AGRICULTURAL COLLEGE OF SOUTH DAKOTA  
AND UNITED STATES EXPERIMENT STATION.

DEPARTMENT OF HORTICULTURE.

BROOKINGS, SOUTH DAKOTA, Dec 1 1898

Dear Mr. Latham

Yours at hand, I am anxious to get the Nomenclature report out so I can send it to the Iowa meeting ~~week~~ after next. I will gladly relieve you of all the work of proof-reading as that is my work as secretary. The copy I should think ought to be published in full ~~and~~ have it in pamphlet form for independent distribution to the leading fruit men. The expense will be shared by the 4 societies. The Minn. Society can then publish what you wish of it in the Minn. Horticulturist. Next week I can read the proof each day if necessary. Yrs Truly  
N. E. Hansen

JOHN W. HESTON, PRESIDENT.  
JAMES H. SHEPARD, DIRECTOR.

DEPARTMENT OF HORTICULTURE.

BROOKINGS, SOUTH DAKOTA, Dec. 27 1898

N. E. HANSEN, PROFESSOR.  
W. S. THORNER, ASSISTANT.

Secretary State Horticultural Society.

Dear Sir,-

As you know, the South Dakota State Horticultural Society gets no state appropriation. We hope that the Legislature will help us at the session this winter.

Kindly answer the following:

1. Amount your Society receives annually from the state.
  2. Number of copies, and size, of report printed by the State for your Society.
  3. Method of distribution of your reports.
- Lack of funds prevents us publishing a state report. If we get an appropriation we will send you a report.

An early reply would oblige us greatly.

Yours truly,  
N. E. Hansen  
Sec. of So. Dak. State  
Horticultural Society.

N. E. HANSEN, PROFESSOR.  
W. S. THORNER, ASSISTANT.

Mr Latham

Dear Friend, - I find your favor  
of 20<sup>th</sup> awaiting my return from  
another series of Farmers  
Institutes (3 last week),

I have heard from Prof. Green  
to whom I returned the apple  
descriptions and he has in  
preparation half tones of <sup>some 30</sup> apples,  
so it will not be necessary to have  
plates for this report. I fancy 250  
reports will supply the outside demand  
and I will stand good for the pay and  
will collect from the other Societies for their  
quota. If there is lots of time, send page proofs to make sure  
send by freight to your truly  
N. E. Hansen

A. W. Latham

Minneapolis Minn.

Dear Sir. Enc. please  
find 1<sup>00</sup> for which make me a  
member of Minnesota Horticultural  
Society and send me as much of  
the literature as your rules allow -  
I believe your monthly paper and  
a bound report -

I should also be grateful for any  
back numbers you may have on  
hand & would be glad to remit  
postage for same - that is supposing  
you have extra volumes on hand  
that you would be willing to distribute

Yours Really  
H. W. Hinds

# THE PIERCE

GEORGE BROWN, PROP.

Su A. S.

Yankton, S. Dakota,

Dec 15 1898

Mr Latham

Implo Minn

Dear friends, - Yours forwarded to me at Yankton. I enclose proof sheets with the missing description of Golden White. This completes the work except the engraved outlines which Prof. Green spoke about having made. Please read the proof on Golden White.

Address me at Brookings as I start home tomorrow morning. The S. D. K. Society adopted the report to-day.

About the number of extra copies in pamphlet form it depends on the price. I would like 200 copies if not too expensive and perhaps more if price suits, for use in S. D. and to answer correspondents. Please advise what 500 would cost. The S. D. Society elected officers to-day as follows:

# THE PIERCE

GEORGE BROWN, PROP.

Yankton, S. Dakota, ..... 189.....

President H C Warner, Forestburg  
Vice Pres. C W Gurney, Yankton  
Sec'y N E Hansen, Brookings  
Treasurer Geo H Whiting, Yankton.

We have no state aid but hope to get \$500<sup>00</sup> next year to print our report.

If the engraving of these outlines will be very expensive it will be hard on the S. D. Society as we have no state appropriation. Next year I hope to get out a fruit bulletin with cuts.

Truly Yours N. E. Hansen

Friend Latham

Yours of 17<sup>th</sup> at hand The list of books for our Library is all right but it is hardly worth while to send for "Plants and Animals under Domestication," as I have it and will buy or send it up soon, I have not time at present to look up Catalogues for other books it would be desirable to have. I am very badly behind with my correspondence as well as with my work I stood our own Fair pretty well but the Wisconsin and our County Fair were a little too much for me and I have not been able to do much since until the last 3 or 6 days I cannot spare time to write a long letter. We have had three days of rain, the ground is well saturated and the danger of tree root killing is obviated.

I would like to have you send Copies of Oct Magazine as follows  
 G. W. Clayton, Little Rock Ark,  
 B. L. Winshell, S. P. A. Frisco Tex St Louis Mo,

Secretary Minnesota State Horticultural Society,

Minneapolis, Minn.

Dear Sir:

Can this Station secure for its library copies of the Annual Report of the Minnesota State Horticultural Society? We have a few of these (1883 and 1884) and some numbers of the Minnesota Horticulturist ending with December 1896. We would be glad to secure a complete set if possible and to receive the Horticulturist regularly. If this can be done in exchange for our bulletins, it would be a great favor to us, but if not please let me know upon what terms the Reports and the Horticulturist can be secured.

Yours truly,

*Frank H. Hall*

Editor and Librarian.

Dear Sir:— Your letter asking me to prepare a paper on the "Uses of the Gooseberry" to be read at the annual meeting of the State Horticultural Society on Dec 6, is at hand.

My knowledge, gained from personal experience on the uses of the gooseberry, is very limited and it is certainly out of place to compile and present only information gained by others. It therefore seems necessary that I be excused from complying with your request.

Very resp.

(Wm. L. M.) Ellen B. Hays.

Friend Latham,

Yours of 4<sup>th</sup> inst at hand. Replying  
would say that personally I should like ver-  
much to have our next meeting at Excelsior  
St. I think that we would have a larger  
attendance at Minneapolis as I have understood  
that the South Show is to be held during  
the same week. - I expect to be on hand as  
usual and will be satisfied with either place.  
I will probably send up a small exhibit of  
apples that have not been kept in cold  
storage. I am a little under the weather this  
week, but think it is nothing serious. Will  
begin preparing soon. We have had nice  
rains lately and the soil is in fine condition  
for our trees and plants. Please share my  
regards with Mrs L and all friends.

Yours Truly  
J. S. Harris

A. W. Latham -

Minneapolis, Minn.

Dear Sir -

I wish to ask a few questions about your monthly -  
About what is the cost of it per year to the Society?

Do you find that it is a decided help & increasing interest in horticulture, and the membership of your state society?

On the whole - is it regarded by your members, as a valuable adjunct to your horti. work?

An early reply will greatly oblige -

Yours Truly,  
M. E. Hinkley

Dear Mr. Latham,

Yours of 15<sup>th</sup> rec'd.  
to-day on my return from Lalerosse  
where I was married Nov. 16. The bride is a  
sister of Prof. L. St. Paumel the botanist  
at the Java Agr. College.

About the paper for the Horticultural  
meeting suit your own convenience.  
If a story of travel & adventure  
is desired, <sup>(for mixed audience)</sup> with a little horticulture  
here & there I can give it as you  
suggest as a long evening lecture. You  
know I looked out for agr. seeds also. If  
a short paper of 15 or 20 minutes is wanted  
(your time is limited I know) I can give that  
instead. Or I can make it an hour's lecture  
all horticulture. Suit yourself. Sometime I hope to  
have lantern views made of my hundreds of photos

that I collected while abroad,  
Mr. Warner has apptd me delegate  
from <sup>the</sup> South Dakota Society. Send us a  
delegate to <sup>Yankton</sup> July <sup>Yours</sup> the second week in Dec,  
if you can.

If necessary I  
can report briefly on  
S.D. fruits.

N. E. Hansen

N. E. HANSEN, PROFESSOR.  
W. S. THORNER, ASSISTANT.

Mr Latham  
Mpls Minn.

Dear friend,

The lecture might be somewhat popular in nature; could make it a somewhat exciting tale of adventure.

My subject: about like  
this: Horticulture in Russia, <sup>Transcaucasia</sup>  
China & Siberia.  
X Turkestan, 1

If this is too long make it:  
My trip to Central Asia and Siberia.

Suit yourself as to titles or papers assigned  
to Truly Yours

N. E. Hansen

I missed my Oct. number  
of the Horticulturist: it is always  
welcome.

X Don't forget place for report of apple  
commission at Laborer.

A. W. Latham

Secy of Minn. Hortl. Soc.

Dear Sir;

Living five miles from our P. O., sometimes it is several days before we get the mail. Moreover, having the previous month moved onto a recently purchased eighty having a fine grove, but with lots of rubbish scattered all about, there has been lots of work to do before (and after) winter came.

The enclosed from you reached me about three days before the time should expire, but the mere continuance of my name on the roll of Minn. horticulturists matters  
over

little, but I would like the  
bound report for 1897, which I  
see according to the subscription  
terms of the Dec. Horticulturist is  
sent to all 1898 subscribers

I believe the Minn. Hort'l  
Soc., and its magazine are both  
worthy of patronage, and I wish  
the magazine that I may know,  
among other things, what trees to  
set out a year from next spring.

Accordingly enclosed find  
one dollar for the Horticulturist  
for 1899 and the Report for 1897.

Truly,  
W. F. Hillman,  
Dodge Center, Minn.

La Crescent, Minn., Aug 17<sup>th</sup> 1898

Friend Latham

Yours of recent date duly recd  
I have begun to make collectors for Sweep-  
States premiums. Expect to get good varieties  
if I keep well enough to do the work  
and shall besides need room for 200 or  
more plants in my regular exhibit making  
600 all together. If I have more will try  
to get them up some where.

Think I will need more trays for Cold Storage  
Prof Green spent yesterday with me &  
we had a jolly good time  
This is my birth day 72 past my age  
from this on to next States

Hastily yours  
J. S. Harris

See A. P. Lathum  
Dear Sir

I rec'd your card last evening  
and in ans, will say that  
my apples are very fine this  
year. I have shipped about  
50 bbl of apples & crabs & will  
have 50 more to ship, and may be  
more for them is lots of crabs,  
will have about 100 bu of apples.

I hear that we are not going to  
have any tents this year, and it  
is quite expensive to board for a  
week, and I can not get home till  
the next monday, so I will not promise  
for sure that I will be there.

I have a rig thrashing clover  
and and I do not like to

neglect that for a word.

You must know that it is no small amount of work to make up a collection of the very best that you have for the State Fair, and there is not enough in it to make any one rattle around very much.

I will try to send my apples if I do not come. I want to make an entry in class 69 lot 1 does that include hybrids or just apples? If you have the cards please send me some.

Yours Respect  
 J. A. Howard

Mr. A. D. Latham -

Sec. Minn. H. Hort. Soc -

Minneapolis -

Dear Sir:

Although I resigned last  
January, "The Horticulturalist"  
has visited me regularly -  
so I enclose \$1.00 to pay my  
dues for 1898 - I shall  
hope to receive bound  
volume of last year, if  
issued -

Very Truly  
Thomas C. Hawley,  
Lake Park  
Becker Co,

Mr A. M. Latham  
Dear Sir

I will need about 100  
of those cards, as  
there is a great many  
wanted in this neigh-  
borhood. Resp<sup>t</sup>
