D. New Business	
1. Planning for September 13 Operations meeting Tentative agenda (as discussed at 8/1/16 mtg): • Discussion item -- Issue of maintaining up to date DHS-specific requirements in the companion guides • Educational resources • TAG and SBAR Updates Additional possible Ops agenda items: • 278 transaction William "B.J." Venhuizen of Mayo requested time at a recent Eligibility TAG to discuss how Mayo is seeking to expand its use of the 278N transaction for electronic Notification of Hospital Admission. Shelagh Kalland suggested

that this also be an agenda item for Ops. (see also the descriptions of United Health Group's use of the 275N and related resources for additional background) Theresa Nopenen, co-chair of the Eligibility TAG would also like to discuss use of the 2 digit PMAP code best practice, and creating a white paper regarding use of the 270-271 transaction for entities not subject to HIPAA. • MACRA/SSN removal The Medicare Access and CHIP Reauthorization Act of 2015 (MACRA). A subsection of MACRA requires the establishment and use of classification code sets: care episode and patient condition groups and codes, and patient relationship categories and codes. MACRA also requires the CMS remove SSNS from Medicare ID cards. Both issues are of possible interest to the AUC. • Planning What are the AUC and its TAG's primary goals and responsibilities during the coming year? • Other business	
E. Other business

8/1/16 AUC Exec Committee Meeting Notes

8/1/16 AUC Exec Committee Agenda Item	Notes
A. Meeting to order – Tony Rinkenberger	The meeting was called to order by Ann Hale as Tony Rinkenberger was absent.
B. Anti-trust statement	
C. Updates/Old business	
1. Review of notes from the previous meeting	The notes from previous meetings were approved.
2. Update – companion guide maintenance	AUC Operations completed an email vote on July 29 approving final changes to the v12 837P companion guide. The guide will submitted to published in the State Register as an adopted rule as soon as possible. The latest proposed revised version of the 837D is being announced in the August 8 State Register for a 30 day public comment period.
3. TAG and SBAR update	The TAG and SBAR updates were published in the most recent AUC monthly newsletter.
D. New Business	
1. Planning for September 13 Operations meeting Tentative agenda: • <u>Discussion item -- Issue of maintaining up to date DHS-specific requirements in the companion guides</u> We currently publish a great deal of information regarding Minnesota Department of Human Services (DHS)-specific programs in the Minnesota Uniform Companion Guides. It is becoming increasingly difficult to keep the DHS information up to date and in synch with our rule-making process. One suggestion is to remove the DHS-specific information from the guides, and to	The agenda for the September Operations meeting was reviewed and approved.

direct readers to a DHS website with the relevant information (much as we now direct readers to external code sets that are maintained and published by others). • Educational resources We are working on creating a library of recorded webinars and other similar instructional materials for the AUC website. We plan to have a couple of examples to demo for the September Ops meeting. • Updates The usual companion guide, TAG, SBAR and other updates • Other business	
2. Review pending/recently completed Ops votes	AUC Operations recently approved an email vote to forward a Request for Interpretation (RFI) to X12 seeking instructions for reporting APR-DRGs on the 835 Remittance Advice transaction.
E. Other business	There was no other business and the meeting was adjourned.
Next meeting: Sept. 12, 2016 8:30 – 10:30 am HealthPartners-Bloomington 8170 Building, 1st Floor - Walnut Room [due to scheduling conflicts the next meeting of the Executive Committee was rescheduled to 10am – 12 pm September 7, 2016, via conference call only.]
