Prof. LeRoy Cady,  
St. Paul, Minn.  
Dear Friend.-

I have been footing up the amount of plant premiums called for, which in total is as follows:

Lot #1 - 261  
" #2 - 203  
" #3 - 220  
" #5 - 187  
" #6 - 170  
" #7 - 142

Lot # 8 - 166  
" # 9 - 48  
" #10 - 274  
" #11 - 216  
" #12 - 129  
" # 13 - 417

I have written Mr. Haralson today that there were 417 lots of plum trees to be sent by express called for by our membership and asked him whether or not he would think it best and be willing to put with these lots of plum trees the second premiums which is usually called for by our membership. If he will do this it will save a lot of expense and time in having this second premium sent separately, as well as save considerable on postage.

I will give you here the amount of the number of these different premiums which go with the large plum trees and which would be packed with the plum trees.

Lot # 1 - 49  
" # 2 - 30  
" # 3 - 33  
" # 5 - 49  
" # 6 - 34  
" # 7 - 21

Lot # 8-29  
" # 9-10  
" #10-45  
" #11-46  
" #12 - 14

If Mr. Haralson packs these with the plum trees then the amount of material that he would send to you would be the difference between these last given figures and the totals which I gave you at the beginning of this letter.

I might give you here the figures showing the difference, which I have on a sheet before me. Namely:

Publishes a Monthly Magazine entitled "The Minnesota Horticulturist." Sent free to all members of the Society. Send for copy of the Magazine and Folder containing the "Fruit List" for Minnesota and describing the work of the Society, in publications, methods, etc. Membership fee \$1.00 per annum.

#2

Lot #1 - 212  
" #2 - 170  
" #3 - 187  
" #5 - 138  
" #6 - 136  
" #7 - 122

*Buta Super  
Hose*

Lot #8 - 137  
" #9 - 38  
" #10 - 229  
" #11 - 170  
" #12 - 115

I hope I have been able to state this matter clearly..

Have you received the scions yet from Stark Bros., and would it be well to send these out immediately or wait now and send them with the other premiums? If you think best to send them immediately, and probably that would be a wise thing to do, I could send the labels over for them tomorrow. Perhaps you had better telephone me in regard to it so that if we are to have separate labels for them I can get them out at once.

Cordially,

*A. W. Latham* Sec'y.

*I sent all these figures to  
Haralson also.*

"The Minnesota Horticulturist."—Published monthly at \$1.00 per annum, including membership in the Society and report of 1896, a cloth bound book of 550 pages, and (to new members) three valuable premiums of plants.

Prof. S. B. Green,  
St. Anthony Park, Minn.

Dear Friend:

I send you enclosed a list of premiums taken to date as I am going to St. Louis tonight not to be back until after the first of April. There will be a few more, perhaps 40 at the outside, and they will probably average about as these do. I have also the following orders for apple seed which I hope you will be able to get off pretty soon so that those who receive them may take advantage of a possible freezing night. I am going to St. Louis with Mr. Underwood tonight, and we expect to stop off at Louisiana and visit the Stark Nurseries tomorrow. Wish you could be along with us and take in the show.

Yours very cordially.

*A. W. Latham, Secy*

Ole Skinnemoen, Wendell, 1 1/2 oz of apple seed: H. H. S. Rowell, C/o. Progress, 1 1/2 oz. apple seed: Henry Dunsmore, 1/2 oz apple seed: Otto Kankel, Fertile, 3 1/2 oz. apple seed: Geo. C. Moore, Detroit, 1 1/2 apple seed: John W. Erickson, Aitkin, 3 oz. apple seed: J. A. Barberg, Cokato, 1 1/2 oz. apple seed: F. F. Farrar, White Bear Lake, 1 1/2 oz apple seed.

P. S. The following is a summary of the enclosed list of premiums to be sent.

number 1	- 71	<i>Peta Grape (1)</i>
" "	2 - 51	<i>Russian Olive (2)</i>
" "	3 - 80	<i>Columbian raspberries (3)</i>
" "	4 - 73	<i>King raspberries (3)</i>
" "	5 - 167	<i>Pastoria greenings root grafts (4)</i>
" "	6 - 128	<i>Hibernal root grafts (4)</i>
" "	7 - 32	<i>Golden Willow cuttings (3)</i>
" "	8 - 28	<i>Ludlow Buckthorn (4)</i>
" "	9 - 50	<i>Buffalo Berry (4)</i>
" "	10 - 35	<i>Pyrus Baratta (6)</i>
" "	11 - 49	<i>" mixed (3)</i>
" "	12 - 61	<i>Burning Bush (3)</i>

, 4/1/10.

LeRoy Gady,

St. Anthony Park, Minn.

Dear Friend.-

Enclosed find summary of premiums by number with one of the folders accompanying so that you may know what these numbers mean if you have forgotten. There will be a few additions to this but very few however. You see there are a lot of Beta grapes called for and probably you will be unable to furnish all of these. Will get the tags out right away and send them over to you within a week, perhaps sooner if you want them. You have quite a job cut out here it seems,—lucky the school is over.

Yours very cordially,

*A. W. Latham* Sec'y.

Office (and Library) of

A. W. LATHAM, Secretary.

207 KASOTA BLOCK.

Minneapolis, Minn., Feb. 15, 1899.

### Important—Read at Once.

DEAR FELLOW MEMBER:

You may not be aware of the fact that the enactment of a new printing law by our state legislature two years since incidentally left our society with a special law providing for our printing but no appropriation with which to pay for it. Being at the very close of the session, it was too late to rectify the mistake till the present session of the legislature. In the meantime the printers who held the contract for printing the reports in 1896 have gone on and printed them as usual during 1897 and 1898, relying on the present legislature making an appropriation to reimburse them.

A bill has now been introduced into both branches of the legislature appropriating \$2,750 for each of the two years, 1897 and 1898, for this purpose, and \$3,000 annually thereafter, the latter sum being made larger to pay for an increase of 1,000 in the number of copies to be printed, the additional 1,000 to be placed in the public school libraries.

It goes without saying that the continuance of the important work of this society, which is now by far the largest (and, as we believe, correspondingly useful) of its kind in the United States, depends on the passage of this or some similar appropriation bill. Under these grave circumstances it has been thought best to invite and *urge* members to write to the senators and representatives from their districts, or any others with whom they are acquainted (directing to the Capitol, St. Paul), setting forth briefly the facts in the case, and speaking of the useful work of the society and requesting them to give an *active support* to the bill.

As the measure will come up very soon for action in both houses it is *vital* that this be *done at once*. Will you please notify the secretary at same time of those to whom you have written?

Being assured that as an interested member of our society you will give this matter the prompt attention its urgency demands, I remain

Yours fraternally,

*A. W. Latham, Secy.*

# THE MINNESOTA State Horticultural Society.

**What is its purpose?** The purpose of this Society is the collection and distribution of reliable information in regard to fruits, flowers, vegetables and other horticultural products in Minnesota.

**What are its publications?** The society publishes a monthly magazine of about forty pages, entitled "THE MINNESOTA HORTICULTURIST," which magazines are bound together at the end of the year and constitute the annual report of the society.

**What information do these publications contain?** They contain just the information every grower of fruit, etc., in Minnesota needs to know; what kinds to plant, and how to care for successfully.

**Who pays the expense of this printing?** It is paid by the state.

**Who may become members of this society?** Any one may become a member for one year by the payment of one dollar or a life member for ten dollars.

**Who should become members?** Every one who is trying to grow fruit or is in any other way interested in any branch of horticulture in Minnesota.

**What advantages do members receive?** Each one receives, postpaid, a cloth bound copy of the report of the previous year (500 pages) and the magazine for the current year, and if a new member, (i. e., joining for the first time) is entitled also to select three premiums of plants from the following list:

## LIST OF PREMIUMS.

- |  |  |
|--|--|
| No. 1. One Aminia (Rogers No. 39) grape vine.    | No. 6. One buffalo berry.                        |
| " 2. One Brighton grape vine.                    | " 7. One rose plant, Chlotilde Soupert.          |
| " 3. One Lady grape vine.                        | " 8. One Hydrangea Paniculata Grandiflora shrub. |
| " 4. Six Older raspberry (black) plants.         | " Two Smith's Improved gooseberry plants.        |
| " 5. Six Golden Queen raspberry (yellow) plants. | " Two Downing gooseberry plants.                 |

These premiums will be sent free by mail.

Sample copies of the magazine sent on receipt of two cents postage.

MINNEAPOLIS, MINN.

PRESIDENT, J. M. UNDERWOOD, Lake City. 1895 SECRETARY, A. W. LATHAM, Minneapolis.

PUBLISHES A MONTHLY MAGAZINE, ENTITLED

"THE MINNESOTA HORTICULTURALIST"

Subscription, \$1.00 per annum, including membership.

Library and Office of A. W. LATHAM, Sec'y,  
207 KASOTA BLOCK.

Minneapolis, Minn. Feb. 27, 1895

DEAR FRIEND AND FELLOW MEMBER:--

The delay in the issuance of our monthly is made necessary on account of the legislation now being enacted in the interest of our society. Our bill was introduced February 16th, and we hope will become a law so the magazine will come to you some time in March.

If you have not yet written or seen the senator or representatives from your district in regard to this bill, will you not do so immediately on receipt of this and kindly notify me? We need the assistance of every member in this.

Our annual membership for 1895 now numbers 256. Close times are affecting us with others. Can you say a word to some one who ought to unite with us?

Yours fraternally,

*A. W. Latham, Sec'y.*

"THY KINGDOM COME."

# The Kingdom.

Minneapolis, Minn.

Managing Editor, - H. W. Gleason.

Minneapolis, May 1, 1895.

Dear Friend:

Enclosed please find statement of your account with THE KINGDOM. It will be a very great favor if you will AT ONCE remit to us the amount due.

Several thousand dollars are owing to us on subscriptions alone. Unless these subscriptions are paid, and paid at once, the paper must stop publication. There is no other alternative. We are obliged to pay cash to our printers, pressmen and those who

C.

UNITED STATES DEPARTMENT OF AGRICULTURE,  
DIVISION OF STATISTICS,  
WASHINGTON, D. C.

JOHN HYDE, STATISTICIAN.  
STEPHEN D. FESSENDEN, ASST. STATISTICIAN.

February 15, 1902.

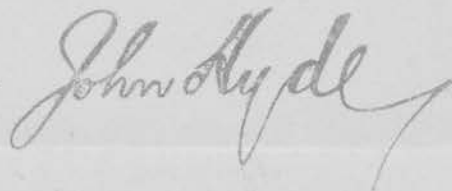

Dear Sir:

I have your offer to act as the representative of this Department in the collection of agricultural statistics and take pleasure in inclosing you herewith an appointment as the crop correspondent for your county.

A supply of penalty envelopes and other stationery will be sent to you under separate cover for the use of yourself and your assistants.

Your cooperation will be highly appreciated.

Very respectfully,

A handwritten signature in cursive script, reading "John Hyde". The signature is written in dark ink and is positioned to the right of the typed name "John Hyde".

Mr. Le Roy Cady,

Owantonna,

Steele Co., Minn.

(Inclosure)

United States  
Department of Agriculture,  
Office of the Secretary.

Washington, D. C., Febr. 14, 1902.

Upon the recommendation of the Statistician of the Department,

Mr. Le Roy Gady

is hereby appointed **STATISTICAL CORRESPONDENT** of the Department of Agriculture for the County of Steele, State of Minnesota

The experience of the Department with its crop-reporting service has proved that the public spirit of its Correspondents and their interest in the work of the Department may be relied upon to furnish intelligent and trustworthy reports regarding the agricultural conditions and capabilities of their respective localities, and such services rendered to the Department are reciprocated in every possible way.

Very respectfully,

James Wilson

Secretary.

## FRUITS FOR MINNESOTA PLANTING.

List adopted by the Minnesota State Horticultural Society, Dec. 4, 1913. For the Guidance of Planters.

### APPLES.

Of the first degree of hardiness: Duchess, Hibernial, Patten's Greening, Okabena.

Of the second degree of hardiness: Wealthy, Malinda, Anisim, Iowa Beauty, University, Lowland Raspberry, Jewell's Winter, Milwaukee.

Valuable in some locations: Wolf River, Yellow Transparent, Longfield, Northwestern Greening, Tetofsky, Peerless.

Most profitable varieties for commercial planting in Minnesota: Wealthy, Duchess, Patten's Greening, Okabena, Anisim.

Recommended for top-working on hardy stocks: Wealthy, Malinda, N. W. Greening, Stayman's Winesap, Grimes' Golden, Milwaukee, McIntosh.

Varieties for trial: Eastman, Evelyn, Windsor Chief, Gilbert.

### CRABS AND HYBRIDS.

For general cultivation: Florence, Whitney, Early Strawberry, Sweet Russet, Transcendent.

Varieties for trial: Faribault, Dartt, Success.

### PLUMS AND HYBRIDS.

For general cultivation: De Soto, Forest Garden, Wolf (freestone), Wyant, Stoddard, Terry.

Most promising for trial: Compass Cherry, Hanska, Opata, Sapa.

### GRAPES.

First degree of hardiness: Beta, Janesville.

Second degree of hardiness: Moore's Early, Campbell's Early, Brighton, Delaware, Worden, Concord, Moore's Diamond, Wyoming Red.

### RASPBERRIES.

Red varieties: King, Turner, Miller, London, Minnetonka Ironclad, Sunbeam.

Black and purple varieties: Palmer, Gregg, Older, Columbian, Cumberland.

### BLACKBERRIES.

Ancient Briton, Snyder, Eldorado.

### CURRENTS.

White Grape, Victoria, Long Bunch Holland, Pomona, Red Cross, Perfection, London Market.

### GOOSEBERRIES.

Houghton, Downing, Champion, Pearl, Carrie.

### STRAWBERRIES.

Perfect varieties: Bederwood, Enhance, Lovett, Splendid, Glen-Mary, Clyde, Senator Dunlap.

Imperfect varieties: Crescent, Warfield, Haverland, Marie.

Everbearing Varieties, for trial: Progressive, Superb, American.

### NATIVE FRUITS.

Valuable for trial: Dwarf Juneberry, Sand Cherry, Buffalo Berry, High Bush Cranberry.

### NUT FRUITS.

Shellback Hickory, Black Walnut, Butternut.

## LIST OF PREMIUM BOOKS.

GIVEN TO NEW MEMBERS OR TO ALL MEMBERS (NEW OR OLD) FOR SECURING NEW MEMBERS.

Fifty cents is allowed each new member, or to each member securing a new member, to be applied as payment on any of the following books, the balance, if any, to be paid in cash or by securing other members. All books sent by mail postpaid, and all bound in cloth except as noted.

A cash premium if preferred. The member securing a new member may retain 30 cents from the annual fee instead of receiving the premium book offered.

Amateur Fruit Growing, 138 pages, 50 cents.

Vegetable Gardening, 240 pages, paper bound, 50 cents; cloth bound, \$1.00.

Forestry of Minnesota, 401 pages, 50 cents.

Principles of American Forestry, 334 pages, \$1.50.

Popular Fruit Growing, 298 pages, cloth, \$1.00. An entirely new book by the author of "Amateur Fruit Growing," very full illustrated. Two new members will secure this valuable book without expense to you.

(The above five books were written by the late Prof. Samuel B. Green, horticulturist of the Minnesota State Experiment Station, and are especially adapted to Northwestern conditions.)

Landscape Gardening, by F. A. Waugh, 152 pages, 50 cents.

American Horticultural Manual, 2 volumes, Profs. J. L. Budd and N. E. Hanson, \$3.00.

Plums and Plum Culture, by Prof. F. A. Waugh, 371 pages, \$1.50.

Fruit Harvesting, Storing and Marketing, by F. A. Waugh, 232 pages, \$1.00.

Evergreens and How to Grow Them, by C. S. Harrison, 95 pages. Cloth, 50 cents.

If preferred instead of books, two lots of plant premiums (from list to be found on page 3 of this folder) may be selected.

### THE PLANT BREEDERS' AUXILIARY.

Clarence Wedge, President, Albert Lea.  
J. M. Underwood, Secretary, Lake City.

This is the name of an auxiliary society recently organized within the ranks of the horticultural society, the "object of which is to encourage the origination of new horticultural plants adapted to Minnesota," and, "any member of the Minnesota State Horticultural Society who is engaged in originating varieties of trees or plants may become a member of this auxiliary upon application to the secretary, there being no membership fee. Membership is to terminate with that in the Minnesota State Horticultural Society and the occupation above stated." A suitable badge button is supplied to each member of the Plant Breeders' Auxiliary.

For a full spraying calendar good for all seasons and all fruits apply to the secretary.

Use this Folder in your correspondence and send to the secretary for more.

## ALL ABOUT THE Minnesota State Horticultural Society

OVER  
3,000 MEMBERS  
1914

Annual Membership Fee . . . \$ 1.00  
Life Membership Fee . . . 10.00

### A MEMBER WILL RECEIVE:

1. "Trees, Fruits and Flowers of Minnesota" (cloth bound, 567 pages.)
2. "The Minnesota Horticulturist," a monthly magazine of 40 pages.
3. Several valuable new fruit trees or plants for trial. All postpaid. See list on page three.

FOR COMPLETE INFORMATION, READ  
ALL OF THIS FOLDER

President---Thos. E. Cashman, Owatonna.  
Secretary---A. W. Latham, 207 Kasota Bldg., Minneapolis

ADDRESS BUSINESS COMMUNICATIONS AND ALL  
REMITTANCES TO THE SECRETARY.

## OBJECT OF THE SOCIETY

This society, supported largely by the state, has for its work the securing and dissemination of knowledge pertaining to forestry, fruit and vegetable growing, the culture of flowers, etc., adapted to the soil and climate of Minnesota, and the origination and testing of horticultural products. It has no other purposes than as defined above.

The present membership of the society consists of over 3,000 of the most active and wide-awake professional and amateur horticulturists throughout the Northwest.

The society holds annual summer and winter meetings, at which fruits, vegetables, flowers, etc., are exhibited, papers and reports on horticultural topics are read, and the personal opinions of the members secured in the discussions which follow.

Committees, selected from the members, have special charge of investigations in various branches of horticulture, and a number of trial stations in different parts of the state, under the charge of members, are making practical tests of things new and desirable. The reports made by these committees and by the superintendents of the trial stations, along with the papers and addresses presented and discussions had at the meetings of the society, with other information of value, are compiled by the secretary and printed at the expense of the state. The society receives also from the state an annual appropriation to assist in carrying on its work.

Special attention is being paid at this time to the origination of varieties of fruits, etc., adapted to this region, and the members are urged to take an active part in this very hopeful feature of our work. See prizes offered for seedling apples and plums, etc., elsewhere in this folder. There are several societies auxiliary to this society, including the Minnesota State Forestry Association, the State Bee-Keepers Society, State Florists Society, State Garden Flower Society, Southern Minnesota Horticultural Society and others.

## MEMBERSHIP

**Annual Members.**—Any person may become a member of this society for the year 1914 by payment of the annual fee of \$1.00, which pays for the magazine for the year (except for such numbers as were issued prior to the date of membership and the issue exhausted), a handsome cloth-bound copy of "Trees, Fruits and Flowers of Minnesota" for the year 1913 (567 pages), sent prepaid, and all the other privileges of membership for the year. The annual report is sent to members of auxiliary societies only upon prepayment of postage thereon, 17 cts.

All annual memberships expire the first day of the annual meeting.

**Life Members.**—The life membership fee is \$10.00, payable in two annual installments of \$5.00 each, if preferred. Upon payment of the full fee they are entitled to a file of the back reports, as complete as possible, some twenty-five volumes, constituting an invaluable horticultural library.

## THE SOCIETY LIBRARY

Contains at present about 2,000 volumes. It includes reports of similar associations, standard works on horticulture and books of reference.

Three card indexes have been prepared, viz.: (1), of our library; (2), of our society reports, including all the articles published in these reports; (3), of horticultural bulletins from all the State Experiment Stations.

The library is open to all, but is especially the home of the members.

## PLANT PREMIUMS FOR 1914

**New fruit trees and plants for trial:**

All members, new or old, making application prior to April 1st, are entitled to two lots of plant premiums.

They will be sent postpaid (except as noted).

With the exception of the first four numbers in the following list all of the plant premiums offered this year to our membership come from the Minnesota State Fruit-Breeding Farm, an institution supported by the state for the express purpose of breeding new fruits. The varieties sent out are new fruits, etc., that give promise of being valuable, but the measure of their value is yet to be determined. Many of these varieties will be sent out accompanied by a metal label attached, and members are requested to leave this label attached to the article as reports in regard to their value may be called for at any time by the society.

**Select two lots by number.**

1. One Beta grape vine.
2. Three high bush cranberries, one year seedlings.
3. Three Boltonia, a perennial flowering plant growing to the height of four to six feet.
4. Collection of six varieties of annual flower seeds.
5. An assortment of scions sufficient to make fifteen to twenty grafts, including some of the following varieties: Black Ben, Delicious, Grimes Golden, McIntosh Red and Jonathan.
6. Six plants of strawberry seedling No. 3.
7. Four plants of raspberry seedling.
8. Two selected Beta grape seedling vines.
9. Six seedlings of the Siberian crab, for top-working.
10. Two seedlings, one year old, of Rosa Rugosa roses, some coming double.
11. One dwarf ornamental plum tree, beautiful in blossom, leaf and fruit.
12. Two hybrid plum trees, selection from six varieties.
13. Plum trees by express. To those who prefer some of these hybrid plum trees of a larger size, three to five feet high, four trees will be sent by express at the expense of the member instead of two of the mailing size. Probable express charge 25c to 35c.

Right of substitution is reserved in case the premiums selected cannot be supplied.

When sending for Plant Premiums always give the number of your membership ticket.

## MINNESOTA STATE FRUIT BREEDING FARM.

This farm is owned and operated by the state for the sole purpose of breeding new varieties of fruits better adapted to the needs of this climate than those now planted. While it is under the management of the State Experiment Station it is operated with the advice of the State Horticultural Society, which was instrumental in securing its foundation by the state. This farm is located at Zumbra Heights, some twenty-three miles west of Minneapolis on the Minneapolis & St. Louis road. In the six years since it was established it has already accomplished very much of value, and new fruit plants of a number of varieties of apparently large value are being sent out for trial to the members of this society, (see list on page three of this folder). Every member should certainly secure some of these plants and trees for testing and take part in this most interesting and valuable work of fruit-breeding.

## PRIZES FOR SEEDLING FRUITS

Prizes Offered by the Society for Valuable Varieties of the Apple and Plum Grown from Seed.

1. **ONE THOUSAND DOLLARS** is offered as a Premium by this Society for a Seedling Apple Tree "as hardy and prolific as the Duchess," with fruit equal to "the Wealthy" in size, quality and appearance, and that will keep as well as the Malinda."
2. **ONE HUNDRED DOLLARS** (contributed by Mr. C. M. Loring of Minneapolis) is offered for a seedling plum.
3. **ONE HUNDRED DOLLARS** is offered annually (total \$700) for seven years for the best Late Winter Seedling Apple, under prescribed conditions.
4. **TWO HUNDRED FIFTY DOLLARS** for seedling apples to be raised from seed secured by cross-fertilizing in the blossom. The first prize to be paid in 1920.
5. **ONE HUNDRED DOLLARS** for seedling roses of the Rosa Rugosa type, to be awarded in 1918. Rosa Rugosa seed can be had of the secretary at 10c per packet.
6. **SIX HUNDRED to ONE THOUSAND DOLLARS** in prizes for one acre orchards, to be planted in the spring of 1914.

Address the Secretary for fuller information as to these offers.

Apple seed suitable for growing seedling trees can be had of Secretary Latham, at 10 cents per package of 25 seeds with directions for sowing.

## PUBLICATIONS

The society issues a monthly magazine of forty pages. "THE MINNESOTA HORTICULTURIST"

(Samples free on application.)

These magazines contain the material previously referred to and other matter of timely interest.

At the close of the year the twelve magazines, with the journal of the society's meetings, list of members, index, etc., are bound together, making the annual report of the society, and entitled

"Trees, Fruits and Flowers of Minnesota."

This annual report (the one for 1913) is given to all members for 1914.
