A. W. Latham,

Minneapolis, Minn.

Dear Sir:-

I wish to congratulate you upon the excellent programme prepared and the careful arrangements made for the approaching meeting of the Horticultural Society. I regret to say, however, that I cannot be present, for the reason that it will be necessary for me to be in Chicago that week, to attend numerous annual meetings of National Live Stock Organizations, to be held at that time.

Please ask Mr. Underwood to express greetings and good wishes from this society to the Horticulturalists, at some convenient time during the session.

Yours truly,

E. W. Randall

Dear Sir:- Do not think I have notified you of the appointment of a delegate from the Northeastern Iowa Horticultural Society to your state meeting. Mr G. H. Purdy of Mason City will be our delegate. He is somewhat new to the society work but is a good man and much interested in the business side of fruit growing. He will look deeper into this feature than the average man. You will find him a nice man. Hope you will receive good from his visit.

Very truly,

Elmer Reeves

Dear Mr. Lathan:

Please send complete list of members of Horticultural Society so that we may send a premium list to each.

I suggest that you refer in the next Horticulturist to our having sent a premium list to each member - call their attention to it - and urge the co-operation of each in bringing out exhibits - and in securing a large attendance at this year's fair.

Sincerely yours
