NOTICE OF INTENT TO
ADOPT RULES WITHOUT
A PUBLIC HEARING

Notice is hereby given that the State Board of Teaching intends to adopt the above-entitled rule without a public hearing following the procedures set forth in the Administrative Procedure Act for adopting rules without a public hearing in Minnesota Statutes, section 14.22 to 14.28. The statutory authority to adopt the rule is Minnesota Statutes, section 125.05, subd. 1, section 125.185, subd. 4, and Minnesota Session 1988, Chapter 718, Article 3, Sec. 8, Subd. 1.

All persons have 30 days in which to submit comment in support of or in opposition to the proposed rule or any part or subpart of the rule. Comment is encouraged. Each comment should identify the portion of the proposed rule addressed, the reason for the comment, and any change proposed.

Any person may make a written request for a public hearing on the rule within the 30-day comment period. If 25 or more persons submit a written request for a public hearing within the 30-day comment period, a public hearing will be held unless a sufficient number withdraw their request in writing. Any person requesting a public hearing should state his or her name and address, and is encouraged to identify the portion of the proposed rule addressed, the reason for the request, and any change proposed. If a public hearing is required, the agency will proceed pursuant to Minnesota Statutes, section 14.131 to 14.20.

Comment or written requests for a public hearing must be submitted to:

Kenneth L. Peatross,
Executive Secretary
Minnesota Board of Teaching

550 Cedar Street
St. Paul, Minnesota 55101
612/296-2415

The proposed rule may be modified if the modifications are supported by data and views submitted to the agency and do not result in a substantial change in the proposed rule as noticed.

A copy of the proposed rule is attached to this notice.

BOARD OF TEACHING

STATEMENT OF NEED AND REASONABLENESS

Concerning the Proposed Amending of Minnesota Rules, part 8700.5200 Teachers of American Indian Language and American Indian History and Culture

The statutory authority of the Board of Teaching to adopt the proposed rule is set forth in Minnesota Statutes, sections 125.05, subd. 1, 125.185, subd. 4, and Minnesota Session Laws 1988, Chapter 718, Article 3, Section 8, Subd. 1.

RULE AS PROPOSED

Minnesota Rules, part 8700.5200 Teachers of American Indian Language and American Indian History and Culture.

The amendments to this rule are necessary to comply with the definitions and requirements of Minnesota Session Laws 1988, Chapter 718, Article 3, section 7, subd. 4, and section 8, subd. 1.
These laws direct the Board of Teaching to grant initial and continuing teaching licenses in American Indian Language and American Indian History and Culture that bear the same duration as other initial and continuing licenses.

The amendment to subpart 3 provides for consistent language with recently amended statutes. The Board of Teaching has determined that it is reasonable to define the school of which an authorized official may make application for a license on behalf of a person who has demonstrated competence in an American Indian language and/or knowledge and understanding of an American Indian History and Culture as the school is defined in Minnesota Session Laws 1988, Chapter 718, Article 3, section 7, subd. 4. This amendment makes the language of the rule consistent with above-cited session laws.

Subpart 7 sets forth the requirements for the issuance and renewal of licenses issued in accord with the provisions of this rule.

The Board of Teaching has determined that it is reasonable to issue and renew licenses authorized by this rule in accord with current rules of the Board of Teaching governing the issuance and renewal of licenses to teach. This subpart assures that such licenses are issued and renewed in accord with existing rules of the Board of Teaching.

It is necessary to repeal Minnesota Rules, part 8700.5200, subparts 5 and 6 in order to delete obsolete language and to comply with the requirements of Minnesota Session Laws 1988, Chapter 718, Article 3, Section 8, Subd. 1.

FISCAL STATEMENTS

The Board of Teaching estimates that the proposed rules will not require an expenditure of public monies by all local bodies of an amount which exceed $100,000 in either of the two years immediately following adoption of the proposed rules.

SMALL BUSINESS

These proposed rules will not directly affect small business within the meaning of Minn. Stat. 14.115.
