MY COMMISSION EXPIRES
March 17, 1977

STATE OF MINNESOTA

COUNTY OF RAMSEY

BEFORE JON WEFALD

COMMISSIONER OF AGRICULTURE

In the matter of the Proposed Rules of the State Department of Agriculture Relating to Noxious Weed Control.

STATEMENT OF NEED

The Minnesota Noxious Weed Law defines noxious weeds as annual, biennial, and perennial plants which are deemed by the Commissioner of Agriculture to be injurious to public health, public roads, crops, livestock, and other property. Presently there are 58 separate weeds which have been deemed by the Commissioner to be noxious.

While certain of these weeds are injurious statewide, the Minnesota Commissioner of Agriculture believes that because of changing times and economic conditions, the present noxious weed list contains weeds which may be injurious in one area of the state and not injurious in another. Therefore, it is necessary to amend the present regulations to reflect these changes. To this end, it is proposed that weeds that are injurious statewide should be retained as noxious weeds and weeds that may be injurious in certain areas of the state should be put on a secondary list. The purpose of the secondary list would be to provide counties an opportunity to petition the Commissioner to place a weed or weeds on the noxious list as being injurious to that county.

COMMISSIONER OF AGRICULTURE

In the matter of Proposed Rules of the State Department of Agriculture Relating to Noxious Weed Control.

FINDINGS OF FACT

The above entitled matter came on for hearing before the Agriculture Commissioner of the State of Minnesota on the 14th day of November, 1974, at 1:30 P.M. in the Veterans of Foreign Wars Hall, 135 West Oakdale, Owatonna, Minnesota; on the 15th day of November, 1974, at 10:00 A.M. in the Courthouse Meeting Room, Slayton, Minnesota; on the 18th day of November, 1974, at 1:30 P.M. in the City Hall, Aitkin, Minnesota; on the 25th day of November, 1974, at 1:30 P.M. in the Police Station Basement, 7th and Broadway, Alexandria, Minnesota; and on the 26th day of November, 1974, at 10:00 A.M. in the City Auditorium, Thief River Falls, Minnesota, after proper notice required by M.S. 1971, Section 15.0412 was served on all persons, associations and other interested groups registered with the Secretary of State for that purpose.

After affording interested persons an opportunity to present written and oral data, statements and arguments, having heard all of the testimony, having considered all of the evidence adduced and upon the records, files and proceedings herein, I find the following:

1. That certain of the weeds presently defined as noxious under the Minnesota Noxious Weed Law are injurious statewide.
2. That the present listing of noxious weeds contains weeds that, because of changing times, cultural practices and economic conditions, may be injurious in one area of the state and not in another.
3. That weeds which are injurious statewide should be retained on a list as noxious weeds and those which may be injurious in certain areas of the state should be placed on a secondary listing.

4. That the purpose of the secondary list shall be to provide local weed control officials in the counties an opportunity to petition the Commissioner of Agriculture to place one or more weeds on the noxious list as being injurious in the respective county.

5. That amending the regulations pertaining to control of noxious weeds will not affect the listing of "prohibited" and "restricted" weed seeds under the current Minnesota Seed Law nor the definition of "weed seeds" and the listing of "restricted weed seeds" under the present Minnesota Screenings Act.
