APPENDIX "A"

AMENDMENTS TO RULE AE&LS 9 AS RECOMMENDED FOR ADOPTION BY THE BOARD OF REGISTRATION OF ARCHITECTURE, ENGINEERING, LAND SURVEYING AND LANDSCAPE ARCHITECTURE ON FEBRUARY 27, 1976

AE&LS 9.1 Examination of Landscape Architect Applicants.

(a) Education and Experience. An applicant for registration as a Landscape Architect shall be required to pass a written and oral examination as provided herein. To qualify for such examination, the applicant shall present satisfactory evidence that the following requirements have been met.

(1) Graduated from a landscape architecture curriculum of a university or college accredited by the American Society of Landscape Architects Committee on Education.

(2) Completed at least three years of satisfactory diversified experience, after graduation, under the supervision of registered Landscape Architects.

(3) An applicant may also qualify provided that satisfactory evidence is submitted to the Board that the education and subsequent experience of such applicant are substantially equivalent to the above requirements as set forth in the following table:

Classification	Professional Education (years)	Professional Experience (years)	Total Education and Experience
Graduate of ASLA Accredited Landscape Architectural Curriculum			
5-year course	5	3	8
4-year course	4	4	8
Other Related Degree Plus Graduate of ASLA Accredited Graduate L.A. Curriculum	5	3	8
Graduate of Non-Accredited Landscape Architectural Curriculum			
5-year course	4	5	9
4-year course	3	6	9
Other Related Field Degree Plus Graduate of Non-Accredited L. A. Curriculum	4	5	9
Graduate of NAAB Accredited Architectural Curriculum	3	7	10
Graduate of ECPD Accredited Engineering Curriculum	3	7	10

Classification	Professional Education (years)	Professional Experience* (years)	Total Education and Experience
Graduate of Non-Accredited Architectural Curriculum	2	9	11
Graduate of Non-Accredited Engineering Curriculum	2	9	11
Graduate of Two Years Technical School in Landscape Architecture	2	9	11
No Professional Education	0	13	13

*Professional experience must be acquired after graduation except that continuous experience gained in increments of ninety days or more, before graduation will be evaluated by the Board. Professional experience is defined as equivalent to satisfactory diversified general practice under the supervision of registered Landscape Architects.

(4) For non-graduates, each year of approved Landscape Architectural Education successfully completed at college level shall receive full credit.

(5) Employment by Government agencies, Engineering firms, general contractors, in areas directly related to landscape architectural construction, may be substituted for professional experience, as defined above; one full year of such experience will be considered the equivalent of one-half year of full-time professional experience, but not over two years of credit toward professional experience will be given for such experience.

(6) Employment by Government agencies, including the military, when diversified and comparable to employment in the office of a registered Landscape Architect with a verified record of substantial practice shall receive full credit with no time limitation. Such work shall be directly related to Landscape Architecture and shall be under the direct supervision of a registered Landscape Architect. This provision shall also apply to those registered Landscape Architects employed in a capacity of manager.

(7) Employment by organizations that have employees performing Landscape Architectural services in connection with projects used or owned by that organization when said employment is directly related to Landscape Architectural work and is under the direct supervision of a registered Landscape Architect shall receive full credit with no time limitation. This provision shall also apply to those registered Landscape Architects employed in a capacity of manager.

(8) Employment or practice in such fields as interior design, architecture, engineering, city planning and periods of employment with such organizations as VISTA, HUD, Peace Corps and advocacy planning shall receive full credit up to a maximum of two years when such work is related to Landscape Architecture.

(9) An advanced degree from an ASLA Committee on Education accredited Landscape Architecture curriculum shall receive full credit up to a maximum of two years. Teaching and research in an ASLA Committee on Education Accredited curriculum shall also receive full credit as determined by the Board.

(10) Other training, education, teaching or practical experience of a landscape architectural nature will be subject to review and determination by the Board.

(b) Application and Oral Examination.

The Board shall review the applicant's experience record and conduct a personal interview of each applicant for admission to the examination process. The personal interview shall consist of direct examination by the Board to include such additional exhibits of drawings, specifications, photographs of work, letters of reference, as the Board may direct.

(c) Written Examinations - Shall be provided by the National Council of Landscape Architectural Registration Boards (CLARB). Handbooks, tables, reference books, bound notes and hand-held non-programmable battery-operated electronic calculators are permitted when authorized by the Board.

(d) Landscape Architect-in-Training. An applicant for certification as a Landscape Architect-in-Training shall present satisfactory evidence to the Board that they have either:

(1) Graduated from an accredited Landscape Architectural curriculum appearing on the list of accredited curricula current at the time of applicant's graduation as published by the American Society of Landscape Architects (ASLA) Committee on Education, or

(2) Completed ten years of satisfactory diversified experience, when such experience is directly related to Landscape Architectural work and is approved by the Board. Each scholastic year of study satisfactorily completed in a curriculum accredited by the ASLA Committee on Education or its educational equivalent shall be considered equal to two years of Landscape Architectural experience.

(e) Professional Practice Examination.

An applicant for registration as Landscape Architect by examination shall be admitted to the Professional Practice Examination in Landscape Architecture provided the applicant has:

(1) Successfully completed the Landscape Architect-in-Training Examination and

(2) Completed total combined education and experience as noted in table contained in Rule 9.1(a).

(f) Qualification for Registration Without Written Examination. The Board shall, with reference to applications received from persons not residing in Minnesota, issue a certificate of registration as a landscape architect when a CLARB certificate is furnished to the Board. Applicants shall submit a treatise to the Board.

(g) Qualification for Registration Without Written Examination prior to January 1, 1977 (Expires January 1, 1977)

(1) The Board shall, with reference to applications for registration received prior to January 1, 1977, issue a certificate of registration as a landscape architect, without examination, to any applicant submitting evidence to the Board that one or more of the classifications listed in the table contained in Rule 9.1(a) has been met.

(2) Each applicant not holding a CLARB certificate shall appear before the Board for a personal interview for the purpose of reviewing the applicability of experience for registration.

(3) Applicants who are not residents of Minnesota and are registered by another jurisdiction but do not hold CLARB certification shall submit a treatise to the Board relative to Minnesota construction conditions and plant materials applicable to Minnesota.

CERTIFICATE OF ADOPTION OF
RESOLUTION AUTHORIZING HEARING

I, Rudolph W. Monson, do hereby certify that I am Secretary of the Board of Registration for Architecture, Engineering, Land Surveying and Landscape Architecture, a Board duly authorized under the laws of the State of Minnesota, that the following is a true, complete and correct copy of a resolution adopted at a meeting of the Board duly and properly called and held on the 25th day of September, 1975; that a quorum was present at said meeting; that a majority of those present voted for the resolution; and that said resolution is set forth in the minutes of said meeting and has not been rescinded or modified:

RESOLUTION

"RESOLVED: That Rudolph W. Monson and G. Leigh Morrow, two of the members of the Board of Registration of Architecture, Engineering, Land Surveying and Landscape Architecture, be and they are granted the authority and directed to call a hearing for the purpose of promulgating amendments to the Rules of the Board of Registration of Architecture, Engineering, Land Surveying and Landscape Architecture pursuant to Appendix A attached hereto, as well as to perform any and all acts incidental thereto, including without limitation, signing an order for hearing and notice of hearing as well as acting as presiding officer at all hearings."

IN WITNESS WHEREOF, I have hereunto subscribed my name this 10 day of November, 1975.

Rudolph W. Monson
Secretary

STATE OF MINNESOTA

APPENDIX A
PROPOSED RULE

AE&LS 9.1 Examination of Landscape Architect Applicants.

(a) Education and Experience. An applicant for registration as a Landscape Architect shall be required to pass a written and oral examination as provided herein. To qualify for such examination, he shall present satisfactory evidence that he has:

(1) Graduated from landscape architecture curriculum of a university or college accredited by the American Society of Landscape Architects Committee on Education.

(2) Completed at least three years of satisfactory diversified experience, after graduation, under the supervision of registered Landscape Architects.

(3) An applicant may also qualify provided that he submits to the Board satisfactory evidence that his education and subsequent experience are substantially equivalent to the above requirements as set forth in the following table:

Classification	Professional Education (years)	Professional Experience * (years)	Total Education and Experience
Graduate of ASLA Accredited Landscape Architectural Curriculum			
5-year course	5	3	8
4-year course	4	5	9
Graduate of Non-Accredited Landscape Architectural Curriculum			
5-year course	4	5	9
4-year course	3	7	10
Graduate of NAAB Accredited Architectural Curriculum	3	7	10
Graduate of ECPD Accredited Civil or Mechanical Engineering Curriculum	3	7	10
Graduate of Non-Accredited Architectural Curriculum	2	9	11
Graduate of Non-Accredited Civil or Mechanical Engineering Curriculum	2	9	11

*Professional experience must be acquired after graduation except that continuous experience gained before graduation will be evaluated by the Board. An applicant with qualified experience will be granted credit in accordance with CLARB Table of Equivalents. Professional Experience is defined as equivalent to satisfactory diversified general practice under the supervision of registered Landscape Architects.

(4) For non-graduates, each year of approved Landscape Architectural Education successfully completed at the college level shall be credited in accordance with the CLARB Table of Equivalents.

(5) Employment by Government agencies, Engineering firms, general contractors, in areas directly related to construction, may be substituted for professional experience, as defined above; one full year of such experience will be considered the equivalent of one-half year of full-time professional experience, but not over two years of credit toward professional experience will be given for such experience.

(6) Employment by Government agencies, including the military, when diversified and comparable to employment in the office of a registered Landscape Architect with a verified record of substantial practice shall receive full credit with no time limitation. Such work shall be directly related to Landscape Architecture and shall be under the direct supervision of a registered Landscape Architect. This provision shall also apply to those registered Landscape Architects employed in a capacity of manager.

(7) Employment by organizations that have employees performing Landscape Architectural services in connection with projects used or owned by that organization when said employment is directly related to Landscape Architectural work and is under the direct supervision of a registered Landscape Architect shall receive full credit with no time limitation. This provision shall also apply to those registered Landscape Architects employed in a capacity of manager.

(8) Employment or practice in such fields as interior design, architecture, engineering, city planning and periods of employment with such organizations as VISTA, HUD, Peace Corps and advocacy planning shall receive full credit up to a maximum of two years.

(9) Practical training gained prior to the acquisition of a Landscape Architecture degree shall be credited in accordance with the CLARB Table of Equivalents.

(10) An advanced degree from an ASLA Committee on Education accredited Landscape Architecture curriculum or teaching and research in such accredited curricula shall receive full credit up to a maximum of two years.

(11) Other training, education, teaching or practical experience will not be acceptable to the Board.

(b) Application and Oral Examination.

The Board shall review the applicant's experience record and conduct a personal interview of each applicant for admission to the examination process. The personal interview shall consist of direct examination by Board to include such additional exhibits of drawings, specifications, photographs of work, letters of reference, as the Board may direct.

(c) Written Examination.

(1) Landscape Architect-in-Training Examination

Part I -	History and Theory	2 hours
Part II -	Planting Design and Materials	6 hours
Part III -	Landscape Architectural Design	12 hours

(2) Professional Practice Examination

Part IV -	Landscape Architectural Construction	10 hours
Part V -	Professional Administration	2 hours

(3) Handbooks, tables, reference books, bound notes and hand-held non-programmable battery-operated electronic calculators are permitted when authorized by the Board.

(d) Landscape Architect-in-Training. An applicant for certification as a Landscape Architect-in-Training shall present satisfactory evidence to the Board that he or she has either:

(1) Graduated from an accredited Landscape Architectural curriculum appearing on the list of accredited curricula current at the time of his or her graduation as published by the American Society of Landscape Architects (ASLA) Committee on Education, or

(2) Completed ten years of satisfactory diversified experience under the supervision of registered Landscape Architects; each scholastic year of study satisfactorily completed in a curriculum accredited by the ASLA Committee on Education shall be considered in accordance with the National Council of Landscape Architectural Registration Boards (CLARB) Table of Equivalents.

(e) Professional Practice Examination.

An applicant for registration as Landscape Architect by examination shall be admitted to the Professional Practice Examination in Landscape Architecture provided he or she has:

(1) Successfully completed the Landscape Architect-in-Training Examination and

(2) Completed a total of thirteen years of combined education and experience satisfactory to the Board. Each year of education approved by the Board in accordance with the table herein shall be credited as two years of experience.

(f) Qualification for Registration Without Written Examination.

The Board shall, with reference to applications for registration received prior to January 1, 1977, issue a certificate of registration as a landscape architect, without examination, to any applicant submitting evidence to the Board that he has had not less than ten years full-time experience, or equivalent, in the practice of landscape architecture of a character satisfactory to the Board. Each such applicant shall appear before the Board for a personal interview for the purpose of reviewing the applicability of experience for registration.

STATE OF MINNESOTA

COUNTY OF RAMSEY

BEFORE THE STATE BOARD OF REGISTRATION FOR ARCHITECTS, ENGINEERS, LAND SURVEYORS AND LANDSCAPE ARCHITECTS

In the Matter of:

Proposed Amendments to Rule AE&LS 9 of the Rules and Regulations of the Board of Registration for Architects, Engineers, Land Surveyors and Landscape Architects.

STATEMENT OF NEED

By Laws 1975 chapter 329, the Minnesota Legislature provided for the registration of professional landscape architects by the Board of Registration for Architects, Engineers and Land Surveyors, effective August 1, 1975. By the same Act, the legislature changed the name of the Board to the State Board of Registration for Architects, Engineers, Land Surveyors and Landscape Architects (Section 6), authorized the Board to determine by rule the qualification for registration of landscape architects (Section 12), to register landscape architects by comity (Section 12), and under certain conditions, to grant certificates to landscape architects-in-training. There are presently no rules of the Board as authorized and directed by the foregoing statute. Such rules are necessary for the effective enforcement of the statute.

The proposed rules are necessary to enable the Board to administer its new duties in connection with registration of landscape architects. Procedures for registration, both with and without examination, are necessary to comply with the governing statute. These rules are designed to protect the public from unqualified persons and to measure the qualifications and experience of

candidates for registration as landscape architects.

The proposed rules would define the education background and professional experience necessary for a candidate to possess before he or she could make application to take a written and oral examination for registration. It would also provide for the written and oral examinations, review by the Board of an applicant's professional work, and an architect-in-training examination.

The prerequisites for the professional examination would be successful completion of the landscape architect-in-training examination and completion of the combined education and experience requirement. The written portion of the professional practice examination would be that provided by the National Council of Landscape Architecture Registration Board. The rule would also provide a registration procedure for those landscape architects currently practicing their profession.

The proposed rule is based upon a similar rule adopted by the Council of Landscape Architects Registration Board (CLARB) and modified to the particular situation in Minnesota. CLARB is the instrumentality through which the Landscape Architecture Registration Boards of the several states are able to grant comity registration to out-of-state registrants (Minn. Stat. §326.10 subd. 1 (2)). If the principle of comity registration is to operate effectively to protect the citizens of Minnesota and to assure reciprocal acceptance of Minnesota registrants in other states, a uniform system of examination is required. The proposed rule would accomplish that end.

Dated December 11, 1975

RECOMMENDED CHANGES TO PROPOSED RULE AE&LS 9.1

The following changes have been recommended by the Ad Hoc Committee for the Registration of Landscape Architects to be made to the Proposed Rule for the registration of Landscape Architects being heard today.

1. In the first classification appearing in the chart on page 1 of the Proposed Rule the figures appearing under the columns "Professional Experience" and "Total Education and Experience" for a 4-year course should read 4 and 8 respectively.

2. In the second classification appearing in the chart on page 1 of the Proposed Rule the figures appearing under the columns "Professional Experience" and "Total Education and Experience" for a 4-year course should read 6 and 9 respectively.

3. A classification "No Professional Education" should be added at the bottom of page 1 of the Proposed Rule with the figure "0" added in the column under the heading "Professional Education"; the figure "13" added in the column under the heading "Professional Experience" and the figure "13" added in the column under the heading "Total Education and Experience".

4. Line 2, page 2 of the Proposed Rule should read "...experience gained in increments of ninety days or more, before..."

5. Lines 2 and 3, clause (a)(5), page 2 of the Proposed Rule should read "...directly related to landscape architectural construction..."

6. Line 5, clause (a)(8), page 2 of the Proposed Rule should read "...of two years when such work is related to Landscape Architecture."

7. Clause (a)(11), page 3 of the Proposed Rule should read "Other training, education, teaching or practical experience of a landscape architectural nature will be subject to review and determination by the Board."

8. Clause (c), page 3 of the Proposed Rule should be deleted and replaced with the following language "Written Examination - shall be as provided by the National Council of Landscape Architectural Registration Boards (CLARB). Handbooks, tables, reference books, bound notes and hand-held non-programmable battery-operated electronic calculators are permitted when authorized by the Board.

9. Clause (d)(2), page 3 of the Proposed Rule should be deleted and replaced with the following language

"Completed ten years of satisfactory diversified experience, when such experience is directly related to Landscape Architectural work and is approved by the Board. Each scholastic year of study satisfactorily completed in a curriculum accredited by the ASLA Committee on Education or its educational equivalent shall be considered equal to two years of Landscape Architectural experience."

10. Clause (e)(2), page 4 of the Proposed Rule should read "Completed total combined education and experience as noted in the chart contained herein."

11. Clause (f), page 4 of the Proposed Rule should be deleted and replaced with the following language

"Qualification for Registration Without Written Examination.

(1) The Board shall, with reference to applications received from persons not residing in Minnesota, issue a certificate of registration as a landscape architect when a CLARB certificate is furnished to the Board. Such applicants shall submit a treatise to the Board relative to Minnesota construction conditions and planting materials applicable to Minnesota.

(2) The Board shall, with reference to applications for registration received from Minnesota residents prior to January 1, 1977, issue a certificate of registration as a landscape architect, without examination, to any applicant submitting evidence to the Board that he:

(a) holds CLARB certification.

(b) meets one of the classifications listed in the table contained herein.

Each applicant not holding a CLARB certificate shall appear before the Board for a personal interview for the purpose of reviewing the applicability of experience for registration."

Exhibit 8

PROPOSED RULE (Draft #2, 9/19/75)

AE&LS 9.1 Examination of Landscape Architect Applicants.

(a) Education and Experience. An applicant for registration as a Landscape Architect shall be required to pass a written and oral examination as provided herein. To qualify for such examination, he shall present satisfactory evidence that he has:

(1) Graduate from a landscape architecture curriculum of a university or college accredited by the American Society of Landscape Architects Committee on Education.

(2) Complete at least three years of satisfactory diversified experience, after graduation, under the supervision of registered Landscape Architects.

(3) An applicant may also qualify provided that he submits to the Board satisfactory evidence that his education and subsequent experience are substantially equivalent to the above requirements as set forth in the following table:

Classification	Professional Education (years)	Professional Experience * (years)	Total Education and Experience
Graduate of ASLA Accredited Landscape Architectural Curriculum			
5-year course	5	3	8
4-year course	4	4	8
Graduate of Non-Accredited Landscape Architectural Curriculum			
5-year course	4	5	9
4-year course	3	6	9
Graduate of NAAB Accredited Architectural Curriculum	3	7	10
Graduate of ECPD Accredited Civil or Mechanical Engineering Curriculum	3	7	10
Graduate of Non-Accredited Architectural Curriculum	2	9	11
Graduate of Non-Accredited Civil or Mechanical Engineering Curriculum	2	9	11
No Professional Education	0	13	13

*Professional experience must be acquired after graduation except that continuous experience gained in increments of ninety days or more, before graduation will be evaluated by the Board. An applicant with qualified experience will be granted credit in accordance with CLARB Table of Equivalents. Professional Experience is defined as equivalent to satisfactory diversified general practice under the supervision of registered Landscape Architects.

(4) For non-graduates, each year of approved Landscape Architectural Education successfully completed at the college level shall be credited in accordance with the CLARB Table of Equivalents.

(5) Employment by Government agencies, Engineering firms, general contractors, in areas directly related to landscape architectural construction, may be substituted for professional experience, as defined above; one full year of such experience will be considered the equivalent of one-half year of full-time professional experience, but not over two years of credit toward professional experience will be given for such experience.

(6) Employment by Government agencies, including the military, when diversified and comparable to employment in the office of a registered Landscape Architect with a verified record of substantial practice shall receive full credit with no time limitation. Such work shall be directly related to Landscape Architecture and shall be under the direct supervision of a registered Landscape Architect. This provision shall also apply to those registered Landscape Architects employed in a capacity of manager.

(7) Employment by organizations that have employees performing Landscape Architectural services in connection with projects used or owned by that organization when said employment is directly related to Landscape Architectural work and is under the direct supervision of a registered Landscape Architect shall receive full credit with no time limitation. This provision shall also apply to those registered Landscape Architects employed in a capacity of manager.

(8) Employment or practice in such fields as interior design, architecture, engineering, city planning and periods of employment with such organizations as VISTA, HUD, Peace Corps and advocacy planning shall receive full credit up to a maximum of two years when such work is related to Landscape Architecture.

(9) Practical training gained prior to the acquisition of a Landscape Architecture degree shall be credited in accordance with the CLARB Table of Equivalents.

(10) An advanced degree from an ASLA Committee on Education accredited Landscape Architecture curriculum or teaching and research in such accredited curricula shall receive full credit up to a maximum of two years.

(11) Other training, education, teaching or practical experience of a landscape architectural nature will be subject to review and determination by the Board.

(b) Application and Oral Examination.

The Board shall review the applicant's experience record and conduct a personal interview of each applicant for admission to the examination process. The personal interview shall consist of direct examination by Board to include such additional exhibits of drawings, specifications, photographs of work, letters of reference, as the Board may direct.

(c) Written Examination - shall be as provided by the National Council of Landscape Architectural Registration Boards (CLARB). Handbooks, tables, reference books, bound notes and hand-held non-programmable battery-operated electronic calculators are permitted when authorized by the Board.

(d) Landscape Architect-in-Training. An applicant for certification as a Landscape Architect-in-Training shall present satisfactory evidence to the Board that he or she has either:

(1) Graduated from an accredited Landscape Architectural curriculum appearing on the list of accredited curricula current at the time of his or her graduation as published by the American Society of Landscape Architects (ASLA) Committee on Education, or

(2) Completed ten years of satisfactory diversified experience, when such experience is directly related to Landscape Architectural work and is approved by the Board. Each scholastic year of study satisfactorily completed in a curriculum accredited by the ASLA Committee on Education or its educational equivalent shall be considered equal to two years of Landscape Architectural experience.

(e) Professional Practice Examination.

An applicant for registration as Landscape Architect by examination shall be admitted to the Professional Practice Examination in Landscape Architecture provided he or she has:

(1) Successfully completed the Landscape Architect-in-Training Examination and

(2) Completed total combined education and experience as noted in chart contained herein.

(f) Qualification for Registration Without Written Examination.

(1) The Board shall, with reference to applications received from persons not residing in Minnesota, issue a certificate of registration as a landscape architect when a CLARB certificate is furnished to the Board. Such applicants shall submit a treatise to the Board relative to Minnesota construction conditions and planting materials applicable to Minnesota.

(2) The Board shall, with reference to applications for registration received from Minnesota residents prior to January 1, 1977, issue a certificate of registration as a landscape architect, without examination, to any applicant submitting evidence to the Board that he:

(a) holds CLARB certification.

(b) meets one of the classifications listed in the table contained herein.

Each applicant not holding a CLARB certificate shall appear before the Board for a personal interview for the purpose of reviewing the applicability of experience for registration.

Suggested Changes to Proposed Rule AE&LS 9.1

The following changes are suggested to made to the Proposed Rule for the registration of Landscape Architects being heard today.

1. Delete the sentence beginning on line 3 and ending on line 5 of page 2 that reads "An applicant with qualified experience will be granted credit in accordance with CLARB Table of Equivalent."

2. Clause (a) (4), page 2 should read "For non-graduates, each year of approved Landscape Architectural Education successfully completed at the college level shall receive full credit."

3. Delete Clause (a) (9), page 2.

4. Renumber Clause (a) (10), page 3 as Clause (a) (9).

5. Renumber Clause (a) (11), page 3 as Clause (a) (10).

Dear Mr. Torseth:

As you have requested the faculty in Landscape Architecture reviewed the registration requirements for landscape architects in Minnesota.

In general we found the requirements reasonable and well prepared. Our concerns focused in two areas; proper credit for graduate school trained professionals, and credit for paraprofessional education. The accompanying chart indicates those adjustments we would recommend under AE&LS 9.1 (3) to allow proper credit for professionals receiving their training via these two methods.

We reviewed the issue of whether or not one should allow a person to take the exam who has no professional education and 13 years of experience, and recommend that this be allowed. Although we believe in the value of education, we also believe that someone could learn the functions of a professional via the apprenticeship training situation.

We also recommend that the paragraph (10) be altered as shown on the attached sheet to give a minimum of credit for years spent in education and research in lieu of practice.

If you have any questions on these recommendations please give me a call.

Sincerely,

Roger B. Martin, Chairman
Landscape Architecture

Landscape Architect Registration Rules

The following proposed additions to rules of the Minnesota Board of Registration were approved:

1. Revise the chart under AE&LS 9.1 (3) to include the following:

Classification	Professional Education (years)	Professional Experience * (years)	Total Education and Experience
Other Related Degree Plus Graduate of ASLA Accredited Graduate L.A. Curriculum	5	3	8
Other Related Field Degree Plus Graduate of Non-Accredited L.A. Curriculum	4	5	9
Graduate of Two Year Technical School in Landscape Architecture	2	9	11

NOTE: Other related degrees may include degrees such as Forestry, Horticulture, Art, Architecture, Engineering, etc.

2. Revise the paragraph AE&LS 9.1 (10) to the following:

An advanced degree from an ASLA Committee on Education accredited Landscape Architecture curriculum shall receive full credit up to a maximum of two years. Teaching and research in an ASLA Committee on Education Accredited curriculum shall also receive full credit for up to a maximum of two years.

CERTIFICATE OF RESOLUTION BY BOARD ADOPTING
AMENDMENTS TO RULES AND REGULATIONS

I, Rudolph W. Monson, do hereby certify that I am Secretary of the Board of Registration of Architecture, Engineering, Land Surveying and Landscape Architecture, a Board duly authorized under the laws of the State of Minnesota, and that the following is a true, complete, and correct copy of a resolution adopted at a meeting of the Board duly and properly called and held on the 27th day of February, 1976; that a quorum was present at said meeting; that said resolution is set forth in the Minutes of said meeting and has not been rescinded or modified.

RESOLUTION

"RESOLVED: That the Rules and Regulations of the Board relating to Landscape Architecture and Landscape Architect-in-Training classifications and the examination of applicants for registration and certification thereof, as set forth in Appendix "A" hereto be and they hereby are approved and adopted, pursuant to authority vested in this Board by Minn. Stat. §§326.10 and 15.0412, and that G. Leigh Morrow, Chairman of this Board, be and hereby is authorized to sign an Order adopting these Rules."

IN WITNESS WHEREOF, I have hereunto subscribed my name this

27 day of February, 1976.

Proposed Amendments to Rule AE&LS 9 of the Rules and Regulations of the Board of Registration of Architecture, Engineering, Land Surveying and Landscape Architecture.

FINDINGS, CONCLUSIONS AND ORDER ON PROPOSED AMENDMENTS

The above entitled matter came on for hearing before the Board of Registration of Architecture, Engineering, Land Surveying and Landscape Architecture (the "Board") at 9:30 o'clock a.m. on the 12th day of December, 1975, at the offices of the Board, Metro Square Building, Seventh and Robert Streets, St. Paul, Minnesota, after proper notice, as required by Minn. Stat. §15.0412, was duly served on November 10, 1975, upon all persons, associations and other interested groups registered with the Secretary of State for that purpose.

After affording interested persons an opportunity to present oral and written data, statements and arguments, and upon the basis of the evidence introduced at the hearing and the record thereof, and upon all the records, files and proceedings therein, the Board makes the following Findings, Conclusions and Order recommending adoption of the annexed amendments to its Rules and Regulations.

FINDINGS AND CONCLUSIONS

The following Findings and Conclusions are based upon evidence presented at the hearing and the record thereof:

1. On September 25, 1975, the Board adopted a resolution directing that a hearing be called for the purpose of promulgating amendments to the Rules of the Board to establish qualifications for registration of landscape architects.

2. The need to promulgate Rules relating to the practice of landscape architecture arose as a result of the adoption by the Legislature of Laws 1975, c. 329, §§1 and 2, subd. 4a, defining the practice of landscape architecture and prohibiting the practice thereof by any person without registration in the manner required by law.

3. Laws 1975, c.329, §2, subd. 4a (Minn. Stat. §326.02, subd. 4a) defines the practice of landscape architecture to mean:

> ... any professional service in connection with the development of land areas where the dominant purpose of the service is the preservation, enhancement or determination of proper land use, natural land features, ground cover and the planting, naturalistic and aesthetic values, the settings, approaches or environment for structures or other improvements and the consideration and determination of inherent problems of the land relating to erosion, wear and tear, blight and hazards. This practice shall include the location and arrangement of tangible objects and features incidental and necessary to the purposes outlined but shall not include the design of structures or facilities with separate and self-contained purposes as ordinarily included in the practice of engineering or architecture or the preparation of boundary surveys or final land plats, as ordinarily included in the practice of land surveying.

Subd. 4a excludes from the coverage of the law regulating the practice of landscape architecture any duly registered professional engineer, architect, or land surveyor, or any "nurserymen or other small businessmen" engaged in the "preparation of landscape plans appropriate to the normal operation of their business."

4. Laws 1975, c. 329 also authorized the Board to determine by Rule the qualification for registration of landscape architects (§12), to register landscape

architects by comity (§12), and under certain conditions, to grant Certificates to "landscape architects-in-training".

5. On November 10, 1975 the Board issued and distributed a Notice of Hearing, together with a copy of Proposed Amendments relating to the examination and registration of landscape architect applicants, advising all interested persons that a Hearing would be held to receive evidence in support or modification of the Proposed amendments as published.

6. Following publication of the Notice of Hearing, the Executive Secretary of the Board met with representatives of the landscape architect profession to review the proposed amendments and to consider whether, as published, they would carry out and implement the purposes of Laws 1975, c. 329, §§1 and 2.

7. The Ad Hoc Committee for the Registration of Landscape Architects, consisting of three members of the Board of Registration and six representatives of the landscape architects profession, recommended certain modifications of the Proposed Amendments as published which were presented and considered at the December 12, 1975 Hearing (Exhibits 7 and 8, Tr. pp. 8-14).

8. During the course of the Hearing, additional proposed modifications to the proposed Rules, as published, were presented for consideration by the Board. (Exhibits 9, 10; Tr. pp. 29-39).

9. Following the close of the Hearing, additional comments were received proposing further modifications of the proposed Rules as published and as proposed to be modified at the Hearing. The additional comments were received from Roger B. Martin, Chairman, Department of Landscape Architecture, School of Architecture and Landscape Architecture, University of Minnesota whose proposed modification was supported and approved by the Faculty of his Department.

10. Following the close of the Record, the Rules Revision Committee of the Board met to review the entire Record, the Proposed Rules, as originally published, and all proposed modifications thereof. On February 27, 1976, the Rules Revision Committee presented its findings and recommendations to the Board together with a proposed draft of Rule AE&LS 9.1 which incorporated such changes in the Rule , as originally published or modified, as the Committee found to be supported by the Record. Proposed Rule AE&LS 9.1, as recommended by the Rules Revision Committee, was adopted by the Board on that same date.

11. Proposed Rule AE&LS 9.1 defines the educational background and professional experience that a candidate must possess before he or she may make application to take a written and oral examination for registration as a landscape architect. It also provides for written and oral examinations, review by the Board of an applicant's professional work, and establishes the requirements and qualifications for examination and certification as a landscape architect-in-training.

12. Proposed Rule AE&LS 9.1 is based upon a similar rule adopted by the Council of Landscape Architects Registration Boards (CLARB) but modified to conform with the requirements of Minnesota Law and other factors as disclosed in the Record. CLARB is the instrumentality through which the Landscape Architect Registration Boards of the several states are able to grant comity registration to out-of-state registrants in accordance with the provisions of Minn. Stat. §326.10, subd. 1(2). If the principle of comity registration is to operate effectively to protect the citizens of Minnesota and to assure reciprocal acceptance of Minnesota registrants in other states, a uniform statement of examination is required. The proposed Rule will accomplish that end while, at the same time, carrying out the purposes of Laws 1975, c.329, §§1 and 2.
