Dear friend

Please change my advertisement
as per enclosed copy to take effect in the
Sept. issue if possible.

We certainly have had enough rain
now. It rained nearly every day last week.
That is what we were looking for. It came
a little too late for many things. The Plums
will be small this year.

Cordially yours,

Frank Yahnke

Dear Sir:-

I herewith enclose my check for \$1 for which
please send four luncheon tickets. I understand that
a luncheon is to be served, instead of the usual picnic
dinner, at the next meeting of the Society.

Very truly yours,

E. J. Smith

Strawberries are not in bloom here either yet, Was on the bluff the other day with the team and had to shovel snow in order to get through.

Dear Friend:-

Your favor and enclosed letter from C. A. Nellis; Elk River, Minn. received. If you remember this is the fellow you have been having some trouble trying to find his address. You have it Conrad Nellis, Monticello. You wrote to me this winter in regard to this address stating that his annual report was not called for at Monticello. Probably you know what happened to it. Monticello was the address I received and had written to Mr. Moore about it but did not receive a reply. You may notify him to this effect and do the best you can for him.

Cherries have set a good crop again. Plums a fairly well, nothing to brag of however. I am very busy this spring. Have 20 acres ^{more} to take care of which I bought last fall, and it is doubtful whether I can be at the meeting. If we should get a good shower the day before I might

on account of the washouts on the road. Not much fun in that.
