ADOPTED RULES

MINNESOTA DEPARTMENT OF PUBLIC SAFETY

DIVISION OF MOTOR VEHICLES

Chapter Five: Bicycle Registration: Applications, Issuance, Transfer, Refunds, Motor Vehicle Deputy Registrars, and Bicycle Deputy Registrars.

MoVeh 70 PURPOSE

The purpose of these rules is to implement and provide effective administration for the registration and licensing of bicycles as provided by Laws 1976, Chapter 199.

MoVeh 71 SCOPE

The scope of these regulations is intended to be consistent with the provisions of Laws 1976, Chapter 199.

MoVeh 72 DEFINITIONS

For the purposes of these rules, the following terms shall have the meanings ascribed to them:

A. Central Office: The main office of the Division of Motor Vehicles located in the Transportation Building, St. Paul.

B. Division: The Division of Motor Vehicles of the Department of Public Safety of the State of Minnesota.

C. Registrar: The registrar of motor vehicles of the State of Minnesota.

MoVeh 73 APPLICATION, CONTENTS

The application will contain the owners name, address, and signature, the name and address of the person from whom purchased, the date of purchase, the date of registration,

the make and serial number of the bicycle, the owner's date of birth, the number of wheels, wheel size (diameter), number of gears, and the type of frame of the bicycle being licensed.

MoVeh 74 REPLACEMENT LICENSES AND REGISTRATION CARDS

In the event of loss, theft, or defacement of the bicycle license or registration card issued, the registrar, upon receiving a written statement from the owner setting forth the circumstances, may issue a new bicycle license or registration card. The fee required by M.S. 168C.07 shall be paid.

MoVeh 75 PROOF OF OWNERSHIP

A. The following will be considered proper proof of ownership:

1. The receipt from a bicycle dealer showing the buyer's name and address, the brand name and serial number of the bicycle, the date of sale, and the dealer's signature.
2. A Minnesota bicycle registration card.
3. A registration card or ownership document issued by a political subdivision that had been licensing bicycles prior to March 1, 1977.

B. If no proof of ownership has been supplied, [[no license]] a DPS2751, certification of ownership of a bicycle, must be completed. A license will be issued but no registration card will be issued until a check of the stolen files has been made.

C. If no proof of ownership is supplied and the bicycle is not listed as stolen, a [[license]] registration card will be issued and the records and registration

card will be marked to indicate no proof of ownership was supplied. When the license is renewed at the end of three years the indicator that no proof of ownership was supplied will be removed from both the record and the registration card.

MoVeh 76 LICENSE ISSUE, CENTRAL OFFICE

A. No applications will be accepted by mail for license, duplicate license, or duplicate registration card.

B. Applications for transfer of ownership or change of address will be accepted through the mail.

C. Applications of all types brought to the central office in person will be accepted.

MoVeh 77 EXPIRATION AND RENEWAL OF LICENSES

A. A license will be valid for three years commencing from the year the license is issued.

B. Licenses will be renewable every three calendar years.

MoVeh 78 LOCATION OF LICENSE

The license will be placed on the bicycle frame, below the seat, on the left hand side of the bicycle facing outward.

MoVeh 79 REFUNDS

Refunds will be handled pursuant to M.S. 16A.48.

MoVeh 80 ASSIGNED SERIAL NUMBER, LOCATION

An assigned serial number must be stamped or otherwise permanently attached to the crank housing of the bicycle by the owner.

MoVeh 81 MOTOR VEHICLE AND BICYCLE DEPUTY REGISTRARS, REPORTS AND DEPOSITS

A. Motor vehicle deputy registrars shall deposit state

fees collected daily in the state depository in which they deposit other state fees collected.

B. Bicycle Deputy Registrars shall deposit state fees collected whenever the total fees reach $50 or [[each Friday]] the first and third Wednesday of each month, whichever comes first.

C. Bicycle deputy registrar deposits will be in the form of a check payable to the State Treasurer. The check will be submitted to the Division with the deputy's report.

C. Motor Vehicle and bicycle deputy registrars will submit with each deposit, a report listing all transactions since the last report.

MoVeh 82 MOTOR VEHICLE AND BICYCLE DEPUTY REGISTRARS, INVENTORIES

Each deputy on June 30 and December 31 of each year shall submit to the division a report on the complete inventory of [[stickers]] licenses on hand.

MoVeh 83 - 99 Reserved for future use.

STATE OF MINNESOTA

COUNTY OF RAMSEY

BEFORE EDWARD G. NOVAK

COMMISSIONER OF PUBLIC SAFETY

In the matter of the Proposed Adoption of Rules of the State Department of Public Safety Governing the Registration and Licensing of Bicycles.

ORDER FOR HEARING

To effectively implement Laws 1976, Chapter 199, the Minnesota Commissioner of Public Safety deems it necessary to consider adoption of the proposed rules captioned above pursuant to the authority vested in me by Minn. Stat. 299A.01, subd. 6 (1974).

NOW, THEREFORE, IT IS ORDERED this 20th day of January, 1977, that a public hearing on the proposed rules captioned above be held in Room B9 Transportation Building, St. Paul, MN on March 16, 1977, commencing at 9:00 a.m., and continuing until all representatives of associations or other interested groups or persons have had an opportunity to be heard.

IT IS FURTHER ORDERED, that a Notice of Hearing be mailed to all persons or representatives of associations or other interested groups who have registered their names with the Secretary of State for that purpose.

IT IS FURTHER ORDERED, that the Notice of Hearing be published in the State Register.

STATE OF MINNESOTA

COMMISSIONER OF PUBLIC SAFETY

EXHIBIT C

STATE OF MINNESOTA

COUNTY OF RAMSEY

BEFORE EDWARD G. NOVAK

COMMISSIONER OF PUBLIC SAFETY

In the matter of the Proposed Adoption of Rules of the State Department of Public Safety Relating to the Registration and Licensing of Bicycles.

NOTICE OF HEARING

Notice is hereby given that a public hearing in the above-entitled matter will be held in Room B9 Transportation Building, St. Paul, MN 55155, on March 16, 1977, commencing at 9:00 a.m., and continuing until all persons have had an opportunity to be heard concerning adoption of the proposed rules captioned above.

All interested or affected persons or representatives of groups or organizations will have an opportunity to participate by submitting either oral or written data, statements, or arguments. Written materials may be submitted by mail to Steve Mihalchick, Office of Hearing Examiners, 1745 University Ave., St. Paul, MN, either before the hearing or within 20 days after the close of the hearing.

The Commissioner proposes to adopt rules relating to the following matters: Administrative procedures for the registration and licensing of bicycles. Specifically, the proposed rules provided for the contents of application forms; proof of ownership; issuance, expiration and renewal of licenses; refunds; bicycle deputy registrars, reports, inventories, and deposits; location of license and serial number; and replacement licenses.

The department's authority to promulgate the proposed rules is contained in Laws 1976, Chapter 199. One free copy of the proposed rules are available and may be obtained by writing to Ms. Diane Hamilton, 210 Transportation Building, St. Paul, MN 55155. Additional copies will be available at the door on the date of the hearing.

A Statement of Need explaining the need for and reasonableness of the proposed rules and a Statement of Evidence outlining the testimony the department will be introducing at the hearing will be filed with the Office of Hearing Examiners at least 25 days prior to the hearing and will be available there for public inspection.

Pursuant to Minn. Stat. 10A.01, subd. 11 (1974), any individual engaged for pay or other consideration for the purpose of representing persons or associations attempting to influence administrative action, such as the promulgation of these rules, must register with the State Ethics Commission as a lobbyist within five days of the commencement of such activity.

STATE OF MINNESOTA

COUNTY OF RAMSEY

BEFORE EDWARD G. NOVAK

COMMISSIONER OF PUBLIC SAFETY

In the Matter of Proposed Rules of the State Department of Public Safety Relating to the Registration and Licensing of Bicycles.

STATEMENT OF NEED

In enacting Minnesota Laws 1976, Chapter 199, the Legislature established a program to provide for the licensing and registration of bicycles upon the payment of a $3 fee. This program aims to aid in the recovery of stolen bicycles and should help to reduce the number of bicycles stolen. This program allows political subdivisions to make licensing mandatory. It further allows for the voluntary licensing of a bicycle by any resident of the state. The program also provides extra state revenue.

The proposed rules are based upon Chapter 199. They are designed to specify the requirements that applicants must meet to qualify for a bicycle license, the criteria for duplicate licenses, and the controls to be placed on motor vehicle and bicycle deputy registrars. These provisions will satisfy the requirements of Chapter 199.

The justification establishing the need for and reasonableness of the specific substantive provisions of the rules is as follows:

MoVeh 70 and 71. These sections provide the background information concerning the reason for promulgation of MoVeh 70-99 in order to provide a general idea of the purpose, intent, and scope of the rules.

MoVeh 72. The definitions section is intended to aid in understanding the rules by providing specific meanings to either technical words or to words which could have more than one meaning.

MoVeh 73. The owner's name, address, and signature, the name and address of the person from whom purchased, the date of purchase, the date of registration, and the make and serial number of the bicycle are required by M.S. 168C.03. Date of birth is required to enable division personnel and law enforcement agencies to check for bicycle registrations directly through the computer by the owner's name, with the date of birth serving as a qualifier in case of duplicate names. The data on the bicycle are necessary for identification purposes.

MoVeh 74. M.S. 168C.07 requires satisfactory showing that the license or registration card has been lost, stolen, or destroyed and requires a fee for issuing a duplicate license or registration card.

MoVeh 75A. M.S. 168C.04 requires proof of ownership for registration. The division feels these are reasonable proofs of ownership, and are readily available to bicycle owners who have previously registered their bicycles or are purchasing new bicycles. During the initial registration period, a large number of applicants will not have these proofs since the bicycle will have been in the owner's possession for some period of time, however, the statute does provide for licensing of bicycles where no proof of ownership is supplied.

MoVeh 75B. M.S. 168C.04 provides for issuance of a license where no proof of ownership is supplied if there is no evidence that the bicycle is stolen. If a license is issued prior to a check of the stolen files, this provision of the law would not be met. In the event a bicycle is listed as stolen, we will contact the agency that filed the stolen report and advise them that an attempt has been made to license the stolen bicycle.

MoVeh 75C. M.S. 168C.04 requires that if no proof of ownership is provided, a license will be issued if there is no indication that the bicycle is stolen and our records will be marked accordingly. The division feels that if at the end of three years, no information has been received to indicate the bicycle was stolen, the indicator on the records and the registration card can be removed.

MoVeh 76A. Applications of these types require completion of necessary forms and the supplying of additional documentation as well as the payment of necessary fees. Approximately 30% of similar applications currently received by the division's mail issue unit must be returned due to missing documents, incomplete information, incorrect or missing fees, etc. The division believes it will better serve the public if these type of applications are submitted in person to a motor vehicle deputy registrar, a bicycle deputy registrar, or the central office. If the applications are submitted in person, they can be checked immediately by experienced personnel for accuracy and completeness and the correct fees determined. This will prevent the problem of the customer mailing in his application and then having it returned for more information. If additional information is necessary, it is much easier to explain to the customer in person what is needed than it is to try to explain through a letter. Also, if these applications are handled through the mail, additional time and personnel are necessary to handle those applications that must be returned, with the added delay in completing the transaction for the customer.

MoVeh 76B. These transactions require a minimum of paperwork and the only fee to be concerned with is the $.50 service fee. The return rate on similar types of transactions in the division's mail issue unit is 7%. Further, the acceptance of these applications by mail should encourage the filing of transfers and name changes.

MoVeh 76C. This meets the statutory requirement that bicycle owners may apply to the commissioner for registration of a bicycle.

MoVeh 77A. Since M.S. 168C.04 states licenses will be issued for three calendar years, the division feels the registration period must encompass the entire year of issue regardless of the time of year the license is purchased.

MoVeh 77B. Again since M.S. 168C.04 provides that licenses are valid for three calendar years, the licenses would be due for renewal every three years.

MoVeh 78. A uniform location for a license is required to enable law enforcement agencies to rapidly find any license to determine the license status of a bicycle.

MoVeh 79. M.S. 16A.48 states: "Money paid into the state treasury through error or under circumstances such that the state is not legally entitled to retain it, may be refunded upon the submission of a verified claim therefor". Since no provision is made for refunds in Chapter 199, the division believes that M.S. 16A.48 must be applied to refunds of bicycle fees.

MoVeh 80. Auniform location for the serial number will allow rapid identification. This location is used by a number of bicycle manufacturers and is an area of the bicycle where the frame is strongest.

MoVeh 81A. This method of depositing is convenient for the motor vehicle deputies since they are required to make a daily deposit of motor vehicle fees they collect.

MoVeh 81B. M.S. 16.18 requires the deposit of state fees whenever they reach or exceed $50. Since it is conceivable that some deputies would not collect $50 for a number of weeks, the deposit on Friday regardless of total fees collected is necessary to avoid unnecessary delays in the processing of the applications, and subsequent inconvenience to the public and potential defeat of the system.

MoVeh 81C. Deposit by check submitted to the division with the report will eliminate the need for state depositories for each bicycle deputy registrar, a costly system for the anticipated small amounts of deposits to be made by each deputy.

MoVeh 81D. A report of all transactions accepted by the deputy is necessary to verify fees collected, to maintain a running inventory of licenses on hand, and to serve as a resource document.

MoVeh 82. A semi-annual inventory is necessary to determine stock on hand, to verify deputy sales, and for accountability by each deputy.

STATE OF MINNESOTA
OFFICE OF HEARING EXAMINERS

FOR THE DEPARTMENT OF PUBLIC SAFETY

In the Matter of the Proposed Adoption of Rules of this State Department of Public Safety Relating to the Registration and Licensing of Bicycles.

REPORT OF HEARING EXAMINER

The above-entitled matter came on for hearing on March 16, 1977 at the Transportation Building, St. Paul, before Steve M. Mihalchick, Hearing Examiner appointed by the Chief Hearing Examiner.

Appearing for the Department of Public Safety were Carl Peaslee, Supervisor of Bicycle Registration, and Frederick Suhler, Special Assistant Attorney General.

Public speakers at the hearing were: Jeff Green and Tom Fitzhenry both of the City of Minneapolis Bicycle Recovery Center.

The hearing continued until all interested persons had an opportunity to be heard concerning the adoption of the proposed rules.

Pursuant to Minn. Stat. § 15.0412, subd. 4 (1976), this Report shall be available for review to all affected individuals upon request for at least ten days.

The Department of Public Safety shall, if it proposes to adopt the rules as originally proposed or amended, submit the complete hearing record, including its Findings and Order, to the Chief Hearing Examiner no earlier than ten days subsequent to the receipt of this Report. This submission shall also clearly indicate any changes made to the rules as originally proposed, preferably in the format that will be submitted to the State Register for publication. The Chief Hearing Examiner shall complete his review and submit his report to the Department of Public Safety on the issues of substantial changes in the rules and compliance with Minn. Stat. § 15.0412 within ten calendar days. Thereafter, the Department shall be responsible for filing the rules with the Attorney General.

Based upon all the records and proceedings herein, the Examiner makes the following:

FINDINGS OF FACT

PROCEDURAL REQUIREMENTS

1. On February 7, 1977 the Department filed the following documents with the Chief Hearing Examiner:

(a) A copy of the proposed rules;
(b) A proposed Order for Hearing;
(c) A proposed Notice of Hearing; and
(d) A Statement of the estimated length and number of people attending the hearing.

2. On February 15, 1977 a Notice of Hearing and a copy of the proposed rules were published at 1 State Register 1208.

3. On February 10, 1977 the Department mailed the Notice of Hearing to all persons and associations who had registered their names with the Secretary of State for the purpose of receiving such notice.

4. On February 18, 1977 the Department filed the following documents:

(a) The Notice of Hearing as mailed;
(b) The Affidavit of Receipt of the Secretary of State's list;
(c) The Affidavit of Mailing;
(d) The Secretary of State's Certificate;
(e) The Statement of Need; and
(f) The Statement of Evidence, including the names of witnesses to be called.

5. On February 25, 1977 the Department filed the following documents:

(a) An amended Affidavit of Receipt of the Secretary of State's List;
(b) The Order for Hearing;
(c) The Secretary of State's List.

The documents were available for inspection at the Office of Hearing Examiners from the date of filing to the date of the hearing. No one inspected the documents prior to the hearing.

6. The record remained open through April 5, 1977 for the receipt of written comments and statements. One comment was received during that period and that was from the Minnesota-Dakotas Retail Hardware Association.

STATUTORY AUTHORITY

7. 1976 Minn. Laws, Ch. 199, (codified Minn. Stat. Ch. 168C) is an Act relating to and promoting the use of bicycles and providing among other things for a statewide bicycle registration system. Minn. Stat. § 168C.01 is the general policy statement of the Act.

After reciting the benefits of bicycles and finding that increased bicycle usage should be encouraged, the section provides:

> "However, the growth in the popularity of the bicycle as a mode of transportation and as a recreational vehicle has lead to an increase in the number of bicycle thefts. To more effectively deal with the problems associated with theft and to aid in the recovery of stolen bicycles, a statewide bicycle registration system is hereby created."

8. Minn. Stat. § 168C.12 provides:

> "ADMINISTRATION. The Commissioner shall adopt rules and regulations for the implementation and administration of this Act no later than January 1, 1977."

9. Mr. Peaslee testified that due to time and personnel restraints, the rules could not be developed in time to satisfy the statutory directive.

NEED FOR AND REASONABLENESS OF THE PROPOSED RULES

10. Minn. Rules MoVeh 70 and 71, Purpose and Scope, are reasonable introductory statements that are needed to clarify the fact that the following rules are intended to implement the Act.

11. MoVeh 72, Definitions, defines "Central Office," "Division" and "Registrar" as specific offices within the Department of Public Safety. They are needed to prevent misinterpretations of the terms as used in the succeeding rules.

12. MoVeh 73 states the items that must be included in the application for registration. It reasonably requires those items stated in Minn. Stat. § 168C.03 and adds the requirements of certain bicycle characteristics which will aid in the identification of a given bicycle and the owner's date of birth which will aid in differentiating persons in case of duplicate names. The Department is specifically authorized by Minn. Stat. § 168C.03 to require information on the application in addition to that specified in the statute.

13. MoVeh 74, Replacement Licenses and Registration Cards, reasonably states that the registrar may issue a new bicycle license or registration card upon receiving a written statement from the owner setting forth the circumstances of the lost, theft, or defacement of the original license or registration card. Minn. Stat. §168C.07 requires such replacements to be issued "upon a satisfactory showing." A written statement from the owner is a reasonable means

of making a satisfactory showing.

14. MoVeh 75, Proof of Ownership, implements the provisions of Minn. Stat. § 168C.04. The statute states:

> "Proof of purchase shall be required for registration. Bicycles lacking proof of purchase shall be registered if there is no evidence that such bicycle is stolen. However, the registration record shall be marked to indicate that no proof of purchase was provided. The registration of a bicycle shall be valid for a term of three calendar years."

15. MoVeh 75A. provides that three items will be considered proper proof of ownership: (1) a receipt from the bicycle dealer containing specified items (the proof of purchase), (2) a Minnesota bicycle registration card, or (3) a registration card or ownership document issued by a political subdivision that had been licensing bicycles prior to March 1, 1977. The first item is that required by the statute. The second item would be used upon renewal after three years. The third type of proof is necessary and reasonable to ease the transition into the state registration system.

16. MoVeh 75 B. provides that if no proof of ownership has been supplied no license will be issued until a check of the stolen files has been made. MoVeh 75 C. provides that, if the bicycle is not listed as stolen, a license will be issued but the records and registration card will be marked to indicate that no proof of ownership was supplied. The indicator will be removed at the end of three years upon renewal. The Retail Hardware Association commented that the duties of the deputy registrar should be more clearly spelled in this section. They suggested that the standards listed in MoVeh 75A. should be incorporated in MoVeh 75B. It appears to the Examiner that the standards in MoVeh 75 A. are sufficiently clear. However, it appears unclear to the Examiner as to what a deputy registrar should do if he receives an application without proof of ownership. The deputy registrar, who in most cases is a bicycle dealer, would not have access to the Department's stolen file. Is he supposed to call the central office? Is he supposed to forward the application to the central office without issuing a license? Or is he supposed to send the applicant away? The rule is unreasonable because it is silent on

this point, It should be modified to spell out the actions a deputy registrar should take and under what conditions those actions should be taken.

17. There was a considerable amount of discussion at the hearing that the entire registration system could be meaningless if no provision was made for inspecting bicycles and checking serial numbers at the time of application. The Department's position was that it was not feasible to adopt such a requirement at this time. Generally, there are not sufficient numbers of people qualified to make such inspections and it would create a considerable burden upon the deputy registrars. The general problem that exists is that there are no uniform requirements placed on manufacturers for placing serial numbers on bicycles.

18. MoVeh 76 describes how applications will be handled at the Central Office in the Transportation Building in St. Paul. The Central Office will not accept applications by mail for a license, duplicate license, or duplicate registration card. It has been the experience of the Department in dealing with motor vehicle registrations that 30 percent of such applications contain errors and must be returned to the Applicant to be properly completed and corrected. This, of course, caused undue delays. Requiring these applications to be sumitted in person places no undue burden upon the public because there are over 360 registrars and deputy registrars located within the State. They can check the applications for correctness and completeness and issue licenses immediately. The central office will accept applications for transfer of ownership or notifications of change of address. Minn. Stat. § 168C.05 and .06 require such transfers and changes of address to be reported to the Commissioner within 14 days of their occurrence. Allowing such transactions to be completed by mail would encourage compliance with the statutes. Further, it has been the Department's experience with motor vehicle registration that the error rate in such applications is only seven percent.

19. MoVeh 77 states that a license will be valid for three years commencing from the year the license is issued and that licenses will be renewable every three calendar years. This rule

is necessary to make it clear that the registration period encompasses the entire year of issue regardless of the time of year that the license is purchased.

20. MoVeh 78 states that the license will be placed on the bicycle frame below the seat on the lefthand side of the bicycle facing outward. A uniform location for a license is required to enable law enforcement agencies to rapidly find the license and to determine the license status of a bicycle.

21. MoVeh 79 provides that refunds will be handled pursuant to Minn. Stat. §16A.48. No provision was made in the Act for refunds and, therefore, refunds may be made only under the general provisions of the law. Such provisions are found in the cited section.

22. MoVeh 80 provides that an assigned serial number must be stamped or otherwise permanently attached to the crank housing of the bicycle by the owner. Again, a uniform location is necessary to allow for ease of identification. The location specified in the rule is that used by a number of bicycle manufacturers and is the area of the bicycle where the frame is the strongest.

23. MoVeh 81 concerns the reports and deposits required of motor vehicle and bicycle deputy registrars. The rule requires motor vehicle deputy registrars to deposit fees collected in their regular state depository daily. This is what they are required to do in their motor vehicle registration duties. Bicycle deputy registrars (again, normally bicycle dealers) may make their deposits in the form of a check payable to the "State Treasurer". This provision avoids the necessity of having to set up state depositories in all the various cities in which there are bicycle deputies. The timing of the deposit of state fees and reports is the only provision of these rules about which there was any controversy. MoVeh 81 B. provides: "Bicycle deputy registrars shall deposit state fees collected whenever the total fees reach $50 or each Firday whichever comes first." The $50 requirement is based on Minn. Stat. §16.18. That section provides:

> "All receipts from any source shall be deposited with the State Treasurer each day, except as otherwise provided by law, and unless such receipts are under $50 in which event payment may be deferred until they aggregate such sum...."

The Retail Hardware Association has no objection to the $50 requirements, but does object strenuously to the weekly requirement. Their objection is primarily to the paperwork involved in submitting such a report. They cite three reasons for their objection:

> "1. A dealer who chooses to be a bicycle deputy registrar may sell only a small number of bicycles a week, and then only in the prime selling seasons (spring and just before Christmas). This dealer might desire, as a convenience to his customers. to offer registration in his store. If he were to submit one check per week to the State, for bicycles he sells he would be doing so at the very peak of his annual business volume (spring and Christmas) at a time when he spends considerable overtime in his store already and when checks often do not get written as frequently as in normal periods. The small retailer would be likely to find compliance with requirement to be highly difficult, if not prohibitive.
>
> "2. If this dealer is in a small town or a rural area, he might be the only such bicycle deputy registrar for miles around (from nearest motor vehicle deputy registrar) and this the only place where a citizen could register a bicycle without driving a long distance, thereby using up gasoline and added expense to register a bicycle.
>
> "3. Friday and Saturdays are the busiest days in a hardware store, as customers prepare for a weekend do-it-yourself projects and get their needed supplies from hardware stores. For this reason, too, checks to be written and forms to be prepared would be difficult for the small retailer on Friday."

The association offers three alternatives: (1) Filing of fees and forms twice monthly; (2) Filing of fees and forms within 15 days of a transaction, including all such transactions that occur within that period; or (3) Filing of fees and forms within 10 days in person or in mail to the nearest Motor Vehicle Deputy Registrar. The Department based its weekly requirement on the fact that it is quite conceivable that some deputies will not collect $50 in fees for a number of weeks and that is is necessary to avoid unnecessary delays in the processing of the applications which could result in inconvenience to the public and potential defeat of the registration system. In view of the alternatives which the Hardware Association offers and which they believe would be acceptable to their members, the Examiner finds that the requirement for weekly reporting on Fridays is unreasonable. Any of the alternatives offered by the Association would add, at a maximum, one week to the delay of any application. It would appear that

the public interest would best be served by adopting one of the alternatives, because more retailers who handle bicycles as part of their merchandise and not as their primary product would be inclined to perform deputy registrar duties, thus making the service more widely available to the public. Requiring the weekly deposits will discourage many dealers from becoming registrars, which would inconvenience the public to the point of discouraging bicycle registration. The Examiner would recommend that the Department adopt one of the alternatives offered by the Hardware Association in lieu of their proposed rules.

24. MoVeh 82 requires each deputy to semi-annually submit a report of the complete inventory of "stickers" on hand. Such inventories are necessary to determine stock on hand, verify deputy sales, and provide for accountability of each deputy. Requiring the report semi-annually is reasonable. The Examiner would note that the word "stickers" appears nowhere else in the rules and would suggest that it be replaced by the word "licenses."

CONCLUSIONS

1. Due, timely, and adequate notice of the hearing was properly served and published by the Department. All other substantive and procedural requirements of statute and rule have been fulfilled.

2. The Department has demonstrated its statutory authority to adopt the proposed rules.

3. Except for the deficiencies of proposed Minn. Rules MoVeh 75 B. and C. and 81 B., noted in Findings 16 and 23, the Department has demonstrated the need for and reasonableness of the proposed rules.

RECOMMENDATIONS

The Examiner recommends that the proposed rules be modified as suggested in the Findings and that, so modified, they be adopted.

DIVISION OF MOTOR VEHICLES

Chapter Five: Bicycle Registration: Applications, Issuance, Transfer, Refunds, Motor Vehicle Deputy Registrars, and Bicycle Deputy Registrars.

MoVeh 70 PURPOSE

The purpose of these rules is to implement and provide effective administration for the registration and licensing of bicycles as provided by Laws 1976, Chapter 199.

MoVeh 71 SCOPE

The scope of these regulations is intended to be consistent with the provisions of Laws 1976, Chapter 199.

MoVeh 72 DEFINITIONS

For the purposes of these rules, the following terms shall have the meanings ascribed to them:

A. Central Office: The main office of the Division of Motor Vehicles located in the Transportation Building, St. Paul.

B. Division: The Division of Motor Vehicles of the Department of Public Safety of the State of Minnesota.

C. Registrar: The registrar of motor vehicles of the State of Minnesota.

MoVeh 73 APPLICATION, CONTENTS

The application will contain the owners name, address, and signature, the name and address of the person from whom purchased, the date of purchase, the date of registration, the make and serial number of the bicycle, the owner's date of birth, the number of wheels, wheel size (diameter), number of gears, and the type of frame of the bicycle being licensed.

MoVeh 74 REPLACEMENT LICENSES AND REGISTRATION CARDS

In the event of loss, theft, or defacement of the bicycle license or registration card issued, the registrar, upon receiving a written statement from the owner setting forth the circumstances, may issue a new bicycle license or registration card. The fee required by M.S. 168C.07 shall be paid.

Dept's Exhibit No. A
File No. OPS-77-005-SM
Date 2/1/77

MoVeh 75 PROOF OF OWNERSHIP

A. The following will be considered proper proof of ownership:

1. The receipt from a bicycle dealer showing the buyer's name and address, the brand name and serial number of the bicycle, the date of sale, and the dealer's signature.
2. A Minnesota bicycle registration card.
3. A registration card or ownership document issued by a political subdivision that had been licensing bicycles prior to March 1, 1977.

B. If no proof of ownership has been supplied, no license will be issued until a check of the stolen files has been made.

C. If no proof of ownership is supplied and the bicycle is not listed as stolen, a license will be issued and the records and registration card will be marked to indicate no proof of ownership was supplied. When the license is renewed at the end of three years, the indicator that no proof of ownership was supplied will be removed from both the record and the registration card.

MoVeh 76 LICENSE ISSUE, CENTRAL OFFICE

A. No applications will be accepted by mail for license, duplicate license, or duplicate registration card.

B. Applications for transfer of ownership or change of address will be accepted through the mail.

C. Applications of all types brought to the central office in person will be accepted.

MoVeh 77 EXPIRATION AND RENEWAL OF LICENSES

A. A license will be valid for three years commencing from the year the license is issued.

B. Licenses will be renewable every three calendar years.

MoVeh 78 LOCATION OF LICENSE

The license will be placed on the bicycle frame, below the seat, on the left hand side of the bicycle facing outward.

MoVeh 79 REFUNDS

Refunds will be handled pursuant to M.S. 6.136. 16A.48

MoVeh 80 ASSIGNED SERIAL NUMBER, LOCATION

An assigned serial number must be stamped or otherwise permanently attached to the crank housing of the bicycle by the owner.

MoVeh 81 MOTOR VEHICLE AND BICYCLE DEPUTY REGISTRARS, REPORTS AND DEPOSITS

A. Motor vehicle deputy registrars shall deposit state fees collected daily in the state depository in which they deposit other state fees collected.

B. Bicycle deputy registrars shall deposit state fees collected whenever the total fees reach $50 or each Friday, whichever comes first.

C. Bicycle deputy registrar deposits will be in the form of a check payable to the State Treasurer. The check will be submitted to the Division with the deputy's report.

D. Motor vehicle and bicycle deputy registrars will submit with each deposit, a report listing all transactions accepted since the last report.

MoVeh 82 MOTOR VEHICLE AND BICYCLE DEPUTY REGISTRARS, INVENTORIES

Each deputy on June 30 and December 31 or each year, shall submit to the division a report on the complete inventory of stickers on hand.

MoVeh 83 - 99: Reserved for future use.

COMMISSIONER OF PUBLIC SAFETY

In the matter of the Proposed Adoption of Rules of the State Department of Public Safety Governing the Registration and Licensing of Bicycles.

ORDER FOR HEARING

To effectively implement Laws 1976, Chapter 199, the Minnesota Commissioner of Public Safety deems it necessary to consider adoption of the proposed rules captioned above pursuant to the authority vested in me by Minn. Stat. 299A.01, subd. 6 (1974).

NOW, THEREFORE, IT IS ORDERED this 20th day of January, 1977, that a public hearing on the proposed rules captioned above be held in Room B9 Transportation Building, St. Paul, MN on March 16, 1977, commencing at 9:00 a.m., and continuing until all representatives of associations or other interested groups or persons have had an opportunity to be heard.

IT IS FURTHER ORDERED, that a Notice of Hearing be mailed to all persons or representatives of associations or other interested groups who have registered their names with the Secretary of State for that purpose.

IT IS FURTHER ORDERED, that the Notice of Hearing be published in the State Register.

COMMISSIONER OF PUBLIC SAFETY

In the matter of the Proposed Adoption of Rules of the State Department of Public Safety Relating to the Registration and Licensing of Bicycles.

NOTICE OF HEARING

Notice is hereby given that a public hearing in the above-entitled matter will be held in Room B9 Transportation Building, St. Paul, MN 55155, on March 16, 1977, commencing at 9:00 a.m., and continuing until all persons have had an opportunity to be heard concerning adoption of the proposed rules captioned above.

All interested or affected persons or representatives of groups or organizations will have an opportunity to participate by submitting either oral or written data, statements, or arguments. Written materials may be submitted by mail to Steve Mihalchick, Office of Hearing Examiners, 1745 University Ave., St. Paul, MN, either before the hearing or within 20 days after the close of the hearing.

The Commissioner proposes to adopt rules relating to the following matters: Administrative procedures for the registration and licensing of bicycles. Specifically, the proposed rules provided for the contents of application forms; proof of ownership; issuance, expiration and renewal of licenses; refunds; bicycle deputy registrars, reports, inventories, and deposits; location of license and serial number; and replacement licenses.

The department's authority to promulgate the proposed rules is contained in Laws 1976, Chapter 199. One free copy of the proposed rules are available and may be obtained by writing to Ms. Diane Hamilton, 210 Transportation Building, St. Paul, MN 55155. Additional copies will be available at the door on the date of the hearing.

A Statement of Need explaining the need for and reasonableness of the proposed rules and a Statement of Evidence outlining the testimony the department will be introducing at the hearing will be filed with the Office of Hearing Examiners at least 25 days prior to the hearing and will be available there for public inspection.

Pursuant to Minn. Stat. 10A.01, subd. 11 (1974), any individual engaged for pay or other consideration for the purpose of representing persons or associations attempting to influence administrative action, such as the promulgation of these rules, must register with the State Ethics Commission as a lobbyist within five days of the commencement of such activity.

COMMISSIONER OF PUBLIC SAFETY

DATE

STATE OF MINNESOTA

BEFORE EDWARD G. NOVAK

COUNTY OF RAMSEY

COMMISSIONER OF PUBLIC SAFETY

In the Matter of Proposed Rules of the State Department of Public Safety Relating to the Registration and Licensing of Bicycles.

STATEMENT OF NEED

In enacting Minnesota Laws 1976, Chapter 199, the Legislature established a program to provide for the licensing and registration of bicycles upon the payment of a $3 fee. This program aims to aid in the recovery of stolen bicycles and should help to reduce the number of bicycles stolen. This program allows political subdivisions to make licensing mandatory. It further allows for the voluntary licensing of a bicycle by any resident of the state. The program also provides extra state revenue.

The proposed rules are based upon Chapter 199. They are designed to specify the requirements that applicants must meet to qualify for a bicycle license, the criteria for duplicate licenses, and the controls to be placed on motor vehicle and bicycle deputy registrars. These provisions will satisfy the requirements of Chapter 199.

The justification establishing the need for and reasonableness of the specific substantive provisions of the rules is as follows:

MoVeh 70 and 71. These sections provide the background information concerning the reason for promulgation of MoVeh 70-99 in order to provide a general idea of the purpose, intent, and scope of the rules.

MoVeh 72. The definitions section is intended to aid in understanding the rules by providing specific meanings to either technical words or to words which could have more than one meaning.

MoVeh 73. The owner's name, address, and signature, the name and address of the person from whom purchased, the date of purchase, the date of registration, and the make and serial number of the bicycle are required by M.S. 168C.03. Date of birth is required to enable division personnel and law enforcement agencies to check for bicycle registrations directly through the computer by the owner's name, with the date of birth serving as a qualifier in case of duplicate names. The data on the bicycle are necessary for identification purposes.

MoVeh 74. M.S. 168C.07 requires satisfactory showing that the license or registration card has been lost, stolen, or destroyed and requires a fee for issuing a duplicate license or registration card.

Dept's Exhibit No. D
File No.
Date 2/1/77

MoVeh 75A. M.S. 168C.04 requires proof of ownership for registration. The division feels these are reasonable proofs of ownership, and are readily available to bicycle owners who have previously registered their bicycles or are purchasing new bicycles. During the initial registration period, a large number of applicants will not have these proofs since the bicycle will have been in the owner's possession for some period of time, however, the statute does provide for licensing of bicycles where no proof of ownership is supplied.

MoVeh 75B. M.S. 178C.04 provides for issuance of a license where no proof of ownership is supplied if there is no evidence that the bicycle is stolen. If a license is issued prior to a check of the stolen files, this provision of the law would not be met. In the event a bicycle is listed as stolen, we will contact the agency that filed the stolen report and advise them that an attempt has been made to license the stolen bicycle.

MoVeh 75C. M.S. 168C.04 requires that if no proof of ownership is provided, a license will be issued if there is no indication that the bicycle is stolen and our records will be marked accordingly. The division feels that if at the end of three years, no information has been received to indicate the bicycle was stolen, the indicator on the records and the registration card can be removed.

MoVeh 76A. Applications of these types require completion of necessary forms and the supplying of additional documentation as well as the payment of necessary fees. Approximately 30% of similar applications currently received by the division's mail issue unit must be returned due to missing documents, incomplete information, incorrect or missing fees, etc. The division believes it will better serve the public if these type of applications are submitted in person to a motor vehicle deputy registrar, a bicycle deputy registrar, or the central office. If the applications are submitted in person, they can be checked immediately by experienced personnel for accuracy and completeness and the correct fees determined. This will prevent the problem of the customer mailing in his application and then having it returned for more information. If additional information is necessary, it is much easier to explain to the customer in person what is needed than it is to try to explain through a letter. Also, if these applications are handled through the mail, additional time and personnel are necessary to handle those applications that must be returned, with the added delay in completing the transaction for the customer.

MoVeh 76B. These transactions require a minimum of paperwork and the only fee to be concerned with is the $.50 service fee. The return rate on similar types of transactions in the division's mail issue unit is 7%. Further, the acceptance of these applications by mail should encourage the filing of transfers and name changes.

MoVeh 76C. This meets the statutory requirement that bicycle owners may apply to the commissioner for registration of a bicycle.

MoVeh 77A. Since M.S. 168C.04 states licenses will be issued for three calendar years, the division feels the registration period must encompass the entire year of issue regardless of the time of year the license is purchased.

MoVeh 77B. Again since M.S. 168C.04 provides that licenses are valid for three calendar years, the licenses would be due for renewal every three years.

MoVeh 78. A uniform location for a license is required to enable law enforcement agencies to rapidly find any license to determine the license status of a bicycle.

MoVeh 79. M.S. 16A.48 states: "Money paid into the state treasury through error or under circumstances such that the state is not legally entitled to retain it, may be refunded upon the submission of a verified claim therefor". Since no provision is made for refunds in Chapter 199, the division believes that M.S. 16A.48 must be applied to refunds of bicycle fees.

MoVeh 80. Auniform location for the serial number will allow rapid identification. This location is used by a number of bicycle manufacturers and is an area of the bicycle where the frame is strongest.

MoVeh 81A. This method of depositing is convenient for the motor vehicle deputies since they are required to make a daily deposit of motor vehicle fees they collect.

MoVeh 81B. M.S. 16.18 requires the deposit of state fees whenever they reach or exceed $50. Since it is conceivable that some deputies would not collect $50 for a number of weeks, the deposit on Friday regardless of total fees collected is necessary to avoid unnecessary delays in the processing of the applications, and subsequent inconvenience to the public and potential defeat of the system.

MoVeh 81C. Deposit by check submitted to the division with the report will eliminate the need for state depositories for each bicycle deputy registrar, a costly system for the anticipated small amounts of deposits to be made by each deputy.

MoVeh 81D. A report of all transactions accepted by the deputy is necessary to verify fees collected, to maintain a running inventory of licenses on hand, and to serve as a resource document.

MoVeh 82. A semi-annual inventory is necessary to determine stock on hand, to verify deputy sales, and for accountability by each deputy.

receiving a written statement from the owner setting forth the circumstances, may issue a new bicycle license or registration card. The fee required by Minn. Stat. § 168C.07 shall be paid.

MoVeh 75 Proof of ownership.

A. The following will be considered proper proof of ownership:

1. The receipt from a bicycle dealer showing the buyer's name and address, the brand name and serial number of the bicycle, the date of sale, and the dealer's signature.

2. A Minnesota bicycle registration card.

3. A registration card or ownership document issued by a political subdivision that had been licensing bicycles prior to March 1, 1977.

B. If no proof of ownership has been supplied, no license will be issued until a check of the stolen files has been made.

C. If no proof of ownership is supplied and the bicycle is not listed as stolen, a license will be issued and the records and registration card will be marked to indicate no proof of ownership was supplied. When the license is renewed at the end of three years, the indicator that no proof of ownership was supplied will be removed from both the record and the registration card.

MoVeh 76 License issue, central office.

A. No applications will be accepted by mail for license, duplicate license, or duplicate registration card.

B. Applications for transfer of ownership or change of address will be accepted through the mail.

C. Applications of all types brought to the central office in person will be accepted.

MoVeh 77 Expiration and renewal of licenses.

A. A license will be valid for three years commencing from the year the license is issued.

B. Licenses will be renewable every three calendar years.

MoVeh 78 Location of license. The license will be placed on the bicycle frame, below the seat, on the left hand side of the bicycle facing outward.

MoVeh 79 Refunds. Refunds will be handled pursuant to Minn. Stat. § 16A.48.

MoVeh 80 Assigned serial number, location. An assigned serial number must be stamped or otherwise permanently attached to the crank housing of the bicycle by the owner.

MoVeh 81 Motor vehicle and bicycle deputy registrars, reports and deposits.

A. Motor vehicle deputy registrars shall deposit state fees collected daily in the state depository in which they deposit other state fees collected.

B. Bicycle deputy registrars shall deposit state fees collected whenever the total fees reach $50 or each Friday, whichever comes first.

C. Bicycle deputy registrar deposits will be in the form of a check payable to the State Treasurer. The check will be submitted to the Division with the deputy's report.

D. Motor vehicle and bicycle deputy registrars will submit with each deposit, a report listing all transactions accepted since the last report.

MoVeh 82 Motor vehicle and bicycle deputy registrars, inventories. Each deputy on June 30 and December 31 of each year, shall submit to the division a report on the complete inventory of stickers on hand.

MoVeh 83-89: Reserved for future use.

COMMISSIONER OF PUBLIC SAFETY

In the matter of the Proposed Adoption of Rules of the State Department of Public Safety Relating to the Registration and Licensing of Bicycles.

NOTICE OF HEARING

Notice is hereby given that a public hearing in the above-entitled matter will be held in Room B9 Transportation Building, St. Paul, MN 55155, on March 16, 1977, commencing at 9:00 a.m., and continuing until all persons have had an opportunity to be heard concerning adoption of the proposed rules captioned above.

All interested or affected persons or representatives of groups or organizations will have an opportunity to participate by submitting either oral or written data, statements, or arguments. Written materials may be submitted by mail to Steve Mihalchick, Office of Hearing Examiners, 1745 University Ave., St. Paul, MN, either before the hearing or within 20 days after the close of the hearing.

The Commissioner proposes to adopt rules relating to the following matters: Administrative procedures for the registration and licensing of bicycles. Specifically, the proposed rules provided for the contents of application forms; proof of ownership; issuance, expiration and renewal of licenses; refunds; bicycle deputy registrars, reports, inventories, and deposits; location of license and serial number; and replacement licenses.

The department's authority to promulgate the proposed rules is contained in Laws 1976, Chapter 199. One free copy of the proposed rules are available and may be obtained by writing to Ms. Diane Hamilton, 210 Transportation Building, St. Paul, MN 55155. Additional copies will be available at the door on the date of the hearing.

A Statement of Need explaining the need for and reasonableness of the proposed rules and a Statement of Evidence outlining the testimony the department will be introducing at the hearing will be filed with the Office of Hearing Examiners at least 25 days prior to the hearing and will be available there for public inspection.

Pursuant to Minn. Stat. 10A.01, subd. 11 (1974), any individual engaged for pay or other consideration for the purpose of representing persons or associations attempting to influence administrative action, such as the promulgation of these rules, must register with the State Ethics Commission as a lobbyist within five days of the commencement of such activity.

EXHIBIT B

STATE OF MINNESOTA

BEFORE EDWARD G. NOVAK

COUNTY OF RAMSEY

COMMISSIONER OF PUBLIC SAFETY

In the Matter of Proposed Rules of the State Department of Public Safety Relating to the Registration and Licensing of Bicycles.

STATEMENT OF NEED

In enacting Minnesota Laws 1976, Chapter 199, the Legislature established a program to provide for the licensing and registration of bicycles upon the payment of a $3 fee. This program aims to aid in the recovery of stolen bicycles and should help to reduce the number of bicycles stolen. This program allows political subdivisions to make licensing mandatory. It further allows for the voluntary licensing of a bicycle by any resident of the state. The program also provides extra state revenue.

The proposed rules are based upon Chapter 199. They are designed to specify the requirements that applicants must meet to qualify for a bicycle license, the criteria for duplicate licenses, and the controls to be placed on motor vehicle and bicycle deputy registrars. These provisions will satisfy the requirements of Chapter 199.

The justification establishing the need for and reasonableness of the specific substantive provisions of the rules is as follows:

MoVeh 70 and 71. These sections provide the background information concerning the reason for promulgation of MoVeh 70-99 in order to provide a general idea of the purpose, intent, and scope of the rules.

MoVeh 72. The definitions section is intended to aid in understanding the rules by providing specific meanings to either technical words or to words which could have more than one meaning.

MoVeh 73. The owner's name, address, and signature, the name and address of the person from whom purchased, the date of purchase, the date of registration, and the make and serial number of the bicycle are required by M.S. 168C.03. Date of birth is required to enable division personnel and law enforcement agencies to check for bicycle registrations directly through the computer by the owner's name, with the date of birth serving as a qualifier in case of duplicate names. The data on the bicycle are necessary for identification purposes.

MoVeh 74. M.S. 168C.07 requires satisfactory showing that the license or registration card has been lost, stolen, or destroyed and requires a fee for issuing a duplicate license or registration card.

Dept's Exhibit No. K
File No.
Date 2-18-77

MoVeh 75A. M.S. 168C.04 requires proof of ownership for registration. The division feels these are reasonable proofs of ownership, and are readily available to bicycle owners who have previously registered their bicycles or are purchasing new bicycles. During the initial registration period, a large number of applicants will not have these proofs since the bicycles will have been in the owner's possession for some period of time, however, the statute does provide for licensing of bicycles where no proof of ownership is supplied.

MoVeh 75B. M.S. 168C.04 provides for issuance of a license where no proof of ownership is supplied if there is no evidence that the bicycle is stolen. If a license is issued prior to a check of the stolen files, this provision of the law would not be met. In the event a bicycle is listed as stolen, we will contact the agency that filed the stolen report and advise them that an attempt has been made to license the stolen bicycle.

MoVeh 75C. M.S. 168C.04 requires that if no proof of ownership is provided, a license will be issued if there is no indication that the bicycle is stolen and our records will be marked accordingly. The division feels that if at the end of three years, no information has been received to indicate the bicycle was stolen, the indicator on the records and the registration card can be removed.

MoVeh 76A. Applications of these types require completion of necessary forms and the supplying of additional documentation as well as the payment of necessary fees. Approximately 30% of similar applications currently received by the division's mail issue unit must be returned due to missing documents, incomplete information, incorrect or missing fees, etc. The division believes it will better serve the public if these type of applications are submitted in person to a motor vehicle deputy registrar, a bicycle deputy registrar, or the central office. If the applications are submitted in person, they can be checked immediately by experienced personnel for accuracy and completeness and the correct fees determined. This will prevent the problem of the customer mailing in his application and then having it returned for more information. If additional information is necessary, it is much easier to explain to the customer in person what is needed than it is to try to explain through a letter. Also, if these applications are handled through the mail, additional time and personnel are necessary to handle those applications that must be returned, with the added delay in completing the transaction for the customer.

MoVeh 76B. These transactions require a minimum of paperwork and the only fee to be concerned with is the $.50 service fee. The return rate on similar types of transactions in the division's mail issue unit is 7%. Further, the acceptance of these applications by mail should encourage the filing of transfers and name changes.

MoVeh 76C. This meets the statutory requirement that bicycle owners may apply to the commissioner for registration of a bicycle.

MoVeh 77A. Since M.S. 168C.04 states licenses will be issued for three calendar years, the division feels the registration period must encompass the entire year of issue regardless of the time of year the license is purchased.

MoVeh 77B. Again since M.S. 168C.04 provides that licenses are valid for three calendar years, the licenses would be due for renewal every three years.

MoVeh 78. A uniform location for a license is required to enable law enforcement agencies to rapidly find any license to determine the license status of a bicycle.

MoVeh 79. M.S. 16A.48 states: "Money paid into the state treasury through error or under circumstances such that the state is not legally entitled to retain it, may be refunded upon the submission of a verified claim therefor". Since no provision is made for refunds in Chapter 199, the division believes that M.S. 16A.48 must be applied to refunds of bicycle fees.

MoVeh 80. Auniform location for the serial number will allow rapid identification. This location is used by a number of bicycle manufacturers and is an area of the bicycle where the frame is strongest.

MoVeh 81A. This method of depositing is convenient for the motor vehicle deputies since they are required to make a daily deposit of motor vehicle fees they collect.

MoVeh 81B. M.S. 16.18 requires the deposit of state fees whenever they reach or exceed $50. Since it is conceivable that some deputies would not collect $50 for a number of weeks, the deposit on Friday regardless of total fees collected is necessary to avoid unnecessary delays in the processing of the applications, and subsequent inconvenience to the public and potential defeat of the system.

MoVeh 81C. Deposit by check submitted to the division with the report will eliminate the need for state depositories for each bicycle deputy registrar, a costly system for the anticipated small amounts of deposits to be made by each deputy.

MoVeh 81D. A report of all transactions accepted by the deputy is necessary to verify fees collected, to maintain a running inventory of licenses on hand, and to serve as a resource document.

MoVeh 82. A semi-annual inventory is necessary to determine stock on hand, to verify deputy sales, and for accountability by each deputy.

RE: Comments on proposed MoVeh 70-82 (Bicycle Registration)

Dear Mr. Mihalchick:

Please consider the following as this Association's comments for-the-record on Chapter Five: Bicycle Registration Rules, as provided by Laws 1976, Chapter 199, submitted by certified mail within 20 days of the public hearing.

Background

The Minnesota-Dakotas Retail Hardware Association, founded in 1897, is a trade association comprised of approximately 850 Minnesota hardware dealers and approximately 300 hardware dealers in North and South Dakota. They are independent merchants, mainly small businesses, affiliated with one of a number of hardware distributors(wholesalers) including Ace, Coast to Coast, Our Own Hardware Co., United Hardware Distributing (Hardware Hank), Farwell, Ozmun, Kirk & Co. (OK Hardware), Cotter & Co. (True Value Hardware) and Gambles Store Division of Gamble-Skogmo, Inc., among others.

These small, independent hardware stores (not to be confused with bicycle shops or giant retail organizations such as Sears, K-Mart, Wards, etc.) carry a wide selection of merchandise. Their diverse merchandise mix includes lawn and garden supplies, hardware, housewares, hand and power tools, paint and sundries, plumbing and electrical supplies, small appliances, automotive supplies and sporting goods.

Historically, most members of this Association have sold and today sell bicycles as part of their basic merchandise mix. Statistics from the National Retail Hardware Association show that slightly more than 80% of all hardware stores in the United States include bicycles in their merchandise mix.

While no survey has been taken among Minnesota members of this Association, the national average percentage of hardware stores selling bicycles would actually be lower than the percentage of Minnesota hardware stores selling bicycles. Based on first-hand visits to approximately 400 stores in Minnesota over the past four years, it is my estimate that 9 out of every 10 hardware stores in the state carry bicycles as described in the statute.

Based on the fact that there are 1,150 hardware stores in the state of Minnesota, our considered estimate is that approximately 1,000 hardware stores in the state carry bicycles as part of their basic merchandise mix. Therefore, any rules and regulations that are established in regard to bicycle registration should take into consideration the impact on the retail hardware industry of our state.

Legislative History

When the first Bicycle Registration Bill was proposed in the 1973-74 session of the Minnesota Legislature, this Association and others (including the Minnesota Retail Federation) lobbied against the bill in its initial form. This Association testified at several committee hearings on the statewide bicycle registration bill. Following are primary reasons for this opposition to the bill at that time:

1. Initial bill seemed to require mandatory registration of all bicycles in the state, not granting option of registration to municipalities, many of which already did have bicycle registration procedures. Municipalities were given no choice but to join the state system.

2. Initial bill seemed to mandate bicycle dealers to be registrars for all bicycles they sold, and re-sold (used bikes). Proponents of the bill, including Minnesota Public Interest Research Group (MPIRG) lobbists and the House author, Rep. Kahn, testified before committees that this was the only effective way for all bicycles to be registered. We disagreed, claiming that to mandate dealers to register bicycles (without choice, if they sold bicycles) was unfair and tended to penalize these small dealers for choosing to sell bicycles. To soften this effect, the initial bill called for 25¢ per bicycle registered; this amount would go to the dealer "for his time and trouble," according to the sponsors of the bill. It was our position that this amount did not adequately compensate the dealer.

3. Initital bill mandated certain record-keeping requirements on dealers. For example, retailers who sold bicycles would have been forced to keep detailed records of purchase, and produce these records for the state on demand. We noted this record-keeping burden for small, independent retailers, already "paperworked" by abundant government forms and requirements, as testified to in the Governor's Small Business Task Force Report.

As we recall, the bill was defeated or tabled for defeat in a floor vote. It might be noted that our objections to this initial bill had not been taken into consideration in passage of the bill through committee.

In the 1975-76 session, the Bicycle Registration Bill was introduced once again, and the bill was analyzed for effect and impact on both municipalities and bicycle dealers.

After considerable discussion it was determined that the initial reasons for opposition to the bill were largely accounted for in the new proposal. For example, the bill specified that dealers could register bicycles they sold, at their option; it also called for far less paperwork by the retailer if he chose to register bicycles.

Therefore, this Association took no official position on the bill that was enacted by the 1975-76 Legislature. In fact, when called upon by individual legislators to offer opposition to this bill, we declined to offer any opposition, stating that "our problems" with this bill had been taken care of." We gave our tacit support to the bill, in effect.

Impact Of Rules (MoVech 70-82)

As to the rules issued by the Minnesota Department of Public Safety, Division of Motor Vehicles, to "implement and provide effective administration for the registration and licensing of bicycles," we offer the following comments on two proposed sections of the rules:

MoVeh 75 B. "PROOF OF OWNERSHIP." Bicycle deputy registrar is expected to follow definitions in MoVeh 75 if denying a license. This could be spelled out more clearly for the deputy registrar, giving him reasonable standards on which to deny the issuance of a license. This could be done by incorporating the "Proof of Ownership" language of MoVeh 75 A into MoVeh 75 B or by reference.

MoVeh 81 B. "REPORTS AND DEPOSITS." Considering the massive paperwork burden faced by most businessmen, imposed by goverment at all levels, it is suggested that the requirement stating...

> B. Bicycle deputy registrars shall deposit state fees collected whenever the total fees reach $50 or each Friday, whichever comes first. (Underscoring added.)

...is excessive and hence--despite the simplicity of the forms and reporting procedure (for which the Supervisor of Bicycle Registration is to be highly commended)--also burdensome for small independent retailers. We have no objection to the $50 requirement, but we do object strenuously to the weekly requirement for submitting funds to the State Department of Motor Vehicles for those not reaching $50 in fee collections.

These reasons are cited:

1. A dealer who choses to be a bicycle deputy registrar may sell only a small number of bicycles a week, and then only in the prime selling seasons (Spring and just before Christmas). This dealer might desire, as a convenience to his customers, to offer registration in his store. If he were to submit one check per week to the State, for bicycles he sells, he would be doing so at the very peak of his annual business volume (Spring and Christmas) at a time when he spends considerable overtime at his store already and when checks often do not get written as frequently as in normal periods. The small retailer would be likely to find compliance with this requirement to be highly difficult, if not prohibitive.

2. If this dealer is in a small town or rural area, he might be the only such bicycle deputy registrar for miles around (from nearest Motor Vehicle Deputy Reigstrar) and this the only place where a citizen could register a bicycle without driving a long distance, thereby using up gasoline and added expense to register a bicycle.

3. Friday and Saturday are the busiest days in a hardware store, as customers prepare for weekend do-it-yourself projects and get their needed supplies from hardware stores. For this reason, too, checks to be written and forms to be prepared would be difficult for the small retailer on Friday.

These alternative are respectfully suggested:

1. Filing of fees and forms to the State twice monthly (1st and 15th), or;

2 . Filing of fees and forms within 15 calendar days from the date of the transaction, including all such transactions that occur within that 15-day period, or;

3. Filing of fees and forms within 10 days, in person or by mail, to the nearest Motor Vehicle Deputy Registrar, who could deposit to his account and transfer moneys and forms with his daily deposit to the State.

In summary, the bicycle registration rules as proposed seem to "come down hard" on the small Minnesota retailer who might choose to register bicycles as a convenience to his customers, owing to the weekly requirement for fees and forms to the state. The rules seem to do a disservice to the small retailer and his customers (who, as an alternative, may have to drive miles to the nearest Motor Vehicle Deputy Registrar). By removing the weekly requirement for submitting forms and fees to the state, and substituting a less onerous requirement, the rules would be improved.

To close, we quote from pages 18 and 61 of the Governor's Advisory Task Force on Small Business (1976) in Minnesota (1976 Department of Economic Development Report):

> Excess paperwork has come out as one of the largest problems facing small business in the State of Minnesota... Many small businessmen have indicated that we must come to grips with the demand that state government is putting on small business and say "NO" to more paperwork.
> ...The Task Force (on Small Business) has seen dramatic evidence of the demands on small businesses to fill out forms and do paperwork which has significantly cut into their time as small businessmen trying to manage their daily operation. Governmental paperwork is one of the most frustrating and time-consuming functions that many small businessmen are forced to endure.

Thank you for your consideration of our position.

Sincerely,

Gary L. Larson
