Dear Sir:

I wrote you some time ago stating that I had failed to receive the annual report for 1896 and you wrote me back that the report had been sent by you by the Great Northern Express Co. Jan. 31. I have made inquiries at the office here, but the books of the Express Co. does not show the receipt of any such package. Do you hold a receipt from the company. Please look the matter up and oblige.

I write you as the <sup>most impartial</sup> best horticultural man on horticulture. Will you please write me if you can spare time -

1 On the new Hudson Evergreen Pine Pungens, Douglas <sup>Shaw</sup> Pine Ponderosa <sup>how far north</sup> - how many years tested in your severe Minn winters & on exposed locations - do they

kill back or the foliage brown in the winter? How tall samples do you know of in Minn. Locations <sup>Can you recommend for general planting?</sup>

2 What <sup>if any</sup> good varieties of apples, peaches, plums, peaches or cherries can you name from cross breeding or hybridization except from the Burbank Santa Rosa Calif? - & oblige

Winter so far mild - no snow to mention. F K Phoenix

My Dear Sir.

I was in hopes to be present at the meeting to read enclosed paper personally but am not able to do so on account of business. Will you kindly present the paper? I should have liked very much to be there, so as to have <sup>had</sup> a chance to take part in the discussion.

Yours very truly

Fred Nussbaumer.

Dear Sir

To Mrs Brown  
- my mother - is away from home  
I send the 1.00 for her and  
am sorry I neglected to send it  
to reach you by the 7<sup>th</sup>. Is there  
not some mistake about her  
owing the society for 1897. I  
know she was always very particular  
about sending it and I remember  
her sending once and not receiving  
receipt or reply and paying she  
must write and see if you did  
not receive it and I am quite  
sure it was last year. I will  
write her about it. If you wish  
to write her in regard to it-

Dear Sir:-

Can you find a purchaser for a good nursery? (Howard Lake Nursery) Mrs Butts can not carry it on, it must be sold. Think you know something about the property, it is about 20 acres, is in good shape, fine vineyard, small fruits, trees etc. If you can assist us in finding a buyer it will be fully appreciated.

Yours truly  
C. E. Oakley
