Mr. A. W. Latham Sec'y,
Minnesota State Hortic. Soc'y.,

Dear Sir:-

We have your valued favor of recent date regarding due bills issued by you.

We have not had any information previous to this, and do not even now know precisely what the object is. However, we will be glad to discount these due bills 40%, which we believe is the customary wholesale price, as far as agents nurseries are concerned; it is considered less than wholesale price, considering the low price which we quote in our Catalog, selling direct to the consumer.

Hoping that this adjusts the matter to your satisfaction, we remain,

Yours truly,

FARMER SEED & NURSERY CO.

Dear Friend Luthran

We are having a delightful
visit here in this bright
sunny climate Feb 1st was a
merry day 6" fall. This morning
it was 12 below 0. The snow does
not remain long on the ground
most of the time. I spent much
of the afternoon taking long walks
admiring the mountain scenery.
We expect to leave here for Cal
Wed Saturday over the Santa Fe RR
for Los Angeles. Our present plan is to go
to Long Beach 1162 East 1st St in
Car Mrs J Dodson. From there we
shall go to Pasadena and Santa
Monica we hear from home ever week

I have no news that would interest
you except that the new Grand Jury
is a sturdy specimen of humanity.

If there any thing interesting develops
heretofore in Legislation let me
hear about it. My health allows
than my shaking hand is of
writing to know how you are.
I am your friend.

Dear Sirs.-

Will you please tell me confidentially whether Mr. P.H. Volstad has a nursery and is growing nursery stock or is simply a dealer. I am not making inquiry in regard to his financial responsibility so much as to know whether he is actually engaged himself in operating a nursery. An early reply to this will greatly oblige,

Yours very respectfully,

My Dear Friend Mr Latham:-

Your favor of the 18th, inst, to hand,

In answer to your letter, The writer will be pleased to except Your request in attending the S.Dak, Horticultural Society, as a delagate, representing our Society,

I have a circular letter from Secy, Hanson, stating that their Society meets at Redfield on Jan 21-22- & 23rd,

I suppose the best way in getting to Redfield, S.D. is to take train to Mpls & Go out on the N.W.Line.

Any information, that You may be able to give the writer, pertaining to the interest of our Society as a Delagate, will be greatfully received,

I am Cordially Yours.
