Dear Friend:

I have as yet heard nothing from you, as I recall, as to an exhibit of fruit from your old place at the coming state fair. We surely can't get along without you if you are able to be present, and we very much hope that you will be. It is always such a pleasure to see you and the old familiar faces at this annual meeting. Have you a pretty good show of fruit this year? I presume there will be about the same exhibit as usual, though I have heard nothing as yet from a number of the largest exhibitors. Have you any apples you would like to have us put into cold storage to exhibit at the St. Louis Exposition next year? We are in search of good apples for this purpose and you may have just what we need. What can you do for us?

Very cordially,

*Aug 25*

*have received two letters from you and think I answered one of them — will say that I am at my place and now intending to attend the state fair. Am very busy preparing to do so. Will make about such exhibit that I did last fall with a few additions*

*Respectfully*

Dear Sir

Will you kindly investigate and see if the cut of my father's portrait is in your office. My impression is that it went to Mr Herbst at Sparta and I have written him regarding it. but he may have sent it back to you. Dr Curry wishes to use it in the Institute annual and I am informed wants it immediately if he uses it at all. If you have it I would be glad to have you forward it to him at 296 Selby Ave St Paul. Thanking you for this and for fact. I am yours very truly  
Harvey S Dartt.
