Dear Mr. Latham:--

Since receiving your letter of the 15th, I have been trying to convince myself that I had sent you the membership fee for 1907. I do not find the receipt for it, however, and do not remember whether or not I paid you by check or bill. The only thing I do know for sure is that I was entitled to one of the buttons and my name was on the list contained in the little booklet. My impression was that in order to have one of these buttons, it was necessary to pay the membership fee before the meeting. If you will look this up and satisfy yourself about it and write me, I will act accordingly. If the button does not mean what I say, then I must owe you the membership fee and I will send it to you as soon as hearing from you.

Dear Sir:-

Find herewith enclosed \$3.00, check for 2.50 and 50¢ in stamps. The above is for the entering Mr. Wm., Carl, and Ludvig Palm as members of the state Horticultural Society. You may send them any premium that you think is suitable for a salesman, or any book that has good reading about nursery stock.

If you think I am entitled to any premium, you may send me the book, "Forestry in Minnesota." I am not sure whether it is one or two members I have secured you at \$1. each since last year, but I think it is two.

I am very glad to learn that I was in time to get that space for our advertisement in the monthly.

Thanking you for past favors, I beg to remain,

Yours very truly,

Edwin Bonde.

Dear Sir:- Replying to your inquiry of 27th inst., we will make price on our Crown Book Corner Protectors in lots of from 10,000 to 25,000 \$1.25 per thousand net but after January 1st, there will be an advance incident to the conditions of the material market as well as labor, which at this time are cutting very seriously into the cost of the products. If you should be in a hurry for the Book Corner Protectors and will so state, we will place your order ahead and make you a prompt shipment but we would advise that you order promptly in order to save some money. We never advance prices unless we are compelled to do so and in this case it is really unavoidable. Our Book Corner Protectors are well made and answer every purpose very well, in fact we have never had a complaint. Another matter is that we guarantee you full count.

Extending to you the compliments of the Season, and with many thanks for your past favors, we remain,

I thought perhaps you would expect me to send you the amount of my railroad fare as it was procured me if my report was a worthy one.

I paid \$2.32. I did not get the last year book & please enclose membership card.

Yours Truly,

P.S. Do we have a library or reference books at your office? If so are they open for members to come & consult them? I thought it would be profitable to spend a day or two looking up some of our recent work if the chance.

Dear Mr. Latham!

Forest Lake Dec. 31/06
MINNEAPOLIS, MINN.

I am not only unable to act on reception com-
mitter at this week's meeting, but it now seems as
if I were "knocked-out" of the affair this year entirely.
I have been laid up with a boil on my wrist
for 10 days, and this morning the "core" is just coming
out of it, leaving a hole as big as a filbert. I will
not be able to go to the city for 2 or 3 days yet, as
the sore must be dressed frequently, and I
must avoid getting cold in it. I had planned
to take in the banquet this year also, but under
the circumstances I am
simply and unavoidably } Yours
out of it for 1906. } J. T. Bacheller

Dear Sir:-

Your favor of the 29th. inst. is^t at hand and noted. In reply will say that it must be a slight overlook by you being that you did not understand that I wanted the \$3. to apply on three members, namely Wm., Carl, and Ludvig Palm, all three of Cottonwood, Minn.

I hope that Mr. IM. Johnson of Cottonwood also will receive the paper after newyears. I sent in 50¢ for him some time ago, about two months I guess it is. I send you herewith 50¢ in stamps for H. M. Rendahl, of Cottonwood. All these boys are salesmen, and their address are not always Cottonwood, Minn., but, I will attend to that part of it.

I am not sure of the names of the parties I sent in \$1. for last year, and I doubt I can look it up on the records, however, it does not make much difference now.

I hope you will send us all a^{bound} copy of the annual meeting for this year, and as to premiums, you may send in my name three books, 2"Amateur Fruit Growing", and 1"Forestry in Minnesota." I hope you have received the \$1. I sent you for myself, ^{about a month ago,} and entered same on your records.

Thanking you for past valued favors, I beg to remain,

Yours very truly,
