I have your inquiry concerning the birth records of Horatio Leonard Andrews, born May 4, 1907. Card #1 is the same as our records. Card #2 does not correspond with our records in the occupation and ages of Mr and Mrs Andrews, and our records do not give a name for the baby.

However it seems that these people did operate a restaurant at that time but our records show their occupation to be farmers.

Dear Miss Pearson: Inclosed please find a copy of the records I have on hand in the Book used at that time, It is pratically the same with I would advise you to get in touch with Mr Linkert and get full information in regard to this childⁱⁿ question, I think this girl right name "Ricka" and she's married to Norman Ohman

Mr and Mrs Linkert had a large family of 14 children, and I think that Maria and Ricka are the same

The reason for this delay was tha I was trying to get in touch with Mr Linkert and get some information, but failed. The parents are still alive and live at the same place, Address would be Rosemount

Dear Madam:

I am returning the photostatic copies you recently mailed to me. I have been unable to locate the local records for these years. I have done some checking at the court house, and will report what I have found at the Clerk of Court's office.

In regards to Ole Edward Johnson and Theodore Johnson, the records in the Clerk's office show these to be filed as you have on the copy. Theodore Johnson and Ole Edward Johnson are both children of George Johnson and Minnie Torgeson. I believe the error in this case is that Ole Edward Johnson was born in 1903 instead of 1905. Mr. Edward O. Johnson, as he uses his name, lives in Albert Lea, and his address is 1002 Fountain Street. If you wrote directly to him, he could probably help you make the correction.

Concerning Otis Lee and Babe Lee, Otis Lee is recorded in the Clerk's office the same as the copy you sent, but there is no registration of Babe Lee born on November 22, 1907. I have gotten in touch with Otis Lee, Hartland, Minnesota, and he states that he was born on May 31, 1909, which does not agree with the Clerk's record. Mr. Lee also informed me that his parents, Mr. and Mrs. James Lee, live at Staples, Minnesota, and that they have a family album recording births of all the children. I wrote to them about two weeks ago, and have not received any reply. You perhaps could receive the necessary information directly from them. Evidently, the parents on both copies are identical.

Yours very truly,

Herman H. Hunte, Town Clerk

Dear Madam,

Your letter of Sept. 5th. at hand and wish to inform you that records of Birth of Clarence E. Nordstrom and and Earnest P. Smith should read born in year 1904 and not 1906 as shown on photostatic copies.

Ernest Smith, Born 8-13-1904, Darwin Twp.M-W/
