Dear Sir -

Your favor of December 12<sup>th</sup> came to hand in due time, but unfortunately I was away in Iowa at that time and did not get home until yesterday.

I thank the Members of the Board and yourself for the kind favor and the confidence expressed by the appointment indicated in your letter. I would have been much pleased to be the representative of so able a body as the Minn. St. H. Socy. at another State meeting and I regret very much that I was unable to attend either that or our own State meeting.

I have been away for the past three months except 10 days three weeks ago with my wife who is sick in Iowa and just came home yesterday.

When I last left home I expected to be at your meeting and have been calculating on it all summer but I was detained and could not leave to go there as I expected. I have regretted for some years that I was not able to attend the meetings, I have been a member the past year have I not.

I will enclose to you a "kodaie" of an apple tree which bears a large green apple and we do not seem to be able to name it. After you get through with it please send it to J. S. Harris to whom I sent one of the apples this fall. I expected to show it at the meeting.

Yours Respectfully
