Dear Sir:- We understand that you will be in Minneapolis next week or so and if it will be convenient to you, we wish you would call and see us, as we want to make arrangement for space for an exhibit at the Fair this fall; if you are not coming up please let us know in what location you can let us have one. We would like to have it at the Horticultural Building, same as we had it two years ago, as we do not like to get the amphi-theatre. Please let us know so we can make our calculations.

Yours very truly,

Dear Sir:-

We would like to obtain the reports of the Minnesota State Horticultural Society. We have reason to believe that your reports contain much that may be of use to us, and we would consider them a valuable addition to our library. We offer in exchange our own reports and bulletins, the report of the Ontario Fruit-Growers' Association, and the reports of the Fruit-Experimental Stations.

Hoping that you will give this your favorable consideration, I am,
Sir,

Very truly yours,
