Mr. A. W. Latham  
Minn. Minn.

Dear Sir:-

Please inform me if you would permit me to solicit subscriptions for Better Fruit in the Fruit Show. All the space I would need is enough for a small table & chair. The Societies of Mich. of which I am a member Indiana, Ohio, Ill, New York, Wis. W. Va + other Eastern Societies give us free space every year + would appreciate it if you would permit us to come and work in a quiet gentlemanly manner. I am a fruit grower and also represent Better Fruit in the east.

Yours truly,

Herman O. Zander  
Ada Mich.

P.S. Please notify me at once so that I can make arrangements to come ~~unless~~ as otherwise I may go east.

Dear Mr. Latham:-

As I am looking for a stenographic position, my brother, Walter Yahnske, of Winona, referred me to you, thinking that perhaps you might be able to assist me in obtaining one.

I have been looking about in St. Paul for some little time, but have been unable to find anything. Am told that Minneapolis offers more opportunities, but as I am not

acquainted in that city, it is rather hard for me to get around.

I have had quite a little experience, working at various substitute positions in W. Mass. and would now like to get a position with a firm whose business I can make my business. Anything you could do to assist me in obtaining a good position would be greatly appreciated.

Trusting to hear from you by return mail, I remain,

Yours respectfully,  
(Miss) Myrtle Yahrke.

Dear Friend:—

We have a Fruit Growers assoc. here of about 50 members and I am writing to you asking whether there is any chance for the members to unite with the Horticultural Society at a 50c subscription rate, no premiums would be expected. I don't know whether I can get them all to go in or not. They need the Horticulturist worse than the money.

I Hoping to hear from you by return mail.  
I remain

Fraternally yours,  
Walter A. Yalnick
