NADEAU

A CABIN IN THE PINES
ITASCA STATE PARK MINNESOTA

A black and white photograph of a rustic interior, likely a log cabin or lodge. The room features a long wooden lunch counter with a stone wall behind it. The ceiling is made of exposed log beams, and a large log is suspended horizontally across it. Several light bulbs are hanging from the ceiling. The floor is made of large, light-colored tiles. In the background, there are windows and a small table with chairs.
