From the Director

Hello Paideia families!

I am very excited to begin the 2012-2013 school year with you, and I look forward to our work together to fulfill the Paideia mission and vision. Since I arrived three weeks ago, I have been extremely impressed by the staff and their investment in ensuring your children's success and happiness. I feel honored to be able to lead them in continuing that focus while also ensuring that our curriculum, instruction, and assessments support all students to meet and exceed state standards.

Our Board of Directors' Strategic Plan lays out goals for us to prioritize resources and maximize community engagement to become the top-performing school in Dakota County. In order to meet these goals, we will all have to collaborate and communicate effectively to make sure our students' educational experiences here support them in doing their best.

We have some great events coming up this month to get this work started. Our Back to School Night on August 1st (2-7pm) will introduce you and your child to his/her classes and teachers so their transition back to school on August 6th (8:15am start time) will be easier. Our first Monday Morning Meeting on August 13th (8:15am) will allow you to see our entire student body and staff all together. Then, at our Curriculum Night on August 16th, you will have the opportunity to learn more about the expectations of the academic work your child is doing in class as well as how you can support their success at school.

This is going to be a wonderful year! Thank you for entrusting your child to Paideia.

Marci Levy-Maguire
Director

2012—2013 Directory

This year the Directory will be handled solely by the PTO; Paideia staff and administration will not use or distribute any information from the directory. If you wish for your family to be listed in the directory you will need to stop by the PTO table at the Back to School event.

* In addition to the Directory, PTO will also be starting up a Carpool Resource for families; if you are interested in carpooling please let them know at the Back to School Event.

Please note: As many of you may already know the Apple Valley Streets are undergoing much construction this summer. Please plan for this when transporting students to and from Paideia.

Remember all students are to be at their desks by 8:15 AM.

Paideia Academy recently marched in the largest community event held in Apple Valley - the 4th of July Freedom Days Parade.

With the first year now under our belt, we look forward to making it a bigger and better experience for our families.

A huge thank you to the following families for their assistance in securing truck/trailer/decorations/ and tools to create the float: Abraham, Bridgeman, Klopp, Ockwig, Townley and Wolschlager.

In addition, a thank you goes to those families listed for their participation in the parade and braving the hot, humid weather to promote their school: Abraham, Bahr, Klopp, Ockwig, Steeves, Townley.

Paideia will participate in this wonderful community event next year. Planning will start in April when a notice will go out in the newsletter to solicit interested families.

Would you like to get a jump start on your volunteer hours?

We would love for your family to spend time weeding the gardens in the front area of Paideia!

Be sure to keep track of your time so you can add it to your volunteer log at a later date.
