, but is not limited to chancroid, granuloma inguinale, lymphogranuloma venereum, candidiasis, trichomoniasis, pythirus pubis and herpes virus related diseases.

(e) Contact means a person named by an infectious patient as someone with whom he has had sexual relations during a time frame in which the disease could have been transmitted.

(f) Suspect means a person other than a contact who for legitimate public health reasons is in need of an examination for venereal disease.

M.H.D. 433 Venereal Disease Control Clinics

A. OPERATION

(1) Facilities: Venereal disease control clinics shall provide facilities which shall include at least an examination room or rooms equipped as determined necessary by the licensed physician responsible for the diagnostic and treatment procedures conducted by the clinic and a private interview room or area to assure the full protection of personal information for the counseling of infected patients.

(2) Staffing: The supervision of the venereal disease control clinic shall be by a licensed physician. Day to day clinic service may be performed by a registered nurse and/or a physician's assistant, under a physician's written standing orders specifying diagnostic and therapeutic procedures authorized to be performed by registered nurses and/or qualified trained assistants. The written standing orders shall be signed by the supervising physician. The supervising physician shall be available for consultation with the staff, but need not be present in the clinic when patients are being examined and treated.

(3) Records: Venereal Disease clinics shall maintain appropriate medical records relative to patients seen in the facility.

All positive laboratory findings shall be immediately reported to the Department on forms provided for that purpose.

All diagnosed and/or treated cases of venereal disease shall be immediately reported to the Department on forms provided for that purpose.

(4) Confidentiality: Locked files shall be provided for medical records. Only clinic staff with a need to review the records shall have access to medical records. All transactions shall be held in confidence, except for required reporting to the Department.

(5) Diagnostic Procedure: Patients shall have an appropriate physical examination which includes history of previous venereal disease symptoms, darkfield examination of all suspicious lesions, serology, cervical culture of all female patients, smear or culture of all male patients and search for the presence of clinical manifestations of either venereal disease or other sexually transmitted disease.

All laboratory tests procedure must be acceptable to the Department. A portion of patients serum reactive to serologic test for syphilis and all throat cultures suspected to be

Neisseria gonorrhoeae shall be sent to the State laboratory for confirmation.

(6) Treatment: All diagnosed cases shall be treated with treatment regimens currently recommended by the therapy advisory committee of the United States Public Health Service.

All clinically negative contacts to infectious syphilis and to gonorrhea shall receive prophylactic treatment.

(7) Patient Interviewing and Counseling: All diagnosed venereal disease patients in the infectious stage shall be interviewed and, when appropriate, reinterviewed for contacts and suspects to their infection.

All patients presenting themselves to community venereal disease clinics shall receive appropriate counseling related to their infection.

All information obtained in the interviewing and counseling process shall be regarded as confidential medical information and shall not be disclosed, except as required by the performance of duties required by these regulations.

B. INVESTIGATION

Venereal disease clinics shall provide investigative service to assure that patients within their jurisdiction who have not completed their evaluation and therapy and have not returned, as well as contacts of gonorrhea cases are located and report for examination.

Patients outside of the clinic's area of jurisdiction who have not completed their evaluation and therapy and have not returned, as well as contacts to infectious syphilis and gonorrhea shall immediately be reported to the Department on forms provided for that purpose.

C. PUBLIC EDUCATION

Venereal disease clinics shall provide appropriate venereal disease information and educational materials in a conspicuous place within the facility.

D. GRANT-IN-AID

(1) Application: The Department may make grants-in-aid directly to local health agencies for the purpose of establishing and/or maintaining venereal disease control clinics. Grants-in-aid may also be made indirectly in the form of drugs. Application shall be made in accordance with Departmental instructions and on forms provided for that purpose. Grants shall be limited to a maximum of one year subject to the availability of funds.

The application shall present a plan that extends health care services to areas of the community that are currently underserved, with special consideration given to areas with

concentrations of persons of high risk. Applicants may propose a multi-county service system where the population base in a single county is less than 50,000.

STATE BOARD OF HEALTH

In the Matter of Proposed Rules
Relating to Standards for
Community Venereal Diseases
Control Clinics

ORDER FOR HEARING

To effectively implement Minn. Laws 1974, ch. 575 § 6, the Minnesota State Board of Health deems it necessary to consider adoption of the proposed rules captioned above pursuant to the authority vested in it by the above-referenced statute.

NOW, THEREFORE, IT IS ORDERED this 6 day of September, 1974, that a public hearing on the proposed rules captioned above be held in the Board Room, Minnesota Health Department Building, 717 Delaware Street S.E., Minneapolis, Minnesota, on October 16, 1974, commencing at 9:30 A.M., and continuing until all representatives of associations or other interested groups or persons have had an opportunity to be heard.

IT IS FURTHER ORDERED, that notice of said hearing be given to all representatives of associations or other interested groups or persons who have registered their names with the Secretary of State for that purpose and all persons who are presently members of the Minnesota Legislature.

NOTICE OF HEARING

Notice is hereby given that a public hearing will be held pursuant to Minn. Stat. § 15.0412 subd. 4 (1971) in the above-entitled matter, in the Board Room, Minnesota Department of Health Building, 717 Delaware Street S.E., Minneapolis, Minnesota, on Wednesday, October 16, 1974, commencing at 9:30 A.M., and continuing until all representatives or other interested groups of persons have had an opportunity to be heard concerning adoption of the proposed rules captioned above by submitting either oral or written data, statements, or arguments. Statements or briefs may be submitted without appearing at the hearing.

A copy of the proposed rules is attached and made a part hereof.

Copies of the proposed rules are now available and may be obtained by writing to the Minnesota Department of Health, Venereal Disease Unit, 717 Delaware Street S.E., Minneapolis, Minnesota 55440. Additional copies will be available at the door on the date of the hearing.

A copy of the procedural rules for the hearing is attached and made a part hereof.

Testimony or other evidence to be submitted for consideration should be pertinent to the matter at hand and may be presented either orally or in writing at the public hearing or by mailing a statement to the Secretary and Executive Officer of the Board at the Department of Health Building, address as above. If the person submitting a statement cannot be present to read his statement at the time of the hearing, the statement will be entered into the record. For those wishing to submit written statements or exhibits, it is requested that at least three (3) copies of such statement, exhibit or summary be furnished at the hearing. The record will remain open for receipt of briefs or other written material relative to the proposed rules for twenty (20) days subsequent to the public hearing.

It is suggested that to save time and avoid duplication, those organizations or associations having a common viewpoint or interest in these proceedings join together where possible and present a single statement in behalf of such interests.

NOTICE OF HEARING

Notice is hereby given that a public hearing will be held pursuant to Minn. Stat. 15.0412 subd. 4 (1971) in the above-entitled matter, in the Board Room, Minnesota Department of Health Building, 717 Delaware Street S.E., Minneapolis, Minnesota, on Wednesday, October 16, 1974, commencing at 9:30 A.M., and continuing until all representatives or other interested groups of persons have had an opportunity to be heard concerning adoption of the proposed rules captioned above by submitting either oral or written data, statements, or arguments. Statements or briefs may be submitted without appearing at the hearing.

A copy of the proposed rules is attached and made a part hereof.

Copies of the proposed rules are now available and may be obtained by writing to the Minnesota Department of Health, Venereal Disease Unit, 717 Delaware Street S.E., Minneapolis, Minnesota 55440. Additional copies will be available at the door on the date of the hearing.

A copy of the procedural rules for the hearing is attached and made a part hereof.

Testimony or other evidence to be submitted for consideration should be pertinent to the matter at hand and may be presented either orally or in writing at the public hearing or by mailing a statement to the Secretary and Executive Officer of the Board at the Department of Health Building, address as above. If the person submitting a statement cannot be present to read his statement at the time of the hearing, the statement will be entered into the record. For those wishing to submit written statements or exhibits, it is requested that at least three (3) copies of such statement, exhibit or summary be furnished at the hearing. The record will remain open for receipt of briefs or other written material relative to the proposed rules for twenty (20) days subsequent to the public hearing.

It is suggested that to save time and avoid duplication, those organizations or associations having a common viewpoint or interest in these proceedings join together where possible and present a single statement in behalf of such interests.

MINNESOTA STATE BOARD OF HEALTH

PROCEDURAL RULES FOR HEARING

The purpose of the hearing is to allow interested parties to express their views and present facts bearing upon the proposed regulations. So as to provide for an orderly presentation of evidence, the following rules will be in effect during the hearing specified in the attached Notice of Hearing:

1. Anyone wishing to be heard should indicate by signing the speaking sheet, listing his name, address, and the group which he represents. The speaking sheet will be available at the main entrance to the hearing room. It is requested that each group select one speaker only to present its views.

2. The first time the witness makes a statement he should spell his name and identify the group he is representing. Prior to making any subsequent statements he should state his name and the group which he represents. He may be sworn upon his request but it is not required. If he elects not to be sworn, that may be considered in determining the weight to be given to his testimony.

3. By giving testimony, a witness, including one who may also be a member of the panel, subjects himself to questioning by the panel. However, he is subject to cross-examination by non-members of the panel only if he affirmatively consents to being so examined. A refusal to be cross-examined may be considered in determining the weight to be given to his testimony.

4. All parties interested in introducing any written matter may do so by having it marked as an exhibit and then introduced for the record. Unsworn written matter may be received, but the fact that it is unsworn may be considered in determining the weight to be given it.

CHAPTER 25

PROPOSED REGULATIONS RELATING TO STANDARDS FOR

COMMUNITY VENEREAL DISEASES CONTROL CLINICS

M.H.D. 431 Purpose: Gonorrhea is epidemic in Minnesota as it is in other parts of the United States and the incidence of syphilis is increasing. Effective control of these venereal diseases as well as the other sexually transmitted diseases requires:

(a) An adequate number of readily accessible and strategically located community clinics to facilitate and encourage individuals to seek diagnosis and treatment;

(b) The location and treatment of sexual contacts of diagnosed cases to prevent further spread and to identify asymptomatic carriers of the infection;

(c) Effective arrangements to assure that personal information regarding sexual contacts and suspects is fully protected; and

(d) Public education to assure that individuals are aware of what to do when venereal infection is suspected.

The objective of these regulations is to assure that community venereal disease control clinics maintain acceptable standards relating to medical diagnosis and treatment of gonorrhea, syphilis and the other sexually transmitted diseases, confidentiality of personal information, interviewing and counseling of patients, contact investigation activities and public education.

M.H.D. 432 Definitions:

(a) Board means the State Board of Health.

(b) Department means the Minnesota Department of Health.

(c) Venereal disease means an acute, asymptomatic or chronic infection caused by Neisseria gonorrhoeae or Treponema pallidum.

(d) Other sexually transmitted diseases means an acute or chronic infection caused by organisms other than the causative agent of gonorrhea or syphilis which can be passed venereally and includes, but is not limited to chancroid, granuloma inguinale, lymphogranuloma venereum, candidiasis, trichomoniasis, pythirus pubis and herpes virus related diseases.

(e) Contact means a person named by an infectious patient as someone with whom he has had sexual relations during a time frame in which the disease could have been transmitted.

(f) Suspect means a person other than a contact who for legitimate public health reasons is in need of an examination for venereal disease.

M.H.D. 433 Venereal Disease Control Clinics

A. OPERATION

Cit. phys assist + grades

(1) Facilities: Venereal disease control clinics shall provide facilities which shall include at least an examination room or rooms equipped as determined necessary by the licensed physician responsible for the diagnostic and treatment procedures conducted by the clinic and a private interview room or area to assure the full protection of personal information for the counselling of infected patients.

Venereal disease clinics shall provide investigative service to assure that patients within their jurisdiction who have not completed their evaluation and therapy and have not returned, as well as contacts of gonorrhea cases are located and report for examination.

Patients outside of the clinic's area of jurisdiction who have not completed their evaluation and therapy and have not returned, as well as contacts to infectious syphilis and gonorrhea shall immediately be reported to the Department on forms provided for that purpose.

C. PUBLIC EDUCATION

Venereal disease clinics shall provide appropriate venereal disease information and educational materials in a conspicuous place within the facility.

MHD 433
cit: unclear.

D. GRANT-IN-AID

(1) Application: The Department may make grants-in-aid directly and/or indirectly in the form of drugs to local health agencies for the purpose of establishing and/or maintaining venereal disease control clinics. Application shall be made in accordance with Departmental instructions and on forms provided for that purpose. Grants shall be limited to a maximum of one year subject to the availability of funds.

The application shall present a plan that extends health care services to areas of the community that are currently underserved, with special consideration given to areas with concentrations of persons of high risk. Applicants may propose a multi-county service system where the population base in a single county is less than 50,000.

Rates of reimbursement for described services shall be mutually agreed upon by the Department and the grantee.

Affirmative Action - Civil Rights: The Department's affirmative action program extends to all organizations receiving financial assistance from the Department. Therefore, grantees shall include a statement of compliance with this plan in the Grant-in-Aid application.

The Application shall include an endorsement from the appropriate governmental boards (city or county commissioner) and shall be submitted for review and comment to the appropriate areawide Comprehensive Health Planning Agency.

(2) Fiscal Accountability: The grantee shall maintain adequate financial records pertaining to all services relating to the grant. These records shall be available to the Department at all reasonable times during the duration of the grant.

The grantee shall submit to the Department on a quarterly basis a narrative report of progress and a claim for reimbursement of expenditures describing how grant funds were expended for that period.

The grantee shall keep and make available all fiscal records relating to the grant-in-aid until the completion of the fiscal audit of the grant, or for three years after its termination, whichever is earlier.

(3) Local Participation: Funds provided by the Department through grants-in-aid are to supplement resources of the applicant. The application shall show the amount of local funds that are available for venereal disease control service and shall describe a mechanism whereby an annually increasing share of the cost of the proposed project will be assumed by the applicant.

cut: to focus on no local resources.

The use of qualified volunteers to perform services required by these regulations under the supervision of a licensed physician shall be permitted. Their time may be listed as in-kind funding and considered part of the local funding.

Control Clinics

CERTIFICATE

I hereby certify that the 378 general labels and one sheet list for the Minnesota State Health Department, all of which are attached and made a part hereof, constitute the complete lists of persons, associations, and other interested groups who as of 1:00 o'clock P.M., this 6th day of September, 1974, have requested pursuant to Minn. Stat. § 15.0412 subd. 4 (1971), that their names be placed on file with the Secretary of State for the purpose of receiving notice of public hearing on proposed rules on the subject captioned above.

Arlen I. Erdahl

STATE OF MINNESOTA

COUNTY OF HENNEPIN

BEFORE THE MINNESOTA

STATE BOARD OF HEALTH

In the Matter of Proposed Rules
Relating to Standards for
Community Venereal Diseases
Control Clinics

STATEMENT OF NEED

The above-captioned rules are not amendments to existing rules of the State Board of Health.

The need to adopt these rules arises because of the legislative mandate contained in Minn. Laws 1974, ch. 575 § 6. The Board is required to assist local health agencies and organizations with the development and maintenance of services for the detection and treatment of venercal diseases. These regulations detail the manner in which such services shall be operated as well as describing the process for receiving grants from the Board of Health.

Control Clinics

APPOINTMENT

David J. Giese is hereby appointed to serve as hearing officer on behalf of the State Board of Health in the above captioned matter, said hearing to be held on October 16, 1974, and continuing until all representatives of associations or other interested groups or persons have had an opportunity to be heard.

This appointment is made pursuant to the following authority: resolution of the State Board of Health adopted at its meeting on August 8, 1974.

STATE OF MINNESOTA
BOARD OF HEALTH

WARREN R. LAWSON, M.D.
Secretary and Executive Officer

Dated: September 6, 1974.

STATE OF MINNESOTA

COUNTY OF HENNEPIN

BEFORE THE MINNESOTA

STATE BOARD OF HEALTH

In the matter of the Proposed Rules Relating to Standards for Community Venereal Disease Control Clinics

ORDER ADOPTING RULES

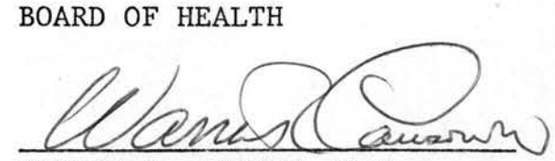

The above-entitled matter came on for hearing before the Minnesota State Board of Health on the 16th day of October, 1974, at 9:30 A.M. in the Board Room, Minnesota Department of Health Building, 717 Delaware Street S.E., Minneapolis, Minnesota 55440, after proper notice required by Minn. Stat. § 15.0412 (1971) was served upon all persons, associations and other interested groups registered with the Secretary of State for that purpose.

After affording interested persons an opportunity to present written and oral data, statements and arguments, and having heard and considered all of the testimony and evidence adduced and upon the records, files and proceedings herein, and applicable statutory standards or criteria, and having confirmed the need for the above-captioned rules.

NOW, THEREFORE, IT IS ORDERED that these rules identified as MHD 431-433 relating to Standards for Community Venereal Diseases Control Clinics are adopted this 5th day of December, 1974, pursuant to authority vested in the Minnesota State Board of Health pursuant to Minn. Laws 1974, Ch. 575 §6, and resolution of the said Board duly adopted at its meeting held on the 14th day of November, 1974.

STATE OF MINNESOTA

BOARD OF HEALTH

WARREN R. LAWSON, M.D.
Secretary and Executive Officer

STATE OF MINNESOTA
COUNTY OF HENNEPIN

BEFORE THE MINNESOTA
STATE BOARD OF HEALTH

In the Matter of the Proposed
Rules Relating to Standards for
Community Venereal Diseases
Control Clinics

FINDINGS OF FACT

The above-entitled matter came on for hearing before the Minnesota State Board of Health on the 16th day of October, 1974, at 9:30 A.M., in the Board Room, Minnesota Department of Health Building, 717 Delaware Street S.E., Minneapolis, Minnesota 55440, after proper notice required by Minn. Stat. § 15.0412 (1971) was served upon all persons, associations and other interested groups registered with the Secretary of State for that purpose.

After affording interested persons an opportunity to present written and oral data, statements and arguments, and having heard and considered all of the testimony and evidence adduced and upon the records, files and proceedings herein, the Board makes and enters the following findings:

1. Authority to adopt regulations pertaining to assistance of the State Board of Health to community venereal disease control clinics is contained in Minn. Laws 1974, ch. 575 § 6. This statute requires the State Board of Health to assist local health agencies and organizations with the development and maintenance of services for the detection and treatment of venereal diseases. Minn. Laws 1974,

ch. 575 § 6 specifically states that "[t]he state board of health shall promulgate regulations relative to the composition of such services and shall establish a method of providing funds to local health agencies and organizations which offer such services." These regulations are within that grant of authority.

2. There is a need for these regulations. Minn. Laws 1974, ch. 575 § 6 mandates the State Board to assist local health agencies and organizations in developing and maintaining venereal disease related services. These regulations are necessary to implement that mandate and to clarify responsibilities under the statute. As noted above, the statute grants the Board the authority to promulgate regulations to carry out the provisions of the statute. The legislature has therefore indicated that certain regulations are necessary. The Board finds that these regulations, as adopted, are reasonable and necessary to carry out its duties under the statute.

3. MHD 432 (d) in defining "other sexually transmitted diseases" lists certain examples of infections included in the definition. The Board finds that the regulation is sufficiently broad to include such diseases as chlamydia.

4. MHD 433 (a)(5) requires that a smear or a culture of all male patients be taken as part of the diagnostic procedure. The Board finds that the taking of both a smear and a culture on all males is not a necessary diagnostic procedure since a positive smear obviates the need for a culture.

5. MHD 433 (b) requires investigative service of venereal disease clinics. At times, patients do not complete required treatment. The Board finds that since inadequately treated patients run the risks of reoccurrence, the clinics should have the responsibility of insuring that patients under their care complete their required treatment. The Board finds that the words "investigative service" do not require that each clinic employ an investigator but only that the clinic make investigative follow-ups on those inadequately treated patients who do not return.

6. MHD 433 (d)(3) requires local participation in the funding of venereal disease clinics. The Board finds that the control of venereal disease requires a cooperative effort from all levels of government and that for any one level to try to shoulder the burden would be an economic impossibility.

7. Other provisions of the regulations not specifically referred to herein are found to be supported by evidence in the record.

8. A few comments were made at the hearing. Based thereon, modifications were made but in no instance do these modifications significantly change the substance of the regulations as presented at the public hearing.

9. These regulations are in keeping with and will help fulfill the policy of the state as expressed by Minn. Laws 1974, ch. 575 § 6. These regulations enable the state to carry out the express wish of the legislature that the Board assist local health agencies and organizations with the development and maintenance of services for the detection and treatment of venereal diseases.

CERTIFICATE OF BOARD'S

ADOPTION OF RULES RESOLUTION

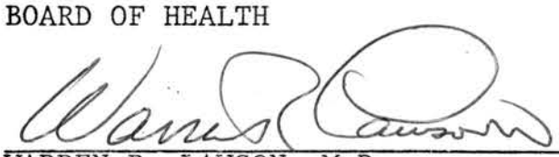

I, Warren R. Lawson, M.D., do hereby certify that I am the Secretary and Executive Officer of the Minnesota State Board of Health, a board duly authorized under the laws of the State of Minnesota, and that the following is a true, complete, and correct copy of a resolution adopted at a meeting of the said Board of Health duly and properly called and held on the 14th day of November, 1974; that a quorum was present at said meeting; that a majority of those present voted for the resolution; that said resolution is set forth in the minutes of said meeting and has not been rescinded or modified.

> "RESOLVED, that the rules relating to Standards for Community Venereal Diseases Control Clinics identified as MHD 431-433 are found to be reasonable necessary and supported by the evidence contained in the record, and are hereby approved and adopted, pursuant to authority vested in us by Minn. Laws 1974, Ch. 575 §6 and that Warren R. Lawson, M.D., Secretary and Executive Officer of the Minnesota State Board of Health, be and hereby is authorized to sign an order adopting those rules."

IN WITNESS WHEREOF, I have hereunto subscribed my name this 5th day of December, 1974.

STATE OF MINNESOTA

BOARD OF HEALTH

WARREN R. LAWSON, M.D.
Secretary and Executive Officer

STATEMENT OF COMPLIANCE WITH

MANUAL OF RULE MAKING PROCEDURES

I, Special Assistant Attorney General Terry P. O'Brien, do hereby declare that I have examined the proposed rules relating to Standards for Community Venereal Diseases Control Clinics and all related documents and that, based on them and my personal familiarity with the applicable procedures, the Manual of Rule Making Procedures has been followed.

Dated: December 5, 1974
