an over sight so he dont want  
any member to be losing all

Dear Sir: -

Your postal  
from 18<sup>th</sup> inst. received today  
and I send you the report  
of the Wisconsin State Horti-  
culture meeting.

I had a very good time and  
glad that I had the opportu-  
nity to pay a tribute to the  
memorial of Mr. J. C. Plumb,  
he was a good man and I  
was glad that I could speak  
only good things about him.  
To shake hands with some of  
his family recall the old time  
when I was with them, agin

expressly with the oldest son  
of Mr. Plumb, Malson Plumb,  
made us think back of the  
good times we had together  
about 30 years ago.

Fraternally

Dear Sir.—

Your favor of 3.  
inst. with inclosed Check of \$4.21  
received. I enclosed find a  
receipted bill for it.

I am glad that you liked  
my report. I tried to make  
the best use of my time at  
the Wisconsin Meeting for the  
benefit of our Society, and also  
did I make the best effort to  
do my duty as a delegate to  
represent our State Society as  
well as I could.

My contribution to Mr. Plum's memorial  
seems to be well liked by the Plumbe

family. I was requested to send  
a copy of it to Mr. Plumb's  
brother

Yours sincerely,

Franko Yakucke

Meeting as I am troubled with my  
old trouble the Rheumatism and since cold  
wether set in I am still more troubled,  
I would like to be with you and my  
intention was to come, But I better  
stay at home and try and get relief  
Winter is hard on me, I would like  
to get acquainted with the members  
and talk over the Tree Business over  
It would be a great benefit to me  
as I have over 1200 trees planted  
and expect to plant 600 more in the  
spring, I have not overdone the  
onion culture as it is just what I have  
done and what I have raised and expect  
to do better in the future,

Thanking you for the past favors
