I will try to prepare  
a paper on "How we  
gather the apple, plum  
and cherry crop"

I would have made  
you a visit that  
Sunday but when I  
got through packing up  
I took the first train  
for home, "There is no  
place like home."

Dear Friend:

We, that is, Mr. Phillips and myself are just home and had our supper and are feeling all right.

In looking over the railroad timetable I find that I can leave Minneapolis 5.30 P.M. Dec. 18th. so it would be more convenient for me if you could arrange the board meeting at 2 P.M. instead of in the morning. Please let me know at your earliest convenience.

Dear friend:

Your letter of Oct 16<sup>th</sup> just received. The change in the topic for my son Walter does not make any difference to him he will just as soon present a paper on small fruits in May and June as anything else. and as far as I am concerned the change in my topic suits me just right.

I will get up a topic for the hour and if it don't work I will let the frogs jump out of the cream can and introduce another subject.

Cordially yours

Frank Yahuke
