Mr A. W. Latham

Dear Sir. Minneapolis
Minn

We have organized a club
Brown County Horticultural Club
About 1 doz got together we want a good
Horticulturist besides Mr Durt. he promised
that he could be here almost anytime
And if you only will send one more he has
great hopes to get 25 to 50 members and
would like to have a good man. Could
Pro. Green get a way say Jan. 4 or 5, or
yourself or any one else that will fill the bill
Hoping to hear of you soon.

I beg to remain yours Truly
John Geller.

Dear Sir

Your letter of 23rd just received.

Will say that I am sorry. To say that our meeting will be January 10th 1899. Mr.

A. K. Bush would be the right person to have, as he has plenty of experience and a No. 1. Horticulturist. We could not get things in shape, as Mr. Lath wants us to start out, and I am in hopes that we can give him satisfaction he wants.

All nice. Ladies & Gentlemen that can smile music singing. Jokes.

Fruit Flowers Fair E. H. D. Lath. Oratoriana. This will be the first meeting that I ever attended and as you say we want to launch it safely that we make a success of it

So you can see it would be impossible to
have it the first week in Jan.

Would be pleased if he could cum Jan. 10th
If not we will try and get along with
Mr. Sarr, Remember we are all given
hours to begin with of course we
expect Mr. Martin Penning & Mr. H.
Kundson of Springfield The latter I dont
know but Mr. Penning I am personally
a friend of his. and we should had more
help so I will cum to a close by
Thanking you for your efforts.
I Right remain yours Truly
John Geller!

Dear Sir:-

Yours of the 4th inst. came at hand.
I prepared a short paper on planting
and growing currants by the market
gardener, and intend to present it at
the next annual meeting in person.

If it should be impossible for me
to come I will send it to you by mail.
at an early date.

Yours fraternally
