I do have records of births in each of the families in question either prior or at a later date. However the surnames have in each case been spelled differently.

DIRECTOR

Mr. William O. Erickson  
Registrar Oakwood T., Wabasha Co.,  
Millville, Minnesota

My Dear Sir:

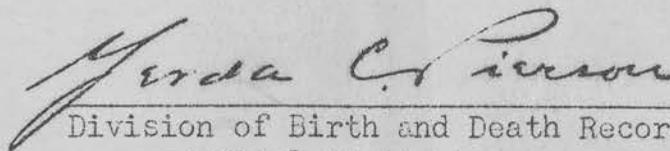

The records of Birth and Death on file in this Department for the period 1900-1907, inclusive, are but copies. They were made from records received from local Registrars throughout the State. The records the local Registrars sent us were forwarded in the early part of each year to the Clerks of Court.

We are attempting to rearrange these old records, and find in numerous instances two or more cards which we believe may refer to the same child, but which contain conflicting statements as to spelling of names, date and place of birth. There is also a possibility that the date of birth is wrong on one of them.

In order to make the situation clear we enclose photostatic copies of 2 cards for your county. Will you please check them with your local Register for the year (years) involved and advise us whether or not your records contain the particulars exactly as shown on our copies. Make notations on the cards and return to us in the penalty envelope which requires no postage.

May we please have a prompt reply.

Yours very truly,

Division of Birth and Death Records  
and Vital Statistics

Gerda C. Pierson, Director

RECD MAY 3 1941

according to our records  
The father Albert Thompson, who  
died Sept. 20, 1932. was born  
Jan 9, 1860 in Norway. We have  
known the family more than forty years.  
The two cards refer to the same  
birth although I find only one  
in our records. Homer Thompson  
is 3rd child. His father was 43 yrs  
at time of his birth, and (Sarah Polson)  
Mrs Thompson was 30 years. The address  
is Millville, Minn.

Gentlemen -

I believe that these two birth certificates are for the same baby. I have checked with Mrs. Geo. Wyman and Dr. Lynn and they both think they are the same. Mrs. Wyman's name is Carrie but she has a sister who lives next door to her whose name is Minnie and Dr. Cummings was taking care of both of them at that time. I believe that Dr. Cummings forgot that he had sent the first certificate and sent the second one in in Feb. 1902.

The first certificate - the one giving the baby's name - is correct except that the parents ages should be 34 and 33.

Yours truly -
