Dear friend:

Your postal received and take pleasure  
in sending \$2.25 for the cuts. Thanks for the  
same.

This a queer winter, no sleighing yet. I wonder  
how our fruits will come through the winter.

Sincerely yours.

Dear Friend:-

Your letter of 14th inst and check received for which I wish to thank you and am glad to know that my service is appreciated.

Got home that Friday night at 11 o'clock. Everything was O.K. I surely never leave the meeting without being well repaid. I always enjoy it very much and shall not I miss any if I can help it.

I am writing up another catalogue and I wish I could use the cut of my father which you have. and also if I could get a cut of an apple such as you might have. I forgot to bring my annual report along I took one but layed on a window in the church. and went off with out it. You might send the cuts and book by express and oblige.

Wishing you a Merry Christmas and a Happy New Year I remain,

Very cordially Yours.

Walter Yahuke

Dear Friend:—

Yours of recent date received, and in reply will say that I wish to continue the advertisement next year. But will change the wording. Will send this at a later date.

The five cents over the amount of the bill was intended to pay for the exchange so probably you will be five cents short when you cash it.

Mr. Philips will stop with us over Sunday before the meeting so will have good company going up. I am glad the meeting is so promising.

I have the fall work done and am ready for winter.

Cordially yours.

Walter Yahuke.

Dear friend:

Your favor of 26th inst received. There isn't anyone here we could rely upon for a paper on cherries besides, possibly Mr. Ramsden or Mr. Merritt of whom you mentioned. It is possible that Mr. Ramsden could write a good paper on cherries with the experience he has had along this line. I do not know whether he is a horticulturist enough to go up to the meeting and present it. I feel rather doubtful after hearing his express his ideas of the winter meeting. But he might change his ideas when he is on the program.

I expect to attend the winter meeting and am very willing to assist you again as I did last year or anything else I can do.

In this vicinity there are not many horticulturists and when it comes to naming them there would only be a very few. There are quite a number of people in Homer raising cherries but would not be of any help towards a paper.

Your sincere friend

Walter Yahke

Dear friend:

I wish to send a few apples to cold storage for the winter meeting but did not receive any shipping tags this year. Please send me a few and oblige.

It is rather cold today and I expect a heavy frost tonight. We are getting ready for the long cold spell which will be upon us before many months.

Hoping all is well with you, I remain,  
as ever,

your friend
