Dear Sir:-

Your favor of the 6th inst is at hand and content noted. Regarding my premium selected, so did I mean: Green's Principles of "American Forestry." In the "Horticulturist" for January 07 says, that for securing Two New Members I would get either "Green's Vegetable Gardening" or Green's Principles of "American Forestry" I select the last one, and by my opinion I am entitled to the same.

On securing my plants premiums I select no. 44.

I'll pay your attention to the name of Mr. F. D. Dillon instead of F. X. Xillon, please, have your attention to the same.

Respectfully

A. W. Latham, Secretary,

I started to mail some of my old "Horticulturist's, Saturday, to prospective members, supposing one cent would carry them, but was told by p.m. that it would take 3 cent stamp instead of one, so did not mail them thinking I would consult you and learn if there was no cheaper way to mail them.

I am going to the cities this week and will try and call in and see you.

Yours truly,

A. H. REED, President.

Glencoe, Minnesota, Jan. 21st, 1905.

A. W. LATHAM, SEC.

Yours of late date received and noted.

I think you have done a wise act in dropping the names from the "Magaziene" list, you write me you have from the Glencoe list.

I called at the late Joseph Richardson homestead a few days ago, where a brother (Eben Richardson) and daughter Mrs Pixley, lives and learned that the "Horticulturist" was still coming to them, and Mrs. P. said they did not read it. Mr. J. Richardson, whom you knew, died last June, and did not renew his membership to the society last year, still the monthly has been coming all the time.

Mass and Sherwood, two others dropped have not been residents of Glencoe for a long time.

I think that every member who does not renew by the last of January each year they should be dropped from list of members and cut off from the "monthly" as well as the annual report, and the surplus on hand sent to one or more members in each county to distribute and secure members with.

Very truly yours,

A. H. Reed.

Former high prices of Apple Trees must be broken. Apple Root Grafts and Sen. Dunlap Strawberries at \$1 per hundred. To those coming to Nursery and help dig their own trees, in amounts of \$5 and over, will present them with Black Walnut, French Pears, Plum, Cherry or seedling Apple Trees.

Glencoe, Minnesota, Jan. 15'th, 1907.

A.W. LATHAM, Secretary,

I would respectfully recommend that you discontinue sending the "Horturculturist" to members who have not renewed their membership for 1907, especially those in McLeod County.

I have discovered that some of them think they are members of the state society while they are receiving the "Monthly." One of our members when asked to renew, showed me his monthly just taken from the post office, saying he thought he was a member.

If the following old members are receiving the "monthly" please have them dropped.

If not to much trouble I wish you would send me a copy of resolution passed at last meeting, on the matter of a state fruit farm.

No 1 + 12 Mr Barrows informs me that
several years ago he sent his membership
fee through the Jewel Nursery Co, but that he
never recd either the year book, monthly issues or
premiums or notices of any kind from the society.
I presumed his fee got mixed on their books
with payment for plants etc. But as I have
assured him that he will be properly entered
as a member this time, I wish you would
kindly notify him to that effect at once
and oblige

Yours Truly

A. W. LATHAM, Secretary,

Your last at hand and noted

The list of names to the McLeod County Auxilery which I thought I gave you besides my own, were Dr. J.H. Dorsey, H. Wadsworth, L.W. Gilbert, Henry Brinkman, ~~F.L. Pollock~~, J.J. Bretchet, J.H. Albers, .

The above members are those I was supposed to to have paid you the fees of \$2.00, for and unless the list I gave you at the annual meeting contained the name of some other than Dr. Dorsey, he was the one I paid for and I found his membership lacking from among those you sent me.

The other six have all accepted and paid for their membership and you will please add the name of F.A. Tudhope, as a new member and send me the membership tickets for Dr. J.H. Dorsey and F.A. Tudhope. Mr. Tudhope is the proprietor and editor of the Glencoe Enterprise, and I hope he will become

past year in marshalling the agriculturist of McLeod County, as members into the Horticultural society. The fact is that I have been very buisy the past summer in building and repairing, in setteling up my old railroad matters, besides I spent several weeks in the South, returning home just in time to attend the annual meeting. As we did not hold our annual meeting, we will have an adjourned meeting towards the last of the month after which I will give you a full report for the year.

I trust that you will consider that it is quite a incentative to a "promoter," in securing new members to know that ^{his} is to be accredited for each and every new member added to the society, even it be through an "auxilery," and to have same published in the "Magaziene. IF SO, I agree to greatly increase the membership from McLeod county.
