Dear Madam:

I wish to advise that I have checked for a record of the birth card enclosed and referred to in your letter of April 29th, but that I am unable to locate any records for that year in my office.

I also checked with the Clerk of Court and his records show two registrations for this birth with one record containing the same information as contained in the card sent me.

Yours very truly,

Gentlemen:

Mr. Joe Kulaszewicz, the Clerk of the Township Board has referred your letter of September 5th, relative to the birth copies of Eliason to me. Sometime ago your office inquired about these same records and I contacted the Eliason family and they informed me that they are duplicate records of one person. I then made necessary alternations and returned them putting a cross on the record the party told me was incorrect.

However, both of these records are recorded in my birth register but I and the party involved feel that it was a duplicate registration.

Hoping that this letter will clear up the necessary information you need.

Yours truly,

Dear Mrs. Pierson:

In regard to your letter of April 29, 1941, we have searched our records and find a Johnson born March 9, 1907. This we believe is the same child.

The parents were Alfred Johnson, tailor, born in Sweden and 39 years of age at the time of the birth. The mother Anna Carlson, housewife, born in Sweden and 36 years of age at the time of this birth. The doctor in attendance was E.M. Gans.

Very truly yours,

I can not give you any
information on the two cards sent me as I only have the records
from 1913 up to now. The ones before were destroyed in a
fire when N. B. Rossier was the Registrar.

Yours truly

Simon L. Snyder
