Replying to your esteemed favor

of a Rose grower than a public speaker
but if I can say anything that will
be of help to those interested in

it unnecessary to have the holes in them

REST AND RECREATION.

Battle Lake offers extraordinary inducements to the pleasure-seeker; it has advantages which cannot be had elsewhere. The best of hotel accommodations are to be found here, the best hunting, fishing, boating and bathing. Without boasting one can truly say: "The Battle Lake country is the most picturesque in the state." Little wonder then, that when visitors return home they speak of it as being the original Garden of Eden—the queen among Minnesota's Ten Thousand Lakes.

Battle Lake is on the Fergus Falls Div. of the N. P. Ry., 33 miles west of Wadena, right in the heart of the lake region. Ask your Ry. agent for excursion tickets. Half fare Saturday, return following Monday. Thirty days rate $1\frac{1}{3}$ fare.

Dear Mr. Latham, -

I send here
with a list of thirteen names
and check for ~~\$15.00~~ \$15.00

Owing to an unfortunate matter
concerning a former meeting I secured
so few at Pelican Rapids. Mr.
Hovestad will explain.

I received the books from Evansville.
I certainly advertise well by use of
the folders, but do not wash any.
I impress the fact strongly that
they contain a complete fruit list
for our state - and that our society
issues it. I find, judging from what
I hear from nursery agents who have
caroused where we have been, that
they receive no orders unless this
folder is first consulted. This certainly
is a healthy condition to establish

THE GRAND HOTEL

GEO. H. WOODHOUSE, PROPRIETOR.

FERGUS FALLS, MINN., 190

I believe the value of our work for the society is greater than the value of the short talks given on horticultural subjects from the platform.

Our audiences are large. Considering weather and sparsely settled country. Great interest is manifested in institute work in general.

Can you tell me what nursery in Minnesota can furnish 5 foot Florence crab trees? Clinton Falls & Jewell cannot, neither can Mr. Yohube.

The work is pleasant and our corps is composed of very agreeable men. We have but sixteen meetings in February so our list will not be as large as in January.

Wm. A. Briggs.

Dear Sir: We recently had our annual meeting and
your humble servant was elected president.
We wish to "make a pull" on our government for a
little assistance for printing. I believe your
state gov. treats your society very liberally. Would
you kindly let me know what the Minnesota
society receives from the state, that I might use
it as an argument with our authorities.

Also kindly let me know
if there is any reliable seed house from
which I could purchase Minnesota
grouse tree seeds, etc.

sincerely yours

Dear Sir:

In response to your letter from Odessa, I am sending you tonight to Watson four more sets, but they have to go as the lot did to Odessa and will be dropped off on the early morning train. Please make inquiry for them so as to be sure they are not lost. As I understand it, the agent will not be there, when that train passes, to receive them. I will also send you eight sets to Granite Falls as you suggest. Shall I increase the shipments? You are getting down into a neighborhood that are better able to pay, I presume, and more disposed to join the society also. If you write me immediately on receipt of this as to how many to send hereafter, the letter will come in time so that I can make shipment to Renville to conform to your ideas. Let me congratulate you on your successful services.

Yours fraternally,

P. S. I note that there are two renewals among the names you sent me from Odessa, that is, there are two members who were members last year and took that opportunity of renewing the membership. As quite a good many renew in this way at the Farmer's Institutes and these are not entitled to "Amateur Fruit Growing", it would probably be well for you to ask each member giving you his name whether he was a member last year. If a new member, he will of course be entitled to receive Amateur Fruit Growing, but not if an old member.

All books received O.K. shall advise
you Monday as to February appoint-
ments, and what to send to Revueville
Large meeting at Watson today. Hope
to dispose of all of them. Am glad you
