Dear Friend:-

Your letter of 19th. inst. received. In regard to the address of Conrad Nellis of Monticello will say that it was given to me the way you have it. There has been some trouble about it before and therefore something must be wrong with ~~the~~ address. I will write to Mr. Moore of that place in order to find the mistake and have him notify you so as to save some time. In case you should not hear from him in a reasonable time you better claim the book, this is the best I can do for him.

I enclose \$1.00 for another member: C. A. Pfeiffer, Winona, Minn. City Road. R# 1. He will be a valuable member. He wishes the back numbers of this year and the annual report, also No. 5 premium. For my premium send me "Landscape Garding" by F. A. Waugh.

Cordially yours,

Walter E. Yahnke

Dear friend:-

Will you please look up D. H. Hull
of Sitchfield subscription.
A year ago ~~that~~ ^{this} Jan he sent in his \$1.00 to
you and on March 3rd I sent in another \$1.00
to advance his subscription another year and
he writes to me that he received notice that his
Horticulturist is not renewed. You will probably
have to refer to my letter of March 3 1908 to get
the desired information. This is correct as far
as can see if he sent in his \$1.00.

Please notify him if this is correct.
I am not planting strawberries yet.

Cordially yours,

Dear Friend:

I sent you some photos today. Some of them are the same
so you ^{have} a chance to choose which will produce the best half-tones.
I had planned on using two for my catalogue; one
of the tree above in bloom and the other which shows two
rows in bloom. I don't think the other will work out good.
I will buy these cuts from you if I can get them by the first week
in Jan. In first part of second week.

I enclose copy for advertisement for the coming year
hoping that the pictures will be satisfactory I am,
cordially yours

Your letter of 18th inst received.
The cuts came in time, as the I
had to have them. I cannot use

it is pretty large. I have quit a number
of cuts for the catalogue this year.

Yes, I would like a few copies of
the Jan number and thank you very
much for them.

I enclose check for \$ 2 45 for the
cuts.

If you wish to use them in getting the
annual printed you can use them as I will
keep them for further printing.

Cordially yours.

Dear Friend:

Your favor of 19th just received and wish to thank you for the check.

We managed to get two fairly good views in our Homer cherry orchard. One is a tree 4 years old alone in bloom and another is a row 10 years old in bloom. The blossoms in the latter show fine but the trunks are a little in shade, possibly the engravers could touch up the trunks a little and bring them out on the half tone. I will mail you these in a day or two. Wishing you the season's greetings, I remain,
cordially yours.
