Dear Mr Latham =

Replying to yours of 22d just
recd.

I shall be glad to prepare
a paper according to your
suggestion for Dec. 4th program

Yours truly

L. Milton Nelson —

STATE OF MINNESOTA

House of Representatives

40TH SESSION

F. E. NIMOCKS
Thirtieth District
Minneapolis, Minn.

Dec 18/18

A. W. Latham Esq
Minneapolis Minn
Friend Latham

will state in answer to your letter of yesterday, The Governor in his annual message to the Legislature can and does make recommendations, but if you do not make your wants known by introducing a bill for the same, there would be no action taken. Your bills when introduced would be sent to the Agriculture and Horticulture Committee and from there to the Appropriations Committee and from there to the Senate and I know as case you are looking for additional funds and I know that is what your Society should have. Did you receive the package I sent you with the membership of the Senate and Home?

Yours Sincerely
Frank E. Nimocks

Minneapolis, Minn.

My Dear Mr. Latham:

I am writing this in explanation of what happened to me last Thursday. In the first place I wish to apologize for not being present at the banquet and in explanation will say that on Thursday afternoon I went out to Excelsior for the purpose of picking up some business for the Jewell Nursery. Not knowing that Excelsior cars run every hour and a half I stuck with my man long enough to allow me (I thought) ample time to get into Minneapolis in time for the banquet. The consequences were that I arrived at the West Hotel a little after eight and tried to get you over the phone but could not get in communication with you. Thinking it would be improper for me to walk into the hall at that late hour I went back to the Dyckman Hotel.

I thought perhaps that when the program was on and I was not present that you would send a call for me there. I am sorry that this happened and it was fully unintentional on my part. I had prepared a nice little talk and was rather anxious to be able to deliver it, as the subject rather appealed to me. I understand that I was termed a slacker, a piker and a fellow with cold feet. I emphatically deny being any of these sort of a fellow, and the whole thing was due simply to my trying to combine two things, namely attending to business and also attending the Horticultural meeting. I have found that it cannot be done.

Hope you will pardon this offense and assuring you that it was fully unintentional, I am,

Respectfully yours,

John Nordine

Thirtieth District
Minneapolis, Minn.

A. B. Latham Secy

Dec 10/18

City
Dear Sir

I am mailing you under separate cover a list of the Senate and House members. This gives the name of the counties that the members represent. I would suggest you mail one to the active member of your Society in their locality and they can get in touch with their Senator and Representative before the Session opens on Jan'y 7th. When the Committees are appointed for the Appropriation of Agriculture and Horticulture I will mail you a list. Anything I can do to aid you do not hesitate to call on me.

Respy Yours
Frank E. Nimocks

Hon. A. W. Latham, Secy.,
Minn. State Horticultural Society,
207 Kasota Building,
Minneapolis, Minn.

My dear Mr. Latham:

Yours of the third received.
I am enclosing you a list of the Senate and House members. I have also checked on the list of representatives the members elect that served on the Agricultural and Horticultural Committees last session. This committee was composed of fifteen members last session and it was made up from members from the country. I would suggest that you get in touch with the members of your organization and have them see the representatives from their districts and talk with them relative to the legislation that you wish at the coming session. You understand when the bill is presented, it first goes to the Agricultural and Horticultural Committee and from there to the appropriation committee. That is, when you are looking for a larger appropriation than you now have. I would suggest that you get at least four members of the House on the bill and have them in different parts of the state.

I do not know at this writing who will be Chairman or in fact I do not know who will be on the committee this coming session. That is not known until after the House convenes and they are given out by the Speaker.

I will be very glad to keep in touch with you and any assistance I can render your association I will only be too glad to assist you.

Yours very truly,

FEM V

Mr. A. W. Latham,

207 Kasota Bldg.,

Minneapolis, Minn.

My Dear Mr. Latham:

I am sending you under separate cover the picture of my house, which I would be very much pleased to have you have a half tone made and published in your January issue of the State Horticulturist. Of course, I realize this is asking a great deal and I do not much expect my request to be granted.

I am also sending a half tone of an orchard view of a properly pruned and cultivated orchard. This is a plum orchard and will probably give some illustration to my annual report, and may be more suitable to publish than the picture of my house. You may however keep the picture of my house and at some future time if you care to publish same would be very much pleased to have you do ~~you~~ so.

I am aware of the change in date of the meeting and will say yes to your request to give a toast at the banquet. You may choose for me a subject or I will choose my own, whichever way you prefer.

Very Truly Yours,

John Nordine
Sup't Propagation.
