Friend Cottman: The following is an extract of  
a bulletin just received:  
(In order that this plan may be worked out, notice is  
hereby given that December 15th is the latest date  
upon which entries will be received.  
Consideration will not be given to entries not  
filed in the office of Department of Horticulture  
before five o'clock that day. I thought best to  
let you know about this, as soon as possible so  
that you may make arrangement with your shipping  
fruit down here, and <sup>expect</sup> to be home by Monday  
and then make you a report. At the Horticultural  
Meeting a national society has been organized.  
Mr. Redpath is gone to hold Harway and I have to stop a day  
or more times as circles interrupt all my time  
Yours cordially S. J. Hunt

Dear Friend: Your favor of 24 inst. just at hand. In reply I will say that I can go a few days before the 15<sup>th</sup> of Oct. if necessary and I think that I will get along with the work there all right.

The C. O. W. R. R. will give me a ticket for 2 weeks rate ticket and arrange it so that I can go earlier and stay until the 1st of Nov.

I have had a pretty good fruit crop of this year. The plum crop was very heavy and received a fair price.

your very cordially

Dear Friend: Your favor of 15<sup>th</sup> just at hand. I do not care to send any Yahuke apples until Oct. as it will take that long for them to mature this year as soon as I can I will send a crate or two of plums and will let you know when I ship them.

I am sorry to learn that Mr. Harris will not be with us this year during the fair.

Dear Friend: -

This morning I met Mr. Chas. Merritt and got to talking about sending fruit to the St. Louis Fair. If you are in need of apples to be sent down there, Mr. Merritt can send you down some Dutchess now and soon some Wealthy and Peerless. If you need them please send him word and shipping directions soon. If you need Dutchess bad enough I might send you some too. My plume will be ready in about a week and if you need any of

laden with fruit this year  
that I had to prop them all

Dear Friend :-

Your favor of the 14th at hand and in regard to getting some cherries of Mr. Alling for the World's Fair I think you can get some of him if you strike the old man just right. Write him a flattering letter and don't say that you will get any cherries of anyone else. I think I can spare you a couple of cases.

Yours very cordially  
Frank Yahuke.
