A. W. Latham,  
Minneapolis, Minn.

Dear Sir:-

Wednesday evening session we changed from 7:30 to 8.00 o'clock and Prof. Washburn, Mr. Russell and my self, after considering the matter thought it best to leave it 7.30; then we could begin promptly at 8.00, and possibly at 7:45, as we have a long session.

First thing for Thursday afternoon is "music" and you may change to: " Song. Mrs. Lillian Baker, Minneapolis, Minn."

" Scotch Dance" you can put Miss Jessie Baker, Minneapolis, Minn.

( I'm not sure but you had better change bagpipe and Scotch dance giving Mr. Russells name to the selection and Miss Bakers to the dance. I leave this with you.)

I notice I have overlooked the dance for Wednesday evening, but you may put Miss Bakers name there also.

Thur. afternoon " Selection on the Violin etc. you may change "Violin" to " Piano"and " Leonard Boys" to " Harold Leonard."

Dr. Leonard will give you name of firm furnishing the piano. He will also write a note to appear just after the program, calling attention to the excellency of our program and the noted visitors who will be with us at that time.

Very truly yours,

H. G. Acklin.

Dear sir:

Your favor of the 13 inst at hand. I enclose 50 cents in money order for drayage of the report and hope to receive as complete file as possible of the past transactions of the Society, but as stated in previous letter you can leave out the reports for 1900, 1901 and 1902, as I have them.

No need of sending any backnumbers of the Magazine for the present year, as I know the back reports will keep me busy till the bound volume for 1904 arrives.

Since joining your Society in 1899 I have obtained from the Minn. Horticulturist much valuable information about plants and fruits that would likely be hardy here. As to your kind invitation to let hear from me occasionally on horticultural matters, I shall be glad to do so whenever I find anything that might be of interest and help to others, but as yet, I am more in need of getting horticultural pointers than giving any, as my experience in trees and fruits is only during the last few years, but I have already found that there is much to learn to be a successful treeplanter in this part of the country, but I am in for it, and some day you shall hear from me. Yours very truly

Alex Allen

Dear Sir:-

Enclosed herewith I hand you my check for \$6.50 for first annual installment for life membership in the Minnesota State Horticultural Society for myself, L. B. Arnold, 805 Pioneer Press Bldg., St. Paul, and \$1.00 for one year's membership for Mr. D. O. Anderson, of Payne, Minnesota, and 50 cents as addition to premium for one new membership of Mr. D. O. Anderson to cover "Green's Amateur Fruit Growing" and "Green's Vegetable Gardening." I notice that the regular premium is "Green's Vegetable Gardening" and "Principals of Plant Culture" and Green's Principals of "American Forestry." I understand that I am also entitled to the two plant premiums. Kindly advise me if I am correct in this remittance. Also notify Mr. D. O. Anderson of his membership and please state that his name was sent in and paid for by me.

Mr. Anderson is one of our progressive settlers in one of our colonies and I am anxious to have him a member of your Society and think that he will continue membership himself afterward. I am,

Yours truly,

Friend Latham - If you  
can't get anyone else to write  
about Orchard in Sept + Oct  
than me - I will try + write  
something - I think if  
I recommend all the things  
that I have committed in  
practice it would be a  
good paper + probably the  
best I can do. We have  
so much to do we don't

Friend Latham - I should think  
these forms all right - are you going  
to have berries shipped direct to St Louis,  
or to you or some central point &  
then forwarded - both ways has its  
advantages & disadvantages but berries  
will have to be nicely handled & hustled  
to get them there in shape for a  
creditable exhibition - you will need  
to be careful or you will be over  
doing with so much work on hand.  
There will be lots of work connected with it  
but you know this better than

Dear Sir, Your favor is just  
at hand, with Cards.

I am very sorry to be obliged  
to report to you that our Apples  
have not fulfilled their promise  
of six weeks ago, very few of the  
trees will have a half bushel of  
good Specimens, besides we cannot  
get them picked and put up in  
any shape without too much  
Expense, as I am not able to pick  
them, the later apples may be in  
better shape and will see you  
about them at the State fair.  
We have about fifty barrels of  
Transcendents to sell, Can you  
find us a Customer who will

buy them on the tress and ~~pick~~  
pick them for themselves, they  
will be ready pretty soon to  
pick, hope you can find us  
a man who will buy the transee  
ndents and let us know soon,

Most Sincerely yours
