Dear Sir - your letter of Oct. 16 is received,
and I am very glad to learn that a file of
the Minn. State Hort. Soc. reports may still
be obtained. I think the set sent to Prof.
Bailey is in the Library, The one I wish to
get is for my own use. I have a complete
set of the Mich. Pom. reports, and find them
invaluable. I also wish to have yours within
reach.

If I can ever be of any service to you
please let me know. Thanking you for
your kindness I am

Yours sincerely

E. G. Lodeman

I first subscribed for your Magazine about a year ago, I did not send for back Numbers, tho I took from the Post Office read and distributed them I didn't think I was really in arrears.

As you have sent me a Card for '96 I herewith send you one dollar

If you still have back Numbers to spare they would be appreciated by John Dean Blue Earth City, and Eli Farr Blue Earth City. John Dean is an old settler and an experienced Scientific Nurseyman and Orchardist.

Dear Sir

I Subscribed for
the Horticulturist some
time in January last I
think, sent the amt demanded
and also a list of premiums
offered by the Society I have
received all but the premiums
have written once myself
and Mrs Stager wrote once
to find out the reason why
they was not sent but have
not heard anything from
them it has got so late in
the Season now that I
Suppose it would do no
good if they should come

So will have to do without
them what I want to know
is why they was not sent as
agreed
