My dear Mr. Latham:

I am sending you seven cuts which I used to illustrate the paper on "Early Maturity and Hardiness" as it appeared in our Annual Report. I presume you will not care to use all of these cuts, but I am sending them with the idea that you can select the ones which you think will be the most interesting to your people.

I had not forgotten the matter of my paper but had been unable to get it ready until just recently. With it I enclose proofs of the cuts sent you. You will find the legends to accompany the cuts on the proofs.

Hoping that this will prove of value to your people, I am,

Very truly yours,

Dear Mr. Latham:-

I want to herewith enter my claim for the Minnesota Horticulturist as a premium for the new member of your State Society which I hope the enclosed letter may secure for you. The Horticultural Department used to receive your monthly magazine and we all enjoyed looking it over. However, for some months past it has failed to make its appearance. If we can square ourselves for past transgressions and get back into full fellowship once more it will be very greatly appreciated.

With the compliments of the season, I am,

Sincerely yours,

Mr. A. W. Latham,

My Dear Sir:-

I am under great obligation to you, for sending me, without expense, so many numbers of the "Nor. Horticulturist" containing Mr. Freeman's portrait and sketch. I am very grateful to you, and shall never forget it.

The numbers have nearly all been distributed, many of them among near neighbors. Possibly

you may reap some benefit for your generosity.

(If you will send me some extra folders, I will see that they are distributed.)

Enclosed please find money order for One Dollar

(\$1.00) payment for 1907 subscription to the "Horticulturist".

Please send the bound volume to my address.

I am anxious that Mr. Freeman's sister (Mrs. Sara J. Loomis Camillus, N. Y.) should have one of these bound volumes.

Is there any way I can secure it - (by paying the postage or more, direct from your office to her address, or some other way) except by taking out a year's subscription for her? She is an invalid and unable to use her eyes but little.

Sincerely Yours

(Mrs. Jonathan)
