I. Authority

Authority for the promulgation of this rule is contained in Minnesota Statutes §136A.111.

Subpart 1. Annual list. Annually the board shall adopt by resolution a list of schools at which a state scholarship or grant-in-aid may be used. Schools may be added to the list by the board anytime during the school year.

Subp. 2. [Unchanged]

Discussion: The sentence was added in order to allow schools to be added to the list of eligible schools anytime during the year. Under current rule, the Board considers additions or deletions to the list of eligible schools only once a year.

The Board believes this is a needed and reasonable change because it would shorten the time a school would have to wait to become eligible, therefore, those students involved would qualify for the Scholarship and Grant-in-Aid Program sooner.
