Dear Sir

Mr S. H. Maust of this locality had circular matter pertaining to the H. Horticultural Society sent to my brother. He not wishing to respond. I therefore avail myself of the opportunity to become a life member, as I have been much interested in that line especially fruits & ornamentals and confident that I will gain considerable knowledge thereby.

Choosing the installment plan, I remit you \$5.00 which you will find enclosed and will send the bal. of the membership fee some time in the fall I understand the no. magazine is sent me and the premiums which I am entitled the Annual Report Plant premiums etc I select two No 11 of the Red Cedar making four trees

at 2 yrs growth as per your circular  
The Annual Report & Lithograph certificate  
you may send by express with the trees  
if charges are prepaid.

The back Reports may not be sent till  
fall or will notify you

The cedars of course will be delayed  
till time to set out in Spring.

Yours Very Truly

Dear Sir:

Enclosed herewith, please find Draft for One Dollar  
(\$1.00) as membership fees for Mr. O. J. Eddy, Montevideo, R. 5.  
Minn. for 1910. (Renewal). As plant premiums he wants No. 1-7.

I happened to meet him to day and found out that he  
had not renewed his standing for 1910. and he just handed me the  
dollar to send for him and here it is.

I also saw Miss. Hilda Gippe our county school supt. today  
she feels very much pleased about her Seedling Apple premiums  
and her membership in the Horticultural Society. Her father died  
a short time ago I am sorry to say, but the fruit will not be neglected  
on the old homestead, and will grow just the same as before.

I wonder if our Society are going to be represented  
at the "Conservation Congress" in St. Paul. 16-19- this month - I hope  
so. —

I beg leave to remain yours Truly

Olson.

**Kenmare Town Lots**

I have over 350 town lots of my own for sale size 50x140, to 20 foot alley, with 75 foot streets. Most of these lots lay on the higher ground, and are beautifully located for residences, with good view of the lake. Some lay near the lake shore, where I also have the only trackage in Kenmare for manufacturing. My lots are all free and clear, and patent issued over six years ago. The city well and water tower is located on my plat; the well is 440 feet deep and has oceans of fine soft water.

Mr. A. L. Latham,

Minneapolis Minn

My Dear Secretary:-

In this letter I inclose you Postoffice order for one dollar, as I wish to continue a member of the society, from which I have derived so many benefits.

"Yes" My wife and I have been looking forward to this annual meeting of our society, and we mean to get there for the second day meeting.

We have our regular Council meeting on the first Monday of each month (and as I unfortunately am a member of that body) and as the first Monday falls on the 6th, and we hold our meetings evenings, we can not get to Mpls before the evening of the 7th, and so will try and be on hand on the 8th.

You may hold my Book ~~my~~ as I will call at your office as my wife and I will spend a good part of the winter there with her people.

I thank you in advance, and trusting that you will have a prousing good meeting I am yours  
Very Truly W. F. Niederriter
