Friend Latham

I am very thankful for your consideration, but do not know that I will be able to go to St. Louis. How much will it cost me? I had no thought of going, but it may do me good.

The simple truth is that I am used up, either with age or ill health. My work goes undone. When I sit still I feel very well, but a little exertion puts me clear behind again.

Respectfully Yours

O W Lord

Dear sir & Friend

I expect to have an Exhibit
at the State Fair

My Apples were not as fine
as last year. The Trees set
full except Wealthy but Blight
Wind & fungus have reduced
the crop near one half.

It was so wet when the
Spraying should have been
done that it was all most
a failure this year and
most varieties seem small
for the season

I shall exhibit Wealthy Patton
Duchess Peerless Hibernial
University Estabene Milwaukee

Peeter N. W. Greening Mc Mayhew
White Longfield Hoass Patterns
103-104-105-106 Tetofskij Fairbault
and probably some other kinds
which I do not think of now.
My Patterns and Peerless are looking
the best at present and if
nothing happens I could
~~for~~ give you some nice samples
of them for the St-Louis fair
and also of the Universit-
By the Barrell I presume you
could do better some where
else but - will ^{do} my best - if
you need them I hope you
will come out - and see
how they look soon

Yes I rec the Circular
~~letter~~ mentioned in
your letter

Fraternally Yours
