EXHIBIT A

STATE OF MINNESOTA

COUNTY OF RAMSEY

BEFORE Edward G. Novak

COMMISSIONER OF PUBLIC SAFETY

In the matter of the Proposed Adoption of Rules of the State Department of Public Safety governing the establishment of information requirements for vehicle owners and reparation obligors and establishing procedures to revoke, secure, and reinstate registration certificates and license plates.

ORDER FOR HEARING

To effectively implement Minnesota Statutes 1973, Chapter 65B, the Minnesota Commissioner of Public Safety deems it necessary to consider adoption of the proposed rules captioned above pursuant to the authority vested in me by M.S. 1971, Section 299A.01, Subdivision 6.

NOW, THEREFORE, IT IS ORDERED this 31 day of December, 1974, that a public hearing on the proposed rules captioned above be held in the Veteran's Service Building, Fifth Floor, Conference Room D, 20 West 12th Street and Columbus Avenue, St. Paul, Minnesota, February 17, 1975, commencing at 8:30 A.M., and continuing until all representatives of associations or other interested groups or persons have had an opportunity to be heard.

IT IS FURTHER ORDERED, that notice of said hearing be given to all representatives of associations or other interested groups or persons who have registered their names with the Secretary of State for that purpose and all persons who are presently members of the Minnesota Legislature.

COUNTY OF RAMSEY

COMMISSIONER OF PUBLIC SAFETY

In the matter of the Proposed Adoption of Rules of the State Department of Public Safety governing the establishment of information requirements for vehicle owners and reparation obligors and establishing procedures to revoke, secure, and reinstate registration certificates and license plates.

STATEMENT OF NEED

The need for these rules is based upon the legislative mandate in M.S. 1974, 65B.48 which requires every owner of a motor vehicle required to be registered, licensed or principally garaged in this state, to maintain No Fault Insurance, and 65B.67, which provides for penalties for everyone violating 65B.48; 65B.69, which provides for the surrender of the registration plates and card when the insurance coverage is cancelled; and 65B.68, which grants the Commissioner of Public Safety authority to adopt rules to implement and provide for effective administration of this Act.

The proposed regulations will permit the Commissioner of Public Safety to require every owner of a motor vehicle when applying for registration, reregistration, or transfer of ownership, or when the Department records indicate that an insurance policy is not in effect or as other circumstances indicate, to furnish insurance information as required by the Commissioner; further, that when the Department records indicate that the owner has ceased to maintain an insurance policy, the Commissioner will have authority to suspend the registration certificate and license plates and demand the immediate surrender thereof by the owner. It will also give the Commissioner authority to direct any peace officer to serve an order of suspension and revocation and secure the registration certificate and/or license plates not surrendered. These regulations further provide that upon certification that a vehicle is again covered by an insurance policy, the registration certificate and license plates will again be issued upon application for a duplicate registration plate after paying the proper fee.

BEFORE EDWARD G. NOVAK

COMMISSIONER OF PUBLIC SAFETY

In the matter of the Proposed Adoption of Rules of the State Department of Public Safety governing the establishment of information requirements for vehicle owners and reparation obligors, and establishing procedures to revoke, secure, and reinstate registration certificates and license plates.

FINDINGS OF FACT

The above-entitled matter came on for hearing before the Commissioner of Public Safety of the State of Minnesota on the 26th day of February, 1975 at 8:30 a.m. in Conference Room D of the Veterans Service Building, St. Paul, Minnesota after proper notice required by M.S. 1971, Section 15.0412 was served upon all persons, associations and other interested groups registered with the Secretary of State for that purpose.

After affording interested persons an opportunity to present written and oral data, statements and arguments, having heard all of the testimony, having considered all of the evidence adduced and upon the records, files and proceeding herein, I find the following:

1. The Commissioner of Public Safety is specifically authorized by M.S. 1974, Section 65B.68 to adopt rules to perform the duties imposed upon him by Laws 1974, Chapter 408 to implement and provide effective administration of the provisions of Chapter 408 requiring security and governing termination of security.

2. The need for these rules arises from the legislative mandate in M.S. 1974, Section 65B.48 which requires every owner of a motor vehicle registered, licensed or principally garaged in this state to maintain No-Fault Insurance; M.S. 1974, Section 65B.67 which provides penalties for anyone violating Section 65B.48 and M.S. 1974, Section 65B.69 which provides for surrender of the registration plates and card when the insurance policy is cancelled.

3. At the public hearing on this matter, no comments were received regarding the proposed rules.

4. During the post hearing period for submission of written comments or briefs, no comments or briefs were received concerning the proposed rules.

ORDER ADOPTING RULES

The above-entitled matter came on for hearing before the Commissioner of Public Safety of the State of Minnesota on the 26th day of February, 1975 at 8:30 a.m. in Conference Room D of the Veterans Service Building, St. Paul, Minnesota, after proper notice required by M.S. 1971, Section 15.0412 was served upon all persons, associations and other interested groups registered with the Secretary of State for that purpose.

WHEREUPON, the following proceedings were duly had: --

* * *

MR. IVERSON: I'll bring the meeting to order. My name is Phillip A. Iverson, Deputy Commissioner of the Minnesota Department of Public Safety, and I will be presiding over this hearing. The other members of the panel here with me are Ken Dirkzwager, Director, Driver License Division; Fred Suhler, Special Assistant Attorney General; Ernie Scheidness, Supervisor, No-Fault Compliance Section. I trust you gentlemen have signed in if you want to testify. This hearing is being held this 26th day of February, 1975, Conference Room D, of the Veteran's Service Building, St. Paul, Minnesota, commencing at 8:35 and continuing, we'll be continuing until all representatives of associations or other interested groups of persons have had an opportunity to be heard concerning the proposed adoption of rules of the State Department of Public Safety governing the establishment of information and requirements for vehicle owners and reparation obligers and establishing procedures to revoke, secure and reinstate registration certificates and license plates. The need to adopt these rules arises and is based upon the legislative mandate in Minnesota Statutes 1974, 65B.48, which requires every owner of a motor vehicle required to be registered, licensed or

principally garaged in this state, to maintain No-Fault insurance and 65B.67, which provided for penalties for everyone violating 65B.48; 65B.69, which provides for the surrender of the registration plates and card when the insurance coverage is cancelled; and 65B.68, which grants the Commissioner of Public Safety authority to adopt rules to implement and provide for effective administration of this Act. The proposed regulations will permit the Commissioner of Public Safety to require every owner of a motor vehicle when applying for registration, re-registration, or transfer of ownership, or when the Department records indicate that an insurance policy is not in effect or as other circumstances indicate, to furnish insurance information as required by the Commissioner; further, that when the Department records indicate that the owner has ceased to maintain an insurance policy, the Commissioner will have authority to suspend the registration certificate and license plates and demand the immediate surrender thereof by the owner. It will also give the Commissioner authority to direct any peace officer to serve an Order of Suspension and Revocation and secure the registration certificate and/or license plates not surrendered. These regulations further provide that upon certification that a vehicle is again covered by an insurance policy,

the registration certificate and license plates will again be issued upon application for a duplicate registration plate after paying the proper fee. Anyone here today will be given an opportunity to give testimony limited to the subject of this hearing and it is permissible to present written material which should be marked as an exhibit and introduced for the record. Statements or briefs typed on eight-and-one-half by eleven inch paper may be submitted after the hearing to the Commissioner of Public Safety, State Highway Building, St. Paul, Minnesota 55105. Such statements must be postmarked no later than midnight, March 18th, 1975. I'll be calling on those of you who have indicated on the registration sheet that you would like to speak. Please speak clearly so that our court reporter does not miss anything. Before making your statement, introduce yourself, spell your name, give the name and address of the association you represent. Before we begin taking our testimony, I'm going to ask Mr. Fred Suhler, the Assistant Attorney General here, to introduce the following documents of the State Department of Public Safety.

MR. SUHLER: Thank you, Mr. Iverson. I have before me now a number of documents that have

already been marked as exhibits in these proceedings. These documents are marked Exhibits A, B, C, C1, D, D1, E and E1 and I'll identify each particular exhibit and offer them into the record in these proceedings. The Exhibit A is an Order for Hearing, setting this matter originally to be heard on the 17th of February, 1975. The Order for Hearing is dated the 31st of December, 1974, and it's signed by Edward G. Novak, Commissioner of Public Safety. Exhibit B is a Statement of Need of these particular rules, dated the 23rd of January, 1975. Exhibit C is a Notice of Hearing at this location to be heard on February 17th, 1975. This particular document is dated the 31st of December, 1974. Exhibit C1 is a Notice of Rescheduling of these proceedings since the original scheduled date of February 17th, 1975, was a legal holiday and that was not noticed at the time these rules were proposed. This document is dated the 21st of January, 1975. Exhibit D is a Certificate from a person who works for the Secretary of State of the State of Minnesota, dated the 13th of January. A Certificate of Fact that the Department has received a list of those who wish to receive notice of these proceedings. Exhibit D1 is a Certificate dated January 23rd, which was required by the change in the date, basically. The Department had to go over and do this

all over again on the mailing. Exhibit E is an Affidavit of Mailing, dated the 15th of January, 1975, signed by Jerome Clysdale, an employee of the Department of Public Safety. Exhibit E1 is another Affidavit by the same individual, dated the 14th of January, 1975, which goes into the mailing of the further notice and Order for Hearing on the rescheduled time. These documents are self-explanatory and I would offer them into the record of these proceedings, Exhibit A through E1.

MR. IVERSON: Thank you, Mr. Suhler. I think I would then like to call on Mr. Ken Dirkzwager, the Director of the Driver License Division, to explain the rules.

MR. DIRKZWAGER: Thank you, Mr. Iverson. Briefly, the rules provide that the owner of a vehicle, when he applies to registration, re-registration or transfer vehicles, supply insurance information on that document which is furnished to the Department. It further provides that if at a later date the Department finds a need to secure any information from the individual, he can receive information that the insurance has been cancelled, that we write the insurance of the individual and find out whether he has secured insurance of some other company. In

other words, we want to be sure that if we ever hear that a person doesn't have insurance and we can verify with the person and we have the right to do this. In line with this, we need the insurance company's cooperation and that they would have to verify this and that is part of these rules. A little bit further on in Chapter 6 of the proposed rules is where it grants the Commissioner authority to suspend the registration certificate and license plates of those vehicles which no longer have insurance and it gives the Commissioner authority to direct the police officer to go out and secure the plates and registration certificate if the person does not surrender them voluntarily. It further provides that when a person again secures insurance, after he has had it suspended, cancelled, revoked, that the Department has authority to issue new registration plates and certificates upon paying the additional application fee. And I think, briefly, that covers the proposed regulations as we have submitted them today.

MR. IVERSON: Thank you, Mr. Dirkzwager. At this time, I'll ask for testimony from anyone who would like to make a presentation. I have no indication in the registration that anyone does want to make a presentation. Any of you gentlemen like to say anything in regard to this matter?

(No response.)

MR. IVERSON: All right. Then, hearing none, I'll state that twenty days will be allowed for post-hearing submissions of evidence, statements or briefs. Such statements must be typed on eight-and-one-half by eleven inch paper and must be mailed to the Commissioner of Public Safety, State Highway Building, St. Paul, Minnesota 55105 and postmarked no later than midnight, March 18th, 1975. If there is no further discussion in this matter, this hearing is adjourned.
