PHONE : 296-9422

SUBJECT : In the Matter of the Adopted Rule Relating To Ambulance Services

The above-refernced rule has been approved as to its legality by the Attorney General on August 10, 1989.

Enclosed is the agency's copy of the approved rule. This office has already filed two copies with the Secretary of State who will forward one copy to the Revisor of Statutes. The fourth is being retained by this division of the Attorney General's Office for its records.

Also enclosed are any petitions, requests, submissions or comments received by the agency and any extra copies of documents which the agency submitted to the Attorney General.

Your next step is to arrange for publication of the Notice of Adoption in the State Register. In a day or two, you should receive from the Revisor's Office three copies of the notice of adoption of your rule. You should submit two copies of the Notice of Adoption to the State Register for publication. A permanent rule without a hearing does not become effective until five days after a notice of adoption is published in the State Register in accordance with Minn. Stat. § 14.27. An emergency rule becomes effective five working days after approval by the Attorney General; however, the agency must publish a notice in the State Register in accordance with Minn. Stat. § 14.34.

If you have any questions in this regard, please contact me.

Notice of Intent to Solicit Outside Opinions Concerning a Request for a Waiver of HMO Statutes and Rules by NWNL Health Network, Inc.

NOTICE IS HEREBY GIVEN that the Department of Health is seeking opinions and comments pertaining to a request by NWNL Health Network, Inc. for a waiver of HMO statutes and rules relating to pharmacy benefits under Senior Health Plan. Such waivers are authorized for demonstration projects by *Minnesota Statutes* 62D.30.

The request submitted by NWNL Health Network, Inc. is available for inspection during normal business hours at the following location:

Alternative Delivery Systems
Room 450
Minnesota Department of Health

Comments on the request must be received by January 16, 1989.

Department of Health

Notice of Intent to Solicit Outside Opinion Regarding Proposed Rule Changes Governing Intravenous Infusion by Emergency Medical Technicians and Governing the Number of Hours of Training Required to Perform Certain Emergency Service Activities

NOTICE IS HEREBY GIVEN that the Minnesota Department of Health is seeking information or opinions from sources outside the agency in preparing to amend *Minnesota Rules*, Chapter 4690, Department of Health Life Support Transportation Services. The promulgation of these rule changes is authorized by *Minnesota Statutes*, section 144.804, subdivision 3.

Proposed amendments pertaining to intravenous infusions would authorize Emergency Medical Technician-Intermediates, by virtue of their training in the establishment and maintenance of intravenous infusions, and basic Emergency Medical Technicians who have received satisfactory training approved by the medical director of their licensed ambulance service, to initiate intravenous infusion for pre-hospital emergency medical conditions other than solely for fluid volume replacement.

Proposed amendments pertaining to the required number of training hours for emergency medical technicians would make the rules consistent with current practice and national requirements.

The Emergency Medical Services Section of the Minnesota Department of Health requests information and comments concerning the subject matter of the proposed rule changes. Interested or affected parties may submit written statements of information or comment orally by January 31, 1989. Written comments should be addressed to:

Notice of Solicitation of Outside Information or Opinions Regarding Proposed Rules Governing the Assignment of Representative Payees to Manage the General Assistance Benefits of Drug Dependent Recipients, part 9500.1272

NOTICE IS HEREBY GIVEN that the State Department of Human Services is seeking information or opinions from sources outside the agency in preparing to propose the adoption of the rule governing the assignment of representative payees to manage the general assistance benefits of drug dependent recipients. The adoption of the rule is authorized by *Minnesota Statutes*, section 256D.09, subdivision 2a, which requires the agency to "adopt rules...governing the assignment of a representative payee and management of the general assistance grant of a drug dependent person...."

The State Department of Human Services requests information and opinions concerning the subject matter of the rule. Interested persons or groups may submit data or views on the subject matter of concern in writing or orally. Written statements should be addressed to: Dan Lipschultz, Rules Division, Minnesota Department of Human Services, 444 Lafayette Rd. 55155-3816. Oral statements will be received during regular business hours over the telephone at (612) 297-4302 and in person at the above address.

All statements of information and opinions shall be accepted until further notice is published in the *State Register* or the Notice of Hearing or Notice of Intent to Adopt Rules Without a Hearing is published in the *State Register*. Any written material received by the State Department of Human Services shall become part of the rulemaking record to be submitted to the attorney general or administrative law judge in the event that the rule is adopted.

Assistant Revisor

STATE OF MINNESOTA

DEPARTMENT OF HEALTH

In the Matter of the Proposed Adoption of Amendments to Minnesota Rules, Chapter 4690, Governing Administration of Minnesota Ambulance Services.	NOTICE OF INTENT TO ADOPT A RULE WITHOUT A PUBLIC HEARING.

Notice is hereby given that the Minnesota Department of Health intends to adopt the above-entitled rule without a public hearing following the procedures of the Administrative Procedures Act for adopting rules without a public hearing in Minnesota Statutes, sections 14.22 to 14.28. The statutory authority to adopt the rule is Minnesota Statutes, section 144.804, subdivision 3.

All persons have 30 days or until 4:30 p.m. on June 5, 1989 in which to submit comment in support of or in opposition to the proposed rule or any part or subpart of the rule. Comment is encouraged. Each comment should identify the portion of the proposed rule addressed, the reason for the comment, and any change proposed.

Any person may make a written request for a public hearing on the rule within the 30-day comment period. If 25 or more persons submit a written request for a public hearing within the

30-day comment period, a public hearing will be held unless a sufficient number withdraw their request in writing. Any person requesting a public hearing should state his or her name and address, and is encouraged to identify the portion of the proposed rule addressed, the reason for the request, and any change proposed. If public hearing is required, the agency will proceed pursuant to Minnesota Statutes, sections 14.131 to 14.20.

Comments or written requests for a public hearing must be submitted to:

Wayne Arrowood
Emergency Medical Services
Minnesota Department of Health
393 North Dunlap
P.O. Box 64900
St. Paul, MN 55164-0900

(612) 643-2162

The proposed rule may be changed if the changes are supported by data and views submitted to the agency and do not result in a substantial change in the proposed rule as noticed. A copy of the proposed rule is attached to this notice.

A statement of need and reasonableness that describes the need for and reasonableness of each provision of the proposed rule and identifies the data and information relied on to support the proposed rule has been prepared and is available from

Wayne Arrowood on request.

Adoption of these rules will not result in additional spending by local public bodies in excess of $100,000 per year for the first two years following adoption under the requirements of Minnesota Statutes, section 14.11.

If no hearing is required, on adoption of the rule, the rule and the required supporting documents will be submitted to the Attorney General for review as to legality and form to the extent the form relates to legality. Any person may request notification of the date of submission to the Attorney General. Persons who wish to be advised of the submission of this material to the Attorney General, or who wish to receive a copy of the adopted rule, must submit the written request to Wayne Arrowood.

Sister Mary Madonna Ashton
Commissioner of Health

STATE OF MINNESOTA

DEPARTMENT OF HEALTH

IN THE MATTER OF THE PROPOSED ADOPTION OF AMENDMENTS TO MINNESOTA RULES, CHAPTER 4690, GOVERNING ADMINISTRATION OF MINNESOTA AMBULANCE SERVICES.

STATEMENT OF NEED AND REASONABLENESS

INTRODUCTION.

The function of ambulance services in Minnesota is to transport ill and injured people to places where they can receive medical treatment for the illness or injury.

Minnesota ambulance services are licensed and regulated by the Commissioner of Health through the Emergency Medical Services Section (EMS) of the Community Health Services Division of the Minnesota Department of Health (MDH).

Licensing and regulation by EMS are conducted under the authority of Minnesota Statutes, sections 144.801 through 144.8093 and Minnesota Rules, chapter 4690. Minnesota Rules, part 4690.8300, subpart 3, item E currently restricts variances granted to basic life support services by EMS for administration of intravenous infusions "to solution administered only for fluid volume replacement."

Proposed amendments pertaining to intravenous infusions (I.V. infusions) would authorize Emergency Medical Technician - Intermediates (EMT - Intermediates), by virtue of their training

in the establishment and maintenance of intravenous infusions, and basic Emergency Medical Technicians who have received satisfactory training approved by the medical director of their licensed ambulance service, to initiate intravenous infusion for pre-hospital emergency medical conditions other than solely for fluid volume replacement.

To prepare the proposed amendments the MDH followed the procedures mandated by the Minnesota Administrative Procedures Act and the rules of the Office of Administrative Hearings. A notice to solicit outside opinion concerning the proposed amendments was published in the State Register on Monday, January 16, 1989. The proposed rule amendments grew out of recommendations made by an EMS Advisory Task Force convened in October, 1987. The proposed amendments have also been reviewed and approved by the EMS section's consulting emergency physician. Drafts of the proposed rules were given to each person requesting a copy of the draft rules after publication of the notice of intent to solicit outside opinion. Comments received were reviewed and considered by EMS when it completed the proposed rules.

This statement of need and reasonableness must be read in conjunction with a copy of the proposed amendments. Copies of the amendments are available from the EMS section at the Minnesota Department of Health.

IMPACT ON SMALL BUSINESSES.

Minnesota Statutes, section 14.115, subdivision 2 requires a state agency to consider the methods for reducing the impact of the rule on small businesses.

The amendments pertaining to intravenous infusions, however, do not require any businesses to change the way they operate. The amendments authorize ambulance services to perform a specific medical procedure if it is in the best interests of their patients and business to that procedure. If they choose to do the procedure they must follow the procedures for obtaining permission from the state to do so. The procedures for obtaining permission, known as variance requests, have been in place for many years. Ambulance businesses are familiar with the procedures. The proposed rule changes will not burden ambulance services with new procedures.

Minnesota Statutes, section 14.115, subdivision 4 requires the state agency to have small businesses participate in rulemaking. This requirement was satisfied by mailing the notice of intent to solicit outside opinion to all licensed ambulance services in the state.

NEED AND REASONABLENESS OF AMENDMENTS.

The amendments that pertain to I.V. infusions are those made under part 4690.0100, subpart 16 (changing the definition of "intravenous infusion") and under part 4690.8300, subpart 3, (the deletion of item E).

The proposed amendments pertaining to I.V. infusions would authorize EMT-Intermediates, by virtue of their training in the establishment and maintenance of I.V. infusions, and basic EMT's who have received satisfactory training approved by the medical director of their licensed ambulance service, to initiate I.V. infusion for pre-hospital emergency medical conditions other than

fluid volume replacement. This change affects only those qualified EMT's functioning as attendants upon licensed basic life support ambulance services, with a variance to initiate I.V. infusions, as approved by the Commissioner of Health. Licensees with a variance to initiate I.V. infusions will still be required to have a physician medical director who agrees to provide medical direction regarding attendant training, equipment, standing orders, continuing education, and assessment of the quality of care provided with respect to the intravenous infusion procedure offered or provided pursuant to the variance.

The proposed amendments pertaining to I.V. infusions will also authorize qualified EMT's to maintain I.V. infusions skills through the experience of more I.V. starts under medical supervision. Intravenous infusion for the purpose of fluid volume replacement only limited these I.V. infusion initiations in the pre-hospital setting. It will enable an I.V. infusion route to be initiated in patients for the purpose of keeping open an infusion route, thus eliminating this need once the patient is within the emergency room of a medical facility. Review of this procedure will be done by the commissioner through the EMS Office of the MDH. As required by Minnesota Rules part 4690.8300, subpart 2, item C, the State EMS Medical Consultant will continue to review all I.V. infusion variance requests to assure that proper medical protocols are in place and followed, including rapid and appropriate treatment and transport, proper training of personnel, continuing education, and quality assurance standard.

The proposed amendments relating to I.V. infusions do not change or expand the types of variances prohibited by part

4690.8300, subpart 6. The proposed amendments will not, for example, allow the EMT's to add medication to an I.V. infusion.

FISCAL IMPACT

The proposed amendments will not result in an increase spending of public money by any public bodies because the amendments will not require any further training of EMT's. Therefore the fiscal note requirements of Minnesota Statutes, section 14.11, subdivision 1 do not apply to these proposed amendments.

EXPERT WITNESSES.

The Department of Health will not present expert witnesses from outside the Department to testify concerning the provisions of these proposed amendments on behalf of the department.

In the Matter of the Proposed Adoption of Amendments to Minnesota Rules, Chapter 4690, Governing Administration of Minnesota Ambulance Services.	NOTICE OF INTENT TO ADOPT A RULE WITHOUT A PUBLIC HEARING.

Notice is hereby given that the Minnesota Department of Health intends to adopt the above-entitled rule without a public hearing following the procedures of the Administrative Procedures Act for adopting rules without a public hearing in Minnesota Statutes, sections 14.22 to 14.28. The statutory authority to adopt the rule is Minnesota Statutes, section 144.804, subdivision 3.

All persons have 30 days or until 4:30 p.m. on June 5, 1989 in which to submit comment in support of or in opposition to the proposed rule or any part or subpart of the rule. Comment is encouraged. Each comment should identify the portion of the proposed rule addressed, the reason for the comment, and any change proposed.

Any person may make a written request for a public hearing on the rule within the 30-day comment period. If 25 or more persons submit a written request for a public hearing within the

30-day comment period, a public hearing will be held unless a sufficient number withdraw their request in writing. Any person requesting a public hearing should state his or her name and address, and is encouraged to identify the portion of the proposed rule addressed, the reason for the request, and any change proposed. If public hearing is required, the agency will proceed pursuant to Minnesota Statutes, sections 14.131 to 14.20.

Comments or written requests for a public hearing must be submitted to:

The proposed rule may be changed if the changes are supported by data and views submitted to the agency and do not result in a substantial change in the proposed rule as noticed. A copy of the proposed rule is attached to this notice.

A statement of need and reasonableness that describes the need for and reasonableness of each provision of the proposed rule and identifies the data and information relied on to support the proposed rule has been prepared and is available from

Wayne Arrowood on request.

Adoption of these rules will not result in additional spending by local public bodies in excess of $100,000 per year for the first two years following adoption under the requirements of Minnesota Statutes, section 14.11.

If no hearing is required, on adoption of the rule, the rule and the required supporting documents will be submitted to the Attorney General for review as to legality and form to the extent the form relates to legality. Any person may request notification of the date of submission to the Attorney General. Persons who wish to be advised of the submission of this material to the Attorney General, or who wish to receive a copy of the adopted rule, must submit the written request to Wayne Arrowood.

Proposed Rules

Pursuant to Minn. Stat. §§ 14.22, an agency may propose to adopt, amend, suspend or repeal rules without first holding a public hearing, as long as the agency determines that the rules will be noncontroversial in nature. The agency must first publish a notice of intent to adopt rules without a public hearing, together with the proposed rules, in the *State Register.* The notice must advise the public:

1. **that they have 30 days in which to submit comment on the proposed rules;**
2. **that no public hearing will be held unless 25 or more persons make a written request for a hearing within the 30-day comment period;**
3. **of the manner in which persons shall request a hearing on the proposed rules; and**
4. **that the rule may be modified if the modifications are supported by the data and views submitted.**

If, during the 30-day comment period, 25 or more persons submit to the agency a written request for a hearing of the proposed rules, the agency must proceed under the provisions of §§ 14.14-14.20, which state that if an agency decides to hold a public hearing, it must publish a notice of intent in the *State Register*.

Pursuant to Minn. Stat. §§ 14.29 and 14.30, agencies may propose emergency rules under certain circumstances. Proposed emergency rules are published in the *State Register* and, for at least 25 days thereafter, interested persons may submit data and views in writing to the proposing agency.

Department of Health

Proposed Permanent Rules Relating to Ambulance Services

Notice of Intent to Adopt a Rule Without a Public Hearing

NOTICE IS HEREBY GIVEN that the Minnesota Department of Health intends to adopt the above-entitled rule without a public hearing following the procedures of the Administrative Procedures Act for adopting rules without a public hearing in *Minnesota Statutes,* sections 14.22 to 14.28. The statutory authority to adopt the rule is *Minnesota Statutes,* section 144.804, subdivision 3.

All persons have 30 days or until 4:30 p.m. on June 7, 1989 in which to submit comment in support of or in opposition to the proposed rule or any part or subpart of the rule. Comment is encouraged. Each comment should identify the portion of the proposed rule addressed, the reason for the comment, and any change proposed.

Any person may make a written request for a public hearing on the rule within the 30-day comment period. If 25 or more persons submit a written request for a public hearing within the 30-day comment period, a public hearing will be held unless a sufficient number withdraw their request in writing. Any person requesting a public hearing should state his or her name and address, and is encouraged to identify the portion of the proposed rule addressed, the reason for the request, and any change proposed. If public hearing is required, the agency will proceed pursuant to *Minnesota Statutes*, sections 14.131 to 14.20.

Comments or written requests for a public hearing must be submitted to:

KEY: PROPOSED RULES SECTION — Underlining indicates additions to existing rule language. ~~Strike outs~~ indicate deletions from existing rule language. If a proposed rule is totally new, it is designated "all new material." ADOPTED RULES SECTION — Underlining indicates additions to proposed rule language. ~~Strike outs~~ indicate deletions from proposed rule language.

The proposed rule may be changed if the changes are supported by data and views submitted to the agency and do not result in a substantial change in the proposed rule as noticed. A copy of the proposed rule is attached to this notice.

A statement of need and reasonableness that describes the need for and reasonableness of each provision of the proposed rule and identifies the data and information relied on to support the proposed rule has been prepared and is available from Wayne Arrowood on request.

Adoption of these rules will not result in additional spending by local public bodies in excess of $100,000 per year for the first two years following adoption under the requirements of *Minnesota Statutes*, section 14.11.

If no hearing is required, on adoption of the rule, the rule and the required supporting documents will be submitted to the Attorney General for review as to legality and form to the extent the form relates to legality. Any person may request notification of the date of submission to the Attorney General. Persons who wish to be advised of the submission of this material to the Attorney General, or who wish to receive a copy of the adoped rule, must submit the written request to Wayne Arrowood.

STATE OF MINNESOTA

DEPARTMENT OF HEALTH

In the Matter of the Proposed Adoption of the Rule of the Minnesota Department of Health Governing Administration of Minnesota Ambulance Services.	FINDINGS OF FACT, CONCLUSIONS, AND ORDER ADOPTING RULE WITHOUT PUBLIC HEARING

Notice of the Commissioner's intent to adopt the above-entitled rule was published in the State Register on May 8, 1989 and was sent by United States mail to all persons on the list maintained by the agency pursuant to Minnesota Statutes, sections 14.14, subdivision 1a and 14.22, on May 5, 1989. The statement of need and reasonableness was prepared before the notice of intent to adopt a rule without a public hearing was mailed to all persons on the rule making mailing list and published in the State Register and was available to the public.

All persons were given the opportunity to submit comment on the rule for 30 days after notice of proposed rule making. The agency received no requests for a public hearing.

No requests for notice of submission to the attorney general were received by the agency.

A request for a copy of the statement of Need and Reasonableness was received from the Legislative Commission to Review Administrative Rules, Michele Swanson, Commission Secretary.

Comments on the proposed rule were received from the following:

John Myers, M.D., Chairman of the Board, Minnesota Academy of Family Physicians: On April 17, 1989, the House of Delegates of the Minnesota Academy of Family Physicians voted to endorse the rule change proposed by the Department of Health.

Robert Welch, M.D., Waconia Ridgeview Hospital: Dr. Welch, an emergency physician and medical director for an advanced life support ambulance service, objects to the rule because it is felt that emergency medical technicians who are allowed to start IV's need clearly delineated policies. Further, that the amount of time spent establishing IV's will have a general negative impact on patient care.

Mr. Steven Belau, County E.M.S., Fertile, Minnesota: Mr. Belau is director of a small, rural advanced life support service in northwestern Minnesota. He is concerned about the safety, efficacy, and acceptable levels of bad outcomes for this medical procedure, as well as possible over-utilization.

Correspondence received commenting on the proposed rule change was acknowledged by mail on June 9, 1989. Emphasis was made concerning the following points: 1)Implementation of the proposed rule will be a positive step for emergency pre-hospital care in the state of Minnesota. The majority of response to this proposed rule change has been overwhelmingly positive; 2)the advanced life support procedure advocated by the proposed rule will be closely monitored by the Emergency Medical Services Office of the Department of Health. There is an established procedure for review and approval of all variances for ambulance services by the Commissioner of Health, including review by the State Emergency Medical Service Medical Consultant, Donald Brandt, M.D.; 3)the involvement of physicians providing medical care for basic ambulance services utilizing this advanced life support procedure will be critical in making this procedure a successful venture in pre-hospital care within the state. This will be of special importance in the development of medical protocols for establishing IV's in the pre-hospital setting, as well as indications for IV utilization when deemed medically appropriate.

Based on the comments and evidence in the record before the agency, I find the following:

That no changes to the rule are proposed.

The above-captioned rule is needed and reasonable.

NOW, THEREFORE, IT IS ORDERED that the rule identified as Amendments to Minnesota Rules, Chapter 4690, Governing Administration of Minnesota Ambulance Services, is adopted this 25TH day of July, 1989, pursuant to authority vested in me by Minnesota Statutes, Section 144.804 Subdivision 3.

SUBJECT: Review of a Rule Adopted Without a Public Hearing; Governing Administration of Minnesota Ambulance Services, Minnesota Rules, Parts 4690.0100 and 4690.8300.

Enclosed are the documents required to be submitted under Minnesota Rules, part 2010.0300 for your review of a rule adopted without a public hearing for the above entitled matter.

Official documents in this submitted material include:

1. A copy or photocopy of the notice of solicitation of outside information or opinions as published in the State Register.

2. A copy of the proposed rule with a certificate of approval as to form by the revisor of statutes attached.

3. The notice of intent to adopt a rule without a public hearing as mailed.

4. The statement of need and reasonableness in support of the proposed rule complying with part 2010.0700.

5. The affidavit of mailing the notice of intent to adopt a rule without a public hearing. The affidavits state that the mailing list maintained by the agency pursuant to Minnesota Statutes, sections 14.22 and 14.14, subdivision 1a is accurate, complete, and current and that the notice of intent to adopt the rule without a public hearing was mailed to all persons and groups whose names appear on the list.

6. A copy or photocopy of the notice of intent to adopt the

rule without a public hearing as published in the State Register.

7. Four copies of the rule as adopted. Any modification made to the proposed rule is reflected on the rule as adopted and is approved as to form by the revisor of statutes.

8. The findings of fact, conclusions, and order adopting the rule.

9. All written requests, submissions, or comments on the rule received by the agency except requests solely for copies of the rule or of the statement of need and reasonableness.

10. The declaration of the attorney in the attorney general's office who represents the agency.

No requests to be notified of submittal of the rule to the Attorney General, Administration were received.

If you have any questions on this submitted material, please call me at 643 - 2162.
